DESCRIPTION:

PARCEL 3

PORTION OF LOT 10, BLOCK A; PORTIONS OF LOTS 7 AND 8, BLOCK C; ALL OF LOTS 9 AND 10, BLOCK C; LOTS 1 THROUGH 9, BLOCK E; LOTS 1 THROUGH 9, BLOCK F AND LOTS 7 THROUGH 14, BLOCK G, LAKE LOUISE ESTATES, ACCORDING TO THE PLAT THEREOF, RECORDED IN PLAT BOOK F, PAGE 114 OF THE PUBLIC RECORDS OF MARION COUNTY, FLORIDA; AND LOTS 1 THROUGH 5, BLOCK A; LOTS 1 THROUGH 23, BLOCK B; PORTIONS OF LOTS 1 THROUGH 3 AND LOT 4, BLOCK C, LAKE LOUISE MANOR, ACCORDING TO THE PLAT THEREOF, RECORDED IN PLAT BOOK G, PAGE 58 OF THE PUBLIC RECORDS OF MARION COUNTY, FLORIDA; AND LOTS 5 THROUGH 12, BLOCK C; LOTS 1 THROUGH 21, BLOCK D, FIRST ADDITION TO LAKE LOUISE MANOR, ACCORDING TO THE PLAT THEREOF, RECORDED IN PLAT BOOK G, PAGE 61 OF THE PUBLIC RECORDS OF MARION COUNTY, FLORIDA; AND A PORTION OF THE NORTH 100 FEET OF LOT 4 AND A PORTION OF THE SOUTH 1/2 OF LOT 22 OF MCINTOSH SUBDIVISION OF WEST 1/2 OF THE SANCHEZ GRANT, ACCORDING THE PLAT THEREOF, RECORDED IN PLAT BOOK E, PAGE 4 OF THE PUBLIC RECORDS OF MARION COUNTY, FLORIDA; AND A PORTION OF PARCEL 5 "LAKE LOUISE" AS RECORDED IN OFFICIAL RECORDS BOOK 6643, PAGE 228 OF THE PUBLIC RECORDS OF MARION COUNTY, FLORIDA; ALL LANDS LYING IN MARION COUNTY, FLORIDA AND BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS;

COMMENCE AT THE N.W. CORNER OF LOT 7, BLOCK D OF SAID LAKE LOUIS ESTATES; THENCE ALONG THE NORTH BOUNDARY OF SAID LOT 7 AND THE EXTENSION THEREOF, S.89°36'30"E., A DISTANCE OF 310.66 FEET TO A POINT ON THE SOUTH RIGHT OF WAY LINE OF S.W. 28TH STREET (SUNRISE DRIVE)(PLAT) (BEING A FIFTY FOOT RIGHT OF WAY), SAID POINT ALSO BEING ON A CURVE, CONCAVE SOUTHERLY, HAVING A RADIUS OF 1150.00 FEET, A CENTRAL ANGLE OF 33°44'24" AND A CHORD BEARING AND DISTANCE OF N.57°28'54"E., 667.46 FEET; THENCE NORTHEASTERLY, ALONG THE ARC OF SAID CURVE AND SAID SOUTH RIGHT OF WAY LINE, A DISTANCE OF 677.20 FEET TO THE POINT OF BEGINNING, SAID POINT ALSO BEING THE N.E. CORNER OF LOT 11, BLOCK C OF SAID LAKE LOUISE ESTATES; THENCE DEPARTING SAID SOUTH RIGHT OF WAY LINE, N.14°05'58"W., A DISTANCE OF 85.22 FEET TO A POINT ON THE NORTH RIGHT OF WAY LINE OF SAID S.W. 28TH STREET, SAID POINT ALSO BEING THE INTERSECTION OF A NON–TANGENT CURVE, CONCAVE NORTHWESTERLY, HAVING A RADIUS OF 50.00 FEET, A CENTRAL ANGLE OF 71°56'59" AND CHORD BEARING AND DISTANCE OF S.36°16'21"W., 58.74 FEET; THENCE SOUTHWESTERLY, ALONG THE ARC OF SAID CURVE AND SAID NORTH RIGHT OF WAY LINE, A DISTANCE OF 62.79 FEET TO A POINT OF REVERSE CURVATURE OF A CURVE, CONCAVE SOUTHERLY, HAVING A RADIUS OF 1200.00 FEET, A CENTRAL ANGLE OF 15°18'20" AND A CHORD BEARING AND DISTANCE OF S.64°36'03"W., 319.61 FEET; THENCE SOUTHWESTERLY, ALONG THE ARC OF SAID CURVE AND SAID NORTH RIGHT OF WAY LINE, A DISTANCE OF 320.56 FEET TO A POINT OF REVERSE CURVATURE OF A CURVE, CONCAVE NORTHEASTERLY, HAVING A RADIUS OF 50.00 FEET, A CENTRAL ANGLE OF 123°20'37" AND A CHORD BEARING AND DISTANCE OF N.61°22'49"W., 88.02 FEET; THENCE SOUTHWESTERLY AND NORTHWESTERLY, ALONG THE ARC OF SAID CURVE AND SAID NORTH RIGHT OF WAY LINE, A DISTANCE OF 107.64 FEET TO THE POINT OF TANGENCY, SAID POINT ALSO BEING ON THE EAST RIGHT OF WAY LINE OF S.W. 6TH AVENUE (MEMORY LANE)(PLAT) (BEING A FIFTY FOOT RIGHT OF WAY); THENCE DEPARTING SAID NORTH RIGHT OF WAY LINE, ALONG SAID EAST RIGHT OF WAY LINE, N.00°17'48"E., A DISTANCE OF 1280.91 FEET TO THE POINT OF CURVATURE OF A CURVE, CONCAVE WESTERLY, HAVING A RADIUS OF 37.50 FEET, A CENTRAL ANGLE OF 138°09'43" AND CHORD BEARING AND DISTANCE OF N.20°36'26"W., 70.06 FEET; THENCE NORTHWESTERLY ALONG THE ARC OF SAID CURVE AND SAID EAST RIGHT OF WAY LINE, A DISTANCE OF 90.43 FEET TO THE S.W. CORNER OF LOT 7, BLOCK G OF AFOREMENTIONED LAKE LOUISE ESTATES; THENCE DEPARTING SAID EAST RIGHT OF WAY LINE, ALONG THE WEST BOUNDARY OF SAID LOT 7, N.00°09'34"E., A DISTANCE OF 104.61 FEET TO THE N.W. CORNER OF SAID LOT 7; THENCE DEPARTING SAID WEST BOUNDARY, ALONG THE EAST BOUNDARY OF LANDS DESCRIBED IN OFFICIAL RECORDS BOOK 7036, PAGE 828 OF THE PUBLIC RECORDS OF MARION COUNTY, FLORIDA, N.00°09'34"E., A DISTANCE OF 98.99 FEET TO THE N.E. CORNER OF SAID LANDS, SAID POINT ALSO BEING ON THE NORTH BOUNDARY OF LOT 4 OF AFOREMENTIONED MCINTOSH SUBDIVISION; THENCE DEPARTING SAID EAST BOUNDARY, ALONG THE NORTH BOUNDARY OF SAID LOT 4 AND THE NORTH BOUNDARY OF THE SOUTH 1/2 OF LOT 22 OF SAID MCINTOSH SUBDIVISION, S.89°35'16"E., A DISTANCE OF 535.16 FEET TO A POINT ON THE SOUTHWESTERLY RIGHT OF WAY LINE OF CSX TRANSPORTATION RAILROAD (RIGHT OF WAY WIDTH VARIES); THENCE DEPARTING SAID NORTH BOUNDARIES, ALONG SAID SOUTHWESTERLY RIGHT OF WAY LINE THE FOLLOWING FOUR (4) COURSES: S.46°43'10"E., A DISTANCE OF 526.19 FEET; THENCE S.47°15'02"E., A DISTANCE OF 36.70 FEET; THENCE S.42°13'07"W., A DISTANCE OF 5.00 FEET; THENCE S.52°00'38"E., A DISTANCE OF 292.29 FEET TO A POINT ON THE WEST RIGHT OF WAY LINE OF S.W. 3RD AVENUE (CENTRAL AVENUE)(PLAT) (BEING A FIFTY FOOT RIGHT OF WAY); THENCE DEPARTING SAID SOUTHWESTERLY RIGHT OF WAY LINE, ALONG THE WEST RIGHT OF WAY LINE OF SAID S.W. 3RD AVENUE, S.00°13'57"W., A DISTANCE OF 1470.26 FEET TO THE N.W. CORNER OF AFOREMENTIONED FIRST ADDITION TO LAKE LOUISE MANOR, SAID POINT ALSO BEING ON THE SOUTH RIGHT OF WAY LINE OF S.W. 29TH STREET ROAD (SIESTA DRIVE)(PLAT) (BEING A FIFTY FOOT RIGHT OF WAY); THENCE DEPARTING SAID WEST RIGHT OF WAY LINE, ALONG THE SOUTH RIGHT OF WAY LINE OF SAID S.W. 29TH STREET ROAD, S.89°44'50"E., A DISTANCE OF 527.79 FEET TO A POINT ON THE WEST RIGHT OF WAY LINE OF S.W. 1ST COURT (SIESTA DRIVE)(PLAT) (BEING A FIFTY FOOT RIGHT OF WAY), SAID POINT ALSO BEING THE POINT OF CURVATURE OF A CURVE, CONCAVE SOUTHWESTERLY, HAVING A RADIUS OF 50.84 FEET, A CENTRAL ANGLE OF 89°22'36" AND A CHORD BEARING AND DISTANCE OF S.45°03'04"E., 71.51 FEET; THENCE DEPARTING SAID SOUTH RIGHT OF WAY LINE, SOUTHEASTERLY, ALONG THE ARC OF SAID CURVE AND SAID WEST RIGHT OF WAY LINE, A DISTANCE OF 79.31 FEET TO THE POINT OF TANGENCY; THENCE CONTINUE ALONG SAID WEST RIGHT OF WAY LINE, S.00°22'57"E., A DISTANCE OF 449.20 FEET TO THE POINT OF CURVATURE OF A CURVE, CONCAVE NORTHEASTERLY, HAVING A RADIUS OF 100.84 FEET, A CENTRAL ANGLE OF 89°21'50" AND A CHORD BEARING AND DISTANCE OF S.45°03'49"E., 141.82 FEET; THENCE SOUTHEASTERLY ALONG THE ARC OF SAID CURVE AND SAID WEST RIGHT OF WAY LINE, A DISTANCE OF 157.28 FEET TO THE POINT OF TANGENCY, SAID POINT ALSO BEING ON THE SOUTH RIGHT OF WAY LINE OF S.W. 31ST STREET (SIESTA DRIVE)(PLAT) (BEING A FIFTY FOOT RIGHT OF WAY); THENCE DEPARTING SAID WEST RIGHT OF WAY LINE, ALONG SAID SOUTH RIGHT OF WAY LINE, S.89°44'48"E., A DISTANCE OF 135.70 FEET TO THE POINT OF CURVATURE OF A CURVE, CONCAVE SOUTHWESTERLY, HAVING A RADIUS OF 50.00 FEET, A CENTRAL ANGLE OF 102°37'52" AND A CHORD BEARING AND DISTANCE OF S.38°25'43"E., 78.06 FEET; THENCE SOUTHEASTERLY ALONG THE ARC OF SAID CURVE AND SAID SOUTH RIGHT OF WAY LINE, A DISTANCE OF 89.56 FEET TO THE END OF SAID CURVE; THENCE DEPARTING SAID SOUTH RIGHT OF WAY LINE OF S.W. 1ST AVENUE (IDLEWOOD DRIVE)(PLAT) (BEING A FIFTY FOOT RIGHT OF WAY), CONCAVE NORTHWESTERLY, HAVING A RADIUS OF 292.00 FEET, A CENTRAL ANGLE OF 77°08'37" AND CHORD BEARING AND DISTANCE OF S.52°00'51"W., 364.12 FEET; THENCE SOUTHWESTERLY ALONG THE ARC OF SAID CURVE AND SAID SOUTH RIGHT OF WAY LINE, A DISTANCE OF 393.15 FEET TO THE POINT OF TANGENCY; THENCE CONTINUE ALONG SAID SOUTH RIGHT OF WAY LINE, S.89°59'59"W., A DISTANCE OF 335.41 FEET TO A POINT ON THE WEST RIGHT OF WAY LINE OF S.W. 2ND COURT (SHORELAND DRIVE)(PLAT) (BEING A FIFTY FOOT RIGHT OF WAY); THENCE DEPARTING SAID SOUTH RIGHT OF WAY LINE, ALONG SAID WEST RIGHT OF WAY LINE, N.00°03'55"E., A DISTANCE OF 218.74 FEET TO THE N.E. CORNER OF LOT 13, BLOCK C OF AFOREMENTIONED FIRST ADDITION TO LAKE LOUISE MANOR; THENCE DEPARTING SAID WEST RIGHT OF WAY LINE, ALONG THE NORTH BOUNDARY OF SAID LOT 13, N.89°30'15"W., A DISTANCE OF 156.33 FEET TO THE N.W. CORNER OF SAID LOT 13; THENCE DEPARTING THE NORTH BOUNDARY OF SAID LOT 13, ALONG THE WEST BOUNDARY OF BLOCK C OF SAID FIRST ADDITION TO LAKE LOUISE MANOR THE FOLLOWING TWO (2) COURSES: S.06°27'54"W., A DISTANCE OF 100.59 FEET; THENCE S.16°57'44"W., A DISTANCE OF 104.54 FEET TO A POINT ON THE NORTH RIGHT OF WAY LINE OF S.W. 32ND STREET PER "SE/SW 31ST STREET RIGHT OF WAY MAP" AS RECORDED IN RIGHT OF WAY MAP BOOK 1, PAGE 65 OF THE PUBLIC RECORDS OF MARION COUNTY, FLORIDA; THENCE DEPARTING THE WEST BOUNDARY OF SAID BLOCK C, ALONG SAID NORTH RIGHT OF WAY LINE, N.89°44'06"W., A DISTANCE OF 414.25 FEET TO THE EAST BOUNDARY OF LANDS DESCRIBED IN OFFICIAL RECORDS BOOK 8162, PAGE 798 OF THE PUBLIC RECORDS OF MARION COUNTY, FLORIDA; THENCE DEPARTING SAID NORTH RIGHT OF WAY LINE, ALONG SAID EAST BOUNDARY THE FOLLOWING FOUR (4) COURSES: N.12°35'46"W., A DISTANCE OF 271.73 FEET; THENCE N.19°02'32"E., A DISTANCE OF 91.14 FEET; THENCE N.28°48'08"E., A DISTANCE OF 175.08 FEET; THENCE N.61°11'52"W., A DISTANCE OF 60.87 FEET TO THE S.E. CORNER OF LOT 10, BLOCK A OF AFOREMENTIONED LAKE LOUISE ESTATES, SAID POINT ALSO BEING A POINT ON THE NORTH BOUNDARY OF DRAINAGE RETENTION AREA NO. 5 AS DESCRIBED IN RIGHT OF WAY TAKING RECORDED IN OFFICIAL RECORDS BOOK 4037, PAGE 1322 OF THE PUBLIC RECORDS OF MARION COUNTY, FLORIDA; THENCE DEPARTING THE EAST BOUNDARY OF SAID LANDS, ALONG THE NORTH BOUNDARY OF SAID DRAINAGE RETENTION AREA NO. 5 AND NO. 3, N.58°08'36"W., A DISTANCE OF 239.74 FEET TO A POINT ON THE EAST BOUNDARY OF LANDS DESCRIBED IN OFFICIAL RECORDS BOOK 8164, PAGE 1048 OF THE PUBLIC RECORDS OF MARION COUNTY, FLORIDA; THENCE DEPARTING SAID NORTH BOUNDARY, ALONG SAID EAST BOUNDARY THE FOLLOWING NINETEEN (19) COURSES: N.31°58'50"E., A DISTANCE OF 12.84 FEET; THENCE S.76°59'18"E., A DISTANCE OF 27.56 FEET; THENCE S.82°11'52"E., A DISTANCE OF 84.35 FEET; THENCE S.76°07'49"E., A DISTANCE OF 37.97 FEET; THENCE S.84°43'50"E., A DISTANCE OF 50.56 FEET; THENCE N.20°14'43"E., A DISTANCE OF 72.40 FEET; THENCE N.21°10'52"E., A DISTANCE OF 82.18 FEET; THENCE N.72°50'43"E., A DISTANCE OF 110.60 FEET; THENCE S.62°35'17"E., A DISTANCE OF 33.52 FEET; THENCE N.18°44'03"E., A DISTANCE OF 26.86 FEET; THENCE N.31°39'00"W., A DISTANCE OF 58.12 FEET; THENCE N.16°22'51"W., A DISTANCE OF 34.97 FEET; THENCE N.10°20'51"W., A DISTANCE OF 15.09 FEET; THENCE N.03°02'30"W., A DISTANCE OF 57.19 FEET; THENCE N.89°46'03"W., A DISTANCE OF 108.42 FEET; THENCE S.75°20'00"W., A DISTANCE OF 13.08 FEET; THENCE N.27°16'40"W., A DISTANCE OF 293.29 FEET; THENCE N.83°42'24"W., A DISTANCE OF 126.02 FEET; THENCE N.27°16'40"W., A DISTANCE OF 11.13 FEET TO A POINT ON THE SOUTH BOUNDARY OF LOT 10, BLOCK C OF THE AFOREMENTIONED LAKE LOUISE ESTATES, SAID POINT ALSO BEING ON A CURVE, CONCAVE SOUTHERLY, HAVING A RADIUS OF 950.00 FEET, A CENTRAL ANGLE OF 07°35'13" AND CHORD BEARING AND DISTANCE OF S.77°59'31"W., 125.70 FEET; THENCE SOUTHWESTERLY, ALONG THE ARC OF SAID CURVE AND SAID SOUTH BOUNDARY, A DISTANCE OF 125.79 FEET TO THE S.W. CORNER OF SAID LOT 10; THENCE DEPARTING THE SOUTH BOUNDARY OF SAID LOT 10, ALONG THE WEST BOUNDARY OF SAID LOT 10, N.15°36'16"W., A DISTANCE OF 199.67 FEET TO THE POINT OF BEGINNING. SAID LANDS CONTAINING 60.18 ACRES, MORE OR LESS.

PARCEL 4

LOTS 1 THROUGH 4, BLOCK E; LOTS 7 THROUGH 13, BLOCK F, FIRST ADDITION TO LAKE LOUISE MANOR, ACCORDING TO THE PLAT THEREOF, RECORDED IN PLAT BOOK G, PAGE 61 OF THE PUBLIC RECORDS OF MARION COUNTY, FLORIDA; ALL LANDS LYING IN MARION COUNTY, FLORIDA AND BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS;

BEGIN AT THE N.E. CORNER OF AFOREMENTIONED LOT 1, BLOCK E, SAID POINT ALSO BEING ON THE SOUTH RIGHT OF WAY LINE OF S.W. 29TH STREET ROAD (SIESTA DRIVE)(PLAT) (BEING A FIFTY FOOT RIGHT OF WAY); THENCE ALONG THE EAST BOUNDARY OF AFOREMENTIONED BLOCKS E AND F, S.00°18'15"E., A DISTANCE OF 424.57 FEET TO A POINT ON THE NORTH BOUNDARY OF LOT 9 OF SAID BLOCK F; THENCE DEPARTING SAID EAST BOUNDARY, ALONG THE NORTH BOUNDARY OF LOTS 7, 8, AND 9 OF SAID BLOCK F, S.89°41'09"E., A DISTANCE OF 894.89 FEET TO THE N.E. Subject: Opposition to Case ABR25-0008

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

To Whom It May Concern

Department of Growth Management

I am writing regarding Case ABR25-0008 to formally express my strong opposition to this request and to any further development or approvals connected to this area.

I live near the subject property and have already witnessed significant environmental destruction in the area surrounding my home. Trees have been removed, natural land has been cleared, and wildlife has lost its habitat.

Since this clearing began, I have personally seen foxes, wild turkeys, raccoons, and other animals wandering through nearby properties after losing their natural environment. What was once a peaceful natural area has been heavily damaged.

I own neighboring land that I have intentionally preserved with trees and natural habitat because I believe wildlife deserves protection and safe space to survive. I will never sell that land, and I hope the city will consider the environmental impact that continued development is having on this community and its wildlife.

For these reasons, I strongly oppose this request and any additional actions that would further destroy the remaining natural area.

Please include my comments in the public record for this case.

Sincerely,

Adriana Rick

Submitted By: David Sablan

Presentation By: Aubrey Hale

Department: Growth Management

STAFF RECOMMENDATION (Motion Ready):
Ordinance 2026-19 to rezone from O-1, Office District, to B-2A, Limited Business Commercial District, for property located at 619 SE 17th Street (Parcel 2917-002-000), approximately 2.04 acres (Case ZON26-0002) (Quasi-Judicial)

OCALA'S RELEVANT STRATEGIC GOALS:
Economic Hub.

PROOF OF PUBLICATION:
N/A

BACKGROUND:

- Petitioner and Property Owner: David Hammar, York Hill Properties LC
- Agent: Sandon Wiechens, Wiechens Realty, Inc.

Key Points:

The petitioner is requesting to rezone 2.04 acres of property from O-1, Office, to B-2A, Limited Community Business.

Zoning and Land Use Factors for Consideration:

- The B-2A district contains a number of new uses that the O-1 district does not allow, such as, but not limited to, a broad mix of general retail, business service, eating or drinking establishments, health care, recreational, and educational uses.

- The subject property's access is from SE 17th Street, a minor arterial roadway.

- The surrounding area is comprised of a mixture of office and commercial properties along the SE 17th

Street and SE Magnolia Ave Extension/SE Lake Weir Avenue corridors.

FINDINGS AND CONCLUSIONS:

- Rezoning the property will not result in the creation of a non-conforming use or structure.
- The proposed B-2A zoning district is consistent with the subject property's current Low Intensity Future Land Use designation, the comprehensive plan, and land development regulations (pursuant to Section 122-244 of the Code of Ordinances).
- The B-2A zoning district is compatible with and complimentary to the surrounding uses and O-1, SC, and RO zoning designations.
- City utilities are available at this location, and no level of service issues have been identified for public facilities as a result of the zoning amendment.

Planning and Zoning Commission

The Planning and Zoning Commission held a public hearing on May 11, 2026, where they heard a presentation of the staff report and statements from the property owner's agent. The Planning and Zoning Commission had no further discussion, and there were no public comments. The Planning and Zoning Commission voted unanimously to approve the rezoning request, 7-0.

Staff recommends approval.

FISCAL IMPACT:
N/A

PROCUREMENT REVIEW:
N/A

LEGAL REVIEW:
The ordinance is pending review by the City Attorney, William E. Sexton.

ORDINANCE 2026-19

AN ORDINANCE AMENDING THE ZONING MAP OF THE CITY OF OCALA, FLORIDA, CHANGING THE ZONING FROM O-1, OFFICE DISTRICT TO B-2A, LIMITED COMMUNITY BUSINESS DISTRICT, FOR CERTAIN PROPERTY LOCATED AT 619 SE 17TH STREET (PARCEL 2917-002-000), APPROXIMATELY 2.04 ACRES (CASE NO. ZON26-0002); PROVIDING DIRECTION TO STAFF; REPEALING INCONSISTENT AND/OR CONFLICTING PROVISIONS; PROVIDING FOR SEVERABILITY OF ORDINANCE PROVISIONS; PROVIDING FOR MODIFICATIONS ARISING FROM CONSIDERATIONS AT A PUBLIC HEARING; PROVIDING DIRECTION TO THE CODIFIER; AND PROVIDING FOR AN EFFECTIVE DATE.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF OCALA, FLORIDA, in regular session, as follows:

Section 1. The lands described below are hereby rezoned and reclassified according to the zoning regulation of the City of Ocala, Florida, as B-2A, Limited Community Business:

PARCEL NUMBER 2917-002-000

THAT PART OF LOT "H" OF CALDWELL'S ADDITION TO THE CITY OF OCALA, AS RECORDED IN PLAT BOOK "E", PAGE 4 AND IN DEED BOOK K, AT PAGE 741, OF THE PUBLIC RECORDS OF MARION COUNTY, FLORIDA, MORE PARTICULARLY DESCRIBED AS FOLLOWS: COMMENCING AT THE NORTHWEST CORNER OF SAID LOT H, THENCE EASTERLY ALONG NORTH BOUNDARY OF SAID LOT H, 230 FEET, THENCE SOUTHERLY PARALLEL TO THE WEST BOUNDARY OF SAID LOT H TO THE NORTH RIGHT-OF-WAY LINE OF 17TH STREET, SAID POINT BEING 30 FEET FROM AND AT RIGHT ANGLES TO THE CENTER LINE OF 17TH STREET (S464), THENCE N. 88° 11'05" W. ALONG SAID NORTH RIGHT OF WAY LINE 230 FEET, MORE OR LESS, TO THE WEST BOUNDARY OF SAID LOT H, THENCE NORTHERLY ALONG SAID WEST BOUNDARY TO THE POINT OF BEGINNING. SUBJECT TO AN EASEMENT ALONG THE WEST 25 FEET THEREOF.

Section 2. Direction to Staff. The City Council of the City of Ocala, Florida directs staff to take any and all steps necessary to effectuate the adoption and implementation of this ordinance; and all other matters as provided for above and herein as well as to ensure the orderly and effective administration and implementation of the intent of this ordinance and the specific matters outlined herein.

Section 3. Repealing Inconsistent and/or Conflicting Provisions. The City Council of the City of Ocala, Florida, hereby specifically repeals, to the extent of any such conflict, any and all ordinances, resolutions, policies, procedures, and/or other articles which are conflicting and/or inconsistent with this ordinance and the intent and direction provided by the City Council herein.

Section 4. Severability of Ordinance Provisions. If any section, phrase, sentence or portion of this ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, it is the intent of the City Council of the City of Ocala, Florida that (1) such portion shall be deemed a separate, distinct and independent provision; (2) such holding shall not affect the validity of the remaining portions hereof; and (3) this ordinance be adopted as though any such provision was not included herein.

Section 5. Modifications Arising from Consideration at a Public Hearing. It is the intention of the City Council of the City of Ocala, Florida that (1) the provisions of this ordinance may be modified as a result of its consideration by the City Council of matters that may arise during the public hearing(s) at which this ordinance is considered; and (2) any such modifications shall be incorporated into the final version of this ordinance.

Section 6. Direction to the Codifier. It is the intention of the City Council of the City of Ocala, Florida that (1) the zoning map of the City of Ocala is hereby amended to reflect the change in zoning classification from O-1, Office District, to B-2A, Limited Community Business District, as to lands described in Section 1 of this ordinance; (2) the sections and paragraphs of this ordinance may be renumbered or relettered in order to accomplish said intention; (3) terms or headings not affecting the intent of this ordinance may be changed to further accomplish said intention; and (4) any scrivener's error(s) contained herein which do not affect the intent of this ordinance be corrected with the authorization of the City Manager or their designee and without the need for additional public hearings or consideration by City Council.

Section 7. This ordinance shall become effective upon approval by the mayor, or upon becoming law without such approval.

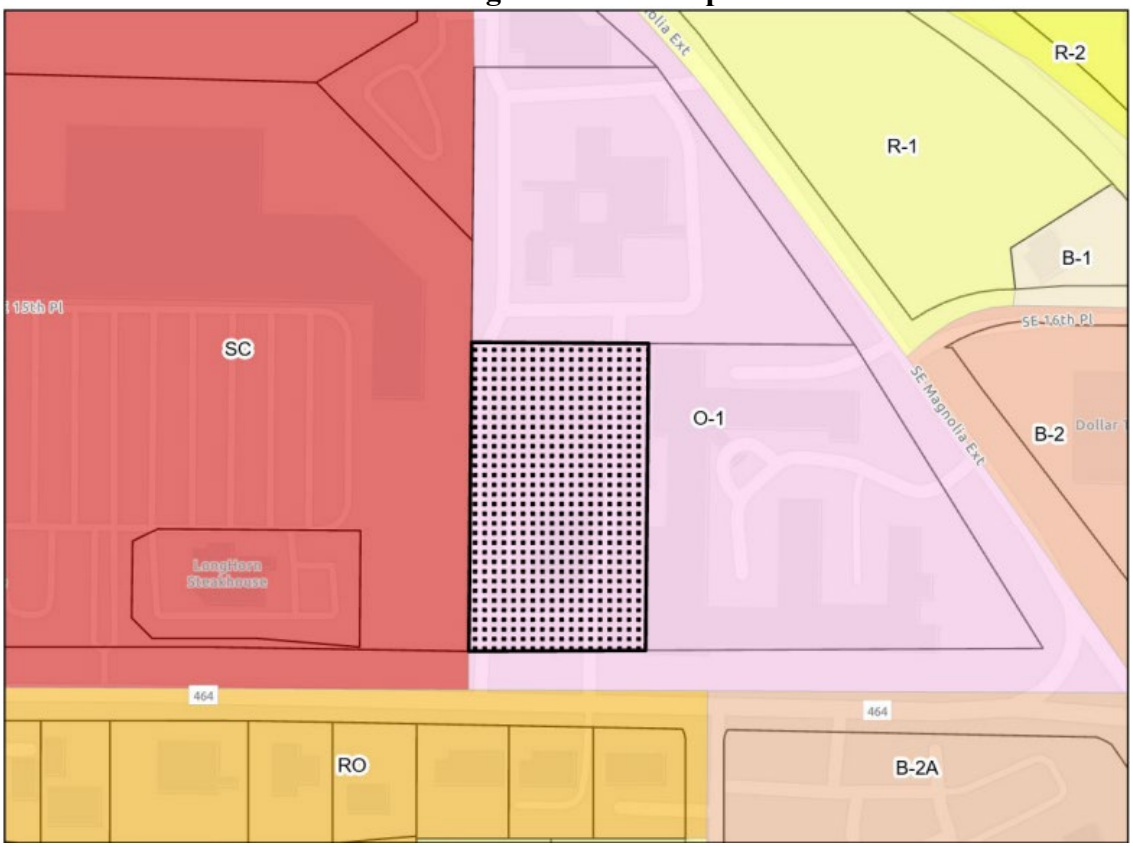
Rezoning Staff Report



Case No. ZON26-0002
Planning & Zoning Commission: May 11, 2026
City Council (1st Reading): June 16, 2026
City Council (Adoption): July 7, 2026

Applicant:	David Hammar
Property Owner:	York Hill Properties, L.C.
Project Planner:	David Sablan, Planner II
Amendment Request:	Rezone from O-1, Office District, to B-2A, Limited Community Business District

Parcel Information

Acres:	±2.04 acres
Parcel(s)#:	2917-002-000
Location:	619 SE 17th Street
Existing use:	Specialty Retail and Pharmacy
Future Land Use Designation:	Low Intensity
Zoning Designation:	O-1, Office
Special District(s)/Plan(s):	N/A
Approved Agreement(s):	N/A

Figure 1. Case Map

Section 1 - Applicant Request

The applicant is requesting a rezoning of 2.04-acres from O-1, Office, to B-2A, Limited Community Business.

The agent, Sandon Wiechens, Wiechens Realty, Inc., is representing the applicant in this request.

Section 2 - Background Information

The subject property encompasses approximately 2.04 acres. The current designations of the property are:

Zoning: **O-1, Office,** is intended to provide an area adjacent to arterial and major collector streets for the development of office uses and limited business services. This district is intended to be separate from the more intensive commercial and industrial areas, as well as ensure adequate design in order to maintain the character of the surrounding areas. Compatible commercial uses shall be permitted as accessory uses, but limited to a total of ten percent of the square footage of a permitted office building.

Future Land Use: **Low Intensity,** between 3 to 18 dwelling units per acre, a maximum of 0.75 floor area ratio (FAR).

The subject property was part of four-square miles comprising the original incorporated City Limits of Ocala According to City records, the property was developed in 1965 when the current ±5,000 square foot building was constructed. The current occupant of the building, Bitting's Pharmacy, Medical Equipment & Supplies, is classified as a specialty retail and pharmacy use. This is a permitted principal use in the O-1 zoning district. City records indicate Bitting's has been in operation at this location as early as 1987. The site has 59 parking spaces servicing the existing building. The subject property has a 25-foot-wide access easement along the western boundary that provides the Ocala Medical Park, located to the north of the subject property, access to SE 17th Street.

Table 1: Adjacent Property Information:

Direction	Future Land Use	Zoning District	Current Use
North	Low Intensity	O-1, Office	Ocala Medical Park
East	Low Intensity	O-1, Office	The Lodge Healthcare and Rehabilitation Center
South	Low Intensity	RO, Residential-Office	Law Office & Medical Office (across SE 17th Street)
West	Low Intensity	SC, Shopping Center	Churchill Square Shopping Center

The subject property is located along the north side of SE 17th Street, a minor arterial roadway, approximately 500-feet west of the intersection of SE 17th Street and South Magnolia Avenue Extension/SE Lake Weir Avenue. Access to the property is from SE 17th Street. The SE 17th Street

corridor between S Pine Ave and the SE Magnolia Ave Extension/SE Lake Weir Ave intersection features a mixture of retail, shopping center, professional and business office, medical office, and institutional uses.

As shown in Figure 1. Case Map the subject property is surrounded on two sides (north and east) by parcels with O-1 zoning. The property to the west is occupied by the Churchill Square shopping center and is zoned SC, Shopping Center. Across SE 17th Street to the south are several small professional and medical offices, which are zoned RO, Residential Office. Approximately 500 feet east of the intersection, SE 17th Street and SE Magnolia Ave Extension/SE Lake Weir Ave; properties are zoned B-2A, or B-2 Community Business on three corners of the intersection, the remaining corner contains O-1, of which the subject property is adjacent too.

Section 3 – Staff Analysis

This report reviews the proposed rezoning for alignment with the city's adopted, comprehensive plan, and relevant land development regulations. The current O-1 zoning is compliant with the comprehensive plan and applicable land development regulations. The request to rezone from O-1 to B-2A is not to fix any compliance issues, rather to expand the allowable uses from generally office oriented to a mix of office and general retail uses. As evidenced in the following consistency areas the B-2A appears to align with the applicable land development regulations and is a permitted zoning district within the comprehensive plan, Low Intensity future land use.

Consistency with Comprehensive Plan:

The requested rezoning is consistent with the following Objectives and Policies of the City of Ocala Future Land Use Element:

1. *Future Land Use Element Policy 6.3: Low Intensity. The intent of the Low Intensity land use classification is to identify areas that are generally oriented towards the automobile as the primary mode of transportation, with pedestrian circulation and activity being generally less than High Intensity/Central Core and Medium Intensity/Special District districts. Low Intensity may contain a single use. Mixed use development is encouraged. Permitted uses include office, commercial, public, recreation, institutional, educational facilities and residential. Light industrial shall only be allowable in designated locations as specified in the Land Development code and must meet the intent of the Low Intensity category, including form and design guidelines as applicable. It is also the intent of this category to promote a walkable suburban form.*

   The form of buildings and development may be regulated for specified areas by a Form Based Code or corridor Overlay. Buildings may have larger setbacks from the street and public right-of-way than other mixed-use districts, as depicted in Figure E. Buildings may have surface parking between the building and the street, though rear and side yard parking is encouraged for non-residential uses, as depicted in Figure F. Low Intensity areas may have large open space areas such as community and regional parks, trails, or surface stormwater management facilities designed as amenities.

   Staff Comment:

   Commercial uses are permitted within the Low Intensity Future Land Use Category. The proposed B-2A zoning district pursuant to Sec.122-621 is, "intended for community businesses, including retail sales, personal and business services, and all office uses. No incidental use involving manufacturing processes shall be allowed in the B-2A zone. Businesses shall be based on walk-in trade, rather than delivery of supplies and large commodities." The subject property is located along a minor arterial roadway.

2. *Future Land Use Element Objective 14: The City shall continue existing regulations or adopt new*

regulations to ensure that development is consistent with the Future Land Use Map and are compatible with neighboring development, available services and facilities, and topography and soil conditions.

Staff Comment:

The requested rezoning is consistent with the existing future land use category of Low Intensity. The current development of the subject property and mix of surrounding retail, institutional and office uses are generally oriented towards the automobile as the primary mode of transportation.

Consistency with Land Development Regulations:

The requested rezoning is consistent with the following Sections of the City of Ocala Code of Ordinances:

1. Subsection 122-133(b)(1) - *The application requests to rezone to parcel or parcels that are a minimum of 30,000 square feet of area not separated by a right-of-way for a street, a street, or drainage retention area.*

   Staff Comment:

   The subject property is 2.04 acres (88,624 square feet) and therefore exceeds the minimum land area required for rezoning.

2. Section 122-244 - *District criteria: Zoning districts allowed under each land use classification.*

Low Intensity	R-1, R-1A, R-1AA, R-2, R-3, RZL, RBH-1, RBH-2, RBH-3, OH, RO, O-1, OP, B-1, B-1A, B-2, **B-2A**, B-4, B-5****, SC, M-1, M-2, G-U, INST, A-1***, PD, FBC

*** *As of June 1, 2014, a rezoning application for A-1 must be associated with an annexation case where a portion of the annexed property is already zoned A-1 in the county.*

**** *B-5 zoning shall be consistent with the low-intensity future land use classification for parcels located within the North Magnolia CRA Subarea boundary.*

Staff Comment:

The requested B-2A zoning district is consistent with the existing Low Intensity Future Land Use category.

3. Section 122-260 – *Buffers*

   Staff Comment:

   Buffers are required when higher intensity uses are adjacent to less intense uses. The existing use of subject property is not anticipated to change as a result of this request. Buffer requirements will be evaluated upon any further development or redevelopment of the property.

4. Section 122-286 – *Lot Requirements*

Table 2: Existing and Proposed Zoning District Standards

	Zoning District	Intent and Purpose	Minimum Lot Area (square feet)	Maximum Building Height (feet)
Existing	O-1, Office	Intended to provide an area adjacent to arterial and major collector streets for the development of office uses and limited business services. This district is intended to be separate from the more intensive commercial and industrial areas, as well as ensure adequate design in order to maintain the character of the surrounding areas. Compatible commercial uses shall be permitted as accessory uses, but limited to a total of ten percent of the square footage of a permitted office building.	12,500	35-feet
Proposed	B-2A, Limited Community Business	Intended for community businesses, including retail sales, personal and business services, and all office uses. No incidental use involving manufacturing processes shall be allowed in the B-2A zone. Businesses shall be based on walk-in trade, rather than delivery of supplies and large commodities.	10,000	50-feet

Staff Comment:

The subject property, comprising 2.04-acres meets the minimum lot area (10,000 square feet) and the approximate 230 feet of frontage on SE 17th Street meets the minimum 100 feet lot width required for the B-2A zoning district. The maximum height of structures increases from 35 to 50feet.

5. Section 122-287 – *Table of permitted uses (see Exhibit A for full table)*

Staff Comment:

The site's current uses of, Specialty Retail and Pharmacy, are permitted in the B-2A zoning district; rezoning the property will not create a non-conforming use. The B-2A district contains a number of new uses that the O-1 district does not allow such as but not limited too; broad mix of general retail, business service, eating or drinking establishments, health care, recreational, and educational uses. However, the type and nature of potential new uses that would be permitted at this location upon rezoning to B-2A are consistent with the existing developments along the SE 17th Street corridor in this area.

6. Section 122-1010 – *Required number of spaces*

Staff Comment:

The subject property currently has 59 off-street parking spaces. Any expansion of the building or redevelopment of the site will be subject to the Site Plan review process and will be required to remain consistent with Section 122-1010.

Section 4 - Level of Service (LOS) Analysis

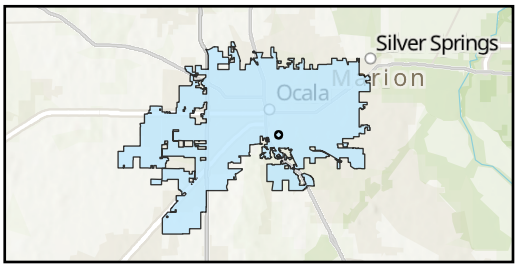
The benefit of LOS analysis for a zoning amendment is limited due to the lack of specific proposed development. While worst case buildout scenarios can be reviewed, they are typically unrealistic and provide significantly overstated impacts to public facilities. Further detailed LOS impact analysis will be required to address the specific proposed development as part of any subsequent application review. Improvements to the property that result in a net increase of 100 peak hour trips a traffic study will be required to analyze impacts on LOS.

Section 5 - Staff Findings and Recommendation

- Rezoning the property will not result in the creation of a non-conforming use or structure.
- The proposed B-2A zoning district is consistent with the subject property's current Low Intensity Future Land Use designation, the comprehensive plan and land development regulations (pursuant to Section 122-244 of the Code of Ordinances).
- The B-2A zoning district is consistent with the surrounding O-1, SC, and RO zoning designations.
- City utilities are available at this location, and no level of service issues have been identified for public facilities as a result of the zoning amendment.

Staff Recommendation: Approval of ZON26-0002

Exhibit A. Permitted Uses Table



*Permitted by Special Exception

Permitted Use Type	O-1, Office	B-2A, Limited Community Business
Residential Operation	• Residence - gallery • Residence - office	• Bed and breakfast • Community residential home, maximum of twelve unrelated residents per single-family residential dwelling. • Fraternity or sorority house • Residence - gallery • Residence - office Rooming/boarding house
Residential Type	• Single-family dwelling	• Multifamily dwellings* • Single-family dwelling • Single-family (attached) dwelling unit • Two-family dwelling
General Retail	• Pharmacy • Specialty retail stores	• Auto Supply Store • Bakery Store • Department store • Drugstore • Electronics store • Furniture store • Garden and nursery sales • Grocery store • Hardware store • Home decorating store • Pharmacy • Specialty retail stores • Used merchandise store • Videotape store
Vehicular Sales		
Agricultural Use		
Business Service	• Parking garage (or structure)* • Parking lot*	• Equipment rental and leasing • General business service • Parking garage (or structure) • Parking lot • Radio/TV broadcasting facility
Eating or Drinking Establishment	• Alcoholic beverage establishment (on-premises consumption) • Restaurant (enclosed)	• Alcoholic beverage establishment (off-premises consumption) • Alcoholic beverage establishment (on-premises consumption) • Fast-food restaurant • Restaurant (enclosed)
Hospitality and Tourism	• Antique gallery/art gallery/museum	• Antique gallery/art gallery/museum • Conference center • Hotel/convention center • Motel
Office Use	• Financial institution	• Commercial photography (art and graphic

	• Photocopying and duplicating services • Professional and business office	design service) • Financial institution • Photocopying and duplicating services • Photofinishing laboratory • Prepackaged software services • Print shop • Professional and business office

Presentation By: Darren Park

Department: Public Works

FORMAL TITLE:
Fourth amendment for a five-year renewal of the interlocal agreement with Marion County for the disposal of the City's household hazardous and electronic waste items, with a total contract value of $141,325

OCALA'S RELEVANT STRATEGIC GOALS:
Quality of Place

PROOF OF PUBLICATION:
N/A

BACKGROUND:
This interlocal agreement allows residents of the City of Ocala to dispose of household hazardous and electronic waste at no charge. City residents can dispose of these items at any Marion County disposal site, or at either of the two collection events held at the SW corner of NE Fourteenth Street and NE Eighth Avenue throughout the year. The City negotiated a flat fee of $28,265 per year with the County, regardless of the amount collected. The five-year contract expenditure is $141,325, up from the previous contract's expenditure of $123,251. This is an increase of 14.66 percent.

FINDINGS AND CONCLUSIONS:
Disposal of household hazardous and electronic waste is vital to maintaining a clean and safe environment. This agreement allows City residents to dispose of these items year-round, in addition to the City's two annual amnesty events, which provide safe disposal and reduce the number of improperly placed items in their household garbage.

Staff recommends approval of the Fourth Amendment and Renewal of the Interlocal Agreement with Marion County to provide household hazardous and electronic waste service for a five-year term, from July 7, 2026, through September 20, 2031, with one (1) optional five-year renewal.

FISCAL IMPACT:
Funding for this contract has been budgeted in 453-023-326-534-53-34010 for Fiscal Year 2026-27 in the amount of $28,265 and will be budgeted in 453-023-326-534-53-34010 for Fiscal Year 2027-28 through Fiscal

Year 2030-31 in the amount of $28,265 per year. The Agreement provides for potential yearly increases tied to the Consumer Price Index for all Urban Consumers (CPI-U).

PROCUREMENT REVIEW:
These services were procured in compliance with the City's Procurement Policy.

LEGAL REVIEW:
This Agreement has been reviewed and approved for form and legality by City Attorney, William E. Sexton.

Description of Request

I see the note on the LRM it states to enter new fee amount in section 3. Do we need to add the below language because this fee changes year to year?

The annual fee for the current fiscal year was $28,264.46, which the City has already paid. For the next fiscal year, the fee will be $28,264.46 plus the CPI increase for the period 10/2025–09/2026. In each subsequent year, the adjusted fee will continue to increase based on the applicable CPI for that fiscal year, with each increase compounding annually.

FOURTH AMENDMENT AND RENEWAL OF INTERLOCAL AGREEMENT

THIS FOURTH AMENDMENT AND RENEWAL OF THE INTERLOCAL AGREEMENT (this "Fourth Amendment") is entered into this _____ day of _____, 2026, by and between Marion County, a political subdivision of the State of Florida, located at 601 S.E. 25th Ave., Ocala, Florida, 34471, (the "County") and City of Ocala, a Florida municipal corporation, located at 110 SE Watula Ave., 3rd Floor, Ocala, FL, 34471, (the "City").

WITNESSETH;

WHEREAS , the parties entered into an Interlocal Agreement dated December 5, 2006, for County to dispose of City's household hazardous and electronic waste items and the parties entered into an Amendment and Renewal of the Interlocal Agreement dated June 21, 2011, a Second Amendment and Renewal on September 20, 2016, and a Third Amendment and Renewal on September 14th, 2021 (all agreements collectively the "Interlocal Agreement");

WHEREAS, during the renewed term of the Third Amendment and Renewal of the Interlocal Agreement dated September 14th, 2021, County has continued to incur increased costs in the processing and transport of the City's household hazardous waste and household electronic waste;

WHEREAS, the parties have agreed that moving forward during the fourth renewal term of the Agreement the fee paid to the County will be evaluated on an annual basis and adjusted utilizing CPI for All Urban Consumers (CPI-U) Series Id: CUUR0OOOSEHG- Series Title: *Water and sewer and trash collection services in U.S. city average, all urban consumers, not seasonally adjusted* as provided by the U.S. Bureau of Labor Statistics, and the applicable period for the CPI analysis will be the prior fiscal year, i.e. October 1 through September 30. The County will invoice the City each November during the renewal term;

WHEREAS the Interlocal Agreement as amended is up for renewal;

WHEREAS, the Interlocal Agreement requires mandatory public records provisions pursuant to Chapter 119.0701, Florida Statutes; and,

WHEREAS the parties wish to amend the Interlocal Agreement to reflect the increased costs, and review and revise the fee paid on an annual basis, to renew the term, and comply with the statutorily imposed language, and, in consideration of the mutual covenants and conditions contained herein, it is hereby

AGREED that:

1. This Fourth Amendment shall amend and become a part of the Interlocal Agreement.

Docusign Envelope ID: 1DF37038-095A-827D-82B0-04E7AC4FAC8F

2. Article III CHARGES AND PAYMENT. Section 3.1 of the Interlocal Agreement is hereby amended to read as follows:

3. Payment of Fees by City. Commencing on the date of this Fourth Amendment and for the term of the Interlocal Agreement as renewed pursuant to paragraph "4" below, City shall pay **$28,264.46** annually for City's participation in the household electronic waste and household hazardous waste delivered into the system by City residents or City's Residential Sanitation Supervisor. Fees shall be reviewed on an annual basis no later than 90 days prior to the renewal date utilizing CPI for All Urban Consumers (CPI-U) Series Id: CUUR0000SEHG-Series Title: *Water and sewer and trash collection services in U.S. city average, all urban consumers, not seasonally adjusted* as provided by the U.S. Bureau of Labor Statistics. The annual payment invoice shall be due and payable by City no later than the 25th day of the month in which the invoice is submitted to City. County hereby acknowledges receipt of $28,264.46 for the current fiscal year. For illustrative purposes, for the next fiscal year, the fee will be $28,264.46 plus the CPI increase for the period 10/2025-9/2026. In each subsequent year, the adjusted fee will continue to increase based upon the applicable CPI increase for that fiscal year, with each increase compounding annually.

4. Article VII TERM OF AGREEMENT at Section 7.1 of the Interlocal Agreement is hereby deleted in its entirety and replaced as follows: 7.1. **Term.** The Interlocal Agreement shall continue to be in full force and effect from the date of execution set forth above until September 20, 2031, with one (1) additional five (5) year renewal option upon consent of both parties.

5. All other provisions and conditions of the Interlocal Agreement as amended shall remain in full and effect.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

THIRD AMENDMENT AND RENEWAL OF THE
INTERLOCAL AGREEMENT

THIS THIRD AMENDMENT AND RENEWAL OF THE INTERLOCAL AGREEMENT (this "Third Amendment") is entered into this 14th day of September, 2021, by and between Marion County, a political subdivision of the State of Florida, located at 601 S.E. 25th Ave., Ocala, Florida, 34471, (the "County") and City of Ocala, a Florida municipal corporation, located at 110 SE Watula Ave., 3rd Floor, Ocala, FL, 34471, (the "City").

WITNESSETH;

WHEREAS , the parties entered into an Interlocal Agreement dated December 5, 2006, for County to dispose of City's household hazardous and electronic waste items and the parties entered into an Amendment and Renewal of the Interlocal Agreement dated June 21, 2011 , and a Second Amendment and Renewal on September 20, 2016 (all agreements collectively the "Interlocal Agreement ");

WHEREAS, during the renewed term of the Second Amendment and Renewal of the Interlocal Agreement dated September 20, 2016, County has incurred increased costs of approximately 45% due primarily to the increased costs associated with the processing and transport of household hazardous waste, the increased cost to dispose of latex paint due to the closure of the Baseline Landfill; and the increased use of the Recycling Centers by residents of the City of Ocala;

WHEREAS, the parties have agreed that moving forward during the term of the Interlocal Agreement the fee paid to the County will be evaluated on an annual basis and adjusted utilizing CPI for All Urban Consumers (CPI-U) Series Id: CUUR0000SEHG- Series Title: *Water and sewer and trash collection services in U.S. city average, all urban consumers, not seasonally adjusted* as provided by the U.S. Bureau of Labor Statistics;

WHEREAS, the Interlocal Agreement as amended is up for renewal;

WHEREAS, the Interlocal Agreement requires mandatory public records provisions pursuant to Chapter 119.0701, Florida Statutes; and,

WHEREAS, the parties wish to amend the Interlocal Agreement to reflect the increase costs, review and revise the fee paid on annual basis, renew the term, and comply with the statutorily imposed language, and, in consideration of the mutual covenants and conditions contained herein, it is hereby

AGREED that:

1. This Third Amendment shall amend and become a part of the Interlocal Agreement.

2. Article III CHARGES AND PAYMENT. Section 3.1 of the Interlocal Agreement is hereby amended to read as follows:

3.1. **Payment of Fees by City.** Commencing on the date of this Third Amendment and for the term of the Interlocal Agreement as renewed pursuant to paragraph "3" below, City shall pay **$24,650.13** annually for City's participation in the household electronic waste and household hazardous waste delivered into the system by City residents or City's Residential Sanitation Supervisor. Fees shall now be reviewed on an annual basis no later than 90 days prior to the renewal date utilizing CPI for All Urban Consumers (CPI-U) Series Id: CUUR0000SEHG- Series Title: *Water and sewer and trash collection services in U.S. city average, all urban consumers, not seasonally adjusted* as provided by the U.S. Bureau of Labor Statistics. The annual payment invoice shall be due and payable by City no later than the 25th day of the month in which the invoice is submitted to City.

3. Article VII TERM OF AGREEMENT at Section 7.1 of the Interlocal Agreement is hereby deleted in its entirety and replaced as follows:

7.1 Term. The Interlocal Agreement shall continue to be in full force and effect until September 20, 2026, with one (1) additional five (5) year renewal option upon consent of both parties.

4. Section 5 of the Second Amendment and Renewal of the Interlocal Agreement dated September 20, 2016, is deleted in its entirety and replaced with the following:

Public Records.

A. **IF CITY HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO CITY'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE INTERLOCAL AGREEMENT, CONTACT COUNTY'S CUSTODIAN OF PUBLIC RECORDS AT:**

Office of Public Relations
601SE 25th Ave.
Ocala, FL 34471
Phone: 352-438-2300
Fax: 352-438-2309
Email: Public Relations@MarionFl.org

B. **IF COUNTY HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO COUNTY'S DUTY TO PROVIDE PUBLIC RECORDS**

RELATING TO THE INTERLOCAL AGREEMENT, CONTACT CITY'S CUSTODIAN OF PUBLIC RECORDS AT:

Office of the City Clerk
110 SE Watula Ave. Ocala, FL 34471
Phone: 352-629-8266
Fax: 352-629-5208
Email: clerk@ocalafl.org

C. Failure by either party to comply with public records law shall be grounds for immediate unilateral cancellation of the Interlocal Agreement by the other party

5. All other provisions and conditions of the Interlocal Agreement shall remain in full and effect:

THEREFORE, the parties here to have caused these presents to be executed, the day and year first above written.

CITY OF OCALA
CITY COUNCIL REPORT

Council Meeting Date: 09/28/21

Subject: Renew Interlocal Agreement PWD/06-002 with Marion County

Submitted By: Darren Park

Department: Public Works

STAFF RECOMMENDATION (Motion Ready): Approve Agenda Item (ID # 16126) renewal of a five-year agreement with Marion County for the disposal of the City's household hazardous and electronic waste items with a total contract value of $123,250.65

OCALA'S RELEVANT STRATEGIC GOALS: Quality of Place

PROOF OF PUBLICATION: N/A

BACKGROUND:

This inter-local agreement allows for residents of the City of Ocala to dispose of household hazardous and electronic waste at no charge. City residents can dispose of these items at any of the Marion County disposal sites, or at either of the two (2) collection events (electronic only) held at the SW corner of NE 14th Street & NE Eighth Avenue throughout the year.

The City was able to negotiate a flat fee of $24,650.13 per year with the County, regardless of the amount collected. The previous contract's price was $17,002.44 per year. The five-year contract expenditure is $123,250.65, up from the previous contract's expenditure of $85,012.20. This is an increase of 44.98% from the previous contract amount.

FINDINGS AND CONCLUSIONS:

Disposal of household hazardous and electronic waste is vital to maintaining a clean and safe environment. This agreement allows City residents the opportunity to dispose of these items throughout the year in addition to the City's two annual amnesty events, that provide safe disposal and reduce the amount of improperly placed items in their household garbage for disposal.

Staff recommends Council approve the five year contract with Marion County to provide a valuable household hazardous and electronic waste service to our citizens.

FISCAL IMPACT:

Funding for this contract has been budgeted in 453-023-326-534-53-34010 for FY21-22 in the amount of $24,650.13 and will be budgeted for FY22-23 through FY25-26 in the amount of $24,650.13. The agreement provides for potential Consumer Price Index (CPI) yearly increases tied to the CPI for All Urban Consumers (CPI-U).

PROCUREMENT REVIEW:

This contract renewal has been reviewed and approved for compliance with the City's procurement policies.

LEGAL REVIEW:

The contract renewal has been reviewed and approved for form and legality by the City Attorney, Robert W. Batsel, Jr.

SECOND AMENDMENT AND RENEWAL OF THE INTERLOCAL AGREEMENT

THIS SECOND AMENDMENT AND RENEWAL OF THE INTERLOCAL AGREEMENT (this "Second Amendment") is entered into this 20th day of September 2016, by and between Marion County, a political subdivision of the State of Florida, located at 601 S.E. 25th Ave., Ocala, Florida, 34471, (the "County") and City of Ocala, a Florida municipal corporation, located at 110 SE Watula Ave., 3rd Floor, Ocala, FL, 34471, (the "City").

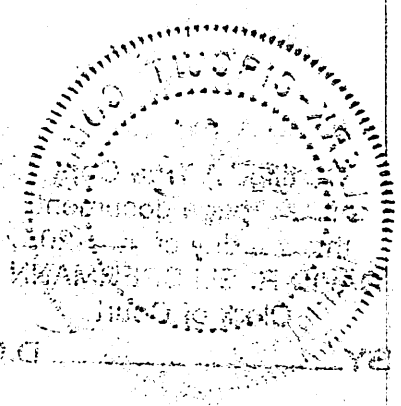
WITNESSETH;

WHEREAS, the parties entered into an Interlocal Agreement dated December 29, 2006, for County to dispose of City's household hazardous and electronic waste items and the parties entered into an Amendment and Renewal of the Interlocal Agreement dated June 21, 2011, (both agreements collectively the "Interlocal Agreement");

WHEREAS, during the renewed term of the Amendment and Renewal of the Interlocal Agreement dated June 21, 2011, County has incurred increased costs of approximately 6% for the electronics and hazardous waste processing, due primarily to Cathode Ray Tube electronics being assessed as lead based glass requiring County to remove and dispose of the glass; declining oil market causing used oil, previously a receivable for the County, to become a payable item for the County; increased costs associated with hazardous waste disposal; and, a rise in the volume of City's citizens disposing of hypodermic needles or other sharps known as the Sharp Program;

WHEREAS, the addresses of both parties for Notices as provided in the Interlocal Agreement requires updating;

WHEREAS, the Interlocal Agreement by its terms is up for renewal;



WHEREAS, the Interlocal Agreement requires mandatory public records provisions pursuant to Chapter 119.0701, Florida Statutes; and,

WHEREAS, the parties wish to amend the Interlocal Agreement to reflect the increase costs, update the addresses for notices, renew the term, and comply with the statutorily imposed language, and, in consideration of the mutual covenants and conditions contained herein, it is hereby

AGREED that:

1. This Second Amendment shall amend and become a part of the Interlocal Agreement.

Certified A True Copy
of 4 page document
this 20th day of Sept. 2016
DAVID R. ELLSPERMANN
Clerk of Court
BY C. Bonnissuto D.C.

2. Article III CHARGES AND PAYMENT. Section 3.1 of the Interlocal Agreement is hereby amended to read as follows:

3.1. **Payment of Fees by City.** Commencing on the date of this Second Amendment and for the term of the Interlocal Agreement as renewed pursuant to paragraph "4" below, City shall pay $17,002.44 annually for City's participation in the household electronic waste and household hazardous waste delivered into the system by City residents or City's Residential Sanitation Supervisor. Fees shall be renegotiated at the time of renewal by County or in accordance with the criteria set forth in the Interlocal Agreement. The annual payment invoice shall be due and payable by City no later than the 25th day of the month in which the invoice is submitted to City.

3. Article VI MISCELLANEOUS. Section 6.6 of the Interlocal Agreement is hereby amended to read as follows:

6.6. **Notices.** All notices required hereunder to either party shall be in writing and sent by Certified Mail, Return Receipt Requested to:

City:	Director of Contracts 110 SE Watula Ave., 3rd Floor Ocala, FL, 34471
With copy to:	City Attorney 1531 SE 36th Ave. Ocala, FL 34471
County:	Marion County Administrator 601 SE 25th Ave. Ocala, Florida 34470
With copy to:	Marion County Attorney 601 SE 25th Ave. Ocala, Florida 34470
And email to:	Procurement@MarionCountyFL.org.

Copies also shall be provided by hand delivery or regular U.S. Mail to the on-site representatives of City and County.

4. Article VII TERM OF AGREEMENT. Section 7.1 of the Interlocal Agreement is hereby amended as follows:

7.1 **Term.** The Interlocal Agreement shall be in full force and effect from October 1, 2016 until September 30, 2021, with one (1) additional five (5) year renewal option upon consent of both parties.

5. **Public Records.**

A. **IF CITY HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO CITY'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE INTERLOCAL AGREEMENT, CONTACT COUNTY'S CUSTODIAN OF PUBLIC RECORDS AT:**

AMENDMENT AND RENEWAL OF THE INTERLOCAL AGREEMENT

THIS INTERLOCAL RENEWAL AGREEMENT AND AMENDMENT is entered into this 21st day of June 2011 by and between Marion County, a political Subdivision of the State of Florida, having an office and place of business at 601 S.E. 25th Avenue Ocala Florida, 32671, hereinafter referred to as the "County" and the City of Ocala, a Florida municipal corporation, having a business address at 151 S.E. Osceola Avenue Ocala Florida, 34471, hereinafter referred to as the "City".

WITNESSETH:

WHEREAS, the County continues to investigate solid waste disposal issues in the County and the formulation of environmentally sound and economically viable solutions; and the parties hereto, in order to implement an effective household hazardous waste and household electronic waste program, and eliminate wasteful duplication and uneconomical operations it is desired that municipalities in the County enter into commitments to cooperate in addressing household hazardous and electronic waste management issues for the benefit of all residents of the City and the County; and

WHEREAS, City seeks assurance that the County will, during the term of this agreement, accept City's household hazardous waste and household electronic waste; and

WHEREAS, the parties have agreed to act in good faith and to take all necessary and appropriate actions, in cooperation with one another, to affect the purposes of this agreement; and

WHEREAS, On December 19, 2006, the City entered into an interlocal agreement with the County to dispose of household hazardous and electronic waste items at the Baseline Landfill.

NOW THEREFORE, in consideration of the promises and mutual covenants contained herein, the **COUNTY**, and the **CITY** agree to further amend the agreement as set forth herein and to the renewal of the amended agreement for the term agreed to herein, and that they shall comply with and be bound by all of the terms of this amended agreement as follows:

Article III CHARGES AND PAYMENT. Section 3.1 is hereby amended to read as follows:

3.1 Payment of Fees by the City. Commencing on October 1, 2011 and continuing for the term of this Agreement Amendment , City shall pay $16,040.04 annually for City residents' participation in the household electronic waste and household hazardous waste delivered into the system by the City residents or its' Residential Sanitation Supervisors. The fee for participants shall be renegotiated at the time of renewal by the County or in accordance with the criteria set forth below. The annual payment invoice shall be due and payable by the City by the 25th day of the month in which the invoice is submitted to the City.

PWD/06-002

Article VI Miscellaneous. Section 6.6 is hereby amended to read as follows:

6.6 Notices. All notices required hereunder to either party shall be in writing and sent by Certified Mail, Return Receipt Requested to:

If to the City:
Director of Public Works Department
City of Ocala
1805 NE 30th Avenue BLDG. 300
Ocala, Florida 34470

With copy to:
Purchasing Agent
City of Ocala

If to the County:
Marion County Administrator
601 SE 25th Avenue
Ocala, FL 32671

With a copy to:
Marion County Attorney
601 SE 25th Avenue
Ocala, FL 32671

Article VII TERM OF AGREEMENT. Section 7.1 is hereby amended as follows:

7.1 Term. This agreement shall be in full force and effect from October 1, 2011 until September 30, 2016, with two (2) additional five (5) year renewal options upon the consent of both parties.

Copies also shall be provided by hand delivery or regular U.S. Mail to the on-site representatives of the **CITY** and **COUNTY**.

Changes in the representative addresses to which such notices may be directed may be made from time to time by either part by notice to the other party.

All other provisions and conditions of the original agreement and all amendments thereto shall remain in full force and effect.

PWD/06-002

THEREFORE, the parties hereto have caused these presents to be executed, the day and year first above written.

INTERLOCAL AGREEMENT

THIS INTERLOCAL AGREEMENT entered into this 5th Day of December, 2006, by and between Marion County, a political Subdivision of the State of Florida, having an office and place of business at 601 S.E. 25th Avenue, Ocala, Florida, 32671, hereinafter referred to as the **"County"** and the City of Ocala, a Florida municipal corporation, having a business address at 151 SE Osceola Avenue, Ocala, Florida 34471, hereinafter referred to as the **"City"**.

WITNESETH

WHEREAS, the County continues to investigate solid waste disposal Issues in the County and the formulation of environmentally sound and economically viable solutions; and the parties hereto, in order to implement an effective household hazardous waste and household electronic waste program, and eliminate wasteful duplication and uneconomical operations it is desired that municipalities in the County enter into commitments to cooperate in addressing household hazardous and electronic waste management issues for the benefit of all residents of the City and County; and

WHEREAS, City seeks assurance that the County will, during the term of this Agreement, accept City's household hazardous waste, and household electronic waste; and

WHEREAS, the parties have agreed to act in good faith and to take all necessary and appropriate actions, in cooperation with one another, to affect the purposes of this Agreement.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements herein set forth and of the undertakings of each party to the other, the parties do hereby promise and agree as follows:

ARTICLE I

DEFINITIONS

1.1 "***All Participants***" shall mean all municipalities in the County which enter into interlocal agreements for the delivery of household hazardous waste and household electronic waste to the system.

PWD/06-002

1.2 "***County Solid Waste Plan***" shall mean the County-wide solid waste management and disposal program adopted by the Marion County Board of County Commissioners.

1.3 "***Fiscal Year***" shall mean the fiscal year of the County.

1.4 "***Household Electronic Waste***" shall mean that household waste that includes answering machines, battery charges, computers, household sized copiers and fax machines, CD players, cell phones, telephones, digital clocks, keyboards, laptop computers, mouse, monitors, microwaves, computer peripheral items, printers, scanners, stereos, televisions, VCR & DVD players and other household electronic devices or devices containing a cathode ray tube.

1.5 ***"Household Hazardous Waste"*** shall mean that household waste that includes lawn and garden chemicals, oil and water base paints, strippers, and thinners, fluorescent bulbs, solvents, used oil and filters, gasoline, auto and rechargeable batteries, pool chemicals, propane tanks and aerosol cans.

1.6 "***Person***" shall mean any individual, firm, corporation, partnership, trust, governmental agency, or any other entity, or any group of such persons.

1.7 "***Point of Entry into the System***" shall mean that delivery site designated by the County for delivery of household hazardous waste and household electronic waste by City.

1.8 "***Recovered Materials***" shall mean those materials which have known recycling potential, can be feasibly recycled, and have been diverted or removed from the solid waste stream for sale, use or reuse, by separation, collection, or processing.

1.9 "***Recyclable Materials***" shall mean those materials which are capable of being recycled and which would otherwise be processed or disposed of as solid waste.

1.10 "***Recycling***" shall mean any process by which solid waste or materials which would otherwise become solid waste are collected, separated or processed and reused or returned to use in the form of raw materials or products.

1.11 "***System***" shall men the County's overall, solid waste management and disposal system and every aspect thereof including, but not limited to, equipment, transfer and resource recovery facilities, and residue disposal sites acquired, constructed, closed or operated or to be acquired, constructed, closed or operated by the County or any agent, designee, or contractor in connection with the County Solid Waste Plan.

ARTICLE II

COUNTY UNDERTAKING AND DELIVERIES TO THE SYSTEM

2.1 **Commitment to Accept Household Hazardous Waste, Household Electronic Waste, and Limitation on Fees.**
Commencing on the effective date of this Agreement and for the term of this Agreement, the County agrees to accept, at the point of entry into the System, the City's residents and its Residential Sanitation Division Supervisor's delivery of household hazardous waste to the County's collection and disposal programs for household hazardous waste, and household electronic waste for the fees set forth in Section 3.1 et seq. below. City's commercially generated hazardous waste and electronic waste is not included in the terms of this agreement.

2.2 **Commitment to Deliver.** The City agrees that, commencing on the effective date of the Agreement and for the term of this Agreement, it will promote the delivery of its household electronic waste and household

PWD/06-002

hazardous waste into the System. It is also noted, the City will promote the delivery of household hazardous waste and household electronic waste at the City's four planned amnesty day events.

2.3 **Annual User Cost.** The County agrees to provide to the City, a detailed cost analysis of its Solid Waste Management Disposal Program, thereby enabling the City to meet the State's annual solid waste management reporting requirements, as outlined at Section 403.7049 Florida Statutes and Section 62-708.500 (3), Florida Administrative Code.

ARTICLE III

CHARGES AND PAYMENT

3.1 **Payment of Fees by the City.** Commencing on the date of the Agreement and for the term of this Agreement, City shall cause to be paid the annual payment of $14,775.00 for City residents' participation in the household electronic waste and household hazardous waste delivered into the system by the City residents or its' Residential Sanitation Supervisor. The fee for participants shall be renegotiated at the time of renewal by the County or in accordance with the criteria set forth below. The County will invoice the City for the annual payment on the first day of the month following the date of the Agreement. The annual payment invoice shall be due and payable by the City by the 25th day of the month in which the invoice is submitted to the City.

3.2 **Basis of Fees for Participants.** The fees for City participants shall be determined by the County, such that the revenues to the County from the City, including without limitation, revenue from the sale of products, fees from participants and grants shall be sufficient to reimburse the County for all of its expenses, costs and obligations relating to the expense impact from City residents using the household hazardous waste and household electronic waste collection, recycling, and disposal events and facilities.

3.3 **Fee Changes.** The County shall give the City ninety (90) days written notification prior to the annual agreement date for purposes of renegotiation for the next annual payment. No fee change shall be made less than annually. Either party has the option to terminate the agreement if there is a failure to mutually agree on a change in the annual payment.

ARTICLE IV

ACCOUNTING, WEIGH SCALES, RECORDS & LOCAL OPERATIONS

4.1 **Accounting and Audit.** The County will account for its administration of the system as an enterprise fund separate and apart from its general operations. The County will keep proper books of records and account, in accordance with generally accepted accounting principles, consistently applied. Such books and records, together with all documents and materials relating to the system (other than such as may be subject to legal privilege) shall, at all reasonable times, be subject to inspection by City.

4.2 **Weight Scales and Records.** The County shall provide weight scales and/or other devices appropriate for determining the quantity, quality and other characteristics of household hazardous waste and household electronic waste. The County will make and keep appropriate records of such measurements, which records shall be available to the City for inspection at all reasonable times.

PWD/06-002

ARTICLE V

FURTHER ASSURANCES

5.1 **Additional Actions**. The parties shall, in good faith, during the term of this Agreement take all such actions as may be necessary or appropriate to carry out the purposes of this Agreement including, without limitation, the enactment of legislation, resolutions, and the like. In addition to the foregoing and without limitation thereof to the extent that any fees to be paid by City shall or may be pledged in connection with the financing of any portion of the system that pertains to the disposal of the City's household hazardous waste and household electronic waste, the County and City shall use its best, good faith efforts to defend, preserve and protect such pledge of such fees.

5.2 **Cooperation.** The County and City shall use their mutual best, good faith efforts to cooperate as may be necessary or appropriate to carry out the purposes of this Agreement.

5.3 **Commitment to Pay Unconditional.** City agrees that so long as the County shall accept City's household electronic waste, and household hazardous waste, City shall make all aforesaid payments in the amount required.

5.4 **Point of Entry**. The County shall not change the existing Point of Entry without a 120 day written notice to the City. The County shall negotiate with the City to establish the annual electronic waste recycling day event location and date. The location of this annual event will be held within the City's boundaries. The City's household hazardous waste shall be accepted at the permanent Household Hazardous Waste Collection Center located within the County's Baseline Solid Waste Facility (5601 SE 66th Street, Ocala, Florida 34480).

ARTICLE VI

MISCELLANEOUS

6.1 **Effect of Breach**. Each party specifically recognizes that the other is entitled to bring suit for injunctive relief, mandamus, or specific performance or to exercise other legal or equitable remedies to enforce the obligations and covenants contained in the Agreement.

6.2 **Assignability**. The County may assign or pledge this Agreement in relation to the financing of the portion of the system which pertains to the disposal of the City's household hazardous waste and household electronic waste, but no other assignment of this Agreement shall be authorized or permitted by either party.

6.3 **Waiver Not to be Construed**. No waiver by the County or City of any term or condition of this Agreement shall be deemed or construed as a waiver of any other term or condition, nor shall a waiver or any pledge be deemed to constitute a waiver of any subsequent pledge, whether of the same or of a different section, subsection, paragraph, clause, phrase, word, or other provision of this Agreement required of it under this Agreement or by law. The failure of either party to insist in any one or more instances, upon strict performance of any of the terms, covenants, agreements, or conditions in this Agreement shall not be considered to be a waiver or relinquishment of such term, covenant, agreement, or condition, but the same shall continue in full force and effect.

6.4 **Amendments**. This Agreement being for the benefit of both parties may not be substantially amended without the concurrence of each party. Amendment shall be only by written agreement, duly authorized and executed.

PDW/06-002

6.5 **Severability**. If any provision, paragraph, sentence, clause, or word of this Agreement shall, for any reason, be held to be invalid or unenforceable, the invalidity or unenforceability of such shall not affect the remainder of this Agreement; and this Agreement shall be construed and enforced, consistent with its expressed purposes, as if such invalid and unenforceable provision, paragraph, sentence, clause, or word had not been contained herein.

6.6 **Notices**. All notices required hereunder to either party shall be in writing and sent by Certified Mail, Return Receipt Requested to:

AS TO THE COUNTY:
Marion County Administrator
601 SE 25th Avenue
Ocala, Florida 32671

With a Copy to:
Marion County Attorney
601 SE 25th Avenue
Ocala, Florida 32671

AS TO THE CITY:
City Manager
151 SE Osceola Avenue
Ocala, Florida, 34471

With a Copy to:
City Attorney
151 SE Osceola Avenue
Ocala, Florida, 34471

ARTICLE VII

TERM OF AGREEMENT

7.1 **Term**. This Agreement shall be in full force and effect from the date of execution set forth above until September 30, 2011, and may be renewed annually thereafter upon written consent of both parties.

7.2 **Termination**. The failure of any party to comply with the provisions of the agreement shall place that party in default. Prior to terminating the agreement with respect to the defaulting party, the non-defaulting party shall notify the defaulting party and all other parties in writing. Notification shall make specific reference to the provision which gives rise to the default and shall specify a reasonable period of time for the defaulting party to cure the default. In the event said default is not cured within the time provided, this agreement with respect to the defaulting party may be terminated. The failure of any party to exercise this right shall not be considered a waiver of such right in the event of any further default or non-compliance. This Agreement may be terminated by mutual agreement of the parties or by either party if there is a failure to reach a negotiated annual payment adjustment.

Submitted By: Shantel Bynes

Presentation By: Kenneth Jamerson

Department: Ocala Fiber Network

FORMAL TITLE:
Additional expenditures under the contract with Cogent Communications, Inc. for an aggregate expenditure of $439,600

OCALA'S RELEVANT STRATEGIC GOALS:
Operational Excellence, Economic Hub

PROOF OF PUBLICATION:
N/A

BACKGROUND:
On May 16, 2023, the Council approved a three-year contract with Cogent Communications, Inc. to purchase 20 Gbps of internet bandwidth. The contract also included a month-to-month fee for provisioning IP addresses. The contract became effective on May 31, 2024, with a total value of $314,600.

FINDINGS AND CONCLUSIONS: Throughout the duration of the contract, IP addresses have become increasingly scarce, while customer demand has risen. Consequently, the market value of IP address allocations has surged significantly. In response to these market changes, Cogent has increased the monthly recurring charges for its IP addressing services. The increases have resulted in the need for additional funding of $125,000.

To secure current pricing, Cogent Communications, Inc. has agreed to amend the existing contract to convert the IP address service from month-to-month to a 12-month term.

Approval of the additional expenditures will increase the total contract value from $314,600 to $439,600.

FISCAL IMPACT:
The expenditure associated with Cogent Communications, Inc. (Contract 240330) will be paid from the account #490-031-290-539-53-34050 Other Services-Fiber for Resale

PROCUREMENT REVIEW:

These services were procured in compliance with the City's procurement policy.

LEGAL REVIEW:
This Agreement has been reviewed and approved for form and legality by City Attorney, William E. Sexton.

Contract Documents

The entire Customer Subscriber Agreement (CSA), entered into between Customer and COGENT, is made up of the documents listed here. Capitalized terms are defined in the text of the Terms or Definition section of the Terms. All prior agreements, proposals, representations, statements, or understandings, whether written or oral, concerning such Services, are superseded. Customer certifies that the documents constituting the CSA are the documents and forms that have been supplied to Customer by Cogent and that Customer has made no changes to them.

(1) Order Form
(2) Terms, as attached (initialed by Customer) (For current customers, if Terms are not attached, the current Terms remain in force)
(3) SLA (http://www.cogentco.com/files/ps_internet/SLA_on_internet.pdf)
(4) Product Rider(s), as attached (signed by Customer)
(5) Any other Rider or Addendum, as attached (signed by Customer)

Notes

Notwithstanding Section 1.2 of the Terms, at the end of the Initial Term, the Service ordered hereunder will renew on the same price, terms and conditions for successive month-to-month Renewal Terms unless and until terminated or amended as provided in the CSA.

Customer acknowledges that COGENT has informed it that the installation of the Service ordered hereunder will be longer than the timeframe specified in the SLA, and Customer accepts such longer time frame and waives the installation guarantee set forth in the SLA with respect to the Service ordered hereunder.

NETWORK SERVICES TERMS & CONDITIONS NORTH AMERICA

1. SERVICES AND TERM.

1.1. Pursuant to the CSA, Cogent will provide the Services to Customer for the Service charges. Customer's signature on the Order Form constitutes its acknowledgement and agreement to be bound by the CSA. Capitalized terms are defined at the end of these Terms.

1.2. Each Service's Initial Term is indicated on the applicable Order Form and the Initial Term will begin as of the Service Date. Customer will be deemed to have accepted the Service as of the Service Date. At the end of the Initial Term, each Service ordered hereunder will renew for successive Renewal Terms equal in length to the Initial Term ~~unless and until terminated as provided herein~~. upon written consent of the parties.

1.3. Each Service will be provided to the Service Location specified on the Order Form only. Any relocation of a Service shall be an amendment of such Service requiring the consent of both Parties. Customer may order additional Services or locations in North America through additional Order Forms, which will be governed by this CSA. Customer's account must be current in order to make changes to Services or order additional Services.

2. SERVICE CHARGES AND BILLING.

2.1. Service charges are on the Order Form and do not include applicable Taxes unless so indicated. New services, upgrades of existing Services or relocations of an existing Service will result in additional fees and/or charges. If a prior Service location remains installed after a new Service location is installed, Customer will be responsible for Service charges for both Service locations until terminated as provided for each Service.

2.2. Invoices are sent monthly in advance. Customer agrees to pay all charges and applicable Taxes for the Service within thirty (30) days of the invoice date without counterclaim, set-off or deduction. A late charge shall be added to Customer's past due balance of the lesser of 1.5% per month or the maximum legal rate. COGENT may change the specifications, Terms or charges for the Service for any upcoming Renewal Term by providing Customer at least sixty (60) days advance written notice. Customer agrees that its obligation to pay service charges and Taxes under this CSA shall survive the termination of the CSA.

2.3. Customers claiming tax exemption must provide COGENT with a properly executed exemption form.

3. SERVICE USE AND INTERRUPTION.

3.1. Customer's use of COGENT's Services or Network may only be for lawful purposes and must comply with COGENT's AUP. Transmission of any material in violation of any law, regulation or the AUP is strictly prohibited. Access to other networks connected to COGENT's Network must comply with such other networks' rules. Customers whose service location (as set forth on the Order Form) is a COGENT-owned or carrier neutral data center may resell COGENT's Dedicated Internet Access Service ordered in that location but not any other Service offered in such location. Customers located in any other service location may not resell their Service, in whole or in part.

3.2. COGENT's obligations and Customer's exclusive remedies for a delayed or failed installation of a Service or the failure of COGENT's Network or any Service are stated in the COGENT SLA.

4. TERMINATION, RESTRICTION OR SUSPENSION.

4.1. Prior to the Service Date, COGENT may terminate the CSA if not approved by COGENT corporate management (including credit check). COGENT also may restrict, suspend or terminate the CSA, Customer's use of or access to any Service, or both, at any time if (a) Customer is in material breach of the CSA (including but not limited to the AUP) and, in COGENT's sole judgment, an immediate restriction or suspension is necessary to protect the COGENT Network or COGENT's ability to provide services to other customers; or (b) Customer's account is unpaid sixty (60) days after date of invoice; or (c) COGENT facilities at Customer's location are unavailable, (*i.e.*, no connectivity and building access).

4.2. Either Party may terminate the CSA: (a) at the end of an Initial Term or at the end of a Renewal Term by providing the other Party with at least thirty (30) days prior written notice (notices provided during a monthly Renewal Term will not be effective until the end of the next month (*i.e.*, notice received April 20th is effective June 1st); or (b) except as otherwise stated herein, during an Initial Term or Renewal Term if the other Party breaches any material term or condition of this CSA and fails to cure such breach within thirty (30) days after receipt of written notice of the same. All termination notices by Customer must be sent separately for each Service (including terminating one Service location after a Service is switched to a new Service location) and must be sent to terms@cogentco.com.

4.3. If a Service is terminated prior to the Service Date, Customer shall pay COGENT for all Initial Costs for such Service. If the Service is terminated after the Service Date, Customer shall pay COGENT (a) for the Service up through the date of termination; and (b) except in the case of termination by Customer as provided in Section 4.2 above, or by COGENT due to loss of connectivity or building access at Customer's building(s) under Section 4.1(c) above, the Initial Costs (unless already paid) and the Termination Charge. Customer acknowledges that because actual damages to COGENT caused by early termination of a Service order are uncertain and would be difficult to determine, the Termination Charge is a reasonable liquidated damage and is not a penalty. Any reconnections of the Service shall result in additional reconnection charges to Customer at COGENT's then-prevailing rates.

4.4. If Customer defaults in any of its payment obligations under the CSA, Customer agrees to pay COGENT's reasonable expenses, including but not limited to legal and collection agency fees, incurred by COGENT in enforcing its rights.

5. DISCLAIMER OF WARRANTY AND LIMITATION OF LIABILITY.

5.1. EXCEPT AS OTHERWISE EXPRESSLY SET FORTH HEREIN OR IN THE SLA, THE SERVICES ARE PROVIDED "AS IS," AND NEITHER COGENT NOR ANY OF ITS PROVIDERS, LICENSORS, OFFICERS, EMPLOYEES, OR AGENTS MAKES ANY WARRANTY, CONDITION OR GUARANTEE WITH RESPECT TO THE SERVICES OR AS TO THE RESULTS TO BE OBTAINED FROM THE USE OF THE SERVICES, UNDER THIS CSA OR OTHERWISE. THE SERVICES ARE PURCHASED WITH KNOWLEDGE OF THIS WARRANTY LIMITATION. COGENT EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, CONDITIONS OR GUARANTEES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO ANY WARRANTIES OR CONDITIONS OF MERCHANTABILITY, NON-INFRINGEMENT, SATISFACTORY QUALITY, AND/OR FITNESS FOR A PARTICULAR PURPOSE. COGENT DOES NOT MONITOR, AND DISCLAIMS ALL LIABILITY AND RESPONSIBILITY FOR, THE CONTENT OF ANY COMMUNICATION TRANSMITTED BY CUSTOMER OR OTHERS, AND DISCLAIMS ALL LIABILITY AND RESPONSIBILITY FOR UNAUTHORIZED USE OR MISUSE OF THE SERVICES.

5.2. WITHOUT PREJUDICE TO OR LIMITING OF COGENT'S RIGHT TO RECEIVE PAYMENT FOR SERVICES, COGENT'S ENTIRE LIABILITY FOR ALL CLAIMS OF WHATEVER NATURE (INCLUDING CLAIMS BASED ON NEGLIGENCE) ARISING OUT OF THIS AGREEMENT AND ALL OTHERS BETWEEN CUSTOMER AND COGENT, AND THE PROVISION BY COGENT OF FACILITIES, TRANSMISSION, DATA, SERVICES OR EQUIPMENT INCLUDING, BUT NOT LIMITED TO, DAMAGE TO REAL/PERSONAL PROPERTY, SHALL NOT EXCEED THE LESSER OF (A) THE AMOUNT PAID BY CUSTOMER FOR THE SERVICE AT ISSUE IN THE PRIOR SIX (6) MONTHS TO THE ACTION GIVING RISE TO THE CLAIM, OR (B) ONE HUNDRED THOUSAND DOLLARS ($100,000.00) IN TOTAL; PROVIDED, HOWEVER, THAT THE FOREGOING LIMITATIONS SHALL NOT APPLY FOR DEATH OR PERSONAL

Customer: DS JPHS

INJURY CAUSED BY COGENT, OR FOR ANY OTHER LIABILITY WHICH MAY NOT BE EXCLUDED OR LIMITED UNDER APPLICABLE LAW.

5.3. CUSTOMER RECOGNIZES THAT THE INTERNET CONSISTS OF MULTIPLE PARTICIPATING NETWORKS THAT ARE SEPARATELY OWNED AND NOT SUBJECT TO COGENT'S CONTROL. CUSTOMER AGREES THAT COGENT SHALL NOT BE LIABLE FOR DAMAGES INCURRED OR SUMS PAID WHEN THE SERVICES ARE TEMPORARILY OR PERMANENTLY UNAVAILABLE DUE TO MALFUNCTION OF, OR CESSATION OF, INTERNET SERVICES BY NETWORK(S) OR INTERNET SERVICE PROVIDERS NOT SUBJECT TO COGENT'S CONTROL, OR FOR TRANSMISSION ERRORS IN, CORRUPTION OF, OR THE SECURITY OF CUSTOMER INFORMATION CARRIED ON SUCH NETWORKS OR INTERNET SERVICE PROVIDERS. COGENT SHALL HAVE NO LIABILITY HEREUNDER FOR DAMAGES INCURRED OR SUMS PAID DUE TO ANY FAULT OF CUSTOMER OR ANY THIRD PARTY, OR BY ANY HARMFUL COMPONENTS (SUCH AS COMPUTER VIRUSES, WORMS, COMPUTER SABOTAGE, AND 'DENIAL OF SERVICE' ATTACKS). COGENT IS NOT LIABLE FOR ANY BREACH OF SECURITY ON THE CUSTOMER'S NETWORK, REGARDLESS OF WHETHER ANY REMEDY PROVIDED IN THIS CSA FAILS OF ITS ESSENTIAL PURPOSE. WITHOUT LIMITING THE FOREGOING, CUSTOMER AGREES THAT IT WILL NOT HOLD COGENT RESPONSIBLE FOR (A) THIRD PARTY CLAIMS AGAINST CUSTOMER FOR DAMAGES, (B) LOSS OF OR DAMAGE TO CUSTOMER'S RECORDS OR DATA OR THOSE OF ANY THIRD PARTY, OR (C) LOSS OR DAMAGE TO CUSTOMER ASSOCIATED WITH THE INOPERABILITY OF CUSTOMER'S EQUIPMENT OR APPLICATIONS WITH ANY COMPONENT OF THE SERVICES OR THE COGENT NETWORK. CUSTOMER AGREES TO MAKE ALL CLAIMS RELATED TO THE SERVICES DIRECTLY AGAINST COGENT, AND WAIVES ANY RIGHT TO RECOVER DAMAGES (DIRECTLY OR BY INDEMNITY) RELATED TO THE SERVICES BY CLAIMING AGAINST OR THROUGH A THIRD PARTY TO THIS CSA.

5.4. NEITHER COGENT NOR ANYONE ELSE INVOLVED IN CREATING, PRODUCING, DELIVERING (INCLUDING SUSPENDING OR DISCONTINUING SERVICES) OR SUPPORTING THE SERVICES SHALL BE LIABLE TO CUSTOMER, ANY REPRESENTATIVE, OR ANY THIRD PARTY FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE SERVICES OR INABILITY TO USE THE SERVICES, INCLUDING, WITHOUT LIMITATION, LOST REVENUE, LOST PROFITS, LOSS OF TECHNOLOGY, RIGHTS OR SERVICES, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, WHETHER UNDER THEORY OF CONTRACT OR TORT (INCLUDING NEGLIGENCE, STRICT LIABILITY OR OTHERWISE).

5.5. NO ACTION OR PROCEEDING AGAINST COGENT MAY BE COMMENCED BY THE CUSTOMER MORE THAN ONE (1) YEAR AFTER THE LAST DAY ON WHICH THE SERVICE WHICH IS THE BASIS FOR THE ACTION IS RENDERED, AND CUSTOMER ACKNOWLEDGES THAT THIS LIMITATION CONSTITUTES AN EXPRESS WAIVER OF ANY RIGHTS UNDER ANY APPLICABLE STATUTE OF LIMITATIONS WHICH WOULD OTHERWISE AFFORD ADDITIONAL TIME FOR SUCH A CLAIM.

6. INDEMNITY.*

6.1. Customer will indemnify, defend and hold harmless COGENT and its directors, officers, employees, affiliates, and its agents and subcontractors from and against any claims, suits, actions, and proceedings from any and all third parties, and for payment of any Losses, to the extent such Losses arise (a) as a result of violation of the AUP or any applicable law or regulation; (b) from any and all claims by any of Customer's customers or other third party end users in connection with a Service (including, without limitation, any claims regarding content transmitted using a Service or violation of data protection legislation), regardless of the form of action, whether in contract, tort, warranty, or strict liability; provided, however, that Customer will have no obligation to indemnify and defend COGENT against claims for damages for bodily injury or death caused by COGENT's gross negligence or willful misconduct; or (c) from claims of copyright infringement and all manner of intellectual property claims, defamation claims, claims of publication of obscene, indecent, offensive, racist, unreasonably violent, threatening, intimidating or harassing material, and claims of infringement of data protection legislation, to the extent such Losses are based upon (i) the content of any information transmitted by Customer or by any of Customer's customers or authorized end users, (ii) the use and/or publication of any and all communications or information transmitted by Customer or by any of Customer's customers or authorized end users, or (iii) the use of Service(s) by Customer in any manner inconsistent with the terms of this CSA, including without limitation the AUP.

7. ADDITIONAL PROVISIONS.

7.1. Except as to payment obligations of Customer, neither Party shall have any claim or right against the other Party for any failure of performance due to Force Majeure.

7.2. Neither Party is the agent or legal representative of the other Party, and this CSA does not create a partnership, joint venture or fiduciary relationship between COGENT and Customer. Neither Party shall have any authority to agree for or bind the other Party in any manner whatsoever. This CSA confers no rights, remedies, or claims of any kind upon any third party, including, without limitation, Customer's subscribers or end-users.

7.3. This CSA for Service is made pursuant to and shall be construed and enforced in accordance with the laws of the state of Florida without regard to its choice of law principles. Any action arising out of or related to this CSA shall be brought in the District or Federal courts located in the Marion County, Florida, and Customer consents to the jurisdiction and venue of such courts.

7.4. Notices, if required, must be sent in writing by e-mail, courier or first class mail (postage prepaid) to the appropriate contact point listed on the Order Form, and are considered made when received at that address; provided, that termination notices to COGENT must be sent in accordance with Section 4.2 above. In the event of an emergency, COGENT may only be able to provide verbal notice first; such verbal notice will be followed by written notice. Customer is responsible for accuracy of its information on the Order Form, including points of contact.

7.5. Customer may not assign this CSA without COGENT's prior written consent, which consent shall not unreasonably be withheld. Any such assignment without COGENT's prior written consent shall be void.

7.6. Without limiting any other obligation which expressly survives the expiration or prior termination of the term of the CSA, the expiration or prior termination of the term of the CSA shall relieve both Parties of any further obligations hereunder, except with respect to the Sections 2, 3, 4.3, 4.4 and 5 through 7, which shall survive any expiration or termination of these Terms.

7.7. If (but only if) required by COGENT's or Customer's agreement with Customer's Landlord: (a) any cessation or interruption in COGENT's Service does not constitute a default or constructive eviction by Customer's Landlord, and (b) Customer agrees to waive and release Landlord and its related parties from any liability in connection with any damages whatsoever incurred by Customer, including lost revenues, which arise, or are alleged to arise, out of any interruption of or defect in the COGENT Service, **REGARDLESS OF WHETHER SUCH INTERRUPTION OR DEFECT IS CAUSED BY THE ORDINARY NEGLIGENCE (BUT NOT THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT) OF A RELEASED PARTY.**

7.8. The COGENT Network is owned by COGENT, or its licensors, and is protected by copyright and other intellectual property laws. Customer agrees that title to and ownership of the Services, in any form, shall at all times and in any event be held exclusively by COGENT. Customer shall be entitled to only such rights with respect to the Services as are specifically granted herein.

7.9. This CSA and such other written agreements, documents and instruments as may be executed in connection herewith are the final, entire and complete agreement between Customer and COGENT and supersede all prior and contemporaneous negotiations and oral representations and agreements, all of which are merged and integrated into this CSA. No purchase order or similar document provided by Customer to COGENT shall be of any force and effect. Amendments to the CSA or any Service shall be in writing and signed by both Parties.

7.10. This CSA and any Addendum thereto may be executed in one or more counterparts all of which taken together shall constitute one and the same instrument.

*Notwithstanding the foregoing, Customer's liability resulting from its obligation to indemnify shall not exceed the greater of $200,000 per person or $300,000 per incident or occurrence, as set forth in section 768.28, Florida Statutes.

DEFINITIONS

AUP	COGENT's Acceptable Use Policy as posted by COGENT at www.cogentco.com. COGENT reserves the right to amend its AUP at any time, effective upon posting on the COGENT website.
COGENT	Cogent Communications, Inc. or its subsidiaries or affiliates.
COGENT Network	The telecommunications network and network components owned, operated or controlled by COGENT, including COGENT's fiber backbone, metropolitan fiber networks, any equipment connected to such fiber, and the software, data and know-how used by COGENT to provide the Services. Where COGENT services a building through its own facilities, the COGENT Network includes those facilities. The COGENT Network does not include customer premises equipment, customer-ordered telephony circuits, and any networks or network equipment not operated and controlled by COGENT.
Customer	Customer identified in the attached Order Form.
CSA	The entire Customer Subscriber Agreement between COGENT and Customer for provision of the Service, consisting of, in order of priority, the Order Form, any addendum between the Parties, the Terms, the applicable product rider and the SLA.
Equipment	Customer's equipment, if any.
Force Majeure	Causes beyond a Party's control, including but not limited to: acts of God; fire; explosion; vandalism; cable cut; storm; flood or other similar occurrences; any law, order, regulation, direction, action or request of any government, including federal, state, provincial, municipal and local governments claiming jurisdiction over a Party or the Service, or of any department, agency, commission, bureau, corporation, or other instrumentality of any such government, or of any civil or military authority; national emergencies; unavailability of materials or rights-of-way; insurrections; riots, terrorist acts or wars (declared/undeclared); or strikes, lock-outs, work stoppages, or other labor difficulties, supplier failures, shortages, breaches or delays.
Initial Costs	Greater of (a) installation fees (if not paid); or (b) all third-party costs and charges incurred by or charged to COGENT on behalf of Customer for the Service, including but not limited to local loop fees, cross-connect charges, and wiring fees.
Initial Term	Initial length of term for the Services as indicated on the Order Form.
Landlord	Customer's landlord, building owner or property/telecom manager.
Losses	Costs, fees, liabilities, losses, damages or penalties, including reasonable legal fees.
Order Form	Cover form to which these Terms are attached, identifying the specific Service(s) to be delivered.
Party or **Parties**	COGENT and/or Customer.
Renewal Term	Subsequent length of term for the Services after completion of the Initial Term.
Service(s)	Bandwidth services provided by COGENT under the Customer Subscriber Agreement.
Service Date	Earlier of date on which (a) COGENT notifies Customer that the Service is available for Customer's use at either the COGENT-defined demarcation point or last-available test point; or (b) Customer first uses the Service or the COGENT Network. The Requested Service Date on the Order Form is the earliest date on which Customer is willing to accept COGENT Service. COGENT does not guarantee that the Service will be installed on the Requested Service Date.
SLA	The Service Level Agreement as posted by COGENT at www.cogentco.com for Customer's Service(s). COGENT reserves the right to amend the SLA at any time, effective upon posting on the COGENT website.
Space	Rented rack space from COGENT, if any.
Tax or **Taxes**	All taxes arising in any jurisdiction, including without limitation all: sales, use, excise, gross receipts, value added, access, bypass, franchise, telecommunications, property (for co-location customers), consumption, or other taxes, fees, duties, charges or surcharges (however designated) which are imposed on or based on the provision, sale or use of the Service(s), including such taxes imposed directly on COGENT or for which COGENT is permitted to invoice Customer in connection with COGENT's performance under the CSA. Taxes do not include COGENT's income taxes.
Termination Charge	Single payment equal to the total remaining dollar value of the applicable Service order through the Initial Term or Renewal Term, as applicable.
Terms	Terms and conditions that apply to the Services COGENT provides to Customer.

Customer: DS JPHS

PRODUCT RIDER – DEDICATED INTERNET ACCESS GLOBAL

This product rider (Rider) amends the CSA entered into between Customer and COGENT for the Services specified therein. Unless otherwise defined herein, capitalized or defined terms in the CSA have the same meaning in this Rider. In the event of a conflict between forms, the following will be the order of priority: First, the Order Form; Second, any Addendum entered into by the Parties; Third, the Terms; Fourth, this Rider; and Fifth, the SLA.

1. Service and Options

Within the scope of the Dedicated Internet Access Service, COGENT transmits IP-packets between the COGENT Network and associated networks of its Customers as well as to and from the global Internet using COGENT's settlement-free peering agreements with other networks.

Subject to their availability, Customer may select one or more options associated with the Service such as listed in the Order Form, in which case Customer agrees to pay the related fees such as indicated in the Order Form:

IP Address Allocation: COGENT will allocate an IPv4/29 and IPv6/112 free of charge to Dedicated Internet Access customers as part of each port order. If Customer desires a larger IP address space allocation, Customer shall submit an application to COGENT for the larger allocation, using COGENT's "IP Questionnaire" form. If COGENT approves the application, Customer will be required to place an order for the larger IP allocation. Each larger allocation for IPv4 address space will be subject to an additional Monthly Fee. Larger allocations for IPv6 address space will be free of charge. COGENT makes no guarantees that any subsequent allocations will be contiguous to any of Customer's existing allocations. IP address space allocations are subject to the AUP and will be terminated and reclaimed when Customer's Dedicated Internet Access Services with COGENT are terminated.

BGP routing: Customer may connect to COGENT's network using the BGP protocol (Border Gateway Protocol). Customer will be required to place an order and a BGP session will be established with Customer's own assigned ASN (the Primary ASN). If Customer wishes to connect with multiple BGP sessions over a single port (or LAG bundle) with the Primary ASN and ASNs from third parties represented by Customer (the Secondary ASNs), then Customer will be required to provide COGENT with a Letter of Authorization ("LOA") issued by the third parties having registered the Secondary ASNs in order to activate such Service, and all interactions, being during provisioning or operations, related to BGP-sessions set up between COGENT's network and Secondary ASNs will be handled exclusively between COGENT and Customer. The fact that a BGP session is being set up between COGENT and other parties represented by Customer does not constitute a contractual relationship between COGENT and the other parties, this interaction is ruled by the contractual relationship established between COGENT and the Customer. COGENT will charge an additional Monthly Fee for each ASN connected, including the Primary ASN.

Static routing / VLAN: Customers connecting to COGENT's network with static routing (i.e., non-BGP) may require a VLAN (Virtual Local Area Network) structured port. Customer must place an order to have a VLAN configured on Customer's port, in order to support static routing of Customer's own assigned IP address space (the Primary IPs). If Customer wishes to connect with Primary IPs and IP addresses from third parties represented by Customer (the Secondary IPs), over one or more VLANs on a single port, then Customer will be required to provide COGENT with a Letter of Authorization ("LOA") issued by the third parties having registered the Secondary IPs in order to activate such Service, and all interactions, being during provisioning or operations, related to static routing (and, as the case may be, VLANs) set up between COGENT's network and Secondary IPs will be handled exclusively between COGENT and Customer. The fact that static routing is (and, as the case may be, VLANs are) being set up between COGENT and other parties represented by Customer does not constitute a contractual relationship between COGENT and the other parties, this interaction is ruled by the contractual relationship established between COGENT and the Customer. Each VLAN will receive the same IP address space allocation as a port order at the same location. COGENT will charge an additional Monthly Fee for each VLAN connected.

Link Aggregation (LAG): In certain Service Locations, Customer may elect to aggregate multiple 10 Gigabit Ethernet Services in such Service Location into a Link Aggregation bundle (a "LAG-bundle"). Under such option, COGENT will configure the LAG-bundle in such a way that, in case of an outage of some (but not all) Services involved in the LAG-bundle, unaffected Services in such LAG-bundle will continue to pass traffic. Link Aggregation is the technical combination of ports and is independent from billing options: COGENT will bill burstable Services involved in a LAG-bundle independently from each other, unless Customer elects to combine them using the "Summed Burst Billing" or "Aggregate Burst Billing" options described in section 2 below.

Equipment: COGENT may, at its sole discretion and if available, provide equipment for certain Services. The fees for such equipment as agreed in the Order Form will be added to Customer's invoice. COGENT does not guarantee and is not responsible for any specific type of equipment, or any equipment at all, to be made available to Customer, and such equipment will belong to Customer upon receipt. Customer will provide its own technical support to install, maintain, and integrate equipment. COGENT will not provide on-site technical support. Customer will be responsible for applicable replacement costs if the equipment is subject to any damage, unauthorized alteration/modification/repair, abnormal use, misuse, neglect, abuse, accident, improper installation, or other acts caused by Customer, its employees, contractors, or any other person. Such action or inaction may void any manufacturer warranties. Customer further agrees to indemnify and hold harmless COGENT for any third party claim based on Customer's unauthorized alteration or modification of the equipment. COGENT is not responsible for Service disruptions caused by any request by Customer to relocate equipment.

Expedite Delivery: COGENT's installation guarantee is strictly limited to the installation guarantee stated in the SLA. However, Customer may request in the Order Form an expedited delivery for his Service. COGENT will use commercially reasonable efforts to accommodate Customer's request; provided, however, that COGENT does not guarantee that any such request will be fulfilled (and any such guarantees given either orally or in writing are hereby disclaimed) nor does COGENT guarantee that the Service will be delivered on a specific date, such as the Requested Service Date indicated on the Order Form.

DocuSign Envelope ID: 85E927BF-FF08-4408-9592-4EDA57A8C85C

© Cogent Communications. 2016

2. Burstable Service

If Customer is purchasing COGENT's burstable Service, Customer will have a minimum bandwidth commitment assigned for a given port (the Bandwidth Commitment or Committed Data Rate, "CDR"). The Bandwidth Commitment is agreed upon in the Order Form and is the minimum amount of bandwidth that will be charged to Customer each month at the base Service price, even if not fully used by Customer during a given month. Customer may burst up to the maximum bandwidth that can be carried on a given port, e.g. 1,000 Mbps for a Gig-Ethernet port, subject to availability of bandwidth within the COGENT network.

If Customer exceeds the Bandwidth Commitment on any burstable port in any given calendar month, Customer agrees to pay the additional per Mbps charge for excess bandwidth usage over the Bandwidth Commitment as indicated in the Order Form. Such excess bandwidth usage is calculated by COGENT as the difference between total bandwidth usage and Bandwidth Commitment, where total bandwidth usage is determined by collecting bandwidth usage samples every 5 minutes throughout the month for each port (a sample is based upon the average usage across the 5-minute segment) and determining the appropriate percentile (90th or 95th) of usage as indicated in the Order Form. Only one sample is captured for each 5-minute period, even though two samples are collected - one for inbound utilization and one for outbound utilization. The higher of the two samples is retained. For partial months, the total number of samples for the calendar month is used; for samples where there is no usage, 0 is the recognized value. For example, in a 30-day billing period, 8,640 samples are collected (12 samples/hour x 24 hours/day x 30 days) and listed from highest to lowest. In case of 95th percentile billing, the highest 5%or 432 samples are discarded (representing the top 5% of usage levels). The highest remaining sample (sample 433 in this example) is used to determine total bandwidth usage. For 90th percentile billing, the highest 10%or 864 samples are discarded (representing the top 10% of usage levels). The highest remaining sample (sample 865 in this example) is used to determine total bandwidth usage.

Under the "Summed Burst Billing" option available in conjunction with 90th percentile burst billing, COGENT calculates excess usage as the difference between the sum of total bandwidth usage and the sum of Bandwidth Commitment across all summed ports. For example, if Summed Burst Billing is applied over three ports with a Bandwidth Commitment of 200 Mbps on each (i.e., a total Bandwidth Commitment of 600 Mbps) and the individual 90th percentile total bandwidth usage amounts were 70 Mbps, 150 Mbps and 500 Mbps, the excess bandwidth usage would be 120 Mbps (70 + 150 + 500 - 600).

Under the "Aggregate Burst Billing" option available in conjunction with 95th percentile burst billing, excess bandwidth usage is calculated by COGENT as the difference between total aggregated bandwidth usage and the summed Bandwidth Commitment across all aggregated ports, where total aggregated bandwidth usage is determined by adding usage samples every 5 minutes across all aggregated ports. In the event the aggregated ports are located in more than one time zone, usage samples taken at the same local time will be added together, e.g., usage samples taken at 9 p.m. local time in London will be added to usage samples taken at 9 p.m. local time in New York City. For example, if there are three aggregated ports, every 5 minutes three inbound samples and three outbound samples are collected, added up to one bandwidth usage value per direction, and the higher of the two values is retained. In a 30-day billing period, the final 8,640 retained bandwidth usage values reflect the aggregated usage across all ports. These values are listed from highest to lowest. The highest 5% or 432 values are discarded (representing the top 5% of usage levels). The highest remaining value (value 433 in this example) is used to determine total aggregated bandwidth usage.

Under both "Summed Burst Billing" and "Aggregate Burst Billing" options, a Master Service is defined in the Order Form, and all other Services involved in a Summed or Aggregate calculation are listed. Excess bandwidth usage (burst usage) calculated across the listed ports will be billed on the Master Service account. The relevant data (additional per Mbps charge for excess bandwidth usage and Billing Currency) pertaining to the Master Service will be used for calculating excess bandwidth usage fees across Master Service and all other involved Services. For example, if a customer orders ports in the UK, US, and Canada and defines the US port as the Master, all excess bandwidth usage will be billed on the US invoice in US dollars, at the burst fee indicated on the US port order form.

These billing options are independent from the Link Aggregation (LAG) option: COGENT will not combine Services involved in "Summed Burst Billing" or "Aggregate Burst Billing" into a LAG-bundle, unless Customer elects to combine them using the Link Aggregation (LAG) option described in section 1 above. Furthermore, if Customer wishes that COGENT bills Services part of a LAG-bundle according to the "Summed Burst Billing" or "Aggregate Burst Billing" option, then Customer must elect these options for such Services, in addition to the election of the LAG Option.

3. Customer's Duties to Cooperate

Customer or its representative must cooperate with COGENT in the installation process, which includes accurate completion of an Order Form containing detailed demarcation information and other onsite contact listings, and of the necessary technical questionnaires (IP Questionnaire, BGP Questionnaire, etc.) as provided by COGENT. Customer or its representative must be physically present at the time of installation. During installation and at all other times, the Customer will allow access and if necessary provide escort, for COGENT's or its representatives' necessary personnel to perform the installation and maintenance of the Service, to the designated building's phone closet(s) or telecommunications room or to the Customer's premises for the purposes of survey, installation, operations and maintenance of the Service, after prior arrangement between the parties. Customer's failure to cooperate shall release COGENT from its obligations pertaining to the Installation Guarantee included in the SLA but shall not suspend the Service Date or billing start date.

In the event of technical problems relating to the Service, the Customer will ensure that COGENT's or its representatives' service engineers have unrestricted access to the designated building's phone closet(s) or telecommunications room or to the customer premises equipment. Customer's failure to provide access shall release COGENT from its obligations pertaining to the Network Availability part of the SLA.

4. Demarcation Point

Within a COGENT data center: If Service delivery takes place within a COGENT data center, COGENT will deliver the Service at a demarcation point situated on the COGENT equipment. COGENT will provide, maintain and operate the necessary wiring ("Cross-Connect") for Customer to connect to COGENT's service at the indicated demarcation point. COGENT will provide such Cross-Connect for the Cabling fee set forth on the Order Form.

Within a third-party data center: If Service delivery takes place within a third party data center (i.e. that is not owned and/or operated by COGENT), COGENT will deliver the Service at a demarcation point situated on the COGENT equipment. Unless otherwise agreed, Customer will at its own cost provide, maintain and operate the necessary wiring ("Cross-Connect") to connect to COGENT's service at the indicated demarcation point. If Customer and COGENT agree that COGENT shall provide such Cross-Connect, then COGENT will provide such Cross-Connect against Cabling fees such as indicated on the Order Form and the

DocuSign Envelope ID: 85E927BF-FF08-4408-9592-4EDA57A8C85C

© Cogent Communications. 2016

Service demarcation point will remain on the COGENT equipment. COGENT may increase Cross-Connect fees at any time to the extent COGENT's third party costs directly associated with providing the service (including, but not limited to, third party data center rates) are increased by the third party.

Within an On-Net corporate building: If Service delivery takes place within an On-Net corporate building, COGENT will deliver the Service at a demarcation point situated on the COGENT equipment within the Customer's suite. COGENT will provide, maintain and operate the necessary wiring ("Riser") between the building entry and the indicated demarcation point.

At an Off-Net Customer Location: Off-Net Services are being delivered to the Customer Location indicated in the Order Form through a third-party local loop to be provisioned by COGENT on behalf of Customer. As such, the Customer and COGENT agree that the charges set forth in the Order Form for such Service assumes that such Service will be terminated at a pre-established demarcation point or minimum point of entry (MPOE) in the building housing the Customer Location, as determined by the local access provider. COGENT may charge Customer additional nonrecurring charges not otherwise set forth herein for such Service where the Customer or local access provider determines that it is necessary to extend the demarcation point or MPOE through the provision of additional infrastructure, cabling, electronics or other materials necessary to reach the Customer Location. It shall be the Customer's responsibility to allow access to the facility for the local access provider, as well as to facilitate or coordinate with the property owner at the Customer Location, all additional space and electricity determined by the local access provider to be necessary to provide the Service. COGENT will notify Customer of any additional non-recurring charges, if any, as soon as practicable after COGENT is notified by the local access provider of the amount of such charges. From time to time, COGENT may provide, and Customer may accept, budgetary estimates for the extension of the demarcation point to the Customer Location along with the initial Order Form. These estimated costs may be based on certain known costs or typical installations that do not require extraordinary efforts by the provider to extend the service. In the event actual costs exceed the budgetary estimate, Cogent will notify the Customer as outlined above.

In addition, the charges and the Term set forth in the Order Form for the Service assumes that such Service can be provisioned by COGENT through the local access provider selected by COGENT (and/or Customer) for the stated Term. In the event COGENT is unable to provision such Service through the selected local access provider or the selected local access provider requires a higher cost or longer Service Term than that set forth in the Order Form, COGENT reserves the right, regardless of whether COGENT has accepted the Order Form, to suspend provisioning of the Service hereunder and notify Customer in writing of any additional non-recurring charges, monthly recurring charges and/or Term that may apply, or to cancel the Service set forth on the Order Form. Upon receipt of such notice, Customer will have five (5) business days to accept or reject such changes. If Customer does not respond to COGENT within the five (5) business day period, such changes will be deemed rejected by Customer. In the event Customer rejects the changes (whether affirmatively or through the expiration of the five (5) business day period) or if COGENT elects to cancel the Service ordered herein, the affected Service will be cancelled without cancellation or termination liability of either party.

COGENT may also increase Off-Net Service fees at any time to the extent COGENT's third party costs directly associated with providing such Off-Net Services (including, but not limited to, loop provider or third party data center rates) are increased by the third party.

Contract Documents

The entire Customer Subscriber Agreement (CSA), entered into between Customer and COGENT, is made up of the documents listed here. Capitalized terms are defined in the text of the Terms or Definition section of the Terms. All prior agreements, proposals, representations, statements, or understandings, whether written or oral, concerning such Services, are superseded. Customer certifies that the documents constituting the CSA are the documents and forms that have been supplied to Customer by Cogent and that Customer has made no changes to them.

(1) Order Form
(2) Terms, as attached (initialed by Customer) (For current customers, if Terms are not attached, the current Terms remain in force)
(3) SLA (http://www.cogentco.com/files/ps_internet/SLA_on_internet.pdf)
(4) Product Rider(s), as attached (signed by Customer)
(5) Any other Rider or Addendum, as attached (signed by Customer)

Notes

Notwithstanding Section 1.2 of the Terms, at the end of the Initial Term, the Service ordered hereunder will renew on the same price, terms and conditions for successive month-to-month Renewal Terms upon written consent of the parties unless and until terminated or amended as provided in the CSA.

Customer acknowledges that COGENT has informed it that the installation of the Service ordered hereunder will be longer than the timeframe specified in the SLA, and Customer accepts such longer time frame and waives the installation guarantee set forth in the SLA with respect to the Service ordered hereunder.

NETWORK SERVICES ADDENDUM NORTH AMERICA

This addendum (Addendum) amends the CSA entered into between Customer and COGENT for the Services specified therein. Unless otherwise defined herein, capitalized, or defined terms in the CSA have the same meaning in this Addendum. In the event of a conflict between forms, the following will be the order of priority: First, the Order Form; Second, this Addendum; Third, the Terms; Fourth, the applicable Product Rider; and Fifth, the SLA.

Terms Sec. 6.1 Section 6.1 of the Terms is amended by adding the following at the end of the Section:

"Notwithstanding the foregoing, Customer's liability resulting from its obligation to indemnify COOGENT pursuant to Section 6.1 shall not exceed the greater of $200,000 per person or $300,000 per incident or occurrence, as set forth in section 768.28, Florida Statutes."

Terms Sec. 7.3 Section 7.3 of the Terms, first sentence, is amended by striking "District of Columbia" and replacing with "State of Florida".

Section 7.3 of the Terms, second sentence, is amended to read:

"Any action arising out of or related to this CSA shall be brought in the State or Federal courts located in Marion County, Florida, and each party consents to the jurisdiction and venue of such courts for such actions."

Accepted and agreed to:

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

Manage your online account

Dear Valued Cogent Customer,

Cogent has been providing you for many years with IPv4 address allocation services. During this time, IPv4 addresses have become increasingly scarce, and customer requirements have become more elaborate. As a result, market prices for IPv4 address allocations have raised significantly, while your price for your Cogent IPv4 services has remained the same.

To adapt to these market dynamics, Cogent will, as of January 1, 2025, increase the Monthly Recurring Charges (MRC) for your IPv4 services as listed below, to the level of Cogent's current IPv4 pricing.

Order	Current MRC	New MRC
3-001334191	2,129.92 (USD)	3,600.00 (USD)

These MRC changes will be reflected on our January 2025 invoice. Please note that any of your Cogent IPv4 services **not listed above are not affected by these changes.**

Should you have any question regarding your invoice in general, or these rate changes in particular, please reach out to the Cogent Billing Department, either by phone at 1-877-7-Cogent (1-877-726-4368) option 1, or by email at billing@cogentco.com.

Thank you again for your business and for having chosen Cogent as your service provider. Please note, Sprint Wireline is now part of Cogent.

Sincerely,

Cogent Billing

Text of Legislative File 2023-1098

Submitted By: Lourdes Ramos
Presentation By: Mel Poole
Department: Ocala Fiber Network

STAFF RECOMMENDATION (Motion Ready):
Approve a three-year contract with Cogent Communications, Inc. for the purchase of 20 Gigabit of internet bandwidth for a fourth diverse route and IPV4 addresses in the amount of $314,600

OCALA'S RELEVANT STRATEGIC GOALS:
Operational Excellence

PROOF OF PUBLICATION:
N/A

BACKGROUND:
Ocala Fiber Network (OFN) requests a fourth diverse route for an additional 20 Gigabit of bandwidth with a different physical path than the current three providers, to include a block of IP addresses. This diverse western route is required due to customer growth, increased bandwidth and redundancy demands. The additional route will allow OFN to continue providing internet service during upstream outages from current providers, ensuring 99.99 percent reliability and supporting customer demands.

FINDINGS AND CONCLUSIONS:
OFN and Procurement staff attempted to secure quotes for a fourth diverse route of internet service from three responsible vendors, namely: Cogent Communications, Inc., Hurricane Electric and Spectrum. Cogent Communications, Inc., was the sole responsive vendor.

The pricing offered by Cogent Communications, Inc., a Tier 1 internet service provider who supplies bandwidth globally, was benchmarked by OFN and found to be comparable to the pricing offered by our current providers. Cogent's fourth diverse stream of 20 Gigabit of bandwidth and additional IP addresses will be provided at a rate of $8,600/month. The City's incumbent providers are contracted at the rates of $8,402/month and $7,856/month, respectively.

FISCAL IMPACT:
The expenditure associated with Cogent Communications, Inc. will be paid from account #490-031-290-539-53-34050 - Fiber for Resale, as outlined below:

FY23 = $39,400
FY24 = $103,200
FY25 = $103,200
FY26 = $68,800

PROCUREMENT REVIEW:
These services were procured in compliance with the City's Procurement Policy.

LEGAL REVIEW:
This Agreement will be reviewed and approved for form and legality by City Attorney, William E. Sexton.

ALTERNATIVE:

- Approve with changes
- Table
- Deny

Hey William

It was so great speaking with you today! The two above order IDs for your existing 10GIG Layer 3 ports are set to expire and go month to month on 5/31/27. They installed on 5/31/24 and both are on 36month terms

Thank you so much!

File #: 2026-1692 Agenda Item #: 10c.

Submitted By: Todd Swanson

Presentation By: Todd Swanson

Department: Human Resources and Risk Management

FORMAL TITLE:
Renewal of employee paid insurance plans for dental, vision, voluntary life insurance, group Medicare, short-term disability, pet insurance, legal services, identity theft protection, cancer/accident/critical illness benefits, and voluntary retiree life insurance, and the renewal of City paid insurance plans for basic life and accidental death and dismemberment insurance in the amount of $183,250, long-term disability in the amount of $353,632, employee assistance program services in the amount of $19,709, flexible spending account administration in the amount of $8,665, and health insurance administration fees in an amount not to exceed $795,000 for the October 1, 2026 through September 30, 2027 plan year

OCALA'S RELEVANT STRATEGIC GOALS:
Fiscally Sustainable

PROOF OF PUBLICATION:
N/A

BACKGROUND:
The City's insurance broker, Brown & Brown, surveyed the market and obtained renewal rate quotes for the above-referenced insurance programs. Based on its market analysis, Brown & Brown recommends renewing the City's current insurance carriers, as they continue to provide the best overall value and coverage.

Brown & Brown also recommends transitioning the employee paid pet insurance benefit from Nationwide to Spot Pet Insurance, which offers participating employees enhanced coverage options at a lower cost.

FINDINGS AND CONCLUSIONS:
Staff agrees with the broker and recommends retaining the current insurance providers.

FISCAL IMPACT:
Funds for employer-provided basic life and AD&D insurance in the amount of $183,250 are available in account 844-218-000-000-21-21881.

Funds for long-term disability in the amount of $353,632 are available in the 844-218-000-000-21-21883

employee benefits budget.

Funds for health insurance administration fees are available in account 627-099-999-590-81-45010. The ASO fee will increase from $51.34 to $52.88 per employee per month, effective October 1, 2026, with a not-to-exceed amount of $795,000.

Funds for employee/employer flexible spending account administration in the amount of $8,665 are available in account 844-220-000-000-20-22125.

Funds for employee assistance program services totaling $19,709 are available in the 001-015-015-513-51-31010 employee benefits budget.

The remaining above-referenced insurance plans are employee-paid and have no budget impact on the City.

PROCUREMENT REVIEW:
N/A

LEGAL REVIEW:
N/A

ALTERNATIVE:
Instruct the broker to resurvey the market for alternative insurance providers and rates.

Brown & Brown

PUBLIC SECTOR

Proposal of Employee Benefits Coverage and Service

Proposal Date: 6/17/2026

Effective Date: 10/1/2026

CITY OF OCALA

Risk Management Associates

Brown & Brown is one of the largest and most respected independent insurance intermediaries in the nation, with over 80 years of continuous service. The Company is ranked as the sixth largest such organization in the United States by Business Insurance magazine.

Risk Management Associates, Inc., a wholly owned subsidiary of Brown & Brown, Inc., has established itself as one of the premier insurance services organizations for public entities in the United States. Our in-depth understanding of the unique risk exposures and operating environment of public entities allows us to tailor insurance products and services to effectively meet their needs. As the only independent insurance agency solely dedicated to the public entity market, we are uniquely qualified to meet and exceed the expectations of our clients. Our 20 years of insuring local governments has afforded us significant experience and insight into the unique challenges and constraints that our clients face.

As a Brown & Brown company, Risk Management Associates has access to hundreds of insurance markets nationwide. The buying power and premium leverage within the organization is surpassed by few agencies.

Risk Management Associates focuses on developing innovative approaches towards managing your risk. Cost effective insurance products, professional service, and commitment to client's needs are our primary goals. Proof of account satisfaction is reflected by a 97% business retention rate.

Employee Benefits is just one area of expertise we can provide. Our benefit programs include
Medical, Dental, Vision, Cobra, Life, Disability and Section 125 pre-tax reimbursement accounts just to name a few. We are able to provide fully insured programs for employers of all sizes and self funded programs to meet the special needs of employers interested in that type of arrangement. In addition to providing the insurance programs, we assist in the design, cost-containment, management and development of your employee benefit package.

All Employee Benefit clients are assigned an "In House" Employee Benefits Specialist to assist with Billing, Claims, Eligibility, Enrollment, or any other issues or questions that arise.

For our clients that opt for self insured programs, we not only provide the mentioned above, but also supply detailed reports to help you monitor your program closely. We also place the reinsurance, help design a plan to meet your needs and work closely with you and the Third Party administrator during the implementation as well as throughout the year to ensure the plan operates smoothly.

As for property and casualty, Risk Management Associates is a recognized leader in the area of professional liability, governmental and municipal insurance programs, pollutions liability and many other specialized areas of risk. All property and casualty clients are assigned an "In-House" Public Risk Specialist.

Commitment to Our Clients

The Employee Benefits Division at Pubic Risk Insurance Advisors is focused on providing you with the best products at the most competitive rates possible. We ensure a very high level of customer service by remaining involved with you after the plan's effective date.

In addition to the Risk Management Associates Employee Benefits Advisor, all clients are assigned a team of dedicated service and marketing professionals committed to fast, efficient and friendly service during plan renewal and every other day of the year.

- We provide assistance with carriers to resolve any issues concerning policy administration, claims and billing.
- We provide expertise in designing, analyzing, and maintaining an employee benefits program that will help you attract and retain quality employees.
- We provide timely guidance on local and national trends in employee benefits and in the carrier marketplace.

As part of the 6th largest insurance broker in the country (as determined by Business Insurance magazine) we have the resources to partner with clients of all sizes and industries to maximize benefits and contain costs. The Employee Benefits Division in Daytona Beach, FL is fully automated and highly efficient in marketing plan renewals and new business. We have access to all local and national carriers, third party administrators, and other specialists in the employee benefits industry including:

Medical · Dental · Vision · Life · Disability Plans · Cafeteria Plans · 401(k) Plans · Self-funded and Partially Self-funded arrangements · Employee Assistance Programs · Voluntary (employee-paid) Long-Term Disability, Short-Term Disability, Dental and Accident & Sickness plans.

Fee in Lieu of Commission Compensation Disclosure

Brown & Brown entities ("we") receive commissions and fees from insurance carriers and other vendors as part of our compensation for placing and servicing your policies and products. Commissions are generally a percentage of the total premium and may be based on a schedule. In some cases, we may also receive direct compensation from the plan or the plan sponsor (service and/or consulting fees).

If we are being compensated based upon a fixed dollar amount or fixed percentage fee, meaning that the contract specifies our compensation and states anywhere in the document that additional compensation will not be paid to us or any other party, any additional compensation to us or any other party, including wholesale brokers or third-party intermediaries, is strictly prohibited. Likewise, if our contract sets compensation based upon a fixed dollar amount or fixed percentage fee, and the contract specifies that additional compensation shall be credited to the insured, any additional compensation to any party, including brokers, wholesale brokers or third-party intermediaries, must be promptly returned to you. If our contract is not based upon such fixed fee terms, no owned or affiliated party, including brokers, wholesale brokers or third-party intermediaries, may accept any type of compensation without full disclosure by the undersigned broker to you of the dollar amount or percentage of compensation prior to binding your coverage.

In addition to commissions and fees paid to Brown & Brown by insurance or reinsurance carriers or third-party vendors as mentioned above, Brown & Brown entities may also receive supplemental and/or bonus compensation from the carrier or vendor based on new sales volume or retention, for example. Such supplemental and/or bonus compensation may consist of guaranteed override income based on our agency's business production and retention with the carrier or vendor, general agency fees, and/or sales or retention bonuses and is partially derived from your premium dollars, after being combined (or "pooled") with the premium dollars of other insureds that have purchased similar types of coverage. Brown & Brown may not know in advance if such a supplemental and/or bonus payment will be made by a particular carrier or vendor, or the amount of any such payments until the underwriting year is closed.

Brown & Brown entities may also receive invitations to programs sponsored and paid for by insurance carriers or other vendors to inform brokers regarding their products and services, including possible participation in company-sponsored events such as trips, seminars, and advisory council meetings, based upon the total volume of business placed with the carrier you select. We may also receive non-monetary compensation (including but not limited to the value of travel, meals and entertainment expenses associated with such meetings, gifts, tickets for sporting and entertainment events and awards). Such compensation allocated to your policy is not normally expected to equal or exceed a sum of $250.00 in aggregate, when all non-monetary compensation items received are combined.

Brown & Brown entities may, on occasion, receive loans or credit from insurance companies. Additionally, in the ordinary course of our business, we may collect and remit premiums on behalf of the carrier or vendor and may earn and retain interest on premiums or administrative fees you pay from the date we receive them until the date remitted to the carrier or vendor.

If an intermediary is utilized in the placement of coverage, the intermediary may or may not be owned in whole or part by Brown & Brown, Inc. or its subsidiaries. Brown & Brown entities operate independently and are not required to utilize other companies owned by Brown & Brown, Inc., but routinely do so. In addition to providing access to the carrier or other vendor, the Wholesale Insurance Broker/Managing General Agent may provide additional services including, but not limited to: underwriting, quoting, plan implementation assistance, claims advocacy and eligibility administration services. . Compensation paid for those services is either derived from your premium payment, which may on average be up to 15% of the premium you pay for coverage and may include additional fees charged by the intermediary or is paid to the Wholesaler/Managing General Agent via override.

Questions and Information Requests. Should you have any questions, or require additional information, please contact this office at (386) 252-6176 or, if you prefer, submit your question or request online at http://www.bbinsurance.com/customerinquiry/

Disclaimers & Disclosures

•The analysis of the following plans is a summary. Please refer to the policy certificate for a full list of coverage and exclusions.
•The rates and benefits in this proposal are based upon underwriting factors which include, but are not limited to, the census provided, the effective date shown, the status of employees/dependents (i.e. actively at work, COBRA, FMLA), final enrollment, etc. If any of the aforementioned changes prior to the proposed effective date, the final provisions, including rates, for these plans may vary or result in the proposed plan to be withdrawn.
•If you select to change carriers, any existing plans with other carriers should not be cancelled until advised by Brown & Brown.
•This proposal may not be a complete listing of all available benefit options. Different benefit levels may be available.
•This presentation is the proprietary work product of Brown & Brown and is not authorized for further use or distribution
•All insurance carriers have their own operating procedures. A change in carrier could affect certain benefits and coverage.
Brown & Brown representatives are available to explain any items presented. It is assumed that the recipients of this proposal will seek an explanation of any items that may be in question.
•Brown & Brown representatives may from time to time provide guidance regarding certain requirements affecting health plans, including the requirements of federal and state health care reform legislation. Such guidance is based on good-faith interpretation of laws and regulations currently in effect, and is not intended to be a substitute for legal advice. Employers should contact their own legal counsel for advice regarding legal requirements.
•The network provider/facility lists obtained via paper directories or carrier websites may contain providers and facilities that are no longer participating in the insurance carriers' networks. We cannot be responsible for any changes to the provider/facility listings that are not reflected. To ensure that a specific provider or facility is still participating in the provider's preferred network, we recommend contacting the provider/facility directly.
•Failure to adhere to provisions of the Affordable Care Act (such as pay-or-play, employer reporting requirements, benefit mandates, etc.) may result in significant fees and penalties to the employer. For a more comprehensive explanation of what fees and penalties may apply to you, you may contact your Brown & Brown representative at any time.
•You are required to comply with Health Care Reform's Summary of Benefits & Coverage (SBC) distribution guidelines, which include requirements for SBC distribution at the plan renewal date. If an employee must enroll to continue coverage, the SBC must be provided when open enrollment materials are distributed. If enrollment materials are not distributed, employees must receive an SBC by the first day they are eligible to enroll. For insured plans, if coverage continues automatically for the next year, the SBC must be provided at least 30 days before the beginning of the new plan year. If the policy is not issued by that date, the SBC must be provided within seven business days once the information is available. Please refer to the Department of Health & Human Services' (HHS) official guidance for complete details regarding renewal and other SBC distribution guidelines.

NOTICE OF CARRIER FINANCIAL STATUS

Please be advised that Brown & Brown does monitor carriers rated less than A- or non-rated on an ongoing basis. However, because Brown & Brown cannot certify the financial soundness or stability of any insurance company or alternative risk transfer entity, or otherwise predict whether the financial condition of a company might improve or deteriorate, we encourage you to review the financial information for each carrier at AM Best's website (www.ambest.com), a state department of insurance website, the applicable carrier website and/or with your accountant, legal counsel and other advisors.

If you need assistance identifying the appliable issuing carriers for your current coverage, renewal coverage, or the coverage options being presented to you, please feel free to contact us at (386) 252-6176 for assistance. Alternative quotes with an A- or better rated carrier may also be available upon your request.

Total Monthly Premium	**$1,832.60**	
Total Annualized Premium	**$21,991.20**	

Administrative Services Only (ASO) (Florida Blue)

The City approved a 5-year amendment to Administrative Services Only fee agreement prior to the 10/1/24 plan year. The City is entering year 3 of the agreement, which includes an increase from the current ASO fee from $51.34 to $52.88. The current fee of $51.34 has been in place since 2021. The agreement holds the $52.88 ASO fee through the 2028-29 plan year.

ASO Fee	
10/1/24	$51.34
10/1/25 (Current)	$51.34
10/1/26	$52.88
10/1/27	$52.88
10/1/28	$52.88

Brown & Brown recommends renewing the Administrative Services Only agreement with Florida Blue.

Dental (Florida Combined Life)

Florida Combined Life has provided the City with a 2.6% increase for the enhanced dental coverage with a 2-year rate guarantee and a 5% rate cap for year 3. Each plan will have higher calendar year maximums available to use for dental services. The dental plan is paid 100% by the employees.

	Low Plan		High Plan	
	Current	Renewal	Current	Renewal
Employee	$31.84	$31.84	$43.55	$45.74
Employee & One Dependent	$49.35	$49.35	$67.62	$71.00
Employee & Two or More Dependents	$77.91	$77.91	$106.64	$111.98

Brown & Brown recommends renewing the Dental coverage with Florida Combined Life (FCL).

Vision (The Standard)

The City's Vision coverage, provided by The Standard. Brown & Brown did a market check to explore what enhanced options may be available. Ultimately, the City was able to enhance the current coverage at no additional cost with a 2-year rate guarantee. The coverage is 100% employee paid.

	Current	Renewal
Employee	$5.20	$5.20
Employee & One Dependent	$10.36	$10.36
Employee & Two or More Dependents	$16.24	$16.24

Brown & Brown recommends renewing the Vision coverage with The Standard.

Basic Life/Voluntary Life (Securian/Minnesota Life)

The Basic Active Life and Voluntary Life coverages were given a rate pass. The rates and terms for the Basic Active Life will not change. Included at no additional cost is a Line of Duty AD&D benefit. It provides an additional benefit of 100% of the Basic AD&D principal sum up to $100,000 for public safety officers (police and fire) that suffer a loss while he or she is performing customary duties for the employer. The Basic Retiree Life will increase from $1.90 to $2.10/$1,000 of coverage. The rates proposed by Securian are guaranteed from 10/1/26-9/30/2029.

	Current Rates	Renewal Rate
Coverage	**Rate per $1,000 per month**	**Rate per $1,000 per month**
Basic Active Life	$.120	$.120
Basic Retiree Life	$1.900	$2.100
Basic Active AD&D	.022	.022

Employee & Spouse Supplemental Life*	**Age**	**Current Rates**	**Age**	**Renewal Rates**
	Under 25	$.063	Under 25	$0.063
	25-29	$0.075	25-29	$0.075

	75-79***	$6.62	75-79	$6.62
Dependent Package	$4.95 per unit		$4.95 per unit	
Child Life	$0.130		$0.130	

Brown & Brown recommends renewing the Basic Active Life and AD&D, Basic Retiree Life, Employee & Spouse Supplemental Life, Retiree Supplemental Life and Child Life coverages with Securian (Ochs/Minnesota Life). There is no additional cost impact to the City for these coverages.

Short Term/Long Term Disability (MetLife)

The City of Ocala is in the last year of a 2-year rate guarantee with MetLife for short- and long-term disability coverage. There will be no changes in the cost or benefits for plan year 10/1/26-9/30/27.

Brown & Brown recommends renewing the Short- and Long-Term Disability coverage with MetLife.

Group Medicare (Florida Blue)

The Group Medicare offerings are provided by Florida Blue. The City currently offers three options under the BlueMedicare Plan. Two PPOs and on Prescription Only option. All three options are currently receiving an 8% increase.

	Elite PPO	Platinum PPO	Elite Rx Only
Medical	$93.33	$51.13	
Rx	$363.72	$322.83	$341.97
Fitness	$4.00	$4.00	
Total	**$461.05**	**$377.96**	**$341.97**
Previous Rate	$426.90	$349.96	$316.64
Percent Change	**8%**	**8%**	**8%**

Brown & Brown recommends renewing the Blue Medicare contract. This renewal has no cost or budget impact on the City.

Pet Insurance (Spot Pet Insurance)

The City provides employees the opportunity to purchase this cover through Spot Pet Insurance. This coverage was previously with Nationwide. After meeting with 3 vendors, the decision was made to proceed with Spot.

The program is voluntary, with rates determined by pet type and age, as well as plan and benefits selected. There are currently approximately 73 employees participating in the Pet Insurance benefit.

Brown & Brown recommends moving coverage to Spot. There is no cost or budget impact to the City.

Legal Plan/Identity Theft Plan (Legal Shield/ID Shield)

Legal Shield provides legal and identity theft coverages for employees and their families. These coverages include, but are not limited to legal consultation, legal document preparation, will preparation, Identity, credit and financial account monitoring and identity consultation and advice.

Brown & Brown recommends renewing these benefits with Legal Shield/ID Shield. The coverage is voluntary and has no cost or budgetary impact to the City.

Worksite (Allstate)

The City of Ocala currently provides the opportunity for employees to participate in coverages for Cancer, Accident and Critical Illness through Allstate. These benefits are 100% employee paid. There are no changes to the benefit offerings or costs for the upcoming plan year.

Brown & Brown recommends renewing the Allstate Worksite benefits. There will be no budget impact or cost to the City.

Flexible Spending Account – FSA (Eagles, Benefits by Design, Inc.)

Eagle, Benefits by Design administers the Health Care and Dependent Care Flexible Spending Accounts available to the employees at the City of Ocala. These allow the employees to contribute pre-tax dollars to pay for eligible medical and dependent care expenses. The cost of the administration is $2.90 per employee per month (PEPM). There are currently 249 employees enrolled in the FSA products totaling approximately $8,665 annually.

Brown & Brown recommends continuing the Flexible Spending Account administration through Eagles, Benefits by Design, Inc.

Employee Assistance Program (EAP) – Aetna Resources for Living

The City provides an Employee Assistance Program (EAP) for all full-time employees. The EAP program is intended to provide employees access to services that can assist them in resolving personal issues that may impact their work performance and productivity. Benefits include, but are not limited to:

- 6 Counseling sessions model
- Legal and Financial consultations and online tools
- Online Work Life referral resources
- Digital CBT & mindfulness-based well-being tools
- Management consultations and referrals
- Trainings available on a fee for service basis
- Unlimited standard on site or virtual crisis support services (CISDs) with a cap of 10 hours per incident.

Current	Renewal
$1.54 PEPM	$1.54 PEPM
$19,709 Annually	$19,709 Annually

The City is entering year 2 of a 3-year rate guarantee (through 9/30/2028). There is no additional budget impact to the City. Brown & Brown recommends continuing with Aetna Resources for Living as the City's EAP provider.

Title 2nd Vice President and Actuary

ACKNOWLEDGEMENT BY AUTHORIZED REPRESENTATIVE OF POLICYHOLDER

This document confirms that the rates stated above are the agreed upon rates for the specified policy numbers. These rates will be charged for coverage amounts effective during the Rate Coverage Period listed above. This renewal offer is subject to the current terms and conditions of the policies covering employees and their dependents. Minnesota Life reserves the right to adjust the rates at any time in the event of plan design changes, modifications to the definition of eligible employees, or significant demographic changes in the group. We define significant changes to mean a change in the volume within a coverage or across coverages of more than 15%. Actives and retirees are considered independent coverages. The baseline for calculating the total change in volume will be the volume provided in the 2026 renewal census.

By _____ Date _____

Title _____

BLUEMEDICARE GROUP MASTER AGREEMENT

SECTION 1: INTRODUCTION

This BlueMedicare Group Master Agreement (this "Agreement") describes the rights and obligations which you and Blue Cross and Blue Shield of Florida, Inc. ("Florida Blue") have with respect to the group Medicare Advantage, Medicare Advantage Prescription Drug Plan, and/or standalone Medicare Prescription Drug Plan (hereinafter, "Medicare Plan(s)") coverage to be provided by us to your Covered Retirees and Covered Dependents.

References to "we", "us", "our," and Florida Blue throughout this Agreement refer to Blue Cross and Blue Shield of Florida, Inc. In exchange for your payment of the Premium, we agree to provide the coverage and/or benefits specified in the Evidence of Coverage for the Medicare Plan(s) ("Evidence of Coverage"), a copy of which is attached to this Agreement. The coverage to be provided by us under the Group Plan which you have established is described in the Evidence of Coverage.

SECTION 2: DEFINITIONS

Certain terms defined in the Agreement are also used and defined (for the convenience of Covered Persons) in the Evidence of Coverage. If a word or phrase starts with a capital letter, it is either the first word in a sentence, a proper name, a title, or a defined term. The following defined terms apply to this Agreement:

Anniversary Date means the date one year after the Effective Date of coverage and subsequent annual anniversaries or such other date as mutually agreed to in writing by the parties.

Appeal means a request submitted by or on behalf of a Covered Person for a review of our decision to deny a request for coverage of health care services or prescription drugs or payment for services or drugs.

CMS means the Centers for Medicare and Medicaid Services.

CMS Requirements means the provisions of Parts C and D of Title XVIII of the Social Security Act, CMS Medicare Part C and D regulations at 42 C.F.R. Parts 422 and 423, the CMS Managed Care and Prescription Drug Benefit Manuals, other CMS instructions and guidance and the provisions of Florida Blue's contracts with CMS to offer the Medicare Plans.

Covered Dependent means an Eligible Dependent who continues to meet all applicable eligibility requirements described in the Evidence of Coverage and who is enrolled, and actually covered, under the Agreement other than as a Covered Retiree.

Covered Person means a Covered Retiree or a Covered Dependent.

Covered Retiree means an Eligible Retiree, who continues to meet all applicable eligibility requirements described in the Evidence of Coverage and who is enrolled, and actually covered, under the Agreement other than as a Covered Dependent.

Effective Date for the Group means 12:01 a.m. on the date specified on the last page of this Agreement and for Covered Persons means 12:01 a.m. on the date coverage will begin as specified in the Evidence of Coverage.

Eligible Dependent means an individual who meets and continues to meet all of the eligibility requirements described in the Evidence of Coverage.

Eligible Retiree means an individual who meets and continues to meet all of the eligibility requirements set forth in the Evidence of Coverage and is eligible to enroll as a Covered Retiree. An Eligible Retiree is not a Covered Retiree until actually enrolled and accepted for coverage as a Covered Retiree by us.

Enrollment Forms means those forms, electronic or paper, which are approved by us and used to maintain accurate enrollment files under the Agreement.

Grace Period means the sixty (60) calendar day period beginning on the date the Premium is due.

Grievance means a type of complaint submitted by a Covered Person (or other person eligible under CMS Requirements to submit a Grievance) about us or one of our network providers or pharmacies, including a complaint concerning the quality of care. This type of complaint does not involve coverage or payment disputes.

Group means the employer, labor union, association, partnership, corporation, department, other organization or entity through which coverage and benefits are issued by us.

Note: References to "you" or "your" throughout the first part of this Agreement also refer to the Group. References to “you” or “your” in the Evidence of Coverage refer to Eligible Retirees, Eligible Dependents, Covered Retirees and/or Covered Dependents depending on the context and intent of the specific provision.

Group Master Agreement or Agreement means the written document which is evidence of the entire agreement between the Group and Florida Blue whereby coverage and benefits are provided to Covered Persons.

Late Enrollment Penalty (“LEP”) means an amount added to the Part D Premium of an individual who did not have Part D coverage or other creditable prescription drug plan when the individual first became eligible for Part D or who had a break in Part D or other creditable prescription drug coverage for at least 63 days.

Low Income Subsidy (“LIS”) means the premium subsidy amount paid to us by CMS for qualifying Covered Persons with Medicare Part D coverage.

Medicare Plan means the group Medicare Advantage Plan, Medicare Advantage Prescription Drug Plan, and/or standalone Medicare Prescription Drug Plan that you select.

Premium means the amount required to be paid by the Group to us for coverage under this Agreement.

Service Area means a geographic area where a Medicare Plan accepts members.

SECTION 3: ELIGIBILITY, ENROLLMENT, AND DISENROLLMENT

A. Eligibility Determination

Determination of whether an individual is an Eligible Retiree or Eligible Dependent will be a two-step process:

1. You will determine whether the individual is eligible to participate in the retiree group health benefit plan that you sponsor. For individuals meeting your eligibility criteria, you will promptly forward completed applications to us. You are responsible for complying with all applicable laws and regulations, including but not limited to the Employee Retirement Income Security Act (ERISA) and the Internal Revenue Code, in making this eligibility determination. You must also comply with all eligibility guidelines included in the benefit administrative guide and Evidence of Coverage.

2. After receiving a complete application, we will process the application in accordance with CMS Requirements. An application must be approved by us and accepted by CMS for an individual to be enrolled in a Medicare Plan.

B. Distribution of Enrollment Materials

You may only distribute materials describing the Medicare Plan that we have provided to you or that we have approved in writing. You will distribute any pre-enrollment materials that we provide to you to each potential enrollee before collecting enrollment applications. Nothing in this Section will preclude you from making additional disclosures about your group health benefit plan as applicable to comply with ERISA, such as a wrap-around summary plan description or other plan document. If applicable, you are solely responsible for compliance with ERISA disclosure requirements in connection with the Medicare Plan(s).

C. Group Disenrollment

If you decide to disenroll all Covered Persons from a Medicare Plan, you must:

1. Notify all beneficiaries that you intend to disenroll them from the Medicare Plan. You will provide this notice at least twenty one (21) calendar days before the disenrollment. This notice will explain how to contact Medicare for information about other plan options that may be available. You will include language provided by Florida Blue in this notice to meet specific CMS Requirements for notice contents.

2. Provide us with all information necessary to submit a complete disenrollment request transaction to CMS in accordance with CMS Requirements.

3. In the event of termination of this Agreement, provide advanced notice in accordance with Section 4 of this Agreement.

D. Individual Covered Person Disenrollment

Covered Persons may be disenrolled from a Medicare Plan by Florida Blue if they become ineligible for continued enrollment. Covered Persons may also be disenrolled if this Agreement terminates or if you

inform us that they are no longer eligible to participate in your retiree group health plan. If Florida Blue determines that a Covered Person is ineligible for continued enrollment or if you instruct us to disenroll an individual, you must:

1. Provide us with at least thirty (30) calendar days advanced notice of the ineligibility or disenrollment election of an individual; and

2. Provide the Covered Person(s) who will be disenrolled with at least twenty one (21) calendar days advanced notice of the termination and of other insurance options that are available to them. You will include language provided by Florida Blue in this notice to meet specific CMS Requirements for notice contents.

The Covered Person will have the opportunity to elect another plan offered by us or by you, join Original Medicare, or join another carrier's Medicare Plan (by submitting an enrollment request to that organization).

SECTION 4: TERM AND TERMINATION

A. Term of Agreement and Renewal Process

This Agreement shall become effective as of the Effective Date provided: (1) that we accept your Group Application; and (2) that you pay the required initial Premium specified by us.

This Agreement shall continue in effect until the first Anniversary Date following the Effective Date unless terminated earlier as permitted by its terms. After the initial term, this Agreement shall automatically renew each succeeding year on the Anniversary Date for an additional one-year period unless:

1. At least sixty (60) calendar days prior to such Anniversary Date, you notify us that you do not want the Agreement to automatically renew; or

2. It is terminated as permitted by its terms.

At least ninety (90) calendar days before each Anniversary Date, we will provide you with notice of changes in Premium and benefits under the Medicare Plan for the upcoming year (the "Renewal Notice").

If this Agreement renews as specified above, all of its terms and provisions (including the Premium due) shall be amended to include the terms of the Renewal Notice, and the amended Agreement shall govern coverage as of the Anniversary Date. Payment of the new charges shall constitute acceptance of the change in Premium rates. This Agreement is conditionally renewable. This means that it automatically renews each year on your Anniversary Date unless terminated earlier in accordance with its terms.

B. Termination by Group

The Group may cancel this Agreement on its Anniversary Date by giving written notice to us at least sixty (60) calendar days in advance, unless we have initiated a termination for any of the reasons stated below.

C. Termination by Florida Blue

We may terminate this Agreement or refuse to renew for the following reasons:

1. **Failure to Pay Premiums**. You do not pay Premiums in accordance with its terms or we have not received timely Premium payments prior to the end of the Grace Period. Termination of this Agreement for failure to pay premiums shall be effective as of the end of the Grace Period. In the event of such termination, you are obligated to pay the following:

    a. Any portion of the Premium due for coverage provided by us prior to termination; and

    b. Any amounts otherwise due us.

2. **Fraud or Intentional Misrepresentation of Material Fact.** You perform an act, or engage in any practice, that constitutes fraud or make an intentional misrepresentation of material fact.

3. **Group Contribution and Participation and CMS Rules.** You do not comply with: (1) a material provision which relates to rules for Group contributions or Covered Person participation; or (2) any provision in this Agreement which relates to LIS or other CMS Requirements.

4. **Service Area**. There is no longer any Covered Person who lives, resides, or works in the Service Area.

5. **Termination or Non-renewal of the CMS Contract**. We will provide you with at least ninety (90) calendar days' notice upon termination or non-renewal of our contract with CMS.

Except as specifically provided in this Subsection 4.C, if we decide to terminate or not renew the Agreement based on one or more of the circumstances mentioned above, we will give you at least forty-five (45) calendar days advance written notice.

D. Notification of Termination to Covered Retirees

It is your obligation to immediately notify each Covered Person of any such termination of this Agreement for any reason, consistent with the requirements of Section 3 of this Agreement.

E. Representations Made By, and Obligations of, the Group

In agreeing to provide coverage in accordance with the terms of this Agreement, we rely on the representations you made when you applied for coverage with us and your representation that you have authority to act on behalf of all Covered Persons with respect to this Agreement. Consequently, every act by, agreement with, or notice given to, you will be binding on all Covered Persons. You agree that you shall offer to all Eligible Retirees the opportunity to become a Covered Person under this Agreement. You agree that, if requested by us, you will distribute the Evidence of Coverage and other coverage materials to Covered Persons.

SECTION 5: PAYMENT PROVISIONS

A. Monthly Invoice

We will prepare a monthly invoice of the Premium due on or before the due date. This monthly invoice will also reflect any prorated charges and credits resulting from changes in the number of Covered Persons and changes in the types of coverage that took place in the previous or current month.

If you become aware that a Covered Person will become ineligible, you must provide us with written notice of such ineligibility as described in Section 3 of this Agreement. You shall be liable to us for the Premium due for each individual enrolled in a Medicare Plan under this Agreement until the effective date of disenrollment, which is set by CMS Requirements.

You must pay the total amount of the invoice. Do not add names to an invoice, change coverage or pay for a retiree or dependent whose name does not appear on the invoice. No changes can be made to a Group invoice unless a signed application form is on file and submitted to Florida Blue. Payment shall be for the total amount of the Group invoice.

B. Payment Due Date

The first Premium payment is due before the Effective Date of the Agreement. Each following payment is due monthly unless you agree with us in writing on some other method and/or frequency of payment. The Premium is due and payable on or before the first day of each succeeding calendar month to which such payments apply.

C. Grace Period

This Agreement has a sixty (60) calendar day Premium payment Grace Period, which begins on the date the Premium payment is due. If we do not receive the required Premium payment on or before the date it is due, it may be paid during this Grace Period. Coverage will stay in force during the Grace Period. If Premium payments are not received by the end of the Grace Period, we will terminate this Agreement and proceed with the disenrollment of Covered Persons as described in Section 3 of this Agreement.

D. Changes in Premium

Premium rates may be changed on your Anniversary Date as described in Section 4.A above regarding renewal.

E. Other Rules Regarding the Payment of Premiums

1. CMS rules govern the effective date of any disenrollment of a Covered Person under this Agreement, and we are not required to retroactively terminate this Agreement or coverage for any Covered Person.

2. If full payment of the Premium is not paid when due, this Agreement may be terminated as described in Section 4 of this Agreement.

F. Premium Subsidization

You may subsidize Premium amounts charged to Eligible Retirees. You are responsible for compliance with all applicable laws and regulations relating to your subsidy of Premiums, including ERISA and CMS Requirements, as applicable. You acknowledge and agree that Premium subsidization may vary for different classes of Eligible Retirees only if such classes are reasonable and based on objective business criteria. You represent and warrant that you will not vary Premium subsidization based on any Covered Person's eligibility for LIS. Further, you will not vary Premium subsidization for individuals within a given class of Eligible Retirees. In no case will you charge an Eligible Retiree more than the sum of the monthly Premium that we charge you for the Medicare Plan benefits.

G. Low Income Subsidy

You will comply with the following requirements in connection with LIS:

1. You are required to pass through any LIS payments received from CMS to reduce the Premium amount that the Covered Retiree pays. You will first apply any LIS amounts to a Covered Person's share of Premium. You may not benefit from any LIS amount until the Premium for a Covered Person (including amounts for the non-drug benefits in a combined Medicare Advantage Prescription Drug Plan) paid by a Covered Retiree is reduced to zero ($0.00).

2. You are responsible for reducing up-front Premium contributions that you collect from Covered Retirees for any Covered Persons eligible for LIS. In limited situations where you are unable to reduce the up-front Premium contribution (*e.g.* if LIS is awarded retroactively), you will directly refund the LIS amount to the Eligible Retiree within fifteen (15) calendar days of the date you receive the LIS amount from Florida Blue.

H. Late Enrollment Penalty (LEP)

The Premium for an individual Covered Person may be higher if the Covered Person is assessed an LEP for not enrolling in Part B in a timely manner. This higher Premium will be reflected on the bill you receive from us.

I. Premium Billing

You will be responsible for the payment of the "Total Monthly Premium per Covered Retiree" of all Group members. The Total Monthly Premium may be less for Covered Persons who qualify for LIS as defined by CMS. You will also be responsible for any LEP charges that Group members have been assessed by CMS. The first Premium charge is payable before the Effective Date of this Agreement. Monthly charges are payable on the first day of each following month during the time this Agreement is in effect.

J. Retroactive Premium Adjustment

The monthly charge will be determined from our records by the number of Covered Retirees who have been confirmed through the CMS enrollment transaction process. Retroactive adjustments will be made for additions and terminations of Covered Retirees and for Covered Retirees who have been confirmed through the CMS enrollment transaction process after the initial billing statement. Any refund that is owed to a Covered Retiree must come from the Group, unless the Covered Retiree is billed directly by us. Florida Blue will only adjust the amount due of a Group and will not refund Premium(s) paid to a Covered Retiree, unless we mutually agree that a Covered Retiree is to be directly billed by Florida Blue. You must refund to Covered Retirees any amounts received from us that are due to Covered Retirees in a timely manner.

SECTION 6: HOST BLUE PLANS

A. Out-of-Area Services – Medicare Advantage

We have relationships with other Blue Cross and/or Blue Shield Licensees ("Host Blues") referred to generally as the "Inter-Plan Medicare Advantage Program." This Program operates under rules and procedures issued by the Blue Cross Blue Shield Association ("Association"). When members access

healthcare services outside the geographic area we serve, the claim for those services will be processed through the Inter-Plan Medicare Advantage Program. The Inter-Plan Medicare Advantage Program available to members under this agreement is described generally below.

B. Member Liability Calculation

When you receive Covered Services outside of our service area from a Medicare Advantage PPO network provider, the cost of the service, on which member liability (copayment/coinsurance) is based, will be either:

- The Medicare allowable amount for covered services; or
- The amount either we negotiate with the provider or the Host Blue negotiates with its provider on behalf of our members, if applicable. The amount negotiated may be either higher than, lower than, or equal to the Medicare allowable amount.

C. Nonparticipating Healthcare Providers Outside Our Service Area

When Covered Services are provided outside of our service area by nonparticipating healthcare providers, the amount(s) a member pays for such services will be based on either the payment arrangements, described above, for Medicare Advantage PPO network providers, Medicare's limiting charge where applicable or the provider's billed charge. In these situations, the member may be responsible for the difference between the amount that the nonparticipating healthcare provider bills and the payment we will make for the covered services as set forth in this paragraph. Payments for out-of-network emergency services will be governed by applicable federal and state law.

SECTION 7: GENERAL PROVISIONS

A. Administration and Record Retention

You must provide us with any information we need to administer the coverage and/or benefits to be provided or needed to compute the Premium due. While this coverage is in force, we have the right, at any reasonable time, to examine your records on any issues necessary to verify information provided by you. You must retain all records relating to this Agreement, including but not limited to those relating to LIS administration, for the current calendar year plus an additional ten (10) years.

B. Assignment and Delegation

You may not assign, delegate or otherwise transfer this Agreement and the obligations hereunder without our written consent. Any assignment, delegation, or transfer made in violation of this provision shall be void. We may assign, delegate, or otherwise transfer this Agreement to our successor in interest or an affiliated entity without your consent at any time.

C. Authorization

Where this Agreement requires that an act involving the administration of coverage and/or benefits be authorized or approved by us, such authorization or approval shall be considered given when provided in writing by a duly authorized officer of Florida Blue or his or her designee.

D. Evidence of Coverage

We will provide an Evidence of Coverage and ID Card for each Covered Retiree. The Evidence of Coverage will describe the coverage and benefits to be provided to Covered Persons by us.

You agree that, if requested by us, you will distribute the Evidence of Coverage (and any Endorsements to it) and other coverage materials to Covered Persons.

E. Grievance and Appeals Process

We have established and will maintain a process for hearing and resolving Grievances and Appeals raised by Covered Persons in accordance with CMS requirements. Details regarding this process are provided in the Evidence of Coverage.

F. Changes to the Agreement

Florida Blue may make any changes to this Agreement that are necessary to meet CMS Requirements ("CMS Mandated Amendments") with sixty (60) calendar days advanced written notice to you. Such changes shall become effective as amendments to this Agreement upon expiration of this sixty (60) calendar day notice period.

Except in the case of (a) CMS Mandated Amendments or (b) Renewal Notices as described in Section 4.A., no person may change, modify, or revise the written terms or provisions of this Agreement unless such change is made by a written amendment signed by one of our duly authorized officers. For example, no Eligible Retiree or agent of Florida Blue or the Group can change or waive the written terms or provisions of this Agreement except as stated in the first sentence of this paragraph.

G. Furnishing and Maintaining Enrollment Records

You must provide any information required by us for the purpose of creating and maintaining enrollment records, processing terminations, and recording changes in family status. In addition, you and each Eligible Retiree must submit accurate and complete Enrollment Forms on a timely basis. You are responsible for collecting the Enrollment Forms, reviewing them for accuracy and completeness, and forwarding them to us, along with the applicable Premium payment. All enrollment record information which is relevant to the eligibility or coverage status of any individual must be made available to us for inspection and copying upon request.

H. Errors or Delays

Clerical errors or delays by us in maintaining enrollment records regarding Covered Persons will not invalidate coverage which would otherwise be validly in force or continue coverage which would otherwise be validly terminated, provided you have furnished us with timely and accurate enrollment information. Errors or delays by you in furnishing accurate enrollment information to us will not affect our right to strictly enforce any and all eligibility requirements.

I. Entire Agreement

This Agreement sets forth the exclusive and entire understanding and agreement between the parties and shall be binding upon the Covered Persons, the parties, and any of their subsidiaries, affiliates, successors,

heirs, and permitted assigns. All prior negotiations, agreements, and understandings are superseded hereby. No oral statements, representations, or understanding by any person can change, alter, delete, add or otherwise modify the express written terms of this Agreement, which includes the terms of coverage and/or benefits set forth in the Evidence of Coverage, the Schedule of Benefits, and any other attachments, amendments or riders.

J. Financial Responsibilities of the Group

We reserve the right to recover any benefit payments made to or on behalf of any individual whose coverage has been terminated. Our recovery efforts may relate to benefit payments made for health care services rendered subsequent to the Covered Person's termination date and prior to the date notice of coverage termination is required to be made by you. Your cooperation with and support such recovery efforts is required.

In the event that you do not comply with the notice requirements set forth in Subsection 5.A (Monthly Invoice), you shall be solely liable to us for Premium due until the effective date established by CMS for a Covered Person’s disenrollment.

K. Indemnification

You shall hold harmless and indemnify Florida Blue, against all claims, demands, liabilities, or expenses (including reasonable attorney fees and court costs), which are related to, arise out of, or are in connection with any of your acts or omissions, or acts or omissions of any of your employees, retirees or agents, in the performance of your obligations under this Agreement. We are not your agent, nor are you our agent, for any purpose. This paragraph shall only apply to the extent allowed under Florida Statutes § 768.28.

L. Representations on the Group Application and the Enrollment Forms

We rely on the information you and your Eligible Retirees provide to determine whether to issue coverage; the appropriate Premium and financing method; and eligibility for coverage. All such information must be accurate, truthful, and complete. Statements made on the Enrollment Forms are representations and not warranties.

We may cancel, terminate, or void this Agreement if the information which you provide is fraudulent, or if you make an intentional misrepresentation.

M. Reservation of Right to Contract

We reserve the right to contract with any individuals, corporations, associations, partnerships, or other entities for assistance with the servicing of coverage and benefits to be provided by us or obligations due, under this Agreement.

N. Service Mark

You, on behalf of the Group and its Covered Retirees, hereby expressly acknowledge your understanding that this Agreement constitutes a contract solely between you and Florida Blue. We are an independent corporation operating under a license with the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Blue Shield Plans, (the "Association") permitting us to use the Blue Cross and Blue Shield Service Mark in the state of Florida and that we are not contracting as the agent of the

Association. You further acknowledge and agree that you have not entered into this contract based upon representations by any person other than us and that no person, entity, or organization other than us shall be held accountable or liable to you for any of our obligations created under this Agreement. This paragraph shall not create any additional obligations whatsoever on our part other than those obligations created under other provisions of this Agreement.

O. Third Party Beneficiary

This Agreement was entered into solely and specifically for the benefit of Florida Blue and the Group. The terms and provisions of the Agreement shall be binding solely upon, and inure solely to the benefit of, Florida Blue and the Group, and no other person shall have any rights, interest or claims under this Agreement, including the Evidence of Coverage, or be entitled to sue for a breach thereof as a third-party beneficiary or otherwise. Florida Blue and the Group hereby specifically express their intent that health care providers that have not entered into contracts with Florida Blue to participate in Florida Blue's provider networks shall not be third-party beneficiaries under this Agreement, including the Evidence of Coverage.

P. Inspection and Audit

You shall permit CMS, The U.S. Department of Health and Human Services, the Comptroller General, or their designees, to inspect, evaluate, and audit any of your books, contracts, medical records, patient care documentation, documents, papers, and other records pertaining to coverage by providing records to Florida Blue, which will submit the records to CMS. This right to inspect, evaluate, and audit shall extend ten (10) years from the expiration or termination of the Agreement or completion of final audit, whichever is later, unless otherwise required by applicable law.

Q. Benefit Administrator Guide

We will provide you with a Benefit Administrator Guide, which provides details related to how your plan is administered and your responsibilities as a benefit administrator.

R. Member Communications and Campaigns

We may send CMS required or Florida Blue member communications without your consent. Samples of all required materials are available upon request for informational purposes.

We may also contact Covered Persons by telephone regarding any Florida Blue campaign and any campaign approved by the Florida Office of Insurance Regulation and/or CMS, as applicable. We will notify you of the campaign prior to making contact with members.

S. COBRA

You are solely responsible for determining when individuals are eligible for coverage under a Medicare Plan pursuant to the Consolidated Omnibus Budget Reconciliation Act ("COBRA"). You will notify us promptly of any COBRA elections. For more information on your COBRA responsibilities refer to the Benefit Administrator Guide.

* * * * * * *

In consideration of the payment of Premiums when due and subject to all of the terms of this Agreement, Blue Cross Blue Shield of Florida, Inc. hereby agrees to provide each enrollee of ***City of Ocala.*** The benefits of this Agreement as set forth in the Evidence of Coverage beginning on each enrollee's effective date.

V. Applicant Responsibilities

Health, Dental, Vision: The applicant hereby applies for issuance of a Group Policy (herein referred to as a policy) by Blue Cross and Blue Shield of Florida, Inc., DBA Florida Blue, Health Options, Inc., DBA Florida Blue HMO, BeHealthy Florida Inc., DBA Truli for Health, CHP and/or Florida Combined Life (FCL). Upon acceptance of the application by Florida Blue, Florida Blue HMO, Truli for Health, CHP and/or FCL, it will become part of the Policy issued to the applicant named above. This Policy may be terminated by the applicant or Florida Blue/Florida Blue HMO/CHP/Truli for Health/FCL by giving at least 45 days prior written notice to the other party except in the case of non-payment of Premium.

Rate Information: Premiums/Prepayment fees are payable monthly on or before the due date which will be the 1st. Regular Billing-Employee applications should be submitted thirty (30) days prior to proposed Effective Date. Employee cancellations must be submitted within 30 days of the Effective Date of the Termination. The Rates established for this Policy will not be changed for the first twelve (12) months following the original Effective Date of Coverage unless there is a change in benefits or a 15% or more change in the composition of the group. However, Florida Blue/Florida Blue HMO/CHP/Truli for Health/FCL may change the Rates that are to be effective after this initial twelve (12) month period of coverage by providing notice to the employer of such changed Rates at least forty-five (45) days prior to their Effective Date.

Health and Vision insurance is offered by Florida Blue. HMO coverage is offered by Florida Blue HMO, CHP and/or Truli for Health, which are affiliates of Florida Blue. Florida Combined Life Insurance Company, Inc., is the carrier for the Dental offerings in this application. These companies are Independent Licensees of the Blue Cross and Blue Shield Association.

CITY OF OCALA	596000039	15920

A) The Applicant Shall

1) Be solely responsible for notifying each enrollee, employee, retiree, or beneficiary of the benefits selected, the effective date, and the termination date of coverage (at no time and for no reason, will the applicant be deemed an agent of Florida Blue/Florida Blue HMO/CHP/Truli for Health/FCL, nor shall Florida Blue/Florida Blue HMO/CHP/Truli for Health/FCL be responsible for such notification to enrollees, employees, retirees or beneficiaries).
2) Notify Florida Blue/Florida Blue HMO/CHP/Truli for Health/FCL promptly of any changes in the eligibility of enrollees covered under this Agreement.
3) List any absentees at the time of initial enrollment on the appropriate Florida Blue/Florida Blue HMO/CHP/Truli for Health/FCL form. Applications from absentees will be accepted at Florida Blue/Florida Blue HMO/CHP/Truli for Health/FCL Corporate Headquarters no later than thirty (30) days from the group's original Effective Date.
4) Collect enrollee contribution, if required, and remit Premium payment/prepayment fees to Florida Blue/Florida Blue HMO/CHP/Truli for Health/FCL as specified in this application.
5) Be solely responsible for providing an SBC to each employee and their dependents, at the following times, and under the following circumstances: upon application for coverage; by the first day of coverage if there are changes to the SBC after application; to special enrollees; upon renewal; or upon request for an SBC or summary information about health coverage.

B) Applicant hereby establishes an Employee Welfare Benefit Plan for the purpose of providing for its employees or their beneficiaries medical, surgical, hospital care, or benefits in the event of sickness.

C) Applicant acknowledges that if applying for BlueOptions with an Exclusive Provider Provision (EPP), all eligible employees live, reside or work in the Service Area and the applicant acknowledges receipt of a description of the following: 1) exclusive providers; 2) the exclusive provider provisions, including coinsurance and deductible levels if providers other than exclusive providers are used; 3) coverage for emergency and urgently needed care and other out-of-service area coverage; 4) limitations on referrals to restricted exclusive providers and to other providers; and 5) Florida Blue's quality assurance program and grievance procedure. Applicant further acknowledges its understanding of the restrictions of the BlueOptions Exclusive Provider Organization.

D) If applicant chose an HSA, HRA, or FSA integrated arrangement with Florida Blue/Florida Blue HMO/Truli for Health's preferred administrator in Section IV under Health Coverage subsection, applicant agrees to obtain from each employee enrolling in a health plan issued or administered by Florida Blue/Florida Blue HMO/Truli for Health and establishing an HSA, HRA, or FSA in conjunction therewith, the employee's signed HIPAA compliant authorization form that authorizes Florida Blue/Florida Blue HMO/Truli for Health to disclose to Florida Blue/Florida Blue HMO/Truli for Health's preferred administrator such information, including protected health information, of the employee as administrator may require in order to establish and maintain the employee's HSA, HRA, or FSA accounts. Applicant acknowledges and agrees that Florida Blue/Florida Blue HMO/Truli for Health does not provide banking or administrative services for HSA, HRA, or FSAs and that Florida Blue/Florida Blue HMO/Truli for Health is not responsible for the provision of HSA, HRA, or FSA services. HSA, HRA, or FSA services are provided by the administrator of applicant's choice subject to the terms and conditions of such agreements, including any fees that the administrator may require.

E) Applicant understands that if applying for an HSA-qualified High Deductible Health Plan and electing to grant Prior Carrier Credit under Florida law to enrolling Employees, then that plan may no longer qualify as an HSA- compatible plan.

F) I understand that this information will be used to determine my group's compliance with Florida Blue/Florida Blue HMO/CHP/Truli for Health/FCL Underwriting Guidelines, as well as the relevant State and Federal laws relating to my group and plan. Florida Blue/Florida Blue HMO/CHP/Truli for Health/FCL reserves the right to request documentation to support evidence of business activity at any time, and from time to time as validation of compliance.

G) Applicant agrees to receive group invoices and other communications from Florida Blue/Florida Blue HMO/Truli for Health/FCL electronically through your EmployerPoint account. You agree to keep your email address up-to-date in order to access and receive required communications through your EmployerPoint account. Applicant understands that failing to update your email address may result in delay of notification of important information including premium invoices. Applicant may change this mailing preference at any time by calling Florida Blue/Florida Blue HMO/Truli for Health/FCL or logging into your EmployerPoint account.

Certification:

1) The applicant hereby certifies that the information contained in this application, including any attachment to it, is true and complete.

Fraud Notice: Any person who knowingly, and with intent to injure, defraud, or deceive any insurer, files a statement of claim or an application containing any false, incomplete, or misleading information is guilty of a felony of the third degree.

Health and Vision insurance is offered by Florida Blue. HMO coverage is offered by Florida Blue HMO, CHP and/or Truli for Health, which are affiliates of Florida Blue. Florida Combined Life Insurance Company, Inc., is the carrier for the Dental offerings in this application. These companies are Independent Licensees of the Blue Cross and Blue Shield Association.

Request for Group Insurance Amendment

EMPLOYER:	GROUP NUMBER:
City of Ocala	**755489**

As an authorized representative of the Employer,

1. I request that Standard Insurance Company ("The Standard") amend the above Employer's coverage under the Group Policy to make the following change(s):

Change vision plan to $150 allowance at current rates

2. I request that the amendment become effective on **10/01/26**. I understand that the amendment will not become effective unless approved and issued by The Standard.

3. I request that the amendment be approved by The Standard subject to The Standard's usual underwriting requirements, including, if applicable, Evidence Of Insurability or a Pre-existing Condition provision.

4. I understand that the amendment, if approved by The Standard, will be issued in the policy language customarily used by The Standard.

5. I understand that any increase in Insurance for a Member who is not Actively At Work all day on the Member's last regular work day before the scheduled effective date of the amendment will be deferred until the first day after the Member completes one full day of Active Work.

6. I request that the amendment, if approved and issued by The Standard, become effective by its terms without any further acceptance by the Employer, and that a copy of this Request for Group Insurance Amendment form be attached to and made a part of the amendment.

Eagles
Benefits by Design, Inc.

June 09, 2026

Ciara Torres, Benefits Administrator
City of Ocala
110 SE Vatula Avenue
Ocala, Florida 34471

Dear Ciara,

Welcome to another year of your benefits program! Thank you for choosing Eagles Benefits by Design as your partner. We currently provide these services for Medical Flexible Spending Account, and Dependent Care Account which saved you and your employees over **$189,820.70.**

Eagles offers all types of Consumer Directed Healthcare Accounts, including Health Savings Accounts (HSA), Individual Coverage Health Reimbursement Agreements (ICHRA), Lifestyle Accounts (LSA), Flexible Spending Accounts (FSA), Limited Flexible Spending Accounts, Dependent Daycare Accounts (DDA), and more.

Eagles also administers Dollar Based Dental, a self-funded dental plan loved by Employers, employees, and Dentists. Learn more at https://DollarBasedDental.com.

For current clients of either our Consumer Driven Healthcare Accounts or Dollar Based Dental, we also offer full COBRA and Retiree Billing administration.

Please let us know if you want to discuss adding any of our other services, as you may qualify for a discount.

This letter and the supporting documents provide you with important information and deadlines to enroll your employees on time so they can utilize their 2026-2027 benefits. Flexible benefit plans have become one of the most valued employee benefits because these “cafeteria-style” benefit plans allow employees to budget for planned expenses *and* save taxes!

As you know, the more employees who enroll in the FSA Plan and the more funds they contribute, the greater the tax savings both you, the employer, and your employees will see. As mentioned above, you and your employees **saved over $$189,820.70 in taxes**. As the employer, you save 7.65% on payroll taxes, and your employees save on payroll taxes and income taxes.

Eagles
Benefits by Design, Inc.

Our benefits are the only ones that pay you to offer them!

Employer Savings	**$38,569.15**
Employee Savings	**$151,251.55**
TOTAL SAVINGS*	**$189,820.70**

*Total savings does not include pre-tax dollars employees pay for health insurance premiums, which reduces the amount of income used for tax calculations, resulting in even more significant tax savings to the employer.

Plan Document Update

This year, we are updating our clients' plan documents at no additional charge. We will prepare a custom checklist highlighting your plan's primary features, which you can review and make necessary changes. We will then send you signature-ready documents for adoption.

We are thankful for your business and are not increasing your per-participant fee this year!

As our prices continue to climb, we work hard to constrain costs and keep our fees as low as possible. We continue to leverage technology to provide you with savings. These include sending enrollment materials as soft (pdf), doing web-based enrollment and educational meetings, and moving our clients to ACH claims payments.

There are no changes in your rates for your new plan year. Please sign and return this letter to extend your services for another year. Please contact us to secure these low rates with a multiple-year guarantee.

X Yes, we want to renew all services.

City of Ocala
2026-2027

Each year, the IRS increases the maximums.

X Yes, we want to have the annual maximums.

X Yes, we want to update our plan document and summary plan description

Department: Information Technology

FORMAL TITLE:
One-year renewal of contract with Tyler Technologies for ongoing service and maintenance costs for the City's financial and human resource enterprise software, Munis, with an estimated expenditure amount of $267,546

OCALA'S RELEVANT STRATEGIC GOALS:
Operational Excellence

PROOF OF PUBLICATION:
N/A

BACKGROUND:
In August 2025, City Council approved Contract No. ITS/250857 for the maintenance and renewal of the Tyler Munis financial and human resources enterprise software, additional training, modifications, and professional services to support the software. The Tyler Munis financial solution is a completely integrated enterprise resource planning (ERP) system that manages all core functions, including financials, human resources, citizen services, and revenues.

Benefits of using Tyler Technologies Munis:

- Centralized employee database for efficient HR administration
- Automated payroll processing and benefits management
- Comprehensive general ledger for clear financial visibility
- Streamlined accounts payable, purchasing, and grant management processes
- Budgeting and planning tools for effective financial control and monitoring

In May 2022, utilization of the Munis software was expanded to include warehouse management and barcoding to address the need for automation and modernization of its fixed-asset inventory and reconciliation processes.

The City is required to pay $267,545.54 annually for software maintenance, support, and upgrades.

FINDINGS AND CONCLUSIONS:
The Munis ERP software was implemented in 2018 and provides streamlined financial and human resources

processes and reporting. The City has received excellent support from Tyler Technologies, and staff requests renewal of the system's continued use by all City departments.

FISCAL IMPACT:
Funds for the annual renewal of $267,545.54 are budgeted/encumbered in account 001-035-530-516-51-52050 as listed below and will be paid under Munis Contract No. 260696.

- Fiscal Year 2025-26 $3,665.00
- Fiscal Year 2026-27 $263,880.54

The previous one-year contract was approved on August 19, 2025, with a total expenditure of $256,843.54.

PROCUREMENT REVIEW:
These services were procured in compliance with the City's procurement policy.

LEGAL REVIEW:
The Original Agreement was reviewed and approved for form and legality by City Attorney, William E. Sexton.

ALTERNATIVE:

- Approve with Changes
- Table
- Deny

AGREEMENT FOR TYLER MUNIS FINANCIAL SOFTWARE PACKAGE

THIS AGREEMENT is entered into this 26th day of September 2017, by and between the **CITY OF OCALA**, a Florida municipal corporation ("City" or "Client") and **TYLER TECHNOLOGIES, INC.,** a Florida registered, foreign Delaware corporation (EIN: 75-2303920), located at One Tyler Drive, Yarmouth, ME 04096 ("Vendor" or "Tyler").

WHEREAS:

The City currently utilizes Tyler Technologies' Eden product as its financial software system. The software is no longer meeting the complex financial, reporting, and business needs of the City. Tyler notified the City that in the future the Eden product will be sunset, and no longer supported.

As consideration, Tyler Technologies offered the City their newest financial software platform, Munis, for the reduced costs set forth in this Agreement.

NOW THEREFORE, in consideration of the matters set forth above (which are incorporated herein by reference), the parties hereto agree as follows:

1. **SERVICES.** Vendor will provide all software, professional services, and project management to transition to the Tyler Munis financial services platform for the City as described, and pursuant to the scope of service set forth on the attached **Exhibit E – Statement of Work**, and within this Agreement, the additional terms and conditions of the License and Services Addendum, which is attached hereto, and accompanying exhibits (hereinafter collectively referred to as "the Agreement").

2. **COMPENSATION.** City shall pay Vendor for the provision of the software, data conversion and implementation, and in accordance with the contract documents, the not-to-exceed price of **$462,880 (FOUR HUNDRED AND SIXTY TWO THOUSAND EIGHT HUNDRED EIGHTY DOLLARS)**. In addition, an allowance of $25,500 for professional services as requested by the City, and an allowance for travel expenses of $107,000 will be paid as a limiting amount when pre-approved in writing by the City at the parties' initial Kickoff meeting. Unit pricing is set forth in **Exhibit A – Investment Summary and will be invoiced in accordance with Exhibit B – Invoicing and Payment Policy.**

3. **RIGHTS TO MIGRATION MODULES.** When Vendor makes the Tyler Munis Software listed in the Investment Summary (the "Evergreen Modules") and licensed pursuant to this Agreement available to the City for use in live production, the license to the Tyler Eden software listed in Exhibit A, Schedule 1 (hereafter, "Migration Modules") terminates, as do Vendor's maintenance, support, and/or update obligations for such software. The foregoing notwithstanding, upon payment of the annual Eden Legacy Software Maintenance fee, the City shall have view access rights to the Migration Modules for purposes of accessing the City's historical Eden data. The current Eden Legacy Software Maintenance fee is set forth in the Investment Summary (Exhibit A) and is payable according to the Invoicing and Payment Policy (Exhibit B). The City must maintain the Migration Modules in their current environment. For as long as the City pays the annual Eden Legacy Software Maintenance fee, the Vendor will provide the City with limited maintenance and support services to address questions the City may have regarding access to the Eden read-only database; such maintenance and support services do not include repairs or modifications to the read-only Eden database, software upgrades or updates, or bug fixes.

4. **TERM & TERMINATION.** This Agreement shall be effective upon execution by the Client. Tyler will provide implementation services on the estimated schedule set forth in the Statement of Work. The final project schedule shall be mutually developed by the parties as part of the project plan for this implementation. As set forth in the License and Services Addendum, the license rights granted herein are perpetual, subject to the restrictions set forth in the License and Services Addendum. Maintenance and Support Services are provided on an annual basis; payment of yearly software maintenance by the City shall automatically renew the Maintenance and Support Agreement for that period. Either party may terminate this Agreement pursuant to the termination provisions of this Agreement. Termination of this Agreement shall have no effect upon the rights of the parties that accrued prior to termination.

5. **PERFORMANCE EVALUATION.** At the end of the contract, the City may evaluate the Vendor's performance. This evaluation will become public record.

6. **CONTRACT FULFILLMENT.** Vendors who enter into an Agreement with the City of Ocala and fail to complete the contract term, for any reason, will be subject to future bidding

suspension for one (1) year, and up to a possible three (3) year bid debarment for serious contract failures.

7. **METHOD OF COMPENSATION.** In consideration for providing the City with the services described in this contract, the City will compensate the Vendor as noted in **Section 2** and detailed in **Exhibit B** as follows:

   A. Vendor shall invoice the City monthly for ALL work for the preceding calendar month, regardless of the amount of days worked. Invoices for this Agreement will be prepared by Vendor, and submitted through the responsible City Project Manager at: **City of Ocala IT Department, Winsome Jacobs, 110 SE Watula Ave, Ocala, FL 34471, wjacobs@ocalafl.org**. Finished work and invoices must be reviewed and agreed upon by City of Ocala Project Manager; this review and agreement shall not be unreasonably withheld, conditioned, or delayed. The City contract number must be listed on the submitted invoice along with an assigned invoice number and invoice date. Please indicate any payment discount terms on the invoice. One original of the invoice should be included with the submission.

   B. The City reserves the right to withhold payment for work not completed, or services completed unsatisfactorily, or work or products deemed inadequate or untimely by the City. Any payment withheld will be released and paid to Vendor promptly when work or products are subsequently performed/delivered to the City's satisfaction in accordance with the Invoice Dispute procedure set forth in Section F (2) of the License and Services Addendum.

8. **ADDITIONAL INSURED**. The "City of Ocala" shall be added to all third-party coverage required by and provided for this contract as an "ADDITIONAL INSURED" to General Liability and Business Automobile Liability.

9. **MISCELLANEOUS INSURANCE PROVISIONS.**

   A. Insurance Requirements. These insurance requirements shall not relieve or limit the liability of Vendor. The City does not in any way represent that these types or amounts of insurance are sufficient or adequate to protect Vendor's interests or liabilities, but are merely minimums. No insurance is provided by the City under this contract to cover Vendor. No work shall be commenced under this contract until the required

Certificate(s) have been provided. Work shall not continue after expiration (or cancellation) of the Certificate and shall not resume until new Certificate(s) have been provided. Insurance written on a "Claims Made" form is not acceptable without City of Ocala Risk Management consultation.

B. Deductibles. Vendor's deductibles/self-insured retentions shall be disclosed to the City. Vendor is responsible for the amount of any deductible or self-insured retention.

C. Certificates. Vendor shall provide a Certificate of insurance, issued by an agency authorized to do business in the State of Florida and with an A.M. Best rating of at least an A-, showing the "City of Ocala" as an Additional Insured for General Liability, and Business Automobile Liability insurance. The City of Ocala, Procurement Department, 110 SE Watula Ave, Ocala, FL 34471 should be shown as the Certificate Holder.

D. Cancellation Notice. Vendor will provide the City with notice of cancellation within thirty (30) days thereof.

E. Failure to Maintain Coverage. In the event Vendor fails to disclose each applicable deductible/self-insured retention or obtain or maintain in full force and effect any insurance coverage required to be obtained by Vendor under this Agreement, Vendor shall be considered to be in default of this Agreement.

10. **LIABILITY INSURANCE.** Coverage must be afforded under a Commercial General Liability policy with limits not less than:

    1) Coverage A - shall include premises, operations, products and completed operations, independent contractors, contractual liability covering this contract and broad form property damage coverage $1,000,000 each occurrence and $2,000,000 aggregate for Bodily Injury, Property Damage, and Personal and Advertising Injury.

    2) $1,000,000 each occurrence and $2,000,000 aggregate for Products and Completed Operations.

    3) Policy must include coverage for Contractual Liability.

    The City, a political subdivision of the State of Florida, its officials, employees, and volunteers will be covered as an additional insured with a CG 20 26 04 13 Additional Insured- Designated Person or Organization Endorsement or similar endorsement providing equal or broader Additional Insured Coverage with respect to liability arising

out of activities performed by, or on behalf of Tyler. The coverage shall contain no special limitation on the scope of protection afforded to the City, its officials, employees, or volunteers.

11. **AUTO LIABILITY.** Coverage must be afforded for all Owned, Hired, Scheduled, and Non-Owned vehicles for Bodily Injury and Property Damage in an amount not less than $1,000,000 combined single limit each accident The City must be an additional insured on the policy.

12. **WORKERS' COMPENSATION.** Limits: Workers' Compensation- Statutory; Employers' Liability- Statutory. Vendor shall be responsible for ensuring any subcontractor has statutory coverage. City need not be named as an Additional Insured. Vendor will agree to waive subrogation but only on claims under the Commercial General Liability and Automobile policies that arise out of or relate to this Agreement and are between Vendor and the City, except to the extent the damage or injury is caused by the City.

13. **CYBER LIABILITY COVERAGE.** Coverage must be afforded in an amount not less than $1,000,000 per loss for negligent retention of data as well as notification and related costs for actual or alleged breaches of data.

14. **E-VERIFY.** In accordance with Executive Order 11-116, Vendor shall utilize the U.S. Agency of Homeland Security's E-Verify system, https://e-verify.uscis.gov/emp, to verify the employment eligibility of all employees hired during the term of this Agreement. Vendor shall also require all subcontractors performing work under this Agreement to utilize the E-Verify system for any employees they may hire during the term of this Agreement.

15. **INDEPENDENT CONTRACTOR STATUS.** City expressly acknowledges the Vendor is an independent contractor. Nothing in this Agreement is intended, nor shall be construed, to create an agency relationship, a partner or partnership, an employer/employee relationship, a joint venture relationship, or any other relationship allowing the City to exercise control or discretion over the manner or method by which Vendor performs hereunder.

16. **ACCESS TO FACILITIES.** City will provide Vendor with access to the Facilities to permit Vendor to meet its obligations hereunder.

17. **ASSIGNMENT.** Neither party may assign this Agreement or the rights and obligations thereunder to any third party without the prior express written approval of the other party, which shall not be unreasonably withheld. The foregoing notwithstanding, the City's consent shall not be required for an assignment by the Vendor as a result of a corporate reorganization, merger, acquisition, or purchase of substantially all of the Vendor's assets.

18. **NON-EXCLUSIVITY.** Nothing herein is intended nor shall be construed as creating any exclusive arrangement with Vendor. This Contract shall not restrict City from acquiring similar, equal or like goods and/or services, or executing additional contracts from other entities or sources.

19. **PUBLIC RECORDS.** The Vendor shall comply with all applicable provisions of the Florida Public Records Act, Chapter 119, Florida Statutes. Specifically, the Vendor shall:

    A. Keep and maintain public records required by the public agency to perform the service.

    B. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.

    C. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the vendor does not transfer the records to the public agency.

    D. To the extent required by applicable law, upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the vendor or keep and maintain public records required by the public agency to perform the service. If the vendor transfers all public records to the public agency upon completion of the contract, the vendor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the vendor keeps and maintains public records upon completion of the contract, the vendor shall meet all applicable statutory requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

IF THE VENDOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE VENDOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: CITY OF OCALA, OFFICE OF THE CITY CLERK; 352-629-8266; E-mail: clerk@ocalafl.org; City Hall, 110 SE Watula Avenue, Ocala, FL 34471.

20. **TAX EXEMPTION**. City is exempt from all federal excise and state sales taxes (State of Florida Consumer's Certification of Exemption 85-8012621655C-9). The City's Employer Identification Number is 59-60000392. Vendor doing business with City will not be exempted from paying sales tax to its suppliers for materials to fulfill contractual obligations with the City, nor will Vendor be authorized to use City's Tax Exemption Number for securing materials listed herein.

21. **EXCESS FUNDS**. Any party receiving funds paid by City under this Agreement shall promptly notify City of any funds erroneously received upon the discovery of such erroneous funds receipt. Any such excess funds shall be refunded to City within thirty (30) days, or must include interest calculated from the date of the erroneous payment or overpayment at the interest rate for judgments at the highest rate as allowed by law.

22. **AUDIT.** Vendor shall comply and cooperate immediately with any inspections, reviews, investigations, or audits relating to this Agreement as deemed necessary by the Florida Office of the Inspector General, the City's Internal or External auditors or by any other Florida official with proper authority.

23. **PUBLICITY.** Vendor shall not use City's name, logo, seal or other likeness in any press release, marketing materials, or other public announcement without City's prior written approval.

24. **CONFLICT OF INTEREST.** Vendor must have disclosed with the submission of their bid, the name of any officer, director, or agent who may be employed by the City. Vendor must disclose the name of any City employee who owns, directly or indirectly, any interest in Vendor or any affiliated business entity. Any additional conflicts of interest that may

occur during the contract term must be disclosed to the City of Ocala Procurement Department.

25. **NON-DISCRIMINATORY EMPLOYMENT PRACTICES.** During the performance of the contract, the Vendor agrees to not discriminate against any employee or applicant for employment because of race, color, religion, ancestry, national origin, sex, pregnancy, age, disability, marital status, familial status, sexual orientation or veteran status and will take affirmative action to ensure that an employee or applicant is afforded equal employment opportunities without discrimination. Such action shall be taken with reference to, but not limited to: recruitment, employment, termination, rates of pay or other forms of compensation and selection for training or retraining, including apprenticeship and on-the-job training.

26. **PUBLIC ENTITY CRIMES.** Vendor on its behalf and its affiliates agrees and affirms that it has not been placed on the convicted vendor list following a conviction of a public entity crime as provided for in Section 287.133(2)(a), Florida Statutes, which states that a person or affiliate who has been placed on the convicted vendor list following a conviction for public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases or real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO, for a period of 36 months from the date of being placed on the convicted vendor list.

27. **DEFAULT.** This Agreement is critical to the City and the City reserves the right to cancel either in whole or in part any portion of this Agreement due to failure of the Vendor to carry out any obligation, term, or condition of the Agreement in accordance with Section G of the License and Services Addendum. Default shall be any act or failure to act on the part of the Vendor including, but not limited to, any of the following:

    A. Vendor fails to adequately perform the services set forth in the specifications of the Agreement;

    B. The Vendor provides material that does not meet the specifications of the Agreement;

C. Vendor fails to complete the work required within the time stipulated in the Agreement; and

D. Vendor fails to make progress in the performance of the Agreement and/or gives the City reason to believe that the Vendor will not or cannot perform to the requirements of the Agreement.

28. **WAIVER.** The failure or delay of any party at any time to require performance by another party of any provision of this Agreement, even if known, shall not affect the right of such party to require performance of that provision or to exercise any right, power or remedy hereunder. Any waiver by any party of any breach of any provision of this Agreement should not be construed as a waiver of any continuing or succeeding breach of such provision, a waiver of the provision itself, or a waiver of any right, power or remedy under this Agreement. No notice to or demand on any party in any circumstance shall, of itself, entitle such party to any other or further notice or demand in similar or other circumstances.

29. **FORCE MAJEURE.** Neither party shall be responsible for damages or delays caused by Force Majeure or other events beyond the reasonable control of the party and which could not reasonably have been anticipated or prevented. For purposes of this Agreement, Force Majeure includes, but is not limited to, adverse weather conditions, floods, epidemics, war, riot, lockouts, and other industrial disturbances; unknown site conditions, accidents, sabotage, fire loss, court orders; acts of Nature; acts, orders, laws, or regulations of the Government of the United States or the several states, or any foreign country, or any governmental agency. If Force Majeure occurs, the parties shall mutually agree on the terms and conditions upon which services may continue.

30. **SEVERABILITY OF ILLEGAL PROVISIONS.** Wherever possible, each provision of this Agreement shall be interpreted in such a manner as to be effective and valid under the applicable law. Should any portion of this Agreement be declared invalid for any reason, such declaration shall have no effect upon the remaining portions of this Agreement.

31. **INDEMNITY.** Vendor shall indemnify City and its elected officials, employees and volunteers against, and hold City and its elected officials, employees and volunteers harmless from, any and all third-party claims, losses, liabilities, damages, costs, and

expenses (including reasonable attorney's fees and costs) for (a) personal injury or property damage to the extent caused by Vendor's negligence or willful misconduct; or (b) Vendor's violation of a law applicable to its performance under this Agreement. The City must notify Vendor promptly in writing of the claim and give Vendor sole control over its defense or settlement. The City agrees to provide Vendor with reasonable assistance, cooperation, and information in defending the claim at Vendor's expense.

32. **NO WAIVER OF SOVEREIGN IMMUNITY.** Nothing herein is intended to waive sovereign immunity by the City to which sovereign immunity may be applicable, or of any rights or limits of liability existing under Florida Statute § 768.28. This term shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until any proceeding brought under this Agreement is barred by any applicable statute of limitations.

33. **NOTICES.** All notices, certifications or communications required by this Agreement shall be given in writing and shall be deemed delivered when personally served, or when received if by facsimile transmission with a confirming copy mailed by registered or certified mail, postage prepaid, return receipt requested. Notices can be concurrently delivered by email. All notices shall be addressed to the respective parties as follows:

34. **ATTORNEYS' FEES.** If any civil action, arbitration or other legal proceeding is brought for the enforcement of this Agreement, or because of an alleged dispute, breach, default or misrepresentation in connection with any provision of this Agreement, the successful or prevailing party shall be entitled, to the extent permitted by applicable law, to recover reasonable attorneys' fees, sales and use taxes, court costs and all expenses reasonably incurred even if not taxable as court costs (including, without limitation, all such fees, taxes, costs and expenses incident to arbitration, appellate, bankruptcy and post-judgment proceedings), incurred in that civil action, arbitration or legal proceeding, in addition to any other relief to which such party or parties may be entitled. Attorneys' fees shall include, without limitation, paralegal fees, investigative fees, administrative costs, sales and use taxes and all other charges reasonably billed by the attorney to the prevailing party.

35. **JURY WAIVER.** IN ANY CIVIL ACTION, COUNTERCLAIM, OR PROCEEDING, WHETHER AT LAW OR IN EQUITY, WHICH ARISES OUT OF, CONCERNS, OR RELATES TO THIS AGREEMENT, ANY AND ALL TRANSACTIONS CONTEMPLATED HEREUNDER, THE PERFORMANCE HEREOF, OR THE RELATIONSHIP CREATED HEREBY, WHETHER SOUNDING IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE, TRIAL SHALL BE TO A COURT OF

COMPETENT JURISDICTION AND NOT TO A JURY. EACH PARTY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY. NEITHER PARTY HAS MADE OR RELIED UPON ANY ORAL REPRESENTATIONS TO OR BY ANY OTHER PARTY REGARDING THE ENFORCEABILITY OF THIS PROVISION. EACH PARTY HAS READ AND UNDERSTANDS THE EFFECT OF THIS JURY WAIVER PROVISION.

36. **GOVERNING LAW.** This Agreement is and shall be deemed to be a contract entered and made pursuant to the laws of the State of Florida and shall in all respects be governed, construed, applied and enforced in accordance with the laws of the State of Florida.

37. **JURISDICTION AND VENUE.** The parties acknowledge that a majority of the negotiations, anticipated performance and execution of this Agreement occurred or shall occur in Marion County, Florida. Any civil action or legal proceeding arising out of or relating to this Agreement shall be brought only in the courts of record of the State of Florida in Marion County or the United States District Court, Middle District of Florida, Ocala Division. Each party consents to the exclusive jurisdiction of such court in any such civil action or legal proceeding and waives any objection to the laying of venue of any such civil action or legal proceeding in such court and/or the right to bring an action or proceeding in any other court. Service of any court paper may be effected on such party by mail, as provided in this Agreement, or in such other manner as may be provided under applicable laws, rules of procedures or local rules.

38. **REFERENCE TO PARTIES.** Each reference herein to the parties shall be deemed to include their successors, assigns, heirs, administrators, and legal representatives, all whom shall be bound by the provisions hereof.

39. **MUTUALITY OF NEGOTIATION.** Vendor and City acknowledge that this Agreement is a result of negotiations between Vendor and City, and the Agreement shall not be construed in favor of, or against, either party because of that party having been more involved in the drafting of the Agreement.

40. **SECTION HEADINGS.** The section headings herein are included for convenience only and shall not be deemed to be a part of this Agreement.

41. **RIGHTS OF THIRD PARTIES.** Nothing in this Agreement, whether express or implied, is intended to confer any rights or remedies under or because of this Agreement on any persons other than the parties hereto and their respective legal representatives, successors and permitted assigns. Nothing in this Agreement is intended to relieve or discharge the obligation or liability of any third persons to any party to this Agreement, nor shall any provision give any third persons any right of subrogation or action over or against any party to this Agreement.

42. **AMENDMENT.** No amendment to this Agreement shall be effective except those agreed to in writing and signed by both parties to this Agreement.

43. **COUNTERPARTS.** This Agreement may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument.

44. **ELECTRONIC SIGNATURE(S).** Vendor, if and by offering an electronic signature in any form whatsoever, will accept and agree to be bound by said electronic signature to all terms and conditions of this Agreement. Further, a duplicate or copy of the Agreement that contains a duplicated or non-original signature will be treated the same as an original, signed copy of this original Agreement for all purposes.

45. **ENTIRE AGREEMENT.** This Agreement, including exhibits, (if any) constitutes the entire Agreement between the parties hereto with respect to the subject matter hereof. There are no other representations, warranties, promises, agreements or understandings, oral, written or implied, among the Parties, except to the extent reference is made thereto in this Agreement. No course of prior dealings between the parties and no usage of trade shall be relevant or admissible to supplement, explain, or vary any of the terms of this Agreement. No representations, understandings, or agreements have been made or relied upon in the making of this Agreement other than those specifically set forth herein.

46. **CONTRACT DOCUMENTS.** In addition to this Agreement for Tyler Munis Financial Software Package and the License and Services Addendum, the contract documents that comprise the entire Agreement between the City and Vendor are made a part hereof, and are listed as exhibits below. There are no contract documents other than those listed below.

Exhibit A:	Investment Summary
Exhibit A:	Schedule 1: Migration Modules
Exhibit B:	Invoicing and Payment Policy
Exhibit B,	Schedule 1: Business Travel Policy
Exhibit C:	Maintenance and Support Agreement
Exhibit C:	Schedule 1: Support Call Process
Exhibit D:	Third Party Terms
Exhibit E:	Statement of Work
Exhibit F:	Agreement for Tyler Systems Management

47. **LEGAL AUTHORITY**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

IN WITNESS WHEREOF, the parties have executed this Agreement on the date set forth above.

LICENSE AND SERVICES ADDENDUM

This License and Services Addendum is intended to supplement the terms and conditions set forth in the Agreement for Tyler Munis Financial Software Package between Tyler Technologies, Inc. ("Tyler") and the City of Ocala, Florida ("Client").

In consideration of the foregoing and of the mutual covenants and promises set forth in this Addendum, Tyler and Client agree as follows:

SECTION A – DEFINITIONS

- **"Agreement"** means the Agreement for Tyler Munis Financial Software Package and this License and Services Addendum, including the exhibits hereto.
- **"Business Travel Policy"** means our business travel policy. A copy of our current Business Travel Policy is attached as Schedule 1 to Exhibit B.
- **"Client"** means CITY OF OCALA.
- **"Defect"** means a failure of the Tyler Software to substantially conform to the functional descriptions set forth in our written proposal to you, or their functional equivalent. Future functionality may be updated, modified, or otherwise enhanced through our maintenance and support services, and the governing functional descriptions for such future functionality will be set forth in our then-current Documentation.
- **"Developer"** means a third party who owns the intellectual property rights to Third Party Software.
- **"Documentation"** means any online or written documentation related to the use or functionality of the Tyler Software that we provide or otherwise make available to you, including instructions, user guides, manuals and other training or self-help documentation.
- **"Effective Date"** means the date on which your authorized representative signs the Agreement.
- **"Force Majeure"** means an event beyond the reasonable control of you or us, including, without limitation, governmental action, war, riot or civil commotion, fire, natural disaster, or any other cause that could not with reasonable diligence be foreseen or prevented by you or us.
- **"Investment Summary"** means the agreed upon cost proposal for the software, products, and services attached as Exhibit A.
- **"Invoicing and Payment Policy"** means the invoicing and payment policy. A copy of our current Invoicing and Payment Policy is attached as Exhibit B.
- **"Maintenance and Support Agreement"** means the terms and conditions governing the provision of maintenance and support services to all of our customers. A copy of our current Maintenance and Support Agreement is attached as Exhibit C.
- **"Statement of Work"** means the industry standard implementation plan describing how our professional services will be provided to implement the Tyler Software, and outlining your and our roles and responsibilities in connection with that implementation. The Statement of Work is attached as Exhibit B.
- **"Support Call Process"** means the support call process applicable to all of our customers who have licensed the Tyler Software. A copy of our current Support Call Process is attached as

Schedule 1 to Exhibit C.

- **"Third Party Terms"** means, if any, the end user license agreement(s) or similar terms for the Third Party Software, as applicable and attached as Exhibit D.
- **"Third Party Hardware"** means the third party hardware, if any, identified in the Investment Summary.
- **"Third Party Products"** means the Third Party Software and Third Party Hardware.
- **"Third Party Software"** means the third party software, if any, identified in the Investment Summary.
- **"Tyler"** means Tyler Technologies, Inc., a Delaware corporation.
- **"Tyler Software"** means our proprietary software, including any integrations, custom modifications, and/or other related interfaces identified in the Investment Summary and licensed by us to you through this Agreement.
- **"we", "us", "our"** and similar terms mean Tyler.
- **"you"** and similar terms mean Client.

SECTION B – SOFTWARE LICENSE

1. License Grant and Restrictions.

   1.1 We grant to you a license to use the Tyler Software for your internal business purposes only, in the scope of the internal business purposes disclosed to us as of the Effective Date. You may make copies of the Tyler Software for backup and testing purposes, so long as such copies are not used in production and the testing is for internal use only. Your rights to use the Tyler Software are perpetual but may be revoked if you do not comply with the terms of this Agreement.

   1.2 The Documentation is licensed to you and may be used and copied by your employees for internal, non-commercial reference purposes only.

   1.3 You may not: (a) transfer or assign the Tyler Software to a third party; (b) reverse engineer, decompile, or disassemble the Tyler Software; (c) rent, lease, lend, or provide commercial hosting services with the Tyler Software; or (d) publish or otherwise disclose the Tyler Software or Documentation to third parties.

   1.4 The license terms in this Agreement apply to updates and enhancements we may provide to you or make available to you through your Maintenance and Support Agreement.

   1.5 The right to transfer the Tyler Software to a replacement hardware system is included in your license. You will give us advance written notice of any such transfer and will pay us for any required or requested technical assistance from us associated with such transfer.

   1.6 We reserve all rights not expressly granted to you in this Agreement. The Tyler Software and Documentation are protected by copyright and other intellectual property laws and treaties. We own the title, copyright, and other intellectual property rights in the Tyler Software and the Documentation. **The Tyler Software is licensed, not sold.**

2. License Fees. You agree to pay us the license fees in the amounts set forth in the Investment Summary. Those amounts are payable in accordance with our Invoicing and Payment Policy.

3. Escrow. We maintain an escrow agreement with a third party under which we place the source code for each major release of the Tyler Software. You may be added as a beneficiary to the escrow agreement by completing a standard beneficiary enrollment form and paying the annual beneficiary fee set forth in the Investment Summary. You will be responsible for maintaining your ongoing status as a beneficiary, including payment of the then-current annual beneficiary fees. Release of source code for the Tyler Software is strictly governed by the terms of the escrow agreement.

4. Limited Warranty. We warrant that the Tyler Software will be without Defect(s) as long as you have a Maintenance and Support Agreement in effect. If the Tyler Software does not perform as warranted, we will use all reasonable efforts, consistent with industry standards, to cure the Defect as set forth in the Maintenance and Support Agreement.

SECTION C – PROFESSIONAL SERVICES

1. Services. We will provide you the various implementation-related services itemized in the Investment Summary and described in the Statement of Work/our industry standard implementation plan. We will finalize that documentation with you upon execution of this Agreement.

2. Professional Services Fees. You agree to pay us the professional services fees in the amounts set forth in the Investment Summary. Those amounts are payable in accordance with our Invoicing and Payment Policy. You acknowledge that the fees stated in the Investment Summary are good-faith estimates of the amount of time and materials required for your implementation. We will bill you the actual fees incurred based on the in-scope services provided to you. Any discrepancies in the total values set forth in the Investment Summary will be resolved by multiplying the applicable hourly rate by the quoted hours. In no event, shall Client be billed for more than the estimates set forth in the Investment Summary unless the charges are pre-approved in writing by Client.

3. Additional Services. The Investment Summary contains, and the Statement of Work describes, the scope of services and related costs (including programming and/or interface estimates) required for the project based on our understanding of the specifications you supplied. If additional work is required, or if you use or request additional services, we will provide you with an addendum or change order, as applicable, outlining the costs for the additional work. The price quotes in the addendum or change order will be valid for thirty (30) days from the date of the quote.

4. Cancellation. We make all reasonable efforts to schedule our personnel for travel, including arranging travel reservations, at least two (2) weeks in advance of commitments. Therefore, if you cancel services less than two (2) weeks in advance (other than for Force Majeure or breach by us), you will be liable for all (a) non-refundable expenses incurred by us on your behalf, and (b) daily fees associated with cancelled professional services if we are unable to reassign our personnel. We will make all reasonable efforts to reassign personnel in the event you cancel within two (2) weeks of scheduled commitments.

5. Services Warranty. We will perform the services in a professional, workmanlike manner, consistent with industry standards. In the event we provide services that do not conform to this warranty, we will re-perform such services at no additional cost to you.

6. Site Access and Requirements. At no cost to us, you agree to provide us with full and free access to your personnel, facilities, and equipment as may be reasonably necessary for us to provide

implementation services, subject to any reasonable security protocols or other written policies provided to us as of the Effective Date, and thereafter as mutually agreed to by you and us. You further agree to provide a reasonably suitable environment, location, and space for the installation of the Tyler Software and any Third Party Products, including, without limitation, sufficient electrical circuits, cables, and other reasonably necessary items required for the installation and operation of the Tyler Software and any Third Party Products.

7. Client Assistance. You acknowledge that the implementation of the Tyler Software is a cooperative process requiring the time and resources of your personnel. You agree to use all reasonable efforts to cooperate with and assist us as may be reasonably required to meet the agreed upon project deadlines and other milestones for implementation. This cooperation includes at least working with us to schedule the implementation-related services outlined in this Agreement. We will not be liable for failure to meet any deadlines and milestones when such failure is due to Force Majeure or to the failure by your personnel to provide such cooperation and assistance (either through action or omission).

SECTION D – MAINTENANCE AND SUPPORT

This Agreement includes the period of free maintenance and support services identified in the Invoicing and Payment Policy. If you have purchased ongoing maintenance and support services, and continue to make timely payments for them according to our Invoicing and Payment Policy, we will provide you with maintenance and support services for the Tyler Software under the terms of our standard Maintenance and Support Agreement.

If you have opted not to purchase ongoing maintenance and support services for the Tyler Software, the Maintenance and Support Agreement does not apply to you. Instead, you will only receive ongoing maintenance and support on the Tyler Software on a time and materials basis. In addition, you will:

(i) receive the lowest priority under our Support Call Process;
(ii) be required to purchase new releases of the Tyler Software, including fixes, enhancements and patches;
(iii) be charged our then-current rates for support services, or such other rates that we may consider necessary to account for your lack of ongoing training on the Tyler Software;
(iv) be charged for a minimum of two (2) hours of support services for every support call; and
(v) not be granted access to the support website for the Tyler Software or the Tyler Community Forum.

SECTION E – THIRD PARTY PRODUCTS

To the extent there are any Third Party Products set forth in the Investment Summary, the following terms and conditions will apply:

1. Third Party Hardware. We will sell, deliver, and install onsite the Third Party Hardware, if you have purchased any, for the price set forth in the Investment Summary. Those amounts are payable in accordance with our Invoicing and Payment Policy.

2. Third Party Software. Upon payment in full of the Third Party Software license fees, you will receive a non-transferable license to use the Third Party Software and related documentation for your internal business purposes only. Your license rights to the Third Party Software will be governed by the Third Party Terms.

   2.1 We will install onsite the Third Party Software. The installation cost is included in the installation fee in the Investment Summary.

   2.2 If the Developer charges a fee for future updates, releases, or other enhancements to the Third Party Software, you will be required to pay such additional future fee.

   2.3 The right to transfer the Third Party Software to a replacement hardware system is governed by the Developer. You will give us advance written notice of any such transfer and will pay us for any required or requested technical assistance from us associated with such transfer.

3. Third Party Products Warranties.

   3.1 We are authorized by each Developer to grant or transfer the licenses to the Third Party Software.

   3.2 The Third Party Hardware will be new and unused, and upon payment in full, you will receive free and clear title to the Third Party Hardware.

   3.3 You acknowledge that we are not the manufacturer of the Third Party Products. We do not warrant or guarantee the performance of the Third Party Products. However, we grant and pass through to you any warranty that we may receive from the Developer or supplier of the Third Party Products.

4. Maintenance. If you have a Maintenance and Support Agreement in effect, you may report defects and other issues related to the Third Party Software directly to us, and we will (a) directly address the defect or issue, to the extent it relates to our interface with the Third Party Software; and/or (b) facilitate resolution with the Developer, unless that Developer requires that you have a separate, direct maintenance agreement in effect with that Developer. In all events, if you do not have a Maintenance and Support Agreement in effect with us, you will be responsible for resolving defects and other issues related to the Third Party Software directly with the Developer.

5. DocOrigin Software. The parties acknowledge that Tyler's independent license for the Third Party software, DocOrigin, is hereby extended to the Client for use with the Tyler Forms Processing Tyler Software. The parties further acknowledge that any issue or dispute related primarily to the license Tyler Forms Processing Tyler Software will be resolved in accordance with the terms of this Agreement, and not the terms of the DocOrigin End User License Agreement (EULA) est forth in Exhibit D. Moreover, notwithstanding any provision to the contrary in the DocOrigin EULA, Tyler is authorized by OF Software, Ltd. to agree to the following: The DocOrigin EULA shall be governed by the laws of the State of Texas, and venue shall be in a federal or state court in or serving Dallas County, Texas.

SECTION F – INVOICING AND PAYMENT; INVOICE DISPUTES

1. Invoicing and Payment. We will invoice you for all fees set forth in the Investment Summary per our Invoicing and Payment Policy, subject to Section F(2).

2. Invoice Disputes. If you believe any delivered software or service does not conform to the warranties in this Agreement, you will provide us with written notice within thirty (30) days of your receipt of the applicable invoice. The written notice must contain reasonable detail of the issues you contend are in dispute so that we can confirm the issue and respond to your notice with either a justification of the invoice, an adjustment to the invoice, or a proposal addressing the issues presented in your notice. We will work with you as may be necessary to develop an action plan that outlines reasonable steps to be taken by each of us to resolve any issues presented in your notice. You may withhold payment of the amount(s) actually in dispute, and only those amounts, until we complete the action items outlined in the plan. If we are unable to complete the action items outlined in the action plan because of your failure to complete the items agreed to be done by you, then you will remit full payment of the invoice. We reserve the right to suspend delivery of all services, including maintenance and support services, if you fail to pay an invoice not disputed as described above within fifteen (15) days of notice of our intent to do so.

SECTION G – TERMINATION

1. For Cause. If you believe we have materially breached this Agreement, you will invoke the Dispute Resolution clause set forth in Section I(3). You may terminate this Agreement for cause in the event we do not cure, or create a mutually agreeable action plan to address, a material breach of this Agreement within the thirty (30) day window set forth in Section I(3). In the event of termination for cause, you will pay us for all undisputed fees and expenses related to the software, products, and/or services you have received, or we have incurred or delivered, prior to the effective date of termination.

2. Lack of Appropriations. If you should not appropriate or otherwise receive funds sufficient to purchase, lease, operate, or maintain the software or services set forth in this Agreement, you may unilaterally terminate this Agreement effective on the final day of the fiscal year through which you have funding. You will make every effort to give us at least thirty (30) days written notice prior to a termination for lack of appropriations. In the event of termination due to a lack of appropriations, you will pay us for all undisputed fees and expenses related to the software and/or services you have received, or we have incurred or delivered, prior to the effective date of termination. Any disputed fees and expenses must have been submitted to the Invoice Dispute process set forth in Section F(2) at the time of termination in order to be withheld at termination. You will not be entitled to a refund or offset of previously paid license and other fees.

3. Force Majeure. Neither party will be liable, you or we may terminate this Agreement if a Force Majeure event suspends performance of scheduled tasks for a period of forty-five (45) days or more. In the event of termination due to Force Majeure, you will pay us for all undisputed fees and expenses related to the software and/or services you have received, or we have incurred or delivered, prior to the effective date of termination. Any disputed fees and expenses must have been submitted to the Invoice Dispute process set forth in Section F(2) at the time of termination in order to be withheld at termination. You will not be entitled to a refund or offset of previously paid license and other fees.

4. For Convenience. With thirty (30) days written notice, the Client may terminate this Agreement for convenience. Upon such termination, you will pay us for all undisputed fees and expenses related to the software, products and/or services you have received, or we have incurred or delivered, prior

to the effective date of termination.

SECTION H – INDEMNIFICATION, LIMITATION OF LIABILITY AND INSURANCE

1. Intellectual Property Infringement Indemnification.

   1.1 We will defend you against any third party claim(s) that the Tyler Software or Documentation infringes that third party's patent, copyright, or trademark, or misappropriates its trade secrets, and will pay the amount of any resulting adverse final judgment (or settlement to which we consent). You must notify us promptly in writing of the claim and give us sole control over its defense or settlement. You agree to provide us with reasonable assistance, cooperation, and information in defending the claim at our expense.

   1.2 Our obligations under this Section H(1) will not apply to the extent the claim or adverse final judgment is based on your: (a) use of a previous version of the Tyler Software and the claim would have been avoided had you installed and used the current version of the Tyler Software, and we provided notice of that requirement to you; (b) combining the Tyler Software with any product or device not provided, contemplated, or approved by us; (c) altering or modifying the Tyler Software, including any modification by third parties at your direction or otherwise permitted by you; (d) use of the Tyler Software in contradiction of this Agreement, including with non-licensed third parties; or (e) willful infringement, including use of the Tyler Software after we notify you to discontinue use due to such a claim.

   1.3 If we receive information concerning an infringement or misappropriation claim related to the Tyler Software, we may, at our expense and without obligation to do so, either: (a) procure for you the right to continue its use; (b) modify it to make it non-infringing; or (c) replace it with a functional equivalent, in which case you will stop running the allegedly infringing Tyler Software immediately. Alternatively, we may decide to litigate the claim to judgment, in which case you may continue to use the Tyler Software consistent with the terms of this Agreement.

   1.4 If an infringement or misappropriation claim is fully litigated and your use of the Tyler Software is enjoined by a court of competent jurisdiction, in addition to paying any adverse final judgment (or settlement to which we consent), we will, at our option, either: (a) procure the right to continue its use; (b) modify it to make it non-infringing; (c) replace it with a functional equivalent; or (d) terminate your license and refund the license fees paid for the infringing Tyler Software, as depreciated on a straight-line basis measured over seven (7) years from the Effective Date. We will pursue those options in the order listed herein. This section provides your exclusive remedy for third party copyright, patent, or trademark infringement and trade secret misappropriation claims.

2. **DISCLAIMER. EXCEPT FOR THE EXPRESS WARRANTIES PROVIDED IN THIS AGREEMENT AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, WE HEREBY DISCLAIM ALL OTHER WARRANTIES AND CONDITIONS, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES, DUTIES, OR CONDITIONS OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**

3. **LIMITATION OF LIABILITY. EXCEPT AS OTHERWISE EXPRESSLY SET FORTH IN THIS AGREEMENT, OUR LIABILITY FOR DAMAGES ARISING OUT OF THIS AGREEMENT, WHETHER BASED ON A THEORY OF CONTRACT OR TORT, INCLUDING NEGLIGENCE AND STRICT LIABILITY, SHALL BE LIMITED TO**

YOUR ACTUAL DIRECT DAMAGES, NOT TO EXCEED (A) PRIOR TO FORMAL TRANSITION TO MAINTENANCE AND SUPPORT, THE TOTAL ONE-TIME FEES SET FORTH IN THE INVESTMENT SUMMARY; OR (B) AFTER FORMAL TRANSITION TO MAINTENANCE AND SUPPORT, THE THEN-CURRENT ANNUAL MAINTENANCE AND SUPPORT FEE. THE PRICES SET FORTH IN THIS AGREEMENT ARE SET IN RELIANCE UPON THIS LIMITATION OF LIABILITY. THE FOREGOING LIMITATION OF LIABILITY SHALL NOT APPLY TO CLAIMS THAT ARE SUBJECT TO SECTIONS H(1) OF THIS ADDENDUM AND SECTION 29 OF THE AGREEMENT FOR TYLER MUNIS FINANCIAL SOFTWARE PACKAGE.

4. **EXCLUSION OF CERTAIN DAMAGES. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL WE BE LIABLE FOR ANY SPECIAL, INCIDENTAL, PUNITIVE, INDIRECT, OR CONSEQUENTIAL DAMAGES WHATSOEVER, EVEN IF WE HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.**

SECTION I – GENERAL TERMS AND CONDITIONS

1. Additional Products and Services. You may purchase additional products and services at the rates set forth in the Investment Summary for twelve (12) months from the Effective Date, and thereafter at our then-current list price, by executing a mutually agreed addendum. If no rate is provided in the Investment Summary, or those twelve (12) months have expired, you may purchase additional products and services at our then-current list price, also by executing a mutually agreed addendum. The terms of this Agreement will control any such additional purchase(s), unless otherwise specifically provided in the addendum.

2. Optional Items. Pricing for any listed optional products and services in the Investment Summary will be valid for twelve (12) months from the Effective Date.

3. Dispute Resolution. You agree to provide us with written notice within thirty (30) days of becoming aware of a dispute. You agree to cooperate with us in trying to reasonably resolve all disputes, including, if requested by either party, appointing a senior representative to meet and engage in good faith negotiations with our appointed senior representative. Senior representatives will convene within thirty (30) days of the written dispute notice, unless otherwise agreed. All meetings and discussions between senior representatives will be deemed confidential settlement discussions not subject to disclosure under Federal Rule of Evidence 408 or any similar applicable state rule. If we fail to resolve the dispute, either of us may assert our respective rights and remedies in a court of competent jurisdiction. Nothing in this section shall prevent you or us from seeking necessary injunctive relief during the dispute resolution procedures.

4. Subcontractors. We will not subcontract any services under this Agreement without your prior written consent, not to be unreasonably withheld.

5. Confidentiality. Both parties recognize that their respective employees and agents, in the course of performance of this Agreement, may be exposed to confidential information and that disclosure of such information could violate rights to private individuals and entities, including the parties. Confidential information is nonpublic information that a reasonable person would believe to be confidential and includes, without limitation, personal identifying information (*e.g.*, social security numbers) and trade secrets, each as defined by applicable state law. Each party agrees that it will not disclose any confidential information of the other party and further agrees to take all reasonable and appropriate action to prevent such disclosure by its employees or agents. The confidentiality

covenants contained herein will survive the termination or cancellation of this Agreement. This obligation of confidentiality will not apply to information that:

(a) is in the public domain, either at the time of disclosure or afterwards, except by breach of this Agreement by a party or its employees or agents;
(b) a party can establish by reasonable proof was in that party's possession at the time of initial disclosure;
(c) a party receives from a third party who has a right to disclose it to the receiving party; or
(d) is the subject of a legitimate disclosure request under the open records laws or similar applicable public disclosure laws governing this Agreement; provided, however, that in the event you receive an open records or other similar applicable request, you will give us prompt notice and otherwise perform the functions required by applicable law.

6. Business License. In the event a local business license is required for us to perform services hereunder, you will promptly notify us and provide us with the necessary paperwork and/or contact information so that we may timely obtain such license.

Exhibit A
Investment Summary

The following Investment Summary details the software, products, and services to be delivered by us to you under the Agreement. This Investment Summary is effective as of the Effective Date. Capitalized terms not otherwise defined will have the meaning assigned to such terms in the Agreement.

Comments

Tyler's OSDBA Service/Tyler System Management Services is calculated at 25% of the Munis annual maintenance. There is a $2,500 minimum annual fee and a $30,000 maximum annual fee.

Tyler's Disaster Recovery Service is calculated at 25% of the Munis annual maintenance. There is a $5,000 minimum annual fee and a $30,000 maximum annual fee for Disaster Recovery service. The Disaster Recovery fees are applicable only to one Live Munis database and excludes all test and training databases.

Tyler recommends the use of a 128-bit SSL Security Certificate for any Internet Web Applications, such as the Munis Web Client and the MUNIS Self Service applications if hosted by the Client. This certificate is required to encrypt the highly sensitive payroll and financial information as it travels across the public internet. There are various vendors who sell SSL Certificates, with all ranges of prices.

Conversion prices are based on a single occurrence of the database. If additional databases need to be converted, these will need to be quoted.

Tyler's quote contains estimates of the amount of services needed, based on our preliminary understanding of the size and scope of your project. The actual amount of services depends on such factors as your level of involvement in the project and the speed of knowledge transfer.

Unless otherwise noted, prices submitted in the quote do not include travel expenses incurred in accordance with Tyler's then-current Business Travel Policy.

Tyler's prices do not include applicable local, city or federal sales, use excise, personal property or other similar taxes or duties, which you are responsible for determining and remitting.

In the event Client cancels services less than two (2) weeks in advance, Client is liable to Tyler for (i) all non-refundable expenses incurred by Tyler on Client's behalf; and (ii) daily fees associated with the cancelled services if Tyler is unable to re-assign its personnel.

Tyler provides onsite training for a maximum of 12 people per class. In the event that more than 12 users wish to participate in a training class or more than one occurrence of a class is needed, Tyler will either provide additional days at then-current rates for training or Tyler will utilize a Train-the-Trainer approach whereby the client designated attendees of the initial training can thereafter train the remaining users.

Tyler's form library prices are based on the actual form quantities listed, and assume the forms will be provided according to the standard Munis form template. Any forms in addition to the quoted amounts and types, including custom forms or forms that otherwise require custom programming, are subject to an additional fee. Please also note that use of the Tyler Forms functionality requires the use of approved printers as well. You may contact Tyler's support team for the most current list of approved printers.

Financial library includes: 1 A/P check, 1 EFT/ACH, 1 Purchase order, 1 Contract, 1099M, 1099INT, 1099S, and 1099G.

Programming for check reconciliation import and positive pay export assumes one bank format each. Multiple bank formats are extra.

Includes digitizing two signatures, additional charges will apply for additional signatures.

Project Management includes project planning, kickoff meeting, status calls, task monitoring, verification and transition to support.

Tyler Forms Payroll Core library includes: 1 PR check, 1 direct deposit, 1 vendor from payroll check, 1 vendor from payroll direct deposit, W2, W2c, 1099 R, ACA 1095B and ACA 1095C.

Comments

Personnel Actions Forms Library includes: 1 Personnel Action form - New and 1 Personnel Action Form - Change.

Tyler's cost is based on all of the proposed products and services being obtained from Tyler. Should significant portions of the products or services be deleted, Tyler reserves the right to adjust prices accordingly.

The Tyler Software Product Tyler Forms Processing must be used in conjunction with a Hewlett Packard printer supported by Tyler for printing checks.

Client agrees that items in this sales quotation are, upon Client's signature of same, hereby added to the Agreement between the parties, and subject to its terms. Additionally, and notwithstanding anything in the Agreement to the contrary, payment for said items shall conform to the following conditions: Licensee fees for Tyler and 3rd party products are due when Tyler makes such software available for download by the Client (for the purpose of this quotation, the 'Availability Date') or delivery (if not software); Maintenance fees, prorated for the term commencing when on the Availability Date and ending on the last day of the current annual support term for Tyler Software currently licensed to the Client, are due on the Availability Date; Fees for services, unless otherwise indicated, plus expenses, are payable upon delivery.

Transparency Portal SaaS services will renew automatically for additional one (1) year terms at our then-current fee unless terminated in writing by either party at least thirty (30) days prior to the end of the then-current term.

Exhibit B
Invoicing and Payment Policy

We will provide you with the software and services set forth in the Investment Summary. Capitalized terms not otherwise defined will have the meaning assigned to such terms in the Agreement.

Invoicing: We will invoice you for the applicable license and services fees in the Investment Summary as set forth below. Your rights to dispute any invoice are set forth in the Agreement.

1. Tyler Software.

   1.1 *License Fees*: License fees are invoiced on the date when we make the applicable Tyler Software available to you for downloading (the "Available Download Date").

   1.2 *Maintenance and Support Fees*: Year 1 maintenance and support fees are waived for one (1) year from the Effective Date. Year 2 maintenance and support fees, at our then-current rates, are payable on the first anniversary of the Effective Date, and subsequent maintenance and support fees are invoiced annually in advance of each anniversary thereof. Your fees for each subsequent year will be set at our then-current rates. On the first such anniversary, Client shall no longer be required to pay annual support for the Migration Modules.

   1.3 *Eden Access Fees*: When Tyler makes the Tyler Software listed in the Investment Summary (the "Evergreen Modules") available for live production, Tyler shall invoice Client the Eden Legacy Software Maintenance fee set forth in the Investment Summary. Subsequent Eden Legacy Software Maintenance fees will be invoiced annually in advance on the anniversary of that date unless terminated in writing by either party at least thirty (30) days prior to the end of the then-current term. Fees for subsequent years will be at Tyler's then-current rates.

2. Professional Services.

   2.1 *Implementation and Other Professional Services (including training)*: Implementation and other professional services (including training) are billed and invoiced as delivered, at the rates set forth in the Investment Summary.

   2.2 *Consulting Services*: If you have purchased any Business Process Consulting services, if they have been quoted as fixed-fee services, they will be invoiced 50% upon your acceptance of the Best Practice Recommendations, by module, and 50% upon your acceptance of custom desktop procedures, by module. If you have purchased any Business Process Consulting services and they are quoted as an estimate, then we will bill you the actual services delivered on a time and materials basis.

2.3 *Conversions*: Fixed-fee conversions are invoiced 50% upon initial delivery of the converted data, by conversion option, and 50% upon Client acceptance to load the converted data into Live/Production environment, by conversion option. Where conversions are quoted as estimated, we will bill you the actual services delivered on a time and materials basis.

2.4 *Requested Modifications to the Tyler Software*: Requested modifications to the Tyler Software are invoiced 50% upon delivery of specifications and 50% upon delivery of the applicable modification. You must report any failure of the modification to conform to the specifications within thirty (30) days of delivery; otherwise, the modification will be deemed to be in compliance with the specifications after the 30-day window has passed. You may still report Defects to us as set forth in the Maintenance and Support Agreement.

2.5 *Other Fixed Price Services*: Except as otherwise provided, other fixed price services are invoiced upon complete delivery of the service. For the avoidance of doubt, where "Project Planning Services" are provided, payment will be due upon delivery of the Implementation Planning document. Dedicated Project Management services, if any, will be billed monthly in arrears, beginning on the first day of the month immediately following the project kick-off meeting.

2.6 *Change Management Services*: If you have purchased any change management services, those services will be invoiced in the following amounts and upon the following milestones:

Acceptance of Change Management Discovery Analysis	15%
Delivery of Change Management Plan and Strategy Presentation	10%
Acceptance of Executive Playbook	15%
Acceptance of Resistance Management Plan	15%
Acceptance of Procedural Change Communications Plan	10%
Change Management Coach Training	20%
Change Management After-Action Review	15%

3. Other Services and Fees.

3.1 *Systems Management*: Systems Management Services are invoiced on the Available Download Date and shall be provided under the terms of our Agreement for Tyler Systems Management ("TSM Agreement"). Our current TSM Agreement is attached hereto as Exhibit F. Systems Management Services will renew automatically for additional one (1) year terms at our then-current Systems Management Services fee, unless terminated in writing by either party at least thirty (30) days prior to the end of the then-current term.

3.2 *Payroll Tax Table Update Fee*: The first year Payroll Tax Table Update Fee for the one-year period commencing on the Available Download Date is waived. Subsequent annual Payroll Tax Table Update fees will be due on the anniversary of the Available Download Date. Annual Payroll Tax Table Update services will renew automatically for additional one-year terms at our then-current Annual Payroll Tax Table Update service fee, unless terminated in writing by either party at least thirty (30) days prior to the end of the then-current term.

4. Third Party Products.

   4.1 *Third Party Software License Fees*: License fees for Third Party Software, if any, are invoiced when we make it available to you for downloading.

   4.2 *Third Party Software Maintenance*: The first year maintenance fees for the Third Party Software, if any, is invoiced when we make that Third Party Software available to you for downloading.

   4.3 *Third Party Hardware*: Third Party Hardware costs, if any, are invoiced upon delivery.

5. Expenses. The service rates in the Investment Summary do not include travel expenses. Expenses will be billed as incurred and only in accordance with our then-current Business Travel Policy. Our current Business Travel Policy is attached to this Exhibit B at Schedule 1. Copies of receipts will be provided upon request. Receipts for miscellaneous items less than twenty-five dollars and mileage logs are not available.

6. Credit for Prepaid Maintenance and Support Fees for Migration Modules. Client will receive a credit for the maintenance and support fees prepaid for the Migration Modules for the time period commencing on the first anniversary of the Effective Date of this Agreement. Migration Modules are listed at Exhibit A, Schedule 1.

Payment. Payment for undisputed invoices is due within forty-five (45) days of the invoice date. We prefer to receive payments electronically. Our electronic payment information is:

Bank:	Wells Fargo Bank, N.A. 420 Montgomery San Francisco, CA 94104
ABA:	121000248
Account:	4124302472
Beneficiary:	Tyler Technologies, Inc. – Operating

Exhibit B
Schedule 1
Business Travel Policy

1. Air Travel

A. Reservations & Tickets

Tyler's Travel Management Company (TMC) will provide an employee with a direct flight within two hours before or after the requested departure time, assuming that flight does not add more than three hours to the employee's total trip duration and the fare is within $100 (each way) of the lowest logical fare. If a net savings of $200 or more (each way) is possible through a connecting flight that is within two hours before or after the requested departure time and that does not add more than three hours to the employee's total trip duration, the connecting flight should be accepted.

Employees are encouraged to make advanced reservations to take full advantage of discount opportunities. Employees should use all reasonable efforts to make travel arrangements at least two (2) weeks in advance of commitments. A seven (7) day advance booking requirement is mandatory. When booking less than seven (7) days in advance, management approval will be required.

Except in the case of international travel where a segment of continuous air travel is six (6) or more consecutive hours in length, only economy or coach class seating is reimbursable. Employees shall not be reimbursed for "Basic Economy Fares" because these fares are non-refundable and have many restrictions that outweigh the cost-savings.

B. Baggage Fees

Reimbursement of personal baggage charges are based on trip duration as follows:

- Up to five (5) days = one (1) checked bag
- Six (6) or more days = two (2) checked bags

Baggage fees for sports equipment are not reimbursable.

2. Ground Transportation

A. Private Automobile

Mileage Allowance – Business use of an employee's private automobile will be reimbursed at the current IRS allowable rate, plus out of pocket costs for tolls and parking. Mileage will be calculated

by using the employee's office as the starting and ending point, in compliance with IRS regulations. Employees who have been designated a home office should calculate miles from their home.

B. Rental Car

Employees are authorized to rent cars only in conjunction with air travel when cost, convenience, and the specific situation reasonably require their use. When renting a car for Tyler business, employees should select a "mid-size" or "intermediate" car. "Full" size cars may be rented when three or more employees are traveling together. Tyler carries leased vehicle coverage for business car rentals; except for employees traveling to Alaska and internationally (excluding Canada), additional insurance on the rental agreement should be declined.

C. Public Transportation

Taxi or airport limousine services may be considered when traveling in and around cities or to and from airports when less expensive means of transportation are unavailable or impractical. The actual fare plus a reasonable tip (15-18%) are reimbursable. In the case of a free hotel shuttle to the airport, tips are included in the per diem rates and will not be reimbursed separately.

D. Parking & Tolls

When parking at the airport, employees must use longer term parking areas that are measured in days as opposed to hours. Park and fly options located near some airports may also be used. For extended trips that would result in excessive parking charges, public transportation to/from the airport should be considered. Tolls will be reimbursed when receipts are presented.

3. Lodging

Tyler's TMC will select hotel chains that are well established, reasonable in price, and conveniently located in relation to the traveler's work assignment. Typical hotel chains include Courtyard, Fairfield Inn, Hampton Inn, and Holiday Inn Express. If the employee has a discount rate with a local hotel, the hotel reservation should note that discount and the employee should confirm the lower rate with the hotel upon arrival. Employee memberships in travel clubs such as AAA should be noted in their travel profiles so that the employee can take advantage of any lower club rates.

"No shows" or cancellation fees are not reimbursable if the employee does not comply with the hotel's cancellation policy.

Tips for maids and other hotel staff are included in the per diem rate and are not reimbursed separately.

Employees are not authorized to reserve non-traditional short-term lodging, such as Airbnb, VRBO, and HomeAway. Employees who elect to make such reservations shall not be reimbursed.

4. Meals and Incidental Expenses

Employee meals and incidental expenses while on travel status within the continental U.S. are in

accordance with the federal per diem rates published by the General Services Administration. Incidental expenses include tips to maids, hotel staff, and shuttle drivers and other minor travel expenses. Per diem rates are available at www.gsa.gov/perdiem.

Per diem for Alaska, Hawaii, U.S. protectorates and international destinations are provided separately by the Department of Defense and will be determined as required.

A. Overnight Travel

For each full day of travel, all three meals are reimbursable. Per diems on the first and last day of a trip are governed as set forth below.

Departure Day

Depart before 12:00 noon	Lunch and dinner
Depart after 12:00 noon	Dinner

Return Day

Return before 12:00 noon	Breakfast
Return between 12:00 noon & 7:00 p.m.	Breakfast and lunch
Return after 7:00 p.m.*	Breakfast, lunch and dinner

*7:00 p.m. is defined as direct travel time and does not include time taken to stop for dinner.

The reimbursement rates for individual meals are calculated as a percentage of the full day per diem as follows:

- Breakfast 15%
- Lunch 25%
- Dinner 60%

B. Same Day Travel

Employees traveling at least 100 miles to a site and returning in the same day are eligible to claim lunch on an expense report. Employees on same day travel status are eligible to claim dinner in the event they return home after 7:00 p.m.*

*7:00 p.m. is defined as direct travel time and does not include time taken to stop for dinner.

5. Internet Access – Hotels and Airports

Employees who travel may need to access their e-mail at night. Many hotels provide free high speed internet access and Tyler employees are encouraged to use such hotels whenever possible. If an employee's hotel charges for internet access it is reimbursable up to $10.00 per day. Charges for

internet access at airports are not reimbursable.

6. International Travel

All international flights with the exception of flights between the U.S. and Canada should be reserved through TMC using the "lowest practical coach fare" with the exception of flights that are six (6) or more consecutive hours in length. In such event, the next available seating class above coach shall be reimbursed.

When required to travel internationally for business, employees shall be reimbursed for photo fees, application fees, and execution fees when obtaining a new passport book, but fees related to passport renewals are not reimbursable. Visa application and legal fees, entry taxes and departure taxes are reimbursable.

The cost of vaccinations that are either required for travel to specific countries or suggested by the U.S. Department of Health & Human Services for travel to specific countries, is reimbursable.

Section 4, Meals & Incidental Expenses, and Section 2.b., Rental Car, shall apply to this section.

Exhibit C
Maintenance and Support Agreement

We will provide you with the following maintenance and support services for the Tyler Software. Capitalized terms not otherwise defined will have the meaning assigned to such terms in the Agreement.

1. Term. We provide maintenance and support services on an annual basis. The initial term commences on the Effective Date, and remains in effect for one (1) year. The term will renew automatically for additional one (1) year terms unless terminated in writing by either party at least thirty (30) days prior to the end of the then-current term. We will adjust the term to match your first use of the Tyler Software in live production if that event precedes the one (1) year anniversary of the Effective Date.

2. Maintenance and Support Fees. Your year 1 maintenance and support fees for the Tyler Software are listed in the Investment Summary, and your payment obligations are set forth in the Invoicing and Payment Policy. We reserve the right to suspend maintenance and support services if you fail to pay undisputed maintenance and support fees within thirty (30) days of our written notice. We will reinstate maintenance and support services only if you pay all past due maintenance and support fees, including all fees for the periods during which services were suspended.

3. Maintenance and Support Services. As long as you are not using the Help Desk as a substitute for our training services on the Tyler Software, and you timely pay your maintenance and support fees, we will, consistent with our then-current Support Call Process:

   3.1 perform our maintenance and support obligations in a professional, good, and workmanlike manner, consistent with industry standards, to resolve Defects in the Tyler Software (limited to the then-current version and the immediately prior version); provided, however, that if you modify the Tyler Software without our consent, our obligation to provide maintenance and support services on and warrant the Tyler Software will be void;

   3.2 provide telephone support during our established support hours;

   3.3 maintain personnel that are sufficiently trained to be familiar with the Tyler Software and Third Party Software, if any, in order to provide maintenance and support services;

   3.4 provide you with a copy of all major and minor releases to the Tyler Software (including updates and enhancements) that we make generally available without additional charge to customers who have a maintenance and support agreement in effect; and

   3.5 provide non-Defect resolution support of prior releases of the Tyler Software in accordance with our then-current release life cycle policy.

4. Client Responsibilities. We will use all reasonable efforts to perform any maintenance and support services remotely. Currently, we use a third-party secure unattended connectivity tool called Bomgar, as well as GotoAssist by Citrix. Therefore, you agree to maintain a high-speed internet connection capable of connecting us to your PCs and server(s). You agree to provide us with a login account and local administrative privileges as we may reasonably require to perform remote services. We will, at our option, use the secure connection to assist with proper diagnosis and resolution, subject to any reasonably applicable security protocols. If we cannot resolve a support issue remotely, we may be required to provide onsite services. In such event, we will be responsible for our travel expenses, unless it is determined that the reason onsite support was required was a reason outside our control. Either way, you agree to provide us with full and free access to the Tyler Software, working space, adequate facilities within a reasonable distance from the equipment, and use of machines, attachments, features, or other equipment reasonably necessary for us to provide the maintenance and support services, all at no charge to us. We strongly recommend that you also maintain a VPN for backup connectivity purposes.

5. Hardware and Other Systems. If you are a self-hosted customer and, in the process of diagnosing a software support issue, it is discovered that one of your peripheral systems or other software is the cause of the issue, we will notify you so that you may contact the support agency for that peripheral system. We cannot support or maintain Third Party Products except as expressly set forth in the Agreement.

   In order for us to provide the highest level of software support, you bear the following responsibility related to hardware and software:

   (a) All infrastructure executing Tyler Software shall be managed by you;
   (b) You will maintain support contracts for all non-Tyler software associated with Tyler Software (including operating systems and database management systems, but excluding Third-Party Software, if any); and
   (c) You will perform daily database backups and verify that those backups are successful.

6. Other Excluded Services. Maintenance and support fees do not include fees for the following services: (a) initial installation or implementation of the Tyler Software; (b) onsite maintenance and support (unless Tyler cannot remotely correct a Defect in the Tyler Software, as set forth above); (c) application design; (d) other consulting services; (e) maintenance and support of an operating system or hardware, unless you are a hosted customer; (f) support outside our normal business hours as listed in our then-current Support Call Process; or (g) installation, training services, or third party product costs related to a new release. Requested maintenance and support services such as those outlined in this section will be billed to you on a time and materials basis at our then current rates. You must request those services with at least one (1) weeks' advance notice.

7. Current Support Call Process. Our current Support Call Process for the Tyler Software is indicated in Exhibit C at Schedule 1.

8. Support of Migration Modules. Upon the first anniversary of the Effective Date and Client's timely payment of annual maintenance and support fees for Tyler Evergreen Modules, Client is entitled to receive, at no additional charge, maintenance and support for the Migration Modules until Tyler makes the Tyler Evergreen Modules available for use in live production.

Exhibit C
Schedule 1
Support Call Process

Support Channels

Tyler Technologies, Inc. provides the following channels of software support:

(1) Tyler Community – an on-line resource, Tyler Community provides a venue for all Tyler clients with current maintenance agreements to collaborate with one another, share best practices and resources, and access documentation.
(2) On-line submission (portal) – for less urgent and functionality-based questions, users may create unlimited support incidents through the customer relationship management portal available at the Tyler Technologies website.
(3) Email – for less urgent situations, users may submit unlimited emails directly to the software support group.
(4) Telephone – for urgent or complex questions, users receive toll-free, unlimited telephone software support.

Support Resources

A number of additional resources are available to provide a comprehensive and complete support experience:

(1) Tyler Website – www.tylertech.com – for accessing client tools and other information including support contact information.
(2) Tyler Community – available through login, Tyler Community provides a venue for clients to support one another and share best practices and resources.
(3) Knowledgebase – A fully searchable depository of thousands of documents related to procedures, best practices, release information, and job aides.
(4) Program Updates – where development activity is made available for client consumption

Support Availability

Tyler Technologies support is available during the local business hours of 8 AM to 5 PM (Monday – Friday) across four US time zones (Pacific, Mountain, Central and Eastern). Clients may receive coverage across these time zones. Tyler's holiday schedule is outlined below. There will be no support coverage on these days.

New Year's Day	Thanksgiving Day
Memorial Day	Day after Thanksgiving
Independence Day	Christmas Day
Labor Day	

Issue Handling

Incident Tracking

Every support incident is logged into Tyler's Customer Relationship Management System and given a unique incident number. This system tracks the history of each incident. The incident tracking number is used to track and reference open issues when clients contact support. Clients may track incidents, using the incident number, through the portal at Tyler's website or by calling software support directly.

Incident Priority

Each incident is assigned a priority number, which corresponds to the client's needs and deadlines. The client is responsible for reasonably setting the priority of the incident per the chart below. This chart is not intended to address every type of support incident, and certain "characteristics" may or may not apply depending on whether the Tyler software has been deployed on customer infrastructure or the Tyler cloud. The goal is to help guide the client towards clearly understanding and communicating the importance of the issue and to describe generally expected responses and resolutions.

Priority Level	Characteristics of Support Incident	Resolution Targets
1 Critical	Support incident that causes (a) complete application failure or application unavailability; (b) application failure or unavailability in one or more of the client's remote location; or (c) systemic loss of multiple essential system functions.	Tyler shall provide an initial response to Priority Level 1 incidents within one (1) business hour of receipt of the support incident. Tyler shall use commercially reasonable efforts to resolve such support incidents or provide a circumvention procedure within one (1) business day. For non-hosted customers, Tyler's responsibility for lost or corrupted data is limited to assisting the client in restoring its last available database.
2 High	Support incident that causes (a) repeated, consistent failure of essential functionality affecting more than one user or (b) loss or corruption of data.	Tyler shall provide an initial response to Priority Level 2 incidents within four (4) business hours of receipt of the support incident. Tyler shall use commercially reasonable efforts to resolve such support incidents or provide a circumvention procedure within ten (10) business days. For non-hosted customers, Tyler's responsibility for loss or corrupted data is limited to assisting the client in restoring its last available database.

Priority Level	Characteristics of Support Incident	Resolution Targets
3 Medium	Priority Level 1 incident with an existing circumvention procedure, or a Priority Level 2 incident that affects only one user or for which there is an existing circumvention procedure.	Tyler shall provide an initial response to Priority Level 3 incidents within one (1) business day of receipt of the support incident. Tyler shall use commercially reasonable efforts to resolve such support incidents without the need for a circumvention procedure with the next published maintenance update or service pack. For non-hosted customers, Tyler's responsibility for lost or corrupted data is limited to assisting the client in restoring its last available database.
4 Non-critical	Support incident that causes failure of non-essential functionality or a cosmetic or other issue that does not qualify as any other Priority Level.	Tyler shall provide an initial response to Priority Level 4 incidents within two (2) business days. Tyler shall use commercially reasonable efforts to resolve such support incidents, as well as cosmetic issues, with a future version release.

Incident Escalation

Tyler Technology's software support consists of four levels of personnel:

(1) Level 1: front-line representatives
(2) Level 2: more senior in their support role, they assist front-line representatives and take on escalated issues
(3) Level 3: assist in incident escalations and specialized client issues
(4) Level 4: responsible for the management of support teams for either a single product or a product group

If a client feels they are not receiving the service needed, they may contact the appropriate Software Support Manager. After receiving the incident tracking number, the manager will follow up on the open issue and determine the necessary action to meet the client's needs.

On occasion, the priority or immediacy of a software support incident may change after initiation. Tyler encourages clients to communicate the level of urgency or priority of software support issues so that we can respond appropriately. A software support incident can be escalated by any of the following methods:

(1) Telephone – for immediate response, call toll-free to either escalate an incident's priority or to escalate an issue through management channels as described above.
(2) Email – clients can send an email to software support in order to escalate the priority of an issue
(3) On-line Support Incident Portal – clients can also escalate the priority of an issue by logging into the client incident portal and referencing the appropriate incident tracking number.

Remote Support Tool

Some support calls require further analysis of the client's database, process or setup to diagnose a problem or to assist with a question. Tyler will, at its discretion, use an industry-standard remote support tool. Support is able to quickly connect to the client's desktop and view the site's setup, diagnose problems, or assist with screen navigation. More information about the remote support tool Tyler uses is available upon request.

Exhibit D
DocOrigin End User License Agreement

REMAINDER OF PAGE INTENTIONALLY LEFT BLANK

ATTENTION: THE SOFTWARE PROVIDED UNDER THIS AGREEMENT IS BEING LICENSED TO YOU BY **OF SOFTWARE LTD.** AND IS NOT BEING SOLD. THIS SOFTWARE IS PROVIDED UNDER THE FOLLOWING AGREEMENT THAT SPECIFIES WHAT YOU MAY DO WITH THE SOFTWARE AND CONTAINS IMPORTANT LIMITATIONS ON REPRESENTATIONS, WARRANTIES, CONDITIONS, REMEDIES, AND LIABILITIES.

DocOrigin

SOFTWARE LICENSE

IMPORTANT-READ CAREFULLY: This End-User License Agreement ("**Agreement**" or "**EULA**") is a legal agreement between you (either an individual person or a single legal entity, who will be referred to in this EULA as "**You**") and OF Software Ltd. for the DocOrigin software product that accompanies this EULA, including any associated media, printed materials and electronic documentation (the "**Software**"). The Software also encompasses any software updates, add-on components, web services and/or supplements that may be provided to you or made available to you after the date you obtain the initial copy of the Software to the extent that such items are not accompanied by a separate license agreement or terms of use. If you receive the Software under separate terms from your distributor, those terms will take precedence over any conflicting terms of this EULA.

By installing, copying, downloading, accessing or otherwise using the Software, you agree to be bound by the terms of this EULA. If you do not agree to the terms of this EULA, do not install, access or use the Software; instead, you should remove the Software from all systems and receive a full refund.

IF YOU ARE AN AGENT OR EMPLOYEE OF ANOTHER ENTITY YOU REPRESENT AND WARRANT THAT (I) THE INDIVIDUAL ACCEPTING THIS AGREEMENT IS DULY AUTHORIZED TO ACCEPT THIS AGREEMENT ON SUCH ENTITY'S BEHALF AND TO BIND SUCH ENTITY, AND (II) SUCH ENTITY HAS FULL POWER, CORPORATE OR OTHERWISE, TO ENTER INTO THIS AGREEMENT AND PERFORM ITS OBLIGATIONS HEREUNDER.

1. LICENSE TERMS

1.1 In this Agreement a "**License Key**" means any license key, activation code, or similar installation, access or usage control codes, including serial numbers digitally created and or provided by OF Software Ltd., designed to provide unlocked access to the Software and its functionality.

1.2 **Evaluation License.** Subject to all of the terms and conditions of this Agreement, OF Software Ltd. grants You a limited, royalty-free, non-exclusive, non-transferable license to download and install a copy of the Software from www.docorigin.com on a single machine and use it on a royalty-free basis for no more than 120 days from the date of installation (the "**Evaluation Period**"). You may use the Software during the Evaluation Period solely for the purpose of testing and evaluating it to determine if You wish to obtain a commercial, production license for the Software. This evaluation license grant will automatically end on expiry of the Evaluation Period and you acknowledge and agree that OF Software Ltd. will be under no obligation to renew or extend the Evaluation Period. If you wish to continue using the Software You may, on payment of the applicable fees, upgrade to a full license (as further described in section 1.3 below) on the terms of this Agreement and will be issued with a License Key for the same. If you do not wish to continue to license the Software after expiry of the Evaluation Period, then You agree to comply with the termination obligations set out in section [7.3] of this Agreement. For greater certainty, any document generated by you under an evaluation license will have a 'spoiler' or watermark on the output document. Documents generated by DocOrigin software that has a valid license key file also installed will not have the 'spoiler' produced. You are not permitted to remove the watermark or 'spoiler' from documents generated using the software under an evaluation license.

1.3 **Development and Testing Licenses.** Development and testing licenses are available for purchase through authorized distributors and resellers of OF Software Ltd. only. Subject to all of the terms and conditions of this Agreement, OF Software Ltd. grants You, a perpetual (subject to termination by OF Software Ltd. due to your breach of the terms of this Agreement), non-exclusive, non-transferable, worldwide non-sublicenseable license to download and install a copy of the Software from www.docorigin.com on a single machine and

use for development and testing to create collateral deployable to Your production system(s). You are not entitled to use a development and testing license for live production purposes.

1.4 **Production Licenses.** Production licenses are available for purchase through authorized distributors and resellers of OF Software Ltd. only. Subject to all of the terms and conditions of this Agreement, OF Software Ltd. grants You, a perpetual (subject to termination by OF Software Ltd. due to your breach of the terms of this Agreement), non-exclusive, non-transferable, worldwide non-sublicenseable license to use the Software in accordance with the license type purchased by you as set out on your purchase order as further described below. For greater certainty, unless otherwise agreed in a purchase order concluded with an approved distributor of the Software, and approved by OF Software, the default license to the Software is a per-CPU license as described in A. below:

A. **Per-CPU.** The total number of CPUs on a computer used to operate the Software may not exceed the licensed quantity of CPUs. For purposes of this license metric: (a) CPUs may contain more than one processing core, each group of two (2) processing cores is consider one (1) CPU., and any remaining unpaired processing core, will be deemed a CPU. (b) all CPUs on a computer on which the Software is installed shall be deemed to operate the Software unless You configure that computer (using a reliable and verifiable means of hardware or software partitioning) such that the total number of CPUs that actually operate the Software is less than the total number on that computer.

B. **Per-Document.** This is defined as a fee per document based on the total number of documents generated annually by merging data with a template created by the Software. The combined data and template produce documents of one or more pages. A document may contain 1 or more pages. For instance a batch of invoices for 250 customers may contain 1,000 pages, this will be counted as 250 documents which should correspond to 250 invoices.

C. **Per-Surface.** This is defined as a fee per surface based on the total number of surfaces generated annually by merging data with a template created by the Software. The combined data and template produce documents of one or more pages, the pages may be printed one side (one surface) or duplexed (2 surfaces). The documents may be rendered to a computer file (i.e. PDF), each page placed in the file is considered a surface. A document may contain 1 or more surfaces. For instance a batch of invoices for 250 customers may contain 500 pages duplexed, this will be counted as 1000 surfaces.

1.5 **Disaster Recovery License.** You may request a Disaster Recovery license of the Software for each production license You have purchased as a failover in the event of loss of use of the production server(s). This license is for disaster recovery purposes only and under no circumstance may the disaster recovery license be used for production simultaneously with a production license with which it is paired.

1.6 **Backup Copies.** After installation of the Software pursuant to this EULA, you may store a copy of the installation files for the Software solely for backup or archival purposes. Except as expressly provided in this EULA, you may not otherwise make copies of the Software or the printed materials accompanying the Software.

1.7 **Third-Party Software License Rights**. If a separate license agreement pertaining to an item of third-party software is: delivered to You with the Software, included in the Software download package, or referenced in any material that is provided with the Software, then such separate license agreement shall govern Your use of that item or version of Third-Party Software. Your rights in respect to any third-party software, third-party data, third-party software or other third-party content provided with the Software shall be limited to those rights necessary to operate the Software as permitted by this Agreement. No other rights in the Software or third-party software are granted to You.

2. LICENSE RESTRICTIONS

Any copies of the Software shall include all trademarks, copyright notices, restricted rights legends, proprietary markings and the like exactly as they appear on the copy of the Software originally provided to You. You may not remove or alter any copyright, trademark and/or proprietary notices marked on any part of the Software or related documentation and must reproduce all such notices on all authorized copies of the Software and related documentation. You shall not sublicense, distribute or otherwise make the Software available to any third party (including, without limitation, any contractor, franchisee, agent or dealer) without first obtaining the written agreement of (a) OF Software Ltd. to that use, and (b) such third party to comply with this Agreement. You further agree not to (i) rent, lease, sell, sublicense, assign, or otherwise transfer the Software to anyone else; (ii) directly or indirectly use the Software or any information about the Software in the development of any software that is competitive with the Software, or (iii) use the Software to operate or as a part of a time-sharing service, outsourcing service, service bureau, application service provider or managed service provider offering. You further agree not to reverse engineer, decompile, or disassemble the Software.

3. UPDATES, MAINTENANCE AND SUPPORT

3.1 During the validity period of Your License Key, You will be entitled to download the latest version of the Software from the DocOrigin website www.docorigin.com. Use of any updates provided to You shall be governed by the terms and conditions of this Agreement. OF Software Ltd. reserves the right at any time to not release or to discontinue release of any Software and to alter prices, features, specifications, capabilities, functions, licensing terms, release dates, general availability or other characteristics of the Software.

3.2 On expiry of your maintenance and support contract, you will have the right to continue using the current version(s) of the Software which you downloaded prior to the date of expiry of your License Key. However, you will need to renew maintenance and support in order to receive a new License Key that will unlock the more current version(s) of the Software. For greater certainty, if you attempt to use an expired License Key to download the latest version of the Software, the Software will revert to being a locked, evaluation copy of that version of the Software.

4. INTELLECTUAL PROPERTY RIGHTS.

This EULA does not grant you any rights in connection with any trademarks or service marks of OF Software Ltd. or DocOrigin. All title and intellectual property rights in and to the Software, the accompanying printed materials, and any copies of the Software are owned by OF Software Ltd. or its suppliers. All title and intellectual property rights in and to the content that is not contained in the Software, but may be accessed through use of the Software, is the property of the respective content owners and may be protected by applicable copyright or other intellectual property laws and treaties. This EULA grants you no rights to use such content. If this Software contains documentation that is provided only in electronic form, you may print one copy of such electronic documentation.

5. DISCLAIMER OF WARRANTIES.

TO THE GREATEST EXTENT PERMITTED BY LAW, THE LICENSED SOFTWARE AND TECHNICAL SUPPORT PROVIDED BY OF SOFTWARE LTD. HEREUNDER ARE PROVIDED ON AN "AS IS" BASIS AND THERE ARE NO WARRANTIES, REPRESENTATIONS OR CONDITIONS, EXPRESS OR IMPLIED, WRITTEN OR ORAL, ARISING BY STATUTE, OPERATION OF LAW, COURSE OF DEALING, USAGE OF TRADE OR OTHERWISE, REGARDING THEM OR ANY OTHER PRODUCT OR SERVICE PROVIDED UNDER THIS AGREEMENT OR IN CONNECTION WITH THIS AGREEMENT BY OF SOFTWARE LTD. OF SOFTWARE LTD. DISCLAIM ANY IMPLIED WARRANTIES OR CONDITIONS OF QUALITY, MERCHANTABILITY, MERCHANTABLE QUALITY, DURABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. OF SOFTWARE LTD. DOES NOT REPRESENT OR WARRANT THAT THE SOFTWARE SHALL MEET ANY OR ALL OF YOUR PARTICULAR REQUIREMENTS, THAT THE SOFTWARE WILL OPERATE ERROR-FREE OR UNINTERRUPTED OR THAT ALL ERRORS OR DEFECTS IN THE SOFTWARE CAN BE FOUND OR CORRECTED.

In certain jurisdictions some or all of the provisions in this Section may not be effective or the applicable law may mandate a more extensive warranty in which case the applicable law will prevail over this Agreement.

6. **LIMITATIONS OF LIABILITY.**

6.1 TO THE GREATEST EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL OF SOFTWARE LTD. BE LIABLE TO YOU OR ANY OTHER PERSON FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES WHATSOEVER, INCLUDING WITHOUT LIMITATION, LEGAL EXPENSES, LOSS OF BUSINESS, LOSS OF PROFITS, LOSS OF REVENUE, LOST OR DAMAGED DATA, LOSS OF COMPUTER TIME, COST OF SUBSTITUTE GOODS OR SERVICES, OR FAILURE TO REALIZE EXPECTED SAVINGS OR ANY OTHER COMMERCIAL OR ECONOMIC LOSSES ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, EVEN IF OF SOFTWARE LTD. HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH LOSS OR DAMAGES, OR SUCH LOSSES OR DAMAGES ARE FORESEEABLE.

6.2 THE ENTIRE LIABILITY OF OF SOFTWARE LTD. AND YOUR EXCLUSIVE REMEDY WITH RESPECT TO THE SOFTWARE AND TECHNICAL SUPPORT AND ANY OTHER PRODUCTS OR SERVICES SUPPLIED BY OF SOFTWARE LTD. IN CONNECTION WITH THIS AGREEMENT FOR DAMAGES FOR ANY CAUSE AND REGARDLESS OF THE CAUSE OF ACTION, WHETHER IN CONTRACT OR IN TORT, INCLUDING FUNDAMENTAL BREACH OR NEGLIGENCE, WILL BE LIMITED IN THE AGGREGATE TO THE AMOUNTS PAID BY YOU FOR THE SOFTWARE, TECHNICAL SUPPORT OR SERVICES GIVING RISE TO THE CLAIM.

6.3 THE DISCLAIMER OF REPRESENTATIONS, WARRANTIES AND CONDITIONS AND LIMITATION OF LIABILITY CONSTITUTE AN ESSENTIAL PART OF THIS AGREEMENT. YOU ACKNOWLEDGE THAT BUT FOR THE DISCLAIMER OF REPRESENTATIONS, WARRANTIES AND CONDITIONS AND LIMITATION OF LIABILITY, NEITHER OF SOFTWARE LTD. NOR ANY OF ITS LICENSORS OR SUPPLIERS WOULD GRANT THE RIGHTS GRANTED IN THIS AGREEMENT.

7. TERM AND TERMINATION

7.1 The term of this Agreement will begin on download of the Software and, in respect of an Evaluation License, shall continue for the Evaluation Period, and in respect of all other license types defined in Section 1, shall continue for as long as You use the Software, unless earlier terminated sooner under this section 7.

7.2 OF Software Ltd. may terminate this Agreement in the event of any breach by You if such breach has not been cured within five (5) days of notice to You. No termination of this Agreement will entitle You to a refund of any amounts paid by You to OF Software Ltd. or its applicable distributor or reseller or affect any obligations You may have to pay any outstanding amounts owing to OF Software Ltd. or its distributor.

7.3 Your rights to use the Software will immediately terminate upon termination or expiration of this Agreement. Within five (5) days of termination or expiration of this Agreement, You shall purge all Software and all copies thereof from all computer systems and storage devices on which it was stored, and certify such to OF Software Ltd.

8. GENERAL PROVISIONS

8.1 **No Waiver.** No delay or failure in exercising any right under this Agreement, or any partial or single exercise of any right, will constitute a waiver of that right or any other rights under this Agreement. No consent to a breach of any express or implied term set out in this Agreement constitutes consent to any subsequent breach, whether of the same or any other provision.

8.2 **Severability**. If any provision of this Agreement is, or becomes, unenforceable, it will be severed from this Agreement and the remainder of this Agreement will remain in full force and effect.

8.3 **Assignment**. You may not transfer or assign this Agreement (whether voluntarily, by operation of law, or otherwise) without OF Software Ltd.'s prior written consent. OF Software Ltd. may assign this Agreement at any time without notice. This Agreement is binding upon and will inure to the benefit of both parties, and their respective successors and permitted assigns.

8.4 **Governing Law and Venue**. This Agreement shall be governed by the laws of the Province of Ontario. No choice of laws rules of any jurisdiction shall apply to this Agreement. You consent and agree that the courts of the Province of Ontario shall have jurisdiction over any legal action or proceeding brought by You arising out of or relating to this Agreement, and You consent to the jurisdiction of such courts for any such action or proceeding.

8.5 **Entire Agreement**. This Agreement is the entire understanding and agreement between You and OF Software Ltd. with respect to the subject matter hereof, and it supersedes all prior negotiations, commitments and understandings, verbal or written, and purchase order issued by You. This Agreement may be amended or otherwise modified by OF Software Ltd. from time to time and the most recent version of the Agreement will be available on the OF Software website www.docorigin.com.

1 Executive Summary

1.1 Project Overview

The Statement of Work (SOW) documents the Project Scope, methodology, roles and responsibilities, implementation stages, and deliverables for the implementation of Tyler products.

The Project goals are to offer City of Ocala the opportunity to make the City more accessible and responsive to external and internal customer needs and more efficient in its operations through:

- Streamlining, automating, and integrating business processes and practices
- Providing tools to produce and access information in a real-time environment
- Enabling and empowering users to become more efficient, productive and responsive
- Successfully overcoming current challenges and meeting future goals

1.2 Product Summary

Below, is a summary of the products included in this Project, as well as reference to the City's functional area utilizing the Tyler product(s). Refer to the Implementation Stages section of this SOW for information containing detailed service components.

[PRODUCT]	[APPLICATION]
Munis	Financial Management
Munis	Procurement
Munis	CAFR Reporting
Munis	Human Resources & Payroll
Munis	Accounts Receivable and Collections
Munis	Work Order, Fleet and Facilities
Munis	Tyler Reporting Services
Munis	Document Management

1.3 Project Timeline

The Project Timeline establishes a start and end date for each Stage of the Project. Developed during the Initiate & Plan Stage and revised as mutually agreed to, if needed, the timeline accounts for resource availability, business goals, size and complexity of the Project, and task duration requirements.

1.4 Project Methodology Overview

Tyler bases its implementation methodology on the Project Management Institute's (PMI) Process Groups (Initiating, Planning, Executing, Monitoring & Controlling, and Closing). Using this model, Tyler developed a 6-stage process specifically designed to focus on critical project success measurement factors.

Tailored specifically for Tyler's Public Sector clients, the project methodology contains Stage Acceptance Control Points throughout each Phase to ensure adherence to Scope, budget, timeline controls, effective

communications, and quality standards. Clearly defined, the project methodology repeats consistently across Phases, and is scaled to meet the City's complexity, and organizational needs.

2 Project Governance

The purpose of this section is to define the resources required to adequately establish the business needs, objectives, and priorities for the Project; communicate the goals to other project participants; and provide support and guidance to accomplish these goals. Project governance also defines the structure for issue escalation and resolution, Change Control review and authority, and organizational Change Management activities.

The preliminary governance structure establishes a clear escalation path when issues and risks require escalation above the Project Manager level. Further refinement of the governance structure, related processes, and specific roles and responsibilities occurs during the Initiate & Plan Stage.

The path below illustrates an overall team perspective where Tyler and the City collaborate to resolve project challenges according to defined escalation paths. In the event Project Managers do not possess authority to determine a solution, resolve an issue, or mitigate a risk, Tyler implementation management and the City steering committee become the escalation points to triage responses prior to escalation to the City and Tyler executive sponsors. As part of the escalation process, each project governance tier presents recommendations and supporting information to facilitate knowledge transfer and issue resolution. The City and Tyler executive sponsors serve as the final escalation point.

2.1 Client Governance

Depending on the City's organizational structure and size, the following governance roles may be filled by one or more people:

2.1.1 Client Project Manager

The City's Project Manager(s) coordinate project team members, subject matter experts, and the overall implementation schedule and serves as the primary point of contact with Tyler. The City Project Manager(s) will be responsible for reporting to the City steering committee and determining appropriate escalation points.

2.1.2 Steering Committee

The City steering committee understands and supports the cultural change necessary for the Project and fosters an appreciation of the Project's value throughout the organization. Oversees the City Project Manager(s) and the Project as a whole and through participation in regular internal meetings, the City steering committee remains updated on all project progress, project decisions, and achievement of project milestones. The City steering committee also provides support to the City Project Manager(s) by communicating the importance of the Project to all impacted departments. The City steering committee is responsible for ensuring the Project has appropriate resources, provides strategic direction to the project team, for making timely decisions on critical project issues or policy decisions. The City steering committee also serves as primary level of issue resolution for the Project.

2.1.3 Executive Sponsor(s)

The City's executive sponsor provides support to the Project by allocating resources, providing strategic direction, and communicating key issues about the Project and the Project's overall importance to the organization. When called upon, the executive sponsor also acts as the final authority on all escalated project issues. The executive sponsor engages in the Project, as needed, in order to provide necessary support, oversight, guidance, and escalation, but does not participate in day-to-day project activities. The executive sponsor empowers the City steering committee, Project Manager(s), and Functional Leads to make critical business decisions for the City.

2.2 Tyler Governance

2.2.1 Tyler Project Manager

The Tyler Project Manager(s) have direct involvement with the Project and coordinates Tyler project team members, subject matter experts, the overall implementation schedule, and serves as the primary point of contact with the City. As requested byt the City, the Tyler Project Manager(s) provide regular updates to the City's steering committee and other Tyler governance members.

2.2.2 Tyler Implementation Management

Tyler implementation management has indirect involvement with the Project and is part of the Tyler escalation process. Tyler Project Manager(s) consult implementation management on issues and outstanding decisions critical to the Project. Implementation management works toward a solution with the Tyler Project Manager(s) or with the City management, as appropriate. Tyler executive management is the escalation point for any issues not resolved at this level. The name(s) and contact information for this resource will be provided and available to the project team.

2.2.3 Tyler Executive Management

Tyler executive management has indirect involvement with the Project and is part of the Tyler escalation process. This team member offers additional support to the project team and collaborates with other Tyler department managers, as needed, in order to escalate and facilitate implementation project tasks and decisions. The name(s) and contact information for this resource will be provided and available to the project team.

2.3 Acceptance and Acknowledgment Process

All Deliverables and Control Points must be accepted or acknowledged following the process below. Acceptance requires a formal sign-off while acknowledgement may be provided without formal sign-off at the time of delivery. The following process will be used for accepting or acknowledging Deliverables and Control Points:

- The City shall have five (5) business days from the date of delivery, or as otherwise mutually agreed upon by the parties in writing, to accept or acknowledge each Deliverable or Control Point. If the City does not provide acceptance or acknowledgement within five (5) business days,

or the otherwise agreed upon timeframe, not to be unreasonably withheld, Tyler deems the Deliverable or Control Point as accepted.

- If the City does not agree the particular Deliverable or Control Point meets requirements, the City shall notify Tyler Project Manager(s), in writing, with reasoning within five (5) business days, or the otherwise agreed-upon timeframe, not to be unreasonably withheld, of receipt of the Deliverable.
- Tyler shall address any deficiencies and redeliver the Deliverable or Control Point. The City shall then have two (2) business days from receipt of the redelivered Deliverable or Control Point to accept or again submit written notification of reasons for rejecting the milestone. If the City does not provide acceptance or acknowledgement within two (2) business days, or the otherwise agreed upon timeframe, not to be unreasonably withheld, Tyler deems the Deliverable or Control Point as accepted.

3 Overall Project Assumptions

3.1 Project, Resources and Scheduling

- Project activities will begin, as mutually agreed to, after the Agreement has been fully executed.
- The City and Tyler can allocate additional internal resources if needed. The City also ensures the alignment of their budget and Scope expectations.
- The City and Tyler ensure that the assigned resources are available, they buy-into the change process, and they possess the required business knowledge to complete their assigned tasks successfully. Should there be a change in resources, the replacement resource should have a comparable level of availability, buy-in, and knowledge.
- Tyler and the City provide adequate resources to support the efforts to complete the Project as scheduled and within the constraints of the project budget.
- Abbreviated timelines and overlapped Phases can result in project delays if there are not sufficient resources assigned to complete all required work as scheduled.
- Changes to Project Plan, availability of resources or changes in Scope may result in schedule delays, which may result in additional charges to the Project.
- Tyler provides a written agenda and notice of any prerequisites to the City Project Manager(s) ten (10) business days prior to any scheduled on site or remote sessions.
- Tyler provides notice of any prerequisites to the City Project Manager(s) a minimum of ten (10) business days prior to any key deliverable due dates.
- City users complete prerequisites prior to applicable scheduled activities.
- Tyler provides guidance for configuration and processing options available within the Tyler software. The City is responsible for making decisions based on the options available.
- In the event the City may elect to add and/or modify current business policies during the course of this Project, such policy changes are solely the City's responsibility to define, document, and implement.
- The City makes timely Project related decisions in order to achieve scheduled due dates on tasks and prepare for subsequent training sessions. Decisions left unmade may affect the schedule, as each analysis and implementation session builds on the decisions made in prior sessions.
- Tyler considers additional services out of Scope and requires additional time and costs be requested via Change Request approved through the Change Control process.
- The City will respond to information requests in a comprehensive and timely manner, in accordance with the Project Plan.

3.2 Data Conversion

- The City is readily able to produce the needed data files from a static database for conversion from the Legacy System to provide them to Tyler on the specified due date(s). At the time the Legacy System data file is extracted, the City will produce reports and detail screen captures to reconcile the converted data.
- Each Legacy System data file submitted for conversion includes all associated records in a single approved file layout.
- The City will grant Tyler access to the Legacy System to assist with understanding data relationships to improve the accuracy and quality of the converted data.

- The City understands the Legacy System data file must be in the same format each time unless changes are mutually agreed upon in advance. If not, negative impacts to the schedule, budget, and resource availability may occur and/or data in the new system may be incorrect.
- During this process, the City may need to correct data scenarios in their Legacy System prior to the final data pull. This is a complex activity and requires due diligence by the City to ensure all data pulled includes all required data and the Tyler system contains properly mapped data.
- During Production Cutover, the City may need to manually add or correct data after data has been loaded into the production database as mutually agreed to prior to the load.

3.3 Data Exchanges, Modifications, Forms and Reports

- The City ensures the 3rd party data received conforms to a Tyler standard format.
- The 3rd party possesses the knowledge of how to program their portion of the interaction and understands how to manipulate the data received.
- Client is on a supported, compatible version of the 3rd party software or Tyler Standard Data Exchange tools may not be available.
- The City is willing to make reasonable business process changes rather than expecting the product to conform to every aspect of their current system/process.
- Any Modification requests not expressly stated in the contract are out of Scope. Modifications requested after contract signing have the potential to change cost, Scope, schedule, and production dates for project Phases. Modification requests not in Scope must follow the Project Change Control process.
- The City's testing environment contains the Tyler software version required for delivery of the Modification prior to the scheduled delivery date for testing
- The City is responsible for verifying the performance of the Modification as defined by the specification

3.4 Hardware and Software

- Tyler will initially install the most current generally available version of the purchased Tyler software.
- The City will provide network access for Tyler modules, printers, and Internet access to all applicable City and Tyler project staff.
- The City has in place all hardware, software, and technical infrastructure necessary to support the Project.
- The City's system hardware and software meet Tyler standards to ensure sufficient speed and operability of Tyler software. Tyler will not support use of software if the City does not meet minimum standards of Tyler's published specifications.

3.5 Environments and Databases

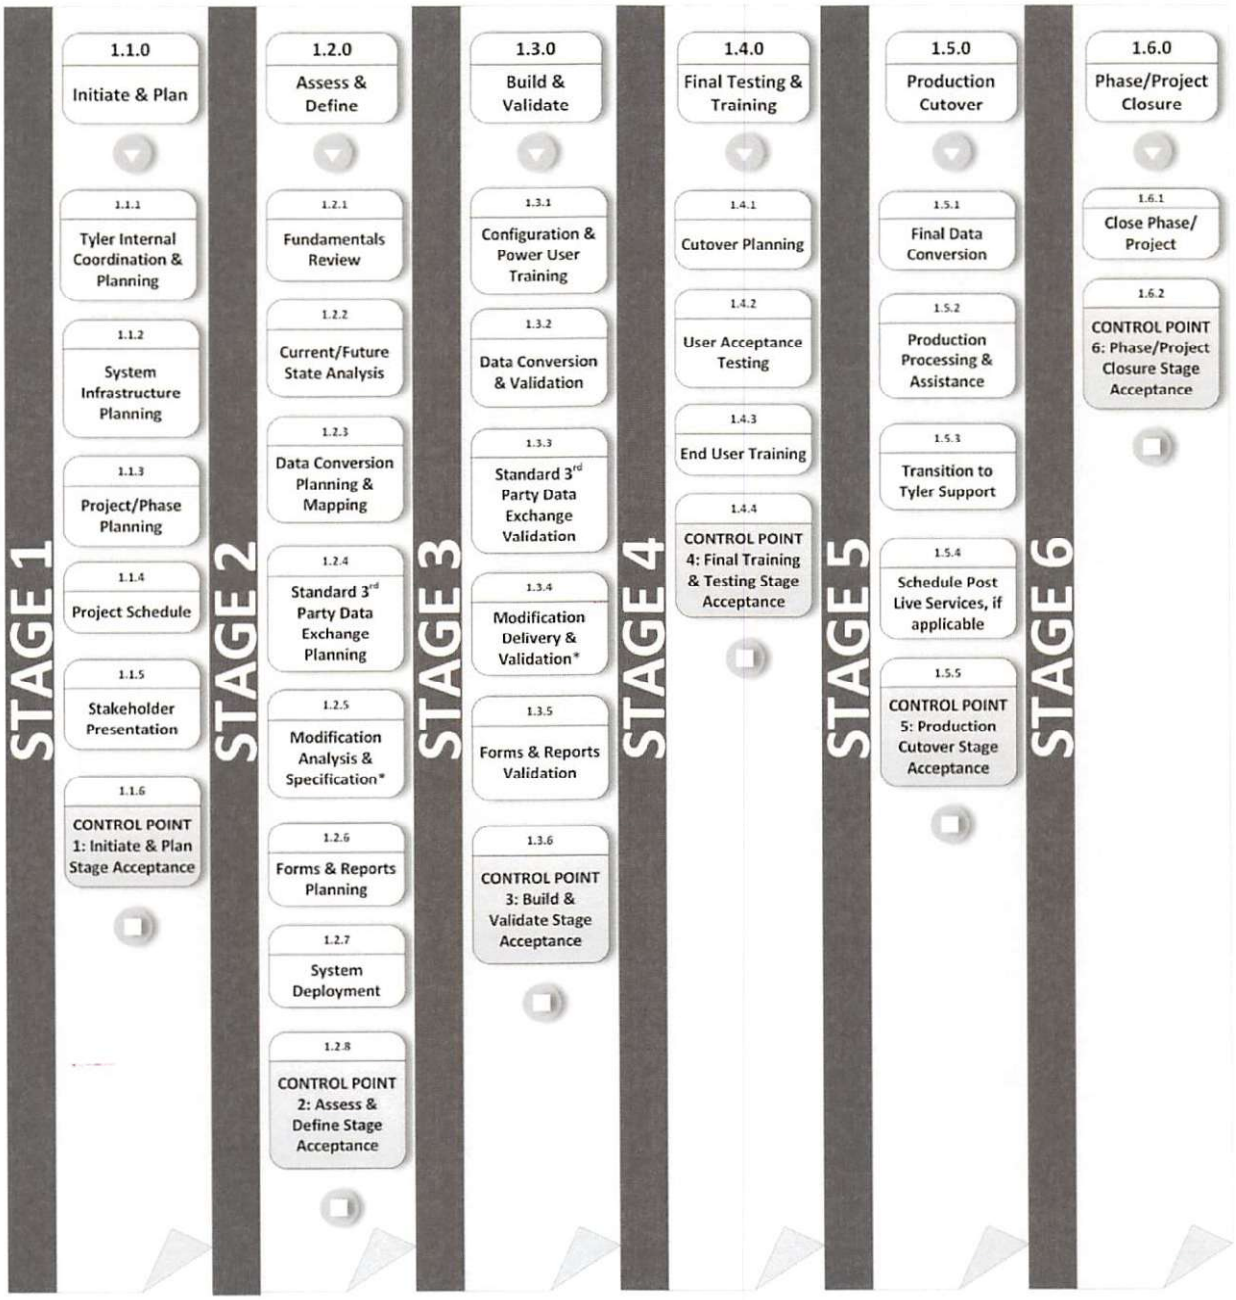
- Tyler will establish three (3) software environments and three (3) databases for the Project. The environments will be production, train and test. Each environment will have a corresponding database named the same as the environments; production database, train database and test database
- The test environment will be used by Tyler to build the solution. Tyler will use the test database for testing and reviewing converted data. Tyler will also use the test database to present

completed Deliverables to the City for acceptance. Once Deliverables have been accepted, they will be moved to the production and train environments

- The train database will be used by the City for reviewing the converted data, testing, and training
- At Production Cutover the production database will be used for processing daily functions

3.6 Education

- Throughout the Project lifecycle, the City provides a training room for Tyler staff to transfer knowledge to the City's resources, for both onsite and remote sessions. The City will provide staff with a location to practice what they have learned without distraction. If Phases overlap, the City will provide multiple training facilities to allow for independent sessions scheduling without conflict.
- The training room is set up in a classroom setting. The City determines the number of workstations in the room. Tyler recommends every person attending a scheduled session with a Tyler Consultant or Trainer have their own workstation. However, Tyler requires there be no more than two (2) people at a given workstation.
- The City provides a workstation which connects to the Tyler system for the Tyler trainer conducting the session. The computer connects to a City provided projector, allowing all attendees the ability to actively engage in the training session.
- Tyler is responsible for providing formal training on all functional areas of the software to the City's designated Power Users. The City will designate up to fifteen (15) Power Users for any specific class. The Power Users will vary based on agenda topics and area of the assessment office that the class pertains to. Power Users will then be empowered with the knowledge to conduct training to City End Users. In addition, informal education will occur leading up to the formal training sessions. Every time Tyler resources work with City staff to demonstrate a specific function/feature/executable with the City is an opportunity to better understand and appreciate the Tyler solution
- Tyler will conduct one (1) formal training session for each of the functional areas of the software. The functional areas covered will allow the City to utilize the software. The City is responsible for assigning the appropriate Power Users to attend these sessions
- Tyler follows a train-the-trainer approach to allow City Power Users attending the sessions to disseminate the knowledge being learned during Tyler lead sessions to other City users
- Users performing User Acceptance Testing (UAT) have attended all applicable training sessions prior to performing UAT.



3.7 Assumption Mitigation

- In the event that any assumptions are not met or prove to be invalid the parties agree to work in good faith to mitigate any resulting issues

4 Implementation Stages

4.1 Work Breakdown Structure (WBS)

The Work Breakdown Structure (WBS) is a hierarchical representation of a Project or Stage broken down into smaller, more manageable components. The top level components are called "Stages" and the second level components are called "work packages." The work packages, shown below each Stage, contain the high-level work to be done. The detailed Project Plan, developed during Initiate & Plan and finalized during Assess & Define, will list the tasks to be completed within each work package. Each Stage ends with a "Control Point", confirming the work performed during that Stage of the Project.

* - If included in project scope

4.2 Initiate & Plan (Stage 1)

The Initiate & Plan Stage creates a foundation for the Project through identification of City and Tyler Project management teams, development of implementation management plans, and the provision and discussion of system infrastructure requirements. City participation in gathering information is critical. Tyler Project management teams present initial plans to stakeholder teams at Stage end.

4.2.1 Tyler Internal Coordination & Planning

Prior to Project commencement, Tyler management staff assigns Project Manager(s). Tyler provides the City with initial Project documents used in gathering basic information, which aids in preliminary planning and scheduling. City participation in gathering requested information by provided deadlines ensures the Project moves forward in a timely fashion. Internally, the Tyler Project Manager(s) coordinate with Sales to ensure transfer of vital information from the sales process prior to scheduling a Project Planning Meeting with the City's team. During this step, Tyler will work with the Client to establish the date(s) for the Project/Phase Planning session.

RACI MATRIX KEY: **R** = Responsible **A** = Accountable **C** = Consulted **I** = Informed

STAGE 1	Tyler Internal Coordination & Planning																				
	TYLER									CLIENT											
TASKS	Tyler Executive Manager	Tyler Implementation Manager	Tyler Project Manager	Tyler Implementation Consultant	Tyler Data Conversion Experts	Tyler Forms & Reports Experts	Tyler Customization Programmers	Tyler Technical Support	Tyler Sales	Client Executive Sponsor	Client Steering Committee	Client Project Manager	Client Functional Leads	Client Change Management Leads	Client Power Users	Client Department Heads	Client End Users	Client Technical Leads	Client Project Toolset Coordinator	Client Upgrade Coordinator
Assign Tyler Project Manager	A	R	I						I			I									
Provide initial Project documents to Client	A	I	R						C			I									
Sales to Implementation knowledge transfer	A	I	R						C												
Internal planning and phase coordination		A	R					C													

4.2.2 System Infrastructure Planning

The City provides, purchases or acquires hardware according to hardware specifications provided by Tyler and ensures it is available at the City's site. The City completes the system infrastructure audit, ensuring vital system infrastructure information is available to the Tyler implementation team, and verifies all hardware compatibility with Tyler solutions.

RACI MATRIX KEY: **R** = Responsible **A** = Accountable **C** = Consulted **I** = Informed

STAGE 1	Tyler Internal Coordination & Planning																				
	TYLER									CLIENT											
TASKS	Tyler Executive Manager	Tyler Implementation Manager	Tyler Project Manager	Tyler Implementation Consultant	Tyler Data Conversion Experts	Tyler Forms & Reports Experts	Tyler Customization Programmers	Tyler Technical Support	Tyler Sales	Client Executive Sponsor	Client Steering Committee	Client Project Manager	Client Functional Leads	Client Change Management Leads	Client Power Users	Client Department Heads	Client End Users	Client Technical Leads	Client Project Toolset Coordinator	Client Upgrade Coordinator
Provide system hardware specifications			I					R	A			I						C		
Make hardware available for Installation			I					C				A						R		
Install system hardware, if applicable			I					C				A						R		
Complete system infrastructure audit			I					C				A						R		

4.2.3 Project/Phase Planning

Project and Phase planning provides an opportunity to review the contract, software, data conversions and services purchased, identify Applications to implement in each Phase (if applicable), and discuss implementation timeframes. The Tyler Project Manager(s) deliver an Implementation Management Plan, which is mutually agreeable by City and Tyler.

RACI MATRIX KEY: **R** = Responsible **A** = Accountable **C** = Consulted **I** = Informed

STAGE 1	Tyler Internal Coordination & Planning																				
	TYLER									CLIENT											
TASKS	Tyler Executive Manager	Tyler Implementation Manager	Tyler Project Manager	Tyler Implementation Consultant	Tyler Data Conversion Experts	Tyler Forms & Reports Experts	Tyler Customization Programmers	Tyler Technical Support	Tyler Sales	Client Executive Sponsor	Client Steering Committee	Client Project Manager	Client Functional Leads	Client Change Management Leads	Client Power Users	Client Department Heads	Client End Users	Client Technical Leads	Client Project Toolset Coordinator	Client Upgrade Coordinator
Perform Project/Phase Planning		A	R								I	C	C			I					
Deliver implementation management plan		A	R									C	C	I							

4.2.4 Project Schedule

Client and Tyler will mutually develop an initial Project schedule. The initial schedule includes, at minimum, enough detail to begin Project activities while the detailed Project Plan/schedule is being developed and refined.

RACI MATRIX KEY: **R** = Responsible **A** = Accountable **C** = Consulted **I** = Informed

STAGE 1	Tyler Internal Coordination & Planning																				
	TYLER									CLIENT											
TASKS	Tyler Executive Manager	Tyler Implementation Manager	Tyler Project Manager	Tyler Implementation Consultant	Tyler Data Conversion Experts	Tyler Forms & Reports Experts	Tyler Customization Programmers	Tyler Technical Support	Tyler Sales	Client Executive Sponsor	Client Steering Committee	Client Project Manager	Client Functional Leads	Client Change Management Leads	Client Power Users	Client Department Heads	Client End Users	Client Technical Leads	Client Project Toolset Coordinator	Client Upgrade Coordinator
Develop initial Project schedule		A	R	I								C	I	I						
Deliver Project Plan and schedule for Project Phase		A	R	I						I	I	C	C	I	I	I				
Client reviews Project Plan & initial schedule			C							I	A	R	C	C		C				
Client approves Project Plan & initial schedule			I							I	A	R	C	C	I	I		I	I	I

4.2.5 Stakeholder Presentation

City stakeholders join Tyler Project Management to communicate successful Project criteria, Project goals, Deliverables, a high-level milestone schedule, and roles and responsibilities of Project participants.

RACI MATRIX KEY: **R** = Responsible **A** = Accountable **C** = Consulted **I** = Informed

STAGE 1	Tyler Internal Coordination & Planning																				
	TYLER									CLIENT											
TASKS	Tyler Executive Manager	Tyler Implementation Manager	Tyler Project Manager	Tyler Implementation Consultant	Tyler Data Conversion Experts	Tyler Forms & Reports Experts	Tyler Customization Programmers	Tyler Technical Support	Tyler Sales	Client Executive Sponsor	Client Steering Committee	Client Project Manager	Client Functional Leads	Client Change Management Leads	Client Power Users	Client Department Heads	Client End Users	Client Technical Leads	Client Project Toolset Coordinator	Client Upgrade Coordinator
Present overview of Project Deliverables, project schedule and roles and responsibilities		A	R	I					I	I	I	C	I	I	I	I		I	I	I
Communicate successful Project criteria and goals			I							R	C	A	C	I	I	C	I	I		

4.2.6 Control Point 1: Initiate & Plan Stage Acceptance

Acceptance criteria for this Stage includes completion of all criteria listed below. Advancement to the Assess & Define Stage is dependent upon Tyler's receipt of the Stage Acceptance.

4.2.6.1 Initiate & Plan Stage Deliverables

- Implementation Management Plan
  - Objective: Update and deliver baseline management plans to reflect the approach to the City's Project.
  - Scope: The Implementation Management addresses how communication, quality control, risks/issues, resources and schedules, and Software Upgrades (if applicable) will be managed throughout the lifecycle of the Project.
  - Acceptance criteria: City reviews and acknowledges Implementation Management Plan
- Project Plan/Schedule
  - Objective: Provide a comprehensive list of tasks, timelines and assignments related to the Deliverables of the Project.
  - Scope: Task list, assignments and due dates
  - Acceptance criteria: City acceptance of schedule based on City resource availability and Project budget and goals.

4.2.6.2 Initiate & Plan Stage Acceptance Criteria

- Hardware Installed
- System infrastructure audit complete and verified
- Implementation Management Plan delivered
- Project Plan/Schedule delivered; dates confirmed
- Stakeholder Presentation complete

4.3 Assess & Define (Stage 2)

The primary objective of Assess & Define is to gather information about current City business processes and translate the material into future business processes using Tyler Applications. Tyler uses a variety of methods for obtaining the information, all requiring City collaboration. The City shall provide complete and accurate information to Tyler staff for analysis and understanding of current workflows and business processes.

4.3.1 Fundamentals Review

Fundamentals Review provides functional leads and Power Users an overall understanding of software capabilities prior to beginning current and future state analysis. The primary goal is to provide a basic understanding of system functionality, which provides a foundation for upcoming conversations regarding future state processing. Tyler utilizes a variety of methods for completing fundamentals training including the use of eLearning, videos, documentation, and walkthroughs.

RACI MATRIX KEY: **R** = Responsible **A** = Accountable **C** = Consulted **I** = Informed

STAGE 2	Tyler Internal Coordination & Planning																				
	TYLER									CLIENT											
TASKS	Tyler Executive Manager	Tyler Implementation Manager	Tyler Project Manager	Tyler Implementation Consultant	Tyler Data Conversion Experts	Tyler Forms & Reports Experts	Tyler Customization Programmers	Tyler Technical Support	Tyler Sales	Client Executive Sponsor	Client Steering Committee	Client Project Manager	Client Functional Leads	Client Change Management Leads	Client Power Users	Client Department Heads	Client End Users	Client Technical Leads	Client Project Toolset Coordinator	Client Upgrade Coordinator
Schedule fundamentals review & provide fundamentals materials & prerequisites, if applicable		A	R	I								C	I		I				I	
Complete fundamentals materials review and prerequisites			I									A	R		I				C	
Ensure all scheduled attendees are present			I	I							A	R	C		I					
Facilitate fundamentals review			A	R								I	I		I					

4.3.2 Current/Future State Analysis

City and Tyler evaluate current state processes, options within the new software, pros and cons of each option based on current or desired state, and make decisions about future state configuration and processing.

RACI MATRIX KEY: **R** = Responsible **A** = Accountable **C** = Consulted **I** = Informed

STAGE 2	Tyler Internal Coordination & Planning																			
	TYLER									CLIENT										
TASKS	Tyler Executive Manager	Tyler Implementation Manager	Tyler Project Manager	Tyler Implementation Consultant	Tyler Data Conversion Experts	Tyler Forms & Reports Experts	Tyler Customization Programmers	Tyler Technical Support	Tyler Sales	Client Executive Sponsor	Client Steering Committee	Client Project Manager	Client Functional Leads	Client Change Management Leads	Client Power Users	Client Department Heads	Client End Users	Client Technical Leads	Client Project Toolset Coordinator	Client Upgrade Coordinator
Provide Current/Future State analysis materials to the City, as applicable		A	R	I								C	I		I					
Conduct Current & Future State analysis			A	R								I	C	I	C					
Provide pros and cons of Tyler software options			A	R								I	C	I	C					
Make Future State Decisions according to due date in the Project Plan			I	I							C	A	R	I	C	I				
Record Future State decisions			A	R								I	C	I	C					

4.3.3 Data Conversion Planning & Mapping

This entails the activities performed to prepare to convert data from the City's Legacy System Applications to the Tyler system. Tyler staff and the City work together to complete Data Mapping for each piece of data (as outlined in the Agreement) from the Legacy System to a location in the Tyler system.

RACI MATRIX KEY: **R** = Responsible **A** = Accountable **C** = Consulted **I** = Informed

STAGE 2	Tyler Internal Coordination & Planning																				
	TYLER									CLIENT											
TASKS	Tyler Executive Manager	Tyler Implementation Manager	Tyler Project Manager	Tyler Implementation Consultant	Tyler Data Conversion Experts	Tyler Forms & Reports Experts	Tyler Customization Programmers	Tyler Technical Support	Tyler Sales	Client Executive Sponsor	Client Steering Committee	Client Project Manager	Client Functional Leads	Client Change Management Leads	Client Power Users	Client Department Heads	Client End Users	Client Technical Leads	Client Project Toolset Coordinator	Client Upgrade Coordinator
Review contracted data conversion(s) options			A	R	I							C	C		C			C		
Map data from Legacy System to Tyler system			I	C	I							A	C		C			R		
Pull conversion data extract			I		I							A	C		C			R		
Run balancing Reports for data pulled and provide to Tyler			I		I							A	C		R			I		
Review and approve initial data extract		A	I	C	R							I						I		
Correct issues with data extract, if needed			I	C	C							A	C		C			R		

4.3.4 Standard 3rd Party Data Exchange Planning

Standard Data Exchange tools are available to allow clients to get data in and out of the Tyler system with external systems. Data exchange tools can take the form of Imports and Exports, and Interfaces.

A Standard Interface is a real-time or automated exchange of data between two systems. This could be done programmatically or through an API. It is Tyler's responsibility to ensure the Tyler programs operate correctly. It is the City's responsibility to ensure the third party program operates or accesses the data correctly.

The City and Tyler Project Manager(s) will work together to define/confirm which Data Exchanges are needed (if not outlined in the Agreement). Tyler will provide a file layout for each Standard Data Exchange.

RACI MATRIX KEY: **R** = Responsible **A** = Accountable **C** = Consulted **I** = Informed

STAGE 2	Tyler Internal Coordination & Planning																				
	TYLER									CLIENT											
TASKS	Tyler Executive Manager	Tyler Implementation Manager	Tyler Project Manager	Tyler Implementation Consultant	Tyler Data Conversion Experts	Tyler Forms & Reports Experts	Tyler Customization Programmers	Tyler Technical Support	Tyler Sales	Client Executive Sponsor	Client Steering Committee	Client Project Manager	Client Functional Leads	Client Change Management Leads	Client Power Users	Client Department Heads	Client End Users	Client Technical Leads	Client Project Toolset Coordinator	Client Upgrade Coordinator
Review Standard or contracted Data Exchanges			A	R								C	I		I			C		
Define or confirm needed Data Exchanges			I	C								A	C		C			R		

4.3.5 Customization Analysis & Specification, if contracted

Tyler staff conducts additional analysis and develops specifications based on information discovered during this Stage. The City reviews the specifications and confirms they meet City's needs prior to acceptance. Out of Scope items or changes to specifications after acceptance may require a Change Request.

Tyler's intention is to minimize Customizations by using Standard functionality within the Application, which may require a City business process change. It is the responsibility of the City to detail all of their needs during the Assess and Define Stage. Tyler will write up specifications (for City approval) for contracted program Customizations. Upon approval, Tyler will make the agreed upon Customizations to the respective program(s). Once the Customizations have been delivered, the City will test and approve those changes during the Build and Validate Stage.

RACI MATRIX KEY: **R** = Responsible **A** = Accountable **C** = Consulted **I** = Informed

STAGE 2	Tyler Internal Coordination & Planning																				
	TYLER									CLIENT											
TASKS	Tyler Executive Manager	Tyler Implementation Manager	Tyler Project Manager	Tyler Implementation Consultant	Tyler Data Conversion Experts	Tyler Forms & Reports Experts	Tyler Customization Programmers	Tyler Technical Support	Tyler Sales	Client Executive Sponsor	Client Steering Committee	Client Project Manager	Client Functional Leads	Client Change Management Leads	Client Power Users	Client Department Heads	Client End Users	Client Technical Leads	Client Project Toolset Coordinator	Client Upgrade Coordinator
Analyze contracted custom program requirements			A	C			R					C	C	I	C			C		
Develop specification document(s)	A		I	C			R					I	I		I			I		
Review specification document(s); provide changes to Tyler, if applicable			I	C			C					A	R	I	C			C		
Sign-off on specification document(s) and authorize work			I				I				A	R	C	I	I			C		

4.3.6 Forms & Reports Planning

City and Tyler Project Manager(s) review Forms and Reporting needs. Items that may be included in the Agreement are either Standard Forms and Reports or known/included Customization(s). Items not included in the Agreement could be either City-developed Reports or a newly discovered Customization that will require a Change Request.

RACI MATRIX KEY: **R** = Responsible **A** = Accountable **C** = Consulted **I** = Informed

STAGE 2	Tyler Internal Coordination & Planning																				
	TYLER									CLIENT											
TASKS	Tyler Executive Manager	Tyler Implementation Manager	Tyler Project Manager	Tyler Implementation Consultant	Tyler Data Conversion Experts	Tyler Forms & Reports Experts	Tyler Customization Programmers	Tyler Technical Support	Tyler Sales	Client Executive Sponsor	Client Steering Committee	Client Project Manager	Client Functional Leads	Client Change Management Leads	Client Power Users	Client Department Heads	Client End Users	Client Technical Leads	Client Project Toolset Coordinator	Client Upgrade Coordinator
Review required Forms output			A	R									C	I	C			I		
Review and complete Forms options and submit to Tyler			I			I						A	R		C					
Review in Scope Reports			A	R								I	C		C					
Identify additional Report needs			I	C								A	R		C					
Add applicable tasks to Project schedule		A	R	I		C						C	I		I			I		

4.3.7 System Deployment

The Tyler Technical Services team installs Tyler Applications on the server (hosted or client-based) and ensures the platform operates as expected.

RACI MATRIX KEY: **R** = Responsible **A** = Accountable **C** = Consulted **I** = Informed

STAGE 2	Tyler Internal Coordination & Planning																				
	TYLER									CLIENT											
TASKS	Tyler Executive Manager	Tyler Implementation Manager	Tyler Project Manager	Tyler Implementation Consultant	Tyler Data Conversion Experts	Tyler Forms & Reports Experts	Tyler Customization Programmers	Tyler Technical Support	Tyler Sales	Client Executive Sponsor	Client Steering Committee	Client Project Manager	Client Functional Leads	Client Change Management Leads	Client Power Users	Client Department Heads	Client End Users	Client Technical Leads	Client Project Toolset Coordinator	Client Upgrade Coordinator
Install contracted software on server	A		I					R				I						C		
Ensure platform operates as expected	A		I					R				I						C		

4.3.8 Control Point 2: Assess & Define Stage Acceptance

Acceptance criteria for this Stage includes completion of all criteria listed below. Advancement to the Build & Validate Stage is dependent upon Tyler's receipt of the Stage Acceptance.

4.3.8.1 Assess & Define Stage Deliverables

- Completed analysis Questionnaire
  - Objective: Gather and document information related to City business processes for current/future state analysis as it relates to Tyler approach/solution.
  - Scope: Provide comprehensive answers to all questions on Questionnaire(s).
  - Acceptance criteria: City acceptance of completed Questionnaire based on thoroughness of capturing all City business practices to be achieved through Tyler solution.
- Data conversion summary and specification documents
  - Objective: Define data conversion approach and strategy
  - Scope: Data conversion approach defined, data extract strategy, conversion and reconciliation strategy.
  - Acceptance criteria: Data conversion document(s) delivered to the City, reflecting complete and accurate conversion decisions.
- Customization specification documents, if contracted
  - Objective: Provide comprehensive outline of identified gaps, and how the custom program meets the City's needs
  - Scope: Design solution for Customization
  - Acceptance criteria: City accepts Custom Specification Document(s) and agrees that the proposed solution meets their requirements
- Completed Forms options and/or packages
  - Objective: Provide specifications for each City in Scope form, Report and output requirements
  - Scope: Complete Forms package(s) included in agreement and identify Reporting needs.
  - Acceptance criteria: Identify Forms choices and receive supporting documentation
- Installation checklist
  - Objective: Installation of purchased Tyler software
  - Scope: Tyler will conduct an initial coordination call, perform an installation of the software included in the Agreement, conduct follow up to ensure all tasks are complete, and complete server system administration training, unless the City is hosted.
  - Acceptance criteria: Tyler software is successfully installed and available to authorized users, City team members are trained on applicable system administration tasks.

4.3.8.2 Assess & Define Stage Acceptance Criteria

- Tyler software is installed
- Fundamentals review is complete

- Required Form information complete and provided to Tyler
- Current/Future state analysis completed; Questionnaires delivered and reviewed
- Data conversion mapping and extractions completed and provided to Tyler

4.4 Build & Validate (Stage 3)

The objective of the Build & Validate Stage is to prepare the software for use in accordance with the City's needs identified during the Assess and Define Stage, preparing the City for Final Testing and Training.

4.4.1 Configuration & Power User Training

Tyler staff collaborates with the City to complete software configuration based on the outputs of the future state analysis performed during the Assess and Define Stage. Tyler staff will train the City Power Users to prepare them for the Validation of the software. The City collaborates with Tyler staff iteratively to Validate software configuration.

RACI MATRIX KEY: **R** = Responsible **A** = Accountable **C** = Consulted **I** = Informed

STAGE 3	Tyler Internal Coordination & Planning																				
	TYLER									CLIENT											
TASKS	Tyler Executive Manager	Tyler Implementation Manager	Tyler Project Manager	Tyler Implementation Consultant	Tyler Data Conversion Experts	Tyler Forms & Reports Experts	Tyler Customization Programmers	Tyler Technical Support	Tyler Sales	Client Executive Sponsor	Client Steering Committee	Client Project Manager	Client Functional Leads	Client Change Management Leads	Client Power Users	Client Department Heads	Client End Users	Client Technical Leads	Client Project Toolset Coordinator	Client Upgrade Coordinator
Perform configuration			A	R								I	R		I					
Power User process and Validation training			A	R								I	C	I	C				I	
Validate configuration			I	C								A	C		R			C		

4.4.2 Data Conversion & Validation

Tyler completes an initial review of the converted data for errors. With assistance from the City, the Tyler Data Conversion Team addresses items within the conversion program to provide the most efficient data conversion possible. With guidance from Tyler, the City reviews specific data elements within the system and identifies and Reports discrepancies in writing. Iteratively, Tyler collaborates with the City to address conversion discrepancies prior to acceptance.

RACI MATRIX KEY: **R** = Responsible **A** = Accountable **C** = Consulted **I** = Informed

STAGE 3	Tyler Internal Coordination & Planning																				
	TYLER									CLIENT											
TASKS	Tyler Executive Manager	Tyler Implementation Manager	Tyler Project Manager	Tyler Implementation Consultant	Tyler Data Conversion Experts	Tyler Forms & Reports Experts	Tyler Customization Programmers	Tyler Technical Support	Tyler Sales	Client Executive Sponsor	Client Steering Committee	Client Project Manager	Client Functional Leads	Client Change Management Leads	Client Power Users	Client Department Heads	Client End Users	Client Technical Leads	Client Project Toolset Coordinator	Client Upgrade Coordinator
Write and run data conversion program against Client data		A	I	C	R													C		
Complete initial review of data errors		A	I	C	R							I	I					C		
Review data conversion and submit needed corrections			I	C	I							A	C		R			C		
Revise conversion program(s) to correct error(s)		A	I	C	R							I	I		C			C		

4.4.3 Standard 3rd Party Data Exchange Validation

Tyler provides training on Data Exchange(s) and the City tests each Data Exchange.

RACI MATRIX KEY: **R** = Responsible **A** = Accountable **C** = Consulted **I** = Informed

STAGE 3	Tyler Internal Coordination & Planning																				
	TYLER									CLIENT											
TASKS	Tyler Executive Manager	Tyler Implementation Manager	Tyler Project Manager	Tyler Implementation Consultant	Tyler Data Conversion Experts	Tyler Forms & Reports Experts	Tyler Customization Programmers	Tyler Technical Support	Tyler Sales	Client Executive Sponsor	Client Steering Committee	Client Project Manager	Client Functional Leads	Client Change Management Leads	Client Power Users	Client Department Heads	Client End Users	Client Technical Leads	Client Project Toolset Coordinator	Client Upgrade Coordinator
Train Data Exchange(s) processing in Tyler software			A	R								C	I	I	I			C	I	
Coordinate 3rd Party Data Exchange activities			I	I								A	C		C			R		
Test all Standard 3rd party Data Exchange(s)			I	C								A	C	I	R			C		

4.4.4 Customization Delivery & Validation, if contracted

Tyler delivers in Scope Customization(s) to the City for preliminary testing. Final acceptance will occur during the Final Testing and Training Stage.

RACI MATRIX KEY: **R** = Responsible **A** = Accountable **C** = Consulted **I** = Informed

STAGE 3	Tyler Internal Coordination & Planning																				
	TYLER									CLIENT											
TASKS	Tyler Executive Manager	Tyler Implementation Manager	Tyler Project Manager	Tyler Implementation Consultant	Tyler Data Conversion Experts	Tyler Forms & Reports Experts	Tyler Customization Programmers	Tyler Technical Support	Tyler Sales	Client Executive Sponsor	Client Steering Committee	Client Project Manager	Client Functional Leads	Client Change Management Leads	Client Power Users	Client Department Heads	Client End Users	Client Technical Leads	Client Project Toolset Coordinator	Client Upgrade Coordinator
Develop and deliver contracted custom program(s)		A	I	C	I		R					I	C	I	C			I		C
Test contracted custom program(s) in isolated database			I	C			C					A	C		R			C		
Report discrepancies between specification and delivered contracted custom program(s)			I	I			I					A	R		C			C		
Make corrections to contracted custom program(s) as required		A	I	C	I		R					I	C		C			I		

4.4.5 Forms & Reports Validation

Tyler provides training on Standard Forms/Reports and the City tests each Standard Form/Report.

RACI MATRIX KEY: **R** = Responsible **A** = Accountable **C** = Consulted **I** = Informed

Test Standard Forms & Reports			I	C		C						A	C		R			C		

4.4.6 Control Point 3: Build & Validate Stage Acceptance

Acceptance criteria for this Stage includes all criteria listed below. Advancement to the Final Testing & Training Stage is dependent upon Tyler's receipt of the Stage Acceptance.

4.4.6.1 Build & Validate Stage Deliverables

- Initial data conversion
  - Objective: Convert Legacy System data into Tyler system
  - Scope: Data conversion program complete; deliver converted data for review
  - Acceptance criteria: Initial error log available for review
- Data conversion verification document
  - Objective: Provide instructions to the City to verify converted data for accuracy
  - Scope: Provide self-guided instructions to verify specific data components in Tyler system
  - Acceptance criteria: City accepts data conversion delivery; City completes data issues log
- Installation of Customizations on the City's server(s) *except for hosted Clients
  - Objective: Deliver Customization(s) in Tyler software
  - Scope: Program for Customization is complete and available in Tyler software, Customization testing
  - Acceptance criteria: Delivery of Customization(s) results in objectives described in the City-signed specification.
- Standard Forms & Reports Delivered
  - Objective: Provide Standard Forms & Reports for review
  - Scope: Installation of all Standard Forms & Reports included in the Agreement
  - Acceptance criteria: Standard Forms & Reports available in Tyler software for testing in Stage 4

4.4.6.2 Build & Validate Stage Acceptance Criteria

- Application configuration completed
- Standard Forms & Reports delivered and available for testing in Stage 4
- Data conversions (except final pass) delivered
- Standard 3rd party Data Exchange training provided
- Customizations delivered and available for testing in Stage 4
- The City and Tyler have done a review of primary configuration areas to Validate completeness and readiness for testing and acceptance in Stage 4.

4.5 Final Testing & Training (Stage 4)

During Final Testing and Training, Tyler and the City review the final Cutover plan. A critical Project success factor is the City understanding the importance of Final Testing and Training and dedicating the resources required for testing and training efforts in order to ensure a successful Production Cutover.

4.5.1 Cutover Planning

City and Tyler Project Manager(s) discuss final preparations and critical dates for Production Cutover. Tyler delivers a Production Cutover Checklist to outline Cutover tasks to help prepare the City for success.

RACI MATRIX KEY: **R** = Responsible **A** = Accountable **C** = Consulted **I** = Informed

STAGE 4	Tyler Internal Coordination & Planning																			
	TYLER									CLIENT										
TASKS	Tyler Executive Manager	Tyler Implementation Manager	Tyler Project Manager	Tyler Implementation Consultant	Tyler Data Conversion Experts	Tyler Forms & Reports Experts	Tyler Customization Programmers	Tyler Technical Support	Tyler Sales	Client Executive Sponsor	Client Steering Committee	Client Project Manager	Client Functional Leads	Client Change Management Leads	Client Power Users	Client Department Heads	Client End Users	Client Technical Leads	Client Project Toolset Coordinator	Client Upgrade Coordinator
Cutover Planning Session		A	R	C							I	C	C	C	C			C	C	
Develop Production Cutover Checklist		A	R	C						I	I	C	C	I	I			C		

4.5.2 User Acceptance Testing (UAT)

The City performs User Acceptance Testing to verify software readiness for day-to-day business processing. Tyler provides a Test Plan for users to follow to ensure proper Validation of the system.

RACI MATRIX KEY: **R** = Responsible **A** = Accountable **C** = Consulted **I** = Informed

STAGE 4	Tyler Internal Coordination & Planning

Deliver Test Plan for User Acceptance Testing		A	R	C								I	I							
Perform User Acceptance Testing			I	C							A	R	C	C	C	I	I	C	I	
Accept custom program(s), if applicable			I	I			I				A	R	C	I	C			C		
Validate Report performance			I	C		C						A	C		R			C		

4.5.3 End User Training

End Users attend training sessions to learn how to utilize Tyler software. Training focuses primarily on day-to-day City processes that will be delivered via group training, webinar, eLearnings and/or live training sessions.

Unless stated otherwise in the Agreement, Tyler provides one occurrence of each scheduled training or implementation topic with up to the maximum number of users as defined in the Agreement, or as otherwise mutually agreed. City users who attended the Tyler sessions may train any City users not able to attend the Tyler sessions or additional sessions may be contracted at the applicable rates for training.

RACI MATRIX KEY: **R** = Responsible **A** = Accountable **C** = Consulted **I** = Informed

STAGE 4	Tyler Internal Coordination & Planning

Conduct user training sessions			A	R								C	I		I	I		I	I	
Conduct additional End User training sessions			I								I	A	C	I	R	I	I	I	I	

4.5.4 Control Point 4: Final Testing & Training Stage Acceptance

Acceptance criteria for this Stage includes all criteria listed below. Advancement to the Production Cutover Stage is dependent upon Tyler's receipt of the Stage Acceptance.

4.5.4.1 Final Testing & Training Stage Deliverables

- Production Cutover checklist
  - Objective: Provide a detailed checklist outlining tasks necessary for production Cutover
  - Scope: Dates for final conversion, date(s) to cease system processing in Legacy System, date(s) for first processing in Tyler system, contingency plan for processing
  - Acceptance criteria: Definition of all pre-production tasks, assignment of owners and establishment of due dates
- User Acceptance Test Plan
  - Objective: Provide testing steps to guide users through testing business processes in Tyler software.
  - Scope: Testing steps for Standard business processes.
  - Acceptance criteria: Testing steps have been provided for Standard business processes.

4.5.4.2 Final Testing & Training Stage Acceptance Criteria

- Production Cutover Checklist delivered and reviewed
- Customization(s) tested and accepted, if applicable
- Standard 3rd party Data Exchange programs tested and accepted
- Standard Forms & Reports tested and accepted
- User acceptance testing completed
- End User training completed

4.6 Production Cutover (Stage 5)

City and Tyler resources complete tasks as outlined in the Production Cutover Plan and the City begins processing day-to-day business transactions in the Tyler software. Following production Cutover, the City transitions to the Tyler support team for ongoing support of the Application.

4.6.1 Final Data Conversion, if applicable

The City provides final data extract and Reports from the Legacy System for data conversion and Tyler executes final data conversion. The City may need to manually enter into the Tyler system any data added to the Legacy System after final data extract.

RACI MATRIX KEY: **R** = Responsible **A** = Accountable **C** = Consulted **I** = Informed

STAGE 5	Tyler Internal Coordination & Planning																				
	TYLER									CLIENT											
TASKS	Tyler Executive Manager	Tyler Implementation Manager	Tyler Project Manager	Tyler Implementation Consultant	Tyler Data Conversion Experts	Tyler Forms & Reports Experts	Tyler Customization Programmers	Tyler Technical Support	Tyler Sales	Client Executive Sponsor	Client Steering Committee	Client Project Manager	Client Functional Leads	Client Change Management Leads	Client Power Users	Client Department Heads	Client End Users	Client Technical Leads	Client Project Toolset Coordinator	Client Upgrade Coordinator
Provide final data extract			C		I						I	A	C	I	I	I	I	R		
Provide final extract balancing Reports			I		I							A	C		R			I		
Convert and deliver final pass of data		A	I	I	R							I	I		I			C		
Validate final pass of data			I	C	C						I	A	C		R			C		
Load final conversion pass to Production environment			I		I						I	A	C	I	C			R		

4.6.2 Production Processing & Assistance

Tyler staff collaborates with the City during Production Cutover activities. The City transitions to Tyler software for day-to day business processing.

RACI MATRIX KEY: **R** = Responsible **A** = Accountable **C** = Consulted **I** = Informed

STAGE 5	Tyler Internal Coordination & Planning																					
	TYLER									CLIENT												
TASKS	Tyler Executive Manager	Tyler Implementation Manager	Tyler Project Manager	Tyler Implementation Consultant	Tyler Data Conversion Experts	Tyler Forms & Reports Experts	Tyler Customization Programmers	Tyler Technical Support	Tyler Sales	Client Executive Sponsor	Client Steering Committee	Client Project Manager	Client Functional Leads	Client Change Management Leads	Client Power Users	Client Department Heads	Client End Users	Client Technical Leads	Client Project Toolset Coordinator	Client Upgrade Coordinator
Production processing			C	C						I	I	A	R	R	R	R	R	R	I	I
Provide production assistance			A	R				C				I	C	C	C	C	C	C		

4.6.3 Transition to Tyler Support

Tyler Project Manager(s) introduce the City to the Tyler Support team, who provides the City with day-to-day assistance following Production Cutover.

RACI MATRIX KEY: **R** = Responsible **A** = Accountable **C** = Consulted **I** = Informed

STAGE 5	Tyler Internal Coordination & Planning																				
	TYLER									CLIENT											
TASKS	Tyler Executive Manager	Tyler Implementation Manager	Tyler Project Manager	Tyler Implementation Consultant	Tyler Data Conversion Experts	Tyler Forms & Reports Experts	Tyler Customization Programmers	Tyler Technical Support	Tyler Sales	Client Executive Sponsor	Client Steering Committee	Client Project Manager	Client Functional Leads	Client Change Management Leads	Client Power Users	Client Department Heads	Client End Users	Client Technical Leads	Client Project Toolset Coordinator	Client Upgrade Coordinator
Develop internal support plan			I								A	R	C	C	C	C		C	C	C
Conduct transfer to Support meeting	A	I	C					R				C	C	C	C	I	I	C	I	I

4.6.4 Schedule Post-production Services, if applicable

Tyler provides post-production services if included in the Agreement. Prior to scheduling services, the Tyler Project Manager(s) collaborate with City Project Manager(s) to identify needs.

RACI MATRIX KEY: **R** = Responsible **A** = Accountable **C** = Consulted **I** = Informed

STAGE 5	Tyler Internal Coordination & Planning																				
	TYLER									CLIENT											
TASKS	Tyler Executive Manager	Tyler Implementation Manager	Tyler Project Manager	Tyler Implementation Consultant	Tyler Data Conversion Experts	Tyler Forms & Reports Experts	Tyler Customization Programmers	Tyler Technical Support	Tyler Sales	Client Executive Sponsor	Client Steering Committee	Client Project Manager	Client Functional Leads	Client Change Management Leads	Client Power Users	Client Department Heads	Client End Users	Client Technical Leads	Client Project Toolset Coordinator	Client Upgrade Coordinator
Identify topics for post-production services			C	C								A	R	I	C				I	
Schedule services for post-production topics		A	R	I								C	C	I	C				I	

4.6.5 Control Point 5: Production Cutover Stage Acceptance

Acceptance criteria for this Stage includes all criteria listed below. Advancement to the Phase/Project Closure Stage is dependent upon Tyler's receipt of this Stage Acceptance.

4.6.5.1 Production Cutover Stage Deliverables

- Final data conversion, if applicable
  - Objective: Ensure (in Scope) Legacy System data is available in Tyler software in preparation for production processing.
  - Scope: Final passes of all conversions completed in this Phase
  - Acceptance criteria: Data is available in production environment
- Support transition documents
  - Objective: Define strategy for on-going Tyler support
  - Scope: Define support strategy for day-to-day processing, conference call with City Project Manager(s) and Tyler support team, define roles and responsibilities, define methods for contacting support
  - Acceptance criteria: the City receives tools to contact support and understands proper support procedures.

4.6.5.2 Production Cutover Stage Acceptance Criteria

- Final data conversion(s) delivered
- Processing is being done in Tyler production
- Transition to Tyler support is completed
- Post-live services have been scheduled, if applicable

4.7 Phase/Project Closure (Stage 6)

Project or Phase closure signifies full implementation of all products purchased and encompassed in the Phase or Project. The City moves into the next cycle of their relationship with Tyler (next Phase of implementation or long-term relationship with Tyler Support).

4.7.1 Close Phase/Project

The City and Tyler Project Manager(s) review the list of outstanding Project activities and develop a plan to address them. The Tyler Project Manager(s) review the Project budget and status of each contract Deliverable with the City Project Manager(s) prior to closing the Phase or Project.

RACI MATRIX KEY: **R** = Responsible **A** = Accountable **C** = Consulted **I** = Informed

STAGE 6	Tyler Internal Coordination & Planning																				
	TYLER									CLIENT											
TASKS	Tyler Executive Manager	Tyler Implementation Manager	Tyler Project Manager	Tyler Implementation Consultant	Tyler Data Conversion Experts	Tyler Forms & Reports Experts	Tyler Customization Programmers	Tyler Technical Support	Tyler Sales	Client Executive Sponsor	Client Steering Committee	Client Project Manager	Client Functional Leads	Client Change Management Leads	Client Power Users	Client Department Heads	Client End Users	Client Technical Leads	Client Project Toolset Coordinator	Client Upgrade Coordinator
Review outstanding Project activities and develop action plan		A	R	C								C	C	I	C	I		C		
Review Project budget and status of contract Deliverables		A	R							I	I	C								

4.7.2 Control Point 6: Phase/Project Closure Stage Acceptance

Acceptance criteria for this Stage includes all criteria listed below. This is the final acceptance for the Phase/Project.

4.7.2.1 Phase/Project Closure Stage Deliverables

- Phase/Project reconciliation report
  - Objective: Provide comparison of contract Scope and Project budget
  - Scope: Contract Scope versus actual, analysis of services provided and remaining budget, identify any necessary Change Requests or Project activity.
  - Acceptance criteria: Acceptance of services and budget analysis and plan for changes, if needed.

4.7.2.2 Phase/Project Closure Stage Acceptance Criteria

- Outstanding Phase or Project activities have been documented and assigned
- Phase/final Project budget has been reconciled
- Tyler Deliverables for the Phase/Project are complete

5 Roles and Responsibilities

5.1 Tyler Roles and Responsibilities

Tyler assigns Project Manager(s) prior to the start of each Phase of the project. The Project Manager assigns additional Tyler resources as the schedule develops and as needs arise. One person may fill multiple project roles.

5.1.1 Tyler Executive Management

- Provides clear direction for Tyler staff on executing on the project deliverables to align with satisfying the City's overall organizational strategy
- Authorizes required project resources
- Resolves all decisions and/or issues not resolved at the implementation management level as part of the escalation process
- Offers additional support to the project team and is able to work with other Tyler department managers in order to escalate and facilitate implementation project tasks and decisions
- Acts as the counterpart to the City's executive sponsor

5.1.2 Tyler Implementation Management

- Acts as the counterpart to the City steering committee.
- Assigns initial Tyler project personnel
- Works to resolve all decisions and/or issues not resolved at the project Management level as part of the escalation process
- Attends City steering committee meetings as necessary
- Provides support for the project team
- Provides management support for the project to ensure it is staffed appropriately and staff have necessary resources
- Monitors project progress including progress towards agreed upon goals and objectives

5.1.3 Tyler Project Manager

The Tyler Project Manager(s) provides oversight of the project, coordination of resources between departments, management of the project budget and schedule, effective risk and issue management, and is the primary point of contact for all project related items.

- Contract Management
    - Validates contract compliance throughout the project
    - Ensures Deliverables meet contract requirements
    - Acts as primary point of contact for all contract and invoicing questions
    - Prepares and presents contract milestone sign-offs for acceptance by City Project Manager(s)
    - Coordinates Change Requests, if needed, to ensure proper Scope and budgetary compliance
- Planning

- Update and deliver Implementation Management Plan
- Defines project tasks and resource requirements
- Develops initial project schedule and full scale Project Plan
- Collaborates with City Project Manager(s) to plan and schedule project timelines to achieve on-time implementation

- Implementation Management

  - Tightly manages Scope and budget of project; establishes process and approval matrix with the City to ensure Scope changes and budget planned versus actual are transparent and handled effectively and efficiently
  - Establishes and manages a schedule and resource plan that properly supports the project Plan as a whole that is also in balance with Scope/budget
  - Establishes risk/issue tracking/reporting process between the City and Tyler and takes all necessary steps to proactively mitigate these items or communicates with transparency to the City any items that may negatively impact the outcomes of the project
  - Collaborates with the City's Project Manager(s) to establish key business drivers and success indicators that will help to govern project activities and key decisions to ensure a quality outcome of the project
  - Sets a routine communication plan that will aide all project team members, of both the City and Tyler, in understanding the goals, objectives, current status and health of the project

- Team Management

  - Acts as liaison between project team and Tyler manager(s)
  - Identifies and coordinates all Tyler resources across all modules, Phases, and activities including development, conversions, forms, installation, reports, implementation, and billing
  - Provides direction and support to project team
  - Builds partnerships among the various stakeholders, negotiating authority to move the project forward
  - Manages the appropriate assignment and timely completion of tasks as defined in the project Plan, task list, and Production Cutover checklist
  - Assesses team performance and adjusts as necessary
  - Interfaces closely with Tyler developers to coordinate program Modification activities
  - Coordinates with in Scope 3rd party providers to align activities with ongoing project tasks

5.1.4 Tyler Implementation Consultant

- Completes tasks as assigned by the Tyler Project Manager(s)
- Performs problem solving and troubleshooting
- Follows up on issues identified during sessions
- Documents activities for on site services performed by Tyler
- Provides conversion Validation and error resolution assistance
- Recommends guidance for testing Forms and Reports
- Tests software functionality with the City following configuration
- Assists during Production Cutover process and provides production support until the City transitions to Tyler Support
- Provides product related education

- Effectively facilitates training sessions and discussions with City and Tyler staff to ensure adequate discussion of the appropriate agenda topics during the allotted time
- Conducts training (configuration, process, conversion Validation) for Power Users and the City's designated trainers for End Users
- Clearly documents homework tasks with specific due dates and owners, supporting and reconciling with the final project plan
- Keeps Tyler Project Manager(s) proactively apprised of any and all issues which may result in the need for additional training, change in schedule, change in process decisions, or which have the potential to adversely impact the success of the project prior to taking action

5.1.5 Tyler Sales

- Provide Sales background information to Implementation during Project Initiation
- Support Sales transition to Implementation
- Provide historical information, as needed, throughout implementation

5.1.6 Tyler Software Support

- Manages incoming client issues via phone, email, and online customer incident portal
- Documents and prioritizes issues in Tyler's Customer Relationship Management (CRM) system
- Provides issue analysis and general product guidance
- Tracks issues and tickets to timely and effective resolution
- Identifies options for resolving reported issues
- Reports and escalates defects to Tyler Development
- Communicates with the City on the status and resolution of reported issues

5.1.7 Tyler Trainer

- Provides product related education
- Effectively facilitates training sessions and discussions with City and Tyler staff to ensure adequate discussion of the appropriate agenda topics during the allotted time
- Conducts training (configuration, process, conversion Validation) for Power Users and the City's designated trainers for End Users

5.1.8 Tyler Systems Management Services

- Manages incoming City issues via phone, email, online customer incident portal, and from Software Support
- Provides system support including remote support of City systems, operating systems, network and local printing, and SQL assistance for the systems and platform directly attributable to the Tyler Applications
- Tracks issues and tickets to timely and effective resolution
- Determine root cause and provide solutions or provide direction/escalation to Tyler Development
- Consult on pre-sales in regards to system requirements
- Troubleshoot server and workstaiton issues
- Migrate Tyler Applications and databases to new hardware
- Maintain systems and provide Database and Server Administration

- Provide proactive monitoring of Tyler Application/DB server(s)
- Perform server transfers, database analysis, file system cleanup, and backup verification.
- Assists with database refreshes, LDAP synchronization, and loading releases

5.1.9 Tyler Development

- Programs and incorporates Modification(s) per the specifications into the base product
- Performs internal quality assurance by developing technical and help documentation
- Provides software updates and defect fixes

5.1.10 Tyler Disaster Recovery Support

- Conduct and monitor nighltly backups of City databases at hosting facility, transfer nighly backups to Tylers data center.
- Provides services to host Application in the event of a disaster
- Provides 24 hour RPO – Recover Point Objective
- Provides emergency response within 2 business hours
- Ensure Tyler Application availability within 8 business hours
- Provide one annual disaster planning walkthrough

5.1.11 Tyler Subject Matter Expert

- Possesses both a broad and deep understanding of the functionality within Tyler software products for his/her functional area(s)
- Provides confident recommendations regarding configuration decisions and business process best practices using Tyler's products based on his/her experience and expertise implementing Tyler software products with similar organizations
- Provides conversion consulting and mapping assistance
- Follows up on issues identified during sessions
- Documents activities for onsite services
- Clearly documents homework tasks with specific due dates and owners, supporting and reconciling with the final Project schedule
- Keeps Tyler project manager(s) proactively apprised of any and all issues which may result in the need for additional training needs, change in schedule, change in process decisions, or which have the potential to adversely impact the success of the Project prior to taking action
- Performs gap analysis and documents non-contracted Modifications requests

5.1.12 Tyler Data Conversion Experts

- Validates customer data files are in proper format
- Develops customized conversion programs to convert Legacy System data into the Tyler database for production use according to defined mapping
- Provides error Reports on unsupported data conditions and the merging or normalization of data fields.
- Assists the City with understanding and interpreting error Reports
- Performs changes and corrections to customized conversion programs as the City discovers data anomalies and exception conditions

5.1.13 Tyler Reports/Forms Experts

- Provides specifications for all Forms & Reports in Scope
- Reviews requirements for Peripherals and Consumables, if applicable
- Conducts review of City's form mockup sheets
- Develops final form designs
- Configures and installs Forms software and approved Forms

5.1.14 Tyler Basic Network Support

- Manages incoming City issues via phone, email, online customer incident portal, and from Software Support
- Provides system support including remote support of City systems, operating systems, network and local printing, and SQL assistance for the systems and platform directly attributable to the Tyler Applications
- Tracks issues and tickets to timely and effective resolution
- Determine root cause and provide solutions or provide direction/escalation to Tyler Development
- Consult on pre-sales in regards to system requirements

5.2 City Roles and Responsibilities

City resources will be assigned prior to the start of each Phase of the project. One person may be assigned to multiple project roles.

5.2.1 City Executive Sponsor

- Provides clear direction for the Project and how the Project applies to the organization's overall strategy
- Champions the project at the executive level to secure buy-in
- Authorizes required project resources
- Resolves all decisions and/or issues not resolved at the City steering committee level as part of the escalation process
- Actively participates in organizational change communications

5.2.2 City Steering Committee

- Works to resolve all decisions and/or issues not resolved at the Project Manager level as part of the escalation process
- Attends all scheduled steering committee meetings
- Provides support for the project team
- Assists with communicating key project messages throughout the organization
- Prioritizes the project within the organization
- Provides management support for the project to ensure it is staffed appropriately and staff have necessary resources
- Monitors project progress including progress towards agreed upon goals and objectives
- Has the authority to approve or deny changes impacting the following areas:

- Cost
- Scope
- Schedule
- project Goals
- City Policies

5.2.3 City Project Manager

The City shall assign Project Manager(s) prior to the start of this project with overall responsibility and authority to make decisions related to project Scope, scheduling, and task assignment, and communicates decisions and commitments to the Tyler Project Manager(s) in a timely and efficient manner. When the City Project Manager(s) do not have the knowledge or authority to make decisions, he or she engages the correct resources from City to participate in discussions and make decisions in a timely fashion to avoid project delays.

- Contract Management
  - Validates contract compliance throughout the project
  - Ensures invoicing and Deliverables meet contract requirements
  - Acts as primary point of contact for all contract and invoicing questions
  - Signs off on contract milestone acknowledgment documents
  - Collaborates on and approves Change Requests, if needed, to ensure proper Scope and budgetary compliance
- Planning
  - Review and acknowledge Implementation Management Plan
  - Defines project tasks and resource requirements for County project team
  - Collaborates in the development and approval of the initial Project Plan and Project Plan
  - Collaborates with Tyler Project Manager(s) to plan and schedule project timelines to achieve on-time implementation
- Implementation Management
  - Tightly manages project budget and Scope and collaborates with Tyler Project Manager(s) to establish a process and approval matrix to ensure Scope changes and budget planned versus actual are transparent and handled effectively and efficiently
  - Collaborates with Tyler Project Manager to establish and manage a schedule and resource plan that properly supports the project Plan, as a whole, that is also in balance with Scope/budget
  - Collaborates with Tyler Project Manager(s) to establishes risk/issue tracking/reporting process between the City and Tyler and takes all necessary steps to proactively mitigate these items or communicates with transparency to Tyler any items that may impact the outcomes of the project
  - Collaborates with Tyler Project Manager(s) to establish key business drivers and success indicators that will help to govern project activities and key decisions to ensure a quality outcome of the project
  - Routinely communicates with both City staff and Tyler, aiding in the understanding of goals, objectives, current status, and health of the project by all team members
- Team Management

- Acts as liaison between project team and stakeholders
- Identifies and coordinates all City resources across all modules, Phases, and activities including data conversions, forms design, hardware and software installation, reports building, and satisfying invoices
- Provides direction and support to project team
- Builds partnerships among the various stakeholders, negotiating authority to move the project forward
- Manages the appropriate assignment and timely completion of tasks as defined in the project plan, task list, and production cutover checklist
- Assesses team performance and takes corrective action, if needed
- Provides guidance to City technical teams to ensure appropriate response and collaboration with Tyler technical support teams to ensure timely response and appropriate resolution
- Coordinates in Scope 3rd party providers to align activities with ongoing project tasks

5.2.4 City Functional Leads

- Makes business process change decisions under time sensitive conditions
- Communicates existing business processes and procedures to Tyler consultants
- Assists in identifying business process changes that may require escalation
- Attends and contributes business process expertise for current/future state analysis sessions
- Identifies and includes additional subject matter experts to participate in current/future state analysis sessions
- Provides business process change support during Power User and End User training
- Completes performance tracking review with client project team on End User competency on trained topics
- Provides Power and End Users with dedicated time to complete required homework tasks
- Act as an ambassador/champion of change for the new process.
- Identifies and communicates any additional training needs or scheduling conflicts to City Project Manager
- Prepares and Validates Forms
- Actively participates in all aspects of the implementation, including, but not limited to, the following key activities:

  - Task completion
  - Stakeholder Presentation
  - Implementation Management Plan development
  - Schedule development
  - Maintenance and monitoring of risk register
  - Escalation of issues
  - Communication with Tyler project team
  - Coordination of City resources
  - Attendance at scheduled sessions
  - Change Management activities
  - Customization specification, demonstrations, testing and approval assistance
  - Conversion Analysis and Verification Assistance
  - Decentralized End User Training
  - Process Testing
  - User Acceptance Testing

5.2.5 City Power Users

- Participate in project activities as required by the project team and Project Manager(s)
- Provide subject matter expertise on City business processes and requirements
- Act as subject matter experts and attend current/future state and validation sessions as needed
- Attend all scheduled training sessions
- Participate in all required post-training processes as needed throughout project
- Participate in conversion Validation
- Test all Application configuration to ensure it satisfies business process requirements
- Become Application experts
- Participate in User Acceptance Testing
- Adopt and support changed procedures
- Complete all Deliverables by the due dates defined in the Project Plan
- Demonstrate competency with Tyler products processing prior to Production Cutover
- Provide knowledge transfer to City staff during and after implementation

5.2.6 City End Users

- Attend all scheduled training sessions
- Become proficient in Application functions related to job duties
- Adopt and utilize changed procedures
- Complete all Deliverables by the due dates defined in the Project Plan
- Utilize software to perform job functions at and beyond Production Cutover

5.2.7 City Technical Support

- Coordinates updates and releases with Tyler as needed
- Coordinates the copying of source databases to training/testing databases as needed for training days
- Extracts and transmits conversion data and control reports from City's Legacy System per the conversion schedule set forth in the Project Plan
- Coordinates and adds new users and printers and other Peripherals as needed
- Validates all users understand log-on process and have necessary permission for all training sessions
- Coordinates Interface development for City 3rd party Data Exchanges.
- Develops or assists in creating Reports as needed
- Ensures onsite system hardware meets specifications provided by Tyler
- Assists with software deployment as needed

5.2.8 City Upgrade Coordinator

- Becomes familiar with the Software Upgrade process and required steps
- Becomes familiar with Tyler's releases and updates
- Utilizes Tyler Community to stay abreast of the latest Tyler releases and updates, as well as the latest helpful tools to manage the City's Software Upgrade process
- Assists with the Software Upgrade process during implementation

- Manages Software Upgrade activities post-implementation
- Manages Software Upgrade plan activities
- Coordinates Software Upgrade plan activities with City and Tyler resources
- Communicates changes affecting users and department stakeholders
- Obtains department stakeholder sign-offs to upgrade production environment

5.2.9 City project Toolset Coordinator

- Ensures users have appropriate access to Tyler project toolsets such as Tyler University, Tyler Community, Tyler Product Knowledgebase, SharePoint, etc.
- Conducts training on proper use of toolsets
- Validates completion of required assignments using toolsets

5.2.10 City Change Management Lead

- Validates users receive timely and thorough communication regarding process changes
- Provides coaching to Supervisors to prepare them to support users through the project changes
- Identifies the impact areas resulting from project activities and develops a plan to address them proactively
- Identifies areas of resistance and develops a plan to reinforce the change
- Monitors post-production performance and new process adherence

6 Glossary

Word or Term	Definition
Accountable	The person who is ultimately accountable for decisions being made on a task.
Application	A computer program designed to perform a group of coordinated functions, tasks or activities for the benefit of the user.
Build Blueprint	A document recording future state decisions intended to allow Tyler to satisfy business needs/requirements during the Build & Validate Stage through configuration and setups to develop the final solution. A means for the City to Validate what was agreed to be in Scope has been Delivered.
Business Requirements Document	A specification document used to describe City requirements not available through Tyler software functionality, which will lead to a Modification with City acceptance.
Change Control	A systematic approach for managing change governing how Change Requests will be received, assessed and acted on.
Change Management	An approach for ensuring that changes are thoroughly and smoothly implemented and that the lasting benefits of change are achieved. The focus is on the global impact of change with an intense focus on people and how individuals and teams move from the current situation to the new one.
Change Request	A form used as part of the Change Control process whereby changes in the Scope of work, timeline, resources, and/or budget are revised and agreed upon by participating parties.
Consulted	Anyone who must be consulted with prior to a decision being made and/or the task being completed
Consumables	Items that are used on a recurring basis, usually by Peripherals. Examples: paper stock or scanner cleaning kits.
Control Point	Occurring at the end of each Stage, the Control Point serves as a formal client review point. Project progress cannot continue until the client acknowledges the agreed upon Deliverables of the Stage have been met, or agree on an action plan to make the Deliverable acceptable and move to next Stage while executing final steps of current Stage.
Data Exchange	A term used to reference Imports and Exports, and Interfaces which allow data to be exchanged between an external system and Tyler software.
Data Mapping	The process of mapping fields from the Legacy System to the appropriate location in the new system from one or more sources.
Deliverable	A tangible or intangible object/document produced as a result of the Project that is intended to be delivered to a client (either internal or external) or vendor at a specific time.
End User	The person for whom the software is designed to use on a day-to-day basis.

Forms	A document which is typically printed on a template background and only captures data for one record per page. Forms are provided to entity customers whether internal (employees) or external (citizens).
Imports and Exports	A process within the system that a user is expected to run to consume (Import) or produce (Export) a specifically defined file format/layout.
Informed	Anyone who will be updated when decisions are made or a task is completed.
Install	References the initial Installation of software files on client servers and preparing the software for use during configuration. The version currently available for general release will always be used during the initial Install.
Interface	A real-time or automated exchange of data between two systems.
Legacy System	The system from which a client is converting.
Modification	Modification of software program package to provide individual client requirements documented within the Scope of the Agreement.
Peripherals	An auxiliary device that connects to and works with the computer in some way. Examples: mouse, keyboard, scanner, external drive, microphone, speaker, webcam, and digital camera.
Phase	A portion of the Project in which specific set of related products are typically implemented. Phases each have an independent start, Production Cutover and closure dates but use the same Implementation Plans as other Phases within the Project. Phases may overlap or be sequential and may have the same Tyler Project Manager and Tyler project team or different individuals assigned.
Power User	An experienced client person or group who is (are) an expert(s) in the client business processes, as well as knowledgeable in the requirements and acceptance criteria.
Production Cutover	The City is using the Tyler software to conduct daily operations.
Project	The Project includes all implementation activity from Plan & Initiate to Closure for all products, Applications and functionality included in a single Agreement. The Project may be broken down into multiple Phases.
Project Plan	The Project Plan serves as the master roadmap for the Project. The Project Plan will be the detailed task list of the essential activities to be performed to complete the Project. Each activity will have owner(s), participant(s) if applicable, start date, and due dates. The Project Plan is a living document and will be updated quarterly with the detailed tasks for the next future quarter; only high level tasks with rough timeframes will be plotted out beyond this.

Project Planning Meeting	Occurs during the Plan & Initiate Stage to coordinate with the Client Project Manager to discuss Scope, information needed for project scheduling and resources.
RACI	A chart describing level of participation by various roles in completing tasks or Deliverables for a Project or process. Also known as a responsibility assignment matrix (RAM) or linear responsibility chart (LRC).
Reports	Formatted to return information related to multiple records in a structured format. Information is typically presented in both detail and summary form for a user to consume.
Responsible	The person who will be completing the task.
Scope	Products and services that are included in the Agreement.
Software Upgrade	References the act of updating software files to a newer software release.
Stage	The top-level components of the WBS. Each Stage is repeated for individual Phases of the Project and requires acknowledgement before continuing to the next Stage. Some tasks in the next Stage may begin before the prior Stage is complete.
Stakeholder Presentation	Representatives of the Tyler implementation team will meet with key client representatives to present high level project expectations and outline how Tyler and the Client can successfully partner to create an environment for a successful implementation.
Standard	Included in the base software (out of the box) package.
Statement of Work (SOW)	Document which will provide supporting detail to the Agreement defining project -specific activities and Deliverables Tyler will provide to the client.
Validation (or to validate)	The process of testing and approving that a specific Deliverable, process, program or product is working as expected.
Work Breakdown Structure (WBS)	A hierarchical representation of a Project or Phase broken down into smaller, more manageable components.

7 Munis Conversion Summary

7.1 Accounting COA

- Chart of Accounts segments, objects, character codes, project codes (if applicable), organization codes (if applicable), control accounts budget rollups, fund attributes, due to/due from accounts
- Requires the use of a Tyler provided spreadsheet for design and entry of the data to be converted

7.2 Accounting - Actuals

- Summary account balances
- Up to 3 years

7.3 Accounting - Budgets

- Original budget, budget adjustments, revised budget summaries for accounts
- Up to 3 years

7.4 Accounts Payable Master

- Vendor Master file including names, addresses, SSN/FID, contacts, phone numbers
- Multiple remittance addresses
- Year-to-date 1099 amounts

7.5 Accounts Payable - Checks

- Check header data including vendor, warrant, check number, check date, overall check amount, GL cash account and clearing information
- Check detail data including related document and invoice numbers for each check

7.6 Accounts Payable - Invoices

- Invoice header data containing general information for the invoice
- Invoice detail data containing line-specific information for the invoice

7.7 Contracts

- Contract header detail with many fields available to convert including fiscal year and period, vendor number, department code, description, enforcement method code, dates for award, approval, entry and expiration, retention information, user-defined type and review codes, status code, user id for entry and approver. Additional fields are also available.
- Contract detail including line item account and amount detail

7.8 Fixed Assets Master

- Asset description, status, acquisition quantity, date and amount, codes for asset class, subclass, department, custodian, flags for capitalization and depreciation, estimated life, serial number, model, model year, depreciation method, life-to-date depreciation amount, last depreciation date, disposal information (if any), purchase information, if any (vendor, PO, Invoice)

7.9 Fixed Assets - History

- Transaction history data for acquisitions, disposals, transfers, etc.

7.10 Inventory Master

- General master data includes item, description, commodity code, purchase vendor and date, date received, GL information, hazard code, etc. Location master includes item, location, bin, various quantities (on-hand, last, committed, standard purchase, re-order), lead time; count, count date, and variance; GL information; plus many accumulator buckets (MTD/YTD/SOY/SOM/LY received /issued /adjusted /cost /value), etc. FIFO data includes item, location, date, qty-received, unit cost, and quantity on hand.

7.11 Inventory – Commodity Codes

- Commodity master information, including codes and descriptions, commodity type, acquisition type, unit of measure, vendor, buyer, approver, and various other codes and flags

7.12 Purchase Orders

- Open purchase orders header data including vendor, buyer, date, accounting information, etc.
- Open purchase orders detail data including line item descriptions, quantities, amounts, etc.

7.13 Payroll

- Payroll Employee Master data including data such as name, address, SSN, legacy employee ID, date of birth, hire date, activity status (such as active/inactive), leave/termination code and date, phone(s), e-address, marital status, gender, race, personnel status (such as full-time, part-time, etc.), highest degree, advice-delivery (print/email/both) and check location, plus primary group, job, location, and account information

7.14 Payroll – Accrual Balances

- Employee Accrual Balances including Vacation, Holiday, and other Leave balances
- Start of year balance, earned to date, used to date

7.15 Payroll - Deductions

- Employee Deductions - including employee ID, deduction codes, tax information, and direct deposit information

7.16 Payroll – Accumulators

- YTD, QTD, MTD amounts for employee pay and deductions
- Needed for mid-calendar-year go-live
- May not be needed if converting earnings/deductions history

7.17 Payroll – Check History

- Up to 5 years, additional years must be quoted. We convert amounts for earnings and deductions in employee check history, check number and date.

7.18 Payroll – Earning/Deduction Hist.

- Up to 5 years, additional years must be quoted. Earning and deduction history broken down my individual codes (earnings and deduction) and amounts per pay period, the detail of these lines, sums the check history in opt 4.

7.19 Payroll – PM Action History

- A variety of Personnel actions, such as job or salary changes and dates these events occurred.

7.20 Payroll – Position Control

- Position, description, status, job code, bargaining group, location, number of employees allowed for each, FTE percentage, GL account, and max/min grade and step

7.21 Payroll – State Retirement Tables

- Specific state-required data, plus related service years information, when appropriate
- Needed for some states

7.22 Payroll – Certifications

- Certification area and certification type codes, certification number and effective date, expiration date, and required-by date, codes for certification level and subjects

7.23 Payroll – Education

- Codes, for institution, type of degree, and area(s) of study

Exhibit F
Agreement For
Tyler Systems Management ("TSM")

Invoice to: City of Ocala ("CUSTOMER")	Contact:
Address: 2100 NE 30th Avenue, Ocala, FL 34470	Telephone: 352-351-6700

CUSTOMER agrees to purchase, and Tyler Technologies, Inc. ("TYLER") agrees to provide, the services listed below in accordance with the following terms and conditions.

I. Term of Agreement:

This Tyler Systems Management Agreement (herein "TSM Agreement") is effective as of the Effective Date of the License and Services Agreement ("Agreement") between TYLER and the CUSTOMER and shall remain in force for an initial one (1) year term. Upon expiration of that initial term, the TSM Agreement will automatically renew for additional one year terms, at Tyler's then-current rates, unless terminated by either party at least thirty (30) days' in advance of the upcoming renewal date.

The headings used in the TSM Agreement are for reference purposes only and shall not be deemed a part of this TSM Agreement.

II. Scope of the Agreement:

Both parties acknowledge that this TSM Agreement covers only the services described below, for the internal business operations of the City of Ocala.

III. Payment:

1. As set forth in the Invoicing and Payment Policy (Exhibit B to the Agreement), CUSTOMER agrees to pay TYLER $26,804 for the services described below. This payment is due and payable upon execution of the TSM Agreement. Thereafter, payments for any renewal payable will be due annually in advance. Payment terms are net thirty (30) days from invoice date.

2. Additional Charges. Any systems management services and/or related materials performed or supplied by TYLER for CUSTOMER that are not in-scope, as defined herein, will be invoiced to CUSTOMER on a time and materials basis at TYLER'S then-current rates

IV. Covered System:

Servers that are required to run the Tyler application.

V. Scope of Services: TYLER will provide the following services for the benefit of CUSTOMER:

a. TYLER SYSTEMS MANAGEMENT Service is available during TYLER's then-current business hours. TYLER'S current business hours are set forth at http://www.tylertech.com/client-support. CUSTOMER may contact a TSM technician using the contact information set forth at http://www.tylertech.com/client-support. Calls will be recorded and answered on a first in first out basis, except on reports that declare CUSTOMER's system down, in which case CUSTOMER's call will be moved to the head of the queue

b. TSM services are restricted to the primary production server(s) that the Tyler Software subject to this TSM Agreement is installed on. In cases where a stand-by server is employed, the stand-by server is included within the scope of this TSM Agreement, as long as the stand-by server is only used in the event of the primary production server failing.

c. Database: Database administration services are restricted to three TYLER databases: one live database, one training database, and one test database.

(1) In cases where additional databases exist, each additional database will be subject to additional fees, which TYLER will quote to CUSTOMER at TYLER's then-current rates.

d. Application Software: In-scope TSM services include two complete sets of the Tyler Software subject to this TSM Agreement: one live set and one test/train set.

e. Required Foundation Software: TSM services include the support and installation of all foundation software TYLER requires CUSTOMER to procure to utilize one live, one train and one test database. Required foundation software is set forth at https://check.tylertech.com/. TYLER does not support, and this TSM Agreement does not include support services for, any Microsoft product that is not required foundation software. TYLER will reasonably cooperate with CUSTOMER in investigating issues within the Tyler Software that may be created by a Microsoft product, but it is CUSTOMER's responsibility to pursue support on Microsoft products directly from Microsoft or its authorized partners.

f. TYLER will also perform system administrative tasks on the installed operating system and database administrative tasks on the installed database engine software.

g. TYLER will also provide a remote installation and configuration of a new or upgraded server, at CUSTOMER'S request, once every two (2) years.

VI. CUSTOMER Responsibilities:

a. CUSTOMER shall provide, at no charge to TYLER, full and free access to the programs covered hereunder, including working space; adequate facilities within a reasonable distance from the equipment; and use of machines, attachments, features, or other equipment necessary to provide the specified support and maintenance service.

b. CUSTOMER shall install and maintain for the duration of this TSM Agreement a stable high speed network connection available for remote connections. CUSTOMER shall pay for installation,

maintenance and use of such equipment and associated communication line use charges. TYLER, at its option, shall use this remote interface in connection with error correction.

VI. General

a. **Non-Assignability:** CUSTOMER shall not have the right to assign or transfer its rights hereunder to any party.

b. **Excused Non-Performance:** TYLER shall not be responsible for delays in servicing the products covered by this TSM Agreement caused by strikes, lockouts, riots, epidemic, war, government regulations, fire, power failure, acts of God, or other causes beyond its control.

c. **Limitation of Liability:** TYLER'S liability hereunder shall not exceed CUSTOMER'S actual, direct damages, not to exceed the TSM services fees paid for the year in which CUSTOMER'S claim accrues. CUSTOMER SHALL NOT, IN ANY EVENT, BE ENTITLED TO, AND TYLER SHALL NOT BE LIABLE FOR, INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES OF ANY NATURE, EVEN IF TYLER TECHNOLOGIES HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, IRRESPECTIVE OF THE NATURE OF CUSTOMER'S CLAIM.

d. **Governing Law:** This TSM Agreement shall be governed by, and construed in accordance with, the laws of CUSTOMER's state of domicile. The invalidity or unenforceability of any provisions of this agreement shall not affect the validity or enforceability of any other provision.

e. **Modification of this Contract:** No modifications or amendment of this TSM Agreement shall be effective unless set forth in writing and signed by both CUSTOMER and TYLER.

f. **Suspension:** Support and services will be suspended whenever CUSTOMER's account is thirty (30) days overdue. Support and services will be reinstated when CUSTOMER's account is made current by paying all past due fees.

g. **Reservation of Rights**: TYLER reserves all right, title and interest, including but not limited to intellectual property rights, in and to the Tyler Software, the TSM services, and any services or deliverables related thereto, except as expressly set forth in this TSM Agreement.

Submitted By: Christopher Ramos
Presentation By: Christopher Ramos
Department: Information Technology

STAFF RECOMMENDATION (Motion Ready):
Approve one-year renewal of contract with Tyler Technologies for ongoing service and maintenance costs for the City's financial and human resource enterprise software, Munis, with an estimated expenditure amount of $321,089

OCALA'S RELEVANT STRATEGIC GOALS:
Operational Excellence

PROOF OF PUBLICATION:
N/A

BACKGROUND:
In August 2024, City Council approved contract ITS/240931 for the maintenance renewal of the Tyler Munis financial and human resources enterprise software, additional training, modifications, and professional services to support the software. The Tyler Munis financial solution is a completely integrated enterprise resource planning (ERP) system that manages all core functions, including financials, human resources, citizen services, and revenues.

Benefits of using Tyler Technologies Munis:

- Centralized employee database for efficient HR administration
- Automated payroll processing and benefits management
- Comprehensive general ledger for clear financial visibility
- Streamlined accounts payable, purchasing, and grant management processes
- Budgeting and planning tools for effective financial control and monitoring

In May 2022, utilization of the Munis software was expanded into warehouse management and barcoding to address the need for automation and modernization of its fixed asset inventory and reconciliation processes.

The City is required to pay yearly software maintenance for the continued use of the software. In addition to the attached invoice of $256,843.54, staff estimates an additional $64,245 will be required to cover future expenditures such as new modifications, training, and assistance during the year, as well as the creation of the year-end Annual Comprehensive Financial Report, W-2s, and 1099s, and other year-end processing.

FINDINGS AND CONCLUSIONS:
The Munis ERP software was implemented in 2018 and provides streamlined financial and human resources processes and reporting. The City has received excellent support services from Tyler Technologies, and staff requests renewal for continued use of the system by all City departments.

FISCAL IMPACT:
Funds for the annual renewal of $256,843.54 are budgeted/encumbered in account #001-035-530-516-51-52050 as listed below and will be paid under Contract No. 250857.

- Fiscal Year 2024-25 $1,407.36
- Fiscal Year 2025-26 $255,436.18

Funds for additional training, modification, and professional services of $64,245 are budgeted in

account #001-035-530-516-68-68010 and will be paid under Contract No. 230675.

PROCUREMENT REVIEW:
These services were procured in compliance with the City's Procurement Policy.

LEGAL REVIEW:
The underlying agreement was reviewed and approved for form and legality by former City Attorney Patrick G. Gilligan.

Presentation By: John King

Department: Fleet

FORMAL TITLE:
Purchase of a four-drum cable puller/tensioner trailer from Altec, Inc., utilizing a Sourcewell Contract in the amount of $164,643

OCALA'S RELEVANT STRATEGIC GOALS:
Operational Excellence

PROOF OF PUBLICATION:
N/A

BACKGROUND:
The Ocala Electric Utilities department uses cable pullers to install and replace electrical infrastructure throughout the City's service area. The department's current puller, a 2002 Sherman Reilly S-785T cable reel trailer (Unit #22-384), has experienced failure of its cable reel tensioners, and the cost of repair exceeds the unit's value.

FINDINGS AND CONCLUSIONS:
Staff recommends purchasing a new four-drum puller/tensioner trailer. The Altec trailer-mounted TS20-4P cable puller is designed to handle four cable conductors individually, providing a line torque of 2,000 pounds and supporting a cable capacity of up to 8,000 feet. This equipment enhances productivity by allowing crews to deploy multiple cable reels simultaneously, minimizing setup time and optimizing efficiency during electric cable installation and maintenance.

As a political subdivision of the State of Florida, the City of Ocala qualifies as an eligible user of Sourcewell cooperative purchasing agreements to procure commodities and services. The Altec trailer-mounted TS20-4P cable puller will be purchased utilizing Sourcewell Agreement No. 110421-ALT with Altec. These commodities were competitively solicited by Sourcewell, a Minnesota agency and service cooperative, and the solicitation documents have been evaluated and determined by the City's Procurement and Contracting Department to be cost-effective and to afford best value.

The purchase will be made through Altec, Inc., using Sourcewell Contract No. 110421-ALT, for a total cost of $164,643.

Staff recommends approval.

FISCAL IMPACT:
Funding for this purchase is allocated in account 457-032-602-531-66-64010 - Electric Machinery & Equipment.

PROCUREMENT REVIEW:
These goods were procured in compliance with the City's procurement policy.

LEGAL REVIEW:
This Agreement will be reviewed and approved for form and legality by City Attorney, William E. Sexton.

NOTES

PRICING: Altec will make every effort to honor this quotation, subject to the following provisions. Prices for equipment with production start dates 12 months and beyond are considered budgetary due to potential cost inflation, market volatility, and tariff implications. These prices will be reviewed based on market conditions and confirmed closer to the production date. Quotes and orders with chassis model years beyond the current open order bank are estimates only. Altec's turn-key pricing is subject to change based on chassis pricing received from the OEM. Chassis model year, specifications, and price will be reviewed and confirmed when specific model year information becomes available from the OEM, and any chassis price difference, including adjustments for tariffs, will be passed through to the customer.

PAINT COLOR: White to match chassis, unless otherwise specified

WARRANTY: Standard Altec Warranty for Aerials and Derricks - One (1) year parts warranty One (1) year labor warranty Ninety (90)

TO ORDER: To order, please contact the Altec Account Manager listed above.

Item	Description	Qty
	Unit	
1.	The Altec trailer mounted TS20-4P is a four drum puller. This trailer-mounted overhead cable puller is capable of pulling four conductors individually. Unit is capable of pulling up to 2,000 lb with a max line speed of 4.5 mph. The unit is equipped with 8,000 ft of 1/2 in rope on each pulling drum. Each drum of rope is color coded. This unit is built in accordance with Altec's standard specifications and includes the following features:	1
2.	Trailer frame and tongue is constructed of tubular steel and is fully welded. Includes full rear fenders. Dimensions: 18 ft 5 in length, max width 8 ft 0 in, travel height 8 ft 9 in	1
3.	Kubota Tier 4 Final, 49.6 hp diesel engine. No DPF, DEF or regen required	1
4.	Spring mounted single axle (9,000 lb capacity) with electric brakes	1
5.	Two (2) wheel/tire combos (235/75/R17.5)	1
6.	Trailer is equipped with 2.5 in ID adjustable pintle eye, adjustable between 17.5 in - 30.5 in from ground, 42,000 lb MGTW, 7,000 lb vertical load. Safety chains: Two (2) safety chains with hooks and safety latches are installed on the trailer tongue. Safety breakaway switch installed on the trailer tongue	1
7.	15 gal hydraulic oil reservoir, 20 gal fuel tank	1
8.	Standard hydraulic oil, ISO 46 grade	40
9.	Operator control station centrally locates all controls for the unit and is located at the front of the trailer. The operator station has a protective screen and adjustable operator seat. The controls are fully hydraulic and utilize pilot pressure lines for increased meterability. The unit's control functions include pay in/pay out speed, motor park brake, pulling pressure, levelwind selector, levelwind control, fuel gauge, engine key switch, and engine controls (start/stop, throttle, etc.)	1

Item	Description	Qty
10.	Four levelwinds, one dedicated to each pulling drum, are mounted to the rear of each drum with individual hydraulic actuation	1
11.	Chain drive system: The hydraulic motor drives the two arbor bars through use of a chain. Rotationally fixed couplers (located on the exterior perimeter of the trailer) are used to engage the desired drum	1
12.	Arbor bar: 2.5 in diameter arbor bars. Each arbor bar assembly to be equipped with a drive sprocket, two pulling drum assemblies and two drum couplers	1
13.	Overspin payout brake: 18 in non-rust bronze disc located on the external side of each drum	1
14.	Each drum equipped with 8,000 feet of 1/2 in color coded rope	1
15.	One (1) hydraulically driven jack with pilot operated holding valve, holds jack in place even in the event of a hydraulic failure, located at tongue of trailer	1
16.	Two (2) hydraulic jacks located at rear of trailer, one each side	1
17.	All trailer lights are LED	1
18.	Standard trailer plug, 6 pin round connector	1
19.	Pulling Drum Cover	1
20.	Operator control station cover constructed out of aluminum. Dual grab handles with rubber hood latches for securement. Includes front jack plate with hooks for temporary storage when removed.	1
	Body and Chassis Accessories	
21.	Wheel Chocks, Rubber, 9.75" L x 7.75" W x 5.00" H, with 4" L Metal Hairpin Style Handle (Pair)	1
22.	Vinyl manual pouch for storage of all operator and parts manuals	1
	Finishing Details	
23.	DOT Certification Required	1

Sourcewell

Solicitation Number: RFP #110421

CONTRACT

This Contract is between Sourcewell, 202 12th Street Northeast, P.O. Box 219, Staples, MN 56479 (Sourcewell) and Altec Industries, Inc., 210 Inverness Center Drive, Birmingham, AL 35242 (Supplier).

Sourcewell is a State of Minnesota local government unit and service cooperative created under the laws of the State of Minnesota (Minnesota Statutes Section 123A.21) that offers cooperative procurement solutions to government entities. Participation is open to eligible federal, state/province, and municipal governmental entities, higher education, K-12 education, nonprofit, tribal government, and other public entities located in the United States and Canada. Sourcewell issued a public solicitation for Public Utility Equipment with Related Accessories and Supplies from which Supplier was awarded a contract.

Supplier desires to contract with Sourcewell to provide equipment, products, or services to Sourcewell and the entities that access Sourcewell's cooperative purchasing contracts (Participating Entities).

1. TERM OF CONTRACT

A. EFFECTIVE DATE. This Contract is effective upon the date of the final signature below.

B. EXPIRATION DATE AND EXTENSION. This Contract expires December 27, 2025, unless it is cancelled sooner pursuant to Article 22. This Contract may be extended one additional year upon the request of Sourcewell and written agreement by Supplier.

C. SURVIVAL OF TERMS. Notwithstanding any expiration or termination of this Contract, all payment obligations incurred prior to expiration or termination will survive, as will the following: Articles 11 through 14 survive the expiration or cancellation of this Contract. All other rights will cease upon expiration or termination of this Contract.

2. EQUIPMENT, PRODUCTS, OR SERVICES

A. EQUIPMENT, PRODUCTS, OR SERVICES. Supplier will provide the Equipment, Products, or Services as stated in its Proposal submitted under the Solicitation Number listed above.

DocuSign Envelope ID: 8D47303F-D51E-455F-8B26-BAAF6448C9A3

Supplier's Equipment, Products, or Services Proposal (Proposal) is attached and incorporated into this Contract.

Except as expressly agreed in the participating addendum or transaction document with the participating entity, all Equipment and Products provided under this Contract must be new and the current model. Supplier may offer close-out or refurbished Equipment or Products if they are clearly indicated in Supplier's product and pricing list. Unless agreed to by the Participating Entities in advance, Equipment or Products must be delivered as operational to the Participating Entity's site.

This Contract offers an indefinite quantity of sales, and while substantial volume is anticipated, sales and sales volume are not guaranteed.

B. WARRANTY. Supplier warrants that all new Equipment, Products, and Services furnished (which does not include equipment or products that are solely financed) are free from liens and encumbrances, and are free from defects in design, materials, and workmanship. In addition, Supplier warrants the Equipment, Products, and Services are suitable for and will perform in accordance with the ordinary use for which they are intended. Supplier's dealers and distributors must agree to assist the Participating Entity in reaching a resolution in any dispute over warranty terms with the manufacturer. Any manufacturer's warranty that extends beyond the expiration of the Supplier's warranty will be passed on to the Participating Entity.

C. DEALERS, DISTRIBUTORS, AND/OR RESELLERS. Upon Contract execution and throughout the Contract term, Supplier must provide to Sourcewell a current means to validate or authenticate Supplier's authorized dealers, distributors, or resellers relative to the Equipment, Products, and Services offered under this Contract, which will be incorporated into this Contract by reference. It is the Supplier's responsibility to ensure Sourcewell receives the most current information.

3. PRICING

All Equipment, Products, or Services under this Contract will be priced at or below the price stated in Supplier's Proposal.

When providing pricing quotes to Participating Entities, all pricing quoted must reflect a Participating Entity's total cost of acquisition. This means that the quoted cost is for delivered Equipment, Products, and Services that are operational for their intended purpose, and includes all costs to the Participating Entity's requested delivery location.

Regardless of the payment method chosen by the Participating Entity, the total cost associated with any purchase option of the Equipment, Products, or Services must always be disclosed in the pricing quote to the applicable Participating Entity at the time of purchase.

DocuSign Envelope ID: 8D47303F-D51E-455F-8B26-BAAF6448C9A3

A. SHIPPING AND SHIPPING COSTS. All delivered Equipment and Products must be properly packaged. Damaged Equipment and Products may be rejected. If the damage is not readily apparent at the time of delivery, Supplier must permit the Equipment and Products to be returned within a reasonable time at no cost to Sourcewell or its Participating Entities. Participating Entities reserve the right to inspect the Equipment and Products at a reasonable time after delivery where circumstances or conditions prevent effective inspection of the Equipment and Products at the time of delivery. In the event of the delivery of nonconforming Equipment and Products, the Participating Entity will notify the Supplier as soon as possible and the Supplier will replace nonconforming Equipment and Products with conforming Equipment and Products that are acceptable to the Participating Entity.

Supplier must arrange for and pay for the return shipment on Equipment and Products that arrive in a defective or inoperable condition.

Sourcewell may declare the Supplier in breach of this Contract if the Supplier intentionally delivers substandard or inferior Equipment or Products.

B. SALES TAX. Each Participating Entity is responsible for supplying the Supplier with valid tax-exemption certification(s). When ordering, a Participating Entity must indicate if it is a tax-exempt entity.

C. HOT LIST PRICING. At any time during this Contract, Supplier may offer a specific selection of Equipment, Products, or Services at discounts greater than those listed in the Contract. When Supplier determines it will offer Hot List Pricing, it must be submitted electronically to Sourcewell in a line-item format. Equipment, Products, or Services may be added or removed from the Hot List at any time through a Sourcewell Price and Product Change Form as defined in Article 4 below.

Hot List program and pricing may also be used to discount and liquidate close-out and discontinued Equipment and Products as long as those close-out and discontinued items are clearly identified as such. Current ordering process and administrative fees apply. Hot List Pricing must be published and made available to all Participating Entities.

4. PRODUCT AND PRICING CHANGE REQUESTS

Supplier may request Equipment, Product, or Service changes, additions, or deletions at any time. All requests must be made in writing by submitting a signed Sourcewell Price and Product Change Request Form to the assigned Sourcewell Supplier Development Administrator. This approved form is available from the assigned Sourcewell Supplier Development Administrator. At a minimum, the request must:

- Identify the applicable Sourcewell contract number;

DocuSign Envelope ID: 8D47303F-D51E-455F-8B26-BAAF6448C9A3

- Clearly specify the requested change;
- Provide sufficient detail to justify the requested change;
- Individually list all Equipment, Products, or Services affected by the requested change, along with the requested change (e.g., addition, deletion, price change); and
- Include a complete restatement of pricing documentation in Microsoft Excel with the effective date of the modified pricing, or product addition or deletion. The new pricing restatement must include all Equipment, Products, and Services offered, even for those items where pricing remains unchanged.

A fully executed Sourcewell Price and Product Change Request Form will become an amendment to this Contract and will be incorporated by reference.

5. PARTICIPATION, CONTRACT ACCESS, AND PARTICIPATING ENTITY REQUIREMENTS

A. PARTICIPATION. Sourcewell's cooperative contracts are available and open to public and nonprofit entities across the United States and Canada; such as federal, state/province, municipal, K-12 and higher education, tribal government, and other public entities.

The benefits of this Contract should be available to all Participating Entities that can legally access the Equipment, Products, or Services under this Contract. A Participating Entity's authority to access this Contract is determined through its cooperative purchasing, interlocal, or joint powers laws. Any entity accessing benefits of this Contract will be considered a Service Member of Sourcewell during such time of access. Supplier understands that a Participating Entity's use of this Contract is at the Participating Entity's sole convenience and Participating Entities reserve the right to obtain like Equipment, Products, or Services from any other source.

Supplier is responsible for familiarizing its sales and service forces with Sourcewell contract use eligibility requirements and documentation and will encourage potential participating entities to join Sourcewell. Sourcewell reserves the right to add and remove Participating Entities to its roster during the term of this Contract.

B. PUBLIC FACILITIES. Supplier's employees may be required to perform work at government-owned facilities, including schools. Supplier's employees and agents must conduct themselves in a professional manner while on the premises, and in accordance with Participating Entity policies and procedures, and all applicable laws.

6. PARTICIPATING ENTITY USE AND PURCHASING

A. ORDERS AND PAYMENT. To access the contracted Equipment, Products, or Services under this Contract, a Participating Entity must clearly indicate to Supplier that it intends to access this Contract; however, order flow and procedure will be developed jointly between Sourcewell and Supplier. Typically, a Participating Entity will issue an order directly to Supplier or its authorized

DocuSign Envelope ID: 8D47303F-D51E-455F-8B26-BAAF6448C9A3

subsidiary, distributor, dealer, or reseller. If a Participating Entity issues a purchase order, it may use its own forms, but the purchase order should clearly note the applicable Sourcewell contract number. All Participating Entity orders under this Contract must be issued prior to expiration or cancellation of this Contract; however, Supplier performance, Participating Entity payment obligations, and any applicable warranty periods or other Supplier or Participating Entity obligations may extend beyond the term of this Contract.

Supplier's acceptable forms of payment are included in its attached Proposal. Participating Entities will be solely responsible for payment and Sourcewell will have no liability for any unpaid invoice of any Participating Entity.

B. ADDITIONAL TERMS AND CONDITIONS/PARTICIPATING ADDENDUM. Additional terms and conditions to a purchase order, or other required transaction documentation, may be negotiated between a Participating Entity and Supplier, such as job or industry-specific requirements, legal requirements (e.g., affirmative action or immigration status requirements), or specific local policy requirements. Some Participating Entities may require the use of a Participating Addendum; the terms of which will be negotiated directly between the Participating Entity and the Supplier. Any negotiated additional terms and conditions for the direct purchase of new equipment or products must never be less favorable to the Participating Entity than what is contained in this Contract.

C. SPECIALIZED SERVICE REQUIREMENTS. In the event that the Participating Entity requires service or specialized performance requirements not addressed in this Contract (such as e-commerce specifications, specialized delivery requirements, or other specifications and requirements), the Participating Entity and the Supplier may enter into a separate, standalone agreement, apart from this Contract. Sourcewell, including its agents and employees, will not be made a party to a claim for breach of such agreement.

D. TERMINATION OF ORDERS. Participating Entities may terminate an order, in whole or in part, immediately upon notice to Supplier in the event of any of the following events:

1. The Participating Entity fails to receive funding or appropriation from its governing body at levels sufficient to pay for the equipment, products, or services to be purchased; or
2. Federal, state, or provincial laws or regulations prohibit the purchase or change the Participating Entity's requirements.

E. GOVERNING LAW AND VENUE. The governing law and venue for any action related to a Participating Entity's order will be determined by the Participating Entity making the purchase.

DocuSign Envelope ID: 8D47303F-D51E-455F-8B26-BAAF6448C9A3

7. CUSTOMER SERVICE

A. PRIMARY ACCOUNT REPRESENTATIVE. Supplier will assign an Account Representative to Sourcewell for this Contract and must provide prompt notice to Sourcewell if that person is changed. The Account Representative will be responsible for:

- Maintenance and management of this Contract;
- Timely response to all Sourcewell and Participating Entity inquiries; and
- Business reviews to Sourcewell and Participating Entities, if applicable.

B. BUSINESS REVIEWS. Supplier must perform a minimum of one business review with Sourcewell per contract year. The business review will cover sales to Participating Entities, pricing and contract terms, administrative fees, sales data reports, supply issues, customer issues, and any other necessary information.

8. REPORT ON CONTRACT SALES ACTIVITY AND ADMINISTRATIVE FEE PAYMENT

A. CONTRACT SALES ACTIVITY REPORT. Each calendar quarter, Supplier must provide a contract sales activity report (Report) to the Sourcewell Supplier Development Administrator assigned to this Contract. Reports are due no later than 45 days after the end of each calendar quarter. A Report must be provided regardless of the number or amount of sales during that quarter (i.e., if there are no sales, Supplier must submit a report indicating no sales were made).

The Report must contain the following fields:

- Participating Entity Name (e.g., City of Staples Highway Department);
- Participating Entity Physical Street Address;
- Participating Entity City;
- Participating Entity State/Province;
- Participating Entity Zip/Postal Code;
- Participating Entity Contact Name;
- Participating Entity Contact Email Address;
- Participating Entity Contact Telephone Number;
- Sourcewell Assigned Entity/Participating Entity Number;
- Item Purchased Description;
- Item Purchased Price;
- Sourcewell Administrative Fee Applied; and
- Date Purchase was invoiced/sale was recognized as revenue by Supplier.

B. ADMINISTRATIVE FEE. In consideration for the support and services provided by Sourcewell, the Supplier will pay an administrative fee to Sourcewell on all Equipment, Products, and

DocuSign Envelope ID: 8D47303F-D51E-455F-8B26-BAAF6448C9A3

Services provided to Participating Entities. The Administrative Fee must be included in, and not added to, the pricing. Supplier may not charge Participating Entities more than the contracted price to offset the Administrative Fee.

The Supplier will submit payment to Sourcewell for the percentage of administrative fee stated in the Proposal multiplied by the total sales of all Equipment, Products, and Services purchased by Participating Entities under this Contract during each calendar quarter. Payments should note the Supplier's name and Sourcewell-assigned contract number in the memo; and must be mailed to the address above "Attn: Accounts Receivable" or remitted electronically to Sourcewell's banking institution per Sourcewell's Finance department instructions. Payments must be received no later than 45 calendar days after the end of each calendar quarter.

Supplier agrees to cooperate with Sourcewell in auditing transactions under this Contract to ensure that the administrative fee is paid on all items purchased under this Contract.

In the event the Supplier is delinquent in any undisputed administrative fees, Sourcewell reserves the right to cancel this Contract and reject any proposal submitted by the Supplier in any subsequent solicitation. In the event this Contract is cancelled by either party prior to the Contract's expiration date, the administrative fee payment will be due no more than 30 days from the cancellation date.

9. AUTHORIZED REPRESENTATIVE

Sourcewell's Authorized Representative is its Chief Procurement Officer.

Supplier's Authorized Representative is the person named in the Supplier's Proposal. If Supplier's Authorized Representative changes at any time during this Contract, Supplier must promptly notify Sourcewell in writing.

10. AUDIT, ASSIGNMENT, AMENDMENTS, WAIVER, AND CONTRACT COMPLETE

A. AUDIT. Pursuant to Minnesota Statutes Section 16C.05, subdivision 5, the books, records, documents, and accounting procedures and practices relevant to this Agreement are subject to examination by Sourcewell or the Minnesota State Auditor for a minimum of six years from the end of this Contract. This clause extends to Participating Entities as it relates to business conducted by that Participating Entity under this Contract.

B. ASSIGNMENT. Neither party may assign or otherwise transfer its rights or obligations under this Contract without the prior written consent of the other party and a fully executed assignment agreement. Such consent will not be unreasonably withheld. Any prohibited assignment will be invalid.

DocuSign Envelope ID: 8D47303F-D51E-455F-8B26-BAAF6448C9A3

C. AMENDMENTS. Any amendment to this Contract must be in writing and will not be effective until it has been duly executed by the parties.

D. WAIVER. Failure by either party to take action or assert any right under this Contract will not be deemed a waiver of such right in the event of the continuation or repetition of the circumstances giving rise to such right. Any such waiver must be in writing and signed by the parties.

E. CONTRACT COMPLETE. This Contract represents the complete agreement between the parties. No other understanding regarding this Contract, whether written or oral, may be used to bind either party.For any conflict between the attached Proposal and the terms set out in Articles 1-22 of this Contract, the terms of Articles 1-22 will govern.

F. RELATIONSHIP OF THE PARTIES. The relationship of the parties is one of independent contractors, each free to exercise judgment and discretion with regard to the conduct of their respective businesses. This Contract does not create a partnership, joint venture, or any other relationship such as master-servant, or principal-agent.

11. INDEMNITY AND HOLD HARMLESS

Supplier must indemnify, defend, save, and hold Sourcewell and its Participating Entities, including their agents and employees, harmless from any claims or causes of action, including attorneys' fees incurred by Sourcewell or its Participating Entities, arising out of any negligent act or omission or willful misconduct in the performance of this Contract by the Supplier or its agents or employees; this indemnification includes injury or death to person(s) or property alleged to have been caused by some defect in the Equipment, Products, or Services under this Contract to the extent the Equipment, Product, or Service has been used according to its specifications. Sourcewell's responsibility will be governed by the State of Minnesota's Tort Liability Act (Minnesota Statutes Chapter 466) and other applicable law.

12. GOVERNMENT DATA PRACTICES

Supplier and Sourcewell must comply with the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13, as it applies to all data provided by or provided to Sourcewell under this Contract and as it applies to all data created, collected, received, stored, used, maintained, or disseminated by the Supplier under this Contract.

13. INTELLECTUAL PROPERTY, PUBLICITY, MARKETING, AND ENDORSEMENT

A. INTELLECTUAL PROPERTY

1. *Grant of License.* During the term of this Contract:

    a. Sourcewell grants to Supplier a royalty-free, worldwide, non-exclusive right and license to use thetrademark(s) provided to Supplier by Sourcewell in advertising and

DocuSign Envelope ID: 8D47303F-D51E-455F-8B26-BAAF6448C9A3

promotional materials for the purpose of marketing Sourcewell's relationship with Supplier.

b. Supplier grants to Sourcewell a royalty-free, worldwide, non-exclusive right and license to use Supplier's trademarks in advertising and promotional materials for the purpose of marketing Supplier's relationship with Sourcewell.

2. *Limited Right of Sublicense*. The right and license granted herein includes a limited right of each party to grant sublicenses to their respective subsidiaries, distributors, dealers, resellers, marketing representatives, and agents (collectively "Permitted Sublicensees") in advertising and promotional materials for the purpose of marketing the Parties' relationship to Participating Entities. Any sublicense granted will be subject to the terms and conditions of this Article. Each party will be responsible for any breach of this Article by any of their respective sublicensees.

3. *Use; Quality Control.*

a. Neither party may alter the other party's trademarks from the form provided and must comply with removal requests as to specific uses of its trademarks or logos.

b. Each party agrees to use, and to cause its Permitted Sublicensees to use, the other party's trademarks only in good faith and in a dignified manner consistent with such party's use of the trademarks. Upon written notice to the breaching party, the breaching party has 30 days of the date of the written notice to cure the breach or the license will be terminated.

4. As applicable, Supplier agrees to indemnify and hold harmless Sourcewell and its Participating Entities against any and all suits, claims, judgments, and costs instituted or recovered against Sourcewell or Participating Entities by any person on account of the use of any Equipment or Products by Sourcewell or its Participating Entities supplied by Supplier in violation of applicable patent or copyright laws.

5. Termination. Upon the termination of this Contract for any reason, each party, including Permitted Sublicensees, will have 30 days to remove all Trademarks from signage, websites, and the like bearing the other party's name or logo (excepting Sourcewell's pre-printed catalog of suppliers which may be used until the next printing). Supplier must return all marketing and promotional materials, including signage, provided by Sourcewell, or dispose of it according to Sourcewell's written directions.

B. PUBLICITY. Any publicity regarding the subject matter of this Contract must not be released without prior written approval from the Authorized Representatives. Publicity includes notices, informational pamphlets, press releases, research, reports, signs, and similar public notices prepared by or for the Supplier individually or jointly with others, or any subcontractors, with respect to the program, publications, or services provided resulting from this Contract.

C. MARKETING. Any direct advertising, marketing, or offers with Participating Entities must be approved by Sourcewell. Send all approval requests to the Sourcewell Supplier Development Administrator assigned to this Contract.

DocuSign Envelope ID: 8D47303F-D51E-455F-8B26-BAAF6448C9A3

D. ENDORSEMENT. The Supplier must not claim that Sourcewell endorses its Equipment, Products, or Services.

14. GOVERNING LAW, JURISDICTION, AND VENUE

The substantive and procedural laws of the State of Minnesota will govern this Contract. Venue for all legal proceedings arising out of this Contract, or its breach, must be in the appropriate state court in Todd County, Minnesota or federal court in Fergus Falls, Minnesota.

15. FORCE MAJEURE

Neither party to this Contract will be held responsible for delay or default caused by acts of God or other conditions that are beyond that party's reasonable control. A party defaulting under this provision must provide the other party prompt written notice of the default.

16. SEVERABILITY

If any provision of this Contract is found by a court of competent jurisdiction to be illegal, unenforceable, or void then both parties will be relieved from all obligations arising from that provision. If the remainder of this Contract is capable of being performed, it will not be affected by such determination or finding and must be fully performed.

17. PERFORMANCE, DEFAULT, AND REMEDIES

A. PERFORMANCE. During the term of this Contract, the parties will monitor performance and address unresolved contract issues as follows:

1. *Notification.* The parties must promptly notify each other of any known dispute and work in good faith to resolve such dispute within a reasonable period of time. If necessary, Sourcewell and the Supplier will jointly develop a short briefing document that describes the issue(s), relevant impact, and positions of both parties.
2. *Escalation.* If parties are unable to resolve the issue in a timely manner, as specified above, either Sourcewell or Supplier may escalate the resolution of the issue to a higher level of management. The Supplier will have 30 calendar days to cure an outstanding issue.
3. *Performance while Dispute is Pending*. Notwithstanding the existence of a dispute, the Supplier must continue without delay to carry out all of its responsibilities under the Contract that are not affected by the dispute. If the Supplier fails to continue without delay to perform its responsibilities under the Contract, in the accomplishment of all undisputed work, the Supplier will bear any additional costs incurred by Sourcewell and/or its Participating Entities as a result of such failure to proceed.

B. DEFAULT AND REMEDIES. Either of the following constitutes cause to declare this Contract, or any Participating Entity order under this Contract, in default:

DocuSign Envelope ID: 8D47303F-D51E-455F-8B26-BAAF6448C9A3

1. Nonperformance of contractual requirements, or
2. A material breach of any term or condition of this Contract.

The party claiming default must provide written notice of the default, with 30 calendar days to cure the default. Time allowed for cure will not diminish or eliminate any liability for liquidated or other damages. If the default remains after the opportunity for cure, the non-defaulting party may:

- Exercise any remedy provided by law or equity, or
- Terminate the Contract or any portion thereof, including any orders issued against the Contract.

18. INSURANCE

A. REQUIREMENTS. At its own expense, Supplier must maintain insurance policy(ies) in effect at all times during the performance of this Contract with insurance company(ies) licensed or authorized to do business in the State of Minnesota having an "AM BEST" rating of A- or better, with coverage and limits of insurance not less than the following:

1. *Workers' Compensation and Employer's Liability.*
Workers' Compensation: As required by any applicable law or regulation.
Employer's Liability Insurance: must be provided in amounts not less than listed below:
Minimum limits:
$500,000 each accident for bodily injury by accident
$500,000 policy limit for bodily injury by disease
$500,000 each employee for bodily injury by disease

2. *Commercial General Liability Insurance.* Supplier will maintain insurance covering its operations, with coverage on an occurrence basis, and must be subject to terms no less broad than the Insurance Services Office ("ISO") Commercial General Liability Form CG0001 (2001 or newer edition), or equivalent. At a minimum, coverage must include liability arising from premises, operations, bodily injury and property damage, independent contractors, products-completed operations including construction defect, contractual liability, blanket contractual liability, and personal injury and advertising injury. All required limits, terms and conditions of coverage must be maintained during the term of this Contract.
Minimum Limits:
$1,000,000 each occurrence Bodily Injury and Property Damage
$1,000,000 Personal and Advertising Injury
$2,000,000 aggregate for Products-Completed operations
$2,000,000 general aggregate

DocuSign Envelope ID: 8D47303F-D51E-455F-8B26-BAAF6448C9A3

3. *Commercial Automobile Liability Insurance.* During the term of this Contract, Supplier will maintain insurance covering all owned, hired, and non-owned automobiles in limits of liability not less than indicated below. The coverage must be subject to terms no less broad than ISO Business Auto Coverage Form CA 0001 (2010 edition or newer), or equivalent.

Minimum Limits:
$1,000,000 each accident, combined single limit

4. *Umbrella Insurance*. During the term of this Contract, Supplier will maintain umbrella coverage over Employer's Liability, Commercial General Liability, and Commercial Automobile.

Minimum Limits:
$2,000,000

5. *Network Security and Privacy Liability Insurance*. During the term of this Contract, Supplier will maintain coverage for network security and privacy liability. The coverage may be endorsed on another form of liability coverage or written on a standalone policy. The insurance must cover claims which may arise from failure of Supplier's security resulting in, but not limited to, computer attacks, unauthorized access, disclosure of not public data – including but not limited to, confidential or private information, transmission of a computer virus, or denial of service.

Minimum limits:
$2,000,000 per occurrence
$2,000,000 annual aggregate

Failure of Supplier to maintain the required insurance will constitute a material breach entitling Sourcewell to immediately terminate this Contract for default.

B. CERTIFICATES OF INSURANCE. Prior to commencing under this Contract, Supplier must furnish to Sourcewell a certificate of insurance, as evidence of the insurance required under this Contract. Prior to expiration of the policy(ies), renewal certificates must be mailed to Sourcewell, 202 12th Street Northeast, P.O. Box 219, Staples, MN 56479 or sent to the Sourcewell Supplier Development Administrator assigned to this Contract. The certificates must be signed by a person authorized by the insurer(s) to bind coverage on their behalf.

Failure to request certificates of insurance by Sourcewell, or failure of Supplier to provide certificates of insurance, in no way limits or relieves Supplier of its duties and responsibilities in this Contract.

C. ADDITIONAL INSURED ENDORSEMENT AND PRIMARY AND NON-CONTRIBUTORY INSURANCE CLAUSE. Supplier agrees to list Sourcewell and its Participating Entities, including their officers, agents, and employees, as an additional insured under the Supplier's commercial general liability insurance policy with respect to liability arising out of activities, "operations," or

DocuSign Envelope ID: 8D47303F-D51E-455F-8B26-BAAF6448C9A3

"work" performed by or on behalf of Supplier, and products and completed operations of Supplier. The policy provision(s) or endorsement(s) must further provide that coverage is primary and not excess over or contributory with any other valid, applicable, and collectible insurance or self-insurance in force for the additional insureds.

D. WAIVER OF SUBROGATION. Supplier waives and must require (by endorsement or otherwise) all its insurers to waive subrogation rights against Sourcewell and other additional insureds for losses paid under the insurance policies required by this Contract or other insurance applicable to the Supplier or its subcontractors. The waiver must apply to all deductibles and/or self-insured retentions applicable to the required or any other insurance maintained by the Supplier or its subcontractors. Where permitted by law, Supplier must require similar written express waivers of subrogation and insurance clauses from each of its subcontractors.

E. UMBRELLA/EXCESS LIABILITY/SELF-INSURED RETENTION. The limits required by this Contract can be met by either providing a primary policy or in combination with umbrella/excess liability policy(ies), or self-insured retention.

19. COMPLIANCE

A. LAWS AND REGULATIONS. All Equipment, Products, or Services provided under this Contract must comply fully with applicable federal laws and regulations, and with the laws in the states and provinces in which the Equipment, Products, or Services are sold.

B. LICENSES. Supplier must maintain a valid and current status on all required federal, state/provincial, and local licenses, bonds, and permits required for the operation of the business that the Supplier conducts with Sourcewell and Participating Entities.

20. BANKRUPTCY, DEBARMENT, OR SUSPENSION CERTIFICATION

Supplier certifies and warrants that it is not in bankruptcy or that it has previously disclosed in writing certain information to Sourcewell related to bankruptcy actions. If at any time during this Contract Supplier declares bankruptcy, Supplier must immediately notify Sourcewell in writing.

Supplier certifies and warrants that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from programs operated by the State of Minnesota; the United States federal government or the Canadian government, as applicable; or any Participating Entity. Supplier certifies and warrants that neither it nor its principals have been convicted of a criminal offense related to the subject matter of this Contract. Supplier further warrants that it will provide immediate written notice to Sourcewell if this certification changes at any time.

DocuSign Envelope ID: 8D47303F-D51E-455F-8B26-BAAF6448C9A3

21. PROVISIONS FOR NON-UNITED STATES FEDERAL ENTITY PROCUREMENTS UNDER UNITED STATES FEDERAL AWARDS OR OTHER AWARDS

Participating Entities that use United States federal grant or FEMA funds to purchase goods or services from this Contract may be subject to additional requirements including the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 C.F.R. § 200. Participating Entities may have additional requirements based on specific funding source terms or conditions. Within this Article, all references to "federal" should be interpreted to mean the United States federal government. The following list only applies when a Participating Entity accesses Supplier's Equipment, Products, or Services with United States federal funds.

A. EQUAL EMPLOYMENT OPPORTUNITY. Except as otherwise provided under 41 C.F.R. § 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. § 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. §60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 C.F.R. §, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 C.F.R. § 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor." The equal opportunity clause is incorporated herein by reference.

B. DAVIS-BACON ACT, AS AMENDED (40 U.S.C. § 3141-3148). When required by federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. § 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C.F.R. § 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-federal entity must report all suspected or reported violations to the federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations (29 C.F.R. § 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-federal entity must report all suspected or reported violations to the federal awarding agency. Supplier must be in compliance with all applicable Davis-Bacon Act provisions.

DocuSign Envelope ID: 8D47303F-D51E-455F-8B26-BAAF6448C9A3

C. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT (40 U.S.C. § 3701-3708). Where applicable, all contracts awarded by the non-federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. § 5). Under 40 U.S.C. § 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence. This provision is hereby incorporated by reference into this Contract. Supplier certifies that during the term of an award for all contracts by Sourcewell resulting from this procurement process, Supplier must comply with applicable requirements as referenced above.

D. RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT. If the federal award meets the definition of “funding agreement” under 37 C.F.R. § 401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 C.F.R. § 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency. Supplier certifies that during the term of an award for all contracts by Sourcewell resulting from this procurement process, Supplier must comply with applicable requirements as referenced above.

E. CLEAN AIR ACT (42 U.S.C. § 7401-7671Q.) AND THE FEDERAL WATER POLLUTION CONTROL ACT (33 U.S.C. § 1251-1387). Contracts and subgrants of amounts in excess of $150,000 require the non-federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. § 7401- 7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. § 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Supplier certifies that during the term of this Contract will comply with applicable requirements as referenced above.

F. DEBARMENT AND SUSPENSION (EXECUTIVE ORDERS 12549 AND 12689). A contract award (see 2 C.F.R. § 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R. §180 that implement Executive Orders 12549 (3 C.F.R. § 1986 Comp., p. 189) and 12689 (3 C.F.R. § 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names

DocuSign Envelope ID: 8D47303F-D51E-455F-8B26-BAAF6448C9A3

of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. Supplier certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency.

G. BYRD ANTI-LOBBYING AMENDMENT, AS AMENDED (31 U.S.C. § 1352). Suppliers must file any required certifications. Suppliers must not have used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Suppliers must disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier up to the non-federal award. Suppliers must file all certifications and disclosures required by, and otherwise comply with, the Byrd Anti-Lobbying Amendment (31 U.S.C. § 1352).

H. RECORD RETENTION REQUIREMENTS. To the extent applicable, Supplier must comply with the record retention requirements detailed in 2 C.F.R. § 200.333. The Supplier further certifies that it will retain all records as required by 2 C.F.R. § 200.333 for a period of 3 years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

I. ENERGY POLICY AND CONSERVATION ACT COMPLIANCE. To the extent applicable, Supplier must comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act.

J. BUY AMERICAN PROVISIONS COMPLIANCE. To the extent applicable, Supplier must comply with all applicable provisions of the Buy American Act. Purchases made in accordance with the Buy American Act must follow the applicable procurement rules calling for free and open competition.

K. ACCESS TO RECORDS (2 C.F.R. § 200.336). Supplier agrees that duly authorized representatives of a federal agency must have access to any books, documents, papers and records of Supplier that are directly pertinent to Supplier's discharge of its obligations under this Contract for the purpose of making audits, examinations, excerpts, and transcriptions. The right also includes timely and reasonable access to Supplier's personnel for the purpose of interview and discussion relating to such documents.

L. PROCUREMENT OF RECOVERED MATERIALS (2 C.F.R. § 200.322). A non-federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation

DocuSign Envelope ID: 8D47303F-D51E-455F-8B26-BAAF6448C9A3

and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 C.F.R. § 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

M. FEDERAL SEAL(S), LOGOS, AND FLAGS. The Supplier not use the seal(s), logos, crests, or reproductions of flags or likenesses of Federal agency officials without specific pre-approval.

N. NO OBLIGATION BY FEDERAL GOVERNMENT. The U.S. federal government is not a party to this Contract or any purchase by an Participating Entity and is not subject to any obligations or liabilities to the Participating Entity, Supplier, or any other party pertaining to any matter resulting from the Contract or any purchase by an authorized user.

O. PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS OR RELATED ACTS. The Contractor acknowledges that 31 U.S.C. 38 (Administrative Remedies for False Claims and Statements) applies to the Supplier's actions pertaining to this Contract or any purchase by a Participating Entity.

P. FEDERAL DEBT. The Supplier certifies that it is non-delinquent in its repayment of any federal debt. Examples of relevant debt include delinquent payroll and other taxes, audit disallowance, and benefit overpayments.

Q. CONFLICTS OF INTEREST. The Supplier must notify the U.S. Office of General Services, Sourcewell, and Participating Entity as soon as possible if this Contract or any aspect related to the anticipated work under this Contract raises an actual or potential conflict of interest (as described in 2 C.F.R. Part 200). The Supplier must explain the actual or potential conflict in writing in sufficient detail so that the U.S. Office of General Services, Sourcewell, and Participating Entity are able to assess the actual or potential conflict; and provide any additional information as necessary or requested.

R. U.S. EXECUTIVE ORDER 13224. The Supplier, and its subcontractors, must comply with U.S. Executive Order 13224 and U.S. Laws that prohibit transactions with and provision of resources and support to individuals and organizations associated with terrorism.

S. PROHIBITION ON CERTAIN TELECOMMUNICATIONS AND VIDEO SURVEILLANCE SERVICES OR EQUIPMENT. To the extent applicable, Supplier certifies that during the term of this Contract it will comply with applicable requirements of 2 C.F.R. § 200.216.

DocuSign Envelope ID: 8D47303F-D51E-455F-8B26-BAAF6448C9A3

T. DOMESTIC PREFERENCES FOR PROCUREMENTS. To the extent applicable, Supplier certifies that during the term of this Contract will comply with applicable requirements of 2 C.F.R. § 200.322.

22. CANCELLATION

Sourcewell or Supplier may cancel this Contract at any time, with or without cause, upon 60 days' written notice to the other party. However, Sourcewell may cancel this Contract immediately upon discovery of a material defect in any certification made in Supplier's Proposal. Cancellation of this Contract does not relieve either party of financial, product, or service obligations incurred or accrued prior to cancellation.

Table 2: Company Information and Financial Strength

Line Item	Question	Response *	

9	Provide a brief history of your company, including your company's core values, business philosophy, and industry longevity related to the requested equipment, products or services.	Altec is a leading provider of products and services to the public utility, electric utility, telecommunications, tree care, lights and signs, and contractor markets. Altec Inc. is the holding company for Altec Industries, Inc. which holds Global Rental, Altec NUECO, JJ Kane Auctioneers, Altec Worldwide, Altec Capital, Altec Supply, Altec Ventures, LLC, Altec Spray Equipment, and Altec Air. We deliver products and services in more than 100 countries throughout the world. Since 1929, Altec has been a company committed to excellence in the Public Utility Equipment industry. Our products are the industry leaders and consistently raise the bar through innovative product design, integrated safety features, and continued dedication to total customer satisfaction. Altec continues to pursue a singular business philosophy: To be recognized by customers as the preferred supplier of products, services and solutions in all markets we serve. Our values sustain that vision, our goals build upon it and our associates help us to achieve it. Altec's values are the cornerstone of our corporate culture and every associate is considered an integral part of Team Altec. The history, tradition and culture of Altec are founded on our core values (listed in alphabetical order): • Customer first • Enjoyment of work • Family • Financial stability • Integrity • People are our greatest strength • Quality • Spiritual development • Teamwork	*
10	What are your company's expectations in the event of an award?	We hope to further strengthen our relationships with Sourcewell and government agencies through cooperative purchasing. We want to achieve continued growth within our government business sectors and be recognized as the preferred supplier of hydraulic equipment solutions for Sourcewell and its members.	*
11	Demonstrate your financial strength and stability with meaningful data. This could include such items as financial statements, SEC filings, credit and bond ratings, letters of credit, and detailed reference letters. Upload supporting documents (as applicable) in the document upload section of your response.	Altec Industries, Inc is a financially sound and conservatively managed company and has been in business for 93 years under the same family ownership. Because we are privately held we do not disclose detailed financial data, however please reference attached files "Financial Strength - Financial Statement Letter", "Financial Strength - Bank Statement Letter", and "Financial Strength - Dun and Bradstreet Screenshot" for more information regarding our financial strength and stability.	*
12	What is your US market share for the solutions that you are proposing?	We maintain a market share of approximately 70% for our core products. Non-core products are approximately 30%.	*
13	What is your Canadian market share for the solutions that you are proposing?	Canada market share is approximately 20%.	*
14	Has your business ever petitioned for bankruptcy protection? If so, explain in detail.	No, we have never petitioned for bankruptcy protection.	*
15	How is your organization best described: is it a manufacturer, a distributor/dealer/reseller, or a service provider? Answer whichever question (either a) or b) just below) best applies to your organization. a) If your company is best described as a distributor/dealer/reseller (or similar entity), provide your written authorization to act as a distributor/dealer/reseller for the manufacturer of the products proposed in this RFP. If applicable, is your dealer network independent or company owned? b) If your company is best described as a manufacturer or service provider, describe your relationship with your sales and service force and with your dealer network in delivering the products and services proposed in this RFP. Are these individuals your employees, or the employees of a third party?	Altec is a manufacturer with direct sales force. Our sales force consists of 100% direct employees of Altec. Our sales force covers all 50 States, Canada, and over 100 countries throughout the world. Our service force is also 100% direct employees of Altec (both mobile service and service center employees). We are a direct sale / service / manufacturing company and do not maintain a dealer network. Please see attached documents "Company Information - Altec Production Facilities" and "Company Information - Altec Service Centers and Mobile Service Locations"	*

16	If applicable, provide a detailed explanation outlining the licenses and certifications that are both required to be held, and actually held, by your organization (including third parties and subcontractors that you use) in pursuit of the business contemplated by this RFP.	Altec Industries holds all credible licenses and certifications necessary for providing goods and services referenced in this RFP (related to OSHA/ANSI/ASME standards for manufacturing). We are ISO 9001:2015 certified for technical sales, application engineering, procurement, materials, final assembly, product creation, manufacturing, quality, and general processes related to production of electronic components, fiberglass structures and the final assembly of utility equipment at 2106 Riverside Rd, Saint Joseph, MO and the production of aerial devices and digger derricks at 5001 E. 36 Hwy, Saint Joseph, MO. • Technical sales, application engineering, materials, final assembly, manufacturing, product creation, and quality processes related to the production of specialty utility equipment at 3907 S. 48th Terr, Saint Joseph, MO. • Manufacturing and quality processes related to the production of fiberglass structures and electronic components at 1009 Vernon Rd, Wathena, KS. • Materials and quality processes at 5703 Mitchell Ave, Saint Joseph, MO. • Product creation and quality processes related to design validation activities at 4906 E. 36 Hwy, Saint Joseph, MO. • Please see attached "Company Information - ISO Quality Certification" for more information Employees of our plants hold welding certifications, Fluid Power Society certifications and various engineering certifications, including Professional Engineering licenses Account Managers who specialize in our Crane product lines are required to become Certified Operators every 5-years, through our Sentry Operator Certification training program. ALTEC Industries, Inc. is capable of providing certification for equipment operators through our Sentry training program. Motor Vehicle Dealer Licenses in each state where applicable All of our facilities employ the Atec Production System which features the Kanban system of lean manufacturing. Authorized Representative Riley Browne and Government Sales Manager Elana Martinez hold Certified Schedules Contracts Manager (CSCM) certifications	*
17	Provide all “Suspension or Debarment” information that has applied to your organization during the past ten years.	Altec has never been suspended or disbarred.	*

Table 3: Industry Recognition & Marketplace Success

Line Item	Question	Response *	
18	Describe any relevant industry awards or recognition that your company has received in the past five years	• Selected to Forbes list of America's Best Midsize Employers 2019 • Altec won Exelon’s 2017 Innovation Award based on the application and acceptance of our JEMS product at all 4 Excelon companies. • 2017-2021 Altec has been recognized as a top supplier for Avista, a US-based energy company serving eastern Washington, northern Idaho and parts of southern and eastern Oregon. Each year, Avista uses a scorecard to rigorously rate suppliers’ customer service and value provided to the company. • Altec was named one of the “Best Places to Work” for 2017 by the Birmingham Business Journal. • Altec Mt. Airy Associates won the Chairman’s Award from the United Fund of Surry for 2017	*
19	What percentage of your sales are to the governmental sector in the past three years	Less than 10% of our sales are to the government.	*
20	What percentage of your sales are to the education sector in the past three years	Less than 1% of our sales are to the education sector.	*
21	List any state, provincial, or cooperative purchasing contracts that you hold. What is the annual sales volume for each of these contracts over the past three years?	Texas Multiple Award Schedule (TXMAS): Over $1MM Commonwealth of Pennsylvania (Co-Stars): Over $1MM Michigan MI Deal: Over $1MM Washington State Purchasing Cooperative: Over $500k State of Ohio: Over $500k	*
22	List any GSA contracts or Standing Offers and Supply Arrangements (SOSA) that you hold. What is the annual sales volume for each of these contracts over the past three years?	GSA Contract GS-30F-026GA, over $5MM annually. We also hold two DLA contracts with similar combined volume	*

Table 4: References/Testimonials

Line Item 23. Supply reference information from three customers who are eligible to be Sourcewell participating entities.

Entity Name *	Contact Name *	Phone Number *	
Los Angeles Department of Water and Power (Member # 40257)	Joseph Ortiz	213-840-8489	*
City of Lakeland (Member # 4862)	Dwayne Goostree	863-581-3443	*
City of Seattle (Member # 25215)	Guy Noren	206-684-0141	*
Lewis County PUD (Member # 76495)	Bryan Watt	360-748-9261	

Table 5: Top Five Government or Education Customers

Line Item 24. Provide a list of your top five government, education, or non-profit customers (entity name is optional), including entity type, the state or province the entity is located in, scope of the project(s), size of transaction(s), and dollar volumes from the past three years.

Entity Name	Entity Type *	State / Province *	Scope of Work *	Size of Transactions *	Dollar Volume Past Three Years *	
Federal Government Agency	Government	Georgia - GA	Located throughout US and world, purchases Aerial Devices, Digger Derricks	Transaction sizes range from 1 truck to multiple trucks per PO	Over $2M	*
Federal Government Agency	Government	California - CA	Located throughout US and world, purchases Aerial Devices, Digger Derricks, Cranes, Cable Pullers	Transaction sizes range from 1 truck to multiple trucks per PO	Over $2M	*
Federal Government Agency	Government	District of Columbia - DC	Located throughout US and world, purchases Aerial Devices, Digger Derricks, Cranes	Transaction sizes range from 1 truck to multiple trucks per PO	Over $2M	*
Federal Government Agency	Government	District of Columbia - DC	Located throughout US and world, purchases Aerial Devices	Transaction sizes range from 1 truck to multiple trucks per PO	Over $2M	*
Local Government Entity	Government	California - CA	Purchases Aerial Devices and Service Bodies	Transaction sizes generally are greater than 5 per PO	Over $2M	*

Table 6: Ability to Sell and Deliver Service

Describe your company's capability to meet the needs of Sourcewell participating entities across the US and Canada, as applicable. Your response should address in detail at least the following areas: locations of your network of sales and service providers, the number of workers (full-time equivalents) involved in each sector, whether these workers are your direct employees (or employees of a third party), and any overlap between the sales and service functions.

Line Item	Question	Response *	
25	Sales force.	Altec employs a direct sales force of over 100 Account Managers who are dedicated to government and commercial sales and support within their respective territories. Their territories are established based on concentration of customers, and they live in their territories. Our Account Managers spend 100% of their time; communicating, consulting and managing customer's needs. The products represented in this RFP are core to our customers and industry, thus allowing our Account Managers to provide expert knowledge to Sourcewell members of their benefits and usage. Altec's Sourcewell contract is our preferred method by which to serve our government customers. There is no overlap in our sales and service functions	*
26	Dealer network or other distribution methods.	Altec is a factory direct sales / service company, we do not use dealer or distribution networks.	*
27	Service force.	All employees in our Service Force are employed by Altec Industries. Altec has 44 Service Centers located throughout the United States and Canada. These facilities are equipped with the tools, equipment, and certified hydraulic technicians needed to get your Altec unit up and running as soon as possible. The Altec Service Group employs over 150 Mobile Service Technicians nationwide that are available to be deployed to your location. Mobile service technicians are equipped with the trucks and tools needed to get your equipment serviced and back on the road as soon as possible. They provide on-site warranty, service and preventative maintenance solutions for our customers Additionally, Altec Mobile Service has 24 hour emergency assistance, as well as emergency storm coverage. There is no overlap in our sales and service functions. Please see attached map "Company Information - Altec Service Centers and Mobile Service Locations" that illustrate our service force coverage, and locations for our service centers.	*
28	Describe the ordering process. If orders will be handled by distributors, dealers or others, explain the respective roles of the Proposer and others.	Altec handles all quotes and orders directly. A quote will be created based on customer needs and requirements, and an order can be sent to Altec Account Manager from customer in response to the quote. All purchase orders are processed by Altec, as we are a factory direct company. We prefer a process whereas Sourcewell members issue purchase orders directly to us. Our Sourcewell quotes / orders are flagged in our system upon creation, and a report is run each quarter to report this sales data to Sourcewell. This process is the responsibility of a team at our corporate office with visibility of our word wide operations. Customers are also currently able to request quotes via our website, www.altec.com. Altec offers parts and accessory sales via our AltecConnect online portal, https://www.altec.com/altec-connect which serves as a as a "one stop online shop" for ordering tools, supplies, accessories, replacement parts and for managing your fleet information.	*

29	Describe in detail the process and procedure of your customer service program, if applicable. Include your response-time capabilities and commitments, as well as any incentives that help your providers meet your stated service goals or promises.	When you purchase from Altec, you invest in a relationship that spans the life of the equipment. Altec Service Group backs up this promise with the most complete and comprehensive service and support organization in the industry. We also offer the most complete line of parts for equipment repair and maintenance, along with a technical support and training organization to train, educate, and problem solve. As the only authorized dealer of genuine Altec replacement parts, you can be assured that you will receive parts that meet the required Altec Quality and Engineering standards. Our dedicated line for parts / service / sales needs is 877-GO-ALTEC, it is available 24 hours a day. Our objective is to answer all parts calls in under 10 seconds. We have 35 parts experts with more than 300 years of combined experience taking parts calls. We hold 29,000 active items on hand, and 92.5% of product lines ship within 24 hours. Customers will never be sent to voicemail when calling 877-GO ALTEC for parts support. Additionally, a customer's Account Mangers will be available via their cell phones and email whenever needed, and during periods of natural disaster Altec will move resources into areas affected to provide parts and service work faster. We also offer Altec Connect, a more customer-focused experience that will allow our customers to view and search fleet information, order replacement parts and view APNs and service requests. In conjunction with the new Supply Store, Altec is dedicated to serving as a “one stop online shop” for ordering tools, supplies, accessories, replacement parts and for managing your fleet information. https://www.altec.com/altec-connect	*
30	Describe your ability and willingness to provide your products and services to Sourcewell participating entities in the United States.	Altec proposes to service the entire United States and Canada (with capabilities to service Internationally).	*
31	Describe your ability and willingness to provide your products and services to Sourcewell participating entities in Canada.	Altec proposes to service the entire United States and Canada (with capabilities to service Internationally).	*
32	Identify any geographic areas of the United States or Canada that you will NOT be fully serving through the proposed contract.	Altec proposes to service the entire United States and Canada (with capabilities to service Internationally).	*
33	Identify any Sourcewell participating entity sectors (i.e., government, education, not-for-profit) that you will NOT be fully serving through the proposed contract. Explain in detail. For example, does your company have only a regional presence, or do other cooperative purchasing contracts limit your ability to promote another contract?	Altec proposes to service all Sourcewell members	*
34	Define any specific contract requirements or restrictions that would apply to our participating entities in Hawaii and Alaska and in US Territories.	Altec will not have contract requirements or restrictions on Sourcewell members located in Hawaii, Alaska, or US Territories. The only difference in quoting will be shipping cost when a machine needs to travel via Ocean Freight.	*

Table 7: Marketing Plan

Line Item	Question	Response *	
35	Describe your marketing strategy for promoting this contract opportunity. Upload representative samples of your marketing materials (if applicable) in the document upload section of your response.	The Altec/Sourcewell marketing plan will include, the development of printed marketing materials, press releases, advertisements, web-based marketing, and the attendance of trade shows. While in attendance at trade shows with substantial Sourcewell eligible customers present, such as GFX, Altec will typically bring a vehicle and display Sourcwell promotional material. The Altec Government Sales team and Corporate Communications Project Manager will be involved in all Sourcewell promotions corporate-wide. Altec will continue to help create content that drives awareness of cooperative purchasing, as represented by attached "Marketing Plan - Altec Article". Examples of material are included "Marketing Plan - Sourcewell Value Flyer - Altec", as well as "Marketing Plan - GFX 2021 Altec Booth" for reference and "Marketing Plan - www.altec.com Sourcewell Landing Page" Our Account Managers being comfortable with the contract and well versed in how it works, may be our most impactful marketing strategy, as they are working with our customers regarding their equipment needs on a daily basis. Altec employs a National sales training team, that provided initial base sales training programs for all new Altec sales associates (both Account Managers and Technical Sales Specialists). Our Sourcewell contract is a topic in this training, and has dedicated time assigned to it. Thereafter, focused web-training modules and e-courses are used to provide a more procedural method for these types of sales calls. These materials will also serve as follow-up training for all associates with 2+ years of experience. Material is accessible 24/7 on Altec's internal Sales Resource Center, please see "Marketing Plan - Internal Altec Resources". In addition to the training team, Altec employs a Government Sales team focused on the management of all federal, state and cooperative contracts. This team serves as the experts for the company, for associates in the field who need on-the-fly support. The Government team in tandem with a newly formed Contracts Steering Committee will communicate contract changes, improvements and regulations with the National sales force regularly.	*
36	Describe your use of technology and digital data (e.g., social media, metadata usage) to enhance marketing effectiveness.	Website data allows Altec's marketing and IT teams the ability to measure customer activity as well as the health of the website in one tool. From a marketing perspective, we are able to analyze that our content effectively moves our users and customers through the sales funnel to increase leads. This information also helps us confirm that our content is satisfactory to support our traditional sales teams with accurate information that helps our customers make informed decisions about purchases. From an IT perspective, we are able to analyze information that relates to website health such as mobile usage, operating system and load times. This information allows us to make informed decisions about the priority of initiatives to improve Altec's digital presence. We maintain an active social presence through Facebook (over 253,000 likes, over 258,000 follows), along with other sites.	*
37	In your view, what is Sourcewell's role in promoting contracts arising out of this RFP? How will you integrate a Sourcewell-awarded contract into your sales process?	Our experience has been that Sourcewell provides numerous opportunities for promotion of our products via their own web traffic, tradeshow attendance and printed marketing materials. We hope this level of support will continue with this new RFP. Our Sourcewell contract is integrated into our sales process as the preferred method of using Cooperative Purchasing. Our sales team is required to complete training on Sourcewell and cooperative purchasing as a whole, and new members of our team attend a live training that details the contract and internal processes.	*
38	Are your products or services available through an e-procurement ordering process? If so, describe your e-procurement system and how governmental and educational customers have used it.	Altec Connect provides for a more customer-focused experience that will allow our customers to view and search fleet information, order replacement parts and view APNs and service requests. In conjunction with the new Supply Store, Altec is dedicated to serving as a “one stop online shop” for ordering tools, supplies, accessories, replacement parts and for managing your fleet information. This system has been very well received by our customers, including governmental and educational customers because it reduces the number of places they need to go to get access to unit-specific information, replacement parts, tools, accessories, and service information. Altec manages federal customer solicitations/RFQs via the GSA E-buy system, FedBid and several other public sites. Although, awards (POs) are still provided manually by the respective contracting officer, these sites offer a method of standardized RFQ submissions. Consumers are currently able to request new/used equipment, rental and leasing quotes via our website.	*

Table 8: Value-Added Attributes

Line Item	Question	Response *	

39	Describe any product, equipment, maintenance, or operator training programs that you offer to Sourcewell participating entities. Include details, such as whether training is standard or optional, who provides training, and any costs that apply.	• Upon delivery of an Sourcewell member's completed equipment, the local Altec Account Manager provides an on-site equipment orientation with the appropriate operators. This In-Service is provided free of charge. • Each truck is delivered with two (2) sets of operator and maintenance/parts manuals. Within the equipment manuals, the standard features, safe operation, maintenance and repair information are covered. These are provided free of charge. • Additionally, over 150 basic operating and safety videos are available on https://store.altecsentry.com/catalog/free free of charge • Altec Sentry offers a variety of Instructor-Led courses for aerials, derricks and cranes. These OSHA and ANSI compliant courses aid in the fulfillment of employer training requirements. Many programs offer both Operator and Train-The-Trainer Formats. Additional costs apply based on duration of training, size of class, travel time for instructor, etc. Please navigate to https://www.altec.com/safety/ for more information. The following Instructor-Led Trainings are Available: o Insulating Aerial Device o Non-Insulating Aerial o Tree Care Aerial Device o Bucket Rescue o Digger Derrick o Backyard Digger o Crane o Wood Chipper Altec Sentry also offers more than 80 online courses for cranes, aerial devices, digger derricks and chippers. Through a simple dashboard and storefront, operators can receive ANSI and OSHA-compliant General Training and Familiarization without the need for traditional classroom sessions. • Other Altec Training options (additional costs apply): o Customized Altec equipment hydraulic maintenance training o International Fluid Power Society (IFPS) Certification training (testing provided by third party) o NCCCO certification programs for operators of mobile cranes and digger derricks
40	Describe any technological advances that your proposed products or services offer.	Our products are the industry leaders and are consistently raising the bar through innovative product design, integrated safety features, and continued dedication to total customer satisfaction. Altec showcases this through advancements such as; • Fiber Optic Controls • Lanyard Detection System that promotes safe unit operation by helping to ensure line workers are "clipped in" while conducting work from the platform. This operator aid helps reduce the risk of falling from the platform by reminding users to attach their lanyard before working at height (available on select models) • Altec Load Monitoring System (ALMS) acts as an aid to provide real-time visual and audible information about the percentage of rated load on your boom and/or platform. By actively monitoring your aerial's load capacity with a reliable system, you can avoid accidents and enhance safety on the job site (available on select models) • JEMS (Jobsite Energy Management System) wtih it's integrated plug-in system that uses stored electrical energy to power the aerial device, tools and exportable power, and provides cab comfort with Lithium-Ion batteries (available on select models) • Advanced paint systems • And many other was we keep our customers working safer and smarter
41	Describe any "green" initiatives that relate to your company or to your products or services, and include a list of the certifying agency for each.	Altec is the industry leader for sustainability efforts and is dedicated to listening and creating solutions. That's why we acknowledge the tremendous challenges and opportunities our customers face and aspire to responsibly care for the environment and the communities in which we operate. Altec's allegiance is evident in the development of numerous sustainability initiatives: • The Industry's First Green-Focused Facility. Located in Dixon, CA, Altec products are manufactured in a plant that features state-of-the-art sustainable construction that exceeds Title 24 energy and lighting codes. Altec received significant guidance and support on the development of this new green-focused facility from two of its customers – Pacific Gas & Electric Company (PG&E) and Southern California Edison. The new facility in Dixon allows Altec the opportunity to increase manufacturing of our Green Fleet line of products—the industry's leading energy-saving utility vehicles. Customer PG&E and Altec are in partnership to develop innovative, technologically advanced Green Fleet utility vehicles. These energy efficient Green Fleet vehicles provide a safer work environment for utility crews; significantly reduce emissions, and lower vehicle operating costs while extending vehicle life. • Meeting Customer Needs. Our Green Fleet product line decreases fuel consumption and greenhouse gas emissions, while lowering noise pollution. In partnership with the Department of Energy, Electric Partners Research Institute, CALSTART Hybrid Truck Users Forum and others, we offer a range of hybrid/electric and job-site energy management systems, along with recycled lightweight materials and alternative fuels. Altec JEMS (Jobsite Energy Management System) is an integrated plug-in system that uses stored electrical energy to power the aerial device, tools and exportable power, and provides cab comfort. The energy storage system is recharged by plugging into shore power or by the truck's internal combustion engine. Our JEMS product portfolio includes: o JEMS S o JEMS SE o JEMS LE • Facilities and Processes. Each Altec facility has established procedures and environmental management programs and actively engages in recycling steel, copper and aluminum, as well as consumer recyclables. The installation of powder coat and e-coat paint systems has substantially reduced solid waste volume and air emissions. All facilities in the corporation, including auction yards and service centers, have converted to energy efficient LED lighting. All new construction is reviewed and where applicable, energy efficiency products/construction are included (i.e., LED lighting, high efficiency gas burners, Energy Star appliances, motion activated lighting , etc.). • Our St. Joseph, MO facility has installed solar energy on three of the buildings on campus. • Altec EcoEasy Common Sustainability Goals. Green purchasing policies using Best-Value approach utilizing Staples' environmental office products and supplies has been implemented Corporate wide.
42	Identify any third-party issued eco-labels, ratings or certifications that your company has received for the equipment or products included in your Proposal related to energy efficiency or conservation, life-cycle design (cradle-to-cradle), or other green/sustainability factors.	HVIP - Voucher Incentive Project for our Jobsite Energy Management System models. Visit https://californiahvip.org/vehicle-category/epto/ for more information Industry Organizations affiliations: • Calstart • Clean Cities

43	Describe any Women or Minority Business Entity (WMBE), Small Business Entity (SBE), or veteran owned business certifications that your company or hub partners have obtained. Upload documentation of certification (as applicable) in the document upload section of your response.	Altec recognizes that a diverse and talented workforce is a key competitive advantage. Our business success is reflected in the quality and skill of our people. Inclusion means understanding, valuing and respecting workplace diversity, so that no associate is excluded from the workplace nor the opportunity to develop skills and talents consistent with our values and business objectives. Altec Industries, Inc. and its affiliates are equal opportunity employers and maintain affirmative action plans to recruit, retain, develop and promote qualified individuals without unlawful consideration of race, gender, color, religion, sexual orientation, national origin, age, disability, citizenship status, veteran status, or any other characteristic protected by federal, state or local law. Altec is a National Corporate Member of the Women's Business Enterprise National Council. As part of our commitments to holding federal contracts, Altec is annually responsible to providing a small-business contracting plan which is reviewed and approved by one of our two federal contract agencies. Every year, we strive to find small business suppliers who will meet the quality and liability requirements, to supply products/services that meet/exceed our manufacturing standards. Suppliers who are interested in doing business with Altec are encouraged to register on our Supplier portal, located on our website.	*

44	What unique attributes does your company, your products, or your services offer to Sourcewell participating entities? What makes your proposed solutions unique in your industry as it applies to Sourcewell participating entities?	Altec offers Sourcewell members the advantage of working with one company to manufacture, sell, engineer, integrate key components (unit/body/chassis), administer warranty, and provide service solutions for a full line of Public Utility Equipment. We can provide full equipment lifecycle solutions, including: o Altec Capital Services (ACS) - Equipment Financing o Global Rental Company - Equipment Rentals o Altec Supply - Tool and Accessory Sales o Altec Sentry - Operator Safety Training o Altec Fleet Services - Comprehensive Fleet Management Solutions o Altec Service Group - In-shop and Mobile service and replacement parts support o Altec NUECO Used Equipment/Trade-In options (The only supplier of Altec Certified Pre-Owned Trucks) o JJ Kane Auctioneers - Auctions - (Specializes in Utility Equipment) Canadian and World Wide Availability: o Altec Canada - Factory direct purchasing solutions for our Sourcewell Canadian customers with local Sales, parts, shop and mobile service, rental, and financing. o Altec Worldwide – We deliver products and services to more than 100 companies throughout the world. Company Ownership: Altec has been a family owned and privately held manufacturing company, since 1929. Longevity in ownership, is an assurance for our Sourcewell customers that they can rely on availability of older Altec replacement parts, ensure Altec units are trade-worthy at a future date, and ultimately that the values and principles Altec was founded on remain in place today - Total customer satisfaction in all aspects of the business. Customer Focus: Altec listens and engineers solutions for our customers and the daily challenges they face. It is from that commitment, that innovative equipment, features and options are designed to provide equipment that is highly productive and has a low overall cost of ownership. Government Focused Sales: Altec is committed to assisting in the acquisition and procurement goals of each government entity we serve. Having a team who is both engaged in the customer relationship and also procurement process, assists Sourcewell members achieve their procurement goals effectively and efficiently. Innovative Design: Our products are consistently raising the bar with innovative product design and integrated safety features. ISO Facility: Many units are designed, manufactured and final assembled in an ISO9001 registered factory (St. Joseph, MO). Supply Chain Innitiatives: Altec continues to make significant efforts corporate-wide to reduce and contain costs by using the Altec Production System and strengthening our supply chain. Quality Control: Altec provides the ability to control quality by manufacturing parts for our equipment. This allows us not only quality control but schedule control. o Altec feels that the fiberglass boom is one of the most important components in the building of an aerial device or a digger derrick. We don't have to rely on an outside vendor for quality control. Altec has composite engineers on staff, we have traceability from raw material to the finished product. o All booms ultrasonically tested and documents maintained. o All fiberglass booms to have a minimum of 7 to 1 to ultimate safety factor. o All welding to be done by AWS certified welders who meet Standard D1.1 on a 3G weld. o All bearing surfaces to be machined after welding. o All units with electronic circuit boards to be wave soldered o Provide a power distribution module (PDM) in the cab as a central point for all electrical. Include diagnostic capability with LED lights. Mechanic Certification: All quality and final testing of equipment prior to shipment from manufacturer and final assembler to be performed by FPS certified mechanics. Safety Certification Training: To promote and ensure the safe operation of our equipment amongst our Sourcewell members, Altec offers numerous OSHA based training CBTs and Trainer led safety programs. Altec SENTRY complies and demonstrates the vital safety features necessary for the industries in which we serve. Safety Standards: Standard Safety features are provided on every applicable unit; outrigger boom Interlock, outrigger motion alarm, back up alarm, unit/outrigger selector, Altec ISO Grip (Insulated Control Handle, Auxiliary Control Covers, Control Console (dashboard), Boom Tip Covers). Available tools; Lanyard interlock, Load Monitoring Systems, Basic Operating Videos, Safety Videos, Sales Videos. Corporate Training: People (training and certifications), process (a controlled process that provides traceability and accountability) and technology (machinery used) makes Altec a differencing Vendor. Warranty: Most of our products have a limited lifetime structural warranty. National Service / Support Network: As a private company dedicated to our customers and associates, Altec leads the way in service and customer satisfaction in the markets we serve. Altec is proud to provide products and services that help crews work safer and smarter. o On-line ordering is available at www.altecconnect.com. Altec Connect provides easy access to ordering Tools and Accessories or Replacement Parts, as well as detailed manuals and parts information for your units. o Altec is committed to bringing you the services and products you need. For additional assistance with Parts, Tools, & Accessories, Shop Service, Mobile Service, or Technical Support, call 1-877-GO ALTEC.	*

Table 9: Warranty

Describe in detail your manufacturer warranty program, including conditions and requirements to qualify, claims procedure, and overall structure. You may upload representative samples of your warranty materials (if applicable) in the document upload section of your response in addition to responding to the questions below.

Line Item	Question	Response *	
45	Do your warranties cover all products, parts, and labor?	Yes, our standard warranty is 1 year parts and labor, with 90 days for travel. Additionally it includes a limited lifetime warranty on most models. Please see attached "Warranty - Documents" for more information	*
46	Do your warranties impose usage restrictions or other limitations that adversely affect coverage?	No restrictions, however products must be operated and maintained in accordance with Altec operators and maintenance manuals, programs, and bulletins. Please see attached "Warranty - Documents" for more information	*
47	Do your warranties cover the expense of technicians' travel time and mileage to perform warranty repairs?	Yes, standard warranty is 90 days for travel charges.	*
48	Are there any geographic regions of the United States or Canada (as applicable) for which you cannot provide a certified technician to perform warranty repairs? How will Sourcewell participating entities in these regions be provided service for warranty repair?	No, Altec employs Mobile Service Technicians in all 50 states and Canada. We own and operate 44 service facilities across the United States and Canada. It will be the member's decision to schedule a Mobile Service Technician to come to their site or schedule in shop service. In either case, 1-877-GO ALTEC (1-877-462-5832) is our dedicated number for members to speak with their local Parts, Mobile, or Shop Service representative.	*
49	Will you cover warranty service for items made by other manufacturers that are part of your proposal, or are these warranties issues typically passed on to the original equipment manufacturer?	Products not manufactured by Altec which are supplied by Altec on special order would be covered under the manufacturer warranty. This would include items such as inverters, compressors, liftgates, generators, etc.	*
50	What are your proposed exchange and return programs and policies?	Parts ordered in error or no longer needed can be returned. If it was an error on Altec's part or otherwise not the customer's fault the 10% restocking fee will be waived. However. due to the nature of our equipment and the devaluation that occurs upon title / registration, there is no exchange or return program for equipment sales.	*
51	Describe any service contract options for the items included in your proposal.	We have included in our product offering service contract packages for member consideration at discounted rates. These include Preventative Maintenance (PM) Inspections at several different intervals, DOT inspections, Dielectric Tests.	*

Table 10: Payment Terms and Financing Options

Line Item	Question	Response *	
52	Describe your payment terms and accepted payment methods?	Payment Terms are Net 30. We accept payment by traditional methods such as check, wire transfer, and credit cards (There is a fee of 3% for credit card transactions used for the purchase of major units). Please see attached document "Payment Terms - Customer Detail" for complete details Customer payment inquiries can be sent to ARINQUIRY@ALTEC.COM or your local Altec Account Manager. Customer remittance information cab be sent to AEPREMITTANCE@ALTEC.COM or your local Altec Account Manager.	*
53	Describe any leasing or financing options available for use by educational or governmental entities.	Altec Industries provides Leasing and/or financing options through our subsidiary Altec Capital. Options include FMV, TRAC, and Capital leases, Equipment Finance Agreements (EFAs), and a dedicated Municipal Lease option to meet the equipment needs of our municipal customers. The benefits of our Municipal Lease option include: • Finance terms to match the useful life of the equipment. • Flexible lease options to shorten life cycles and decrease maintenance costs. • Conserves capital budget funds. • Match payments with budget allocations. • Non-appropriation language included. Equipment - Altec aerial trucks, digger derricks, cranes and miscellaneous specialty equipment. Ancillary non-Altec equipment will also be considered along with the leasing of Altec equipment Lease Term - 3 years to 8 years. Please call for shorter or longer lease terms. For used equipment, the age of the unit plus the lease term cannot exceed 8 years Purchase rates shown on attached document "Price List - Altec Capital Rate Matrix 11-1-2021" are good for 30 days from Date shown above. Credit Ratings - Baa or better Contact Altec Capital for a quote for your specific opportunity. With Altec Capital Services, there is no need to look anywhere else. Municipalities can now affordably purchase equipment in a timely, simplified way. The municipal lease offering is another product that Altec Capital Services, LLC offers to our customers in an effort to become your partner. Please feel free to visit http://www.alteccapital.com for more information.	*
54	Describe any standard transaction documents that you propose to use in connection with an awarded contract (order forms, terms and conditions, service level agreements, etc.). Upload a sample of each (as applicable) in the document upload section of your response.	Each opportunity will be quoted to customer, in compliance with Sourcewell contract terms and conditions including pricing and discount structure. Altec has created templates to help standardize the work practice and ensure we are quoting in a compliant manner. Please see attached "Audit - Standard Docs - Quote Template Example". We will typically also include a detailed quote document, in order for customer to verify their requirements are being met with our proposal. This document will include additional notes at the end. Please see attached "Standard Docs - Detailed Quote Document Example".	*
55	Do you accept the P-card procurement and payment process? If so, is there any additional cost to Sourcewell participating entities for using this process?	Yes Altec accepts the P-card, there is a fee of 3% for credit card transactions used for the purchase of major units	*

Table 11: Pricing and Delivery

Provide detailed pricing information in the questions that follow below. Keep in mind that reasonable price and product adjustments can be made during the term of

an awarded Contract as described in the RFP, the template Contract, and the Sourcewell Price and Product Change Request Form.

Line Item	Question	Response *	
56	Describe your pricing model (e.g., line-item discounts or product-category discounts). Provide detailed pricing data (including standard or list pricing and the Sourcewell discounted price) on all of the items that you want Sourcewell to consider as part of your RFP response. If applicable, provide a SKU for each item in your proposal. Upload your pricing materials (if applicable) in the document upload section of your response.	Line Item Proposed Contract Pricing plus $2.20/mile delivery charge (CONUS only). The pricing provided includes a discount of between 3% - 5% off MSRP depending on the model. Please see attached "Price List - ALTEC 110421 11-4-2021" for USA, and "Price List - ALTEC 110421 11-4-2021 CANADA" for Canada . NUECO pricing sheet is attached as well and represents a 3% discount off of standard pricing "Price List - NUECO - 2021" JJ Kane Auctioneers, an Altec company, is a full-service auction company that specializes in the remarketing of Utility and Forestry Equipment including but not limited to aerial lifts, cranes, digger derricks, cable placing machines, directional drills, excavation equipment, and trenchers, is offering Sourcewell members a 28.6% savings off their typical sellers fee. Please see attached "Price List - and Notes JJ Kane" Altec Capital rate sheet is attached "Price List - Altec Capital Rate Matrix 11-1-2021" as well as "Altec Capital Sourcewell Proposal". These rates are based on a credit rating of Baa or better, and are not to exceed rates. There is no more aggressive pricing available in the country for cooperative procurement organizations, state purchasing departments, GPOs, municipalities, universities, or school districts.	*
57	Quantify the pricing discount represented by the pricing proposal in this response. For example, if the pricing in your response represents a percentage discount from MSRP or list, state the percentage or percentage range.	Line Item Proposed Contract Pricing plus $2.20/mile delivery charge (CONUS only). The pricing provided includes a discount of between 3% - 5% off MSRP depending on the model. Please see attached "Price List - ALTEC 110421 11-4-2021" for USA, and "Price List - ALTEC 110421 11-4-2021 CANADA" for Canada . NUECO pricing sheet is attached as well and represents a 3% discount off of standard pricing "Price List - NUECO - 2021" JJ Kane Auctioneers, an Altec company, is a full-service auction company that specializes in the remarketing of Utility and Forestry Equipment including but not limited to aerial lifts, cranes, digger derricks, cable placing machines, directional drills, excavation equipment, and trenchers, is offering Sourcewell members a 28.6% savings off their typical sellers fee. Please see attached "Price List - and Notes JJ Kane" Altec Capital rate sheet is attached "Price List - Altec Capital Rate Matrix 11-1-2021" as well as "Altec Capital Sourcewell Proposal". These rates are based on a credit rating of Baa or better, and are not to exceed rates. There is no more aggressive pricing available in the country for cooperative procurement organizations, state purchasing departments, GPOs, municipalities, universities, or school districts.	*
58	Describe any quantity or volume discounts or rebate programs that you offer.	For equipment purchase prices: 2-5 Units: 1% Discount from Contract Price 6-10 Units: 1.5% Discount from Contract Price 11-19 Units: 2% Discount form Contract Price 20+ Units: TBD at Time of Order Note: Units must be identical and ordered at the same time to qualify for quantity rebate.	*
59	Propose a method of facilitating “sourced” products or related services, which may be referred to as “open market” items or “nonstandard options”. For example, you may supply such items “at cost” or “at cost plus a percentage,” or you may supply a quote for each such request.	Altec is offering nearly 500 of our most commonly ordered line items with specific pricing for Sourcwell members. When specific customer work practice requirements, customer preferences, ect, drive a need to utilize the Open Market section of our quote template, we will present a unique quote for each such request for customer review that will supplement the base model and contract items being quoted. This will all be accomplished with our standard quote template document, and allow our customers to be able to customize their equipment as desired.	*
60	Identify any element of the total cost of acquisition that is NOT included in the pricing submitted with your response. This includes all additional charges associated with a purchase that are not directly identified as freight or shipping charges. For example, list costs for items like pre-delivery inspection, installation, set up, mandatory training, or initial inspection. Identify any parties that impose such costs and their relationship to the Proposer.	Delivery is the only cost not included in pricing. It applies to all customers and the price is $2.20 / mile for CONUS. Quotes would need to done for anything outside of the CONUS and will be priced at or below fair market value.	*
61	If freight, delivery, or shipping is an additional cost to the Sourcewell participating entity, describe in detail the complete freight, shipping, and delivery program.	Altec has a team of drivers that work for the company. We will also contract with approved and vetted third party drive away companies to deliver our equipment from our manufacturing facilities to the customer site. Delivery is an additional $2.20 / mile and will be calculated at time of quote for CONUS. Anything outside of the CONUS would be contracted through a third party company and would need to be priced at time of initial quote to customer. Pricing will be at or below fair market value. All parties participating in delivery of equipment will meet certain insurance and liability requirements.	*
62	Specifically describe freight, shipping, and delivery terms or programs available for Alaska, Hawaii, Canada, or any offshore delivery.	Canada deliveries will be driven to customer site by approved and vetted third party drive away companies. Alaska, Hawaii, and worldwide deliveries will be contracted through a third party company and would need to be priced at time of initial quote to customer. Price will be at or below fair market rate. All parties participating in delivery of equipment will meet certain insurance and liability requirements.	*

63	Describe any unique distribution and/or delivery methods or options offered in your proposal.	Altec Industries has manufacturing facilities located throughout the country. If customer has a requirement for a “regional build” they can indicate this at time of quote and we will be happy to accommodate, please see attached "Company Information - Altec Production Facilities" for locations. If customer has any unique delivery requirements (such as loading equipment on a trailer for delivery, etc), they can also indicate at time of quote. Additionally customers are welcome to pickup their equipment at the manufacturing location, take a guided tour of the plant, and meet the Altec team that built their truck if desired.	*

Table 12: Pricing Offered

Line Item	The Pricing Offered in this Proposal is: *	Comments
64	c. better than the Proposer typically offers to GPOs, cooperative procurement organizations, or state purchasing departments.	There is no more aggressive pricing available in the country for cooperative procurement organizations, state purchasing departments, GPOs, municipalities, universities, or school districts.

Table 13: Audit and Administrative Fee

Line Item	Question	Response *	
65	Specifically describe any self-audit process or program that you plan to employ to verify compliance with your proposed Contract with Sourcewell. This process includes ensuring that Sourcewell participating entities obtain the proper pricing, that the Vendor reports all sales under the Contract each quarter, and that the Vendor remits the proper administrative fee to Sourcewell. Provide sufficient detail to support your ability to report quarterly sales to Sourcewell as described in the Contract template.	Our Technical Sales Representatives that prepare Sourcewell quotes for our customers go through training on the Sourcewell quote process, requirements, and our quote template is up to date and posted on our internal company site. The quote template governs our pricing and ensures we are providing contract compliant quotes. Our Account Managers must verify customer eligibility and flag the opportunity as a Sourcewell quote in our system in order to receive Sourcewell pricing and discounts. We currently, and will continue to run quarterly reports for orders invoiced and flagged as Sourcewell, and compare the customers on this list with members listed on Sourcewell's website to check again that customers are members. The reporting and audit process is administered by Altec Corporate, with visibility of global operations. Internally, we run reports every month and identify any potential discrepancies before it is time to report our quarterly numbers and pay administrative fee to Sourcewell. Please see attached "Audit - Standard Docs - Quote Template Example". We will typically also include a detailed quote document, in order for customer to verify their equipment requirements are being met with our proposal. This document may include additional notes at the end. Please see attached "Standard Docs - Detailed Quote Document Example".	*
66	If you are awarded a contract, provide a few examples of internal metrics that will be tracked to measure whether you are having success with the contract.	Monthly update on new customers using our Sourcewell contract. Customers that use our Rental Equipment contract #062320-ALT that we are able to transition and fulfill other equipment needs with this new contract. Also number and ratio of formal bids that are being requested by our Sourcewell eligible customers. Training for 100% of Account Managers and Technical Sales Representatives on benefits and use of contract.	*
67	Identify a proposed administrative fee that you will pay to Sourcewell for facilitating, managing, and promoting the Sourcewell Contract in the event that you are awarded a Contract. This fee is typically calculated as a percentage of Vendor’s sales under the Contract or as a per-unit fee; it is not a line-item addition to the Member’s cost of goods. (See the RFP and template Contract for additional details.)	We would like to propose a 1% administrative fee payment to Sourcewell on all orders through Altec Industries, including NUECO, Service, Supply and SENTRY. Altec Capital proposes a flat $250 fee for lease transactions under the Sourcewell Contract. We propose an administrative fee of 1% of JJ Kane revenue (buyers fee and sellers fee).	*

Table 14A: Depth and Breadth of Offered Equipment Products and Services

Line Item	Question	Response *	
68	Provide a detailed description of the equipment, products, and services that you are offering in your proposal.	Altec is proposing Sourcewell members have access to essentially our full product line of equipment, products, and services to enhance Altec's "cradle to grave" support of our products and provide Sourcewell members with the best possible experience. Equipment is proposed as "turn-key". This would include: • Insulated Aerial Devices with standard service bodies and chip dump bodies mounted on chassis (non-overcenter, overcenter, telescopic and telescopic articulating) • Non-Insulated Aerial Devices with standard service bodies mounted on chassis (non-overcenter, overcenter, telescopic and telescopic articulating) • Altec's Aerial offerings include material handling and personnel only platforms, with platform heights from 35' to 207' • Derrick Devices with standard service bodies mounted on chassis (backyard, distribution and transmission) • Boom Truck Cranes mounted on chassis (riding seat, behind cab mount, rear mount and tractor mount) • Knuckle Boom Cranes mounted on chassis (light, medium and large) • Knuckle Boom Crane Mounted Grapple Saws mounted on chassis • Pressure Diggers mounted on chassis (digging depth from 10-22 ft) • Insulator Washers mounted on chassis and skids • Cable Placers, Stringers, Tensioners and Pullers mounted on chassis or trailers (overhead and underground) • Wood Chippers • Spray Equipment mounted on chassis • Spray Equipment mounted on skids • Service Bodies mounted on chassis (aluminum, fiberglass and steel) • Chip Dump Bodies mounted on chassis. • Pole Trailers • Tool Trailers • Crane Bodies mounted on chassis • Altec Capital Services - financing • Altec Service - maintenance and service work • JJ Kane Auctioneers - specializes in the remarketing of Utility Equipment • Altec NUECO - the only supplier of Altec Certified Pre-Owned Trucks • Altec Supply - replacement parts and accessories • Altec Sentry - training Please visit our website at www.altec.com for more product specific details, and see attached file "Company Information - Altec Subsidiary Information".	*
69	Within this RFP category there may be subcategories of solutions. List subcategory titles that best describe your products and services.	• Altec Capital Services - financing • Altec Service - maintenance and service work • JJ Kane Auctioneers - specializes in the remarketing of Utility Equipment • Altec NUECO - the only supplier of Altec Certified Pre-Owned Trucks • Altec Supply - replacement parts and accessories • Altec Sentry - training Please and see attached file "Company Information - Altec Subsidiary Information".	*

Table 14B: Depth and Breadth of Offered Equipment Products and Services

Indicate below if the listed types or classes of equipment, products, and services are offered within your proposal. Provide additional comments in the text box provided, as necessary.

Line Item	Category or Type	Offered *	Comments	
70	Telescopic, articulated, mast, and boom, aerial lifts, towers, buckets, and platforms	(•) Yes ( ) No	Equipment is proposed as "turn-key" and would include: • Insulated Aerial Devices with standard service bodies and chip dump bodies mounted on chassis (non-overcenter, overcenter, telescopic and telescopic articulating) • Non-Insulated Aerial Devices with standard service bodies mounted on chassis (non-overcenter, overcenter, telescopic and telescopic articulating) • Altec's Aerial offerings include material handling and personnel only platforms, with platform heights from 35' to 207'	*
71	Digger derricks, and cable placing, pulling, and tensioning equipment	(•) Yes ( ) No	Equipment is proposed as "turn-key" and would include: • Derrick Devices with standard service bodies mounted on chassis (backyard, distribution and transmission) • Cable Placers, Stringers, Tensioners and Pullers mounted on chassis or trailers (overhead and underground)	*
72	Directional drills, trenchless excavation equipment, thrust and boring machines, soil piercing tools, trenchers, rock wheels, and pile drivers	(•) Yes ( ) No	Equipment is proposed as "turn-key" and would include: • Pressure Diggers mounted on chassis (digging depth from 10-22 ft)	*
73	Utility locating equipment	(•) Yes ( ) No	Altec has utility locating equipment available for purchase with new equipment, or through Altec Supply	*
74	Accessories, supplies, replacement or wear parts, and services related to the offering of equipment in Lines 69-72	(•) Yes ( ) No	Altec has accessory items and supplies available with the purchase of new equipment, and through Altec Supply. We have included service contract packages for member consideration. These include PM Inspections at several different intervals, DOT inspections, Dielectric Tests, with options to pre-purchase with new equipment, or purchase after equipment has been delivered. Additionally training through our Sentry group is included in our package. Due to the complex nature of our service offerings for repair, and the large geographic area our facilities cover, we are not providing a repair program offering at this time, with this proposal offering. We are providing a program for preventative maintenance (PM inspections, DOT inspections, Dielectric Tests, etc).	*

Exceptions to Terms, Conditions, or Specifications Form

Only those Proposer Exceptions to Terms, Conditions, or Specifications that have been accepted by Sourcewell have been incorporated into the contract text.

Documents

Ensure your submission document(s) conforms to the following:

1. Documents in PDF format are preferred. Documents in ord, Excel, or compatible formats may also be provided.

. Documents should NOT have a security password, as Sourcewell may not be able to open the file. t is your sole responsibility to ensure that the uploaded document(s) are not either defective, corrupted or blan and that the documents can be opened and viewed by Sourcewell.

3. Sourcewell may reject any response where any document(s) cannot be opened and viewed by Sourcewell.

4. f you need to upload more than one (1) document for a single item, you should combine the documents into one zipped file. f the zipped file contains more than one (1) document, ensure each document is named, in relation to the submission format item responding to. For example, if responding to the Mar eting Plan category save the document as "Mar eting Plan."

Addenda, Terms and Conditions

PROPOSER AFFIDAVIT AND ASSURANCE OF COMPLIANCE

I certify that I am the authorized representative of the Proposer submitting the foregoing Proposal with the legal authority to bind the Proposer to this Affidavit and Assurance of Compliance:

1. The Proposer is submitting this Proposal under its full and complete legal name, and the Proposer legally exists in good standing in the jurisdiction of its residence.

2. The Proposer warrants that the information provided in this Proposal is true, correct, and reliable for purposes of evaluation for contract award.

3. The Proposer, including any person assisting with the creation of this Proposal, has arrived at this Proposal independently and the Proposal has been created without colluding with any other person, company, or parties that have or will submit a proposal under this solicitation; and the Proposal has in all respects been created fairly without any fraud or dishonesty. The Proposer has not directly or indirectly entered into any agreement or arrangement with any person or business in an effort to influence any part of this solicitation or operations of a resulting contract; and the Proposer has not taken any action in restraint of free trade or competitiveness in connection with this solicitation. Additionally, if Proposer has worked with a consultant on the Proposal, the consultant (an individual or a company) has not assisted any other entity that has submitted or will submit a proposal for this solicitation.

4. To the best of its knowledge and belief, and except as otherwise disclosed in the Proposal, there are no relevant facts or circumstances which could give rise to an organizational conflict of interest. An organizational conflict of interest exists when a vendor has an unfair competitive advantage or the vendor's objectivity in performing the contract is, or might be, impaired.

5. The contents of the Proposal have not been communicated by the Proposer or its employees or agents to any person not an employee or legally authorized agent of the Proposer and will not be communicated to any such persons prior to Due Date of this solicitation.

6. If awarded a contract, the Proposer will provide to Sourcewell Participating Entities the equipment, products, and services in accordance with the terms, conditions, and scope of a resulting contract.

7. The Proposer possesses, or will possess before delivering any equipment, products, or services, all applicable licenses or certifications necessary to deliver such equipment, products, or services under any resulting contract.

8. The Proposer agrees to deliver equipment, products, and services through valid contracts, purchase orders, or means that are acceptable to Sourcewell Members. Unless otherwise agreed to, the Proposer must provide only new and first-quality products and related services to Sourcewell Members under an awarded Contract.

9. The Proposer will comply with all applicable provisions of federal, state, and local laws, regulations, rules, and orders.

10. The Proposer understands that Sourcewell will reject RFP proposals that are marked "confidential" (or "nonpublic," etc.), either substantially or in their entirety. Under Minnesota Statutes Section 13.591, subdivision 4, all proposals are considered nonpublic data until the evaluation is complete and a Contract is awarded. At that point, proposals become public data. Minnesota Statutes Section 13.37 permits only certain narrowly defined data to be considered a "trade secret," and thus nonpublic data under Minnesota's Data Practices Act.

11. Proposer its employees, agents, and subcontractors are not:

    1. Included on the "Specially Designated Nationals and Blocked Persons" list maintained by the Office of Foreign Assets Control of the United States Department of the Treasury found at: https://www.treasury.gov/ofac/downloads/sdnlist.pdf;

    2. Included on the government-wide exclusions lists in the United States System for Award Management found at: https://sam.gov/SAM/; or

    3. Presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from programs operated by the State of Minnesota; the United States federal government or the Canadian government, as applicable; or any Participating Entity. Vendor certifies and warrants that neither it nor its principals have been convicted of a criminal offense related to the subject matter of this solicitation.

☑ By checking this box I acknowledge that I am bound by the terms of the Proposer's Affidavit, have the legal authority to submit this Proposal on behalf of the Proposer, and that this electronic acknowledgment has the same legal effect, validity, and enforceability as if I had hand signed the Proposal. This signature will not be denied such legal effect, validity, or enforceability solely because an electronic signature or electronic record was used in its formation. - Riley Browne, Contract Specialist, Altec Industries, Inc.

The Proposer declares that there is an actual or potential Conflict of Interest relating to the preparation of its submission, and/or the Proposer foresees an actual or potential Conflict of Interest in performing the contractual obligations contemplated in the bid.

AMENDMENT #1
TO
CONTRACT # 110421-ALT

THIS AMENDMENT is effective upon the date of the last signature below by and between **Sourcewell** and **Altec Industries, Inc.** (Supplier).

Sourcewell awarded a contract to Supplier to provide Public Utility Equipment with Related Accessories and Supplies to Sourcewell and its Participating Entities, effective January 12, 2022, through December 27, 2025 (Contract).

NOW, THEREFORE, the parties wish to amend the Contract as follows:

1. Line item 2 in "Table 1: Proposer Identity & Authorized Representative" of the Proposal is modified to add the following: "Altec Teupen and Altec Fenex."

2. Line item 3 in "Table 1: Proposer Identity & Authorized Representative" of the Proposal is modified to add the following: "Altec Teupen and Altec Fenex."

Except as amended by this Amendment, the Contract remains in full force and effect.

CONTRACT EXTENSION

Contract Number: 110421-ALT

Sourcewell
202 12th Street Northeast
P.O. Box 219
Staples, MN 56479
(Sourcewell)

and

Altec Industries
210 Inverness Center Dr

Birmingham, Alabama
(Vendor)
35242-4834

have entered into Contract Number: 110421-ALT
for the procurement of: Public Utility Equipment with Related Accessories and Supplies

The Contract has an expiration date of 2025-12-27 , but the parties may extend the Contract by mutual consent.

Sourcewell and Vendor acknowledge that extending the Contract benefits the Vendor, Sourcewell and Sourcewell's Members. Vendor and Sourcewell agree to extend the Contract listed above for an additional period, with a new Contract expiration date of 2026-12-27 . All other terms and conditions of the Contract remain in full force and effect.

Altec®
FOUR DRUM PULLER

TS20-4P

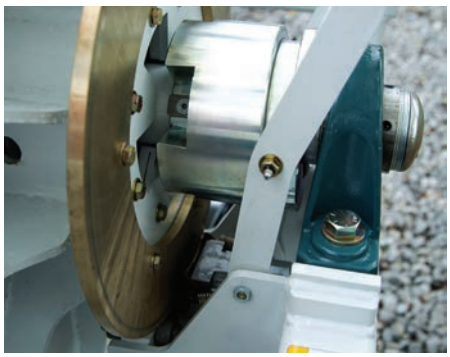
FEATURES

- Operator's Station with Protective Screen and Adjustable Seat
- Pilot Pressure Operator Controls are Centraly Located at Operator Station (Including Payout Brake Controls)
- 8,000 feet of 1/2 inch Diameter Color Coded 12-Strand Synthetic Pulling Rope
- Independent Drum Engagement Couplers with Handle for each Drum for Increased Safety and Functionality
- Individually Actuated Level-Wind Arm for each Pulling Drum
- CAN-Based Engine Display with Tachometer
- Hydraulic Front Jack with Option for Hydraulic Rear Jacks
- 20 Gallon Fuel Tank with Level Gauge
- 15 Gallon Hydraulic Oil Reservoir with Level and Temperature Gauges
- Closed Loop Hydrostatic Hydraulic Drive System
- DOT 4 Light System (LED)
- 6 Pin Round Wire Connector Trailer Plug
- Adjustable 2.5 inch ID Pintle Eye with Safety Chains and an Emergency Break-Away Switch
- Tier 4 Final Diesel Engine with 49 hp

OPTIONS

- Trailer Plug - 7 Pin Wire Connector
- Pulling Drum Covers
- Go Light
- Roof Package

SPECIFICATIONS



Overall Length	15 ft 5 in (4.70 m)
Max Width	8 ft (2.44 m)
Travel Height	8 ft 9 in (2.67 m)
Base Trailer/ Unit Weight (with pulling drum and rope)	10,000 lbs (4,536 kg)
Max Torque Rating	36,000 in-lbs (4,068 N-m)
Rated Line Pull (with 8,000 ft of 1/2" rope)	2,000 lbs
Rated Diameter	36 in (91.44 cm)
Max Line Speed	4.5 mph (7.24 km/h)
Engine hp	49 hp
Max System Pressure - Hydraulic Pump	3,916 psi (270.00 bar)
Pulling Drum Diameter	36 in
Pulling Drum Width (inside flanges)	23 in
GVWR	10,500 lb (4,703 kg)
GAWR	9,000 lb (4,083 kg)
Hydraulic Tank Capacity	15 gal (56.78 L)
Fuel Tank Capacity	20 gal (75.71 L)

Quote Number: 11221

Prices - The prices quoted are those in effect on the date of the quotation and will remain in effect for forty-five (45) days from the date of the quote. Prices are Ex-works Sherman + Reilly, Inc. (S+R) dock unless otherwise specified. Prices do not include, and Buyer shall pay, all costs and expenses incident to shipment and handling of products from point of delivery of the products by S+R to final destination. Payment - Where S+R extends credit to the Buyer, terms of payment shall be net thirty (30) days from the invoice date in US currency unless specified otherwise on the quote. Unless otherwise specifically agreed to in writing, payment from Buyer shall not be contingent on payment or financing from a third party. Buyer is also responsible for any sales, use or excise or similar taxes, duties, or levies now or hereafter enacted or imposed by governmental authority on the sale, delivery and ore use of the products sold by S+R. Buyer is responsible to provide a valid tax exemption certificate with their purchase order to avoid such tax being charged. If, in S+R's judgment, Buyer's financial condition does not justify the terms of payment specified, S+R may cancel delivery of the products unless the Buyer immediately pays for all products that have been delivered and pays in advance for other products that are due to be delivered. S+R retains the right to impose late fee of .277% per day for all payments that are late. Title and Delivery - Unless otherwise stated in S+R quotation, all shipments of goods shall be delivered F.O.B. origin, and title and liability for loss or damage thereto shall pass to the Buyer upon delivery to the Buyer's carrier. Buyer shall be liable for costs of insurance and transportation, taxes and any other expenses incurred, or licenses required at destination. Shipping dates are approximate only. S+R shall not be liable for any loss or expense for failing to meet a specific shipping date. Buyer hereby grants a lien and security interest in products delivered until payment is received in full. If Buyer requests S+R hold products until Buyer arranges transportation, Buyer agrees to assume ownership of products on the date the products were ready for shipment. Contingencies and Force Majeure - S+R shall not be liable for any delay in delivery caused by any contingency beyond the control of either S+R or S+R's suppliers, including, but not limited to, war, sabotage, insurrection, act of any government or any agency, judicial action, labor dispute, accident, insurance loss or other act of GOD, where S+R has exercised ordinary care in prevention thereof. Cancellation - Orders for any products submitted by Buyer and acknowledged by S+R cannot be canceled for any reason. Inspection - Buyer, at its option and expense, may inspect products for compliance to its purchase order prior to shipment. Limitation of Liability - Buyer shall defend, indemnify and hold harmless S+R, its employees and agents from and against all liabilities, claims, damages, losses and expenses for injury to any person or damage to real or tangible personal property which directly or indirectly arises out of breach of any agreement between the parties or the misuse, unsafe, negligent, or inappropriate use of any products sold by S+R to Buyer. Non-Waiver of Default and Collection Rights - In the event of any default by the Buyer, S+R may invoke any remedy provided by law or by terms of this agreement and may decline further shipments. Applicable Law and Forum - All matters arising out of or relating to this agreement shall be governed by and in accordance with the laws of the State of Tennessee. Any legal suit, action or proceeding arising out of this agreement shall be instituted in the State of Tennessee, Hamilton county.
LIMITED WARRANTY: Please refer to www.sherman-reilly.com. The Standard Limited Warranty defined on our web site covers all SRI products. The Forever Warranty defined on our web site further covers SRI products comprising distribution and transmission single-conductor blocks and bundled blocks, and related accessories; collectively, “Products”.

If Buyer requests S+R hold products until Buyer arranges transportation, Buyer agrees to assume ownership of products on the date the products were ready for shipment.

Contingencies and Force Majeure - S+R shall not be liable for any delay in delivery caused by any contingency beyond the control of either S+R or S+R's suppliers, including, but not limited to, war, sabotage, insurrection, act of any government or any agency, judicial action, labor dispute, accident, insurance loss or other act of GOD.

Cancellation - Orders for any products submitted by Buyer and acknowledged by S+R cannot be canceled for any reason.

Inspection - Buyer, at its option and expense, may inspect products for compliance to its purchase order prior to shipment.

Limitation of Liability - Buyer shall defend, indemnify and hold harmless S+R, its employees and agents from and against all liabilities, claims, damages, losses and expenses for injury to any person or damage to real or tangible personal property which directly or indirectly arises out of the acts or omissions of Buyer, the breach of any agreement between the parties or the misuse, unsafe, negligent, or inappropriate use of any products sold by S+R to Buyer.

Non-Waiver of Default and Collection Rights - In the event of any default by the Buyer, S+R may invoke any remedy provided by law or by terms of this quote and may decline further shipments.

Applicable Law and Forum - All matters arising out of or relating to this quote shall be governed by and in accordance with the laws of the State of Tennessee, without giving effect to principles of conflict of laws. Any legal suit, action or proceeding arising out of this quote shall be instituted exclusively in the state or federal courts located in Hamilton County, Tennessee.

LIMITED WARRANTY - Please refer to www.sherman-reilly.com for all warranty terms.

Complete Agreement - Any purchase from S+R shall be solely governed by the terms and conditions of this Quote. Any terms or conditions introduced by Buyer either directly, indirectly by way of reference or otherwise, and whether as part of a purchase order, acknowledgment, email, or other means are hereby explicitly rejected and shall not apply.

Submitted By: Christina Guy

Presentation By: John King

Department: Fleet

FORMAL TITLE:
Utilization of the Florida Sheriffs Association agreement with Nextran Truck Centers for the purchase of a Mack refuse chassis for Public Works, in the amount of $299,604

OCALA'S RELEVANT STRATEGIC GOALS:
Operational Excellence

PROOF OF PUBLICATION:
N/A

BACKGROUND:
The Public Works Department utilizes automated side loader (ASL) refuse trucks to provide efficient and dependable residential waste collection throughout the City. Staff identified an existing City-owned salvaged ASL body suitable for refurbishment and installation on a new Mack refuse chassis. The ASL body, retrieved from a truck chassis that had sustained prior damage, has undergone thorough inspection and has been deemed fit for continued operational service.

FINDINGS AND CONCLUSIONS:
Refurbishing the ASL truck body, which has been in service for 14 months, constitutes a prudent and cost-effective action. This initiative will extend the asset's lifespan, maintain operational reliability, and optimize the City's investment by deferring the need for a significantly more expensive full replacement.

The refuse chassis and refurbishment will be purchased from Nextran Truck Centers under the Florida Sheriffs Association Contract No. FSA25-VEH23.0, for a total cost of $299,604.

As a political subdivision of the State of Florida, the City of Ocala qualifies as an eligible user of direct purchase contracts solicited and negotiated by the Florida Sheriffs Association (FSA). Agreement No.: FSA25-VEH23.0 was awarded by FSA. Cooperative purchasing programs are comprised of member cities, counties, and other public agencies nationwide that aggregate their members' purchasing power to achieve greater volume discounts. The solicitation underlying Agreement FSA25-VEH23.0 has been evaluated and determined by the City's Procurement Department and Fleet to be cost-effective and to afford the best value.

Staff recommends approval.

FISCAL IMPACT:
Funding for this purchase is budgeted in account 453-023-602-534-66-64010 - Public Works Sanitation Machinery and Equipment.

PROCUREMENT REVIEW:
These goods were procured in compliance with the City's procurement policy.

LEGAL REVIEW:
This Agreement will be reviewed and approved for form and legality by City Attorney, William E. Sexton.

I have read and understand the above. It is intended by my signature hereon that this be a binding, enforceable sales agreement.
I further understand that the terms and conditions that follow are a true and integral part of this agreement.

Purchaser's Signature *Date*

Accepted by Nextran Truck Centers *Date*

This agreement shall not be binding on Nextran Truck Centers until accepted by the General Manager.

TERMS AND CONDITIONS

1. Acceptance. The purchaser identified on the first page hereof ("**Purchaser**") and Nextran Corporation, a Florida corporation d/b/a Nextran Truck Centers ("**Dealer**") hereby agree that these Terms and Conditions are incorporated into, and constitute an integral part of, the Sales Agreement governing Purchaser's purchase of motor vehicles from Dealer as more particularly described on the first page hereof.

2. Purchaser's Payment of Charges. Purchaser shall pay all charges arising out of or associated with this Agreement, whether correctly stated on page one of this Sales Agreement or otherwise, including without limitation all tag, license, tire, battery and lien fees, and all federal, state and local taxes. Purchaser shall pay all amounts required to pay off and satisfy in full all liens on Purchaser's trade-in vehicle(s), as may be required by any such lien holder, regardless of whether the lien holder has quoted the wrong amount, the payoff amount has changed since the date of any such quote, or Purchaser has failed to disclose all lien holders on such vehicle(s). If Purchaser chooses to pay any portion of the purchase price by using a bank or credit card, Purchaser shall pay all charges associated with the use of such card imposed on Dealer and shall promptly reimburse Dealer upon demand for any such costs arising after the consummation of any sale.

3. Deposit. Upon the execution of this Sales Agreement, Purchaser shall pay to Dealer a non-refundable deposit in the amount set forth on the first page of this Sales Agreement. If Dealer fails to deliver the motor vehicle(s) as contemplated herein, Purchaser's sole remedy against Dealer shall be a return of the deposit as liquidated damages in full settlement of any and all claims relating to this Sales Agreement, and Purchaser hereby waives any claims to the contrary. If Purchaser fails to pay the balance of the Selling Price, fails to take delivery of the motor vehicle for any reason or otherwise breaches its obligations under this Sales Agreement, Dealer shall be entitled to retain the entire deposit as liquidated damages in full settlement of any and all related claims. Purchaser and Dealer acknowledge that their actual damages arising out of any breach of this Sales Agreement would be difficult or impossible to calculate with specificity and that the foregoing treatment of the deposit constitutes mutually bargained liquidated damages and not a penalty.

4. Commercially Reasonable Efforts. Dealer shall use all commercially reasonable efforts to make prompt delivery of the motor vehicle(s) contemplated hereby. However, Purchaser acknowledges and agrees that time is not of the essence with respect to the transactions contemplated in this Sales Agreement.

5. Warranties. DEALER MAKES NO REPRESENTATIONS OR WARRANTIES OTHER THAN THE MANUFACTURER'S WARRANTY ON NEW MOTOR VEHICLES. ALL USED MOTOR VEHICLES ARE **SOLD BY PURCHASER "AS IS, WITHOUT WARRANTY," EITHER EXPRESS OR IMPLIED. DEALER SPECIFICALLY DISCLAIMS ALL WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE OF THE MOTOR VEHICLE(S) SOLD UNDER THIS SALES AGREEMENT, ALL OF WHICH PURCHASER HEREBY WAIVES TO THE FULLEST EXTENT PERMITTED BY LAW.** Purchaser acknowledges that no person is authorized to make any representations or warranties to the contrary, whether oral or written. _____ ***(Initials of Purchaser)***

6. Limitation of Liability; Waiver of Claims. Purchaser shall have the right to fully inspect the motor vehicles sold under this Sales Agreement at the time of delivery. Dealer shall not be liable for, and Purchaser's acceptance of such motor vehicle constitutes Purchaser's waiver of, any and all claims, causes of action, losses and damages arising out of Dealer's sale of the motor vehicle to Purchaser, including without limitation any and all actual, incidental or consequential damages arising out of: a) loss, damage or delays for any reason; b) failure to supply any property ordered hereunder; c) loss of use, loss of time, lost profits or income; d) changes in design, materials or specifications; e) modifications to the motor vehicle performed by others; and f) defects in design, materials or workmanship, in each case with respect to the motor vehicles purchased by Purchaser pursuant to this Sales Agreement.

Purchaser shall indemnify, defend and hold Dealer and its affiliated companies and their officers, agents, and employees harmless from and against all loss, liability and expense, including reasonable attorneys' fees, by reason of bodily injury including death, and property damage, sustained by any persons including but not limited to the officers, agents and employees of Purchaser, as a result of the maintenance, use, operation, servicing, transportation, defect in or failure of such motor vehicles, whether such bodily injury, death or property damage is due or claimed to be due in whole or in part, to any neglect, default, defect, fault, failure, act or omission, by or on behalf of Dealer, its officers, agents and employees or any other person, including but not limited to any claims of strict liability in tort, breach of warranty, and/or negligence. Purchaser acknowledges that this waiver constitutes a material inducement for Dealer to consummate the transactions contemplated in this Sales Agreement and is subject to no exceptions.

7. Modifications by Others. Purchaser acknowledges that any requested modifications to the motor vehicles subject to this Sales Agreement to be performed by others are Purchaser's sole responsibility, and Purchaser shall pay Dealer for the cost of such modifications, regardless of whether Purchaser takes delivery of the vehicle. Dealer is not liable for any defects in design, materials or workmanship, or any errors or omissions by such third parties.

8. Trade-in Allowance. The trade-in allowance set forth on page one of this Sales Agreement is based upon an appraisal by Dealer of the trade-in described herein in its present mechanical condition and with the equipment and attachments described on Dealer's appraisal sheet. Such trade-in shall be subject to reappraisal at the time of delivery of the motor vehicle to be sold hereunder. Purchaser shall be liable for any differences in the trade-in allowance due to changes in mechanical condition, equipment or attachments.

9. Entire Agreement. This Sales Agreement constitutes the complete and exclusive statement of the terms of the agreement between Purchaser and Dealer concerning the subject matter hereof and supersedes all prior agreements, understandings, negotiations and discussions of the parties, whether written or oral. No modification, course of conduct, amendment, supplement to or waiver of this Sales Agreement shall be binding unless made in writing and signed by both Purchaser and Dealer.

10. Assignment. This Sales Agreement may not be assigned by Purchaser without Dealer's prior written consent, and any attempted assignment by Purchaser shall be null and void. Subject to the foregoing, this Sales Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, successors, permitted assigns and legal representatives. There are no third party beneficiaries of this Sales Agreement.

11. Governing Law; Consent to Jurisdiction; Waiver of Right to Trial by Jury. This Sales Agreement and the rights and obligations of the parties hereunder shall be governed by, and construed and interpreted in accordance with, the laws of the State of Florida, without giving effect to the conflict of laws principles thereof. Venue for any litigation, legal action or other proceedings arising out of or relating to this Sales Agreement shall lie solely in the courts of the State of Florida located in Dade County, Florida. Purchaser and Dealer (a) agree that such courts shall have exclusive jurisdiction over any matters arising out of or related to this Sales Agreement and (b) hereby waive any and all claims to the effect that any of such courts constitutes an inconvenient forum. The parties hereby irrevocably and unconditionally waive any right they may have to a trial by jury in any suit, action, proceeding, or counterclaim arising out of or relating to this SALES Agreement.

12. Miscellaneous. Risk of loss shall pass to the Purchaser upon delivery of the motor vehicle sold under this Sales Agreement. A facsimile of this Sales Agreement shall have the same legal effect as an original hereof. In the event of any litigation arising out of this Sales Agreement, the non-prevailing party shall reimburse the prevailing party for the reasonable attorneys' fees and other expenses incurred by the prevailing party in connection therewith.

1.0 GENERAL CONDITIONS

1.01 BID CORRESPONDENCE

All correspondence regarding this bid should be directed to the Florida Sheriffs Association ("FSA"). Please be sure to reference the bid number and title and provide your contact information. Communication for this Invitation to Bid should be identified by contract number and title and directed to:

Florida Sheriffs Association
Attn: Cooperative Purchasing Program Coordinator
2617 Mahan Drive
Tallahassee, FL 32308
E-mail: CPP@flsheriffs.org

1.02 PURPOSE

The Florida Sheriffs Association invites interested bidders, including manufacturers and dealers or authorized representatives (each a "Bidder" and together, "Bidders"), to submit responses in accordance with this solicitation document for Bid FSA25-VEH23.0 Heavy Trucks and Buses. The FSA Cooperative Purchasing Program will conduct the solicitation process and administer the resulting contract. The purpose of this bid is to establish contracts with manufacturers and/or manufacturers' authorized dealers for contract terms specified under Section 1.03 for the purchase of on a "no trade-in basis."

1.03 TERM OF CONTRACT

The term for Contract FSA25-VEH23.0 Heavy Trucks and Buses ("Contract" or "Agreement") shall remain in effect for two years from date of Contract execution by the FSA, and may be extended by mutual agreement, at the sole option and discretion of the FSA. The initial term of this Contract begins October 1, 2025, and ends September 30, 2027.

Contract extensions will only be executed when the FSA determines, based on then-existing conditions, that it is in the best interest of the FSA and the purchasers to do so.

1.04 JURISDICTION

This Agreement and the provisions contained herein shall be governed by and interpreted and construed in accordance with the laws of the State of Florida. Each party consents that the venue for any litigation arising out of or related to this Agreement shall lie in the appropriate court in and for Leon County, Florida.

1.05 SHERIFF AS COUNTY CONSTITUTIONAL OFFICER

The Offices of the Sheriff in the State of Florida are constitutional offices of the State of Florida. Each has the authority either individually or collectively to execute contracts for all goods and services for the proper conduct of that office. Section 30.53, *Florida Statutes*, exempts the sheriffs' offices from the provisions of the Florida Statutes that would otherwise require sealed and competitive bidding procedures "concerning the purchase and procurement of supplies and equipment, selection of personnel, and the hiring, firing, and setting of salaries of such personnel".

The Offices of the Sheriff are not required by law to accept the lowest priced proposal and may reject any or all of the proposals without recourse. Bidders are solely responsible for their own bid preparation costs and nothing in this solicitation in any way obligates the participating sheriffs' offices for any payment for any activity or costs incurred by any Bidder in responding to this solicitation.

1.06 FUNDING

In the case of certain purchasers, including state agencies, funds expended for the purposes of a contract must be appropriated by the Florida Legislature, the individual purchaser or the purchaser's appropriating authority for each fiscal year included within the contract period. For such purchasers, their performances and obligations to pay for products or services under any resulting contract or Purchase Order, including this Contract, are contingent upon such an annual appropriation by the Legislature, individual purchaser or by the appropriating authority. Therefore, any contract or Purchase Order, including this Contract, with such a purchaser shall automatically terminate without penalty or termination costs in the event of non-appropriation.

1.07 CURRENCY

All transaction amounts, bids, quotes, provisions, payments or any part of this Contract relating to currency are to be made in United States Dollars.

1.08 GENERAL DEFINITIONS

The terms used in this Contract are defined as the following:

A. Bidder: A business or enterprise that submits a formal bid to the Florida Sheriffs Association Cooperative Purchasing Program in accordance with these Terms and Conditions. A bidder, that is not the Manufacturer, must be authorized by the Manufacturer to market and sell an item for which they are bidding.

B. Bid System: The online forum used for the submission of bids and review of bid results for the specifications connected to this Invitation to Bid. VendorLink is the software used for this bid.

C. Build Sheet: A document from the Bidder that confirms that the item submitted meets or exceeds the FSA Base Specifications. Build Sheets include, but are not limited to, the factory options list and door data plate information for vehicles that include details such as engine size and transmission, paint codes, production date, axle code, etc.

D. Dealer: An enterprise authorized by the Manufacturer to market, sell, provide, and service the items for the Florida Sheriffs Association Cooperative Purchasing Program. Dealers may be Vendor-owned and controlled, in whole or in part, or independently owned and controlled.

E. End User: A term used to distinguish the person who ultimately uses or is intended to use a product or for whom a product is designed for use.

F. Factory: Refers to the Manufacturer produced products.

G. Fleet Advisory Committee ("Committee"): An employee of a sheriff's office or other local governmental agency, or person who FSA CPP identifies as a subject matter expert who assists with the development of bid specifications and evaluation of bid responses. The Committee makes recommendations to the FSA CPP but is not responsible for final awards.

H. Florida Sheriffs Association Cooperative Purchasing Program ("FSA CPP"): The entity that administers the Invitation to Bid and contract administration functions for the resulting contract(s).

I. FSA Base Specifications: Written descriptions of the minimum requirements for each item or item group developed by the FSA CPP for Bidders to bid on. These item requirements may be unique to FSA CPP and require additional components to the Manufacturer's standard item.

J. Invitation to Bid: A competitive solicitation and award process established through the issuance of an invitation to Bidders, vendors, Dealers and Manufacturers to submit a price offer on a specific product to be provided. This term shall include the FSA Base Specifications available to Bidders on the Bid System and references to solicitation documents. The term shall not include requests for proposals, requests for quotes, requests for letters of interest, or purchase orders based on oral or written quotations.

K. Manufacturer: The original producer or provider of items offered on this Contract.

L. Manufacturer's Suggested Retail Price ("MSRP"): The Manufacturer's recommended retail selling price, list price, published list price, or other usual and customary price that would be paid by the purchaser. The following are acceptable sources of current MSRPs and MSRP Lists for use in submission of the bid solicitation and the resulting contract:
    a. Manufacturer's Computer Printouts
    b. Chrome Systems, Inc.'s PC Carbook Plus and PC Carbook Fleet Edition
    c. Manufacturer's Annual U.S. Price Book
    d. Manufacturer's official website

M. Non-Scheduled Option: Any optional new or unused component, feature or configuration that is not included or listed in the FSA Base Specifications or options provided by the Vendor.

N. Production Cutoff: A date used by Manufacturers to notify vendors and Dealers that the Manufacturer has reached maximum capacity for orders or are discontinuing the production of an item. Vehicle Manufacturers use this term when referring to any given model year for production.

O. Published List Price: A standard "quantity of one" price currently available to government and educational purchasers, excluding cooperative or volume discounts.

P. Purchase Order: An official request for order from a purchaser to an awarded Vendor for an item that has been awarded on this Contract. Purchase Orders placed using this Contract formalize the Terms and Conditions of this Contract under which a Vendor furnishes items to a purchaser.

Q. Purchaser: An entity that seeks to obtain items awarded on this Contract by meeting the eligible user criteria.

R. Qualifications Packet: This packet containing the required forms, attestations, authorizations, and organizational information needed by Bidders to qualify.

S. Terms and Conditions: This document, which serves as the governing Invitation to Bid and Contract for the identified FSA CPP Invitation to Bid and resulting contract(s). Standard regulations, processes, procedures, and compliance requirements are identified herein. Bidders complete a Qualifications Packet during the bid process indicating they agree to comply with the Terms and Conditions, and that this will serve as the

Contract for both parties, should the Bidder(s) receive award. Bidder must respond to the Contract Signature Form affirming acceptance of the Terms and Conditions, which will serve as the Contract for both parties, should the Bidder receive an award.

T. Third Party Supplier: Businesses external to a Bidder or Vendor that provide products and services which contribute to the overall finished item in this Contract. Third Party Suppliers are contractors and/or subcontractors under the direction and responsibility of the Bidder or Vendor.

U. Vendor: The Bidder(s) that receive award, who agree to provide the contract items that meet the requirements of this ITB and FSA Base Specifications of the Contract. The Vendor must agree to the Terms and Conditions, which will serve as the governing Contract. If the Vendor is not the Manufacturer, the Vendor must be authorized by the Manufacturer to market, sell, provide, and service all awarded items.

V. Vendor Installed: A product or service provided by the Vendor or other third party; not the factory.

1.09 ELIGIBLE PURCHASERS OF CONTRACT

Awarded bid contract pricing will be extended and guaranteed to the Florida Sheriffs Association, any unit of local government, political subdivision or agency of the State of Florida ("State"). This includes, but is not limited to counties, municipalities, sheriffs' offices, clerks, property appraisers, tax collectors, supervisors of elections, school boards or districts, water management districts, other special districts, police and fire departments, emergency response units, state universities and colleges, or other state, local or regional government entities within the State of Florida. Eligible purchaser also includes all Eligible Users as defined in Section 60A-1.001(2), *Florida Administrative Code* ("F.A.C.").

All purchasers are bound by applicable Federal and State law, local ordinances, rules and regulations for purchases made under this Contract. Participating agencies cannot guarantee any order other than those ordered by the individual agency.

In addition, awarded bids can be extended and guaranteed to other entities, which can include out-of-state sales, in accordance with Vendors' individual Manufacturers' agreements. Vendors that wish to extend contract pricing to entities other than those defined here are governed by their Manufacturers' agreements and must agree to the Terms and Conditions.

1.10 LEGAL REQUIREMENTS

Federal, State, and local laws, ordinances, rules and regulations, including any applicable motor vehicle dealer laws, that in any manner affect the items covered herein apply to this Contract and all services, work, materials, and supplies provided by Vendor in order to fulfill its obligations under this Contract. Lack of knowledge by the Bidder of applicable legal requirements will in no way be a cause for relief from responsibility.

Bidders have the option to certify that they are willing to accept Purchase Orders funded in whole or in part with Federal funds. By opting in, Bidders certify that they are willing to comply with the requirements outlined in Appendix D upon receipt of a federally funded Purchase Order. This is not a requirement of the Invitation to Bid or Contract. Bidders are not required to opt-in; however, they are required to indicate whether they will opt-in or opt-out of receiving federally funded Purchase Orders. FSA CPP has taken actions to provide and develop information, materials, and resources for Bidders, Vendors and purchasers that will assist in the use of Federal funding with this

Contract. It is the responsibility of the purchaser to determine compliance for each Vendor, if they wish to use Federal funds for purchase or intend to request reimbursements using Federal funds.

1.11 PATENTS & ROYALTIES

The Vendor, without exception, shall indemnify and hold harmless the Florida Sheriffs Association ("FSA") and its employees from liability of any nature or kind, including costs and expenses for, or on account of, any copyrighted, patented, or unpatented invention, process, or article manufactured or used in the performance of the Contract, including its use by the FSA or a purchaser.

If the Bidder uses any design, device or materials covered by letters, patent, or copyright, it is mutually understood and agreed, without exception, that the bid prices shall include all royalties or costs in any way arising, directly or indirectly, from the use of such design, device, or materials in any way involved in the work.

1.12 FEDERAL AND STATE STANDARDS

It is the intent of FSA CPP that all specifications herein are in full and complete compliance with all Federal and State of Florida laws, requirements, and regulations applicable to the type and class of commodities and contractual services being provided.

In addition, any applicable Federal or State legal or regulatory requirements that become effective during the term of the Terms and Conditions, regarding the items and services specifications, safety, and environmental requirements shall immediately become a part of the Terms and Conditions. The Vendor shall meet or exceed any such requirements of the laws and regulations. If an apparent conflict exists, the Vendor shall contact the FSA CPP immediately.

1.13 UNDERWRITERS' LABORATORIES

Unless otherwise stipulated in the bid, all manufactured items and fabricated assemblies shall be Underwriters' Laboratories, or U.L., listed or re-examination listing where such has been established by U.L. for the item(s) offered and furnished.

1.14 AMERICANS WITH DISABILITIES ACT

To request this material in accessible format, sign language interpreters, information on access for persons with disabilities, or any accommodation to review any document or participate in any FSA sponsored proceeding, please contact FSA Human Resources at (850) 877-2165 five business days in advance to initiate your request. TTY users may also call the Florida Relay Service at 711.

1.15 REASONABLE ACCOMMODATION

In accordance with the Title II of the Americans with Disabilities Act, any person requiring an accommodation because of a disability at the bid opening must contact the FSA Human Resources at (850) 877-2165.

1.16 DISADVANTAGED BUSINESSES

As part of the solicitation process FSA CPP makes information publicly available to potentially qualified entities, and conducts additional outreach to qualified:

- Small businesses,
- Minority-owned small businesses,
- Women-owned small business enterprises, and
- Disadvantaged business enterprises.

FSA CPP takes necessary affirmative steps to ensure that minority businesses, women's business enterprises, and labor surplus area firms are used, when possible, as recommended by 2 C.F.R. § 200.321. FSA CPP will:

- Evaluate whether small, minority, and women's businesses are potential sources,
- Place those qualified small and minority businesses and women's business enterprises on solicitation lists, and
- Search the Small Business Administration, Minority Business Development Agency, and Labor Surplus Area reports for additional potential sources.

Bidders self-certify in the Qualifications Packet whether they meet the state and federal definitions of a small business, minority-owned small business, women-owned small business enterprise, and disadvantaged business.

1.17 ANTI-DISCRIMINATION, E-VERIFY, AND ANTI-HUMAN TRAFFICKING REQUIREMENTS

The Bidder certifies that they are in compliance as applicable by federal or state law with the non-discrimination clause contained in Section 202, Executive Order 11246, as amended by Executive Order 11375, relative to equal employment opportunity for all persons without regard to race, color, religion, sex or national origin.

The Vendor shall comply with and perform all applicable provisions of Section 448.095, *Florida Statutes*. The Vendor shall register with and use the United States Department of Homeland Security's E-Verify system to verify the work authorization status of all newly hired employees. The FSA CPP, or purchaser, may terminate this Agreement immediately for cause if there is a good faith belief that the Vendor has knowingly violated Section 448.091, *Florida Statutes*.

If the Vendor anticipates entering into agreements with a subcontractor for the services and/or work contemplated under this Agreement, the Vendor will not enter into the subcontractor agreement without first receiving an affidavit from the subcontractor regarding compliance with Section 448.095, *Florida Statutes*, and stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. The Vendor shall maintain a copy of such affidavit for the duration of the agreement and provide a copy to the FSA CPP, or purchaser, upon request.

In the event that the FSA CPP, or purchaser, has a good faith belief that a subcontractor has knowingly violated Section 448.095, *Florida Statutes*, but the Vendor has otherwise complied with its obligations hereunder, the FSA CPP, or purchaser, shall promptly notify the Vendor. The Vendor agrees to immediately terminate the agreement with the subcontractor upon notice from the FSA CPP or purchaser. Further, absent such notification from the FSA CPP or purchaser, the Vendor or any subcontractor who has a good faith belief that a person or entity with which it is contracting has knowingly violated Section 448.09(1), *Florida Statutes*, shall promptly terminate its agreement with such person or entity.

By entering into this Contract, the Vendor represents that no public employer has terminated a contract with the Vendor under Section 448.095(5)(c), *Florida Statutes*, within the year immediately preceding the date of this Contract.

The Vendor certifies, by acceptance of this Contract, that neither it nor its principals utilize coercion for labor or services as defined in Section 787.06, *Florida Statutes*. The Vendor agrees to execute an affidavit in a form satisfactory to FSA CPP or the purchaser in compliance with Section 787.06(13), *Florida Statutes*.

1.18 BEST COMMERCIAL PRACTICES

The apparent silence or omission of any description from the specifications shall be regarded as meaning that only the best commercial practices, size, and design are to be used. All workmanship is to be first quality. All interpretations of FSA Base Specifications shall be upon the basis of this statement.

1.19 PUBLIC ENTITY CRIMES ("PEC") AND SCRUTINIZED COMPANIES STATEMENTS

In accordance with the Public Entity Crimes Act, Section 287.133, *Florida Statutes*, a person or affiliate who has been placed on the convicted vendor list, maintained by the State of Florida Department of Management Services following a conviction for public entity crimes, may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a vendor, supplier, sub-vendor, or consultant under a contract with a public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, *Florida Statutes*, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

In accordance with Section 287.135, *Florida Statutes*, Bidder certifies that neither it nor any of its officers, directors, executives, partners, shareholders, members, or agents is on the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Terrorism Sectors List, or the Scrutinized Companies that Boycott Israel List created pursuant to Sections 215.4725 and 215.473, *Florida Statutes*, and in the event such status changes, Bidder and/or Vendor, if status changes after award, shall immediately notify FSA CPP and/or the purchaser. If Bidder and/or Vendor, if applicable after award, is found to have submitted a false statement, has been placed on the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Terrorism Sectors List, or has been engaged in business operations in Cuba or Syria, or is now or in the future on the Scrutinized Companies that Boycott Israel List, or engaged in a boycott of Israel, the FSA CPP may immediately terminate this Contract.

1.20 TAX EXEMPTION

Purchasers making a purchase pursuant to the awarded bid are generally exempt from Federal Excise and State Sales Tax. It is the responsibility of the Vendor to verify that the purchaser is exempt by obtaining the purchaser's Federal Excise and State Taxes and Use Certificate Number.

The Florida Sheriffs Association is a 501(c)3 organization and is exempt from all Federal Excise and State Taxes. The FSA State Sales Tax and Use Certificate Number is 85-8012646919C-3.

1.21 ORDER OF PRECEDENCE IN THE EVENT OF CONFLICT

In the event of conflict, the conflict may be resolved in the following order of priority (highest to lowest):

- Addenda to Contract Terms and Conditions, if issued
- Contract Conditions
- General Conditions

- Addenda to FSA Base Specifications, if issued
- FSA Base Specifications
- Bidder Instructions

1.22 COMMUNICATIONS

Communications between a Bidder, lobbyist or consultant and FSA are limited to matters of process or procedure and shall be made in writing to the FSA CPP Staff.

Bidders should not rely on representations, statements, or explanations other than those made in this Invitation to Bid or in any written addendum to this Invitation to Bid, and no oral representations, statements, or explanations shall be deemed to bind the FSA or Eligible Users.

1.23 CLARIFICATION AND ADDENDA

Any questions or clarifications concerning the Invitation to Bid shall be submitted to FSA CPP by e-mail to CPP@flsheriffs.org with the bid title and number referenced on all correspondence. Final questions must be received by the date for Request for Clarification stated on the Bid Calendar. Questions and answers will be posted to the FSA CPP website on the date indicated on the Bid Calendar. Questions received during the cone of silence date listed on the bid calendar will not be addressed, except as provided herein.

Interpretation of the specifications or any solicitation documents will **not** be made to the Bidder verbally, and if any verbal clarifications are provided, they are without legal effect. FSA CPP will make every attempt to e-mail updates to registered Bidders. However, posting to the FSA CPP website or the Bid System constitutes proper notice of addenda.

The FSA CPP shall issue a formal addendum if substantial changes that impact the submission of bids are required. Any such addenda shall be binding on the Bidder and shall become a part of the solicitation document. In the event of conflict with the original specifications, addenda shall govern to the extent specified. Subsequent formal addenda, if any, shall govern over prior formal addenda only to the extent specified. The FSA will not be responsible for any explanation or interpretation made verbally or in writing except those made through the posting of a formal addendum.

The bid submission constitutes acknowledgment of addenda to the FSA Base Specifications. Bids that fail to account for the specification addenda shall be determined to be nonresponsive; however, the FSA CPP may waive this requirement when in its best interest.

After the start of the Contract term, FSA CPP will notify all Vendors of any addenda and will require acknowledgement of the new terms and conditions. If the Vendor does not agree to the new terms and conditions, the Vendor's award can be removed or replaced by another Vendor or qualified responsive bidder.

1.24 SIGNED BID CONSIDERED AN OFFER

The signed bid shall be considered an offer on the part of the Bidder, which offer shall be deemed accepted upon approval by the FSA CPP. The bid submission must be signed by an authorized representative. Submission of a bid in the FSA CPP Bid System constitutes a signed bid for purposes of bid evaluation. An electronic signature may be used and shall have the same force and effect as a written signature.

1.25 ASSIGNMENT OF CONTRACT

No right or interest in this contract may be assigned, transferred, conveyed, sublet or otherwise disposed of, without prior written consent of the FSA CPP.

If the original Vendor sells or transfers all assets or the entire portion of the assets used to perform this Contract, a successor-in-interest must perform all obligations under this Contract. FSA CPP reserves the right to reject the acquiring entity as Vendor. A change of name agreement will not change the contractual obligations of the Vendor.

In the event a Manufacturer reassigns the product line to an alternate company, the Vendor is required to notify the FSA CPP in writing of the change within 10 business days of the reassignment. If the Vendor is not already an approved FSA CPP Vendor, the alternate company is required to submit a Qualifications Packet to the FSA CPP to become an approved Vendor *prior to* conducting any qualified sales. FSA CPP may approve such assignments of existing or new vendors at its discretion. The Vendor is required to honor the contract pricing and all of the applicable Terms and Conditions throughout the remaining term of the Contract.

1.26 TERMINATION OF PRODUCT LINE

If a Vendor terminates a product line (Manufacturer or brand), the Vendor is required to notify the FSA CPP within 10 business days of the decision not to retain the product line. FSA CPP may remove the terminated products from the Contract. In the event of a termination of a product line (Manufacturer or brand), the purchaser shall compensate the Vendor in accordance with the Contract for all goods delivered by the Vendor prior to termination, net of any costs incurred by the purchaser and FSA as a consequence of the termination.

1.27 DEMONSTRATION OF COMPETENCY

Bidders must be able to demonstrate a good record of performance for a reasonable period of time, and have sufficient financial support, equipment and organization to ensure they can satisfactorily execute the services if awarded a Contract under the Terms and Conditions herein stated.

The terms "equipment" and "organization" as used herein shall be construed to mean a fully equipped and well-established company in line with the best business practices in the industry and as determined by the FSA CPP.

The FSA CPP may consider any evidence available and may require submission of supporting documentation regarding the financial, technical and other qualifications and abilities of a Bidder, including past performance with the FSA CPP, in making the award.

FSA CPP may inspect the Bidder's facility prior to the award of a Contract. Bids will only be considered from firms which are regularly engaged in the business of providing the goods or services described in this Invitation to Bid.

1.28 VENDOR ABILITY TO PERFORM

The FSA CPP may require Bidders to show proof that they have been designated as authorized representatives of a Manufacturer or supplier, which is the actual source of supply. In these instances, the FSA CPP may also require information from the source of supply regarding the quality, packaging and characteristics of the products. Any conflicts between this material information provided by the source of supply and the information contained in the bid submission may render the bid nonresponsive.

During the Contract term, FSA CPP may review the Vendor's record of performance and may require submission of supporting documentation to ensure that the Vendor is providing sufficient financial support, equipment and organization.

If the FSA CPP determines that the Vendor no longer possesses the financial support, equipment and organization in order to comply with this section, FSA has the authority to immediately terminate the Contract.

By responding to this Invitation to Bid, the Bidder warrants that, to the best of his or her knowledge, there is no pending or threatened action, proceeding, or investigation, or any other legal or financial condition, that would in any way prohibit, restrain, or diminish the Bidder's ability to satisfy the obligations of a resulting contract. The Bidder warrants that neither it nor any affiliate is currently on the convicted vendor list maintained pursuant to Section 287.133, *Florida Statutes*, or on any similar list maintained by any other state or the federal government. The Bidder, by responding to this Invitation to Bid, acknowledges and warrants that, if selected, Bidder (being then considered a "Vendor") shall immediately notify the FSA CPP and purchaser(s) in writing if its ability to perform is compromised in any manner during the term of the Contract.

1.29 FINANCIAL RESPONSIBILITY

Bidder affirms by the submission of the bid and by signature on the Contract Signature Form that the Bidder:

- Has fully read and understands the scope, nature, and quality of work to be performed or the services to be rendered under this Invitation to Bid and has adequate facilities and personnel to fulfill such requirements.
- Accepts the financial responsibility associated with this bid and declares that they have the access to capital (in the form of liquidity or credit lines) in order to meet the financial demands of such award.
- Has assessed the financial responsibility required to serve the Contract as bid, including such details as the obligations to perform all items bid, zones bid, and quantities that could be ordered, as well as timing of payment from purchasers, which can be 45 calendar days from receipt of invoice.

1.30 QUALITY AND SAFETY

All materials used for the manufacture or construction of any supplies, materials or equipment covered by this bid shall be new. The items bid must be new, the latest model, of the best quality, and highest-grade workmanship that meet or exceed federal safety standards.

Items requiring certification should require certification of options in cases where non-certified options could result in the decertification of the original product or warranty. In all cases where options are not certified, the Bidder (or, if after award, the Vendor) must disclose to the end user that the non-certified options are not required to be certified. All options must meet or exceed federal safety standards.

1.31 NONCONFORMANCE

Items may be tested for conformance with specifications. Items delivered that do not conform to specifications may be rejected and returned at the Vendor's expense.

Any violation of these stipulations may also result in:

- Vendor's name being removed from the awarded vendor list.
- FSA and purchasers being advised not to do business with Vendor.

1.32 GRATUITIES

Bidders shall not offer any gratuities, favors, or anything of monetary value to any official, employee, or agent of the FSA, for the purpose of influencing consideration of this bid. Bidders shall disclose in writing any conflicts of interest to FSA prior to any award, or as soon as practicable after learning of any such conflict, including any contractual or employment relationships with FSA or potential purchasers of Bidder's products or services.

1.33 TIE BIDS

FSA CPP has the right to award multiple Bidders the primary or alternate award in the event of a tie. In the event the FSA CPP desires to break tie bids, and businesses have qualifying drug-free work programs, the award will be made using the following criteria, in order:

- Bidder within the State of Florida; and if none, then,
- Vendors' performance record with purchasers; and if none, then
- Coin Toss.

1.34 RIGHT TO AUDIT

Vendor shall establish and maintain a reasonable accounting system that enables FSA CPP to readily identify Vendor's sales. FSA CPP and its authorized representatives shall have the right to audit and to make copies of all related records pertaining to this Contract, including all government sales and eligible user information, whether kept by or under the control of the Vendor, including, but not limited to those kept by its employees, agents, assignees, successors, sub-vendors, or third-party suppliers in whatever form they may be kept – written or electronic. Such records shall include, but not be limited to:

- Accounting records, including but not limited to Purchase Orders, confirmation of orders or invoices, paid vouchers, cancelled checks, deposit slips, ledgers, and bank statements;
- Written policies and procedures;
- Subcontract files (including proposals of successful and unsuccessful Bidders, bid recaps, etc.);
- Original estimates, quotes, or work sheets;
- Contract amendments and change order files;
- Insurance documents; or
- Memoranda or correspondence.

Vendor shall maintain such records during the term of this Contract and for a period of three (3) years after the completion of this Contract or for such period of time as is required for retaining public records pursuant to Florida law. At the Vendor's expense and upon written notice from FSA CPP, the Vendor shall provide such records for inspection and audit by FSA CPP and its authorized representatives. Such records shall be made available to FSA CPP during normal business hours within three (3) business days of receipt of the written notice. FSA CPP may select the Vendor's place of business or offsite location for the audit. The FSA CPP may also request the Vendor provide requested records via e-mail.

Vendor shall ensure FSA has these rights with Vendor's employees, agents, assignees, successors, and third-party suppliers, and the obligations of these rights shall be explicitly included in any subcontracts or agreements formed between the Vendor and any sub-vendors to the extent that those subcontracts or agreements relate to fulfillment of the Vendor's obligations to FSA or purchaser(s).

Professional fees, personnel costs and travel costs incurred by FSA under its authority to audit and not addressed elsewhere will be the responsibility of the FSA. However, if the audit identifies underreporting, overpricing or overcharges (of any nature) by the Vendor to FSA or a purchaser in excess of three percent (3%) of the total Contract billings, the Vendor shall reimburse FSA for the total costs of the audit not to exceed $5,000. If the audit discovers substantive findings related to fraud, misrepresentation, or non-performance, FSA may recoup all the costs of the audit work from the Vendor.

Any adjustments or payments that must be made as a result of any such audit or inspection of the Vendor's invoices or records shall be made within a reasonable amount of time (not to exceed 60 calendar days) from presentation of FSA's findings to Vendor.

FSA has the right to assess damages or seek reimbursements or refunds based on audit results.

1.35 LICENSES AND PERMITS

The Bidder shall obtain and pay for all licenses, permits and inspection fees for this bid submission and any resulting contract. Where Vendors are required to enter or go onto FSA or purchaser property to deliver materials or perform work or services as a result of a bid award, the Vendor will assume the full duty, obligation and expense of obtaining all necessary licenses, permits and insurance.

The Bidder must, by the time of award, be actively registered to do business in the State of Florida on SunBiz.gov.

1.36 PERFORMANCE BONDS

Purchasers may request a performance bond from a Vendor. Performance bonds are recommended with pre-payment and will be at the expense of the requesting agency. Purchasers should determine the best practice in comparing performance bond expense against any prior discounts that may be available.

1.37 ELIMINATION FROM CONSIDERATION

This Invitation to Bid shall not be awarded to any person or Bidder who has outstanding debts to the FSA, whether in relation to current or previous bid awards or for other business purposes.

1.38 INDEPENDENT PREPARATION

A Bidder shall not, directly or indirectly, collude, consult, communicate or agree with any other Bidder as to any matter related to the bid each is submitting. Additionally, a Bidder shall not induce any other Bidder to modify, withdraw, submit, or not submit a bid.

Bidders and Vendors who are found to have engaged in these acts will be considered nonresponsive and will be suspended or barred from bid participation. Any contract award resulting from these acts may be terminated for default. Further, any such acts detected by the FSA may be reported to relevant law enforcement and/or prosecutorial agencies.

Bidders may submit multiple bids without violating this provision if the bid submitted is not from the same Manufacturer and product line. Dealers that share the same ownership may submit multiple bids without violating this provision if the Bidders are not in the same region featuring the same Manufacturer and product line.

1.39 DEFAULT

In case of default on the part of Vendor, the FSA CPP may take necessary steps to otherwise procure the products sought, including but not limited to procuring the products or services from the next highest ranked Bidder or from other sources. A defaulting Vendor may be held liable for costs incurred by the FSA in procuring replacement products.

1.40 PROTESTS AND ARBITRATION

Any person who is adversely affected by the decision or intended decision to award shall file a "Notice of Protest" in writing to the FSA CPP within three (3) business days after the posting of the Intent to Award and shall file a formal written protest within five (5) business days after filing the Notice of Protest. Failure to file both a notice of protest and a formal written protest within the above referenced timelines shall constitute a waiver of proceedings.

The burden is on the party protesting the award of the bid to establish grounds for invalidating the award(s). The formal written protest must state with particularity the facts and law upon which the protest is based. Options are for informational purposes only and will not serve as a basis for protest. Failure to do so will result in a denial of protest. Formal written protest which states with particularity the facts and law upon which the protest is based will be reviewed by FSA legal counsel for legal soundness and validity, and corrective action will be taken as needed contingent upon the validity of such claims. However, any additional time required and costs incurred by the FSA to substantiate a protesting party's claim(s) beyond the normal scope of its legal review due to the vague or inconclusive nature of the protesting party's filing will be reimbursable to the FSA and deducted from the protesting party's bond or security which must accompany their filing.

Any Bidder who files an action protesting a decision or intended decision pertaining to this Contract shall post a bond, cashier's check or money order payable to the Florida Sheriffs Association in the amount equal to ten percent (10%) of the item being protested. The bond, cashier's check or money order must be filed at the time of filing the formal written protest or within the five (5) business day period allowed for filing the formal written protest. FSA CPP will provide the amount required within two (2) business days of the notice of protest received. This bond or security will be conditioned upon the payment of all costs which may be adjudged against the protesting party in a court of law and/or to reimburse the FSA for additional legal expenses incurred and required to substantiate the protesting party's claim(s). Failure to post the bond or security requirement within the time allowed for filing will result in a denial of protest. The filing of the protest shall not stay the implementation of the bid award by the Florida Sheriffs Association.

Should the unsuccessful Bidder(s) decide to appeal the decision of the FSA, they shall file a notice to FSA CPP within three (3) business days of the FSA bid protest decision regarding their intent to request arbitration. A demand for arbitration with the American Arbitration Association's ("AAA") commercial panel under its rules and regulations must be made within ten (10) business days of the FSA bid protest decision. Any person who files for an arbitration with the AAA shall post with the Florida Sheriffs Association at the time of filing the formal written arbitration request, a bond, cashier's check or money order payable to the Florida Sheriffs Association in the amount equal to ten percent of the product line being protested. This amount will be the same amount as the FSA CPP provided at the time of filing the initial protest. Failure to provide written notice to FSA CPP, file a demand for arbitration with the AAA, or failure to post the required bond and security requirement within the specified timelines shall constitute a waiver of arbitration proceedings. By responding to this procurement, the Bidder expressly agrees to the use of mandatory binding arbitration to resolve any appeals of the decision of the FSA, and any claims arising from or in any way relating to the procurement process, and expressly waives any and all rights that it may otherwise have to pursue such claims in any other forum, judicial or otherwise.

If the party filing for arbitration does not prevail, it shall pay all costs, legal expenses and attorneys' fees of the prevailing party incurred in connection with the arbitration. However, if the filing party prevails, the parties shall share equally the fees and expenses of the arbitration and AAA and each shall bear the cost of their own attorneys' fees. The filing for arbitration shall not stay the implementation of the bid award by the Florida Sheriffs Association.

1.41 NONPERFORMANCE

By virtue of the bid submission, Bidder acknowledges its obligation to sell items in all zones for which it is awarded. Upon award, failure of the Vendor to comply with these requirements may result in the imposition of liquidated damages of up to $1,000 per item, which amount the Vendor agrees is reasonable, or probation, suspension, termination or a combination thereof from current and future bids at the FSA CPP's discretion.

The Vendor shall at all times during the Contract term remain responsive and responsible. In determining Vendor's responsibility, the FSA CPP shall consider all information or evidence that demonstrates the Vendor's ability or willingness to fully satisfy the requirements of the Terms and Conditions.

Vendors that are not in compliance with any of the provisions of this Contract can be assessed liquidated damages, suspended or terminated from the Contract. The FSA CPP at its sole discretion may remove a noncompliant Vendor from future competitive bid solicitations; or take other actions including suspension from the Contract until compliance issues are resolved, limit current or future vendor participation by items or zones, or other actions as determined by FSA CPP at its sole discretion.

At FSA CPP's discretion, Vendors may be required to develop corrective action plans to address contract compliance. Failure to abide by corrective action plans will result in termination of the Contract and future competitive bid solicitations at the discretion of the FSA CPP.

In situations where there is evidence that the Vendor has engaged in egregious breaches of the Contract with respect to either the FSA CPP and/or the purchaser, the Contract can be terminated immediately and the Vendor will be removed from future solicitations for a period of up to three (3) years, or a permanent ban from the bid process at the sole discretion of FSA CPP.

Specific conditions for termination include, but are not limited to: failure to perform, refusal to accept orders during the Contract term while Manufacturer orders are still being accepted for current model year or the new year if the vehicle is price protected by the factory, charging amounts exceeding MSRP on factory or Vendor installed items and packages, requiring the purchase of additional options over and above the base vehicle as a condition of acceptance of order, providing aftermarket options where factory options are available without the consent of the purchaser, any misrepresentation of optional equipment or service as being factory that fails to meet the definition as described in this document, and any other practice deemed to be inconsistent with the intent of the Contract.

Any Vendor presented with a valid Purchase Order consistent with Vendor bid quotes or other agreed upon terms and pricing is required by this Contract to accept such Purchase Order and deliver the product. Purchase Orders must be fulfilled whether or not the Purchase Order includes options. The Vendor must deliver this product in accordance with the Terms and Conditions – regardless of whether doing so will provide the Vendor with a profit or loss.

Failure to deliver the item may result in the purchaser seeking damages for the difference of cost to issue a new Purchase Order with another Vendor, plus any legal fees and damages that may be incurred in the process to facilitate a completed order. Additionally, FSA CPP may seek damages for nonpayment of administrative fees, to

which FSA CPP is entitled, according to Section 3.25, and any attorneys' fees incurred in the recovery of these damages.

1.42 SEVERABILITY

In the event any provision of this Contract is held to be unenforceable for any reason, the unenforceability thereof shall not affect the remainder of the Contract, which shall remain in full force and effect and enforceable in accordance with its terms.

1.43 TERMINATION FOR CAUSE

If, through any cause within the reasonable control of the Vendor, it shall fail to fulfill in a timely manner, or otherwise violate any of the terms of this Contract, the FSA shall have the right to terminate the services remaining to be performed. Written notice of the deficiencies shall be given to the Vendor and unless the deficiencies are corrected within ten (10) business days, the Contract may be terminated for cause immediately. The right to exercise the option to terminate for cause shall be in the sole discretion of the FSA, and the failure to exercise such right shall not be deemed to constitute a waiver of this right.

In the event of a termination for cause, the purchaser shall compensate the Vendor in accordance with the Contract for all services performed by the Vendor prior to termination, net of any costs incurred by the purchaser and FSA as a consequence of the default.

Notwithstanding the above, the Vendor shall not be relieved of liability to the FSA for damages sustained by the FSA by virtue of any breach of the Contract by the Vendor, and the FSA may reasonably withhold payments to the Vendor for the purposes of offset until such time as the exact amount of damages due the FSA from the Vendor is determined.

1.44 TERMINATION WITHOUT CAUSE

The FSA can terminate the Contract in whole or part without cause by giving written notice to the Vendor of such termination, which shall become effective thirty (30) calendar days following receipt by Vendor of such notice.

In the event of termination without cause, all finished or unfinished documents and other materials shall be properly delivered to the FSA.

The Vendor shall not furnish any product after it receives the notice of termination, except as necessary to complete the continued portion of the Contract, if any. The Vendor shall not be entitled to recover any lost profits that the Vendor expected to earn on the balance of the Contract or cancellation charges.

Any payments to the Vendor shall be only to the total extent of the purchaser's liability for goods or services delivered prior to the date of notice to terminate the Contract.

1.45 CONTRACT ADVERTISEMENT AND USE OF FSA LOGO

The FSA CPP logo is an official logo of the Florida Sheriffs Association designed to promote the program. The FSA CPP logo may be used by Vendors in accordance with the policy contained in this Section 1.45. Use of the FSA CPP logo is limited to the original version received from the FSA. Modifications are not permitted.

Methods of use include, but are not limited to:

- Electronic mediums such as websites, digital marketing campaigns, social media and e-mail; or
- Print media such as forms, marketing campaigns, business cards, posters, banners, brochures, flyers and postcards.

Vendors may request use of the FSA CPP logo by contacting cpp@flsheriffs.org, and should include a brief description of how the Vendor intends to use it. The official FSA sheriff's star and wreath logo may not be used without prior written permission.

2.0 BIDDER INSTRUCTIONS

2.01 QUALIFICATION

Bidders are required to complete the Qualifications Packet as part of the bid submission. A Bidder becomes a qualified bidder if they comply with this section and Section 2.09, Mandatory Pre-Bid Meeting.

Qualifications Packet information required for bid submission include:

- Qualification Form
  - Contact Information
  - Business Profile
  - References
  - Disqualifications & Defaults
- Compliance Attestations
  - E-Verify
  - Anti-Human Trafficking
  - Workers' Compensation
  - Drug-Free Workplace
  - Compliance with Applicable Federal, State, and Local Laws and Ordinances
  - Sunbiz
- Federal Compliance

The Qualifications Packet is located on the Bid System.

2.02 LICENSING AND FACILITIES

Bidders are required to obtain all required licenses, including any applicable motor vehicle dealer licenses, and registrations, and comply with all applicable Federal, State, and local laws and ordinances, including any applicable motor vehicle dealer laws, in order to bid on any motor vehicle.

Bidders must maintain a repair facility within the State of Florida to provide warranty service for the items bid. If Bidders do not have a facility, the Bidder must be able to assist purchasers in obtaining warranty work as authorized by the Manufacturer.

2.03 INSURANCE AND INDEMNIFICATION

Vendor shall maintain, at its sole cost and expense, the insurance coverages required by FSA and purchasers through the duration of this Contract, with limits of liability not less than the following:

- Workers' Compensation Insurance in accordance with the laws of the State of Florida.
- Comprehensive General Liability Insurance covering the Vendor's legal liability for bodily injury and property damage, contractual liability, and completed products and operation, with limits of not less than $1,000,000 per occurrence and $2,000,000 aggregate, and covering at least the following hazards:
  - Independent Contractors Coverage for bodily injury and property damage in connection with any subcontractors' operation.
- Automobile Liability Insurance covering the Vendor's legal liability for bodily injury and property damage in limits of not less than $1,000,000 per occurrence, providing coverage for any accident arising out of or resulting from the operation, maintenance, or use by the Vendor of any owned, non-owned, or hired automobiles, trailers, or other equipment required to be licensed.

- Garage Keepers Liability Insurance covering the Vendor's legal liability for property damage in limits of not less than $1,000,000 per occurrence.

It is understood and agreed that all insurance policies of insurance provided by the Vendor are primary coverage and non-contributory with respect to any insurance or self-insurance the FSA or purchasers possess that may apply to a loss resulting from the work performed pursuant to this Contract. All insurance policies issued to cover the insurance requirements herein shall provide full coverage from the first dollar of exposure.

Vendor shall be fully liable for the actions of its agents, officers, employees, contractors, partners, subcontractors, and third party suppliers, performing work under this Contract, and shall fully indemnify and hold harmless the Florida Sheriffs Association ("FSA"), the purchasers, and each of their officers, agents, and employees from suits, actions, damages, and costs of every name and description, including legal counsels' fees and court costs, arising from or relating to negligence, omissions, personal injury or damage to real or personal tangible property alleged to be caused in whole or in part by Vendor, its agents, officers, employees, contractors, partners, subcontractors, and third party suppliers; provided, however, that the Vendor shall not indemnify for that portion of any loss or damages resulting directly from the grossly negligent acts or omissions of the FSA or purchasers or for that portion of any loss or damages proximately caused by intentional wrongful acts or omissions of the FSA or purchasers.

All insurance policies shall be issued by companies authorized to do business under the laws of the State of Florida and these companies must have a rating of B+ or better per the AM Best Rating. At no time shall the Vendor be without insurance in the required amounts. No policy may be changed to provide for less coverage than is required or canceled during the term of this Contract without at least thirty (30) days' written notice to the FSA and/or purchasers, as applicable.

The Vendor must specifically and distinctly assume, and does so assume, all risks of damage or injury to property or persons used or employed on or in connection with the work to be performed by Vendor pursuant to this Contract and of all damage or injury to any person or property wherever located, resulting from any action, omission or operation by the Vendor, its agents, officers, employees, contractors, partners, subcontractors, and third party suppliers, under this Contract or in connection with the work contemplated herein. It is understood and agreed that at all times the Vendor, its agents, officers, employees, contractors, partners, subcontractors, and third party suppliers, are acting as independent contractors to the FSA and/or purchasers, as applicable. Nothing in this Contract shall be interpreted or construed as creating or establishing the relationship of employer and employee between the FSA and/or purchasers and the Vendor or any of its agents, officers, employees, contractors, partners, subcontractors, and third party suppliers, or anyone directly or indirectly employed by the Vendor. The parties acknowledge that the Vendor is not an employee for state or federal tax purposes. The Vendor shall hire and pay all of Vendor's employees, agents, subcontractors or anyone directly or indirectly employed by the Vendor, all of whom at all times being entirely under the Vendor's supervision, direction and control. The Vendor shall be responsible for the means, manner, and methods by which its duties, obligations, and responsibilities under this Contract are met to the satisfaction of the FSA and/or purchasers, as applicable. The Vendor shall be responsible for every part of the work contemplated herein, and for all labor, expertise, materials, tools, appliances and property of every description, used in connection with this Contract.

The Vendor will secure and maintain policies of third-party suppliers performing work or providing services and/or materials to or for Vendor in furtherance of Vendor's performance under this Contract. All third-party supplier insurance policies must be made available to the FSA and/or purchasers upon written request. Compliance by the Vendor and all third-party suppliers with the foregoing requirements as to carrying insurance and furnishing copies of the insurance policies will not relieve the Vendor or any of its third-party suppliers of each of their liabilities and obligations under any section or provisions of this Contract. Vendor must be as fully responsible to the FSA and/or

purchasers for the acts and omissions of the third-party suppliers and of persons employed by the third-party suppliers as Vendor is for acts and omissions of persons directly employed by the Vendor.

The FSA and/or purchasers may request, and upon such request the Vendor must furnish, proof of insurance, within seven (7) calendar days of receipt of the written request once the contract times have commenced. Should the Vendor fail to provide acceptable evidence of current insurance during the Contract term, the FSA and/or purchasers, as applicable, have the right, but not obligation, to consider the Contract breached and terminate the Contract effective immediately, in the sole discretion of the FSA and/or purchasers, as applicable. If Vendor fails to have secured and maintained the required insurance, the FSA and/or purchasers has the right to consider alternate insurance coverage proffered by the Vendor, but has no obligation to do so.

The FSA and/or purchasers will give the Vendor the opportunity to take over and settle or defend any such action at Vendor's sole expense. As permitted by law and within a reasonable time period, the FSA and/or purchasers will give the Vendor written notice of an action or threatened action. Vendor will not be liable for commercially unreasonable costs, expenses or compromises incurred solely by the FSA, or purchasers, in any legal action without Vendor's prior written consent, which consent shall not be unreasonably withheld, conditioned, or delayed.

The Comprehensive General liability insurance coverage, Automobile liability insurance coverage, and Garage Keeper's liability insurance coverage must extend to and include the following contractual indemnity and hold harmless agreement:

> *The Vendor hereby agrees to indemnify and hold harmless the FSA, a 501(c)3, its officers, agents, and employees from all claims for bodily injuries and for all damages to property, including tangible and intangible, per the insurance requirement under the specifications including costs of investigation, all expenses of litigation, including reasonable legal counsel fees (including paralegal and other expert and support service fees) and the cost of appeals arising out of any such claims or suits because of any and all acts, omissions or commissions by the Vendor, its agents, officers, employees, contractors, partners, subcontractors, and third party suppliers under the Contract FSA25-VEH23.0 Heavy Trucks and Buses.*

The foregoing indemnity agreement must apply to any and all claims and suits other than claims and suits arising out of the sole and exclusive gross negligence of the FSA, its officers, agents, and employees, as determined by a court of competent jurisdiction.

The Vendor will notify the insurance agent without delay of the existence of the Hold Harmless Agreement contained within this Contract and furnish a copy of the Hold Harmless Agreement to the insurance agent and carrier.

The Vendor, at all times during the full duration of work under this Contract, including any extra or additional work approved by and consented to in writing by the parties in connection with this Contract, shall meet the requirements of the foregoing provisions.

2.04 SPECIFICATIONS

All items covered by this Invitation to Bid and any resulting contract, and the specifications shall be the Manufacturer's current basic production model, and shall, as a minimum, be equipped with all standard factory equipment in accordance with the Manufacturer's latest literature unless otherwise noted in the Bid System or FSA Base Specifications.

The FSA Base Specifications are contained in the FSA CPP Bid System, may be requested from FSA CPP, and are retained within FSA CPP's archive. As part of the bid submission, Bidders will be required to provide confirmation that the item bid meets the FSA Base Specifications. FSA CPP may reject bids that fail to provide confirmation that the item(s) bid meet the FSA Base Specifications.

FSA CPP develops the specifications with subject matter experts and publicly available information. However, FSA CPP does not have access to full details from the Manufacturer and relies on Bidders to assist in this process. Bidders should immediately notify the FSA CPP of any inaccuracies in the specifications. All notifications of inaccuracies must be in writing.

If awarded a contract, Vendor(s) must offer and supply an item that either meets or exceeds all the requirements included in the applicable FSA Base Specifications, unless a purchaser specifically issues a Purchase Order for a base item and option that differs from the FSA Base Specifications. Failure of a Vendor to comply with these provisions will result in Vendor being held responsible for all costs required to bring the item into compliance with the contract specifications.

2.05 SEALED BIDS

For purposes of this solicitation, a sealed bid is considered a bid submitted using the FSA CPP Bid System.

2.06 MISTAKES

Bidders are expected to examine the FSA Base Specifications, delivery schedules, bid prices and all information pertaining to servicing this Contract before submitting a bid. Failure to do so will be at the Bidder's risk.

2.07 EXCEPTIONS

Any requested exceptions, deviations, or contingencies a Bidder may have to the Terms and Conditions must be documented in Bidder's submission. Exceptions to the FSA Base Specifications at the time of the bid submission shall reference the item number, make and model. FSA CPP has the discretion to grant or deny, in whole or in part, the Bidder's requested exception, deviation or contingency to the specifications or Terms and Conditions. Bidder acknowledges that the bid may be disqualified if FSA CPP rejects the proposed exceptions.

2.08 EQUIVALENTS

Prior to the opening of the Bid System, Bidders may request item equivalents. The Bidder must submit the Manufacturer name and model number (or product identifier) of each equivalent requested to FSA CPP. Complete, descriptive, technical literature should demonstrate that the equivalent conforms with FSA Base Specifications. If a bid uses equivalents without prior approval, the bid may be disqualified.

2.09 MANDATORY PRE-BID MEETING

Bidders are required to attend or participate in the **mandatory** Pre-Bid Meeting. The Pre-Bid Meeting is designed for Bidders, the Fleet Advisory Committee, and the FSA CPP to clarify questions on the Terms and Conditions and to confirm all FSA Base Specifications. Questions relating to the items, specifications, the bid process, or award can be asked at the Pre-Bid Meeting. Bidders have the opportunity to suggest technical modifications or corrections before the FSA Base Specifications are finalized.

FSA CPP reserves the right to grant attendance exceptions to the mandatory Pre-Bid Meeting if the Bidder has requested authorization, agrees in writing to meet all the Terms and Conditions without exception and further waives their right to protest the bid process in its entirety or any portion thereof.

2.10 PRICES QUOTED

Items and options should reflect the most complete price and be below MSRP and, at a minimum, should cover the cost of the item or option bid.

Prices quoted in the bid submission should reflect the final amount the Bidder can expect to receive for payment for the items bid for the duration of the Contract, unless otherwise provided in the Contract. Prices submitted as indicated in the sealed bid are final. Bidders acknowledge that prices quoted will be valid for a period of sixty (60) calendar days from the date of bid opening.

Each item, make, and model must be priced and bid separately. Prices must be inclusive of all the components included in the FSA Base Specification.

Prices bid must include the administrative fee FSA CPP charges to administer the Contract, as outlined in these Terms and Conditions. The administrative fee is three quarters of one percent (.0075).

Prices bid must be at least cost, be Free On Board ("FOB") destination, and must include delivery to the purchaser.

Upon award, the Vendor has the authority to offer additional discounts based on prompt payment, quantity, as well as additional Manufacturer or vendor discounts.

2.11 OPTION PRICING

FSA CPP requests Bidders include most frequently purchased options in the Bid System. Option pricing must include the administrative fee. Bidders must provide a price for each option in addition to a percent below MSRP for factory-installed options or a percent above cost for other options.

The FSA CPP has the discretion to disqualify Bidders if the option pricing is excessive. In order to determine if pricing is excessive, Bidders and, if awarded a contract, Vendors agree to provide documentation to FSA CPP to verify cost at any time during the solicitation process or during the Contract term. This information is for comparison purposes and will not be published.

Options are intended to add or delete equipment or features from the FSA Base Specifications. Options can provide an upgrade or downgrade to a Manufacturer's model, such as a slightly different engine size or horsepower, and should not be made available for purchase separate from the base vehicle or equipment. Options may only provide a downgrade to a Manufacturer's model when specifically requested in a Purchase Order issued in accordance with the Terms and Conditions by a purchaser. Bidders shall NOT use options to create an item that is available as another item bid on this Invitation to Bid.

The use of options to facilitate the sale of an alternate Manufacturer's product which is outside the scope of the FSA Base Specifications will be determined nonresponsive and the bid will be rejected in whole or part by the FSA CPP. Bidders must disclose which options require the purchase of other options or are dependent on another option in their bid submission. Option pricing will include all costs of labor associated with the option and cost of labor should not be listed separately.

Bidder must use proper Manufacturer codes for factory options. Options available through the factory should be bid as and supplied to purchaser as factory options, unless otherwise requested in writing by the purchaser. Factory package options are permitted under this Contract. Factory package options included in the bid submission must detail what components the package includes.

If the Bidder wishes to offer credit to the purchaser for an option that is standard on the FSA Base Specifications, the Bidder should include the word "Credit" at the beginning of the description field and continue to describe the option being credited. For example, "Credit: one key fob" and enter the price the Bidder will credit the purchaser.

2.12 BID SUBMISSION

Bidders must submit a bid electronically using the Bid System. Bid submissions include a price for each item and option bid in accordance with Sections 2.10, 2.11, 2.12, and 2.13. Each Bidder must submit a Qualifications Packet for each bid. The bid must be received by the date and time specified on the Bid Calendar in Appendix B. Failure to meet all submission requirements by the date indicated on the Bid Calendar will result in rejection of the bid.

Bid System: VendorLink
The Bid System is located at https://www.myvendorlink.com. Bidders are encouraged to participate in training provided. Usernames and passwords will be issued to Bidders after registering in the Bid System. Contact VendorLink at support@evendorlink.com if technical issues arise during bid submission.

Prices are to be rounded to the nearest whole dollar. If a Bidder submits bid pricing using cents, the following formula will be applied to round the bid pricing to the nearest whole dollar: $.01-.49 will be rounded down to the dollar bid (e.g., $50.49 = $50) and $.50-.99 will be rounded to the next dollar (e.g., $50.50 =$51).

Bid Submission
To ensure correct bid submittal and formatting, Bidders shall:

- Offer a price for each item bid by zone.
- Upload files as instructed in the Bid System; files requested will be .pdf.
- Follow all instructions outlined in this Invitation to Bid and provide all requested information.

The bid shall include the following documents:

- Executed Qualifications Packet.
- Build sheet for each item bid as a single .pdf.
- Any requested exceptions or equivalents.

Option Upload
An option sheet should be submitted for each item bid. The Bid System will accept option information for each item through a .pdf file upload. Each option sheet should include a header to identify the FSA CPP contract title and number, the Bidder name, item number, make and model. Each option sheet should include:

- Option
- Description
- Manufacturer order code or identifying code
- Price
- Cost plus percent for all items not installed at the factory
- Percent below MSRP for factory installed options

Repair and Replacement Parts Upload - Optional

If a Vendor chooses to sell repair and replacement parts upon award, a parts pricing sheet should be submitted with the bid. Parts are listed by Vendor and are not tied to items bid. A template is offered in the bid system. Each pricing sheet should include:

- Category
- Description
- MSRP or List Price discount percentage
- Exceptions to discount provided
- Quantity discounts

FSA CPP may ask awarded Vendors to supply one (1) hard copy set of the bid with digital signatures and original compliance forms, prior to the Contract execution. Hard copy bids should not be submitted unless specifically requested by FSA CPP. FSA is not responsible for Bidder's improper use of the Bid System. Exceptions may be granted to Bidders by FSA CPP pursuant this section should any Bid System malfunctions occur.

2.13 ZONE BIDDING

Bidders may bid in one or more geographic zones. Bidders must submit pricing for each zone they wish to be evaluated. The zone map is included in Appendix A. The geographic zones are in place to assist Bidders in estimating costs of delivery, which must be included in the price bid and quoted to the purchaser.

2.14 EXECUTION OF BID

By submitting a response to this Invitation to Bid, the Bidder agrees to the Terms and Conditions and to be bound by such Terms and Conditions if selected for award. The Bidder must respond to the Contract Signature Form with the signature of an authorized representative five (5) days prior to award.. All Terms and Conditions are applicable throughout the term of the awarded contract and are not specific to any given year, make or model.

2.15 MODIFICATION OR WITHDRAWALS OF BIDS

A Bidder may submit a modified bid to replace all or any portion of a previously submitted bid until the due date and time of the bid submission listed in the Bid Calendar. Modifications received after the bid due date and time will not be considered.

Bids can be withdrawn in writing prior to the contract award. If a Bidder must withdraw the bid, the Bidder must contact FSA CPP immediately. Bid withdrawals are handled on a case-by-case basis and can result in a limitation of participation in future bids.

2.16 LATE BIDS

The responsibility for submitting a bid before the due date and time on the Bid Calendar is solely and strictly the responsibility of the Bidder. The FSA is not responsible for delays caused by technical problems, any internet outages or delays incurred by electronic delivery, or any other occurrence. Any reference to time will be based on Eastern Time.

2.17 BID OPENING

Bids shall be opened on the date and time specified on the Bid Calendar. The bid opening may occur at the Florida Sheriffs Association, 2617 Mahan Drive, Tallahassee, Florida, or may be offered online.

FSA CPP will provide a bid inspection period for Bidders following the bid opening. The date, time and duration will be announced prior to the bid opening.

2.18 DETERMINATION OF RESPONSIVENESS

Determination of responsiveness will take place at the time of bid opening and evaluation. In order to be deemed a responsive bidder, the bid must conform in all material respects to the requirements stated in the Invitation to Bid. As set forth in Section 2.22, FSA CPP reserves the right to waive or allow a Bidder to correct minor irregularities.

2.19 RESPONSIBLE BIDDER CRITERIA

Bids will be evaluated to determine if qualifications and Contract requirements are met. Responses that do not meet all requirements of this Invitation to Bid or fail to provide all required information, documents or materials may be rejected as nonresponsive. The FSA CPP will not request documentation or consider a Bidder's social, political or ideological interests in determining if the Bidder is a responsible bidder. FSA CPP will not give preference to a Bidder based on the Bidder's social, political, or ideological interests.

Bidders whose responses, past performance, or current status do not reflect the capability, integrity, or reliability to fully and in good faith perform the requirements of the Contract may be rejected as non-responsible. In determining a responsible Bidder, the following factors may be considered:

- Adequacy of facilities, staffing, and financial resources;
- Previous experience with FSA contract or other similar government contracts;
- Ability to provide excellent customer service, including on previous FSA contracts; and
- Any other information relevant to the responsibility of a Bidder of which FSA CPP is aware.

In addition to the requirements set forth by these Terms and Conditions, FSA CPP reserves the right to request staffing, performance and financial information from any Bidder during the evaluation process.

FSA CPP reserves the right to determine which responses meet the requirements, specifications, Terms and Conditions of the solicitation, and which Bidders are responsive and responsible.

FSA CPP further reserves the right to limit participation of Bidders who, in FSA CPP's sole discretion, are determined to present responsibility concerns that call into question the Bidder's ability to perform but that do not rise to the level of requiring rejection of the Bidder as non-responsible.

2.20 BASIS FOR AWARD

The FSA CPP shall make award to the qualified, responsive and responsible Bidder(s) who submitted the lowest offer price by item, Manufacturer, and zone. Awards may also be made to subsequent lowest responsive and responsible Bidders by item, Manufacturer, and zone, when determined to be in the best interest of the FSA and the purchaser(s). FSA CPP has the discretion to consider option pricing in making the award and to disqualify Bidders for proposing excessive percent(s) or option pricing.

Awards will not be given to any parties listed on the government wide exclusion in the System for Award Management.

FSA CPP reserves the right to accept or reject any and all bids, and to waive any minor irregularity, technicality or omission if it determines that doing so will serve the purchaser's best interest. FSA CPP reserves the right to make multiple awards for each item, if determined to be in the best interest of the FSA and the purchasers.

Awards will be posted on the FSA CPP website according to the date posted in the Bid Calendar.

2.21 BID TABULATIONS

The bid tabulation report will be posted on the FSA CPP website after the bid submission closes.

If there is a delay in posting the bid tabulation results, FSA CPP will post a notice of the delay and a revised date for posting of results.

2.22 MINOR IRREGULARITIES/RIGHT TO REJECT

The FSA CPP has the right to accept or reject any and all bids, or separate portions thereof, and to waive any minor irregularity, technicality or omission if the FSA CPP determines that doing so will serve its best interest or the best interest of the purchasers. A minor irregularity is a variation from the Terms and Conditions of this procurement that does not affect the price of the bid or give the Bidder a substantial advantage over other Bidders and thereby restrict or stifle competition and does not adversely impact the interests of the FSA or the purchasers. At its option, the FSA CPP may allow a Bidder to correct minor irregularities but is under no obligation to do so. In doing so, the FSA CPP may request a Bidder to provide clarifying information or additional materials to correct the irregularity. However, the FSA CPP will not request, and a Bidder may not provide, the FSA CPP with additional materials that affect the price of the bid or give the Bidder an advantage or benefit not enjoyed by other Bidders.

The FSA CPP may also reject any bids not submitted in the manner specified in this Invitation to Bid.

2.23 CONE OF SILENCE

This Invitation to Bid is subject to the Cone of Silence that begins the date the bid submission opens through the intent to award date as indicated in the Bid Calendar. During this period, all communications regarding this solicitation between FSA and Bidder will cease, except for procedural questions, questions regarding problems incurred in the use of the Bid System, or communications initiated by the FSA CPP. All permitted communications during this period shall be made in writing to the contact person identified in Section 1.01 of this Invitation to Bid.

3.0 CONTRACT CONDITIONS

3.01 GENERAL REQUIREMENTS

Once the bid has been awarded, the Terms and Conditions of this document become the Contract between the FSA and the awarded Vendor. The Terms and Conditions apply to all items purchased from this Contract.

3.02 STATEMENT OF AUTHORITY

Each person signing the Contract warrants that they are duly authorized to do so and binds the respective party to the Contract.

3.03 VENDOR CONTACT INFORMATION

The Vendor shall maintain current contact information with FSA CPP at all times for sales and submission of Purchase Orders, quarterly reports and administrative fee payments. If a change occurs during the term of this Contract, the Vendor must notify FSA immediately.

3.04 ADDITIONS OR DELETIONS

FSA CPP reserves the right to add or delete any items from the Vendor's bid or this Contract when deemed to be in the best interest of FSA and purchasers, at its discretion. This decision to take action may be based upon and not limited to few or no sales, product recalls and other safety issues, Vendor or Manufacturer performance, or the product's lack of relevance.

For items that come to market during the Contract term, FSA CPP may authorize qualified and awarded Vendors to offer the new item under the existing Contract Terms and Conditions, if the Manufacturer authorizes a Vendor to sell the item. FSA CPP will request awarded Vendors submit pricing and will evaluate the responses prior to authorizing awarded Vendors to offer the new item.

3.05 CONTRACT EXTENSION

Contract Extension
The Contract may be extended by mutual agreement for up to two (2) additional years, on a year-to-year basis. FSA reserves the right to execute a Contract extension or to allow the Contract to fully or partially terminate and readvertise for bids, whichever is in the best interest of FSA.

The Vendor may request price adjustments for Contract extensions as provided for herein. If no request is received from the Vendor, the FSA will assume that the Vendor has agreed that the optional term may be exercised without a price adjustment. Any adjustment request received after the execution of an extension may not be considered unless otherwise provided for in this Contract.

Month-to-Month Continuation
In the event a new contract is not active at the time of this Contract's expiration, this Contract's Terms and Conditions shall extend on a month-to-month basis and shall not constitute an implied extension of the Contract. Such a month-to-month continuation shall be upon the compensation and payment provided herein.

3.06 PRICE ADJUSTMENT

The Terms and Conditions provide the following methods of price adjustments:

- Annual Price Adjustments
- Changes to Manufacturer Production or Design
- Manufacturer Certified Adjustments
- Equitable Adjustments

Price adjustment requests must clearly substantiate a need to increase or decrease the price. Price adjustments will not be considered if Vendors are delinquent on administrative fee payments or have outstanding quarterly reports.

Annual Price Adjustment

The FSA CPP may consider annual price adjustments due to:

- Changes in the Producer Price Index ("PPI") as published by the U.S. Department of Labor, Bureau of Labor Statistics ("BLS"); or
- As a result of changes to national or state standards that require substantial price adjustments.

FSA CPP may consider other documentation related to the change to national or state standards but is not obligated to grant price changes without literature from the Manufacturer. The FSA CPP will consider the request and will make a final determination on the change in price.

Changes to Manufacturer Production or Design

Significant changes by the Manufacturer to the production of and specification design may initiate a price adjustment request. FSA CPP will consider order dates, production factors, model year, or other conditions, as well as the replacement or complete redesign of items. Vendors must provide documentation from the Manufacturer.

Manufacturer Certified Adjustments

Vendors must provide documentation from the Manufacturer to FSA CPP that shows the additional costs or price adjustments imposed by the Manufacturer and substantiate the need for a related price adjustment for this Contract.

Equitable Adjustments

The FSA CPP, on behalf of FSA, may make an equitable adjustment to the Contract terms or pricing at its discretion.

3.07 CONDITIONS

It is understood and agreed that any item offered or shipped as a result of this Contract shall be the most current model offered.

3.08 PRODUCTION CUTOFF

Vendors shall notify the FSA CPP in writing no less than sixty (60) calendar days prior to the close of final order date by the Manufacturer when the final order date is during the term of the Contract. Purchase Orders received by the Vendor ten (10) business days prior to the final order date must be accepted and entered into the order system with

the Manufacturer. Purchase Orders issued and received after the production cutoff date will be subject to availability. In this case, the Vendor and Manufacturer have the discretion whether to choose to provide next year's model at current year's prices until the end of the Contract term. If the Manufacturer cutoff date is during the term of the Contract and will affect the purchaser's ability to obtain the items, FSA CPP may consider substitutions from the same Manufacturer.

3.09 FACILITIES

The FSA CPP reserves the right to inspect the Vendor's facilities at any time with prior notice.

3.10 CAB AND CHASSIS PURCHASES

Vendors performing upfitting of cab and chassis should be licensed and certified to perform such work. Vendors are responsible for tag and title work if the chassis is completed by the Vendor or the Vendor's contracted third-party supplier. The requirements of Section 319.21, *Florida Statutes*, related to the Manufacturer statement of origin apply to cab and chassis purchases apply.

Cabs and chassis may be purchased from the Vendor without any required additional upfitting by the Vendor. Vendors are not responsible for tag and title if an incomplete chassis is requested and sold to the purchaser.

3.11 FACTORY-INSTALLED OPTIONS

All options specified as factory-installed are to be installed on the item at the primary site of assembly and are to be the Manufacturer's standard assembly-line product. Aftermarket and vendor-installed equipment will not be accepted as factory-installed. Vendors found supplying aftermarket or vendor-installed equipment where factory-installed are specified shall be required to retrieve all delivered items and supply new items meeting the specifications.

All factory-ordered options are to be original equipment Manufacturer ("OEM") and installed at the primary site of assembly unless otherwise noted by the Vendor and acknowledged in writing by the purchaser. Verbal agreements will not be recognized.

3.12 VENDOR-INSTALLED OPTIONS

All vendor-installed accessories, equipment, or options shall be installed according to the Manufacturer's specifications. All vendor-installed options must be manufactured by an established Manufacturer of the product provided. Vendors are required to disclose make and model of product being offered, the design and model must be approved by the purchaser prior to installation. Prior to any purchase, the Vendor must also disclose the warranty of any accessory, equipment or option that is less than or exceeds the factory or equipment warranty coverage. Any Vendor that violates this provision will be considered in default of the Contract. FSA may terminate the Contract in accordance with these Terms and Conditions.

3.13 NON-SCHEDULED OPTIONS

A non-scheduled option is an option not listed on the FSA CPP published award. Vendors may provide non-scheduled options at less than MSRP or the Published List Price. Non-scheduled options should be identified and listed as a separate line item with the price and discount on the Purchase Order. Non-scheduled options are covered under these Terms and Conditions.

3.14 FORCE MAJEURE

A Vendor shall not be penalized for a delay resulting from the Vendor's failure to comply with delivery requirements if neither the fault nor the negligence of the Vendor or its employees contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Vendor's control, or for any of the foregoing that third party suppliers if no alternate source of supply is available to the Vendor.

3.15 PARTS

Vendors may sell repair and replacement parts. Parts pricing must include the administrative fee. If a Vendor wishes to offer parts under this Contract, the Vendor must provide a price list to FSA and offer a discount below MSRP or Published List Price. Bidders and/or Vendors, as applicable, may include parts pricing sheet with the bid submission or following award. Bidders and/or Vendors, as applicable, may use the template offered in the bid system. Items listed below are required for the pricing sheet:

- Description.
- MSRP or List Price discount percentage.
- Exceptions to discount provided.
- Quantity discounts.

3.16 PURCHASE ORDERS

To initiate a purchase, a Purchase Order must be issued to the Vendor, which includes:

- FSA CPP contract title and number;
- FSA CPP item number;
- Make and model or item description; and
- Purchaser name, phone number and email address.

The Vendor's acceptance of a purchaser's order will indicate that the Vendor agrees to deliver an awarded item that will be fully compatible with all of its options. Production schedules and delivery dates should be discussed at the time the quote is provided to the purchaser, or if no quote is provided, when the Purchase Order is delivered to the Vendor. Vendor shall place the order with the Manufacturer within ten (10) business days of receipt of the Purchase Order. The Vendor shall ensure that all orders are placed in full compliance with the specifications and the Terms and Conditions of the Contract and the Purchase Order. Any changes that are required to bring an item into compliance with the various options due to an incorrect order will be accomplished at the Vendor's expense.

The Vendor should supply a confirmation of order to the purchaser and FSA CPP fifteen (15) calendar days from receipt of Purchase Order without request by the purchaser. Any additional information needed to complete this form should be obtained by the Vendor from the purchaser.

While it is recommended that a purchaser purchase from the zone which is closest to their location, it is not mandatory to do so. If the purchaser determines that a Vendor in another zone can better serve their needs, the purchaser may order from a Vendor in another zone. Vendors that provide awarded items outside of an awarded zone may upon mutual agreement between the Vendor and the purchaser charge a delivery fee.

If a Vendor receives a Purchase Order for an item for which they were not awarded, the Vendor must notify the purchaser and return the Purchase Order to the purchaser within three (3) business days.

The Vendor must submit electronic copies of Purchase Orders within fifteen (15) calendar days of the Purchase Order issue date. Purchase Orders should be submitted through the reporting tool provided by FSA CPP. Purchase Orders received by the Vendor after this deadline must be submitted to FSA CPP as soon as possible with the date received by the Vendor and cause for the delay. Purchase Orders should contain the following required information:

- Purchaser name,
- Purchase Order number,
- Purchase Order issue date,
- FSA CPP contract title and number,
- Item number,
- Item make and model, or item description,
- Item price,
- Options by item, and
- Estimated delivery date.

Purchase Orders vary in format and information provided. If a Purchase Order does not include the required information, the Vendor must submit supplemental documentation to FSA CPP at the same time the Purchase Order is due. Such information may be in bid quotes, equipment proposals, confirmation of orders, or other documents. If a purchaser does not use Purchase Orders, written communication from the purchaser to the Vendor will be provided to FSA CPP.

3.17 REGISTRATION, TAG, AND TITLE

Title items shall be the responsibility of the Vendor. If the purchaser is a government agency, the purchaser has the right to choose to register and title the item. Costs of registration, tag and title shall not exceed the statutory rates.

3.18 DELIVERY

Vendors are to inspect the item to confirm the item meets or exceeds the FSA Base Specifications, Manufacturer specification, and Purchase Order. Deliveries not complying with these requirements may be rejected and will have to be redelivered at Vendor's expense.

Delivery shall be within the normal working hours of the purchaser, Monday through Friday, excluding holidays. Delivery schedules shall be agreed to by the purchaser and the Vendor. Vendor shall notify the purchaser no less than twenty-four (24) hours prior to delivery of the time and location, which shall reflect the mutually agreed upon delivery details. The Vendor shall be responsible for delivering items that are properly serviced, clean and in first class operating condition. Items shall be delivered with each of the following documents completed or included:

1. Copy of the Purchase Order.
2. Copy of the FSA Base Specifications.
3. Copy of Manufacturer's invoice, price sheet, build sheet or other documentation that verifies what components are included on the item(s) being delivered
4. Copy of the pre-delivery service report
5. Registration warranty certification
6. Owner's manual
7. Registration, tag and title or an application for the registration, as applicable

All items with fuel tanks of thirty-five (35) gallons or less must contain no less than one quarter (1/4) tank of fuel as indicated by the fuel gauge at the time of delivery. For items that have more than thirty-five (35) gallons, a minimum of one eighth (1/8) of a tank of fuel must be provided. All electric vehicles must be delivered with a minimum charge level of 10 percent. The purchaser has the option to reject a vehicle with more than 350 odometer miles or may deduct $0.51 cents per mile in excess of 350 miles from the invoice, unless distance above 350 miles was previously approved by the purchaser. Deliveries of less than 350 miles may be accomplished by driving the vehicle. Any delivery accomplished by driving the vehicle must be supervised and the driver must comply with Manufacturer's break-in requirements and all applicable traffic laws. Deliveries in excess of 350 miles shall be made by transport, or otherwise approved by the purchaser, however, this requirement shall not apply to incomplete chassis.

When items require service or adjustments upon delivery, the Vendor shall either remedy the defect or be responsible for reimbursing the Manufacturer's local authorized representative or other service provider to remedy the defect. Such service or adjustments shall be initiated by the Vendor within 48 hours after notification by a purchaser, not to include weekends and holidays. Delivery will not be considered complete until all services or adjustments are satisfactory, and the item is redelivered or repaired. The cost of any transportation required to address the defect shall be the responsibility of the Vendor until the items are satisfactory and accepted by the purchaser.

3.19 INSPECTION AND ACCEPTANCE

Final acceptance shall be given only after the purchaser inspects or confirms the item meets Contract specifications. Delivery of an item to a purchaser does not constitute acceptance for the purpose of payment. Inspection and acceptance will be at the purchaser's destination unless otherwise previously agreed upon location was provided in the Purchase Order. Should the delivered items differ in any respect from the FSA Base Specifications, payment can be withheld until such time as the Vendor completes the necessary corrective action.

3.20 INVOICING AND PAYMENTS

Invoicing and payments shall be the responsibility of the Vendor and purchaser placing orders using this Contract. Vendors must invoice each purchaser independently. The Vendor shall be paid upon submission of invoices to the purchaser after satisfactory delivery and acceptance of the items. While the Local Government Prompt Payment Act applies to ensure timely payment of Vendor invoices, the FSA CPP encourages purchasers to make payment within thirty (30) days of acceptance of the item. The Local Government Prompt Payment Act is defined in Sections 218.70–218.79, *Florida Statutes*.

3.23 WARRANTY

All warranties shall begin at the time of delivery and final acceptance by the purchaser. The purchaser's warranty should not be active for incomplete items and items delivered to a third-party supplier before final delivery.

3.24 QUARTERLY REPORTS

Quarterly reports are the contractual responsibility of each Vendor. Quarterly reports must be completed and submitted electronically. The quarterly report template shall be submitted using the tool provided by FSA CPP. Quarterly reports which do not adhere to the required format or are not complete of all Purchase Orders received and/or deliveries made during the quarter will be returned to the Vendor for correction.

Quarterly reports are due no later than the 15th day of the month following the end of the quarter. Quarterly reports shall follow the schedule below for the duration of the Contract. If a Contract extension is executed, the quarterly reports will maintain the same schedule for future reporting periods.

Contract Years: October 1, 2025 – September 30, 2027

Year 1 Quarter 1:	October 1 – December 31	Q1 Report Due:	January 15
Year 1 Quarter 2:	January 1 – March 31	Q2 Report Due:	April 15
Year 1 Quarter 3:	April 1 – June 30	Q3 Report Due:	July 15
Year 1 Quarter 4:	July 1 – September 30	Q4 Report Due:	October 15
Year 2 Quarter 1:	October 1 – December 31	Q1 Report Due:	January 15
Year 2 Quarter 2:	January 1 – March 31	Q2 Report Due:	April 15
Year 2 Quarter 3:	April 1 – June 30	Q3 Report Due:	July 15
Year 2 Quarter 4:	July 1 – September 30	Q4 Report Due:	October 15

Quarterly reports must be submitted even if there are no sales or no deliveries in a quarter. If a Vendor has no sales within a quarter, the Vendor shall indicate "No sales this quarter" or "No deliveries this quarter" to FSA CPP by e-mail to Reports@flsheriffs.org.

FSA CPP reserves the right to modify the procedure for submitting quarterly reports during the term of the Contract. Such a change shall not materially modify the substance of the information to be reported but may change the method by which future quarterly reports are to be submitted. In the event of such a change, FSA CPP will provide written notice to all Vendors of the method by which future quarterly reports are to be submitted.

3.25 ADMINISTRATIVE FEE

The FSA CPP charges three quarters of one percent (.0075) to procure, process and administer the Contract. Payment of the administrative fees to the FSA CPP are the contractual responsibility of each awarded Vendor.

After receipt of payment from Contract purchases, the Vendor shall remit all administrative fees to the FSA CPP no later than fifteen (15) calendar days after the end of each quarter. All fees payable to the FSA CPP during any given quarter will be accompanied and supported by a quarterly report.

The administrative fee will remain payable to FSA CPP and no relief from payment of the administrative fee, nor any additional charge to recoup the administrative fee, will be permitted if a Vendor fails to incorporate the administrative fee in its bid pricing. The administrative fee should never be listed as a separate line item on any Purchase Order or invoice.

The administrative fee is based on the total Purchase Order amount of new items. Trade-ins, extended warranties and other exchanges will not reduce or impact the fee calculation.

The ACH form for electronic payment or wiring of funds is included in Appendix C. It is the preference of FSA CPP that all payments be electronically paid and submitted. If ACH is not available, checks for the administrative fee can be sent to:

Florida Sheriffs Association
Cooperative Purchasing Program
2617 Mahan Drive
Tallahassee, FL 32308

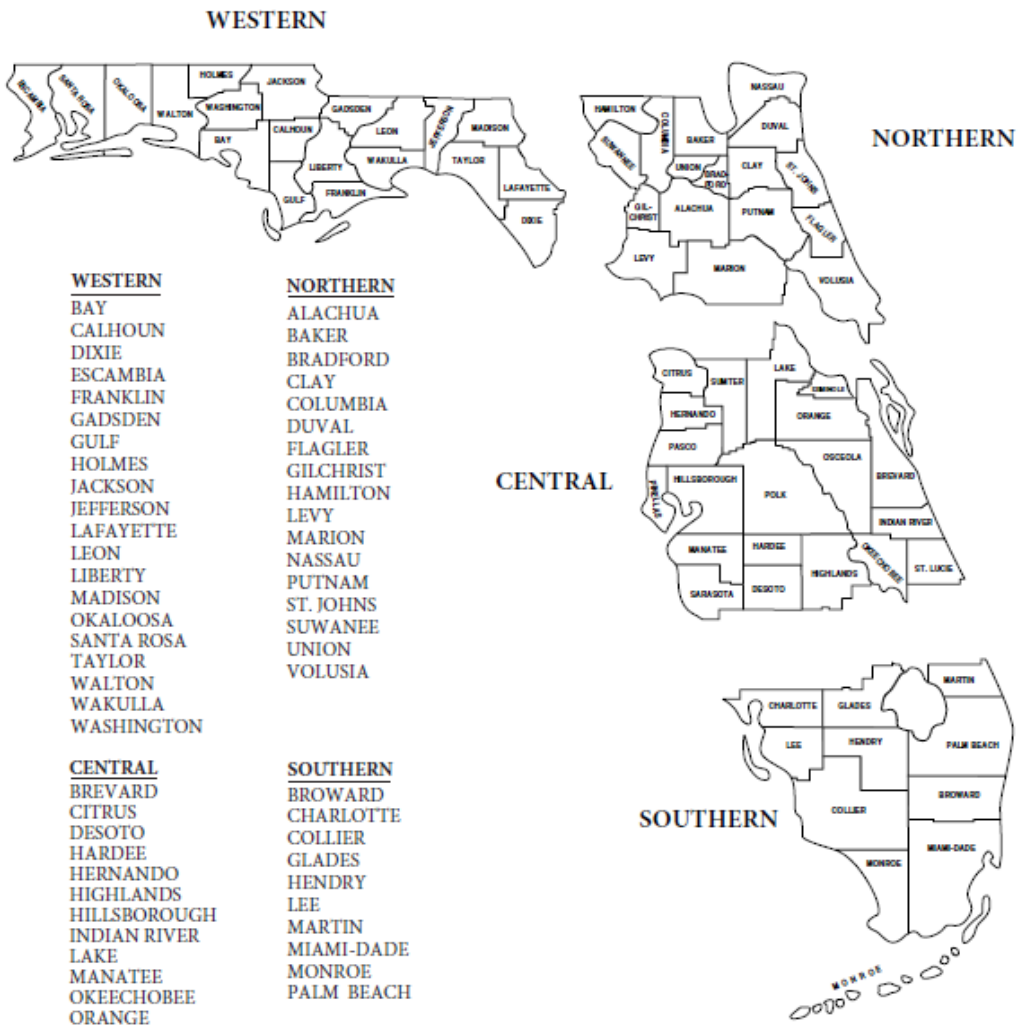
3.26 LIQUIDATED DAMAGES

The Vendor warrants that the item supplied to the purchaser shall conform in all respects to the standards set forth in the applicable FSA Base Specifications and the failure to comply with this condition will be considered as a breach of Contract. Any liquidated damages levied because of inadequacies or failures to comply with these requirements shall be borne solely by the Vendor responsible for same.

Failure to submit the administrative fee with accompanying quarterly reports to FSA CPP within fifteen (15) calendar days following the end of each quarter may result in the imposition of liquidated damages. Vendors failing to submit administrative fees and/or quarterly reports will incur liquidated damages in the amount of $25.00 for each calendar day that fees and reports are past due, beginning on the 16th day following the end of the quarter.

If a civil action is initiated by the FSA to recover administrative fees or liquidated damages as set forth in this section, the prevailing party shall be entitled to its reasonable attorneys' fees and costs incurred in the litigation. The venue shall lie in the Circuit Court for the Second Judicial Circuit in and for Leon County, Florida.

When quarterly reports are late, liquidated damages are to be included in Vendor's quarterly report and administrative fee submission. Liquidated damages that remain unpaid beyond forty-five (45) calendar days can result in FSA CPP, at its sole discretion, implementing Contract compliance actions, including but not limited to, suspension, limited participation by specifications or zones, disqualification from future solicitations, or termination of this Contract for cause pursuant to the Terms and Conditions.



Schedule of Liquidated Damages

Failure to submit quarterly report on time	$25.00 per calendar day
Failure to submit administrative fee on time	$25.00 per calendar day
Failure to report a Purchase Order to FSA CPP within 15 calendar days of the Purchase Order issue date	$100.00 per Purchase Order
Failure to Report Sales	.0075 of the sales price plus 1.5% each month following the delivery date.

Vendor agrees and acknowledges that its failure to take any of the actions specified in the above schedule will result in liquidated damages to this Contract. Vendor agrees and acknowledges that these liquidated damages are not intended to be and do not constitute a penalty and that these amounts are reasonably calculated to compensate the FSA CPP for the damages that it will incur as a result of the Vendor's failure to take the specified actions.

TO: All Customers of the Florida Sheriffs Association

SUBJECT: Automated Payments through ACH

The Florida Sheriffs Association values the integrity of our business operations and knows that our partners do as well. As we continue to strengthen this partnership, FSA invites each company to offer payments to FSA via ACH. It is our goal to secure payments and reduce fraudulent transactions and this will be our primary method of accepting payments due to recent efforts to defraud FSA. Florida Sheriffs Association can be added to your company's list of vendors authorized to be paid via electronic payment for no additional fee.

Florida Sheriffs Association's Banking Information is as follows:

Checking Account
Capital City Bank
Routing Number: 063100688
Account Number: 0010867001

Please email any payment remittance information to accounting@flsheriffs.org.

If you choose to make ACH payments to the association, there is no additional charge. The information above can be used to pay with a wire transfer as well, but if you choose to pay via wire, there is a charge of $25 per wire that you will need to add to your payment.

If you have any questions at all, please contact Trish Eldridge at teldridge@flsheriffs.org or call (850) 559-5668.

Sincerely,

Trish Eldridge

Director of Accounting and Finance
Florida Sheriffs Association

Appendix D: Federal Clauses

Applicability of Third-Party Contract Provisions*
(Excluding micro-purchases, as defined in 48 C.F.R. Subpart 2.1, except Davis-Bacon requirements apply to construction contracts exceeding $2,000.) In addition to other provisions negotiated with purchasers placing federally funded Purchase Orders, Vendors must comply with the following provisions upon award of a federally funded Purchase Order:

PROVISION	Professional Services/A&E	Operations/ Management	Construction	Materials & Supplies
Equal Employment Opportunity			All	
Davis-Bacon Act			>$2,000	
Copeland "Anti-Kickback" Act			>$2,000	
Contract Work Hours and Safety Standards Act	>$100,000	>$100,000	>$100,000	>$100,000
Rights to Inventions Made Under a Contract or Agreement	If the Purchase Order involves performance of experimental, developmental or research work	If the Purchase Order involves performance of experimental, developmental or research work	If the Purchase Order involves performance of experimental, developmental or research work	If the Purchase Order involves performance of experimental, developmental or research work
Clean Air Act	>$150,000	>$150,000	>$150,000	>$150,000
Federal Water Pollution Control Act	>$150,000	>$150,000	>$150,000	>$150,000
Debarment and Suspension	All	All	All	All
Byrd Anti-Lobbying Amendment	>$100,000	>$100,000	>$100,000	>$100,000
Procurement of Recovered Materials	All	All	All	All
Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment	All	All	All	All
Domestic Preferences for Procurements	All	All	All	All

*References to the Code of Federal Regulations ("C.F.R.") or United States Code ("U.S.C.") were accurate at the time of publication. It is the responsibility of the Bidder to ensure compliance is met of the referenced state and federal laws within the published rules.

EQUAL EMPLOYMENT OPPORTUNITY: Except as otherwise provided under 41 C.F.R. Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. Part 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 C.F.R. Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 C.F.R. part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of

Labor." The clause set forth in 41 C.F.R. 60-1.4(b) is incorporated herein by reference. Vendor must comply with this clause and include this clause in all lower-tier federal assisted construction contracts.

DAVIS-BACON ACT, as amended (40 U.S.C. 3141-3148): When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C.F.R. Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 C.F.R. Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. Vendors performing construction must comply with all applicable provisions of the Davis-Bacon Act and include this clause in all lower-tier subcontracts for construction.

CONTRACT WORK HOURS AND SAFETY STANDARDS ACT (40 U.S.C., chapter 37): Vendor shall comply with Sections 102 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C., chapter 37), as supplemented by Department of Labor regulations (29 C.F.R. part 5).
(a) Overtime requirements. Neither Vendor nor any contractor or subcontractor contracting for any part of the purchase order work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.
(b) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in Paragraph 15(a), Vendor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, Vendor or such subcontractor shall be liable to the United States (in the case of work done under the Contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in Paragraph 15(a), in the sum of $29 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in Paragraph 15(a) of this section.
(c) Withholding for unpaid wages and liquidated damages. Purchaser shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by Vendor or a subcontractor under the purchase order or any other Federal contract with Purchaser, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by Purchaser, such sums as may be determined to be necessary to satisfy any liabilities of Vendor or its subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in Paragraph (a).
(d) Subcontracts. Vendor shall insert in any subcontracts over $100,000 for construction and other purposes that involve the employment of mechanics or laborers, the clauses set forth in Paragraphs (a) through (d) and also a clause requiring the subcontractors to include these clauses in any lower-tier subcontracts.

RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT: If the Federal award meets the definition of "funding agreement" under 37 C.F.R. § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 C.F.R. Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency. Vendor shall comply with these requirements when performing a purchase order involving experimental, developmental or research work and flowdown this clause to lower-tier subcontractors performing such work.

CLEAN AIR ACT (42 U.S.C. 7401 *et seq.*) and the FEDERAL WATER POLLUTION CONTROL ACT (33 U.S.C. 1251 *et seq.*), as amended: Vendor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401 *et seq.*) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251 *et seq.*). Violations shall be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Vendor shall comply with the requirements of Clean Air Act and the Federal Water Pollution Control Act and include this clause in all lower-tier subcontracts with a value over $150,000.

DEBARMENT AND SUSPENSION (E.O.s 12549 and 12689): By accepting or performing this purchase order, Vendor certifies that it is not identified in the Exclusions area of the System for Award Management as being currently debarred, suspended, proposed for debarment, or otherwise excluded ("SAM Exclusion"). Vendor shall obtain similar certifications from its lower-tier subcontractors for each subcontract in excess of $25,000 and Vendor shall not award lower-tier subcontracts in excess of $25,000 to an entity subject to a SAM Exclusion.

LOBBYING RESTRICTIONS (31 U.S.C. 1352): By accepting or performing this purchase order, Vendor certifies that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Vendor shall also disclose to Purchaser any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award or contract. Vendor shall flow down this clause and require this certification for lower-tier subcontractors with a subcontract of $100,000 or more. Vendor shall provide its disclosure and all disclosures received from lower-tier subcontractors to Purchaser.

PROCUREMENT OF RECOVERED MATERIALS: A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency ("EPA") at 40 C.F.R. part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. Vendor shall comply with this clause and include this clause in all lower-tier subcontracts.

PROHIBITION ON CERTAIN TELECOMMUNICATIONS AND VIDEO SURVEILLANCE SERVICES OR EQUIPMENT:
(a) Recipients and subrecipients are prohibited from obligating or expending loan or grant funds to:

(1) Procure or obtain;

(2) Extend or renew a contract to procure or obtain; or

(3) Enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential

component of any system, or as critical technology as part of any system. As described in Public Law 115-232, section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities).

(i) For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities).

(ii) Telecommunications or video surveillance services provided by such entities or using such equipment.

(iii) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.

(b) In implementing the prohibition under Public Law 115-232, section 889, subsection (f), paragraph (1), heads of executive agencies administering loan, grant, or subsidy programs shall prioritize available funding and technical support to assist affected businesses, institutions and organizations as is reasonably necessary for those affected entities to transition from covered communications equipment and services, to procure replacement equipment and services, and to ensure that communications service to users and customers is sustained.
(c) See Public Law 115-232, section 889 for additional information.

DOMESTIC PREFERENCES FOR PROCUREMENTS:
(a) As appropriate and to the extent consistent with law, the non-Federal entity should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). Vendor agrees to comply with the requirements of this clause and include the requirements of this clause in all subawards including all contracts and purchase orders for work or products under this award.
(b) For purposes of this section:

(1) “Produced in the United States” means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.

(2) “Manufactured products” means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

Bid Award

Contract: FSA25-VEH23.0, Heavy Trucks and Buses

Group: Refuse Truck: 60,000 lbs. GVWR 4x6 (cab and chassis only)

Item: 91, Mack, TE Series, TE Series

Description: Refer FSA Base Specifications PDF document.

Model Upgrade/Downgrade:

Outlook

Mack EPA Engine Change

From Bryan Sapp <bsapp@nextranusa.com>
Date Wed 5/27/2026 8:45 AM
To John King <jking@ocalafl.gov>
Cc Liza F. Warmuth <lwarmuth@ocalafl.gov>

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Mr. King,

Per our conversation, Mack Trucks will discontinue the 11 liter, MP7 engine platform January 1, 2027. This is due to the new EPA emissions regulations that take effect on the same date. Mack has chosen to use the new Cummins 10 liter engine platform. Mack estimates the new platform to add an additional $20k to $25k to the cost, but as of today they have made no official announcement. Additionally, the new engine platform is not listed on the current Florida Sheriffs Bid. We are working with Mack to establish actually pricing and will have it added to the FSA Bid for Oct 1, 2026. Mack has made us aware that may be chassis available with the current engine and emissions platform later this year on a first come first serve bases. This chassis will be at current Florida Sheriffs Bid pricing, a considerable discount compared to the anticipated 2027 / 2028 FSA bid.

Please call me if you have any questions or if you need further clarfications.

Thank You

Department: City Clerk

FORMAL TITLE:
Selection of applicants to fill vacancies on the Recreation Commission

OCALA'S RELEVANT STRATEGIC GOALS:
Quality of Place, Operational Excellence

PROOF OF PUBLICATION:
N/A

BACKGROUND:
The Recreation Commission advises the City Council on matters relating to parks and recreation. The Recreation Commission consists of seven members who the Council appoints for a term of three years. A majority of the members of the Recreation Commission shall be citizens of the city.

There are currently two vacancies on the Recreation Commission, pending the approval of the removal of board member Reinaldo Mercado on this agenda's Consent Agenda. Katherine MacKay, Lisa Sprung and Bob Witter have submitted their applications for consideration for appointment to the Commission. Council is requested to vote for two applicants to serve the remainder of two terms: a three-year term that began March 1, 2024, and will end March 1, 2027, and a three-year term that began March 1, 2025, and will end March 1, 2028.

Should the Consent Agenda item be denied, the term to be filled at this meeting will be March 1, 2025 to March 1, 2028.

Why do you think you are qualified to serve on this board/commission?

I am excited to support recreation/parks in Ocala, because this is vital to a happy and healthy city. I hope to apply my career experience in the entertainment industry to help contribute to and safeguard the amazing portfolio managed by our Ocala Recreation and Parks Department. I have loved this aspect of great communities all of my life, starting with my grandfather who served as City Parks and Recreation Director in Spokane, Washington

Brief Resume of Education and Experience:

I served as Director of Promotions and Marketing for Disneyland. Prior experience includes development, and planning for a World Exposition. As my resume will reflect, my career path has been extensive in the greater entertainment industry. I attended Eastern Washington University and have certifications and awards from my prior civic volunteer work

Presentation By: Chad Lynch

Department: Electric Utility

STAFF REPORT:
Power Cost Adjustment Report - May 2026

OCALA'S RELEVANT STRATEGIC GOALS:
Fiscally Sustainable, Operational Excellence

PROOF OF PUBLICATION:
N/A

BACKGROUND:
The Power Cost Adjustment (PCA) rate is the mechanism by which positive and negative fluctuations in power costs are passed through to customers. Power costs and sales are reviewed monthly to project over- or under-collections for the year. While the PCA can be adjusted monthly, the recent practice has been to make minimal adjustments to maintain stable customer rates.

As requested by the City Council, a monthly report on the projected over- or under-collection of the PCA is attached.

On June 11, 2026, staff participated in a rate call with the Florida Municipal Power Agency (FMPA). Based on the rates and sales projections at that time, an under-collection of $10,162,742 is projected for the end of Fiscal Year 2025-26.

The policy sets the rate stabilization reserve funding range at 15 to 25 percent of projected fuel costs. As of May 31, 2026, the reserve is funded at approximately 21 percent of the projected power cost and is in compliance with policy requirements.

City Council Report
Power Cost Adjustment Projection

May 2026

On June 11, 2026, staff participated in a rate call with FMPA. Based on their current rate projections and our sales projections, an under-collection of $10,162,742 is estimated for fiscal year-end.

FMPA updates its rate projections monthly and staff will continue to monitor and provide monthly updates. Staff will continue to monitor the PCA and make recommendations as necessary.

Projected Annual Power Costs		$132,250,814
Projected Annual kWh Sales		1,425,429,911
PCA Rate for: 5/31/2026		$0.02815
Cumulative Over(Under) Collection:	5/31/2026	($13,304,779)
Projected Over(Under) Collection:	9/30/2026	($10,162,742)

CONTRACT # ELE/260804

APPLICATION FOR INTERCONNECTION OF CUSTOMER-OWNED RENEWABLE GENERATION SYSTEMS

TIER 1 - Ten (10) kW or Less
TIER 2 - Greater than 10 kW and Less Than or Equal to 100 kW
TIER 3 - Greater than 100 kW and Less Than or Equal to Two (2) MW

Note: These customer-owned renewable generation system size limits may be subject to a cumulative enrollment limit on net-metering customers located in the area served by the City of Ocala Electric Utility. Please refer to the Ocala Electric Utility Net-Metering Rate Schedule.

Ocala Electric Utility customers who install customer-owned renewable generation systems (RGS) and desire to interconnect those facilities with the Ocala Electric Utility system are required to complete this application. When the completed application and fees are returned to Ocala Electric Utility, the process of completing the appropriate Tier 1, Tier 2 or Tier 3 Interconnection Agreement can begin. This application and copies of the Interconnection Agreements may be obtained at Ocala Electric Utility, located at 201 SE 3rd Street, Ocala, Florida 34471, or may be requested by email from OEU@ocalafl.org.

1. Customer Information

Name: Katherine S. Pooser

Mailing Address: 5587 NW 40th Place

City: Ocala State: FL Zip Code: 34482

Phone Number: 706-897-7489 Alternate Phone Number: 678-614-0453

Email Address: prestonpooser@yahoo.com Fax Number: _____

Ocala Electric Utility Customer Account Number: 563418-228241

2. RGS Facility Information

Facility Location: 5587 NW 40th Place Ocala, Fl. 34482

Ocala Electric Utility Customer Account Number: 563418-228241

RGS Manufacturer: Hanwha Q-Cells America, Inc.

Manufacturer's Address: 400 Spectrum Center Drive Suite 1400
Irvine, CA. 92618

Reference or Model Number: Q.PEAK DUO-BLK-G6+ (12 Modules- 340W)

Serial Number: Enphase IQ7-60-2-US (12-Micro-inverters)

(Continued on Sheet No.19.1)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

3. Facility Rating Information

Gross Power Rating: 3.468kWac ("Gross power rating" means the total manufacturer's AC nameplate generating capacity of an on-site customer-owned renewable generation system that will be interconnected to and operate in parallel with Ocala Electric Utility's distribution facilities. For inverter-based systems, the AC nameplate generating capacity shall be calculated by multiplying the total installed DC nameplate generating capacity by 0.85 in order to account for losses during the conversion from DC to AC.)

Fuel or Energy Source: Solar PV

Anticipated In- Service Date: 5/17/2021

4. Application Fee

The application fee is based on the Gross Power Rating and must be submitted with this application. The non-refundable application fee is $375 for Tier 2 and $750 for Tier 3 installations. There is no application fee for Tier 1 installations.

5. Interconnection Study Fee

For Tier 3 installations, a deposit in the amount of the estimated costs of the study (to be determined at time of application) must be paid along with this application in addition to the application fee referenced in Article 4 above. This deposit will be applied toward the cost of an interconnection study. The customer will be responsible for the actual costs of the study. Should the actual cost of the study be less than the deposit, the difference will be refunded to the customer. Customer agrees to comply with all interconnection requirements identified in the interconnection study report.

6. Required Documentation

Prior to completion of the Interconnection Agreement, the following information must be provided to the Ocala Electric Utility by the customer.

A. Documentation demonstrating that the installation complies with (or most current version at time of inspection approval):

1. IEEE 1547 (2018) Standard for Interconnecting Distributed Resources with Electric Power Systems.
2. IEEE 1547.1 (2005) Standard Conformance Test Procedures for Equipment Interconnecting Distributed Resources with Electric Power Systems.
3. UL 1741 (2010) Inverters, Converters, Controllers and Interconnection System Equipment for Use with Distributed Energy Resources.

(Continued on Sheet No. 19.2)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

B. Documentation that the customer-owned renewable generation has been inspected and approved by local code officials prior to its operation in parallel with the Ocala Electric Utility system to ensure compliance with applicable local codes. OEU will also require proof of commission testing by a qualified 3rd party testing company (not affiliated in any way with the manufacturer, vendor or installation contractor), for compliance with all required and applicable codes, standards, and interconnection study requirements, prior to setting of OEU metering equipment.

C. Proof of insurance in the amount of:
Tier 1 - $100,000.00
Tier 2 - $1,000,000.00
Tier 3 - $2,000,000.00

Tri-Party Net-Metering Power Purchase Agreement

This Tri-Party Net-Metering Power Purchase Agreement (this "Agreement") is entered into this 23rd day of April, 20 26, by and between the Florida Municipal Power Agency, a governmental joint action agency created and existing under the laws of the State of Florida (hereinafter "FMPA"), the City of Ocala doing business as Ocala Electric Utility, a body politic (hereinafter "OEU"), and Katherine S. Pooser, a retail electric customer of OEU (hereinafter "Customer").

Section 1. Recitals

1.01. OEU and Customer have executed OEU's Standard Interconnection Agreement for a Customer-Owned Renewable Generation System (RGS) pursuant to which OEU has agreed to permit interconnection of Customer's renewable generation to OEU's electric system at Customer's presently-metered location, and Customer has agreed to deliver excess electric energy generated by Customer's Renewable Generation System to OEU's electric distribution system;

1.02. The City of Ocala and FMPA have entered into the All-Requirements Power Supply Contract, dated as of May 1, 1986, (hereinafter the "ARP Contract") pursuant to which the City of Ocala has agreed to purchase and receive, and FMPA has agreed to sell and supply OEU with all energy and capacity necessary to operate the OEU electric system, which limits OEU's ability to directly purchase excess energy from customer-owned renewable generation.

1.03. In order to promote the development of small customer-owned renewable generation by permitting OEU to allow its customers to interconnect with OEU's electric system and to allow OEU's electric customers to offset their electric consumption with customer-owned renewable generation, FMPA, in accordance with the terms and conditions of this agreement, has agreed to purchase excess customer-owned generation from OEU's electric customers interconnected to OEU's electric system.

NOW THEREFORE, for and in consideration of the mutual covenants and agreements set forth herein, the Parties covenant and agree as follows:

Section 2. Interconnection

2.01. Customer shall not begin parallel operations with the OEU electric distribution system until Customer has executed OEU's electric Standard Interconnection Agreement for Small Customer-Owned Renewable Generation and is in compliance with all terms and conditions

OEU requires that the customer install and operate the RGS in accordance with all applicable safety codes and standards. OEU shall establish and enforce terms and conditions of operation and disconnection of all interconnected customer-owned renewable generation as it relates to the effect of the RGS on OEU's electric distribution system.

(Continued on Sheet No. 20.1)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

Section 3. Metering

3.01 In accordance with the OEU's Standard Interconnection Agreement for Customer-Owned Renewable Generation, OEU shall install metering equipment at the point of delivery capable of recording two separate kWh meter readings: (1) the flow of electricity from OEU to the Customer (Delivered), and (2) the flow of excess electricity from the Customer to OEU. OEU shall take meter readings on the same cycle as the otherwise applicable rate schedule.

Section 4. Purchase of Excess Customer-Owned Renewable Generation

4.01. Customer-owned renewable generation shall be first used for Customer's own load and shall offset Customer's demand for OEU's electricity. All electric power and energy delivered by OEU to Customer shall be received and paid for by Customer to OEU (Received) pursuant to the terms, conditions and rates of the OEU otherwise applicable rate schedule.

4.02. Excess customer-owned renewable generation shall be delivered to the OEU Electric distribution system. For purposes of this Agreement, the term "excess customer-owned renewable generation" means any kWh of electrical energy produced by the customer-owned renewable generation system that is not consumed by Customer and is delivered to the OEU electric distribution system. FMPA agrees to purchase and receive, and Customer agrees to sell and deliver, all excess customer-owned renewable generation at the energy rate established by FMPA, which shall be calculated in accordance with Schedule A. Excess customer-owned renewable generation shall be purchased in the form of a credit on Customer's monthly energy consumption bill from OEU.

4.03. In the event that a given monthly credit for excess customer-owned renewable generation exceeds the total billed amount for Customer's consumption in any corresponding month, then the excess credit shall be applied to the subsequent month's bill. Excess energy credits produced pursuant to the preceding sentence shall accumulate and be used to offset Customer's energy consumption bill for a period of not more than twelve (12) months. At the end of each calendar year, any unused excess energy credits shall be paid by OEU to the Customer in accordance with the OEU Electric Net-Metering Service Rate Schedule.

(Continued on Sheet No. 20.2)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

4.04. FMPA and OEU shall not be required to purchase or receive excess customer-owned renewable generation, and may require Customer to interrupt or reduce production of customer-owned renewable generation, (a) when necessary in order to construct, install, maintain, repair, replace, remove, investigate, or inspect any OEU equipment or part of OEU's system; or (b) if either FMPA or OEU determine, in their sole judgment, that curtailment, interruption, or reduction is necessary because of emergencies, forced outages, force majeure, or compliance with any applicable electric code or standard.

4.05. Customer acknowledges that its provision of electricity to OEU hereunder is on a first-offered, first-accepted basis and subject to diminution and/or rejection in the event the total amount of electricity delivered to OEU pursuant to the Net-Metering Service Rate Schedule (as filed with the Florida Public Service Commission), from all participating OEU customers, exceeds two and one-half percent (2.5%) of the aggregate customer peak demand on the OEU electric system.

Section 5. Renewable Energy Credits

5.01. Customer shall offer FMPA a first right of refusal before selling or granting to any third party the right to the Green Attributes associated with its customer-owned renewable generation that is interconnected to OEU electric distribution system. The term "Green Attributes" shall include any and all credits, certificates, benefits, environmental attributes, emissions reductions, offsets, and allowances, however entitled, attributable to the generation of electricity from the customer-owned-renewable generation and its displacement of conventional energy generation.

5.02. Any additional meter(s) installed to measure total renewable electricity generated by the Customer for the purposes of measuring Green Attributes, including and renewable energy certificates (or similarly titled credits for renewable energy generated), shall be installed at the expense of the Customer, unless determined otherwise during negotiations for the sale of the Customer's credits to FMPA.

Section 6. Term and Termination

6.01. This Agreement shall become effective upon execution by all Parties, and shall remain in effect thereafter on a month-to-month basis until terminated by any Party upon thirty (30) days written notice to all other Parties.

6.02. This Agreement shall terminate immediately and without notice upon: (a) termination of the electric distribution service by OEU or (b) failure by Customer to comply with any of the terms and conditions of this Agreement or OEU's Standard Interconnection Agreement for Customer-Owned Renewable Generation.

(Continued on Sheet No. 20.3)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

Section 7. Miscellaneous Provisions

7.01. Assignment. It is understood and agreed that no party may transfer, sell, mortgage, pledge, hypothecate, convey, designate, or otherwise assign this Agreement, or any interest herein or any rights or obligations hereunder, in whole or in part, either voluntarily or by operation of law, (including, without limitation, by merger, consolidation, or otherwise), without the express written consent of the other parties (and any such attempt shall be void), which consent shall not be unreasonably withheld. Subject to the foregoing, this Agreement shall inure to the benefit of and be binding upon the parties and their respective successors and permitted assigns.

7.02 Amendment. It is understood and agreed that FMPA and OEU reserve the right, on no less than an annual basis, to change any of the terms and conditions, including pricing, in this Agreement on sixty (60) days advance written notice. FMPA and OEU may make such changes on an immediate basis in the event any applicable law, rule, regulation or court order requires them. In such event, FMPA and OEU will give Customer as much notice as reasonably possible under the circumstances.

7.03. Indemnification. To the fullest extent permitted by laws and regulations, and in return for adequate, separate consideration, Customer shall defend, indemnify, and hold harmless FMPA and OEU, their officers, directors, agents, guests, invitees, and employees from and against all claims, damages, losses to persons or property, whether direct, indirect, or consequential (including but not limited to fees and charges of attorneys, and other professionals and court and arbitration costs) arising out of, resulting from, occasioned by, or otherwise caused by the operation or misoperation of the customer-owned renewable generation, or the acts or omissions of any other person or organization directly or indirectly employed by the Customer to install, furnish, repair, replace or maintain the customer-owned renewable generation system, or anyone for whose acts any of them may be liable.

7.04. Governing Law. The validity and interpretation of this Agreement and the rights and obligations of the parties shall be governed and construed in accordance with the laws of the State of Florida without regard for any conflicts of law provisions that might cause the law of other jurisdictions to apply. All controversies, claims, or disputes arising out of or related to this Agreement or any agreement, instrument, or document contemplated hereby, shall be brought exclusively in the County or Circuit Court for Marion County, Florida, or the United States District Court sitting in Marion County, Florida, as appropriate.

(Continued on Sheet No. 20.4)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

7.05. Enforcement of Agreement. In the event that either party is required to enforce this Agreement by court proceedings or otherwise, the prevailing party shall be entitled to recover all fees and costs incurred, including reasonable attorney's fees and costs for trial, alternative dispute resolution, and/or appellate proceedings.

7.06. Severability. To the extent any provision of this Agreement is prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

7.07. Third Party Beneficiaries and Sovereign Immunity. This Agreement is solely for the benefit of FMPA, OEU, and Customer and no right nor shall any cause of action accrue upon or by reason, to or for the benefit of any third party not a formal party to this Agreement. Nothing in this Agreement, expressed or implied, is intended or shall be construed to confer upon any person or corporation other than FMPA, OEU, or Customer, any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and, all provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and be binding upon FMPA, OEU, and Customer and their respective representatives, successors, and assigns. Further, no term or condition contained in this Agreement shall be construed in any way as a waiver by either FMPA or OEU of the sovereign immunity applicable to either or both of them as established by Florida Statutes, 768.28.

(Continued on Sheet No. 20.5)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

IN WITNESS WHEREOF, Customer and OEU have executed this Agreement the day and year first above written.

Tri-Party Net-Metering Power Purchase Agreement
Schedule A

I. All-Requirements Project Calculation of Excess Customer-Owned Renewable Generation Credit

a) FMPA shall pay OEU for the excess kWh energy delivered by customer-owned renewable generation to OEU's electric system. Every month, OEU shall determine the total kWh of customer-owned renewable generation that is delivered to OEU's electric system, and shall send the information to FMPA as soon as it becomes available, but no later than the second working day of every month. FMPA will then provide a monthly payment to OEU in the form of a credit on the ARP power bill for the excess energy delivered to the distribution grid. The ARP Renewable Generation Credit will be calculated as follows:

ARP Renewable Generation Credit = Quarterly Energy Rate * Monthly kWh of excess customer-owned renewable generation

Quarterly Energy Rate = 3 month average of ARP energy rate. FMPA will update the Quarterly Energy Rate every April 1, July 1, October 1 and January 1.

b) As part of the monthly bill adjustment, FMPA will also increase OEU's kWh billing amount by the same kWh amount as the customer-owned renewable generation purchased by FMPA. This adjustment is necessary because excess customer generation that flows onto OEU's electric system has been purchased by FMPA, but will remain on OEU's electric system and be used by OEU to meet its other customers' electric needs. As a result, OEU's monthly ARP bill will be adjusted accordingly to reflect FMPA's subsequent sale of this energy to OEU.

II. Payment for Unused Excess Energy Credits

a) Monthly excess energy credits shall accumulate and be used to offset the Customer's following month energy consumption bill for a period of not more than twelve (12) months.

b) At the end of each calendar year, OEU shall pay the Customer for any unused excess energy credits in accordance with the OEU Electric Net-Metering Service Rate Schedule.

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

Tier 1 – Standard Interconnection Agreement
Customer-Owned Renewable Generation System

This **Agreement** is made and entered into this 23rd day of April, 20 26, by and between Katherine S. Pooser, (hereinafter called "**Customer**"), located at 5587 NW 40th Place in Ocala, Florida, and the City of Ocala doing business as Ocala Electric Utility (hereinafter called OEU), a body politic. Customer and OEU shall collectively be called the "**Parties**". The physical location/premise where the interconnection is taking place: 5587 NW 40th Place Ocala, Fl. 34482.

WITNESSETH

Whereas, a Tier 1 Renewable Generation System (RGS) is an electric generating system that uses one or more of the following fuels or energy sources: hydrogen, biomass, solar energy, geothermal energy, wind energy, ocean energy, waste heat, or hydroelectric power as defined in Section 377.803, Florida Statutes, rated at no more than ten (10) kilowatts (10 kW) alternating current (AC) power output and is primarily intended to offset part or all of the Customer's current electric requirements; and

Whereas, OEU operates an electric system serving the City of Ocala; and

Whereas, Customer has made a written Application to OEU, a copy being attached hereto, to interconnect its RGS with OEU' electrical supply grid at the location identified above; and

Whereas, the City of Ocala and the Florida Municipal Power Agency (hereinafter called "FMPA") have entered into the All-Requirements Power Supply Contract pursuant to which the City of Ocala has agreed to purchase and receive, and FMPA has agreed to sell and supply OEU with all energy and capacity necessary to operate the OEU electric system, which limits OEU' ability to directly purchase excess energy from customer-owned renewable generation; and

Whereas, in order to promote the development of small customer-owned renewable generation by permitting OEU to allow its customers to interconnect with OEU's electric system and to allow OEU customers to offset their electric consumption with customer-owned renewable generation, FMPA, in accordance with the terms and conditions of this agreement, has agreed to purchase excess customer-owned generation from OEU customers interconnected to OEU's electric system; and

Whereas, the OEU desires to provide interconnection of a RGS under conditions which will insure the safety of OEU customers and employees, reliability and integrity of its distribution system;

NOW, THEREFORE, for and in consideration of the mutual covenants and agreements herein set forth, the parties hereto covenant and agree as follows:

(Continued on Sheet No. 21.1)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

(Continued from Sheet No. 21.0)

1. The Customer shall be required to enter into a Tri-Party Net-Metering Purchase Power Agreement with FMPA and the City of Ocala Electric Utility (OEU).

2. "Gross power rating" (GPR) means the total manufacturer's AC nameplate generating capacity of an on-site customer-owned renewable generation system that will be interconnected to and operate in parallel with OEU's distribution facilities. For inverter-based systems, the GPR shall be calculated by multiplying the total installed DC nameplate generating capacity by 0.85 in order to account for losses during the conversion from DC to AC.

3. This agreement is strictly limited to cover a Tier 1 RGS as defined above. It is the Customer's responsibility to notify OEU of any change to the GPR of the RGS by submitting a new application for interconnection specifying the modifications at least 30 days prior to making the modifications. Increase in GPR above the ten kilowatt (10 kW) limit would necessitate entering into a new agreement at either Tier 2 or Tier 3 which may impose additional requirements on the Customer. In no case does the Tier 1, Tier 2 or Tier 3 agreement cover increases in GPR above two megawatts (2MW).

4. The RGS GPR must not exceed 90 percent (90%) of the Customer's OEU calculated distribution service rating at the Customer's location (including shared electric facilities). If the GPR does exceed the 90 percent (90%) limit, the Customer shall be responsible to pay the cost of upgrades to the distribution facilities required to accommodate the GPR capacity and ensure the 90 percent (90%) threshold is not breached. OEU will not allow a RGS GPR greater than required to offset the customer's annual kWh energy consumption (based on customer's historical consumption data or by means of estimated usage of similar type of service as determined by OEU).

5. The Customer shall not be required to pay any special fees due solely to the installation of the RGS.

6. The Customer shall fully comply with OEU's Design Standards following NEC standards as those documents may be amended or revised by OUS from time to time.

7. The Customer certifies that its installation, its operation and its maintenance shall be in compliance with the following standards (or most current version at time of inspection approval):

a. IEEE-1547 (2018) Standard for Interconnecting Distributed Resources with Electric Power System;
b. IEEE-1547.1 (2005) Standard Conformance Test Procedures for Equipment Interconnection Distributed Resources with Electric Power Systems;
c. UL-1741 (2010) Inverters, Converters, Controllers and Interconnection System Equipment for Use with Distributed *Energy Resources.*
d. The National Electric Code, state and/or local building codes, mechanical codes and/or electrical codes;
e. The manufacturer's installation, operation and maintenance instructions.

(Continued to Sheet No. 21.2)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

(Continued from Sheet No. 21.1)

8. The Customer is not precluded from contracting for the lease, operation or maintenance of the RGS with a third party. Such lease may not provide terms or conditions that provide for any payments under the agreement to any way indicate or reflect the purchase of energy produced by the RGS. Customer shall not enter into any lease agreement that results in the retail purchase of electricity; or the retail sale of electricity from the customer-owned renewable generation. Notwithstanding this restriction, in the event that Customer is determined to have engaged in the retail purchase of electricity from a party other than OEU, then Customer shall be in breach of this Agreement and may be subject to the jurisdiction of the Florida Public Service Commission and to fines/penalties.

9. The Customer shall provide a copy of the manufacturer's installation, operation and maintenance instructions to OEU. If the RGS is leased to the Customer by a third party, or if the operation or maintenance of the RGS is to be performed by a third party, the lease and/or maintenance agreements and any pertinent documents related to these agreements shall be provided to OEU.

10. Prior to commencing parallel operation with OEU's electric system, Customer shall have the RGS inspected and approved by the appropriate code authorities having jurisdiction. Customer shall provide a copy of this inspection and approval to OEU.

11. The Customer agrees to permit OEU, if it should so choose, to inspect the RGS and its component equipment and the documents necessary to ensure compliance with this Agreement both before and after the RGS goes into service and to witness the initial testing of the RGS equipment and protective apparatus. OEU will provide Customer with as much notice as reasonably possible, either in writing, email, facsimile or by phone as to when OEU may conduct inspections and or document review. Upon reasonable notice, or at any time without notice in the event of an emergency or hazardous condition, Customer agrees to provide OEU access to the Customer's premises for any purpose in connection with the performance of the obligations required by this Agreement or, if necessary, to meet OEU's legal obligation to provide service to its customers. At least ten (10) business days prior to initially placing the customer-owned renewable generation system in service, Customer shall provide written notification to OEU advising of the date and time at which Customer intends to place the system in service, and OEU shall have the right to have personnel present on the in-service date in order to ensure compliance with the requirements of this Agreement.

(Continued on Sheet No. 21.3)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

12. The Customer's RGS must have an appropriately sized grid-tie inverter system that includes applicable protective systems. Customer certifies that the RGS equipment includes an OEU interactive inverter or interconnection system equipment that ceases to interconnect with the OEU system upon a loss of OEU's electric power. The inverter shall be considered certified for interconnected operation if it has been submitted by a manufacturer to a nationally recognized testing laboratory (NRTL) to comply with UL 1741. The NRTL shall be approved by the Occupational Safety & Health Administration (OSHA).

13. If Customer adds another RGS that (i) utilizes the same OEU interactive inverter for both systems, or (ii) utilizes a separate OEU interactive inverter for each system, Customer shall provide OEU with sixty (60) days advance written notice of the addition.

14. The Customer shall not energize the OEU system when OEU's system is deenergized. The Customer shall cease to energize the OEU system during a faulted condition on the OEU system and/or upon any notice from OEU that the deenergizing of Customer's RGS equipment is necessary. The Customer shall cease to energize the OEU system prior to automatic or non-automatic reclosing of OEU's protective devices. There shall be no intentional islanding, as described in IEEE 1547, between the Customer's and OEU' systems.

15. The Customer is responsible for the protection of its generation equipment, inverters, protection devices, and other system components from damage from the normal and abnormal operations that occur on OEU system in delivering and restoring system power. Customer agrees that any damage to any of its property, including, without limitation, all components and related accessories of its RGS system, due to the normal or abnormal operation of OEU system, is at Customer's sole risk and expense. Customer is also responsible for ensuring that the customer-owned renewable generation equipment is inspected, maintained, and tested regularly in accordance with the manufacturer's instructions to ensure that it is operating correctly and safely.

16. The Customer must install, at their expense, a manual disconnect switch of the visible load break type to provide a separation point between the AC power output of the customer-owned renewable generation system and any Customer wiring connected to OEU's system, such that back feed from the customer-owned renewable generation system to OEU's system cannot occur when the switch is in the open position. The manual disconnect switch shall be mounted separate from the meter socket on an exterior surface adjacent to the meter. The switch shall be readily accessible to OEU and capable of being locked in the open position with an OEU padlock. When locked and tagged in the open position by OEU, this switch will be under the control of OEU.

(Continued on Sheet No. 21.4)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

(Continued from Sheet No. 21.3)

17. Subject to an approved inspection, including installation of acceptable disconnect switch, this Agreement shall be executed by OEU within thirty (30) calendar days of receipt of a completed application. Customer must execute this Agreement and return it to OEU at least thirty (30) calendar days prior to beginning parallel operations with OEU's electric system, subject to the requirements of Section 18, below, and within one (1) year after OEU executes this Agreement.

18. Once OEU has received Customer's written documentation that the requirements of this Agreement have been met, all agreements and documentation have been received and the correct operation of the manual switch has been demonstrated to an OEU representative, OEU will, within fifteen (15) business days, send written notice that parallel operation of the RGS may commence.

19. OEU requires the Customer to maintain general liability insurance for personal injury and property damage in the amount of not less than one hundred thousand dollars ($100,000.00).

20. OEU will furnish, install, own and maintain metering equipment capable of measuring the flow of kilowatt-hours (kWh) of energy. The Customer's service associated with the RGS will be metered to measure the energy delivered by OEU to Customer, and measure the energy delivered by Customer to OEU. Customer agrees to provide safe and reasonable access to the premises for installation, maintenance and reading of the metering and related equipment. The Customer shall not be responsible for the cost of the installation and maintenance of the metering equipment necessary to measure the energy delivered by the Customer to OEU.

21. The Customer shall be solely responsible for all legal and financial obligations arising from the design, construction, installation, operation, maintenance and ownership of the RGS.

22. The Customer must obtain all permits, inspections and approvals required by applicable jurisdictions with respect to the generating system and must use a licensed, bonded and insured contractor to design and install the generating system. The Customer agrees to provide OEU with a copy of the local building code official inspection and certification of installation. The certification shall reflect that the local code official has inspected and certified that the installation was permitted, has been approved, and has met all electrical and mechanical qualifications.

(Continued on Sheet No. 21.5)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

23. In no event shall any statement, representation, or lack thereof, either express or implied, by OEU, relieve the Customer of exclusive responsibility for the Customer's system. Specifically, any OEU inspection of the RGS shall not be construed as confirming or endorsing the system design or its operating or maintenance procedures or as a warranty or guarantee as to the safety, reliability, or durability of the RGS. OEU's inspection, acceptance, or its failure to inspect shall not be deemed an endorsement of any RGS equipment or procedure. Further, as set forth in Sections 15 and 26 of this Agreement, Customer shall remain solely responsible for any and all losses, claims, damages and/or expenses related in any way to the operation or misoperation of its RGS equipment.

24. Notwithstanding any other provision of this Interconnection Agreement, OEU, at its sole and absolute discretion, may isolate the Customer's system from the distribution grid by whatever means necessary, without prior notice to the Customer. To the extent practical, however, prior notice shall be given. The system will be reconnected as soon as practical once the conditions causing the disconnection cease to exist. OEU shall have no obligation to compensate the Customer for any loss of energy during any and all periods when Customer's RGS is operating at reduced capacity or is disconnected from OEU' electrical distribution system pursuant to this Interconnection Agreement. Typical conditions which may require the disconnection of the Customer's system include, but are not limited to, the following:

a. OEU system emergencies, forced outages, uncontrollable forces or compliance with prudent electric OEU practice.
b. When necessary to investigate, inspect, construct, install, maintain, repair, replace or remove any OEU equipment, any part of OEU's electrical distribution system or Customer's generating system.
c. Hazardous conditions existing on OEU's system due to the operation of the Customer's generation or protective equipment as determined by OEU.
d. Adverse electrical affects (such as power quality problems) on the electrical equipment of OEU's other electric consumers caused by the Customer's generation as determined by OEU.
e. When Customer is in breach of any of its obligations under this Interconnection Agreement or any other applicable policies and procedures of OEU.
f. When the Customer fails to make any payments due to OEU by the due date thereof.

25. Upon termination of services pursuant to this Agreement, OEU shall open and padlock the manual disconnect switch and remove any additional metering equipment related to this Agreement. At the Customer's expense, within thirty (30) working days following the termination, the Customer shall permanently isolate the RGS and any associated equipment from OEU's electric supply system, notify OEU that the isolation is complete, and coordinate with OEU for return of OEU's lock.

(Continued to Sheet No. 21.6)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

26. To the fullest extent permitted by law, and in return for adequate, separate consideration, Customer shall indemnify, defend and hold harmless OEU, any and all of their members of its governing bodies, and its officers, agents, and employees for, from and against any and all claims, demands, suits, costs of defense, attorneys fees, witness fees of any type, losses, damages, expenses, and liabilities, whether direct, indirect or consequential, related to, arising from, or in any way connected with:

a. Customer's design, construction, installation, inspection, maintenance, testing or operation of Customer's generating system or equipment used in connection with this Interconnection Agreement, irrespective of any fault on the part of OEU.
b. The interconnection of Customer's generating system with, and delivery of energy from the generating system to, OEU's electrical distribution system, irrespective of any fault on the part of OEU.
c. The performance or nonperformance of Customer's obligations under this Interconnection Agreement or the obligations of any and all of the members of Customer's governing bodies and its officers, agents, contractors (and any subcontractor or material supplier thereof) and employees.

Customer's obligations under this Section shall survive the termination of this Interconnection Agreement.

27. Customer shall not have the right to assign its benefits or obligations under this Agreement without OEU's prior written consent and such consent shall not be unreasonably withheld. If there is a change in ownership of the RGS, Customer shall provide written notice to OEU at least thirty (30) days prior to the change in ownership. The new owner will be required to assume, in writing, the Customer's rights and duties under this Agreement, or execute a new Standard Interconnection Agreement. The new owner shall not be permitted to net meter or begin parallel operations until the new owner assumes this Agreement or executes a new Agreement.

28. This Agreement supersedes all previous agreements and representations either written or verbal heretofore made between OEU and Customer with respect to matters herein contained. This Agreement, when duly executed, constitutes the only Agreement between parties hereto relative to the matters herein described. This Agreement shall continue in effect from year to year until either party gives sixty (60) days' notice of its intent to terminate this Agreement.

(Continued on Sheet No. 21.7)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

29. This Agreement shall be governed by and construed and enforced in accordance with the laws, rules and regulations of the State of Florida and OEU's tariff as it may be modified, changed, or amended from time to time, including any amendments modification or changes to OEU's Net-Metering Service Rate Schedule, the schedule applicable to this Agreement. The Customer and OEU agree that any action, suit, or proceeding arising out of or relating to this Interconnection Agreement shall be initiated and prosecuted in the state court of competent jurisdiction located in Marion County, Florida, and OEU and the Customer irrevocably submit to the jurisdiction and venue of such court. To the fullest extent permitted by law, each Party hereby irrevocably waives any and all rights to a trial by jury and covenants and agrees that it will not request a trial by jury with respect to any legal proceeding arising out of or relating to this Interconnection Agreement.

None of the provisions of this Interconnection Agreement shall be considered waived by either Party except when such waiver is given in writing. No waiver by either Party of any one or more defaults in the performance of the provisions of this Interconnection Agreement shall operate or be construed as a waiver of any other existing or future default or defaults. If any one or more of the provisions of this Interconnection Agreement or the applicability of any provision to a specific situation is held invalid or unenforceable, the provision shall be modified to the minimum extent necessary to make it or its application valid and enforceable, and the validity and enforceability of all other provisions of this Interconnection Agreement and all other applications of such provisions shall not be affected by any such invalidity or unenforceability. This Interconnection Agreement does not govern the terms and conditions for the delivery of power and energy to non-generating retail customers of OEU's electrical distribution system.

30. This Agreement incorporates by reference the terms of the tariff filed with the Florida Public Service Commission by OEU, including OEU's Net-Metering Service Rate Schedule, and associated technical terms and abbreviations, general rules and regulations and standard electric service requirements (as may be applicable) are incorporated by reference, as amended from time to time. To the extent of any conflict between this Agreement and such tariff, the tariff shall control.

31. OEU and Customer recognize that the Florida Statutes and/or the Florida Public Service Commission Rules, including those directly addressing the subject of this Agreement, may be amended from time to time. In the event that such statutes and/or rules are amended that affect the terms and conditions of this Agreement, OEU and Customer agree to supersede and replace this Agreement with a new Interconnection Agreement, which complies with the amended statutes/rules.

(Continued on Sheet No. 21.8)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

32. Customer acknowledges that its provision of electricity to OEU hereunder is on a first-offered, first-accepted basis and subject to diminution and/or rejection in the event the total amount of electricity delivered to OEU pursuant to the OEU's Net-Metering Service Rate Schedule, (as filed with the Florida Public Service Commission), from all participating OEU customers, exceeds two and one-half percent (2.5%) of the aggregate customer peak demand on the OEU system.

33. This Agreement is solely for the benefit of OEU and Customer and no right nor any cause of action shall accrue upon or by reason, to or for the benefit of any third party not a formal party to this Agreement. Nothing in this Agreement, expressed or implied, is intended or shall be construed to confer upon any person or corporation other than OEU or Customer, any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and, all provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and be binding upon OEU and Customer and their respective representatives, successors, and assigns. Further, no term or condition contained in this Agreement shall be construed in any way as a waiver by OEU of the sovereign immunity applicable to OEU as established by Florida Statutes, 768.28.

(Continued on Sheet No. 21.9)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

IN WITNESS WHEREOF, Customer and OEU have executed this Agreement the day and year first above written.

GENERAL NOTES:

THIS PV SYSTEM HAS BEEN DESIGNED TO MEET THE MINIMUM DESIGN STANDARDS FOR BUILDING AND OTHER STRUCTURES OF THE ASCE 7-16, 7TH EDITION 2020 FLORIDA RESIDENTIAL CODE, 7TH EDITION 2020 FLORIDA BUILDING CODE, 7TH EDITION 2020 FLORIDA FIRE PREVENTION CODE, NEC 2017 AND ALL LOCAL CODES & ORDINANCES.

ROOF SHALL HAVE NO MORE THAN TWO LAYERS OF COVERING IN ADDITION TO THE SOLAR EQUIPMENT.

INSTALLATION OF SOLAR EQUIPMENT SHALL BE FLUSH MOUNTED, PARALLEL TO AND NO MORE THAN 6-INCHES ABOVE THE SURFACE OF THE ROOF.

ANY PLUMBING VENTS ARE NOT TO BE CUT OR COVERED FOR SOLAR EQUIPMENT INSTALLATION. ANY RELOCATION OR MODIFICATION OF THE VENT REQUIRES A PLUMBING PERMIT AND INSPECTION.

ALL DESIGN, CALCULATIONS ARE PERFORMED BY DANIEL DUNZIK REGISTERED ARCHITECT. FLORIDA STATE STATUTE 471.003(3) PROVIDES THAT LICENSED ARCHITECTS ARE EXEMPTED FROM THE PROVISIONS OF CHAPTER 471 ENGINEERING AND NOT PRECLUDED FROM PERFORMING ENGINEERING SERVICES FOR INTEGRATED SYSTEMS AND SERVICES THAT ARE INCIDENTAL TO BUILDINGS AND STRUCTURES.

INVERTER PLACEMENT:

SYSTEM UTILIZES "ENPHASE" MICRO-INVERTERS WITH RAPID SHUTDOWN CONTROL LOCATED ON THE BACK SIDE OF EACH MODULE.

STRUCTURAL STATEMENT:

THE EXISTING STRUCTURE IS ADEQUATE TO SUPPORT THE NEW LOADS IMPOSED BY THE PHOTOVOLTAIC MODULE SYSTEM INCLUDING UPLIFT & SHEAR.EXISTING RAFTER SIZES & DIMENSIONS CONFORM TO 7TH EDITION 2020 FLORIDA RESIDENTIAL CODE

MOUNTING BRACKETS AND HARDWARE MEET OR EXCEED FLORIDA CODE REQUIREMENTS FOR THE DESIGN CRITERIA OF THE TOWN.

FSEC CERTIFICATION STATEMENT:

ELECTRICAL NOTES:

1. ALL CALCULATIONS FOR VOC, VMAX, IMP AND ISC HAVE BEEN CALCULATED USING THE MANUFACTURED STRING CALCULATOR BASED ON ASHRAE 2% HIGH AND EXTREME MINIMUM TEMPERATURE COEFFICIENTS.
2. THE ENTIRE ARRAY IS BONDED ACCORDING TO (NEC 690.46 - 250.120 PARAGRAPH C). THE GROUND IS CARRIED AWAY FROM THE GROUNDING LUG USING #6 BARE COPPER WIRE OR #6 THWN-2 COPPER WIRE.
3. THIS SYSTEM COMPLIES WITH NEC 2017
4. BRANCH CIRCUIT CALCULATION FOR WIRE TAG 1 DISPLAYS THE LARGEST BRANCH CIRCUIT IN SYSTEM. OTHER BRANCH CIRCUITS SHALL HAVE LOWER DESIGN CURRENT THAN THE ONE SHOWN. IN ADDITION, VOLTAGE DROP CALCULATIONS FROM PANELS TO THE COMBINER BOX SHALL BE SHOWN IN A SIMILAR FASHION
5. ALL CONDUCTORS ARE SIZED BASED ON NEC 2017 ARTICLE 310
6. ALL EQUIPMENT INSTALLED IS RATED AT 75°C
7. INVERTER NOC (NOMINAL OPEN CURRENT) OBTAINED FROM EQUIPMENT DATASHEET
8. CONTRACTOR SHALL BE RESPONSIBLE FOR COMPLYING WITH ALL LOCAL AND NATIONAL CODE REQUIREMENTS
9. EACH MODULE MUST BE GROUNDED ACCORDING TO USER INSTRUCTIONS
10. ALL EQUIPMENT SHALL BE LISTED PER NEC 690.4(B)
11. PER NEC 690.13, 690.15, PROVIDE A WARNING SIGN AT ALL LOCATIONS WHERE TERMINALS OF THE DISCONNECTING MEANS MAY BE ENERGIZED IN THE OPEN POSITION> SIGN SHALL READ "WARNING - ELECTRIC SHOCK HAZARD - DO NOT TOUCH TERMINALS - OR EQUIVALENT
12. PER NEC 705.10, PROVIDE A PERMANENT PLAQUE OR DIRECTORY SHOWING ALL ELECTRIC POWER SOURCES ON THE PREMISES AT SERVICE ENTRANCE
13. INTERCONNECTION METHOD SHALL COMPLY WITH NEC 705.12
14. AND OPTION FOR A SINGLE CIRCUIT BRANCH TO BE SPLIT INTO TWO SUB-CIRCUIT BRANCHES IS ACCEPTABLE,
15. ALL CONDUCTORS MUST BE COPPER.
16. NEUTRAL AND EQUIPMENT GROUNDING CONDUCTOR BONDED AS PER NEC 250.24(C)
17. EQUIPMENT GROUNDING CONDUCTOR IS CONNECTED TO A GROUNDING ELECTRODE SYSTEM PER 250.54(D)
18. FUSES FOR PV DISCONNECT HAVE AIC RATINGS OF 200KA AC AND 20KA DC.
19. SUPPLY SIDE CONNECTION SHALL BE MADE USING ILSCO INSULATION PIERCING CONNECTORS (IPC). MAKE, MODEL, AND RATING OF INTERCONNECTION CAN BE SEEN ON TABLE 1 BELOW.
20. METHOD OF INTERCONNECTION CAN BE SEEN IN FIGURE 1
21. UTILITY HAS 24-HR UNRESTRICTED ACCESS TO ALL PHOTOVOLTAIC SYSTEM COMPONENTS LOCATED AT THE SERVICE ENTRANCE
22. WORKING CLEARANCES AROUND THE EXISTING AND NEW ELECTRICAL EQUIPMENT WILL BE MAINTAINED IN ACCORDANCE WITH NEC ARTICLE 110.26
23. CONDUCTORS EXPOSED TO SUNLIGHT SHALL BE LISTED AS SUNLIGHT RESISTANT PER NEC ARTICLE 300.6 (C)(1) AND ARTICLE 310.8 (D)
24. CONDUCTORS EXPOSED TO WET LOCATIONS SHALL BE SUITABLE FOR USE IN WET LOCATIONS PER NEC ARTICLE 310.10 (C)
25. TOTAL AREA OF ALL CONDUCTORS, SPLICES, AND TAPS INSTALLED AT ANY CROSS SECTION OF THE WIRING DOES NOT EXCEED 75% OF THE CROSS SECTIONAL AREA OF THE SPACE. NEC 312.8(A)(2)
26. SYSTEM IS CONSIDERED AN AC MODULE SYSTEM. NO DC CONDUCTORS ARE PRESENT IN CONDUIT, COMBINER, JUNCTION BOX, DISCONNECT. AND COMPLIES WITH 690.6 - NO DC DISCONNECT AND ASSOCIATED DC LABELING ARE REQUIRED.
27. SYSTEM COMPLIES WITH 690.12 RAPID SHUTDOWN ANO ASSOCIATED LABELING AS PER 690.56(C). AC VOLTAGE AND SYSTEM OPERATING CURRENT SHALL BE PROVIDED 690.52.
28. CONDUCTORS IN CONDUIT ARE AC CONDUCTORS BRANCH CIRCUITS AND NOT PV SOURCE CIRCUITS. 690.6
29. ALL GROUNDING SHALL COMPLY WITH 690.47(A) IN THAT THE AC MODULES WILL COMPLY WITH 250.64.
30. NO TERMINALS SHALL BE ENERGIZED IN THE OPEN POSITION IN THIS AC MODULE SYSTEM 690.13, 690.15, 690.6.
31. WHERE APPLICABLE: INTERCONNECTION SHALL COMPLY WITH 705.12(A) OR 705.12(B)
32. ALL WARNING SIGN(S) OR LABEL(S) SHALL COMPLY WITH 2017 NEC ARTICLE 110.21(B). LABEL WARNINGS SHALL ADEQUATELY WARN OF THE HAZARD. LABELS SHALL BE PERMANENTLY AFFIXED TO THE EQUIPMENT, AND LABELS REQUIRED SHALL BE SUITABLE FOR THE ENVIRONMENT.
33. PV POWER CIRCUIT LABELS SHALL APPEAR ON EVERY SECTION OF THE WIRING SYSTEM THAT IS SEPARATED BY ENCLOSURES, WALLS, PARTITIONS, CEILINGS, OR FLOORS.

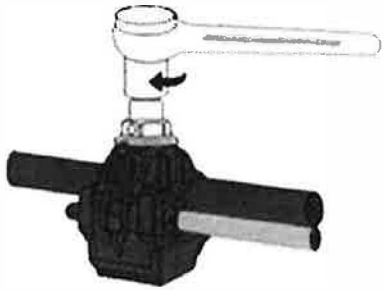

TABLE 1:

MAKE	MODEL	VOLTAGE RATING	CONDUCTOR RANGE MAIN	CONDUCTOR RANGE TAP
ILSCO	IPC 4006	600 V	4/0-4 AWG	6-14 AWG
ILSCO	IPC 4020	600 V	4/0-2 AWG	2/0-6 AWG

INSTRUCTIONS FOR LINE TAPS

FIGURE 1:

1. ADJUST THE CONNECTOR NUT TO SUITABLE LOCATION
2. PUT THE BRANCH WIRE INTO THE CAP SHEATH FULLY
3. INSERT THE MAIN WIRE, IF THERE ARE TWO LAYS OF INSULATED LAY IN THE MAIN CABLE, SHOULD STRIP A CERTAIN LENGTH OF THE FIRST INSULATED LAY FROM INSERTED END
4. TURN THE NUT BY HAND, AND FIX THE CONNECTOR IN SUITABLE LOCATION
5. SCREW THE NUT WITH THE SLEEVE SPANNER.
6. SCREW THE NUT CONTINUALLY UNTIL THE TOP PART IS CRACKED AND DROPPED DOWN

Enphase IQ 7 and IQ 7+ Microinverters

The high-powered smart grid-ready **Enphase IQ 7 Micro™ and Enphase IQ 7+ Micro™** dramatically simplify the installation process while achieving the highest system efficiency.

Part of the Enphase IQ System, the IQ 7 and IQ 7+ Microinverters integrate with the Enphase IQ Envoy™, Enphase IQ Battery™, and the Enphase Enlighten™ monitoring and analysis software.

IQ Series Microinverters extend the reliability standards set forth by previous generations and undergo over a million hours of power-on testing, enabling Enphase to provide an industry-leading warranty of up to 25 years.

Easy to Install

- Lightweight and simple
- Faster installation with improved, lighter two-wire cabling
- Built-in rapid shutdown compliant (NEC 2014 & 2017)

Productive and Reliable

- Optimized for high powered 60-cell and 72-cell* modules
- More than a million hours of testing
- Class II double-insulated enclosure
- UL listed

Smart Grid Ready

- Complies with advanced grid support, voltage and frequency ride-through requirements
- Remotely updates to respond to changing grid requirements
- Configurable for varying grid profiles
- Meets CA Rule 21 (UL 1741-SA)

* The IQ 7+ Micro is required to support 72-cell modules

UL CERTIFIED

Enphase IQ 7 and IQ 7+ Microinverters

INPUT DATA (DC)	IQ7-60-2-US / IQ7-60-B-US	IQ7PLUS-72-2-US / IQ7PLUS-72-B-US
Commonly used module pairings[1]	235 W - 350 W +	235 W - 440 W +
Module compatibility	60-cell PV modules only	60-cell and 72-cell PV modules
Maximum input DC voltage	48 V	60 V
Peak power tracking voltage	27 V - 37 V	27 V - 45 V
Operating range	16 V - 48 V	16 V - 60 V
Min/Max start voltage	22 V / 48 V	22 V / 60 V
Max DC short circuit current (module Isc)	15 A	15 A
Overvoltage class DC port	II	II
DC port backfeed current	0 A	0 A
PV array configuration	1 x 1 ungrounded array; No additional DC side protection required; AC side protection requires max 20A per branch circuit	

OUTPUT DATA (AC)	IQ 7 Microinverter		IQ 7+ Microinverter	
Peak output power	250 VA		295 VA	
Maximum continuous output power	240 VA		290 VA	
Nominal (L-L) voltage/range[2]	240 V / 211-264 V	208 V / 183-229 V	240 V / 211-264 V	208 V / 183-229 V
Maximum continuous output current	1.0 A (240 V)	1.15 A (208 V)	1.21 A (240 V)	1.39 A (208 V)
Nominal frequency	60 Hz		60 Hz	
Extended frequency range	47 - 68 Hz		47 - 68 Hz	
AC short circuit fault current over 3 cycles	5.8 Arms		5.8 Arms	
Maximum units per 20 A (L-L) branch circuit[3]	16 (240 VAC)	13 (208 VAC)	13 (240 VAC)	11 (208 VAC)
Overvoltage class AC port	III		III	
AC port backfeed current	0 A		0 A	
Power factor setting	1.0		1.0	
Power factor (adjustable)	0.7 leading ... 0.7 lagging		0.7 leading ... 0.7 lagging	

EFFICIENCY	@240 V	@208 V	@240 V	@208 V
Peak CEC efficiency	97.6 %	97.6 %	97.5 %	97.3 %
CEC weighted efficiency	97.0 %	97.0 %	97.0 %	97.0 %

MECHANICAL DATA	
Ambient temperature range	-40°C to +65°C
Relative humidity range	4% to 100% (condensing)
Connector type (IQ7-60-2-US & IQ7PLUS-72-2-US)	MC4 (or Amphenol H4 UTX with additional Q-DCC-5 adapter)
Connector type (IQ7-60-B-US & IQ7PLUS-72-B-US)	Friends PV2 (MC4 intermateable). Adaptors for modules with MC4 or UTX connectors: - PV2 to MC4: order ECA-S20-S22 - PV2 to UTX: order ECA-S20-S25
Dimensions (WxHxD)	212 mm x 175 mm x 30.2 mm (without bracket)
Weight	1.08 kg (2.38 lbs)
Cooling	Natural convection - No fans
Approved for wet locations	Yes
Pollution degree	PD3
Enclosure	Class II double-insulated, corrosion resistant polymeric enclosure
Environmental category / UV exposure rating	NEMA Type 6 / outdoor

FEATURES	
Communication	Power Line Communication (PLC)
Monitoring	Enlighten Manager and MyEnlighten monitoring options. Both options require installation of an Enphase IQ Envoy.
Disconnecting means	The AC and DC connectors have been evaluated and approved by UL for use as the load-break disconnect required by NEC 690.
Compliance	CA Rule 21 (UL 1741-SA) UL 62109-1, UL1741/IEEE1547, FCC Part 15 Class B, ICES-0003 Class B, CAN/CSA-C22.2 NO. 107.1-01 This product is UL Listed as PV Rapid Shut Down Equipment and conforms with NEC-2014 and NEC-2017 section 690.12 and C22.1-2015 Rule 64-218 Rapid Shutdown of PV Systems, for AC and DC conductors, when installed according manufacturer's instructions.

1. No enforced DC/AC ratio. See the compatibility calculator at https://enphase.com/en-us/support/module-compatibility
2. Nominal voltage range can be extended beyond nominal if required by the utility.
3. Limits may vary. Refer to local requirements to define the number of microinverters per branch in your area.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

FEID No.: VF-596000392-002
FY Work Order: Fiscal Year 2026/2027

City of Ocala:

You are hereby authorized to perform maintenance of the State Highway Lighting Systems within your jurisdiction in accordance with the terms and conditions of the State Highway Lighting, Maintenance, and Compensation Agreement.

The total compensation for Fiscal Year 2026/2027 paid under this Work Order is **$462,138.20**. The compensation period for this work order will begin on July 1, 2026, and will expire June 30, 2027. Invoices for this period can be submitted to this office after May 19, 2027, and will be processed in accordance with the Compensation and Payment terms and conditions of the State Highway Lighting, Maintenance, and Compensation Agreement.

Please execute and return using the contact information below. To guarantee availability of funds, these documents must be returned to this office no later than June 1, 2026.

- **Sign this work order confirming receipt and agreement of the compensation terms listed above and return.**
- **Sign Exhibit A for FY 26/27 and return.**

If you have any questions, please contact:

Docusign Envelope ID: 65DED69B-678A-8AD4-81B2-7F48EEEC505D

EXHIBIT A (Modified for Renewals)
STATE HIGHWAY LIGHTING, MAINTENANCE, AND COMPENSATION AGREEMENT
For Fiscal Year 26/27

1.0 PURPOSE

This exhibit defines the method and limits of compensation to be made to the **MAINTAINING AGENCY** for the services described in this Agreement and method by which payments will be made.

2.0 FACILITIES

The lighting or lighting systems listed below, or in an attached spreadsheet, or other electronic form are included with this Agreement and represent the Facilities to be maintained by the **MAINTAINING AGENCY**:

1. *See attached verification document*
2.
3.

3.0 COMPENSATION

For the satisfactory completion of all services detailed in this Agreement, **FDOT** will pay the **MAINTAINING AGENCY** the Total Sum as provided in Section 2 of the Agreement. The **MAINTAINING AGENCY** will receive one single payment at the end of each fiscal year for satisfactory completion of service.

The per-light unit rate shall increase by 3% each fiscal year. E.g., the per-light unit rate of $347.89 in fiscal year 25/26 shall increase to $358.33 in fiscal year 26/27.

Total Payment Amount for each fiscal year is calculated by inputting the actual number of qualifying types of lights into the table below and multiplying by the unit rate and 90%. Example: 100 (lights) x $358.33 (unit rate) x 0.90 (90% requirement) = $32,249.70

Type of Light	# of lights	LED or HPS	Unit rate	90%	Total
EXAMPLE	***100***	***LED***	***$358.33***	***.90***	***$32,249.70***
High Mast		HPS		0.00	0.00
Standard		HPS		0.00	0.00
Underdeck		HPS		0.00	0.00
Sign		HPS		0.00	0.00
High Mast		LED		0.00	0.00
Standard	1433	LED	358.33	0.90	$462,138.20
Underdeck		LED		0.00	0.00
Sign		LED		0.00	0.00

STATE HIGHWAY LIGHTING QUANTITY VERIFICATION

AM 688 City of Ocala agrees that
(Contract Number and Local Maintaining Agency)

1433 luminaires, in the locations listed on the attached page(s), have been
(Total Number of Luminaires)

identified for payment through the State Highway Lighting, Maintenance, and Compensation Agreement for FY 2027 (July 1, 2026 to June 30, 2027)

This agreement was reached via:

- [x] Phone
- [ ] Email
- [ ] Meeting
- [ ] Letter (see attached)

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Docusign Envelope ID: 65DED69B-678A-8AD4-81B2-7F48EEEC505D

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

Docusign Envelope ID: 65DED69B-678A-8AD4-81B2-7F48EEEC505D

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

FSCJ Florida State College at Jacksonville

Training Agreement

This Training Agreement is entered into this _____ day of 6/9/2026____, 2026 by and between **Florida State College at Jacksonville** ("FSCJ") and **Ocala Fire Rescue Department** ("Customer"). This Agreement will expire on December 31, 2026.

Terms

The terms of the Agreement are hereby incorporated by reference and shall govern the provision course and training services under this proposal.

Description of Courses and/or Training Services

FSCJ agrees to provide instruction for five-hour ARFF Refresher (PSR 0082) Program to Customer's employees as defined in this training agreement.

Training will be delivered on mutually agreed upon dates to be conducted at the Fire Academy of the South, 2700 Firefighter Memorial Drive, Jacksonville, FL**.** Delivery of instruction shall be scheduled and delivered in accordance with the terms and conditions herein.

FSCJ agrees to provide the following:

- Highly qualified instructor
- Course materials
- Classroom and Laboratory Facilities
- PPE Gear (if needed)
- Participant evaluations
- Attendance records

Customer shall commit to the following:

- Identify training participants
- Provide student enrollment information via hard copy enrollment forms or the FSCJ Continuing Education website
- Maintain open lines of communication with Florida State College at Jacksonville's instructor(s) and representatives throughout the training process.

Fees, Costs and Payment Terms

Course	Contact Hours	Proposed Number of Participants	Tuition Cost per Person
ARFF Refresher	5	TBD	$465.00

Tuition for the course is four hundred sixty-five dollars ($465.00) per student. The College will bill for the exact number of Fire Fighters trained at each session.

Docusign Envelope ID: D18CB748-B40C-4B43-A83D-43C177961345

Tuition and fees for all students must be paid by the following schedule:

FSCJ will invoice customer within thirty (30) days from training. Customer shall pay invoice within thirty (30) days of the invoice date. Payments should be directed to:

Florida State College at Jacksonville
Finance Department
Attention: Accounts Receivable
501 West State Street, Jacksonville, FL 32202
AccountsReceivable@fscj.edu
(904) 632-3003

The secured payment link is:
https://quikpayasp.com/fccj/commerce_manager/payer.do?orderType=Sponsor%20Third%20Party

Cancellation Policy

Cancellations must be made one (1) week prior to the proposed start date. Cancellation requests may be made via email to **ARFF@fscj.edu**, or via phone **(904) 997-4953**. If your organization fails to submit a cancellation request within the specified time frame, FSCJ will invoice for minimum fee listed above.

Student Enrollment and Registration

Customer agrees to provide enrollment information for all students. A student may complete a paper enrollment form or submit enrollment information via the FSCJ online application portal. No student may participate in training without being registered.

Confidentiality. Customer agrees not to disclose to others, copy or use for any purpose unrelated to FSCJ's business, directly or indirectly, any trade secret or confidential or proprietary information or data of or relating to FSCJ or its business or operations that Customer obtains as a result of, or in connection with, the performance of the Services ("Confidential Information"), provided that the foregoing shall not apply to information that Customer possessed prior to the commencement of this Agreement or that is generally known to the public other than as a result of Customer's breach of this Agreement.*

By my signature below, I accept this proposal and all associated terms and conditions.

***PUBLIC RECORDS.** FSCJ shall comply with all applicable provisions of the Florida Public Records Act, Chapter 119, Florida Statutes. Specifically, FSCJ shall:

A. Keep and maintain public records required by the public agency to perform the service.
B. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.
C. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if FSCJ does not transfer the records to the public agency.
D. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of FSCJ or keep and maintain public records required by the public agency to perform the service. If FSCJ transfers all public records to the public agency upon completion of the contract, FSCJ shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If FSCJ keeps and maintains public records upon completion of the contract, FSCJ shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

IF FSCJ HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO FSCJ'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: CITY OF OCALA, OFFICE OF THE CITY CLERK; 352-629-8266; E-mail: clerk@ocalafl.gov; City Hall, 110 SE Watula Avenue, Ocala, FL 34471.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

AGREEMENT TO PROVIDE FIRE ASSESSMENT ROLL UPDATE SERVICES

THIS AGREEMENT TO PROVIDE FIRE ASSESSMENT ROLL UPDATE SERVICES ("Agreement") is entered into by and between the **CITY OF OCALA**, a Florida municipal corporation ("City") and **ALFRED BENESCH & COMPANY,** a foreign-profit corporation duly organized in the state of Illinois and authorized to do business in the state of Florida (EIN: 36-2407363) ("Consultant").

WHEREAS, on May 8, 2026, City issued a Request for Quote for the provision of preparing the annual fire assessment roll update, RFQ No.: BUD/260739 (the "Solicitation"); and

WHEREAS, one (1) firm responded to the Solicitation and, after consideration of the price and other evaluation factors set forth therein, Alfred Benesch & Company was determined to be a responsive and responsible respondent; and

WHEREAS, Consultant was chosen as the intended awardee to prepare the annual fire assessment roll update (the "Services"); and

WHEREAS, Consultant certifies that Consultant is qualified and possesses the required experience and licensure.

NOW THEREFORE, in consideration of the foregoing recitals, the following mutual covenants and conditions, and other good and valuable consideration, City and Consultant agree as follows:

1. **RECITALS**. City and Consultant hereby represent, warrant, and agree that the Recitals set forth above are true and correct and are incorporated herein by reference.

2. **CONTRACT DOCUMENTS**. The Contract Documents which comprise the entire understanding between City and Consultant shall only include this Agreement and those documents listed in this section as Exhibits to this Agreement. Each of these documents are incorporated herein by reference for all purposes. If there is a conflict between the terms of this Agreement and the Contract Documents, then the terms of this Agreement shall control, amend, and supersede any conflicting terms contained in the remaining Contract Documents.

   A. **Exhibits to Agreement**: The Exhibits to this Agreement are as follows:

      Exhibit A: Scope of Work (A-1 through A-2)

      Exhibit B: Fire Assessment Study (B-1 through B-37)

      Exhibit C: Final Roll 2026 Assessment (C-1)

      If there is a conflict between the individual Exhibits regarding the scope of work to be performed, then any identified inconsistency shall be resolved by giving precedence in the following order: (1) Exhibit A, then (2) Exhibit B, then (3) Exhibit C.

3. **SCOPE OF SERVICES.** Consultant shall perform its services consistent with the professional skill and care ordinarily provided by firms practicing in the same or similar locality under the same or similar circumstances (hereinafter the "Standard of Care"). Consultant shall provide all materials, labor, supervision, tools, accessories, equipment necessary for Consultant to perform its obligations under this Agreement as set forth in the attached **Exhibit A - Scope of Work**. The Scope of Work and/or pricing under this Agreement may only be adjusted by written amendment executed by both parties.

4. **COMPENSATION.** City shall pay Consultant an amount no greater than **TWENTY-ONE THOUSAND, NINE HUNDRED FIFTY-FIVE AND NO/100 DOLLARS ($21,955)** (the "Contract

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

Sum") over the contract term as full and complete compensation for the timely and satisfactory performance of services in accordance with frequency detailed in **Exhibit A – Scope of Work**.

A. **PRICE ADJUSTMENTS.** Prices offered shall remain Consultant for the initial contract term. Requests for price adjustments may be submitted, in writing, **no later than NINETY (90) DAYS** prior to the expiration of the prior term and must include proper CPI justification or other documentation supporting the adjustment. The City will review the submitted request for price adjustment and render a decision, in its sole discretion, as to whether it is in the best interest of the City to adjust the pricing on the awarded goods or services or reject the adjusted pricing and issue a competitive solicitation. In any event, price increases for renewal terms shall be subject to a maximum negotiated increase of **no more than THREE PERCENT (3%)** annually unless there are mitigating market conditions. The City is under no obligation to renew the contract for an additional term or to accept Vendor's proposed price increases. Vendor must receive written notification from the City confirming that the City has accepted the new prices prior to processing any orders at the new cost. Any orders issued by the City prior to formal approval of a price increase shall not be modified. Any payment of the adjusted price by City does not constitute acceptance of new pricing. Vendors are expected to pass along to the City any and all decreases in pricing on products and services or to keep pricing constant when market conditions warrant no such increases.

B. **Invoice Submission**. All invoices submitted by Consultant shall include the City Contract Number, an assigned Invoice Number, and an Invoice Date. Consultant will be given a coversheet for their invoice. This cover sheet must be filled out correctly and submitted with each invoice. Consultant shall invoice at least once a month. Consultant shall submit the original invoice through the responsible City Project Manager at: **City of Ocala Department of Budget**, Attn: **Tammi Haslam,** Address: **110 SE Watula Avenue, 3rd Floor, Ocala, Florida 34471**: E-Mail: thaslam@ocalafl.gov.

C. **Payment of Invoices by City**. The City Project Manager must review and approve all invoices prior to payment. City Project Manager's approval shall not be unreasonably withheld, conditioned, or delayed. Payments by City shall be made no later than the time periods established in section 218.735, Florida Statutes.

D. **Withholding of Payment**. City reserves the right to withhold, in whole or in part, payment for any and all work that: (i) has not been completed by Consultant; (ii) fails to meet the Standard of Care and has not been remedied or resolved in a manner satisfactory to the City Project Manager; or (iii) which fails to comply with any term, condition, or other requirement under this Agreement. Any payment withheld shall be released and remitted to Consultant within **THIRTY (30)** calendar days of the Consultant's remedy or resolution of the inadequacy or defect.

E. **Excess Funds**. If due to mistake or any other reason Consultant receives payment under this Agreement in excess of what is provided for by the Agreement, Consultant shall promptly notify City upon discovery of the receipt of the overpayment. Any overpayment shall be refunded to City within **THIRTY (30)** days of Consultant's receipt of the overpayment or must also include interest calculated from the date of the overpayment at the interest rate for judgments at the highest rate as allowed by law.

F. **Amounts Due to the City**. Consultant must be current and remain current in all obligations due to the City during the performance of services under this Agreement. Payments to Consultant may be offset by any delinquent amounts due to the City or fees and/or charges

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

owed to the City.

G. **Tax Exemption**. City is exempt from all federal excise and state sales taxes (State of Florida Consumer's Certification of Exemption 85-8012621655C-9). The City's Employer Identification Number is 59-60000392. Consultant shall not be exempted from paying sales tax to its suppliers for materials to fulfill contractual obligations with the City, nor will Consultant be authorized to use City's Tax Exemption Number for securing materials listed herein.

5. **TERM OF AGREEMENT**. This Agreement shall become effective and commence on **JUNE 1, 2026** and continue in effect for a term of **ONE (1) YEAR**, through and including **MAY 31, 2027** (the "Term"). This Agreement may be renewed for up to **ONE (1)** optional **ONE (1) YEAR** period by written consent between City and Consultant.

6. **FORCE MAJEURE**. Neither party shall be liable for delay, damage, or failure in the performance of any obligation under this Agreement if such delay, damage, or failure is due to causes beyond its reasonable control, including without limitation: fire, flood, strikes and labor disputes, acts of war, acts of nature, terrorism, civil unrest, pandemics, acts or delays in acting of the government of the United States or the several states, judicial orders, decrees or restrictions, or any other like reason which is beyond the control of the respective party ("Force Majeure"). The party affected by any event of force majeure shall use reasonable efforts to remedy, remove, or mitigate such event and the effects thereof with all reasonable dispatch.

   A. The party affected by force majeure shall provide the other party with full particulars thereof including, but not limited to, the nature, details, and expected duration thereof, as soon as it becomes aware.

   B. When force majeure circumstances arise, the parties shall negotiate in good faith any modifications of the terms of this Agreement that may be necessary or appropriate in order to arrive at an equitable solution. Consultant performance shall be extended for a number of days equal to the duration of the force majeure. Consultant shall be entitled to an extension of time only and, in no event, shall Consultant be entitled to any increased costs, additional compensation, or damages of any type resulting from such force majeure delays.

7. **INSPECTION AND ACCEPTANCE OF THE WORK**. Consultant shall report its progress to the City Project Manager as set forth herein. All services, work, and materials provided by Consultant under this Agreement shall be provided to the satisfaction and approval of the Project Manager.

   A. The Project Manager shall decide all questions regarding the quality, acceptability, and/or fitness of materials furnished, or workmanship performed, the rate of progress of the work, the interpretation of the plans and specifications, and the acceptable fulfillment of the Agreement, in his or her sole discretion, based upon both the requirements set forth by City and the information provided by Consultant in its Bid. The authority vested in the Project Manager pursuant to this paragraph shall be confined to the direction or specification of what is to be performed under this Agreement and shall not extend to the actual execution of the work.

   B. Neither the Project Manager's review of Consultant's work nor recommendations made by Project Manager pursuant to this Agreement will impose on Project Manager any responsibility to supervise, direct, or control Consultant's work in progress or for the means, methods, techniques, sequences, procedures or safety precautions or programs incident Consultant's furnishing and performing the work.

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

8. **TERMINATION AND DEFAULT**. Either party, upon determination that the other party has failed or refused to perform or is otherwise in breach of any obligation or provision under this Agreement or the Contract Document, may give written notice of default to the defaulting party in the manner specified for the giving of notices herein. Termination of this Agreement by either party for any reason shall have no effect upon the rights or duties accruing to the parties prior to termination.

   A. **Termination by City for Cause**. City shall have the right to terminate this Agreement immediately, in whole or in part, upon the failure of Consultant to carry out any obligation, term, or condition of this Agreement. City's election to terminate the Agreement for default shall be communicated by providing Consultant written notice of termination in the manner specified for the giving of notices herein. Any notice of termination given to Consultant by City shall be effective immediately, unless otherwise provided therein, upon the occurrence of any one or more of the following events:

      (1) Consultant fails to timely perform any of the services set forth in the specifications of the Agreement or Consultant's Services fail to meet the Standard of Care;

      (2) Consultant provides material that does not meet the specifications of the Agreement;

      (3) Consultant fails to complete the work required within the time stipulated in the Agreement; or

      (4) Consultant fails to make progress in the performance of the Agreement and/or gives City reason to believe that Consultant cannot or will not perform to the requirements of the Agreement.

   B. **Consultant's Opportunity to Cure Default**. City may, in its sole discretion, provide Consultant with an opportunity to cure the violations set forth in City's notice of default to Consultant. Consultant shall commence to cure the violations immediately and shall diligently and continuously prosecute such cure to completion within a reasonable time as determined by City. If the violations are not corrected within the time determined to be reasonable by City or to the reasonable satisfaction of City, City may, without further notice, declare Consultant to be in breach of this Agreement and pursue all remedies available at law or equity, to include termination of this Agreement without further notice.

   C. **City's Remedies Upon Consultant Default**. In the event that Consultant fails to cure any default under this Agreement within the time period specified in this section, City may pursue any remedies available at law or equity, including, without limitation, the following:

      (1) City shall be entitled to terminate this Agreement without further notice;

      (2) City shall be entitled to hire another Consultant to complete the required work in accordance with the needs of City;

      (3) City shall be entitled to recover from Consultant all actual damages, costs, and reasonable attorney's fees arising from Consultant's default prior to termination; and

      (4) City shall be entitled to recovery from Consultant any actual excess costs by: (i) deduction from any unpaid balances owed to Consultant; or (ii) any other remedy as provided by law.

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

D. **Termination for Non-Funding**. In the event that budgeted funds to finance this Agreement are reduced, terminated, or otherwise become unavailable, City may terminate this Agreement upon written notice to Consultant without penalty or expense to City. City shall be the final authority as to the availability of budgeted funds.

E. **Termination for Convenience**. City reserves the right to terminate this Agreement in whole or in part at any time for the convenience of City without penalty or recourse. The Project Manager shall provide written notice of the termination. Upon receipt of the notice, Consultant shall immediately discontinue all work as directed in the notice, notify all subcontractors of the effective date of the termination, and minimize all further costs to City including, but not limited to, the placing of any and all orders for materials, facilities, or supplies, in connection with its performance under this Agreement. Consultant shall be entitled to receive compensation solely for: (1) the actual cost of the work completed in conformity with this Agreement; and/or (2) such other costs incurred by Consultant as permitted under this Agreement and approved by City.

9. **DELAYS AND DAMAGES.** The Consultant agrees to make no claim for extra or additional costs attributable to any delays, inefficiencies, or interference in the performance of this contract occasioned by any act or omission to act by the City except as provided in the Agreement. The Consultant also agrees that any such delay, inefficiency, or interference shall be compensated for solely by an extension of time to complete the performance of the work in accordance with the provision in the standard specification.

10. **PERFORMANCE EVALUATION**. At the end of the contract, City may evaluate Consultant's performance. Any such evaluation will become public record.

11. **NOTICE REGARDING FAILURE TO FULFILL AGREEMENT**. Any Consultant who enters into an Agreement with the City of Ocala and fails to complete the contract term, for any reason, shall be subject to future bidding suspension for a period of **ONE (1)** year and bid debarment for a period of up to **THREE (3)** years for serious contract failures.

12. **CONSULTANT REPRESENTATIONS**. Consultant expressly represents that:

A. Consultant has read and is fully familiar with all of the terms and conditions of this Agreement, the Contract Documents, and other related data and acknowledges that they are sufficient in scope and detail to indicate and convey understanding of all terms and conditions of the work to be performed by Consultant under this Agreement.

B. Consultant has disclosed, in writing, all known conflicts, errors, inconsistencies, discrepancies, or omissions discovered by Consultant in the Contract Documents, and that the City's written resolution of same is acceptable to Consultant.

C. Consultant is familiar with all local, state, and Federal laws, regulations, and ordinances which may affect cost, progress, or its performance under this Agreement whatsoever.

D. **Public Entity Crimes.** Neither Consultant, its parent corporations, subsidiaries, members, shareholders, partners, officers, directors, or executives, nor any of its affiliates, Consultants, suppliers, subcontractors, or consultants under this Agreement have been placed on the convicted vendor list following a conviction of a public entity crime. Consultant understands that a "public entity crime" as defined in section 287.133(1)(g), Florida Statutes, is "a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

or with the United States…" Consultant further understands that any person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime: (1) may not submit a bid, proposal, or reply on a contract: (a) to provide any goods or services to a public entity; (b) for the construction or repair of a public building or public work; or (c) for leases of real property to a public entity; (2) may not be awarded or perform work as a Consultant, supplier, subcontractor, or consultant under a contract with any public entity; and (3) may not transact business with any public entity in excess of the threshold amount provided in section 287.017, Florida Statutes, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

13. **CONSULTANT RESPONSIBILITIES**. Except as otherwise specifically provided for in this Agreement, the following provisions are the responsibility of the Consultant:

    A. Consultant shall competently and efficiently supervise, inspect, and direct all work to be performed under this Agreement, devoting such attention thereto and applying such skills and expertise as may be necessary to perform the work in accordance with the Contract Documents.

    B. Consultant shall be solely responsible for the means, methods, techniques, sequences, or procedures and safety precautions or programs incident thereto.

    C. Consultant shall be responsible to see that the finished work complies accurately with the contract and the intent thereof.

    D. Consultant shall comply with all applicable and non-conflicting local, state, and Federal laws, regulations, and ordinances, in effect on the effective date of this Agreement, which may affect cost, progress, or its performance under this Agreement, and be responsible for all costs associated with same. If any discrepancy or inconsistency should be discovered between the specifications established for the Services and any law, regulation, ordinance, order or decree applicable to the Services, Consultant will immediately report such discrepancy or inconsistency to the City and will conform its work to any orders or instructions issued by the City.

    E. Consultant shall continue its performance under this Agreement during the pendency of any dispute or disagreement arising out of or relating to this Agreement, provided the City continues to pay Consultant for Services not in dispute, except as Consultant and City may otherwise agree in writing.

14. **NO EXCLUSIVITY**. It is expressly understood and agreed by the parties that this is not an exclusive agreement. Nothing in this Agreement shall be construed as creating any exclusive arrangement with Consultant or as prohibit City from either acquiring similar, equal, or like goods and/or services or from executing additional contracts with other entities or sources.

15. **RESPONSIBILITIES OF CITY.** City or its Representative shall issue all communications to Consultant. City has the authority to request changes in the work in accordance with the terms of this Agreement and with the terms in **Exhibit A.** City has the authority to stop work or to suspend any work.

16. **COMMERCIAL AUTO LIABILITY INSURANCE.** Consultant shall procure, maintain, and keep in full force, effect, and good standing for the life of this Agreement a policy of commercial auto liability insurance with a minimum combined single limit of One Million Dollars ($1,000,000) per occurrence for bodily injury and property damage arising out of Consultant's operations and

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

covering all owned, hired, scheduled, and non-owned automobiles utilized in said operations. If Consultant does not own vehicles, Consultant shall maintain coverage for hired and non-owned automobile liability, which may be satisfied by way of endorsement to Consultant's Commercial General Liability policy or separate Commercial Automobile Liability policy.

17. **GENERAL LIABILITY INSURANCE.** Consultant shall procure and maintain, for the life of this Agreement, commercial general liability insurance with minimum coverage limits not less than:

    A. One Million Dollars ($1,000,000) per occurrence and Two Million Dollars ($2,000,000) aggregate limit for bodily injury, property damage, and personal and advertising injury; and

    B. One Million Dollars ($1,000,000) per occurrence and Two Million Dollars ($2,000,000) aggregate limit for products and completed operations.

    C. Policy must include coverage for contractual liability and independent Consultants.

    D. The City, a Florida municipal corporation, and its officials, employees, and volunteers are to be covered as additional insureds with a CG 20 26 04 13 Additional Insured – Designated Person or Organization Endorsement or similar endorsement providing equal or broader Additional Insured Coverage with respect to liabilities arising out of activities performed by or on behalf of Consultant. This coverage shall contain no special limitation on the scope of protection to be afforded to the City, its officials, employees, and volunteers.

18. **PROFESSIONAL LIABILITY AND OMISSIONS.** Consultant shall procure and maintain, for a period of not less than **FIVE (5) YEARS** from the date of acceptance of the work by the City, a policy of professional liability/error and omissions insurance in an amount not less than One Million Dollars ($1,000,000) per claim and aggregate.

19. **WORKERS' COMPENSATION AND EMPLOYER'S LIABILITY.** Consultant shall procure, maintain, and keep in full force, effect, and good standing for the life of this Agreement adequate workers' compensation and employer's liability insurance covering all of its employees in at least such amounts as required by Chapter 440, Florida Statutes, and all other state and federal workers' compensation laws, including the U.S. Longshore Harbor Workers' Act and the Jones Act, if applicable. Consultant shall similarly require any and all of its subcontractors to afford such coverage for all of its employees as required by applicable law. Consultant shall waive and shall ensure that Consultant's insurance carrier waives, all subrogation rights against the City of Ocala and its officers, employees, and volunteers for all losses or damages. Consultant's policy shall be endorsed with WC 00 03 13 Waiver of our Right to Recover from Others or its equivalent. **Exceptions and exemptions to this Section may be allowed at the discretion of the City's Risk Manager on a case-by-case basis in accordance with Florida Statutes and shall be evidenced by a separate waiver**.

20. **MISCELLANEOUS INSURANCE PROVISIONS.**

    A. Consultant's insurance coverage shall be primary insurance for all applicable policies. The limits of coverage under each policy maintained by Consultant shall not be interpreted as limiting Consultant's liability or obligations under this Agreement. City does not in any way represent that these types or amounts of insurance are sufficient or adequate enough to protect Consultant's interests or liabilities or to protect Consultant from claims that may arise out of or result from the negligent acts, errors, or omissions of Consultant, any of its agents or subcontractors, or for anyone whose negligent act(s) Consultant may be legally liable.

    B. No insurance shall be provided by the City for Consultant under this Agreement and

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

Consultant shall be fully and solely responsible for any costs or expenses incurred as a result of a coverage deductible, co-insurance penalty, or self-insured retention to include any loss not covered because of the operation of such deductible, co-insurance penalty, self-insured retention, or coverage exclusion or limitation.

C. Certificates of Insurance. No work shall be commenced by Consultant under this Agreement until the required Certificate of Insurance and endorsements have been provided nor shall Consultant allow any subcontractor to commence work until all similarly required certificates and endorsements of the subcontractor have also been provided. Work shall not continue after expiration (or cancellation) of the Certificate of Insurance and work shall not resume until a new Certificate of Insurance has been provided. **Consultant shall provide evidence of insurance in the form of a valid Certificate of Insurance (binders are unacceptable) prior to the start of work contemplated under this Agreement to: City of Ocala. Attention: Procurement & Contracting Department, Address: 110 SE Watula Avenue, Third Floor, Ocala Florida 34471, E-Mail: vendors@ocalafl.gov.** Consultant's Certificate of Insurance and required endorsements shall be issued by an agency authorized to do business in the State of Florida with an A.M. Best Rating of A or better. The Certificate of Insurance shall indicate whether coverage is being provided under a claims-made or occurrence form. If any coverage is provided on a claims-made form, the Certificate of Insurance must show a retroactive date, which shall be the effective date of the initial contract or prior. Insurance written on a "Claims Made" form is not acceptable without consultation with City of Ocala Risk Management, except for the Professional Liability policy.

D. City as Additional Insured. The City of Ocala shall be included as an Additional Insured and Certificate Holder on all liability policies identified in this Section with the exception of Workers' Compensation and Professional Liability policies.

E. Notice of Cancellation of Insurance. Consultant's Certificate of Insurance shall provide **THIRTY (30) DAY** notice of cancellation, **TEN (10) DAY** notice if cancellation is for non-payment of premium. In the event that Consultant's insurer is unable to accommodate the cancellation notice requirement, it shall be the responsibility of Consultant to provide the proper notice. Such notification shall be in writing by registered mail, return receipt requested, and addressed to the certificate holder. Additional copies may be sent to the City of Ocala at vendors@ocalafl.gov.

A. Failure to Maintain Required Coverage. The insurance policies and coverages set forth above are required and providing proof of and maintaining insurance of the types and with such terms and limits set forth above is a material obligation of Consultant. Consultant's failure to obtain or maintain in full force and effect any insurance coverage required under this Agreement shall constitute material breach of this Agreement.

F. Severability of Interests. Consultant shall arrange for its liability insurance to include or be endorsed to include a severability of interests/cross-liability provision so that the "City of Ocala" (where included as an additional insured) will be treated as if a separate policy were in existence, but without increasing the policy limits.

21. **NON-DISCRIMINATORY EMPLOYMENT PRACTICES**. During the performance of the contract, the Consultant shall not discriminate against any employee or applicant for employment because of race, color, religion, ancestry, national origin, sex, pregnancy, age, disability, sexual orientation, gender identity, marital or domestic partner status, familial status, or veteran status and shall take affirmative action to ensure that an employee or applicant is afforded equal employment

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

opportunities without discrimination. Such action shall be taken with reference to, but not limited to: recruitment, employment, termination, rates of pay or other forms of compensation and selection for training or retraining, including apprenticeship and on-the-job training.

22. **SUBCONTRACTORS.** Nothing in this Agreement shall be construed to create, impose, or give rise to any duty owed by City or its representatives to any subcontractor of Consultant or any other persons or organizations having a direct contract with Consultant, nor shall it create any obligation on the part of City or its representatives to pay or seek payment of any monies to any subcontractor of Consultant or any other persons or organizations having a direct contract with Consultant, except as may otherwise be required by law. City shall not be responsible for the acts or omissions of any Consultant, subcontractor, or of any of their agents or employees. nor shall it create any obligation on the part of City or its representatives to pay or to seek the payment of any monies to any subcontractor or other person or organization, except as may otherwise be required by law.

23. **INDEPENDENT CONSULTANT STATUS.** Consultant acknowledges and agrees that under this Agreement, Consultant and any agent or employee of Consultant shall be deemed at all times to be an independent Consultant and shall be wholly responsible for the manner in which it performs the services and work required under this Agreement. Neither Consultant nor its agents or employees shall represent or hold themselves out to be employees of City at any time. Neither Consultant nor its agents or employees shall have employee status with City. Nothing in this Agreement shall constitute or be construed to create any intent on the part of either party to create an agency relationship, partnership, employer-employee relationship, joint venture relationship, or any other relationship which would allow City to exercise control or discretion over the manner or methods employed by Consultant in its performance of its obligations under this Agreement.

24. **ASSIGNMENT.** Neither party may assign its rights or obligations under this Agreement to any third party without the prior express approval of the other party, which shall not be unreasonably withheld.

25. **PUBLIC RECORDS.** Consultant shall comply with all applicable provisions of the Florida Public Records Act, Chapter 119, Florida Statutes. Specifically, Consultant shall:

    A. Keep and maintain public records required by the public agency to perform the service.

    B. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.

    C. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if Consultant does not transfer the records to the public agency.

    D. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of Consultant or keep and maintain public records required by the public agency to perform the service. If Consultant transfers all public records to the public agency upon completion of the contract, Consultant shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Consultant keeps and maintains public records upon completion of the contract, Consultant

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

IF CONSULTANT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO CONSULTANT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: CITY OF OCALA, OFFICE OF THE CITY CLERK; 352-629-8266; E-mail: clerk@ocalafl.gov; City Hall, 110 SE Watula Avenue, Ocala, FL 34471.

26. **AUDIT.** Consultant shall comply and cooperate immediately with any inspections, reviews, investigations, or audits relating to this Agreement as deemed necessary by the Florida Office of the Inspector General, the City's Internal or External auditors or by any other Florida official with proper authority.

27. **PUBLICITY.** Consultant shall not use City's name, logo, seal or other likeness in any press release, marketing materials, or other public announcement without City's prior written approval. Notwithstanding the foregoing, upon completion of the project Consultant shall have the right to accurately represent their role, contractual relationship, and work performed under this Agreement in client proposals for the purposes of establishing work experience.

28. **E-VERIFY.** Pursuant to section 448.095, Vendor shall register with and use the U.S. Department of Homeland Security's ("DHS") E-Verify System, accessible at https://e-verify.uscis.gov/emp, to verify the work authorization status of all newly hired employees. Vendor shall obtain affidavits from any and all subcontractors in accordance with paragraph 2(b) of section 448.095, Florida Statutes, and maintain copies of such affidavits for the duration of this Agreement. By entering into this Agreement, Vendor certifies and ensures that it utilizes and will continue to utilize the DHS E-Verify System for the duration of this Agreement and any subsequent renewals of same. Vendor understands that failure to comply with the requirements of this section shall result in the termination of this Agreement and Vendor may lose the ability to be awarded a public contract for a minimum of one (1) year after the date on which the Agreement was terminated. Vendor shall provide a copy of its DHS Memorandum of Understanding upon City's request. Please visit www.e-verify.gov for more information regarding the E-Verify System.

29. **CONFLICT OF INTEREST.** Consultant is required to have disclosed, with the submission of their bid, the name of any officer, director, or agent who may be employed by the City. Consultant shall further disclose the name of any City employee who owns, directly or indirectly, any interest in Consultant's business or any affiliated business entity. Any additional conflicts of interest that may occur during the contract term must be disclosed to the City of Ocala Procurement Department.

30. **WAIVER.** The failure or delay of any party at any time to require performance by another party of any provision of this Agreement, even if known, shall not affect the right of such party to require performance of that provision or to exercise any right, power, or remedy hereunder. Any waiver by any party of any breach of any provision of this Agreement should not be construed as a waiver of any continuing or succeeding breach of such provision, a waiver of the provision itself, or a waiver of any right, power, or remedy under this Agreement. No notice to or demand

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

on any party in any circumstance shall, of itself, entitle such party to any other or further notice or demand in similar or other circumstances.

31. **SEVERABILITY OF ILLEGAL PROVISIONS.** Wherever possible, each provision of this Agreement shall be interpreted in such a manner as to be effective and valid under the applicable law. Should any portion of this Agreement be declared invalid for any reason, such declaration shall have no effect upon the remaining portions of this Agreement.

32. **INDEMNITY.** Consultant shall indemnify and hold harmless City and its elected officials, employees and volunteers against and from all damages, claims, losses, costs, and expenses, including reasonable attorneys' fees, which City or its elected officials, employees or volunteers may sustain, or which may be asserted against City or its elected officials, employees or volunteers, to the extent caused by the negligence, recklessness or intentional wrongful misconduct of Consultant or its employees in performance of its Services under this Agreement.

33. **NO WAIVER OF SOVEREIGN IMMUNITY.** Nothing herein is intended to waive sovereign immunity by the City to which sovereign immunity may be applicable, or of any rights or limits of liability existing under Florida Statute § 768.28. This term shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until any proceeding brought under this Agreement is barred by any applicable statute of limitations.

34. **NOTICES.** All notices, certifications or communications required by this Agreement shall be given in writing and shall be deemed delivered when personally served, or when received if by facsimile transmission with a confirming copy mailed by registered or certified mail, postage prepaid, return receipt requested. Notices can be concurrently delivered by e-mail. All notices shall be addressed to the respective parties as follows:

If to Consultant:	Alfred Benesch & Company Attention: Faith Lake 1000 North Ashley Drive Tampa, Florida 33602 Phone: 703-598-3250 E-mail: flake@benesch.com
If to City of Ocala:	Patricia Lewis, Interim Director City of Ocala 110 SE Watula Avenue, 3rd Floor Ocala, Florida 34471 Phone: 352-629-8343 E-mail: notices@ocalafl.gov
Copy to:	William E. Sexton, Esq., City Attorney City of Ocala 110 SE Watula Avenue, 3rd Floor Ocala, Florida 34471 Phone: 352-401-3972 E-mail: cityattorney@ocalafl.gov

35. **ATTORNEYS' FEES.** If any civil action, arbitration or other legal proceeding is brought for the enforcement of this Agreement, or because of an alleged dispute, breach, default or misrepresentation in connection with any provision of this Agreement, the successful or

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

prevailing party shall be entitled to recover reasonable attorneys' fees, sales and use taxes, court costs and all expenses reasonably incurred even if not taxable as court costs (including, without limitation, all such fees, taxes, costs and expenses incident to arbitration, appellate, bankruptcy and post-judgment proceedings), incurred in that civil action, arbitration or legal proceeding, in addition to any other relief to which such party or parties may be entitled. Attorneys' fees shall include, without limitation, paralegal fees, investigative fees, administrative costs, sales and use taxes and all other charges reasonably billed by the attorney to the prevailing party. For purposes of this Agreement, the Prevailing party is the party who recovers at least 75% of its total claims in the action or who is required to pay no more than 25% of the other party's total claims in the action when considered in the totality of claims and counterclaims, if any. In claims for money damages, the total amount of recoverable attorney's fees and costs shall not exceed the net monetary award of the prevailing party.

36. **JURY WAIVER.** IN ANY CIVIL ACTION, COUNTERCLAIM, OR PROCEEDING, WHETHER AT LAW OR IN EQUITY, WHICH ARISES OUT OF, CONCERNS, OR RELATES TO THIS AGREEMENT, ANY AND ALL TRANSACTIONS CONTEMPLATED HEREUNDER, THE PERFORMANCE HEREOF, OR THE RELATIONSHIP CREATED HEREBY, WHETHER SOUNDING IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE, TRIAL SHALL BE TO A COURT OF COMPETENT JURISDICTION AND NOT TO A JURY. EACH PARTY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY. NEITHER PARTY HAS MADE OR RELIED UPON ANY ORAL REPRESENTATIONS TO OR BY ANY OTHER PARTY REGARDING THE ENFORCEABILITY OF THIS PROVISION. EACH PARTY HAS READ AND UNDERSTANDS THE EFFECT OF THIS JURY WAIVER PROVISION.

37. **GOVERNING LAW.** This Agreement is and shall be deemed to be a contract entered and made pursuant to the laws of the State of Florida and shall in all respects be governed, construed, applied and enforced in accordance with the laws of the State of Florida.

38. **JURISDICTION AND VENUE.** The parties acknowledge that a majority of the negotiations, anticipated performance and execution of this Agreement occurred or shall occur in Marion County, Florida. Any civil action or legal proceeding arising out of or relating to this Agreement shall be brought only in the courts of record of the State of Florida in Marion County or the United States District Court, Middle District of Florida, Ocala Division. Each party consents to the exclusive jurisdiction of such court in any such civil action or legal proceeding and waives any objection to the laying of venue of any such civil action or legal proceeding in such court and/or the right to bring an action or proceeding in any other court. Service of any court paper may be effected on such party by mail, as provided in this Agreement, or in such other manner as may be provided under applicable laws, rules of procedures or local rules.

39. **REFERENCE TO PARTIES.** Each reference herein to the parties shall be deemed to include their successors, assigns, heirs, administrators, and legal representatives, all whom shall be bound by the provisions hereof.

40. **MUTUALITY OF NEGOTIATION.** Consultant and City acknowledge that this Agreement is a result of negotiations between Consultant and City, and the Agreement shall not be construed in favor of, or against, either party because of that party having been more involved in the drafting of the Agreement.

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

41. **SECTION HEADINGS.** The section headings herein are included for convenience only and shall not be deemed to be a part of this Agreement.

42. **RIGHTS OF THIRD PARTIES.** Nothing in this Agreement, whether express or implied, is intended to confer any rights or remedies under or because of this Agreement on any persons other than the parties hereto and their respective legal representatives, successors and permitted assigns. Nothing in this Agreement is intended to relieve or discharge the obligation or liability of any third persons to any party to this Agreement, nor shall any provision give any third persons any right of subrogation or action over or against any party to this Agreement.

43. **AMENDMENT.** No amendment to this Agreement shall be effective except those agreed to in writing and signed by both parties to this Agreement.

44. **COUNTERPARTS.** This Agreement may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument.

45. **ELECTRONIC SIGNATURE(S).** Consultant, if and by offering an electronic signature in any form whatsoever, will accept and agree to be bound by said electronic signature to all terms and conditions of this Agreement. Further, a duplicate or copy of the Agreement that contains a duplicated or non-original signature will be treated the same as an original, signed copy of this original Agreement for all purposes.

46. **ENTIRE AGREEMENT.** This Agreement, including exhibits, (if any) constitutes the entire Agreement between the parties hereto with respect to the subject matter hereof. There are no other representations, warranties, promises, agreements, or understandings, oral, written or implied, among the Parties, except to the extent reference is made thereto in this Agreement. No course of prior dealings between the parties and no usage of trade shall be relevant or admissible to supplement, explain, or vary any of the terms of this Agreement. No representations, understandings, or agreements have been made or relied upon in the making of this Agreement other than those specifically set forth herein.

47. **LEGAL AUTHORITY**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK. SIGNATURE PAGE TO FOLLOW.]

IN WITNESS WHEREOF, the parties have executed this Agreement on 6/9/2026.

BACKGROUND

1. Consultant shall prepare the annual fire assessment roll update for Fiscal Year 2026–27. These services will also be required for Fiscal Year 2027–28. Consultant shall provide all labor, services, and related resources necessary to perform the work in full compliance with the Scope of Work and specifications set forth herein.
2. The City of Ocala, located in Marion County, Florida, has an estimated population of 65,000 residents and covers approximately 47.2 square miles. The City offers a small-town environment within a growing metropolitan area and is conveniently accessible via Highway 40 and Interstate 75.
3. In January 2021, the City adopted a non-ad valorem fire assessment. The first year of the assessment was billed directly by the City of Ocala, with subsequent years included in tax bills issued by the Marion County Tax Collector. The City anticipates reimposing the non-ad valorem fire assessment for the fiscal year beginning October 1, 2026. Annual coordination with the Marion County Property Appraiser and the Marion County Tax Collector is required pursuant to the Uniform Collection Act (Florida Statutes 197.3632).

PROJECT SUMMARY AND DELIVERABLES

1. **Project Summary:** The Consultant shall be required to perform the following services for the City of Ocala:
   - Update property data portions of the fire assessment roll based on the updated Marion County Property Appraiser (MCPA) database released in June/July of 2026.
   - Coordinate with MCPA regarding any questions on the revisions and/or new classifications.
   - Identify parcels that have experienced a change in their classifications.
   - Update the fire assessment roll and submit the updated roll to the Marion County Tax Collector on or before September 15, 2026.
   - Incorporate any additional changes sent by MCPA in October of 2026.
   - Coordinate with the City Project Manager to discuss results or respond to questions on the roll data via virtual meetings, e-mails, or phone calls.
2. **Important Dates:**

   TRIM Data
   - Friday, July 31, 2026, 5:00 P.M: TRIM Notice Non-Ad Valorem Data Cut-off.
   - Saturday, August 1, 2026, by Noon: MCPA provides TRIM data to the City of Ocala or its designee.
   - Tuesday, August 4, 2026, by Noon: City of Ocala returns TRIM data to MCPA.

   TRIM Notices
   - Thursday, August 20, 2026: Tentative mailing date.

   Final Roll (Tax Notices)
   - Friday, October 2, 2026, 5:00 P.M.: Final Roll Cut-off.
   - Saturday, October 3, 2026, by Noon: MCPA provides final roll data to the City of Ocala or its

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

designee.

- Tuesday, October 6, 2026, by Noon: City of Ocala returns final roll data to MCPA

3. **Deliverables:** The Consultant shall provide monthly reports of all work in progress. Deliverables must be provided to the City of Ocala Project Manager before payment for such work.

CONSULTANT EMPLOYEES AND EQUIPMENT

1. Consultant shall utilize competent employees in performing the work. Employees performing the work must be properly licensed or qualified as required by the scope/project.
2. The Consultant shall provide an assigned Project Manager, who will be the primary point of contact. Consultant shall provide a valid telephone number and address at all times to the City Project Manager. The telephone must be answered during normal working hours or voicemail must be available to take a message.
3. At the request of the City, the Consultant shall replace any incompetent, unfaithful, abusive, or disorderly person in their employment. City and Consultant shall each be promptly notified by the other of any complaints received.
4. Consultant will operate as an independent consultant and not as an agent, representative, partner or employee of the City of Ocala, and shall control their operations at the work site, and be solely responsible for the acts or omissions of their employees.

CITY OF OCALA RESPONSIBILITIES

City shall furnish the following services/data to Consultant for the performance of services:

A. Access to City buildings and facilities to perform the work.

B. Provide access to drawings, specifications, schedules, reports, and other information prepared by/for the City pertinent to the Consultant's responsibilities.

C. Provide office facilities for the Consultant, if needed.

CONSULTANT RESPONSIBILITIES

1. Consultant shall complete all work required under this Scope of Work in accordance with policies and procedures of the City and all applicable State and Federal laws, policies, procedures, and guidelines.
2. Consultant shall obtain and pay for any licenses, additional equipment, etc., required to fulfill this contract.
3. Data collected by Consultant shall be in a format compatible with or easily converted to City's databases. A sequential naming convention should be applied to the files and documentation provided to the City.
4. Consultant shall ensure that all documents prepared under this contract have been prepared on a Windows-based operating system computer using the most current version of Microsoft Office, which includes: Word, Excel, Power Point, Access or any other software as specified and approved by City staff.

SUB-CONTRACTORS

1. Consultant must perform 100% of the work with their own forces.

I. Introduction

The City of Ocala implemented a fire assessment program in early 2021, which was further refined in late 2021 to incorporate additional residential and non-residential land use categories. The study was updated in 2022. To reflect the most recent budget, incident data, and property unit data, the City retained Benesch in association with Susan Schoettle-Gumm, PLLC to prepare a fire assessment update study. A fire assessment is an annual charge applied to each property in the City that typically is collected through the property owners' tax bill under Florida's Uniform Assessment Collection Act. This document provides an explanation of the methodology used to calculate the fire assessment rates and the findings of the fire assessment study.

Fire Departments' primary function/goal is to respond to fire and medical incidents within a criticial time frame to save lives and structures. Availability of this service on a 24-hour basis for seven (7) days a week along with the appropriate use of these resources is critical for the entire community during incidents by saving lives and protecting property, and through reductions in insurance premiums and increased property values.

Fire rescue services in Ocala are provided by the City of Ocala Fire Rescue Department. This study includes the Fire Department's budget associated with providing fire rescue and medical service with the exception of advanced life support (ALS) services. As discussed further in the Legal Requirements section of this report, fire assessments may not include costs related to non-traditional fire department services such as ALS. The portion of the Fire Rescue Department's budget associated with ALS services is excluded from the calculation of the Fire Assessment rates developed in this report.

Consistent with the current adopted methodology, this study uses a methodology that combines benefits received from the availability of the Fire Department with use of its resources, including equipment and personnel, for non-ALS incidents to determine the relative special benefit received by and allocate costs to each assessable property.

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

II. Service Delivery, Methodology and Legal Requirements

The City of Ocala Fire Rescue Department (OFR) provides fire rescue services throughout the city from seven fire stations, including:

- Fire Station No. 1 – 505 NW MLK Jr. Avenue;
- Fire Station No. 2 – 2701 SE 36th Avenue;
- Fire Station No. 3 – 320 NE 8th Avenue;
- Fire Station No. 4 – 3300 SW 20th Street;
- Fire Station No. 5 – 2340 NE 25th Avenue;
- Fire Station No. 6 – 5220 SW 50th Court; and
- Fire Station No. 7 – 885 SE 31st Street.

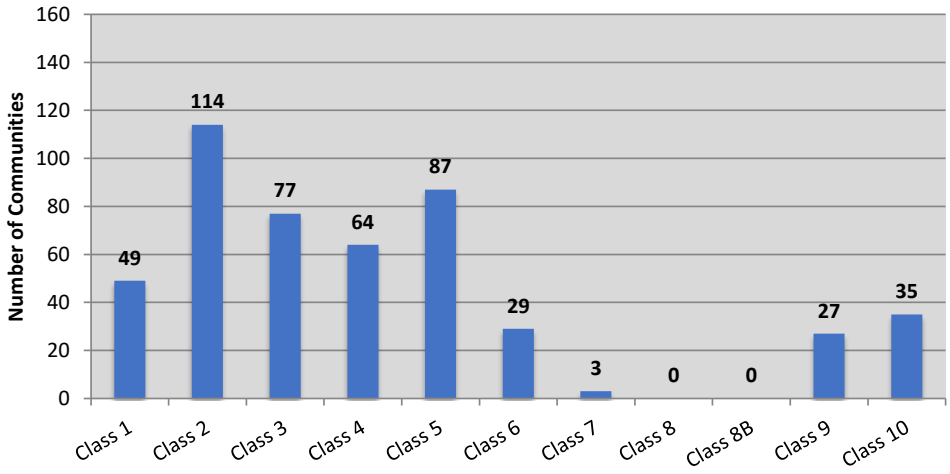
As mentioned previously, the study methodology has two components:

- Benefit received from the availability of the Fire Department on a 24-hour, 7 days a week basis, and
- Benefit received from the actual response to events.

Benefit from the Availability of the Fire Department

The availability of the Fire Department's services benefits properties in terms of insurance premium reductions as well as an increase in property values even if services of the Fire Department are never directly utilized by an individual property.

Measurement of a community's fire protection services is provided through the Insurance Services Office (ISO), which collects information on municipal fire protection efforts throughout the United States. Ratings by the ISO are accepted by the insurance industry and by fire departments nationwide as the industry standard for measuring a fire department's capacity and ability to suppress fire incidents. For each community, ISO analyzes relevant data using its Fire Suppression Rating Schedule (FSRS). The three primary areas of data analyzed include 1) fire department fire alarm and communications system, 2) fire department staff and equipment, and 3) water supply system available to the fire department. In turn, the FSRS is used to assign a Public Protection Classification (PPC) from 1 to 10 (commonly referred to as a fire department's "ISO Rating"). An ISO Rating of Class 1 represents excellent public protection, while an ISO Rating of Class 10 indicates that the community's fire-suppression program does not meet ISO's minimum criteria. Participation in the ISO program aims primarily to provide a community with



Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

an objective and standard rating system used nationwide that assists fire departments in planning and budgeting for facilities, equipment, and training. In addition, ISO ratings are used by many insurance companies to establish appropriate fire insurance premiums for residential and commercial properties within that community, thus providing a financial incentive for communities that choose to improve their fire protection services. This reduction in insurance premiums for structures and property is a special benefit to property supporting the fire assessments presented in this study.

Studies conducted on the impact of ISO ratings on insurance premiums documented that an improvement from Class 10 to Class 7 reduced insurance premiums 30 percent to 40 percent for residential properties. An improvement from Class 10 to Class 6 or better resulted in insurance premium reductions of 15 percent to 20 percent for office buildings.

The current ISO rating in Ocala is Class 2/2X. Class 1 and 2 ratings are achieved by approximately 35 percent of the communities in Florida. **Figure 1** presents the distribution of ISO Ratings for Florida communities.

Figure 1
Distribution of ISO Ratings for Florida Communities

Benefit from the Active Use of The Fire Department's Services

Approximately 76 percent of the incidents responded by OFR are medical in nature and 24 percent are fire related. As mentioned previously, this study examines the use of total available resources in responding to these incidents to allocate a portion of the costs to assessed properties. The Department has the capabilities to respond to fire incidents at any of the buildings in the city regardless of size.

Legal Requirements

There is a substantial body of case law in Florida upholding the authority of local governments to impose special assessments for fire rescue services. See, for example, Fire Dist. No. 1 of Polk County v. Jenkins, 221 So.2d 740 (Fla. 1969); Lake County v. Water Oak Management Corp., 695 So. 2d 667 (Fla. 1997), City of North Lauderdale v. SMM Properties, Inc., 825 So.2d 343 (Fla. 2002), Desiderio Corp. v. City of Boynton Beach, 39 So.3d 487 (4th DCA 2010). The authority of local governments to adopt and impose special assessments for fire rescue services and to develop fair and reasonable assessment apportionment methodologies was recently reaffirmed and unanimously upheld by the Florida Supreme Court in Morris vs. City of Cape Coral, 163 So.3d 1174 (Fla. 2015). This case upheld the City of Cape Coral's fire assessment program that recognized insurance savings, reduction in financial liability, and enhanced property values were among the special benefits to property received from the Fire Department's services. This case also approved the availability-based benefit approach that is being incorporated into this study.

Under Florida case law, the services or improvements funded by the assessment must have a logical relationship with and provide "special benefit" to property, and the assessment methodology must apportion the costs in a fair and reasonable manner. A local government's legislative determination of special benefit and fair apportionment should be upheld by a court unless the determination is arbitrary and not supported by competent, substantial evidence. Sarasota County v. Sarasota Church of Christ, Inc., 667 So.2d 180, 183 (Fla. 1995) (citing City of Boca Raton v. State, 595 So.2d 25, 30 (Fla. 1992). In City of North Lauderdale v. SMM Properties, Inc., 825 So.2d 343 (Fla. 2002), the Florida Supreme Court reaffirmed that traditional fire protection services such as fire suppression, fire prevention, fire/building inspections and first response medical services (BLS) provide special benefit to property but held that advance life support (ALS) and medical transport do not have a logical relationship to property. The City of North Lauderdale decision limits a fire assessment to that portion of the fire department budget that relates to traditional fire services, including first responder services. The use of historical demand for fire protection services, by reviewing calls for service, was upheld as a reasonable

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

and fair basis for apportioning fire protection costs to assessed properties in the City of North Lauderdale case. In Desiderio Corporation, et al. v City of Boynton Beach, et al., 39 So.3d 487 (Fla. 4th DCA 2010), a method of allocating budget costs between fire rescue costs and ALS costs was approved as a fair and reasonable way to identify and remove ALS costs from the calculation of a fire rescue assessment.

The fire assessment methodology contained in this report is consistent with Florida case law and uses a combination of availability-based and resource utilization-based approaches. The calculations exclude the portion of OFR's fire budget and incidents associated with non-traditional emergency medical services, such as ALS, through a budget analysis, and allocates costs to assessed properties based on historical calls for service to quantify relative demand for and benefit from fire services by different land uses and properties.

Special Benefit and Fair Allocation Analysis

Fire services, facilities and programs provided by the City provide special benefit to assessed properties and have a logical relationship to the use, value, and enjoyment of such improved property. There are availability, or standing watch, benefits that come from the 24-hour, 7 days a week availability of fire service and first responder services as well as the more direct benefits from the responses to incidents by the Fire Department. Benefits include protecting the value and integrity of improvements and structures, protecting the life and safety of intended occupants in the use and enjoyment of property, lowering the cost of fire insurance by the presence of professional and comprehensive fire services within the city, and containing fire incidents with the potential to spread and endanger other property.

As detailed later in this report, the Fire Rescue Department budget has been analyzed by cost categories to exclude costs related to providing ALS and to include in the assessable costs only costs reasonably related to the provision of traditional fire services, including for example, fire suppression, fire prevention, fire/building inspections and first response medical services (BLS). The assessable costs were then allocated to land uses based on a combination of availability of the service and historical usage of fire services by the land use types. The analysis includes multi-year records of calls for service and the total department resources used in responding to the incidents to obtain a larger sample size and more stable resource distribution.

The costs allocated to the Residential Land Use, which includes single family, multi-family, and mobile home categories, are distributed on a per dwelling unit basis for several square footage tiers for development in the city. The number and size of dwelling units on an assessed property

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

is obtained from the property database maintained by the Property Appraiser in the normal course of performing his or her constitutional responsibilities. The fire assessment for any residential parcel is determined by the number of dwelling units multiplied by the applicable residential dwelling unit rate for each residential category as determined based on the type of residential development and the size of the dwelling unit(s).

The costs allocated to the Non-Residential Land Uses are distributed based on square footage tiers for four different categories (commercial, industrial, institutional and government). Square footage data for non-residential structures on assessed property is obtained primarily from the property database maintained by the Property Appraiser in the normal course of performing his or her constitutional responsibilities with some additional data provided by the City from on-site inspections of structures. The use of square footage tiers for Non-Residential property is fair and reasonable because the demand for fire services is not precisely determined by the actual square footage of a structure and the application of square footage tiers to Non-Residential structures is a fair and reasonable method to apportion costs among benefitted buildings that create similar demand for fire services.

Finally, a separate rate is calculated for vacant developable property based on resource utilization, adjusted to reflect lesser benefit received by vacant properties compared to the property with structures and people. The resulting share of the budget is divided by the number of vacant parcels to calculate the assessment rate.

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

III. Calculation of Fire Assessment Rates

There are several components in determining the fire assessment rate schedule:

- Assessment factor
- Fire assessment funding requirement
- Incident data distribution by land use
- Fire assessment cost allocation
- Land use data
- Calculated assessment schedule

These components are discussed in further detail below, resulting in the calculated fire assessment rate schedule for the City of Ocala.

Assessment Factor

≈81% of the Fire Department's resources are used for non-ALS incidents.

The first component in calculating the City's fire assessment rates is to determine the assessment factor, which includes analysis of total department resources used in responding to incidents as well as the number of incidents. This assessment factor is used to identify assessable costs in the Fire Department budget by excluding costs related to ALS when a cost category represents a mix of assessable and non-assessable costs. The distribution of incidents was analyzed in terms of advanced life support (ALS) versus fire and basic life support (BLS). This analysis includes incident data from March 2016 through December 2022, for a total of almost seven years of incident data. **Table 1** provides a summary of the seven-year average that incorporates the recent incident activity. Throughout this study, a seven-year average is used to minimize temporary fluctuations in any individual year. The portion of non-ALS incidents, measured through the allocation of total resources to these incidents, is approximately 81 percent and is used as part of the budget allocation process.

Fire Assessment Funding Requirement

Table 2 provides a detailed breakdown of the FY 2023 assessable budget for the City of Ocala Fire Department. If a given expenditure is associated with non-ALS services, the entire amount is included in the assessable budget. When an expenditure is determined to be related to both ALS and non-ALS services, 81 percent of the amount is included in the assessable budget. All ALS-only expenditures are excluded. In addition, all dedicated revenues are subtracted in a similar manner. Finally, miscellaneous expenditures related to the assessment program are added to determine the full assessable fire budget.

Incident Data Distribution by Land Use

The third component in calculating the fire assessment rates is the demand for fire rescue services by land use, which will be used for the "resource-based" benefit component. The approach used in this report is a widely used and accepted method of identifying the historical relative benefit from and demand for fire services by various land uses. This benefit allocation is used to fairly and reasonably distribute the fire rescue assessed costs to land uses.

To determine the historical demand for fire rescue services by each type of land use, a review was completed to quantify the number of incidents and resources related to each incident by land use. As discussed previously, this approach provides an understanding of the utilization of fire rescue services by each land use. To complete this analysis, based on available data, incidents for the past seven years (2016 through 2022) were obtained from the OFR and analyzed. OFR also identified incidents that had an ALS component. These ALS incidents, as well as others that cannot be attached to a land use (such as traffic accidents or other outside incidents), were excluded from the analysis.

Distributing the cost based solely on the number of incidents does not reflect the full level of resources used by each land use. Therefore, the total resources were reviewed, which take into consideration incident duration, number of vehicles and staff used in addition to the frequency. As shown in **Table 3**, residential incidents account for most of the fire rescue resources in the City of Ocala, with the commercial land use also accounting for a large portion of resources.

Table 3

Distribution of Total Resources by Land Use

Land Use	Resource Distribution 2016-2021	Resource Distribution 2016-2022	% Change
Single Family/Mobile Home/Duplex	37.3%	**36.7%**	-1.6%
Multi-Family	13.5%	**13.6%**	0.7%
Commercial	38.1%	**38.5%**	1.0%
Industrial/Warehouse	3.4%	**3.5%**	2.9%
Institutional	3.1%	**3.0%**	-3.2%
Government	2.0%	**2.0%**	0.0%
Vacant	2.4%	**2.6%**	8.3%
Agricultural	0.2%	**0.1%**	-50.0%
Total	**100.0%**	**100.0%**	-

Source: Appendix A, Table A-8

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

Although approximately 2.6 percent of the resources are used by vacant properties, because vacant properties do not have buildings and people present, the benefit received by these properties is more limited compared to improved properties. The suppression of fire on vacant property benefits vacant property, but also benefits the adjacent improved properties and their occupants by the containment of the spread of fire. Therefore, it is reasonable to allocate half of the vacant land resource utilization to vacant land in the assessment calculations. The rest of the resource utilization is redistributed among other land uses, as shown in **Table 4**.

Table 4
Distribution of Total Resources
by Land Use with Vacant Land Adjustment

Land Use	Resource Distribution 2016-2021	Resource Distribution 2016-2022	% Change
Single Family/Mobile Home/Duplex	37.80%	**37.19%**	-1.6%
Multi-Family	13.70%	**13.78%**	0.6%
Commercial	38.60%	**39.01%**	1.1%
Industrial/Warehouse	3.40%	**3.55%**	4.4%
Institutional	3.10%	**3.04%**	-1.9%
Government	2.00%	**2.03%**	1.5%
Vacant	1.20%	**1.30%**	8.3%
Agricultural	0.20%	**0.10%**	-50.0%
Total	**100.0%**	**100.0%**	-

Source: Table 3, vacant land use is reduced by 50%, which is distributed among other land uses

Fire Assessment Cost Allocation

The fourth component in determining the City's fire assessment rates is the allocation of the assessed costs to land use categories, based on the total fire assessment funding requirement and distribution of total resources. **Table 5** presents the fire assessed cost allocation by land use/rate category. As shown, single family and commercial land uses account for approximately 76 percent of the budget.

Per State legislation, agricultural land uses are exempt from fire rescue assessments. Florida Statutes Section 170.01 (4) provides that, with limited exceptions, a City may not levy a special assessment for fire protection services on lands classified as agricultural lands under Florida Statutes Section 193.461 unless those lands contain a qualified building. Therefore, the portion of the budget associated with agricultural fire rescue incidents cannot be recovered through the City's fire rescue assessment and will be excluded in the remainder of this report. Similarly, the

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

City does not assess government properties and will need to supplement the revenue loss through the General Fund.

Table 6
Fire Protection Cost Allocation

Land Use	FY 2023 Portion of Total Resources[1]	Share of FY 2023 Maximum Assessable Budget[2]
Funding Requirement	-	**$17,953,487**
Single Family/Mobile Home/Duplex	37.19%	$6,676,902
Multi-Family	13.78%	$2,473,991
Commercial	39.01%	$7,003,655
Industrial/Warehouse	3.55%	$637,349
Institutional	3.04%	$545,786
Government	2.03%	$364,456
Vacant	1.30%	$233,395
Agricultural	0.10%	$17,953

1) Source: Table 5; total resource distribution from 2016 to 2022
2) Reduced assessment funding requirement from Table 2 multiplied by portion of the resources (Item 1)

Property Units

The fifth component in determining the fire assessment rates to allocate the assessed costs to property units (e.g., dwelling units or square footage on parcels) within each land use. This was accomplished by developing an assessment roll database utilizing the most recent data from the Marion County Property Appraiser. The database includes both properties that are tax exempt (i.e., governmental uses) and non-tax exempt, and all units were used in the assessment calculations.

For residential land uses, the total number of dwelling units within the city was determined. In addition, the square footage of each unit was also noted. In the case of apartments, because the square footage of individual units in an apartment building was not available in the Property Appraiser database, an average unit size was calculated based on total square footage and total number of units. For the non-residential (i.e., commercial, industrial/warehouse, and institutional structures) land uses, the total living floor square footage was distributed into square footage tiers.

Table 6 presents a summary of the total property units calculated for each land use category.

Calculated Fire Assessment Rate Schedule

Residential and Non-Residential Land Uses

As discussed previously, this study uses a methodology that combines benefit to the property from the availability of the Fire Department as well as that received from active use of its resources. More specifically, the following steps are completed in the calculation of assessment levels:

- Seventy percent of the budget allocated to residential land uses is distributed among all dwelling units equally. Similarly, 70 percent of the non-residential budget is distributed equally among the total non-residential square footage. This distribution accounts for the benefit received by each property from the availability of the Fire Department's services.
- The remaining 30 percent is distributed to each land use based on use of resources.

The use of 30 percent for resource allocation and 70 percent for availability is due to the industry standards[1] that indicate that a station that is active more than 30 percent of the time tends to experience inefficiencies in terms of addressing concurrent incidents, personnel fatigue, lack of training, among other issues.

[1] Center for Public Safety Excellence and Commission on Fire Accreditation International, *CFAI Standards of Cover, 5th Edition*

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

Tables 7 and 8 provide these calculations for residential land use categories. As presented in **Table 7**, the portion of the budget allocated to residential land use categories is $9.2 million. Seventy percent of this budget is allocated among all dwelling units in the city (29,519) equally, resulting in the availability portion of the assessment rate ($217 per home).

The remaining 30 percent of the budget is distributed between the two residential categories based on their use of resources. Single family/mobile home/duplex units utilize approximately 73 percent of the residential resources while multi-family homes (apartments and condos) use the remaining 27 percent. Distribution of resource-based budget portion in this manner results in a resource-utilization rate of $110 per dwelling unit for single family residential land use and $66 per dwelling unit for multi-family residential land use.

Sum of these two components result in an overall non-tiered base assessment rate of approximately $327 per dwelling unit for single family/mobile home/duplex residential land use and approximately $283 per dwelling unit for multi-family residential land use.

4) Budget allocation divided by dwelling units
5) Total residential budget of $9.2 million multiplied by 70% to calculate availability portion
6) Total residential budget of $9.2 million multiplied by 30% to calculate resource utilization portion
7) Resource utilization portion of the budget (30%) allocated to single family/mobile home/duplex
8) Resource utilization portion of the budge (30%) allocated to multi-family (apartments and condos).
9) Sum of availability-based rate of $217 and resource-utilization based rate of $110
10) Sum of availability-based rate of $217 per unit and resource-utilization based rate of $66

Once the base fee for each residential category is calculated, a tiered schedule is provided in **Table 8**. The resource-based portion varies by size of home given that larger homes tend to be more valuable. A review of average home values by size of home in Ocala obtained from Marion County Property Appraiser database supported this relation.

This tiered approach is supported by the fact that a large portion of the benefit to the property is derived from the availability of the Fire Department in the form of reduced insurance premiums and increased property values, which in turn suggests lower savings from insurance premiums and lower property values for smaller homes. As mentioned previously, the review of the data from the Property Appraiser database suggested that smaller houses have a lower value compared to larger homes.

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

The tiered rates are calculated by developing an Equivalent Residential Unit (ERU) factor for each tier based on the ratio of the average size of each tier to the average size of the entire residential category. These ERU factors are then used to distribute resource-based portion of the fee in a tiered-manner as opposed to using the group average shown in Table 8. The resulting rate is added to the availability-based portion of the rate to determine the final tiered rate for each residential category.

Table 8
Calculated Tiered Residential Assessment Rates

Square Footage Tier	Average Size (Sq Ft)[1]	Equivalent Residential Unit[2]	Resource-Based Portion[3]	Availabilty-Based Portion[4]	Fire Assessment Rate per Unit[5]	Fire Assessment Rate per Unit ADJUSTED[6]

2) Average size of each tier is divided by the average size of the entire category
3) Resource utilization-based portion from Table 7 multiplied by ERU (Item 2)
4) Source: Table 7
5) Sum of resource-based portion (Item 3) and availability-based portion (Item 4)
6) Fire assessment rate (Item 5) adjusted down slightly to neutralize revenue generation

Table 9 provides similar calculations for non-residential land uses and calculates assessment rates on a per square foot basis. Consistent with the methodology described previously, 70 percent of the non-residential budget is allocated among all non-residential square footage equally and 30 percent of the non-residential budget is allocated based on resource utilization of each non-residential land use.

Resulting rates are then applied to the mid-point of square footage tiers to develop the tiered non-residential rate schedule on a per parcel basis. These calculations are shown in **Table 10.**

3) Mid-point (Item 1) multiplied by the total parcels (Item 2) for each tier

Vacant Land

As discussed previously, 50 percent of the resources allocated to vacant land is used in the assessment calculation for the vacant parcel assessment rate. This adjustment was made to recognize the fact that vacant property derives less benefit from the Fire Department's availability and services compared to developed properties with buildings and more people. As shown in **Table 11**, this adjusted budget was divided by the number of parcels to determine the assessment rate of $55.69 per parcel.

Appendix A
Ocala Fire Rescue Incident Data

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

Appendix A

This appendix documents the incident data analysis conducted as part of the technical study. Incidents over the past seven years were analyzed to estimate demand from each land use for fire rescue services. **Tables A-1 through A-8** present this analysis.

Appendix C
Property Code Classifications

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

Appendix C

This appendix documents land use classifications used for incidents and for residential units and non-residential square footage.

Table C-1 details the property code classifications from the National Fire Incidents Reporting System. These codes are applied to each fire rescue incident report. The "fire assessment incident category" illustrates how these codes were categorized for the land use categories used in the fire assessment update.

Table C-2 details the property class code classifications from the Marion County Property Appraiser's Office. Property class codes used by the Marion County Property Appraiser correspond to the Department of Revenue (DOR) codes. These codes are applied to each parcel in the City of Ocala. The "fire assessment land use category" illustrates how these codes were categorized for the land use categories used in the fire assessment update. Additional building detail was reviewed, including the improvement type and interior finish type; however, based on information provided by the Fire Department on the classification of incidents, the property class code was used for the fire assessment update.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

FIRST AMENDMENT TO CONSTRUCTION SERVICES AGREEMENT FOR PARKING LOT IMPROVEMENT PROGRAM PROJECTS

THIS FIRST AMENDMENT TO CONSTRUCTION SERVICES AGREEMENT FOR PARKING LOT IMPROVEMENT PROGRAM PROJECTS ("First Amendment") is entered into by and between the **CITY OF OCALA**, a Florida municipal corporation ("City") and **MARION ROCK, LLC,** a limited liability company duly organized in and authorized to do business in the state of Florida (EIN: 59-3402323) ("Contractor").

WHEREAS, on May 12, 2026, City and Contractor entered into a Construction Services Agreement for Parking Lot Improvement Program Projects (the "Original Agreement"), City of Ocala Contract No.: CIP/250996; and

WHEREAS, the Contract Term start and end dates were incorrect in the Original Agreement; and

WHEREAS, City and Contractor wish to amend the Original Agreement to reflect the correct start and end dates for the initial Contract Term.

NOW THEREFORE, in consideration of the foregoing recitals, the following mutual covenants and conditions, and other good and valuable consideration, City and Contractor agree as follows:

1. **RECITALS**. City and Contractor hereby represent, warrant, and agree that the Recitals set forth above are true and correct and are incorporated herein by reference.
2. **INCORPORATION OF ORIGINAL AGREEMENT.** The Original Agreement between City and Contractor is hereby incorporated by reference as if set forth herein in its entirety and remains in full force and effect, except for those terms and conditions expressly amended by this First Amendment.
3. **TERM OF AGREEMENT**. This Agreement shall become effective and commence on **APRIL 22, 2026** and continue in effect for a term of **TWO (2) YEARS**, through and including **APRIL 21, 2028** (the "Term"). This Agreement may be renewed for up to **TWO (2)** additional **ONE (1) YEAR** periods by written consent between City and Contractor.
4. **NOTICES.** All notices, certifications or communications required by this First Amendment shall be given in writing and shall be deemed delivered when personally served, or when received if by facsimile transmission with a confirming copy mailed by registered or certified mail, postage prepaid, return receipt requested. Notices can be concurrently delivered by e-mail. All notices shall be addressed to the respective parties as follows:

If to Contractor:

Marion Rock, LLC
Attention: Ryan Boutwell, Vice President
5979 SE Maricamp Road
Ocala, Florida 34472
Phone: 352-687-2023
E-mail: ryan.marionrock75@gmail.com
nicole.marionrock@gmail.com

Docusign Envelope ID: 843C908E-DFB5-88B7-8116-8F02D956ED30

If to City of Ocala:	Daphne M. Robinson, Esq., Contracting Officer City of Ocala 110 SE Watula Avenue, 3rd Floor Ocala, Florida 34471 Phone: 352-629-8343 E-mail: notices@ocalafl.gov
Copy to:	William E. Sexton, Esq., City Attorney City of Ocala 110 SE Watula Avenue, 3rd Floor Ocala, Florida 34471 Phone: 352-401-3972 E-mail: cityattorney@ocalafl.gov

5. **COUNTERPARTS.** This First Amendment may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument.
6. **ELECTRONIC SIGNATURE(S).** Contractor, if and by offering an electronic signature in any form whatsoever, will accept and agree to be bound by said electronic signature to all terms and conditions of this First Amendment. Further, a duplicate or copy of the First Amendment that contains a duplicated or non-original signature will be treated the same as an original, signed copy of this original First Amendment for all purposes.
7. **LEGAL AUTHORITY**. Each person signing this First Amendment on behalf of either party individually warrants that he or she has full legal power to execute this First Amendment on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this First Amendment.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK. SIGNATURE PAGE TO FOLLOW.]

Docusign Envelope ID: 843C908E-DFB5-88B7-8116-8F02D956ED30

IN WITNESS WHEREOF, the parties have executed this First Amendment on 5/29/2026.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

FIRST AMENDMENT TO AGREEMENT FOR TRANSFORMER SUPPLY AND DELIVERY SERVICES

THIS FIRST AMENDMENT TO TRANSFORMER SUPPLY AND DELIVERY SERVICES ("First Amendment") is entered into by and between the **CITY OF OCALA**, a Florida municipal corporation ("City") and **STUART C. IRBY COMPANY, LLC, D/B/A IRBY,** a for-profit corporation duly organized and authorized to do business in the state of Florida (EIN: 64-0179050) ("Irby" or "Vendor").

WHEREAS, on March 10, 2026, City and Irby entered into an Agreement for Transformer Supply and Delivery Services (the "Original Agreement"), City of Ocala Contract No.: ELE/260259; and

WHEREAS, the parties have determined that the Original Agreement's existing quarterly price adjustment limit of one and one-half percent (1.5%) per quarter does not reflect the parties' mutually intended pricing mechanism; and

WHEREAS, City and Irby wish to amend the Original Agreement to establish a maximum quarterly increase or decrease of three percent (3%).

NOW THEREFORE, in consideration of the foregoing recitals, the following mutual covenants and conditions, and other good and valuable consideration, City and Irby agree as follows:

1. **RECITALS**. City and Irby hereby represent, warrant, and agree that the Recitals set forth above are true and correct and are incorporated herein by reference.
2. **INCORPORATION OF ORIGINAL AGREEMENT.** The Original Agreement between City and Irby is hereby incorporated by reference as if set forth herein in its entirety and remains in full force and effect, except for those terms and conditions expressly amended by this First Amendment.
3. **AMENDMENT TO COMPENSATION - PARAGRAPH 5.A (2).** The language contained in Paragraph 5 A. (2) is hereby deleted and replaced in its entirety with the following:

   Any and all price adjustments shall be subject to a maximum negotiated price increase or decrease of no more than **THREE PERCENT (3%) PER QUARTER** based upon the Producer Price Index by Industry – Electric Power and Specialty Transformer Manufacturing – Power and Distribution Transformers, Except Parts (PPI Index Number PCU3353113353111) and the Price Adjustment Methodology set forth in **Exhibit D – Vendor's Proposa**l. All requests for price adjustments must include proper justification and documentation supporting the adjustment.
4. **NOTICES.** All notices, certifications or communications required by this First Amendment shall be given in writing and shall be deemed delivered when personally served, or when received if by facsimile transmission with a confirming copy mailed by registered or certified mail, postage prepaid, return receipt requested. Notices can be concurrently delivered by e-mail. All notices shall be addressed to the respective parties as follows:

If to Irby:

Stuart C. Irby Company, LLC
Attention: Matt Smith
38 Skyline Drive
Lake Mary, Florida 32746
Phone: 352-267-7572
E-mail: matthewsmith@irby.com

Docusign Envelope ID: 979B556B-D032-8AF4-8296-82E7CC565B0B

If to City of Ocala:	Daphne M. Robinson, Esq., Contracting Officer City of Ocala 110 SE Watula Avenue, 3rd Floor Ocala, Florida 34471 Phone: 352-629-8343 E-mail: notices@ocalafl.gov
Copy to:	William E. Sexton, Esq., City Attorney City of Ocala 110 SE Watula Avenue, 3rd Floor Ocala, Florida 34471 Phone: 352-401-3972 E-mail: cityattorney@ocalafl.gov

5. **COUNTERPARTS.** This First Amendment may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument.
6. **ELECTRONIC SIGNATURE(S).** Contractor, if and by offering an electronic signature in any form whatsoever, will accept and agree to be bound by said electronic signature to all terms and conditions of this First Amendment. Further, a duplicate or copy of the First Amendment that contains a duplicated or non-original signature will be treated the same as an original, signed copy of this original First Amendment for all purposes.
7. **LEGAL AUTHORITY**. Each person signing this First Amendment on behalf of either party individually warrants that he or she has full legal power to execute this First Amendment on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this First Amendment.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK. SIGNATURE PAGE TO FOLLOW.]

Docusign Envelope ID: 979B556B-D032-8AF4-8296-82E7CC565B0B

IN WITNESS WHEREOF, the parties have executed this First Amendment on 6/4/2026.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

AMENDMENT TO AGREEMENT

THIS AMENDMENT ("**Amendment**") dated as of the last signature date below ("**Amendment Effective Date**") is entered into by and between Fiserv Solutions, LLC, a Wisconsin limited liability company (as converted from Fiserv Solutions, Inc.), with offices located at 600 N. Vel R. Phillips Avenue, Milwaukee, WI 53203 ("**Fiserv**"), and City of Ocala, a Florida municipal corporation, with offices located at 110 SE Watula Ave., Ocala, FL34471 ("**Client**"), and amends the Direct Electronic Payment Delivery Agreement dated August 29, 2023, between Fiserv and Client (as amended through the date hereof, the "**Agreement**").

WHEREAS, Fiserv and Client entered into the Agreement for Fiserv's provision of Services to Client; and

WHEREAS, Fiserv and Client wish to amend the Agreement to update terms as further set forth herein;

NOW, THEREFORE, Fiserv and Client hereby agree as follows:

1. Defined Terms. Unless otherwise defined herein, capitalized terms used herein shall have the same meanings assigned them in the Agreement.

2. Term. The term of the Agreement is extended through August 28, 2031. All other renewal and termination provisions remain unchanged.

3. Service Fees. The "Per Payment Fee" listed in Section 3 of Exhibit A is increased to $0.08.

4. Amendment. This Amendment is intended to be a modification of the Agreement. Except as expressly modified herein, the Agreement shall remain in full force and effect. In the event of a conflict between the terms of this Amendment and the Agreement, this Amendment shall control.

IN WITNESS WHEREOF, the parties have caused this Amendment to be executed by their duly authorized representatives as of the Amendment Effective Date.

STANDARD TERMS AND CONDITIONS OF SALE

These standard terms and conditions of sale are the only terms and conditions, oral or written, applying to the sale of equipment, Software, other products or services ("Product") to Purchaser from FARO Technologies, Inc. ("FARO"), its affiliates, subsidiaries and related companies except for additional terms consistent with these standard terms and conditions on prices, quantities, delivery schedules, and the description of the Products as set forth in an order or quotation issued by FARO or approved by FARO (each, an "Order"). FARO's failure to object to any provision contained in a document or communication from Purchaser shall not be a waiver of these standard terms and conditions. If any conflict exists between local law and any section of these terms and conditions, the local law shall apply and replace only that section. Only Federal Acquisition Regulation ("FAR") supplement clauses expressly accepted in writing by FARO shall be included or incorporated by reference herein. FARO shall not be bound by and makes no representation of compliance with any FAR or FAR supplement clauses that FARO shall not have expressly accepted in writing.

ACCEPTANCE OF THESE STANDARD TERMS AND CONDITIONS AND ANY ORDER, BOTH OF EITHER OF WHICH MAY BE DELIVERED TO PURCHASER IN ELECTRONIC FORM BY FARO, SHALL BE DEEMED TO HAVE OCCURRED UPON THE EARLIER OF EXECUTING OR ACCEPTING THESE STANDARD TERMS AND CONDITIONS OR TAKING DELIVERY OF ANY PRODUCTS. ANY DEVIATION FROM, OR EXCEPTIONS TO, THESE TERMS AND CONDITIONS MUST BE IN WRITING AND SIGNED BY A DULY AUTHORIZED REPRESENTATIVE OF FARO.

All capitalized terms used but not defined in the body of this document are defined in Section 10.00 (Definitions).

- **1.0 Payment of Purchase Price**

1.01 Subject to credit approval by FARO and except as otherwise expressly set forth in an Order, the Purchase Price for Product shall be paid to FARO within thirty (30) days from the date of FARO's invoice.If FARO determines not to extend credit to Purchaser, FARO reserves the right to require Purchaser to pay for Product by wire transfer prior to shipment.FARO shall be entitled to issue an invoice upon shipment of Product.FARO has the right to charge interest on late Purchase Price payments at a rate of 1.5% per month (18% per annum).

1.02 Purchaser shall also pay FARO for any and all governmental taxes, charges or duties of every kind (excluding any tax based upon FARO's income) that FARO may be required to pay with respect to the production, transportation, export, import, storage, delivery, purchase, sale, or use of Product.Purchaser shall provide FARO, on request, with properly completed exemption certificates for any tax or duty from which Purchaser claims an exemption.

1.03 Purchaser grants to FARO a security interest in all Product sold pursuant to the Order, which FARO may perfect by filing a UCC Financing Statement or by other filings, registrations, or notices as may be required. Any such security interest will remain in effect until FARO has received payment in full of the Purchase Price together with interest on any late Purchase Price payments.

Docusign Envelope ID: 34949EA2-B7D0-8B40-80BE-D978D972A75F

1.04 If Purchaser fails to make full payment of the Purchase Price in accordance with the terms set forth in the Order, FARO shall, at its sole option, have the right to the following remedies, which shall be cumulative and not alternative and which are not exclusive:

a. the right to cancel the Order and enter Purchaser's premises to re-take possession of Product, in which event Purchaser agrees that any down payment or deposit for Product shall be forfeited to FARO as liquidated damages and not as a penalty, and all costs incurred by FARO in connection with the removal and subsequent transportation of Product shall be payable by Purchaser upon written demand;

b. the right to enter Purchaser's premises and remove any Software, components of Product or other items necessary to render Product inoperative;

c. the right to withhold all services which would otherwise be required to be provided by FARO pursuant to the Warranties set out in Section 4.00 (Warranties and Exclusions; Exclusive Remedies and Disclaimers) hereof;

d. the right to terminate any existing Software license agreement with Purchaser; and

e. the right to pursue any other available remedy, including without limitation suing to collect any remaining balance of the Purchase Price (i.e., accelerate the payment of the Purchase Price, causing the entire balance to immediately become due and payable in full).

1.05 Except as expressly set forth in Section 4.06 (Factory Repairs), FARO does not permit returns on any Products shipped. In addition, FARO does not permit returns of Software delivered digitally, including Software downloaded by Purchaser or Software activated by a product key received by Purchaser via electronic mail, flash drive, memory card, or similar type of electronic delivery system.

1.06 No waiver by FARO of its rights under these terms and conditions shall be deemed to constitute a waiver of subsequent breaches or defaults by Purchaser. In the event more than one Product is being purchased pursuant to the Order, unless otherwise set forth herein, each payment received by FARO from Purchaser shall be applied pro rata against the cost of each Product rather than being applied to the Purchase Price of any Product.

1.07 Purchaser shall pay FARO all costs and expenses of collection, suit, or other legal action to enforce the Order, including, but not limited to, all actual attorneys' and paralegal fees and collection costs. FARO may assign any cause of action that it has against Purchaser without Purchaser's consent.

1.08 Given the increased risk of invoice fraud, Purchaser should treat any notification to change details of Seller's bank account with suspicion. FARO will not inform or instruct Purchaser to make remittance or money transfers to any other beneficiary, address or bank account via email. Always verify a request to update records or change bank account information BEFORE implementing a change or completing the payment. Verify any requested changes by speaking to a known FARO representative

- **2.0 Delivery and Transportation**

Docusign Envelope ID: 34949EA2-B7D0-8B40-80BE-D978D972A75F

2.01 Delivery dates set forth in the Order are estimates and not guarantees and are based upon conditions at the time such estimate is given.

2.02 FARO shall not be liable for any loss or damage, whether direct, indirect or consequential, resulting from delivery of Product past the estimated delivery date. If Product is not delivered within 90 days of the estimated delivery date, Purchaser's sole remedy shall be to cancel the Order and to recover from FARO, without interest or penalty, the amount of the down payment or deposit and any other part of the Purchase Price which has been paid by Purchaser. Notwithstanding the foregoing, such right of cancellation shall not extend to situations where delayed delivery is due to a Force Majeure Event (as defined in Section 9.01 (Force Majeure/ Entire Agreement / Governing Law / Miscellaneous)). Any delays resulting from a Force Majeure Event shall extend estimated delivery dates by the length of such delay.

2.03 If there is a shortage of Product, excessive demand for Product, or any other reason for which FARO is unable to supply the full amount of Product specified in Purchaser's Order, FARO reserves the right to allocate its available supply of Product among its customers and distributors. The allocation of Product shall be in such a manner and in such amounts as FARO determines in its sole discretion.

2.04 Responsibility for all costs and risks in any way connected with the storage, transportation, and installation of Product shall be borne entirely by Purchaser. If any disagreement arises as to whether or not damage to Product was in fact caused in storage, in transit, or on installation, the opinion of FARO's technical advisors, acting reasonably, shall be conclusive.

2.05 Unless otherwise agreed to by FARO in an Order, Product shall be delivered by FARO at FARO's premises EXW (Ex Works) as defined in Incoterms 2010.

2.06 FARO does not assume any risk for (i) late deliveries of goods, (i) customers' inability or impracticability to receive or use our devices or software, and for (iii) delivery disruptions, that are due to the COVID-19 pandemic and ensuing government measures (shut downs, lock-downs, quarantines)

- **3.0 Installation, Operator Training and Maintenance**

3.01 Purchaser shall be responsible for installation of Product, including, without limitation, the preparation of its premises, the uncrating of Product, and setting up of Product for operation.

3.02 Subject to Section 4.00 (Warranties and Exclusions; Exclusive Remedies and Disclaimers), Purchaser shall be responsible for all maintenance of Product.

3.03 FARO shall invoice training with other Products set forth in the Order, if applicable. Purchaser shall have six (6) months from the date of invoice ("Training Period") to complete training. If training is not completed within the Training Period, FARO may refuse to conduct training at its discretion. Any training not completed within the Training Period is forfeited by the Purchaser.

3.04 Understanding that training is invoiced upon ordering the training and paid in advance, there may be additional penalties for changing training dates in some circumstances. Purchaser may freely cancel or reschedule a confirmed training class with more than ten (10) working days' notice prior to the date of the scheduled training class at no additional cost. If the Purchaser cancels or reschedules a confirmed training class with less than ten working days' notice prior to the date of

Docusign Envelope ID: 34949EA2-B7D0-8B40-80BE-D978D972A75F

the scheduled training class, but prior to the date of training, Purchaser may be charged up to an additional fifty percent (50%) of the cost of training to reschedule. Rescheduling training on the date of training is not allowed. Any training that is not attended by Purchaser on the confirmed date of the training must be repurchased by Purchaser to be rescheduled.

- **4.0 Warranties and Exclusions; Exclusive Remedies and Disclaimers**

4.01 Subject to Section 4.05, FARO warrants that any Product (but excluding Software and services) shall be free from material defects in workmanship or material under normal conditions of use, service and maintenance. FARO makes no warranty that any Product will be secure from cyber-threats or operate in an uninterrupted or error free manner.

4.02 Subject to Section 4.05, FARO warrants that any Software shall operate substantially according to written user documentation provided by FARO. FARO makes no warranty that any Software will operate in an uninterrupted or error free manner.

4.03 Purchaser understands and agrees that Products sold hereunder are not intended for application in, and shall not be used by Purchaser in the construction or operation of a nuclear installation, a nuclear facility or a nuclear reactor or in connection with use or handling of nuclear material or for any hazardous activity or critical application, where failure of a single component could cause substantial harm to persons or property, unless Products have been specifically approved by FARO for such activity or application. FARO disclaims all liability for loss or damage resulting from such unauthorized use and Purchaser shall defend, hold harmless and indemnify FARO against any such liability, whether arising under breach of contract, warranty, tort (regardless of the degree of fault or negligence), strict liability or otherwise. Where FARO approves the application of the Products in a nuclear facility, the Purchaser shall, before the use or provision of such Products, execute a Nuclear Defense and Indemnification Agreement in a form acceptable to FARO.

4.04 The warranties set out in paragraphs 4.01 and 4.02 above (together, the "Warranties") shall expire one (1) year after the day that the Product is shipped from FARO (the "Warranty Period"), at the end of the month during which the Product is shipped.

4.05 To properly make a claim under the Warranties, Purchaser must deliver written notice of the claim to FARO during the Warranty Period, at FARO's contact information set forth on the Order, together with a description of such claim in reasonable detail. Within a reasonable time following receipt of such proper notice, FARO shall have Product diagnosed by its service personnel. Nothing herein contained shall be construed as obligating FARO to make service, parts, or repairs available for any claim reported after the expiration of the Warranty Period. If Product is determined by FARO, in its reasonable opinion, to be covered by and in breach of the Warranties, FARO will, as Purchaser's sole and exclusive remedy, repair or adjust Product to the extent determined by FARO to be necessary or, at the option of FARO, will replace Product with replacement Product, of equal or greater performance, or parts therefor at no cost to Purchaser, other than the cost of shipping Product to FARO pursuant to Section 4.06. If Product is determined by FARO, in its reasonable opinion, not to be covered by or not to be in breach of the Warranties, Purchaser shall pay the amount that FARO would otherwise charge for an evaluation under a non-warranty service evaluation. As for such additional needed repairs, FARO shall quote Purchaser for

Docusign Envelope ID: 34949EA2-B7D0-8B40-80BE-D978D972A75F

such, which Purchaser can choose or reject such service at its discretion, and return shipping to Purchaser will be at Purchaser's cost and expense.

4.06 The Warranties shall not apply to or cover:

a. Any defects in any component of a Product if, in the reasonable opinion of FARO, (i) Product has been improperly stored, installed, operated, or maintained; (ii) the defect was caused by or relates to misuse or extraordinary use of Product, or to use of Product outside the abilities for which Product was designed and manufactured; (iii) Purchaser has permitted unauthorized modifications, additions, deletions, adjustments and/or repair to any Software, hard drive structure, or content, or any other part of Product, or which might otherwise affect Product; or (iv) the defect was caused by, or repairs are required as a result of, causes external to FARO workmanship or the materials used by FARO. As used herein, "unauthorized" means that which has not been approved and authorized by FARO in writing.

b. Minor preventive and corrective maintenance, including, but not limited to, replacement of fuses, fan filter cleaning and system clock battery replacement.

c. Any Product or component which was sold or transferred to any party other than the original Purchaser unless transferred in accordance with Section 4.11 or FARO's prior express written consent is obtained.

d. Any defect in or related to Product which FARO cannot duplicate with reasonable effort.

e. Any defect in or related to Product caused by materials, including hardware, software, or data not supplied by FARO.

f. Any defect caused or resulting from accident; physical, electrical or magnetic stress; failure of electric power, air condition or environmental controls; or use in or with defective or non-compatible equipment, hardware, software or data.

g. Any defect or problem caused by changes in the operating characteristics of computer systems, hardware, or software developed after Product is delivered.

h. Any Product exported by Purchaser outside of the country of purchase.

i. Any demonstration or used Product.

j. Any services of FARO. **ALL SERVICES OF FARO ARE PROVIDED TO PURCHASER "AS IS" WITHOUT WARRANTY OF ANY KIND.**

k. Any Third-Party Product sold or included with the Products. Such Third-Party Products are provided with the manufacturer's warranties, if any, which FARO is permitted to pass on to Purchaser. **OTHERWISE, SUCH THIRD-PARTY PRODUCTS ARE PROVIDED TO PURCHASER "AS IS" WITHOUT WARRANTY OF ANY KIND.**

Docusign Envelope ID: 34949EA2-B7D0-8B40-80BE-D978D972A75F

4.07 Factory Repairs

l. Purchaser agrees to ship Product to FARO in the original packing container.

m. Shipping charges due by Purchaser exclude brokerage fees, duties, taxes and VAT.

n. IF PRODUCT IS UNDER STANDARD WARRANTY: Purchaser agrees to ship Product to FARO at Purchaser's sole cost and expense. FARO will return the repaired or replacement Product to Purchaser at FARO's sole cost and expense.

o. IF PRODUCT IS UNDER A SEPARATE PREMIUM SERVICE PLAN: When practical, as determined by FARO in its sole discretion, and subject to availability, FARO will make available to Purchaser substitute component parts or substitute Product, of equal or better performance ("Temporary Replacements"), as appropriate, while Purchaser's Product is undergoing repair. Shipping charges for these Temporary Replacements will be the responsibility of FARO.

p. IF PRODUCT IS NOT UNDER ANY WARRANTY: Purchaser shall be responsible for the cost of any repair or replacement of any part, Software or Product, together with all shipping charges related to such repair or replacement. All charges shall be estimated and prepaid by Purchaser to FARO prior to commencement of repairs.

4.08 FARO may utilize new or refurbished components of Product to perform any Warranty service.

4.09 Purchaser's sole and exclusive remedy, and FARO's sole and exclusive liability hereunder, with respect to breach of warranty relating to any Product, consists of the obligation to repair, adjust, or replace Product, with a similar or newer product, as provided in Section 4.04.

4.10 DISCLAIMER OF WARRANTIES. THE WARRANTIES SPECIFIED IN THIS SECTION 4.00 ARE THE COMPLETE WARRANTIES BETWEEN FARO AND PURCHASER. THEY SUPERSEDE ALL PROPOSALS, PROMOTIONS, ADVERTISEMENTS, REPRESENTATIONS, OR PRIOR WARRANTIES, VERBAL OR WRITTEN, AND ANY COMMUNICATIONS BETWEEN THE PARTIES RELATING TO THE SUBJECT MATTER OF THESE WARRANTIES. EXCEPT FOR THE EXPRESS WARRANTIES SPECIFIED IN THIS SECTION 4.00, FARO EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, ARISING FROM COURSE OF DEALING OR USAGE OF TRADE, STATUTORY OR OTHERWISE, INCLUDING BUT NOT LIMITED TO IMPLIED CONDITIONS AND WARRANTIES OF MERCHANTABILITY, QUALITY, FITNESS FOR A PATICULAR PURPOSE, CORRESPONDENCE WITH DESCRIPTION OR QUALITY, AND NON-INFRINGEMENT.

4.11 FARO does not authorize any person (whether natural or corporate) to assume for FARO any liability in connection with or with respect to Product. No agent or employee of FARO has any authority to make any representation or promise on behalf of FARO, except as expressly set forth herein or in the Order, or to modify the terms or limitations of the Warranties. No verbal statements shall be binding upon FARO.

Docusign Envelope ID: 34949EA2-B7D0-8B40-80BE-D978D972A75F

4.12 The Warranties extend only to Purchaser and are transferable by Purchaser only under the following conditions:

q. Product is currently within the Warranty Period;

r. The new owner is, or becomes, a Certified User; and

s. FARO Customer Service is informed of and approves of the transfer.

4.13 All claims under the Warranties must originate with Purchaser, or any subsequent owner that becomes a Certified User approved by FARO Customer Service, and Purchaser will indemnify, defend and hold FARO harmless from any and all claims, liabilities, damages, costs and expenses for breach of warranty asserted against FARO by any third-party.

4.14 PURCHASER ACKNOWLEDGES THAT IT HAS PURCHASED PRODUCT BASED UPON ITS OWN KNOWLEDGE OF THE USES TO WHICH PRODUCT WILL BE PUT. FARO SPECIFICALLY DISCLAIMS ANY WARRANTY OR LIABILITY RELATED TO THE FITNESS OF PRODUCT FOR ANY PARTICULAR PURPOSE OR ARISING FROM THE INABILITY OF PURCHASER TO USE PRODUCT FOR ANY PARTICULAR PURPOSE.

4.15 FARO is an equal opportunity employer. All candidates for employment will be considered without regard to race, color, religion, sex, national origin, physical or mental disability, veteran status, or any other basis protected by applicable federal, state or local law.

- **5.0 Limitations of Liability**

5.01 In no case shall FARO be liable for any indirect, special, incidental, punitive or consequential damages arising from any cause whatsoever, whether based in contract, tort (including without limitation negligence), strict product liability or any other theory of law (including without limitation theories of equitable relief), including, but not limited to, injury to or death of any operator or other person, damage or loss resulting from the Product or inability to use Product, increased operating costs, loss of production, loss of profits or revenues, loss of software or data, losses arising from virus, ransomware, or cyber-attacks, any cost or expense of providing substitute product or software during periods of, or resulting from, malfunction, non-use or maintenance or repair (except as when Temporary Replacements are provided per Section 4.06(d)), or damage to property. The disclaimer of liability for indirect, special, incidental, punitive, and consequential damages extends to any damages which may be suffered by third parties, including without limitation, caused directly or indirectly resulting from the Product, or test results or data produced by Product or any component thereof, and Purchaser agrees to indemnify and save FARO harmless from any such claims made by third parties.

5.02 FARO's maximum aggregate liability arising out of or relating to any Product from any cause whatsoever, whether based in contract, tort (including without limitation negligence), strict product liability or any other theory of law shall not exceed the Purchase Price received by FARO for the Product to which such liability relates. In all cases, FARO's maximum aggregate liability arising out of or relating to an Order shall not exceed the aggregate amounts paid by Purchaser to FARO under such Order.

Docusign Envelope ID: 34949EA2-B7D0-8B40-80BE-D978D972A75F

5.03 The limitations of liability in this Section apply even if FARO had notice of the possibility of damages and even if any exclusive remedies fail of their essential purpose. Purchaser acknowledges that FARO has set its pricing in reliance upon the limitations of liability and the disclaimers of warranties and damages set forth in these terms and conditions and that the same form an essential basis of the bargain between the parties.

- **6.0 Design Changes**

6.01 Product is subject to changes in design, manufacture and programming between the date of the Order and the actual delivery date. FARO reserves the right to substitute similar products of the same value without prior notification to the Customer.

6.02 FARO reserves the right to implement such changes without Purchaser's consent. Notwithstanding the foregoing, nothing contained herein shall be construed as obligating FARO to include such changes in Product provided to Purchaser.

- **7.0 Intellectual Property**

7.01 As between FARO and Purchaser, FARO owns all ownership in all FARO Intellectual Property, and Purchaser shall not own or acquire any right, title or interest in any FARO Intellectual Property. FARO grants Purchaser only a limited, non-exclusive, non-transferable license to use any Software in object code form only and, unless otherwise set forth in an Order or approved in writing by FARO, only with Product in which such Software is installed or embedded.

7.02 Purchaser acknowledges and agrees that the Products (including Software) contains trade secrets, confidential, and proprietary information of FARO and shall maintain all Products (including Software) as confidential and proprietary information of FARO. Purchaser shall use no less than the same degree of care to avoid misuse or improper disclosure of the trade secrets, confidential, and proprietary information of FARO than Purchaser uses with respect to its own similar information, which shall be no less than a reasonable degree of care. Purchaser shall not, in whole or in part, reproduce or duplicate (other than that which is necessary and incidental to the ordinary use of the Software in compliance with these terms and conditions or for purpose of making one (1) archival or back-up copy of the Software) alter, modify, disassemble, reverse assemble, decompile, reverse compile, reverse engineer, sell, transfer, assign, sublicense, lease, rent or use in connection with a service bureau or to provide services to others, in any manner the Products (and Software), in whole or in part, or permit access to or use thereof by any third-party.

7.03 Purchaser acknowledges that any unauthorized use of the Products (and Software), or any right therein, will result in irreparable harm to FARO, and that FARO shall be entitled to damages, lost profits, attorneys' fees, costs, expenses, and injunctive relief, including without limitation temporary restraining orders, preliminary injunctions, and permanent injunctions from any such unauthorized use.

7.04 Purchaser shall forthwith execute any further assurances in the form of non-disclosure or licensing agreements which may reasonably be required by FARO in connection with the Software.

- **8.0 Indemnification**

8.01 Purchaser will defend, indemnify, and hold harmless FARO against all claims, losses, liabilities, damages, costs, and expenses either (a) on account of any damage to property or injury or death

Docusign Envelope ID: 34949EA2-B7D0-8B40-80BE-D978D972A75F

of persons caused by or arising out of Purchaser's (and/or any of Purchaser's employee's, agent's, affiliate's and customer's) distribution, storage, handling, use, or disposal of Product or caused by or (b) arising out of: (i) any breach of contract by Purchaser; (ii) any acts or omissions of Purchaser (and/or any of Purchaser's employees, agents, affiliates and customers); or (iii) any willful misconduct or any violation by Purchaser (and/or by any of Purchaser's employees, agents, affiliates and customers) of any applicable law, rule, or regulation

The Purchaser's liability is limited, however to the limits set forth in Florida Statute § 768.28 in force at the time this agreement was entered into by the parties. Nothing in this agreement is intended to waive the sovereign immunity protections provided to the City of Ocala pursuant to Florida law.

- **9.0 Force Majeure/ Entire Agreement / Governing Law / Miscellaneous**

9.01 FARO shall not be liable for any loss, damage, detention, or delay due directly or indirectly to any cause beyond FARO's control (a "Force Majeure Event"), including, without limitation, compliance with any rules, regulations, orders or instructions of any federal, state, county, municipal or other government or any department or agency thereof, acts of god, acts or omissions of Purchaser, acts of civil or military authorities, fires, floods, embargoes, war or insurrection, labor interruption through strike or walkout, transportation delays, or inability or difficulties in obtaining necessary labor, manufacturing facilities, materials or transportation from its usual sources.

9.02 These terms and conditions and the Order into which they are incorporated by reference constitute the entire agreement between FARO and Purchaser in respect to Product subject to such Order. There are no representations or warranties by FARO, express or implied, except for those contained herein, and these terms and conditions supersede and replace any proposals, quotations, or agreements, whether oral or written, between FARO and Purchaser with respect to such Order.

9.03 No representative of FARO has any authority to modify, alter, delete, or add to any of the terms or conditions hereof. Any such modifications shall be void and of no force and effect.

9.04 For Orders in the United States, the terms and conditions hereof shall be governed by and construed in accordance with the laws of the State of Florida, United States of America, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws thereof. Purchaser and FARO agree that the sole and exclusive jurisdiction and venue for purposes of any and all lawsuits, disputes, causes of action, arbitrations or mediations in the United States of America shall be in the United States District Court for the Middle District of Florida, Orlando Division.

9.05 For Orders in the Europe Union, these terms shall be subject to the laws of the Federal Republic of Germany to the exclusion of the UN Convention on Contracts for the International Sale of Goods, and the exclusive place of jurisdiction for all disputes between FARO and Purchaser shall be the city of FARO's registered office within the country.

9.06 For Orders outside of the United States of America and the European Union, these terms shall be governed by local law, and the exclusive place of jurisdiction for all disputes between

Docusign Envelope ID: 34949EA2-B7D0-8B40-80BE-D978D972A75F

FARO and Purchaser shall be the city of FARO's registered office in country or, if no registered office exists, the city of the agent of FARO within the country.

9.07 These conditions shall not be construed more strictly against one party than another as a result of one party having drafted said instrument.

9.08 If any provision of these terms and conditions or the Order is held invalid or unenforceable by any court of competent jurisdiction, the other provisions of these terms and conditions and the Order shall remain in full force and effect. Any provision of these terms and conditions or the Order held invalid or unenforceable only in part or degree will remain in full force and effect to the extent not held invalid or unenforceable.

9.09 FARO AND PURCHASER HEREBY IRREVOCABLY WAIVE THE RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED IN CONTRACT, TORT, OR OTHERWISE) ARISING OUT OF, UNDER, OR IN CONNECTION WITH THE ORDER OR THESE TERMS AND CONDITIONS OR ANY COURSE OF CONDUCT, COURSE OF DEALINGS, STATEMENT, OR ACTION RELATED THERETO OR HERETO.

9.10 Any claim, action, suit or other proceeding initiated by Purchaser in connection with any Product must be brought within one year after delivery to Purchaser of the applicable Product to which such claim, action, suit, or other proceeding relates.

9.11 Purchaser agrees to comply with all applicable law. Purchaser shall not export or re-export any Product in violation of applicable export control law, rules or regulations. Deliveries of these goods, products, Software, technologies or know-how-transfer to countries outside the country of sale or to third parties are subject to authorization by FARO or may be prohibited. U.S.-origin goods, products, software, technologies or know-how-transfer which are of at least ten percent (10%) U.S.-origin are liable to U.S. Export Administration Regulations and export outside the country of sale may be prohibited. All export control obligations associated with a resale shall be borne by the exporter.

9.12 Public Records. FARO shall comply with all applicable provisions of the Florida Public Records Act, Chapter 119, Florida Statutes. Specifically, FARO shall: A. Keep and maintain public records required by the public agency to perform the service; B. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law; C. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if FARO does not transfer the records to the public agency; and D. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of FARO or keep and maintain public records required by the public agency to perform the service. If FARO transfers all public records to the public agency upon completion of the contract, FARO shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If FARO keeps and maintains public records upon completion of the contract, FARO shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to

Docusign Envelope ID: 34949EA2-B7D0-8B40-80BE-D978D972A75F

the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency. **IF FARO HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO FARO'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: CITY OF OCALA, OFFICE OF THE CITY CLERK; 352-629-8266; E-mail: clerk@ocalafl.gov; City Hall, 110 SE Watula Avenue, Ocala, FL 34471.**

- **10.0 Definitions**

10.01 "Certified User" means any person who has completed at least one full session of product-specific training for Product.

10.02 "FARO" and "FARO Customer Service" means FARO Technologies, Inc.

10.03 "FARO Intellectual Property" means all intellectual property rights relating to any Product, including without limitation, patents, copyrights, trademarks, trade secrets, and know-how, and any derivative works, improvements, modifications, repairs, maintenance, enhancements, and updates of any Product.

10.04 "Purchaser" means the party buying Product and who is legally obligated under the Order.

10.05 "Software" means all computer programs, disk drive directory organization and content, including without limitation the devices containing such computer programs, disk drive directory organization, and content, sold pursuant to the Order.

10.06 "Purchase Price" means the agreed-upon price of Product set forth in the Order.

10.07 "Third-Party Product" shall mean any equipment, products, Software, or services of a third-party that FARO sells or makes available to Purchaser under an Order.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

THIRD AMENDMENT TO AGREEMENT FOR STORMWATER FENCING INSTALLATION AND REPAIRS

THIS THIRD AMENDMENT TO AGREEMENT FOR STORMWATER FENCING INSTALLATION AND REPAIRS ("Third Amendment") is entered into by and between the **CITY OF OCALA**, a Florida municipal corporation ("City") and **CHARLES WHITE FENCE, INC.,** a for-profit corporation duly organized and authorized to do business in the state of Florida (EIN: 20-8367837) ("Contractor").

WHEREAS, on January 5, 2022, City and Charles White Fence, Inc., entered into an Agreement for Stormwater Fencing Installation and Repairs (the "Original Agreement"), City of Ocala Contract No.: PWD/210562, for a term of three years from December 22, 2021 through December 21, 2024; and

WHEREAS, on October 17, 2024, City and Contractor entered into a First Amendment to Agreement for Stormwater Fencing Installation and Repairs (the "First Amendment") to extend the Original Agreement for the first of two (2) one-year renewal periods, from December 22, 2024 to December 21, 2025; and

WHEREAS, on December 18, 2025, City and Contractor entered into a Second Amendment to Agreement for Stormwater Fencing Installation and Repairs (the "Second Amendment") to extend the Original Agreement for the second of two (2) one-year renewal periods, from December 22, 2025 to December 21, 2026, and to revise the line items described in **Exhibit B – Price Proposal**; and

WHEREAS, City and Contractor now desire to further revise the line items described in **Exhibit B – Amended Price Proposal.**

NOW THEREFORE, in consideration of the foregoing recitals, the following mutual covenants and conditions, and other good and valuable consideration, City and Contractor agree as follows:

1. **RECITALS**. City and Contractor hereby represent, warrant, and agree that the Recitals set forth above are true and correct and are incorporated herein by reference.

2. **INCORPORATION OF ORIGINAL AGREEMENT.** The Original Agreement between City and Contractor is hereby incorporated by reference as if set forth herein in its entirety and remains in full force and effect, except for those terms and conditions expressly amended by this Third Amendment.

3. **AMENDMENT TO EXHIBIT B – PRICE PROPOSAL.** The document attached to the Second Amendment as **Exhibit B – Amended Price Proposal** is hereby deleted and replaced in its entirety with **Amended Exhibit B – Price Proposal**.

4. **NOTICES.** All notices, certifications or communications required by this Third Amendment shall be given in writing and shall be deemed delivered when personally served, or when received if by facsimile transmission with a confirming copy mailed by registered or certified mail, postage prepaid, return receipt requested. Notices can be concurrently delivered by e-mail. All notices shall be addressed to the respective parties as follows:

If to Contractor:

Charles White Fence, Inc.
Attention: Charles White
6828 NE Jacksonville Road
Ocala, Florida 34479
Phone: 352-369-9592
E-mail: cwhitefence@hotmail.com

Docusign Envelope ID: 0AF0C561-94D9-8F5B-80DB-F82DB444E10A

If to City of Ocala:	Patricia Lewis, Interim Director City of Ocala 110 SE Watula Avenue, 3rd Floor Ocala, Florida 34471 Phone: 352-629-8248 E-mail: notices@ocalafl.gov
Copy to:	William E. Sexton, Esq., City Attorney City of Ocala 110 SE Watula Avenue, 3rd Floor Ocala, Florida 34471 Phone: 352-401-3972 E-mail: cityattorney@ocalafl.gov

5. **COUNTERPARTS.** This Third Amendment may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument.

6. **ELECTRONIC SIGNATURE(S).** Contractor, if and by offering an electronic signature in any form whatsoever, will accept and agree to be bound by said electronic signature to all terms and conditions of this Third Amendment. Further, a duplicate or copy of the Third Amendment that contains a duplicated or non-original signature will be treated the same as an original, signed copy of this original Third Amendment for all purposes.

7. **LEGAL AUTHORITY**. Each person signing this Third Amendment on behalf of either party individually warrants that he or she has full legal power to execute this Third Amendment on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Third Amendment.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK. SIGNATURE PAGE TO FOLLOW.]

Docusign Envelope ID: 0AF0C561-94D9-8F5B-80DB-F82DB444E10A

IN WITNESS WHEREOF, the parties have executed this Third Amendment on 6/4/2026.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

Renewal of the Remix Services Agreement for SunTran

Remix Technologies LLC ("*Remix*") and City of Ocala, by and through SunTran ("Customer" and together with Remix, the "*Parties*") have entered into an agreement titled Remix Services Agreement for SunTran(the "*Agreement*") dated as of August 1, 2020 and extended by the Contract Assignment & Renewal #1. Upon execution of this Renewal (the "*Renewal*"), the Parties agree to the following:

1. Renewal. With effect from August 1, 2026 (the "*Effective Date*") the Parties hereby agree to extend the duration of the Agreement beyond its original duration from the Effective date for a period of 2 months until September 30, 2026.

2. Price. The Parties hereby agree to the following price structure:

Remix Transit Planning Platform License	Total Contract Value: $2,500 USD Pricing valid if signed by July 31, 2026. Includes: ● Remix licenses for an unlimited number of users within organization. ● Software as a Service (SaaS): fully hosted, cloud-based web platform. ● Platform functionality as described in the Agreement with continuous improvements released throughout the course of the contract ● Dedicated Customer Success staff ● Premium Enterprise Support: response to requests in 3 business days
Marketing Terms	Willingness to work with Remix to develop a case study, mutually agreeable press release, ability to use Customer as a reference.
Additional Services	Customer acknowledges that additional services, such as access to Company's (including its affiliates) proprietary technology platform used to establish, monitor, operate and/or manage fixed-route and demand responsive transit networks, may be added to this Agreement at an additional cost during the Term.
Payment Terms	Fees invoiced annually in advance of access, payable in 30 days from the date of invoice.

3. Conflicts, Use of Terms, Governing Law. Capitalized terms used but not defined herein have the meanings set forth in the Agreement. Except as expressly provided herein, the terms and conditions of the Agreement remain unchanged. This Renewal will be governed by the same law as the Agreement.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Docusign Envelope ID: B5E00E6A-741B-8724-80A6-AE70D7858334

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

Docusign Envelope ID: B5E00E6A-741B-8724-80A6-AE70D7858334

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

FIRST AMENDMENT TO AGREEMENT FOR SHIP/HOME/CDBG CONSTRUCTION OF A SINGLE-FAMILY HOME

THIS FIRST AMENDMENT TO AGREEMENT FOR SHIP/HOME/CDBG CONSTRUCTION OF A SINGLE-FAMILY HOME, ("First Amendment") is entered into by and between the **CITY OF OCALA**, a Florida municipal corporation ("City"), **CAROLINE D WOODBURY** and **DAVID WOODBURY** ("Owner"), and **BENTLEY PINDER CONSTRUCTION LLC,** a limited liability company duly organized and authorized to do business in the state of Florida (EIN: 26-0185384) ("Contractor").

WHEREAS, on March 24, 2026, City, Owner, and Contractor entered into an Agreement for SHIP/HOME/CDBG construction of a single-family home on a residential property located at 826 NW 6th Avenue, Ocala, Florida 34475 (the "Original Agreement"), City of Ocala Contract No.: CDS/250783A; and

WHEREAS, City, Owner, and Contractor now desire to amend the Original Agreement to reflect an increase in the Contract Price necessitated by the Work Change Directive issued May 9, 2026, and attached hereto as **Exhibit A – Work Change Directive**.

NOW THEREFORE, in consideration of each of the foregoing recitals and the following mutual covenants, conditions and other good and valuable consideration, the receipt and sufficiency of which is hereby mutually acknowledged, City, Owner and Contractor agree as follows:

1. **RECITALS.** City and Contractor hereby represent and warrant that the Recitals set forth above are true and correct.
2. **INCORPORATION OF ORIGINAL AGREEMENT**. The Original Agreement between City, Owner, and Contractor is hereby incorporated by reference as if set forth herein in its entirety and remains in full force and effect, except for those terms and conditions expressly amended by this First Amendment.
3. **AMENDMENT TO PARAGRAPH 5 – COMPENSATION.** The language contained in Paragraph 5 – Compensation of the Original Agreement is hereby deleted and replaced with the following (all remaining sections of Paragraph 5 – Compensation remain in effect):

   COMPENSATION. City shall pay Contractor, on behalf of the Owner, for the performance of the work, and in accordance with the contract documents, a total price in the amount of **ONE HUNDRED FORTY-ONE THOUSAND, FIFTY AND NO/100 DOLLARS ($141,050)**. It is understood the amounts to be paid will be for satisfactory work completed rather than the estimated prices. Payments shall be made at the unit price and/or lump sums specified for the various items in the Contractor's proposal as provided in the specifications.

   A. The modified Contract Price represents the sum of the original bid price of **$138,320** and the total cost of **Change Order #1** as set forth in **Exhibit A – Work Change Directive**.

4. **NOTICES**. All notices, certifications or communications required by this First Amendment shall be given in writing and shall be deemed delivered when personally served, or when received if by facsimile transmission with a confirming copy mailed by registered or certified mail, postage prepaid, return receipt requested. Notices can be concurrently delivered by email. All notices shall be addressed to the respective parties as follows:

If to Contractor:	Bentley Pinder Construction, LLC Attention: Bentley Pinder 5364 NW 55th Place Ocala, Florida 34482 E-Mail: bentlee@bpconstrllc.com PH: 352-266-1967
If to City as Agent for Owner:	Daphne Robinson, Esq., Contracting Officer City of Ocala 110 SE Watula Avenue, Third Floor Ocala, FL 34471 E-Mail: notices@ocalafl.gov PH: 352-629-8343
with copy to:	William E. Sexton, Esq., City Attorney City of Ocala 110 SE Watula Avenue, Third Floor Ocala, FL 34471 E-Mail: cityattorney@ocalafl.gov

5. **COUNTERPARTS.** This First Amendment may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument.
6. **ELECTRONIC SIGNATURE(S).** Contractor, if and by offering an electronic signature in any form whatsoever, will accept and agree to be bound by said electronic signature to all terms and conditions of this First Amendment. Further, a duplicate or copy of the First Amendment that contains a duplicated or non-original signature will be treated the same as an original, signed copy of this original First Amendment for all purposes.
7. **LEGAL AUTHORITY**. Each person signing this First Amendment on behalf of either party individually warrants that he or she has full legal power to execute this First Amendment on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this First Amendment.

FIRST AMENDMENT TO AGREEMENT FOR ANNUAL SIDEWALK MAINTENANCE AND REPAIR SERVICES

THIS FIRST AMENDMENT TO AGREEMENT FOR ANNUAL SIDEWALK MAINTENANCE AND REPAIR SERVICES ("First Amendment") is entered into by and between the **CITY OF OCALA**, a Florida municipal corporation ("City") and **MARION ROCK, LLC,** a limited liability company duly organized and authorized to do business in the state of Florida (EIN: 59-3402323) ("Contractor").

WHEREAS, on August 20, 2025, City and Contractor entered into an Agreement for Sidewalk Maintenance and Repair Services (the "Original Agreement"), City of Ocala Contract No.: CIP/250657, for a term beginning August 6, 2025, and ending August 5, 2027; and

WHEREAS, City and Contractor now wish to add two-line items to the original Price Proposal.

NOW THEREFORE, in consideration of the foregoing recitals, the following mutual covenants and conditions, and other good and valuable consideration, City and Contractor agree as follows:

1. **RECITALS**. City and Contractor hereby represent, warrant, and agree that the Recitals set forth above are true and correct and are incorporated herein by reference.
2. **INCORPORATION OF ORIGINAL AGREEMENT.** The Original Agreement between City and Contractor is hereby incorporated by reference as if set forth herein in its entirety and remains in full force and effect, except for those terms and conditions expressly amended by this First Amendment.
3. **AMENDMENT TO EXHIBIT B.** The document attached to the Original Agreement as **Exhibit B – Price Proposal** is hereby deleted in its entirety and replaced with **Amended Exhibit B – Price Proposal.**
4. **NOTICES.** All notices, certifications or communications required by this First Amendment shall be given in writing and shall be deemed delivered when personally served, or when received if by facsimile transmission with a confirming copy mailed by registered or certified mail, postage prepaid, return receipt requested. Notices can be concurrently delivered by e-mail. All notices shall be addressed to the respective parties as follows:

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

CONSTRUCTION SERVICES AGREEMENT FOR GRINDER PUMP INSTALLATION AND FORCE MAIN CONNECTION

THIS CONSTRUCTION SERVICES AGREEMENT FOR GRINDER PUMP INSTALLATION AND FORCE MAIN CONNECTION (Agreement") is entered into by and between the **CITY OF OCALA**, a Florida municipal corporation ("City"), and **BALANCED MECHANICAL SERVICES, LLC,** a limited liability company duly organized and authorized to do business in the state of Florida (EIN: 47-4242931) ("Contractor").

R E C I T A L S :

WHEREAS, on April 13, 2026, City issued a Request for Quote ("RFQ") for the provision of construction services related to pump station installation and connection, RFQ No.: ELE/260651 (the "Solicitation"); and

WHEREAS, one (1) firm responded to the Solicitation and, after consideration of price and other evaluation factors set forth in the Solicitation, Balanced Mechanical & Plumbing Services, LLC was found to be a responsive and responsible bidder; and

WHEREAS, Contractor was chosen as the intended awardee to provide construction services related to the grinder pump station installation and force main connection (the "Project"); and

WHEREAS, Contractor certifies that Contractor and its subcontractors are qualified and possess the required licensure and skill to perform the work required for the Project; and

NOW THEREFORE, in consideration of the foregoing recitals, the following mutual covenants and conditions, and other good and valuable consideration, City and Contractor agree as follows:

T E R M S O F A G R E E M E N T :

1. **RECITALS**. City and Contractor hereby represent, warrant, and agree that the Recitals set forth above are true and correct and are incorporated herein by reference.
2. **CONTRACT DOCUMENTS**. The Contract Documents which comprise the entire understanding between City and Contractor shall only include: (a) this Agreement; (b) those documents listed in this section as Exhibits to this Agreement; (c) the City's Solicitation for the Project and the quote submitted by Contractor in response to same (the "Solicitation Documents"); and (d) those documents identified in the Project Specifications section of this Agreement. Each of these documents are incorporated herein by reference for all purposes.
   If there is a conflict between the terms of this Agreement and the Contract Documents, then the terms of this Agreement shall control, amend, and supersede any conflicting terms contained in the remaining Contract Documents.
   A. **Exhibits to Agreement**: The Exhibits to this Agreement are as follows:

      Exhibit A: Scope of Work (A-1 through A-4)
      Exhibit B: Price Proposal (B-1)

      If there is a conflict between the individual Exhibits regarding the scope of work to be performed, then any identified inconsistency shall be resolved by giving precedence in the following order: (1) Exhibit A, then (2) Exhibit B.

   B. **Project Specifications**: In addition to the Contract Documents and up-to-date copies of shop drawings, this project will require the Contractor to have the following specifications and documents, which are incorporated by reference:

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

City of Ocala "Standard Specifications for Construction of Streets, Stormwater, Traffic, Water and Sewer Infrastructure" available at:
http://www.ocalafl.gov/home/showpublisheddocument/26969

If there is a conflict between the individual Project Specifications regarding the scope of work to be performed, then any identified inconsistency shall be resolved by giving precedents to the most restrictive specification.

3. **SCOPE OF SERVICES.** Contractor shall provide all materials, labor, supervision, tools, accessories, equipment, permits, fees, testing, inspections, certifications, and all other things necessary for Contractor to perform its obligations under this Agreement as set forth in the attached **Exhibit A - Scope of Work** and the Solicitation Documents. Prime contractor must perform a minimum of thirty percent (30%) of the work with its own forces. The Scope of Work under this Agreement may only be adjusted by written amendment executed by both parties.

4. **COMPENSATION.** City shall pay Contractor a maximum limiting amount of **FOURTEEN THOUSAND, EIGHT HUNDRED FIFTY-FIVE AND NO/100 DOLLARS ($14,855)** (the "Contract Sum") as full and complete compensation for the timely and satisfactory completion of the work in compliance with the unit pricing schedule in **Exhibit B – Price Proposal** and other requirements set forth in the Contract Documents. The pricing under this Agreement may only be adjusted by written amendment executed by both parties.

   A. **Monthly Progress Payments**: The compensation amount under this section shall be paid by City, monthly, based upon a percentage of completion of the work as invoiced by Contractor and approved by City. The compensation sought under this Agreement is subject to the express terms of this Agreement and any applicable federal and/or state laws.

   B. **Project Schedule and Progress Reports**. A progress report and updated project schedule must be submitted with each monthly pay request indicating the percent of services completed to date. This report will serve as support for payment to Contractor and the basis for payment in the event project is suspended or abandoned.

   C. **Invoice Submission**. All invoices submitted by Contractor shall include the City Contract Number, an assigned Invoice Number, and an Invoice Date. Contractor shall submit a Certificate of Disbursement of Payment with each invoice after the first payment. Contractor shall also submit an updated schedule with each invoice. Contractor shall be provided with a cover sheet for invoicing. This cover sheet must be filled out correctly and submitted with each invoice. Contractor shall submit the original invoice through the responsible City Project Manager at: **City of Ocala Electric Department,** Attn: Brittany Craven, **1805 NE 30th Ave. Bldg. 400, Ocala, FL 34470** E-Mail: Elecadmingrp@ocalafl.gov and bcraven@ocalafl.gov.

   D. **Payment of Invoices by City**. The City Project Manager must review and approve all invoices prior to payment. City Project Manager's approval shall not be unreasonably withheld, conditioned, or delayed. Payments by City shall be made no later than the time periods established in section 218.735, Florida Statutes.

   E. **Withholding of Payment**. City reserves the right to withhold, in whole or in part, payment for any and all work that: (i) has not been completed by Contractor; (ii) is inadequate or defective and has not been remedied or resolved in a manner satisfactory to the City Project

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

Manager; or (iii) which fails to comply with any term, condition, or other requirement under this Agreement. Any payment withheld shall be released and remitted to Contractor within **THIRTY (30)** calendar days of the Contractor's remedy or resolution of the inadequacy or defect.

F. **Excess Funds**. If due to mistake or any other reason Contractor receives payment under this Agreement in excess of what is provided for by the Agreement, Contractor shall promptly notify City upon discovery of the receipt of the overpayment. Any overpayment shall be refunded to City within **THIRTY (30)** days of Contractor's receipt of the overpayment or must also include interest calculated from the date of the overpayment at the interest rate for judgments at the highest rate as allowed by law.

G. **Amounts Due to the City**. Contractor must be current and remain current in all obligations due to the City during the performance of services under this Agreement. Payments to Contractor may be offset by any delinquent amounts due to the City or fees and/or charges owed to the City.

H. **Tax Exemption**. City is exempt from all federal excise and state sales taxes (State of Florida Consumer's Certification of Exemption 85-8012621655C-9). The City's Employer Identification Number is 59-60000392. Contractor shall not be exempted from paying sales tax to its suppliers for materials to fulfill contractual obligations with the City, nor will Contractor be authorized to use City's Tax Exemption Number for securing materials listed herein.

5. **TIME FOR PERFORMANCE**. Time is of the essence with respect to the performance of all duties, obligations, and responsibilities set forth in this Agreement and the Contract Documents.

A. Contractor shall mobilize and commence work no later than **FIVE (5)** working days from the date of issuance of a Notice to Proceed for the project by City. At no time will the Contractor be allowed to lag behind.

B. **All work shall be substantially completed by Contractor in a manner satisfactory to the City Project Manager within NINETY (90) days of the start date indicated on the Notice to Proceed and ready for final payment within NINETY (90) DAYS of substantial completion.**

C. The Time for Performance under this Agreement may only be adjusted by Change Order, in the sole and absolute discretion of City. Any request for an extension of the Time for Performance must be submitted in a writing delivered to the City Project Manager, along with all supporting data, within **SEVEN (7)** calendar days of the occurrence of the event giving rise to the need for adjustment unless the City allows an additional period of time to ascertain more accurate data. All requests for adjustments in the Contract Time shall be determined by City.

D. **Weather Days:** Contractor shall submit a written request to the City Project (e-mail is the preferred method) for additional days for which work is suspended or delayed by weather. Weather days shall be reconciled with each monthly pay application for the time period which the application is submitted and shall be final. Contractor performance and execution of work shall be considered in the determination for granting additional days.

E. As to any delay, inefficiency, or interference in this performance of this Agreement caused by any act or failure to act by City, the Contractor's sole remedy shall be the entitlement of an

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

extension of time to complete the performance of the affected work in accordance with the Contract Documents. Contractor agrees to make no claim for extra or additional costs attributable to said delays, inefficiencies or interference, except as provided in this Agreement.

F. None of the provisions of this section shall exclude City's right of recovery for damages caused by delays or inefficiencies caused by any act or failure to act by Contractor, to include costs incurred by City for the procurement of additional professional services.

6. **LIQUIDATED DAMAGES FOR LATE COMPLETION**. The parties agree that it would be extremely difficult and impracticable under the presently known facts and anticipated circumstances to ascertain and fix the actual damages that City and its residents would incur should Contractor fail to achieve Substantial Completion and/or Final Completion and readiness for final payment by the dates specified for each under the terms of this Agreement. Accordingly, the parties agree that should Contractor fail to achieve Substantial Completion by the date specified, then Contractor shall pay City, as liquidated damages and not as a penalty, the sum of **ONE HUNDRED AND NO/100 DOLLARS ($100)** per day for each calendar day of unexcused delay in achieving Substantial Completion beyond the date specified for Substantial Completion in the Contract Documents. After Substantial Completion, if Contractor shall neglect, refuse, or fail to complete the remaining work within the time specified in the Contract Documents for Final Completion and readiness for final payment or any proper extension thereof granted by City, Contractor shall pay City, as liquidated damages and not as a penalty, additional sum of **ONE HUNDRED AND NO/100 DOLLARS ($100)** per day for each calendar day of unexcused delay in achieving completion and readiness for final payment.

A. **No Waiver of Rights or Liabilities**. Permitting Contractor to continue and finish the work, or any part thereof, beyond the dates specified for Substantial Completion and/or Final Completion and readiness for final payment shall not operate as a waiver on the part of the City of any of its rights under this Agreement. Any liquidated damages assessed pursuant to this section shall not relieve Contractor from liability for any damages or costs of other contractors caused by a failure of Contractor to complete the work as agreed.

B. **Right to Withhold or Deduct Damages**. When liquidated damages are due and owing, City shall have the right to: (1) deduct the liquidated damages from any money in its hands or from any money otherwise due or to become due to Contractor; or to (2) initiate any applicable dispute resolution procedure for the recovery of liquidated damages within the times specified under this Agreement.

C. **Non-Cumulative**. The parties agree and understand that the amounts set forth under this section for liquidated damages are not cumulative with one another. The amount set forth as liquidated damages for Contractor's failure to achieve Substantial Completion shall be assessed upon default and continue until Substantial Completion is attained. The amount set forth as liquidated damages for Contractor's failure to achieve Final Completion and readiness for payment shall be assessed after Substantial Completion is attained and apply until Final Completion is attained.

D. **Additional Costs.** In addition to the liquidated damages set forth under this section, Contractor agrees to pay all costs and expenses incurred by City due to Contractor's delay in performance to include inspection fees, superintendence costs, and travel expenses.

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

E. **Injunctive Relief.** The parties acknowledge that monetary damages may not be a sufficient remedy for Contractor's failure to achieve Substantial Completion or Final Completion in accordance with the terms of this Agreement, and that City shall be entitled, in addition to all other rights or remedies in law and equity, to seek injunctive relief.

7. **DELAYS AND DAMAGES.** The Contractor agrees to make no claim for extra or additional costs attributable to any delays, inefficiencies, or interference in the performance of this contract occasioned by any act or omission to act by the City except as provided in the Agreement. The Contractor also agrees that any such delay, inefficiency, or interference shall be compensated for solely by an extension of time to complete the performance of the work in accordance with the provision in the standard specification.

8. **FORCE MAJEURE**. Neither party shall be liable for delay, damage, or failure in the performance of any obligation under this Agreement if such delay, damage, or failure is due to causes beyond its reasonable control, including without limitation: fire, flood, strikes and labor disputes, acts of war, acts of nature, terrorism, civil unrest, acts or delays in acting of the government of the United States or the several states, judicial orders, decrees or restrictions, or any other like reason which is beyond the control of the respective party ("Force Majeure"). The party affected by any event of force majeure shall use reasonable efforts to remedy, remove, or mitigate such event and the effects thereof with all reasonable dispatch.

   A. The party affected by force majeure shall provide the other party with full particulars thereof including, but not limited to, the nature, details, and expected duration thereof, as soon as it becomes aware.

   B. When force majeure circumstances arise, the parties shall negotiate in good faith any modifications of the terms of this Agreement that may be necessary or appropriate in order to arrive at an equitable solution. Contractor performance shall be extended for a number of days equal to the duration of the force majeure. Contractor shall be entitled to an extension of time only and, in no event, shall Contractor be entitled to any increased costs, additional compensation, or damages of any type resulting from such force majeure delays.

9. **INSPECTION AND ACCEPTANCE OF THE WORK**. Contractor shall report its progress to the City Project Manager as set forth herein. All services, work, and materials provided by Contractor under this Agreement shall be provided to the satisfaction and approval of the City Project Manager.

   A. The City Project Manager shall decide all questions regarding the quality, acceptability, and/or fitness of materials furnished, or workmanship performed, the rate of progress of the work, the interpretation of the plans and specifications, and the acceptable fulfillment of the Agreement, in his or her sole discretion, based upon both the requirements set forth by City and the information provided by Contractor in its Bid. The authority vested in the City Project Manager pursuant to this paragraph shall be confined to the direction or specification of what is to be performed under this Agreement and shall not extend to the actual execution of the work.

   B. Neither the City Project Manager's review of Contractor's work nor recommendations made by City Project Manager pursuant to this Agreement will impose on City Project Manager any responsibility to supervise, direct, or control Contractor's work in progress or for the means,

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

methods, techniques, sequences, or procedures of construction or safety precautions or programs incident Contractor's furnishing and performing the work.

10. **TERMINATION AND DEFAULT**. Either party, upon determination that the other party has failed or refused to perform or is otherwise in breach of any obligation or provision under this Agreement or the Contract Document, may give written notice of default to the defaulting party in the manner specified for the giving of notices herein. Termination of this Agreement by either party for any reason shall have no effect upon the rights or duties accruing to the parties prior to termination.

    A. **Termination by City for Cause**. City shall have the right to terminate this Agreement immediately, in whole or in part, upon the failure of Contractor to carry out any obligation, term, or condition of this Agreement. City's election to terminate the Agreement for default shall be communicated by providing Contractor written notice of termination in the manner specified for the giving of notices herein. Any notice of termination given to Contractor by City shall be effective immediately, unless otherwise provided therein, upon the occurrence of any one or more of the following events:

        (1) Contractor fails to timely and properly perform any of the services set forth in the specifications of the Agreement;

        (2) Contractor provides material that does not meet the specifications of the Agreement;

        (3) Contractor fails to complete the work required within the time stipulated in the Agreement; or

        (4) Contractor fails to make progress in the performance of the Agreement and/or gives City reason to believe that Contractor cannot or will not perform to the requirements of the Agreement.

    B. **Contractor's Opportunity to Cure Default**. City may, in its sole discretion, provide Contractor with an opportunity to cure the violations set forth in City's notice of default to Contractor. Contractor shall commence to cure the violations immediately and shall diligently and continuously prosecute such cure to completion within a reasonable time as determined by City. If the violations are not corrected within the time determined to be reasonable by City or to the reasonable satisfaction of City, City may, without further notice, declare Contractor to be in breach of this Agreement and pursue all remedies available at law or equity, to include termination of this Agreement without further notice.

    C. **City's Remedies Upon Contractor Default**. In the event that Contractor fails to cure any default under this Agreement within the time period specified in this section, City may pursue any remedies available at law or equity, including, without limitation, the following:

        (1) City shall be entitled to terminate this Agreement without further notice;

        (2) City shall be entitled to hire another contractor to complete the required work in accordance with the needs of City;

        (3) City shall be entitled to recover from Contractor all damages, costs, and attorney's fees arising from Contractor's default prior to termination; and

        (4) City shall be entitled to recovery from Contractor any actual excess costs by: (i) deduction from any unpaid balances owed to Contractor; (ii) any other remedy as provided by law.

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

D. **Termination for Convenience**. City reserves the right to terminate this Agreement in whole or in part at any time for the convenience of City without penalty or recourse. The City Project Manager shall provide written notice of the termination. Upon receipt of the notice, Contractor shall immediately discontinue all work as directed in the notice, notify all subcontractors of the effective date of the termination, and minimize all further costs to City including, but not limited to, the placing of any and all orders for materials, facilities, or supplies, in connection with its performance under this Agreement. Contractor shall be entitled to receive compensation solely for: (1) the actual cost of the work completed in conformity with this Agreement; and/or (2) such other costs incurred by Contractor as permitted under this Agreement and approved by City.

11. **WARRANTY.** Contractor warrants that all labor, materials, and equipment furnished under the agreement are new, of the type and quality required for the Project, and installed in a good and workmanlike manner in accordance with the Contract Documents. Contractor shall guarantee that the work shall be free from any defects in workmanship for a period of not less than **ONE (1)** year from the date of Final Completion. Contractor shall guarantee that the materials provided shall be free from any defects for the longer of: (1) **ONE (1)** year from the date of Final Completion; or (2) the period of warranty provided by any supplier or manufacturer. All written manufacturers' warranties for materials supplied must be provided to the City Project Manager before final payment will be authorized.

12. **PERFORMANCE EVALUATION**. At the end of the contract, City may evaluate Contractor's performance. Any such evaluation will become public record.

13. **NOTICE REGARDING FAILURE TO FULFILL AGREEMENT**. Any contractor who enters into an Agreement with the City of Ocala and fails to complete the contract term, for any reason, shall be subject to future bidding suspension for a period of **ONE (1)** year and bid debarment for a period of up to **THREE (3)** years for serious contract failures.

14. **CONTRACTOR REPRESENTATIONS**. Contractor expressly represents that:

    A. Contractor has read and is fully familiar with all the terms and conditions of this Agreement, the Contract Documents, and other related data and acknowledges that they are sufficient in scope and detail to indicate and convey understanding of all terms and conditions of the work to be performed by Contractor under this Agreement.

    B. Contractor has disclosed, in writing, all known conflicts, errors, inconsistencies, discrepancies, or omissions discovered by Contractor in the Contract Documents, and that the City's written resolution of same is acceptable to Contractor.

    C. Contractor has had an opportunity to visit, has visited, or has had an opportunity to examine and ask questions regarding the sites upon which the work is to be performed and is satisfied with the site conditions that may affect cost, progress, and performance of the work, as observable or determinable by Contractor's own investigation.

    D. Contractor is satisfied with the site conditions that may affect cost, progress, and performance of the work, as observable or determinable by Contractor's own investigation.

    E. Contractor is familiar with all local, state, and Federal laws, regulations, and ordinances which may affect cost, progress, or its performance under this Agreement whatsoever.

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

F. **Public Entity Crimes.** Neither Contractor, its parent corporations, subsidiaries, members, shareholders, partners, officers, directors or executives, nor any of its affiliates, contractors, suppliers, subcontractors, or consultants under this Agreement have been placed on the convicted vendor list following a conviction of a public entity crime. Contractor understands that a "public entity crime" as defined in section 287.133(1)(g), Florida Statutes, is "a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States…" Contractor further understands that any person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime: (1) may not submit a bid, proposal, or reply on a contract: (a) to provide any goods or services to a public entity; (b) for the construction or repair of a public building or public work; or (c) for leases of real property to a public entity; (2) may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and (3) may not transact business with any public entity in excess of the threshold amount provided in section 287.017, Florida Statutes, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

15. **CONTRACTOR RESPONSIBILITIES**. Except as otherwise specifically provided for in this Agreement, the following provisions are the responsibility of the Contractor:

A. Contractor shall competently and efficiently supervise, inspect, and direct all work to be performed under this Agreement, devoting such attention thereto and applying such skills and expertise as may be necessary to perform the work in accordance with the Contract Documents.

B. Contractor shall be solely responsible for the means, methods, techniques, sequences, or procedures of construction and safety precautions or programs incident thereto.

C. Contractor shall be responsible to see that the finished work complies accurately with this Agreement and the intent thereof.

D. Contractor shall comply with all local, state, and Federal laws, regulations, and ordinances which may affect cost, progress, or its performance under this Agreement, including, but not limited to obtaining all permits, licenses, and other authorizations necessary for the prosecution of the work and be responsible for all costs associated with same.

E. Contractor shall operate and cause all construction equipment and materials supplied for or intended to be utilized in the Project to be operated and stored in only those areas prescribed by City. This includes the operations of workmen.

F. Contractor shall be fully responsible for receipt, inspection, acceptance, handling, and storage of all construction equipment and materials supplied for or intended to be utilized in the Project, whether furnished by Contractor or City. Contractor shall be responsible for providing adequate safeguards to prevent loss, theft, damage, or commingling with other materials or projects.

G. Contractor shall continue its performance under this Agreement during the pendency of any dispute or disagreement arising out of or relating to this Agreement, except as Contractor and City may otherwise agree in writing.

16. **NO EXCLUSIVITY**. It is expressly understood and agreed by the parties that this is not an exclusive agreement. Nothing in this Agreement shall be construed as creating any exclusive

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

arrangement with Contractor or as prohibit City from either acquiring similar, equal, or like goods and/or services or from executing additional contracts with other entities or sources.

17. **RIGHT OF ACCESS AND OTHER WORK PERFORMED BY THIRD PARTIES**. City may perform additional work related to the Project itself, or have additional work performed by utility service companies, or let other direct contracts therefore which shall contain General Conditions similar to these. Contractor shall afford the utility service companies and the other contractors who are parties to such direct contracts (or City, if City is performing the additional work with City's employees) reasonable opportunity for the introduction and storage of materials and equipment and the execution of work and shall properly connect and coordinate his work with theirs.

    A. If any part of Contractor's work depends for proper execution or results upon the work of any such other contractor or utility service company (or City), Contractor shall inspect and promptly report to City in writing any latent or apparent defects or deficiencies in such work that render it unsuitable for such proper execution and results. Contractor's failure to so report shall constitute an acceptance of the other work as fit and proper for integration with Contractor's work except for latent or non-apparent defects and deficiencies in the other work.

    B. Contractor shall do all cutting, fitting, and patching of work that may be required to make the parts come together properly and integrate with such other work. Contractor shall not endanger any work of others by cutting, excavating, or otherwise altering their work, and will only cut or alter their work with the written consent of City.

18. **STORAGE OF MATERIALS/EQUIPMENT**. Contractor shall be fully responsible for receipt, inspection, acceptance, handling, and storage of equipment and materials (whether furnished by Contractor or City) to be utilized in the performance of or incorporated into the work.

19. **RESPONSIBILITIES OF CITY.** City or its representative shall issue all communications to Contractor. City has the authority to request changes in the work in accordance with the terms of this Agreement and with the terms in **Exhibit A – Scope of Work.** City has the authority to stop work or to suspend any work.

20. **COMMERCIAL AUTO LIABILITY INSURANCE.** Contractor shall procure, maintain, and keep in full force, effect, and good standing for the life of this Agreement a policy of commercial auto liability insurance with a minimum combined single limit of One Million Dollars ($1,000,000) per occurrence for bodily injury and property damage arising out of Contractor's operations and covering all owned, hired, scheduled, and non-owned automobiles utilized in said operations. If Contractor does not own vehicles, Contractor shall maintain coverage for hired and non-owned automobile liability, which may be satisfied by way of endorsement to Contractor's Commercial General Liability policy or separate Commercial Automobile Liability policy.

21. **COMMERCIAL GENERAL LIABILITY INSURANCE.** Contractor shall procure, maintain, and keep in full force, effect, and good standing for the life of this Agreement a policy of Commercial General Liability insurance with limits not less than:

    A. One Million Dollars ($1,000,000) per occurrence and Two Million Dollars ($2,000,000) aggregate (or project aggregate, if a construction project) for bodily injury, property damage, and personal and advertising injury; and

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

B. One Million Dollars ($1,000,000) per occurrence and Two Million Dollars ($2,000,000) aggregate (or project aggregate, if a construction project) for products and completed operations.

C. Policy must include coverage for contractual liability and independent contractors.

D. Policy must include Additional Insured coverage in favor of the City that is no less restrictive than that afforded under the CG 20 26 04 13 Additional Insured Form.

22. **WORKERS' COMPENSATION AND EMPLOYER'S LIABILITY.** Worker's Compensation insurance shall be provided by Contractor as required by Chapter 440, Florida Statutes, or any other applicable state or federal law, including the U.S. Longshoremen's and Harbor Workers Compensation Act and the Jones Act.

A. Contractor shall similarly require any and all subcontractors to afford such coverage for all of its employees as required by applicable law.

B. Contractor shall waive and shall ensure that Contractor's insurance carrier waives, all subrogation rights against the City of Ocala and its officers, employees, and volunteers for all losses or damages. Contractor's policy shall be endorsed with WC 00 03 13 Waiver of our Right to Recover from Others or its equivalent.

C. Exceptions and exemptions to this Section may be allowed at the discretion of the City's Risk Manager on a case-by-case basis in accordance with Florida Statutes and shall be evidenced by a separate waiver.

23. **ADDITIONAL INSURANCE REQUIREMENTS.**

A. Contractor's insurance coverage shall be primary insurance for all applicable policies. The limits of coverage under each policy maintained by Contractor shall not be interpreted as limiting Contractor's liability or obligations under this Agreement. City does not in any way represent that these types or amounts of insurance are sufficient or adequate enough to protect Contractor's interests or liabilities or to protect Contractor from claims that may arise out of or result from the negligent acts, errors, or omissions of Contractor, any of its agents or subcontractors, or for anyone whose negligent act(s) Contractor may be liable.

B. No insurance shall be provided by the City for Contractor under this Agreement and Contractor shall be fully and solely responsible for any costs or expenses incurred as a result of a coverage deductible, co-insurance penalty to include any loss not covered because of the operation of such deductible, co-insurance penalty, or coverage exclusion or limitation.

C. **Certificates of Insurance**. No work shall be commenced by Contractor under this Agreement until the required Certificate of Insurance and endorsements have been provided nor shall Contractor allow any subcontractor to commence work until all similarly required certificates and endorsements of the subcontractor have also been provided. Work shall not continue after expiration (or cancellation) of the Certificate of Insurance and work shall not resume until a new Certificate of Insurance has been provided. **Contractor shall provide evidence of insurance in the form of a valid Certificate of Insurance (binders are unacceptable) prior to the start of work contemplated under this Agreement to: City of Ocala. Attention: Procurement & Contracting Department, Address: 110 SE Watula Avenue, Third Floor, Ocala Florida 34471, E-Mail: vendors@ocalafl.gov.** Contractor's Certificate of Insurance and required endorsements shall be issued by an agency authorized to do business

in the State of Florida with an A.M. Best Rating of A or better. The Certificate of Insurance shall indicate whether coverage is being provided under a claims-made or occurrence form. If any coverage is provided on a claims-made form, the Certificate of Insurance must show a retroactive date, which shall be the effective date of the initial contract or prior.

D. **City as an Additional Insured**. The City of Ocala shall be named as an Additional Insured and Certificate Holder on all liability on all liability policies identified in this Section with the exception of Workers' Compensation, Auto Liability (except when required by Risk Management) and Professional Liability policies**. Workers Compensation policy must contain a Waiver of Subrogation in favor of the City**.

E. **Notice of Cancellation of Insurance**. Contractor's Certificate of Insurance shall provide **THIRTY (30) DAY** notice of cancellation, **TEN (10) DAY** notice if cancellation is for non-payment of premium. In the vent that Contractor's insurer is unable to accommodate the cancellation notice requirement, it shall be the responsibility of Contractor to provide the proper notice. Such notification shall be in writing by registered mail, return receipt requested, and addressed to the certificate holder. Additional copies may be sent to the City of Ocala at vendors@ocalafl.gov.

F. **Failure to Maintain Coverage**. The insurance policies and coverages set forth above are required and providing proof of and maintaining insurance of the types and with such terms and limits set forth above is a material obligation of Contractor. Contractor's failure to obtain or maintain in full force and effect any insurance coverage required under this Agreement shall constitute material breach of this Agreement.

G. **Severability of Interests**. Contractor shall arrange for its liability insurance to include, or be endorsed to include a severability of interests/cross-liability provision so that the "City of Ocala" (where named as an additional insured) will be treated as if a separate policy were in existence, but without increasing the policy limits.

27. **SAFETY/ENVIRONMENTAL.** Contractor shall be responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with the Work. Contractor shall make an effort to detect hazardous conditions and shall take prompt action where necessary to avoid accident, injury or property damage. EPA, DEP, OSHA and all other applicable safety laws and ordinances shall be followed as well as American National Standards Institute Safety Standards. Contractor shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury, or loss to:

A. All employees on the work and other persons that may be affected thereby;

B. All work, materials and equipment to be incorporated therein, whether in storage on or off the site; and

C. Other property at the site or adjacent thereto, including trees, shrubs, lawns, walks, pavements, roadways, structures, and utilities not designated for removal, relocation, or replacement in the course of construction.

All, injury, or loss to any property caused, directly or indirectly, in whole or in part, by Contractor, any subcontractor, or anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, shall be remedied by Contractor. Contractor's duties and responsibilities for the safety and protection of the work shall continue until such time as the work is completed and accepted by City.

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

28. **TRAFFIC CONTROL AND BARRICADES.** The Contractor shall mitigate impact on local traffic conditions to all extents possible. The Contractor is responsible for establishing and maintaining appropriate traffic control and barricades. The Contractor shall provide sufficient signing, flagging and barricading to ensure the safety of vehicular and pedestrian traffic at all locations where work is being done under this Agreement.

    a. In addition to the requirements set forth in its bid, the Contractor shall maintain at all times a good and sufficient fence, railing or barrier around all exposed portions of said work in such a manner as to warn vehicular and pedestrian traffic of hazardous conditions.

    b. Should Contractor fail to properly barricade his work or stored material sites in the manner outlined above, the City may have the necessary barricading done, and all cost incurred for said barricading shall be charged to the Contractor.

29. **WORK SITE AND CLEANUP.** Daily, during the progress of the work, Contractor shall keep the premises free from accumulations of waste materials, rubbish, and all other debris resulting from the work. At the completion of the work, Contractor shall remove all waste materials, rubbish, and debris from and about the premises, as well as all tools, appliances, construction equipment and machinery, and surplus materials, and shall leave the site clean and ready for occupancy by City. Contractor shall provide an inventory listing of all surplus materials in an area designated by City. Contractor shall restore to their original condition those portions of the site not designated or alteration by this Agreement.

30. **CONSTRUCTION SURVEY LAYOUT.** The work to be performed pursuant to survey work provided by City shall be completed as necessary to establish all proper alignments, right of way, easements, benchmarks, elevations and grade stakes to complete all phases of this Contract.

    A. Contractor shall immediately bring to City's attention any survey issues that would impede the Contractor's completion of the work. The work performed pursuant to survey work at the Contractor's expense pursuant to this Agreement shall be prepared by a licensed surveyor and provided to the City. Any survey issues with these surveys that would impede the Contractor's completion of the work shall immediately be brought to the City's attention. If additional or corrective survey work is required, it shall be at Contractor's expense.

    B. The City Engineer/City Project Manager shall establish a number of benchmarks on the project which in their opinion will enable the Contractor to perform the work. If Contractor shall remove or destroy any stake, marker or benchmark on the work without first having secured the approval of the City Engineer/City Project Manager, such stake, or benchmark shall be re-established by and at Contractor's expense.

    C. It shall be the responsibility of Contractor to preserve all adjacent property corner markers which might be affected by their operations and replace same if undermined. Corner locations known by City will be made available to Contractor. All original field notes, calculations, and other documents developed by the surveyor in conjunction with this work shall be given to City and become City property. All surveying work must be in accordance with Chapters 177 and 472 of Florida Statutes and Chapter 6IG17 of the Florida Administrative Code.

31. **NON-DISCRIMINATORY EMPLOYMENT PRACTICES**. During the performance of the contract, the Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, ancestry, national origin, sex, pregnancy, age, disability, sexual orientation, gender identity, marital or domestic partner status, familial status, or veteran status and shall take

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

affirmative action to ensure that an employee or applicant is afforded equal employment opportunities without discrimination. Such action shall be taken with reference to, but not limited to: recruitment, employment, termination, rates of pay or other forms of compensation and selection for training or retraining, including apprenticeship and on-the-job training.

32. **SUBCONTRACTORS.** Nothing in this Agreement shall be construed to create, impose, or give rise to any duty owed by City or its representatives to any subcontractor of Contractor or any other persons or organizations having a direct contract with Contractor, nor shall it create any obligation on the part of City or its representatives to pay or seek payment of any monies to any subcontractor of Contractor or any other persons or organizations having a direct contract with Contractor, except as may otherwise be required by law. City shall not be responsible for the acts or omissions of any Contractor, subcontractor, or of any of their agents or employees, nor shall it create any obligation on the part of City or its representatives to pay or to seek the payment of any monies to any subcontractor or other person or organization, except as may otherwise be required by law.

33. **EMERGENCIES**. In an emergency affecting the welfare and safety of life or property, Contractor, without special instruction or authorization from the City Project Manager, is hereby permitted, authorized and directed to act at its own discretion to prevent threatened loss or injury. Except in the case of an emergency requiring immediate remedial work, any work performed after regular working hours, on Saturdays, Sundays or legal holidays, shall be performed without additional expense to the City unless such work has been specifically requested and approved by the City Project Manager. Contractor shall be required to provide to the City Project Manager with the names, addresses and telephone numbers of those representatives who can be contacted at any time in case of emergency. Contractor's emergency representatives must be fully authorized and equipped to correct unsafe or excessively inconvenient conditions on short notice by City or public inspectors.

34. **INDEPENDENT CONTRACTOR STATUS.** Contractor acknowledges and agrees that under this Agreement, Contractor and any agent or employee of Contractor shall be deemed at all times to be an independent contractor and shall be wholly responsible for the manner in which it performs the services and work required under this Agreement. Neither Contractor nor its agents or employees shall represent or hold themselves out to be employees of City at any time. Neither Contractor nor its agents or employees shall have employee status with City. Nothing in this Agreement shall constitute or be construed to create any intent on the part of either party to create an agency relationship, partnership, employer-employee relationship, joint venture relationship, or any other relationship which would allow City to exercise control or discretion over the manner or methods employed by Contractor in its performance of its obligations under this Agreement.

35. **ACCESS TO FACILITIES.** City shall provide Contractor with access to all City facilities as is reasonably necessary for Contractor to perform its obligations under this Agreement.

36. **ASSIGNMENT.** Neither party may assign its rights or obligations under this Agreement to any third party without the prior express approval of the other party, which shall not be unreasonably withheld.

37. **RIGHT OF CITY TO TAKE OVER CONTRACT.** Should the work to be performed by Contractor under this Agreement be abandoned, or should Contractor become insolvent, or if Contractor shall assign or sublet the work to be performed hereunder without the written consent of City,

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

the City Project Manager shall have the power and right to hire and acquire additional men and equipment, supply additional material, and perform such work as deemed necessary for the completion of this Agreement. Under these circumstances, all expenses and costs actually incurred by City to accomplish such completion shall be credited to City along with amounts attributable to any other elements of damage and certified by the City Project Manager. The City Project Manager's certification as to the amount of such liability shall be final and conclusive.

38. **PUBLIC RECORDS.** The Contractor shall comply with all applicable provisions of the Florida Public Records Act, Chapter 119, Florida Statutes. Specifically, the Contractor shall:

    A. Keep and maintain public records required by the public agency to perform the service.

    B. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.

    C. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the Contractor does not transfer the records to the public agency.

    D. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the Contractor or keep and maintain public records required by the public agency to perform the service. If the Contractor transfers all public records to the public agency upon completion of the contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: CITY OF OCALA, OFFICE OF THE CITY CLERK; 352-629-8266; E-mail: clerk@ocalafl.gov; City Hall, 110 SE Watula Avenue, Ocala, FL 34471.

39. **AUDIT.** Contractor shall comply and cooperate immediately with any inspections, reviews, investigations, or audits relating to this Agreement as deemed necessary by the Florida Office of the Inspector General, the City's Internal or External auditors or by any other Florida official with proper authority.

40. **PUBLICITY.** Contractor shall not use City's name, logo, seal or other likeness in any press release, marketing materials, or other public announcement without City's prior written approval.

41. **E-VERIFY.** Pursuant to section 448.095, Contractor shall register with and use the U.S. Department of Homeland Security's ("DHS") E-Verify System, accessible at https://e-

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

verify.uscis.gov/emp, to verify the work authorization status of all newly hired employees. Contractor shall obtain affidavits from any and all subcontractors in accordance with paragraph 2(b) of section 448.095, Florida Statutes, and maintain copies of such affidavits for the duration of this Agreement. By entering into this Agreement, Contractor certifies and ensures that it utilizes and will continue to utilize the DHS E-Verify System for the duration of this Agreement and any subsequent renewals of same. Contractor understands that failure to comply with the requirements of this section shall result in the termination of this Agreement and Contractor may lose the ability to be awarded a public contract for a minimum of one (1) year after the date on which the Agreement was terminated. Contractor shall provide a copy of its DHS Memorandum of Understanding upon City's request. Please visit www.e-verify.gov for more information regarding the E-Verify System.

42. **CONFLICT OF INTEREST.** Contractor is required to have disclosed, with the submission of their bid, the name of any officer, director, or agent who may be employed by the City. Contractor shall further disclose the name of any City employee who owns, directly or indirectly, any interest in Contractor's business or any affiliated business entity. Any additional conflicts of interest that may occur during the contract term must be disclosed to the City of Ocala Procurement Department.

43. **WAIVER.** The failure or delay of any party at any time to require performance by another party of any provision of this Agreement, even if known, shall not affect the right of such party to require performance of that provision or to exercise any right, power or remedy hereunder. Any waiver by any party of any breach of any provision of this Agreement should not be construed as a waiver of any continuing or succeeding breach of such provision, a waiver of the provision itself, or a waiver of any right, power or remedy under this Agreement. No notice to or demand on any party in any circumstance shall, of itself, entitle such party to any other or further notice or demand in similar or other circumstances.

44. **SEVERABILITY OF ILLEGAL PROVISIONS.** Wherever possible, each provision of this Agreement shall be interpreted in such a manner as to be effective and valid under the applicable law. Should any portion of this Agreement be declared invalid for any reason, such declaration shall have no effect upon the remaining portions of this Agreement.

45. **INDEMNITY.** Contractor shall indemnify, defend, and hold harmless City and its elected officials, employees and volunteers against any actions, claims, or damages arising out of, relating to, or resulting from negligent or wrongful acts of Contractor, or any of its officers, agents, or employees, acting within the scope of their office or employment, in connection with the rights granted to or exercised by Contractor.

46. **NO WAIVER OF SOVEREIGN IMMUNITY.** Nothing herein is intended to waive sovereign immunity by the City to which sovereign immunity may be applicable, or of any rights or limits of liability existing under Florida Statute § 768.28. This term shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until any proceeding brought under this Agreement is barred by any applicable statute of limitations.

47. **NOTICES.** All notices, certifications or communications required by this Agreement shall be given in writing and shall be deemed delivered when personally served, or when received if by facsimile transmission with a confirming copy mailed by registered or certified mail, postage prepaid, return receipt requested. Notices can be concurrently delivered by e-mail. All notices shall be addressed to the respective parties as follows:

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

If to Contractor:	Balanced Mechanical Services, LLC Attention: Robert Boyer 1865 NE Jacksonville Road Ocala, FL, 34470 Phone: 352-351-5560 E-mail: bids@balancedmech.com

48. **ATTORNEYS' FEES.** If any civil action, arbitration or other legal proceeding is brought for the enforcement of this Agreement, or because of an alleged dispute, breach, default or misrepresentation in connection with any provision of this Agreement, the successful or prevailing party shall be entitled to recover reasonable attorneys' fees, sales and use taxes, court costs and all expenses reasonably incurred even if not taxable as court costs (including, without limitation, all such fees, taxes, costs and expenses incident to arbitration, appellate, bankruptcy and post-judgment proceedings), incurred in that civil action, arbitration or legal proceeding, in addition to any other relief to which such party or parties may be entitled. Attorneys' fees shall include, without limitation, paralegal fees, investigative fees, administrative costs, sales and use taxes and all other charges reasonably billed by the attorney to the prevailing party.

49. **JURY WAIVER.** IN ANY CIVIL ACTION, COUNTERCLAIM, OR PROCEEDING, WHETHER AT LAW OR IN EQUITY, WHICH ARISES OUT OF, CONCERNS, OR RELATES TO THIS AGREEMENT, ANY AND ALL TRANSACTIONS CONTEMPLATED HEREUNDER, THE PERFORMANCE HEREOF, OR THE RELATIONSHIP CREATED HEREBY, WHETHER SOUNDING IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE, TRIAL SHALL BE TO A COURT OF COMPETENT JURISDICTION AND NOT TO A JURY. EACH PARTY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY. NEITHER PARTY HAS MADE OR RELIED UPON ANY ORAL REPRESENTATIONS TO OR BY ANY OTHER PARTY REGARDING THE ENFORCEABILITY OF THIS PROVISION. EACH PARTY HAS READ AND UNDERSTANDS THE EFFECT OF THIS JURY WAIVER PROVISION.

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

50. **GOVERNING LAW.** This Agreement is and shall be deemed to be a contract entered and made pursuant to the laws of the state of Florida and shall in all respects be governed, construed, applied and enforced in accordance with the laws of the state of Florida.

51. **JURISDICTION AND VENUE.** The parties acknowledge that a majority of the negotiations, anticipated performance and execution of this Agreement occurred or shall occur in Marion County, Florida. Any civil action or legal proceeding arising out of or relating to this Agreement shall be brought only in the courts of record of the State of Florida in Marion County or the United States District Court, Middle District of Florida, Ocala Division. Each party consents to the exclusive jurisdiction of such court in any such civil action or legal proceeding and waives any objection to the laying of venue of any such civil action or legal proceeding in such court and/or the right to bring an action or proceeding in any other court. Service of any court paper may be effected on such party by mail, as provided in this Agreement, or in such other manner as may be provided under applicable laws, rules of procedures or local rules.

52. **REFERENCE TO PARTIES.** Each reference herein to the parties shall be deemed to include their successors, assigns, heirs, administrators, and legal representatives, all whom shall be bound by the provisions hereof.

53. **MUTUALITY OF NEGOTIATION.** Contractor and City acknowledge that this Agreement is a result of negotiations between Contractor and City, and the Agreement shall not be construed in favor of, or against, either party because of that party having been more involved in the drafting of the Agreement.

54. **SECTION HEADINGS.** The section headings herein are included for convenience only and shall not be deemed to be a part of this Agreement.

55. **RIGHTS OF THIRD PARTIES.** Nothing in this Agreement, whether express or implied, is intended to confer any rights or remedies under or because of this Agreement on any persons other than the parties hereto and their respective legal representatives, successors and permitted assigns. Nothing in this Agreement is intended to relieve or discharge the obligation or liability of any third persons to any party to this Agreement, nor shall any provision give any third persons any right of subrogation or action over or against any party to this Agreement.

56. **AMENDMENT.** No amendment to this Agreement shall be effective except those agreed to in writing and signed by both parties to this Agreement.

57. **COUNTERPARTS.** This Agreement may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument.

58. **ELECTRONIC SIGNATURE(S).** Contractor, if and by offering an electronic signature in any form whatsoever, will accept and agree to be bound by said electronic signature to all terms and conditions of this Agreement. Further, a duplicate or copy of the Agreement that contains a duplicated or non-original signature will be treated the same as an original, signed copy of this original Agreement for all purposes.

59. **ENTIRE AGREEMENT.** This Agreement, including exhibits, (if any) constitutes the entire Agreement between the parties hereto with respect to the subject matter hereof. There are no other representations, warranties, promises, agreements or understandings, oral, written or implied, among the Parties, except to the extent reference is made thereto in this Agreement. No course of prior dealings between the parties and no usage of trade shall be relevant or admissible to supplement, explain, or vary any of the terms of this Agreement. No representations,

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

understandings, or agreements have been made or relied upon in the making of this Agreement other than those specifically set forth herein.

60. **LEGAL AUTHORITY**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

IN WITNESS WHEREOF, the parties have executed this Agreement on 6/10/2026.

BACKGROUND

1. Contractor shall perform plumbing services to connect the Shaw Substation control house, located at 3650 SW 42nd Street, Ocala 34474 to the City's newly installed sewer force main system. Work includes installation of a complete grinder pump station and associated piping, power connections, and all materials, labor, and permitting necessary delivering a functional wastewater connection. This work supports the conversion from the control house's existing drain field to the new sewer system.
2. The distance from the substation's existing sewer lateral to the City's new sewer line location is approximately 80 feet. The City is arranging the force main extension. Contractor will be responsible for connecting the control house to that force main and installing the grinder pump system.
3. Contractor will perform the abandonment and full removal of the existing septic tank. This shall include extraction and disposal of the existing tank, hauling away all associated debris, backfilling the excavation, and final grading of the disturbed area.

DELIVERY

1. Supplies will be delivered or shipped to Shaw Substation - 3650 SW 42 ST, Ocala, FL 34474
2. Scheduling of all deliveries shall be coordinated with the City Project Manager.

PROJECT SUMMARY, DELIVERABLES AND HOURS

1. **Project Summary:** Contractor will be required to perform the following services for the City of Ocala:

   a) Furnish and install a 1 HP, 115 Volt, 1 Phase grinder pump station with shutoff head (acceptable systems: E/One grinder stations or Liberty Pumps PRG Series).

   b) Provide and install the pump, wet well station, and control panel/box.

   c) Excavate, and place and set the station per manufacturer requirements.

   d) Work in coordination with OEU to connect the station to the provided power source required for full operation at factory recommended performance levels.

2. Piping and System Configuration:

   a) Install 2-inch force-main service piping from the grinder pump station to the City lateral tie in point, consistent with the distance of approximately 80 ft.

   b) Complete the physical connection of the grinder pump discharge line to the City's new force main. Depth of the force main is approximately 3' deep.

   c) Provide all materials, valves, fittings, bedding, backfill, and compaction required for complete installation.

   d) Ensure compliance with City standards, manufacturer specifications, and all applicable plumbing codes.

3. Testing and Commissioning:

   a) Conduct pressure testing of the force main piping. Force main was tested at 150psi.

   b) Function test the grinder pump system, controls, and alarms.

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

c) Verify electrical performance with the coordinating electrician.

d) Restore all disturbed surfaces to pre-construction condition.

4. **Deliverables:**

a) Fully installed and operational grinder pump system.

b) Completed 2-inch service connection to City sewer lateral.

c) Test reports (pressure test, functional testing).

d) Maintenance manual and equipment documentation.

5. **Working Hours:** Working hours for this project are 7:00 AM – 5:00 PM Monday through Friday, excluding City observed holidays. Contractor shall provide 48-hour advance notice to City Project Manager for work outside normal shift hours. The city may decline the request.

CONTRACTOR EMPLOYEES AND EQUIPMENT

1. Contractor must utilize competent employees in performing the work. Employees performing the work must be properly licensed or qualified as required by the scope/project.
2. Contractor shall provide an assigned project manager, who will be the primary point of contact. Contractor must provide a valid telephone number and address at all times to the City Project Manager. The telephone must be answered during normal working hours or voicemail must be available to take a message.
3. At the request of the City, Contractor must replace any incompetent, unfaithful, abusive, or disorderly person in their employment. The City and Contractor must each be promptly notified by the other of any complaints received.
4. Contractor's employees must wear suitable work clothes and personal protective equipment as defined by OSHA. Employees should be clean and in as good appearance as the job conditions permit.
5. Contractor will operate as an independent contractor and not as an agent, representative, partner or employee of the City of Ocala, and shall control their operations at the work site, and be solely responsible for the acts or omissions of their employees.
6. No smoking is allowed on City property or projects.
7. Contractor must possess/obtain all required equipment to perform the work. A list of equipment shall be provided to the City upon request.
8. All company trucks must have a visible company name/logo on the outside of the vehicle.

CITY OF OCALA RESPONSIBILITIES

1. The City of Ocala will furnish the following services to Contractor for the performance of services:

a) Access to City buildings and facilities to perform the work.

b) Provide access to drawings, specifications, schedules, reports, and other information prepared by/for the City of Ocala pertinent to Contractor's responsibilities.

c) Provide office facilities for Contractor, if needed.

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

d) Power source required for full operation at factory recommended performance levels.

2. The City reserves the right to purchase any materials for Contractor to use. Contractor shall not charge a mark-up fee for material furnished by the City.

CONTRACTOR RESPONSIBILITIES

1. Contractor shall complete all work performed under this solicitation in accordance with policies and procedures of the City of Ocala and all applicable State and Federal laws, policies, procedures, and guidelines.
2. Contractor shall obtain and pay for any and licenses, additional equipment, dumping and/or disposal fees, etc., required to fulfill this contract.
3. Installation shall be in compliance with all requirements and instructions of applicable manufacturers.
4. Contractor is responsible for any and all damages including but not limited to buildings, curbing, pavement, landscaping, or irrigation systems caused by their activity. Should any public or private property be damaged or destroyed, Contractor at their expense, shall repair or make restoration as acceptable to the City of destroyed or damaged property no later than one (1) month from the date damage occurred.
5. If Contractor is advised to leave a property by the property owner or their representative, Contractor shall leave at once without altercation. Contractor shall then contact the City Project Manager within 24 hours and advise of the reason for not completing the assigned project.
6. Data collected by Contractor shall be in a format compatible with or easily converted to City's databases. A sequential naming convention should be applied to the files and documentation provided to the City.
7. Contractor shall ensure that all documents prepared under this contract have been prepared on a Windows-based operating system computer using the most current version of Microsoft Office, which includes Word, Excel, Power Point, Access or any other software as specified and approved by City staff.

SUB-CONTRACTORS

1. Contractor must perform a minimum of 30% of the work with their own forces.
2. Services assigned to sub-contractors must be approved in advance by the City Project Manager.

SITE HOUSEKEEPING AND CLEANUP

1. **Cleanup:** Contractor shall keep the premises free at all times from accumulation of waste materials and rubbish caused by operations and employees. Such responsibilities shall include but not limited to:

   a) Periodic cleanup to avoid hazards or interference with operations at the site, and to leave the site in a reasonable neat condition.

   b) Work site will be completely cleaned after each day of work.

   c) Contractor shall dispose of debris in a legal manner.

2. **Final Cleaning:** Upon completion of work, clean entire work area as applicable.

   a) All furnishings and equipment shall be placed back in the original locations.

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

b) All work areas must be returned to original condition.

c) Contractor shall clean and remove from the premises all surplus and discarded materials, rubbish, and temporary structures, and shall restore in an acceptable manner all property, both public and private, which has been damaged during the prosecution of the work and shall have the work in a neat and presentable condition. *Note: Any and all debris shall be removed from the premises. New construction debris, trash, etc., shall not be left or buried on site.*

SAFETY

1. Contractor shall be fully responsible for the provision of adequate and proper safety precautions meeting all OSHA, local, state, and national codes concerning safety provisions for their employees, sub-contractors, all building and site occupants, staff, public, and all persons in or around the work area.
2. In no event shall the City be responsible for any damages to any of Contractor's equipment, materials, property, or clothing lost, damaged, destroyed or stolen.
3. Prior to completion, storage and adequate protection of all material and equipment will be Contractor's responsibility.

WARRANTY

1. Contractor will provide a one-year material and labor warranty from the date of completion, against operational failure caused by defective material or workmanship which occurs during normal use.
2. All manufacturer warranty documentation and owner/operator manuals must be provided before final payment request.

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

COMMENTS

Our records indicate that a tax-exempt certificate has been provided on your behalf to one or more Clear Channel markets associated with this contract. Based on that certificate, taxes were omitted from this contract. If the certificate is no longer valid or is not valid with respect to a specific market or for specific services, applicable taxes will be added to your invoice and you will be responsible for payment of such taxes.

SUMMARY

Description	Cost
OOH Services	$3,000.00
TOTAL	$3,000.00

Clear Channel may impose a surcharge of 3% on credit card and virtual credit card payments. This fee does not exceed our cost of acceptance. ACH, debit cards, and other accepted payment methods are not subject to a surcharge. Surcharges are not applied where prohibited by law.

DELIVERY OF PRODUCTION MATERIALS TO CLEAR CHANNEL OUTDOOR

Please deliver production materials to the following addresses (based on your campaign's locations):

Market	Inventory Description	Address	Contact Name	Phone Number
Ocala/Gainesville		731 SW 37th Ave, Ocala, FL, 34474		(352) 479-6915

Docusign Envelope ID: D290AA22-A86D-8F81-8071-C2BC265FF367

TERMS & CONDITIONS

1. DEFINED TERMS. As used in this Contract, these terms shall have the meanings set forth below:
"Advertising Materials" shall mean all Printed Advertising Materials, Digital Advertising Materials and Full Motion Digital Advertising Materials, as each is defined in Section 4.
"Campaign" shall mean the advertising services described in the Contract.
"CC Portal" shall mean the software utilized by Clear Channel to serve and deliver Dynamic Content to non-motion digital signs as more thoroughly described in Section 4.2.
"Clear Channel" shall mean Clear Channel Outdoor, LLC, a Delaware limited liability company and its successors and assigns.
"Commencement Date" shall mean the date identified as the commencement date of the Campaign in the Contract.
"Confidential Information" shall mean any non-public information relating to or disclosed by a party arising from or in connection with this Contract.
"Contract" shall mean the applicable sales contract for advertising services, these terms and conditions and all guidelines expressly referred to herein, all as the same may be modified from time to time.
"Customer" shall mean the advertiser and any agency or buying service named in the Contract.
"Delivery Date" shall mean the date(s) for the delivery of Advertising Materials as set forth in the Contract.
"Dynamic Content" shall mean data and information feeds supplied by or on behalf of the Customer, such as sports scores, weather or traffic information.
"Fixed Campaign" shall mean a Campaign where advertising services are provided based on a location of a Sign or Signs, Quantity Deliverables, or Impressions Deliverable basis, with guaranteed deliverables. Depending on the Campaign, and subject to these Terms and Conditions, guaranteed deliverables could include, without limitation, confirmed start and end dates for the Campaign, the specific location of Signs where the Advertising Materials will post, and the quantity and/or type of Signs to be used in the Campaign.
"Flexible Campaign" shall mean a Campaign where advertising services are provided based on a specific location of a Sign or Signs, Quantity Deliverables, or Impressions Deliverable basis, but the actual deliverables are not guaranteed and may be provided in full, in part, or not at all. The option to purchase a Flexible Campaign is available only to Customers with approved credit terms. Clear Channel reserves the right to not offer a Flexible Campaign option at its discretion. Clear Channel will invoice the Customer only for the portion of the Flexible Campaign that has been delivered.
"Full Motion Spec Sheet" shall mean the unique special instructions sheet associated with each full motion digital sign.
"Impressions Deliverables" means a Fixed or Flexible Campaign delivered by Clear Channel without the guarantee of specific Sign(s) nor specific quantities of Sign(s).
"Quantity Deliverables" means a Fixed or Flexible Campaign delivered by Clear Channel without the guarantee of specific Sign(s) location(s).
"Sign" or "Signs" shall mean the sign or signs identified in the Contract where the advertising services will be performed.

2. PAYMENT

a. Customer shall pay in advance for the services covered by this Contract unless otherwise expressly agreed to in writing.
b. If Clear Channel has extended credit to Customer, Clear Channel shall, from time to time at intervals following the Commencement Date, bill the "Invoice to" Customer at the e-mail address set forth in the Contract, or to the address provided by Customer if Customer chooses to receive invoices by mail.
c. Payment by Customer for services rendered hereunder is due within 30 days of the date of the invoice, unless otherwise agreed to in writing.
d. Payments made by credit card and virtual credit card may be subject to a surcharge.
e. Past due accounts shall be charged interest from the date of the invoice at a per annum rate of 12%, or the highest rate allowed by applicable law, whichever is less.
f. If Customer disputes any charges or notices any errors on an invoice, Customer shall contact Clear Channel via email sent to ccobilling@clearchannel.com within 10 days of the invoice date, stating the invoice number, amount and description of the alleged dispute or error, and provide any supporting documentation as may be reasonably required by Clear Channel. All invoice charges shall be considered valid if Customer fails to timely provide notice to Clear Channel of any dispute or error as required herein.
g. If Customer is past due in payment of any amount, Clear Channel may change the terms of payment by giving Customer written notice. If Clear Channel refers this Contract for collection, Customer shall pay all collection costs incurred by Clear Channel, including reasonable attorney's fees and court costs.

3. RIGHTS, OBLIGATIONS AND OTHER AGREEMENTS OF THE PARTIES

3.1 OF CUSTOMER

a. Customer represents and warrants to Clear Channel that:
(1) at all times hereunder, all of Customer's products and services, Advertising Materials and, to the extent applicable, all Dynamic Content, shall comply with all applicable federal, state and local laws and regulations,
(2) Customer is the rightful owner or licensee of any Advertising Materials the Customer provides for use in the provision of advertising services and the Advertising Materials (i) does not infringe, violate, or misappropriate any trademark, patent, copyright, trade secret, or any other intellectual property right of any third party, (ii) does not contain libelous material, and (iii) includes any disclaimers that may be required by applicable laws, statutes, ordinances, rules and regulations.
(3) if the Customer entering into this Contract is an agency or buying service, it has the right to grant the rights and licenses granted herein and the right, power and authority to enter into this Contract on behalf of the advertiser. All legal obligations arising under this Contract are and shall be binding on said agency or buying service and the advertiser, and
(4) if this Contract is entered into by an agency or buying service as Customer on behalf of an advertiser, such agency or buying service is liable for invoice payments only to the extent it has been paid by the advertiser. The agency or buying service hereby assigns to Clear Channel all of its rights, title and interest in any claim it may hereafter have for non-payment by advertiser or in the event of a bankruptcy by the advertiser for payment under this Contract and agrees not to file any protest to such claim of Clear Channel.

3.2 OF CLEAR CHANNEL

a. Clear Channel, at its sole discretion, may reject or remove any Advertising Material, art or copy, for any reason or no reason at any time during the term of this Contract. In such case, (i) Clear Channel and/or Customer may terminate this Contract and Clear Channel will reimburse Customer any prepaid amounts made by Customer to Clear Channel for the unexpired portion of the Contract and (ii) unless Clear Channel's termination of advertising services is due to Customer or the Advertising Material provided by Customer, Customer shall be entitled to receive from Clear Channel a sum equal to the actual non-cancelable out-of-pocket costs necessarily incurred by Customer for production of Advertising Materials which was not displayed.
b. Subject to Clear Channel's right to terminate the provision of advertising services, all approved Advertising Materials shall be used by Clear Channel to provide advertising services to Customer in accordance with the terms of the Contract.
c. Clear Channel shall furnish to Customer proof of performance as follows (1) Permanent Bulletin(s): one close-up photo or digital print for each creative execution within a bulletin campaign including a performance report (2) Rotary Bulletin(s): one close-up and one approach photo or digital print for each rotary start location and each creative execution including a performance report. Rotation cycles shall not be photographed unless the creative copy changes, (3) Poster(s): one close-up photo or digital print for each creative execution within a poster campaign including a performance report and a completion report listing all locations/designs, and (4) Digital: a performance report confirming the execution of the display(s) as contemplated in the Contract.
d. Clear Channel's obligations under this Contract are subject to and subordinate to the terms and conditions of any applicable leases and all other agreements, licenses and permits relating to any Signs and to applicable federal, state and local laws and regulations.
e. If Advertising Materials are timely delivered, Clear Channel shall complete posting or vinyl installation of the displays within 5 business days of the contracted start.
f. For non-digital Signs, illumination will only be provided if Illumination is indicated on the Contract, and will be from dusk until midnight, unless a dollar amount appears next to "Extended Illumination"; provided that in all cases illumination hours will be limited to those hours prescribed by applicable law.
g. Clear Channel reserves the right to preempt Customer's copy for special events or breaking news.
h. TO THE EXTENT PERMITTED BY LAW, CLEAR CHANNEL MAKES NO WARRANTIES OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, ABOUT THE SERVICES DESCRIBED IN THIS CONTRACT AND DISCLAIMS ALL WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE OR PURPOSE.

3.3 SANCTIONS COMPLIANCE

a. OFAC Representation. Customer is, and during the 6 years prior to the date of this Contract has been, in compliance with all laws administered by the U.S. Department of the Treasury's Office of Foreign Assets Control ("OFAC") or any other national or international governmental or inter-governmental organization with applicable jurisdiction over this Contract or the Customer imposing economic sanctions and trade embargoes ("Economic Sanctions Laws") against designated countries ("Embargoed Countries"), regimes, entities, and persons (collectively, "Embargoed Targets"). Customer is not, and during the 6 years prior to the date of this Contract has not been, an Embargoed Target or otherwise in breach of any Economic Sanctions Law.
b. OFAC Compliance. Customer shall comply with all Economic Sanctions Laws. Without limiting the generality of the foregoing, Customer shall not (a) directly or indirectly engage Clear Channel on behalf of, or redirect the Advertising Materials, or any portion of the Advertising Materials or advertising content to or via, an Embargoed Target or (b) broker, finance, or otherwise facilitate any transaction in relation to the Advertising Materials in violation of any Economic Sanctions Law.

3.4 PREVENTION OF ECONOMIC CRIME AND ANTI-CORRUPTION COMPLIANCE

a. Customer will carry out its obligations under this Contract in compliance with all applicable laws relating to the prevention of bribery, fraud, tax evasion, conflicts of interest, insider dealing and money laundering (including without limitation applicable lobbying, anti-bribery, anti-monopoly and government contracting laws, rules and regulations and all applicable laws prohibiting fraud or falsification of business documents and records) concerning interaction with public officials and private entities and individuals that are from time to time in force including but not limited to:
- The US Foreign Corrupt Practices Act 1977; and
- Any other applicable local, state, federal, or international laws applicable to the operation of this Contract or the Customer (together, "Applicable Economic Crime Laws").

b. Customer shall ensure that all of its shareholders, officers, directors, employees, agents, and any other persons or entities acting on its behalf in connection with the operation of this Contract (collectively, the "Customer Representatives") do so only in compliance Applicable Economic Crime Laws. Customer shall be responsible for the observance and performance by the Customer Representatives of the Applicable Economic Crime Laws.

4. CONTENT, PRODUCTION AND DELIVERY

4.1 PRINTED ARTWORK AND PRODUCTION MATERIALS

a. "Printed Advertising Materials" is defined as materials of quality and in quantity as specified in the Production Contract if applicable, or as otherwise agreed to by the parties to meet the needs hereunder, at places designated by Clear Channel, shipping charges prepaid, and in weight tensile strength, opacity, size and sort. Customer shall be responsible for any and all costs in connection with the creation, production and delivery to Clear Channel of the Printed Advertising Materials as contemplated under this Contract (but not less than a minimum quantity of one complete set of materials and instructions for every display to be posted or vinyl installed)."

Docusign Envelope ID: D290AA22-A86D-8F81-8071-C2BC265FF367

b. Customer shall deliver Printed Advertising Materials to Clear Channel not less than 5 business days prior to such Commencement Date. If Clear Channel is printing the Advertising Materials, Customer shall deliver the creative file and any other required materials to Clear Channel not less than 15 business days prior to the Commencement Date. Clear Channel may require additional time for the delivery of Printed Advertising Materials as required under the circumstances, including, without limitation, if third party approval for the Printed Advertising Materials is required.

c. If Customer requests within 60 days after the last date of the display of the Customer's Printed Advertising Materials, Clear Channel shall return any of the Customer's Printed Advertising Materials in its possession to Customer at Customer's sole cost and expense and in "as is" condition. If Customer does not so request, Clear Channel is hereby granted the right, at its sole option, to dispose of all such Printed Advertising Materials at any time after such 60-day period.

4.2 NON-MOTION DIGITAL CONTENT, PRODUCTION AND RELATED MATTERS

a. If Customer's suggested digital content is used by Clear Channel, Customer shall be obligated to produce and deliver to Clear Channel any and all advertising copy or artwork, images, displays, illustrations, reproductions, and similar advertising materials in digital format, along with any instructions or similar directions, in uncompressed .jpg format, RGB color mode and in 400x1400 pixels for Digital Bulletins, 400x840 pixels for Digital Premiere Panels, 1920x1080 pixels for shelters, or as otherwise agreed to by the parties (collectively, the "Digital Advertising Materials"). All Digital Advertising Materials in form for proper execution of the purpose of this Contract shall be delivered by Customer for receipt by Clear Channel no later than two (2) business days prior to the Commencement Date and through such method of delivery as shall be designated by Clear Channel, unless the Commencement Date is less than 2 business days from execution of this Contract, in which case Clear Channel shall inform Customer of the deadline to deliver the Digital Advertising Materials to Clear Channel prior to the Commencement Date. Customer shall be responsible for any and all costs in connection with the creation, production and delivery to Clear Channel of the Digital Advertising Materials as contemplated under this Contract.

b. Upon the written request of Customer, Clear Channel, in its sole discretion, may permit the Customer to provide Dynamic Content for the CC Portal. In no event shall the unavailability, inactivity or inoperability of the CC Portal constitute a breach of this Contract or provide Customer any right, claim, remedy or otherwise under this Contract or at law.

c. Customer acknowledges and agrees that (1) Clear Channel shall include such filtering technology in the CC Portal as it shall deem appropriate, in its sole discretion, to filter inappropriate content from being served or delivered to Signs, and (2) upon the occurrence of a breach of this Contract by Customer, Clear Channel may, in addition to all other remedies available to it, and in its sole and absolute discretion cease providing advertising services via the CC Portal.

4.3 FULL MOTION DIGITAL CONTENT, PRODUCTION AND RELATED MATTERS

a. If Customer's suggested digital content is used by Clear Channel, Customer shall be obligated to produce and deliver to Clear Channel any and all advertising copy or artwork, images, displays, illustrations, reproductions, and similar advertising materials in digital format, along with any instructions or similar directions in compliance with the production specifications and in the manner provided by Clear Channel on the Full Motion Spec Sheet(s) (collectively, the "Full Motion Digital Advertising Materials").

b. All Full Motion Digital Advertising Materials in form for proper execution of the purpose of this Contract shall be delivered by Customer for receipt by Clear Channel no later than five (5) business days prior to the Commencement Date. Clear Channel shall make commercially reasonable efforts to review, load and schedule properly formatted Full Motion Digital Advertising Materials not delivered by the deadline, however Clear Channel reserves the right to delay advertising services related to the posting date of Customer's Full Motion Digital Advertising Material by one (1) business day for each day of delay in the receipt of such materials without any rate proration or extension of the term.

c. Any special feature requests such as, but not limited to, (i) synchronized audio, (ii) timed broadcast, (iii) where available, use of a crowd camera, and (iv) streaming services, are subject to permits where applicable and additional charges above the standard media rate. Clear Channel does not guarantee the availability of any special features. In addition, no adjustment to the media rate will be made should any special feature fail to operate at Customer's desired performance level during the Customer's advertising campaign.

4.4 QUANTITY DELIVERABLES

Unless stated otherwise in the Contract, for Campaigns sold on a Quantity Deliverables basis, Clear Channel shall have sole discretion to select the mix of Sign(s) location(s) and modify that mix during the Campaign to deliver the deliverables. Any Contract that specifies a quantity, including without limitation a Target Rating Points (TRP) amount or the number of Sign(s) location(s), is sold on a Quantity Deliverables basis unless clearly indicated otherwise in the Contract.

4.5 IMPRESSIONS DELIVERABLES

Unless stated otherwise in the Contract, for Campaigns sold on an Impressions Deliverables basis, Clear Channel shall have sole discretion to select the mix of Sign(s) location(s) and modify that mix during the Campaign to deliver the Impressions Deliverables. Impressions delivered shall be calculated at the end of each performance period as defined by Clear Channel, and on the basis of then available Geopath Impressions for the Sign(s) location(s) selected. Unless stated otherwise in the Contract, if Clear Channel overdelivers on the number of Impressions, Customer's payment obligation shall be capped at the amount shown in the Maximum Cost column of the Contract. Any Contract that specifies Impressions is sold on an Impressions Deliverables basis unless clearly indicated otherwise in the Contract.

4.6 ARCHIVAL MATERIAL AND RIGHT TO USE.

Clear Channel may keep Advertising Materials as it deems fit for Clear Channel's own archival purposes. Customer authorizes Clear Channel to use a picture or photograph of Clear Channel's Sign or Signs displaying the Campaign for Clear Channel's promotional, advertising or prospective sales purposes with clients, prospective clients or for internal use.

4.7 RIGHTS AND OBLIGATIONS

THE PROVISION OF ADVERTISING SERVICES BY CLEAR CHANNEL DOES NOT TRANSFER OWNERSHIP RIGHTS OF ANY ADVERTISING STRUCTURE OR SIGN TO CUSTOMER. CUSTOMER ACKNOWLEDGES AND AGREES THAT NO LEASE OR LICENSE SHALL ARISE FROM THE PROVISION OF ADVERTISING SERVICES.

5. DISRUPTION OF PERFORMANCE; LOSS OF USE

a. Except as otherwise provided herein, if Clear Channel is unable to perform any of its obligations hereunder as a result of a force majeure, labor dispute, law, government action or order, or similar causes beyond Clear Channel's reasonable control, Clear Channel shall promptly notify the Customer. Customer's sole and exclusive remedy for a delay or failure to perform under this subsection 5(a) shall be receipt of services of substantially equivalent value to what was lost as a consequence of such delay or failure to perform. In no event shall such a delay or failure to perform constitute a breach of this Contract or provide Customer with any other right, claim or remedy under this Contract or at law.

b. Clear Channel shall promptly notify Customer if the lights illuminating a printed Sign are not operating during permitted hours of operations for which lights are required to view the content of the advertising posted on that Sign. Customer's sole and exclusive remedy for such a lighting outage shall be a credit against the charges due hereunder in an amount equivalent to 25% of the charges set forth in the Contract for the period during which the lights did not operate. In no event shall such a lighting outage constitute a breach of this Contract or provide Customer any other right, claim or remedy under this Contract or at law.

c. If any Sign selected for inclusion in the Campaign shall not be operational as of the Commencement Date or becomes unavailable for use for any reason whatsoever, or is converted to a different technology during the Campaign, Clear Channel shall promptly notify the Customer and the parties will discuss replacing such Sign with an alternate Sign. In no event shall Clear Channel's failure to make a Sign available hereunder in the circumstances described herein constitute a breach of this Contract or provide Customer any other right, claim or remedy under this Contract or at law but Customer shall be entitled to a refund of any prepaid amounts made by Customer to Clear Channel for any impacted Sign that becomes inoperable, unavailable or is converted to different technology.

6. TERMINATION

a. Clear Channel may by providing 14 days advance written notice to Customer, and if Customer fails to cure such breach prior to expiration of the 14 days, terminate this Contract (1) upon material breach by Customer (except for breach of Customer's obligation to deliver Advertising Materials to Clear Channel) or (2) if any monies to be paid by Customer to Clear Channel are past due. Clear Channel's notice shall set forth a summary of the alleged breach and Clear Channel agrees to provide any supporting documentation as may be reasonably requested by Customer. In addition, Clear Channel may upon written notice to Customer terminate this Contract if Advertising Materials have not been received by Clear Channel on or before the date required herein. Upon any termination under this section (a), all unpaid, accrued charges hereunder shall immediately become due and payable and, in addition, Customer shall pay Clear Channel, as liquidated damages and not as a penalty, (i) 100% of the amount payable hereunder for the portion of the Campaign to run in the 60 day period after such termination and (ii) 50% of the amount payable hereunder for the portion of the Campaign to run thereafter.

b. Customer may by providing 14 days advance written notice to Clear Channel, and if Clear Channel fails to cure such breach prior to expiration of the 14 days, terminate this Contract upon material breach by Clear Channel. Customer's notice shall set forth a summary of the alleged breach and Customer agrees to provide any supporting documentation as may be reasonably requested by Clear Channel. Upon such termination, Clear Channel shall reimburse Customer any prepaid amounts made by Customer to Clear Channel for the unexpired portion of the Contract and pay to Customer, as liquidated damages and not as a penalty, and as Customer's sole and exclusive remedy, a sum equal to the actual non-cancelable out-of-pocket costs necessarily incurred by Customer prior to the date of termination for production and delivery to Clear Channel of the Advertising Materials hereunder which were not displayed.

c. Except as otherwise specified herein, this Contract is non-cancellable and neither party shall be liable to the other party for incidental, indirect, consequential or punitive damages or lost profits.

7. INDEMNIFICATION AND HOLD HARMLESS

~~Customer shall defend, hold harmless and indemnify Clear Channel, its parents, subsidiaries and affiliates, and their respective officers, directors, employees, agents and designees from any and all claims, actions, causes of action, losses, liabilities, demands, damages, penalties, fines, costs and expenses including, without limitation, any incidental, indirect, consequential, punitive or statutory damages or lost profits to a third party, arising from, connected with or related to (i) Customer's Advertising Materials and Dynamic Content, including, infringement in any manner of any copyright, patent, trademark, trade secret or other right of any third party, presentation of any material or information that violates any law or regulation, or failure to include any disclaimer that may be required by applicable laws, statutes, ordinances, rules and regulations or (ii) Customer's products and services.~~

8. GENERAL

a. It is agreed that the laws of the State of New York shall govern the construction and interpretation of this Contract and the rights and obligations set forth herein. The parties hereto irrevocably waive any and all rights to trial by jury in any proceeding arising out of or relating to this Contract.

b. Customer may not assign or transfer this Contract without first obtaining the written consent of Clear Channel; nor is Clear Channel required to post, install or maintain any material under this Contract for the benefit of any person or entity other than the Customer named in the Contract.

c. ~~Each party agrees that it shall always take reasonable steps, at least substantially equivalent to the steps it takes to protect its own proprietary information, to prevent duplication or disclosure of Confidential Information of the other party other than by or to its employees or agents who must have access to such Confidential Information to perform such party's obligations hereunder~~.

d. This Contract contains the entire understanding between the parties and, except as expressly provided herein, cannot be changed or terminated unless expressly agreed to in writing and signed by Customer and Clear Channel.

e. The failure of Clear Channel or Customer to enforce any of the provisions of this Contract shall not be construed as a general relinquishment or waiver of that or any other provision.

f. All notices hereunder shall be in writing, deemed given on the date of dispatch, and addressed to Customer and Clear Channel at the addresses listed in the Contract.

Docusign Envelope ID: D290AA22-A86D-8F81-8071-C2BC265FF367

g. The invalidity or unenforceability of any portion of this Contract shall not affect the remaining provisions hereof.
h. This version of the contract supersedes any previous contract associated with this Order number. Any previous contracts are null and void.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

AGREEMENT FOR DEMOLITION AND REMOVAL OF STRUCTURE AT 4080 SW 29TH PLACE

THIS AGREEMENT FOR DEMOLITION AND REMOVAL OF STRUCTURE AT 4080 SW 29TH PLACE ("Agreement") is entered into by and between the **CITY OF OCALA**, a Florida municipal corporation ("City") and **C.P. DANNER CONSTRUCTION, INC.,** a limited liability company duly organized and authorized to do business in the state of Florida (EIN: 30-0362809) ("Contractor").

WHEREAS, on April 8, 2026, City issued a Request For Quote ("RFQ") for the demolition and removal of a structure located at 4080 SW 29th Place, Ocala, Florida, 34474 RFQ No.: GRM/260643 (the "Solicitation"); and

WHEREAS, five (5) firms responded to the Solicitation and, after consideration of price and other evaluation factors set forth in the Solicitation, the quote submitted by C.P. Danner Construction, Inc. was found to be the lowest; and

WHEREAS, Contractor was chosen as the intended awardee for the demolition and removal of a structure at 4080 SW 29th Place, Ocala, Florida, 34474 (the "Project"); and

WHEREAS, Contractor certifies that Contractor and its subcontractors are qualified and possess the required current and active Asbestos Supervisor licensure.

NOW THEREFORE, in consideration of the foregoing recitals, the following mutual covenants and conditions, and other good and valuable consideration, City and Contractor agree as follows:

1. **RECITALS**. City and Contractor hereby represent, warrant, and agree that the Recitals set forth above are true and correct and are incorporated herein by reference.

2. **CONTRACT DOCUMENTS**. The Contract Documents which comprise the entire understanding between City and Contractor shall only include: (a) this Agreement; (b) those documents listed in this section as Exhibits to this Agreement; and (c) the City's Solicitation for the Project and the quote submitted by Contractor in response to same (the "Solicitation Documents"). Each of these documents are incorporated herein by reference for all purposes.

   If there is a conflict between the terms of this Agreement and the other Contract Documents, then the terms of this Agreement shall control, amend, and supersede any conflicting terms contained in the remaining Contract Documents.

   A. **Exhibits to Agreement**: The Exhibits to this Agreement are as follows:

      Exhibit A: Scope of Work (A-1 through A-4)
      Exhibit B: Photos of Structure (B-1 through B-2)
      Exhibit C: Asbestos Report (C-1 through C-26)

      If there is a conflict between the individual Exhibits regarding the scope of work to be performed, then any identified inconsistency shall be resolved by giving precedence in the following order: (1) Exhibit A, then (2) Exhibit C, then (3) Exhibit B.

3. **SCOPE OF SERVICES.** Contractor shall provide all materials, labor, supervision, tools, accessories, equipment, permits, fees, testing, inspections, certifications, and all other things necessary for Contractor to perform its obligations under this Agreement as set forth in the attached **Exhibit A - Scope of Work** and the Solicitation Documents. **Upon contract execution, salvage rights belong to the Contractor. Salvage by the Contractor is not allowed prior to the issuance of the City's Notice to Proceed.** In the event of a conflict between this Agreement and the Solicitation Documents, this Agreement and all of its Exhibits shall be given precedence to resolve any identified

inconsistency. The Scope of Work and/or pricing under this Agreement may only be adjusted by written amendment executed by both parties.

4. **COMPENSATION.** City shall pay Contractor a lump sum amount of **SIX-THOUSAND, EIGHT HUNDRED FIFTY AND NO/100 DOLLARS ($6,850)** (the "Contract Sum") as full and complete compensation for the timely and satisfactory completion of the work. A permit allowance has been established for this Project in the amount of **ONE HUNDRED FOUR AND NO/100 DOLLARS ($104)** and is included in the Contract Sum.

   A. **Invoice Submission**. All invoices submitted by Contractor shall include the City Contract Number, an assigned Invoice Number, and an Invoice Date. Contractor shall submit the original invoice through the responsible City Project Manager at: **City of Ocala Growth Management Department**, Attn: Shaneka Greene**, 201 SE 3rd Street, Second Floor, Ocala, Florida 34471**, E-Mail: SGreene@ocalafl.gov Weight tickets from a certified landfill must be included with all invoices submitted by Contractor.

   B. **Progress Report and Progress Schedule**. A progress report and updated project schedule must be submitted with each monthly pay request indicating the Percent of Services Completed to date. This report will serve as support for payment to Contractor and the basis for payment in the event project is suspended or abandoned.

   C. **Payment of Invoices by City**. The City Project Manager must review and approve all invoices prior to payment. City Project Manager's approval shall not be unreasonably withheld, conditioned, or delayed. Payments by City shall be made no later than the time periods established in section 218.735, Florida Statutes.

   D. **Withholding of Payment**. City reserves the right to withhold, in whole or in part, payment for any and all work that: (i) has not been completed by Contractor; (ii) is inadequate or defective and has not been remedied or resolved in a manner satisfactory to the City Project Manager; or (iii) which fails to comply with any term, condition, or other requirement under this Agreement. Any payment withheld shall be released and remitted to Contractor within thirty (30) calendar days of the Contractor's remedy or resolution of the inadequacy or defect.

   E. **Excess Funds**. If due to mistake, or any other reason, Contractor receives payment under this Agreement in excess of what is provided for by the Agreement, Contractor shall promptly notify City upon discovery of the receipt of the overpayment. Any overpayment shall be refunded to City within thirty (30) days of Contractor's receipt of the overpayment or must also include interest calculated from the date of the overpayment at the interest rate for judgments at the highest rate as allowed by law.

   F. **Amounts Due to the City**. Contractor must be current and remain current in all obligations due to the City during the performance of services under this Agreement. Payments to Contractor may be offset by any delinquent amounts due to the City and/or charges owed to the City.

   G. **Tax Exemption**. City is exempt from all federal excise and state sales taxes (State of Florida Consumer's Certification of Exemption 85-8012621655C-9). The City's Employer Identification Number is 59-60000392. Contractor shall not be exempted from paying sales tax to its suppliers for materials to fulfill contractual obligations with the City, nor will Contractor be authorized to use City's Tax Exemption Number for securing materials listed herein.

5. **TIME FOR PERFORMANCE**. Time is of the essence with respect to the performance of all duties, obligations, and responsibilities set forth in this Agreement and the Contract Documents.

A. Contractor shall commence work no later than **FIFTEEN (15)** working days from the date of issuance of a Notice to Proceed for the Project by City.

B. No work shall commence until Contractor has submitted proof of #62-257.900(1) – Notice of Demolition to Florida Department of Environmental Protection and provided proof of mailing for same to the City Project Manager. Demolition may not begin until **TEN (10)** business days (excluding holidays as observed by the State of Florida) after the confirmed delivery date of said Notice. **Notice of Demolition must be sent to FDEP and the City of Ocala Permit applied for within TWO (2) business days after issuance of NTP.**

C. **All work shall be completed by Contractor in a manner satisfactory to the City Project Manager and ready for final payment within SIXTY (60) days of the start date indicated on the Notice to Proceed.**

D. The Time for Performance under this Agreement may only be adjusted by Change Order, in the sole and absolute discretion of City. Any request for an extension of the Time for Performance must be submitted in a writing delivered to the City Project Manager, along with all supporting data, within **SEVEN (7)** calendar days of the occurrence of the event giving rise to the need for adjustment unless the City allows an additional period of time to ascertain more accurate data. All requests for adjustments in the Contract Time shall be determined by City.

E. As to any delay, inefficiency, or interference in this performance of this Agreement caused by any act or failure to act by City, the Contractor's sole remedy shall be the entitlement of an extension of time to complete the performance of the affected work in accordance with the Contract Documents. Contractor agrees to make no claim for extra or additional costs attributable to said delays, inefficiencies or interference, except as provided in this Agreement.

F. None of the provisions of this section shall exclude City's right of recovery for damages caused by delays or inefficiencies caused by any act or failure to act by Contractor, to include costs incurred by City for the procurement of additional professional services.

6. **FORCE MAJEURE**. Neither party shall be liable for delay, damage, or failure in the performance of any obligation under this Agreement if such delay, damage, or failure is due to causes beyond its reasonable control, including without limitation: fire, flood, strikes and labor disputes, acts of war, acts of nature, terrorism, civil unrest, acts or delays in acting of the government of the United States or the several states, judicial orders, decrees or restrictions, or any other like reason which is beyond the control of the respective party ("Force Majeure"). The party affected by any event of force majeure shall use reasonable efforts to remedy, remove, or mitigate such event and the effects thereof with all reasonable dispatch.

A. The party affected by force majeure shall provide the other party with full particulars thereof including, but not limited to, the nature, details, and expected duration thereof, as soon as it becomes aware.

B. When force majeure circumstances arise, the parties shall negotiate in good faith any modifications of the terms of this Agreement that may be necessary or appropriate in order to arrive at an equitable solution. Contractor performance shall be extended for a number of days equal to the duration of the force majeure. Contractor shall be entitled to an extension of time only and, in no event, shall Contractor be entitled to any increased costs, additional compensation, or damages of any type resulting from such force majeure delays.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

7. **INSPECTION AND ACCEPTANCE OF THE WORK**. All services, work, and materials provided by Contractor under this Agreement shall be provided under the direction and to the satisfaction and approval of the City Project Manager.

   A. The City Project Manager shall decide all questions regarding the quality, acceptability, or workmanship performed, the rate of progress of the work, and the acceptable fulfillment of the Agreement, in his or her sole discretion, based upon both the requirements set forth by City and the information provided by Contractor in its quote. The authority vested in the City Project Manager pursuant to this paragraph shall be confined to the direction or specification of what is to be performed under this Agreement and shall not extend to the actual execution of the work.

   B. Neither the City Project Manager's review of Contractor's work nor recommendations made by City Project Manager pursuant to this Agreement will impose on City Project Manager any responsibility to supervise, direct, or control Contractor's work in progress or for the means, methods, techniques, sequences, or procedures of construction or safety precautions or programs incident Contractor's furnishing and performing the work.

8. **TERMINATION AND DEFAULT**. Either party, upon determination that the other party has failed or refused to perform or is otherwise in breach of any obligation or provision under this Agreement or the Contract Documents, may give written notice of default to the defaulting party in the manner specified for the giving of notices herein. Termination of this Agreement by either party for any reason shall have no effect upon the rights or duties accruing to the parties prior to termination.

   A. **Termination by City for Cause**. City shall have the right to terminate this Agreement immediately, in whole or in part, upon the failure of Contractor to carry out any obligation, term, or condition of this Agreement. City's election to terminate the Agreement for default shall be communicated by providing Contractor written notice of termination in the manner specified for the giving of notices herein. Any notice of termination given to Contractor by City shall be effective immediately, unless otherwise provided therein, upon the occurrence of any one or more of the following events:

      (1) Contractor fails to timely and properly perform any of the services set forth in the specifications of the Agreement;

      (2) Contractor provides material that does not meet the specifications of the Agreement;

      (3) Contractor fails to complete the work required within the time stipulated in the Agreement; or

      (4) Contractor fails to make progress in the performance of the Agreement and/or gives City reason to believe that Contractor cannot or will not perform to the requirements of the Agreement.

   B. **Contractor's Opportunity to Cure Default**. City may, in its sole discretion, provide Contractor with an opportunity to cure the violations set forth in City's notice of default to Contractor. Contractor shall commence to cure the violations immediately and shall diligently and continuously prosecute such cure to completion within a reasonable time as determined by City. If the violations are not corrected within the time determined to be reasonable by City or to the reasonable satisfaction of City, City may, without further notice, declare Contractor to be in breach of this Agreement and pursue all remedies available at law or equity, to include termination of this Agreement without further notice.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

C. **City's Remedies Upon Contractor Default**. In the event that Contractor fails to cure any default under this Agreement within the time period specified in this section, City may pursue any remedies available at law or equity, including, without limitation, the following:

(1) City shall be entitled to terminate this Agreement without further notice;

(2) City shall be entitled to hire another contractor to complete the required work in accordance with the needs of City;

(3) City shall be entitled to recover from Contractor all damages, costs, and attorney's fees arising from Contractor's default prior to termination; and

(4) City shall be entitled to recovery from Contractor any actual excess costs by: (i) deduction from any unpaid balances owed to Contractor; or (ii) any other remedy as provided by law.

9. **LIQUIDATED DAMAGES FOR LATE COMPLETION**. The parties agree that it would be extremely difficult and impracticable under the presently known facts and anticipated circumstances to ascertain and fix the actual damages that City and its residents would incur should Contractor fail to achieve Final Completion and readiness for final payment by the dates specified for each under the terms of this Agreement. Accordingly, the parties agree that should Contractor fail to achieve Final Completion by the date specified, then Contractor shall pay City, as liquidated damages and not as a penalty, the sum of **ONE HUNDRED AND NO/100 DOLLARS ($100)** per day for each calendar day of unexcused delay in achieving Final Completion beyond the date specified for Final Completion in the Contract Documents.

A. **No Waiver of Rights or Liabilities**. Permitting Contractor to continue and finish the work, or any part thereof, beyond the dates specified for Final Completion and readiness for final payment shall not operate as a waiver on the part of the City of any of its rights under this Agreement. Any liquidated damages assessed pursuant to this section shall not relieve Contractor from liability for any damages or costs of other contractors caused by a failure of Contractor to complete the work as agreed.

B. **Right to Withhold or Deduct Damages**. When liquidated damages are due and owing, City shall have the right to: (1) deduct the liquidated damages from any money in its hands or from any money otherwise due or to become due to Contractor; or to (2) initiate any applicable dispute resolution procedure for the recovery of liquidated damages within the times specified under this Agreement.

C. **Additional Costs.** In addition to the liquidated damages set forth under this section, Contractor agrees to pay all costs and expenses incurred by City due to Contractor's delay in performance to include inspection fees, superintendence costs, and travel expenses.

D. **Injunctive Relief.** The parties acknowledge that monetary damages may not be a sufficient remedy for Contractor's failure to achieve Final Completion in accordance with the terms of this Agreement, and that City shall be entitled, in addition to all other rights or remedies in law and equity, to seek injunctive relief.

10. **CONTRACTOR WARRANTY**. Contractor warrants to City that all materials and work shall be of good quality, free from faults and defects in workmanship, and in conformance with the Contract Documents for a period of **TWO (2)** years from the date of final payment by City. Contractor shall, at its own expense, correct any defect, loss, expense, or other damages arising from its work and shall defend any claims related to same.

11. **PERFORMANCE EVALUATION**. At the end of the contract, City may evaluate Contractor's performance. Any such evaluation will become public record.
12. **NOTICE REGARDING FAILURE TO FULFILL AGREEMENT**. Any contractor who enters into an Agreement with the City of Ocala and fails to complete the contract term, for any reason, shall be subject to future bidding suspension for a period of **ONE (1)** year and bid debarment for a period of up to **THREE (3)** years for serious contract failures.
13. **CONTRACTOR REPRESENTATIONS**. Contractor expressly represents that:
    A. Contractor has read and is fully familiar with all of the terms and conditions of this Agreement, the Contract Documents, and other related data and acknowledges that they are sufficient in scope and detail to indicate and convey understanding of all terms and conditions of the work to be performed by Contractor under this Agreement.
    B. Contractor has disclosed, in writing, all known conflicts, errors, inconsistencies, discrepancies, or omissions discovered by Contractor in the Contract Documents, and that the City's written resolution of same is acceptable to Contractor.
    C. Contractor has had an opportunity to visit, has visited, and has had an opportunity to examine and ask questions regarding the sites upon which the work is to be performed and is satisfied with the site conditions that may affect cost, progress, and performance of the work, as observable or determinable by Contractor's own investigation.
    D. Contractor has is satisfied with the site conditions that may affect cost, progress, and performance of the work, as observable or determinable by Contractor's own investigation.
    E. Contractor is familiar with all local, state, and Federal laws, regulations, and ordinances which may affect cost, progress, or its performance under this Agreement whatsoever.
    F. Contractor represents that neither Contractor, its parent corporations, subsidiaries, members, shareholders, partners, officers, directors or executives, nor any of its affiliates, contractors, suppliers, subcontractors, or consultants under this Agreement have been placed on the convicted vendor list following a conviction of a public entity crime. Contractor understands that a "public entity crime" as defined in section 287.133(1)(g), Florida Statutes, is "a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States…" Contractor further understands that any person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime (1) may not submit a bid, proposal, or reply on a contract: (a) to provide any goods or services to a public entity; (b) for the construction or repair of a public building or public work; or (c) for leases of real property to a public entity; (2) may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and (3) may not transact business with any public entity in excess of the threshold amount provided in section 287.017, Florida Statutes, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.
14. **CONTRACTOR RESPONSIBILITIES**. Except as otherwise specifically provided for in this Agreement, the following provisions are the responsibility of the Contractor:
    A. Contractor shall competently and efficiently supervise, inspect, and direct all work to be performed under this Agreement, devoting such attention thereto and applying such skills and expertise as may be necessary to perform the work in accordance with the Contract Documents.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

B. Contractor shall ensure that a Florida licensed asbestos supervisor with current asbestos supervisor training is on site during all operations of the Contractor under this Agreement and ensure all workers performing tasks within a regulated area hold Florida asbestos work licenses and have undergone appropriate asbestos training as required by law.

C. Contractor shall be solely responsible for the means, methods, techniques, sequences, or procedures of construction and safety precautions or programs incident thereto.

D. Contractor shall be responsible to see that the finished work complies accurately with the contract and the intent thereof.

E. Contractor shall comply with all local, state, and Federal laws, regulations, and ordinances which may affect cost, progress, or its performance under this Agreement, to include obtaining all permits, licenses, and other authorizations necessary for the prosecution of the work, and be responsible for all costs associated with same.

F. Contractor shall operate and cause all construction equipment and materials supplied for or intended to be utilized in the Project to be operated and stored in only those areas prescribed by City. This includes the operations of workmen.

G. Contractor shall be fully responsible for receipt, inspection, acceptance, handling, and storage of all construction equipment and materials supplied for or intended to be utilized in the Project, whether furnished by Contractor or City. Contractor shall be responsible for providing adequate safeguards to prevent loss, theft, damage, or commingling with other materials or projects.

H. Contractor shall continue its performance under this Agreement during the pendency of any dispute or disagreement arising out of or relating to this Agreement, except as Contractor and City may otherwise agree in writing.

15. **NO EXCLUSIVITY**. It is expressly understood and agreed by the parties that this is not an exclusive agreement. Nothing in this Agreement shall be construed as creating any exclusive arrangement with Contractor or as prohibit City from either acquiring similar, equal, or like goods and/or services or from executing additional contracts with other entities or sources.

16. **STORAGE OF MATERIALS/EQUIPMENT**. Contractor shall be fully responsible for receipt, inspection, acceptance, handling, and storage of equipment and materials (whether furnished by Contractor or City) to be utilized in the performance of or incorporated into the work.

17. **RESPONSIBILITIES OF CITY.** City or its Representative shall issue all communications to Contractor. City has the authority to request changes in the work in accordance with the terms of this Agreement and with the terms in **Exhibit A.** City has the authority to stop work or to suspend any work.

18. **COMMERCIAL AUTO LIABILITY INSURANCE.** Contractor shall procure, maintain, and keep in full force, effect, and good standing for the life of this Agreement a policy of commercial auto liability insurance with a minimum combined single limit of One Million Dollars ($1,000,000) per occurrence for bodily injury and property damage arising out of Contractor's operations and covering all owned, hired, scheduled, and non-owned automobiles utilized in said operations. If Contractor does not own vehicles, Contractor shall maintain coverage for hired and non-owned automobile liability, which may be satisfied by way of endorsement to Contractor's Commercial General Liability policy or separate Commercial Automobile Liability policy.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

19. **COMMERCIAL GENERAL LIABILITY INSURANCE.** Contractor shall procure, maintain, and keep in full force, effect, and good standing for the life of this Agreement a policy of commercial general liability insurance with limits not less than:

    A. One Million Dollars ($1,000,000) per occurrence and Two Million Dollars ($2,000,000) aggregate (or project aggregate, if a construction project) for bodily injury, property damage, and personal and advertising injury; and

    B. One Million Dollars ($1,000,000) per occurrence and Two Million Dollars ($2,000,000) aggregate (or project aggregate, if a construction project) for products and completed operations.

    C. Policy must include coverage for contractual liability and independent contractors.

    D. Policy must include Additional Insured coverage in favor of the City that is no less restrictive than that afforded under the CG 20 26 04 13 Additional Insured Form.

20. **POLLUTION LIABILITY INSURANCE**. Contractors providing services related to the handling, transporting, or abatement of hazardous materials shall provide, for a period of Three (3) Years after final completion of the Work, pollution liability insurance coverage for claims arising from the discharge, dispersal, release, or escape of any irritant or contaminant into or upon land, any structure, the atmosphere, watercourse, or body of water, including groundwater, in an amount not less than One Million Dollars ($1,000,000) per claim, and Two Million Dollars ($2,000,000) aggregate limit. This shall also include coverage for claims of: (a) clean up, either on-site or off site; (b) third party liability, including bodily injury, property damage, natural resource damage, third party property loss of use/revenue, and clean up; and/or (c) costs incurred for the investigation, defense, or settlement of claims, fines or penalties.

21. **WORKERS' COMPENSATION AND EMPLOYER'S LIABILITY.** Worker's Compensation insurance shall be provided by Contractor as required by Chapter 440, Florida Statutes, or any other applicable state or federal law, including the U.S. Longshoremen's and Harbor Workers Compensation Act and the Jones Act.

    A. Contractor shall similarly require any and all subcontractors to afford such coverage for all of its employees as required by applicable law.

    B. Contractor shall waive and shall ensure that Contractor's insurance carrier waives, all subrogation rights against the City of Ocala and its officers, employees, and volunteers for all losses or damages. Contractor's policy shall be endorsed with WC 00 03 13 Waiver of our Right to Recover from Others or its equivalent.

    C. Exceptions and exemptions to this Section may be allowed at the discretion of the City's Risk Manager on a case-by-case basis in accordance with Florida Statutes and shall be evidenced by a separate waiver.

22. **ADDITIONAL INSURANCE REQUIREMENTS.**

    A. Contractor's insurance coverage shall be primary insurance for all applicable policies. The limits of coverage under each policy maintained by Contractor shall not be interpreted as limiting Contractor's liability or obligations under this Agreement. City does not in any way represent that these types or amounts of insurance are sufficient or adequate enough to protect Contractor's interests or liabilities or to protect Contractor from claims that may arise out of or result from the negligent acts, errors, or omissions of Contractor, any of its agents or subcontractors, or for anyone whose negligent act(s) Contractor may be liable.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

B. No insurance shall be provided by the City for Contractor under this Agreement and Contractor shall be fully and solely responsible for any costs or expenses incurred as a result of a coverage deductible, or co-insurance penalty to include any loss not covered because of the operation of such deductible, co-insurance penalty, or coverage exclusion or limitation.

C. **Certificates of Insurance**. No work shall be commenced by Contractor under this Agreement until the required Certificate of Insurance and endorsements have been provided nor shall Contractor allow any subcontractor to commence work until all similarly required certificates and endorsements of the subcontractor have also been provided. Work shall not continue after expiration (or cancellation) of the Certificate of Insurance and work shall not resume until a new Certificate of Insurance has been provided. **Contractor shall provide evidence of insurance in the form of a valid Certificate of Insurance (binders are unacceptable) prior to the start of work contemplated under this Agreement to: City of Ocala. Attention: Procurement & Contracting Department, Address: 110 SE Watula Avenue, Third Floor, Ocala Florida 34471, E-Mail: vendors@ocalafl.gov.** Contractor's Certificate of Insurance and required endorsements shall be issued by an agency authorized to do business in the State of Florida with an A.M. Best Rating of A or better. The Certificate of Insurance shall indicate whether coverage is being provided under a claims-made or occurrence form. If any coverage is provided on a claims-made form, the Certificate of Insurance must show a retroactive date, which shall be the effective date of the initial contract or prior.

D. **City as an Additional Insured**. The City of Ocala shall be named as an Additional Insured and Certificate Holder on all liability policies identified in this Section with the exception of Workers' Compensation, Auto Liability (except when required by Risk Management) and Professional Liability policies**. Workers Compensation policy must contain a Waiver of Subrogation in favor of the City**.

E. **Notice of Cancellation of Insurance**. Contractor's Certificate of Insurance shall provide **THIRTY (30) DAY** notice of cancellation, **TEN (10) DAY** notice if cancellation is for non-payment of premium. In the event that Contractor's insurer is unable to accommodate the cancellation notice requirement, it shall be the responsibility of Contractor to provide the proper notice. Such notification shall be in writing by registered mail, return receipt requested, and addressed to the certificate holder. Additional copies may be sent to the City of Ocala at vendors@ocalafl.gov.

F. **Failure to Maintain Coverage**. The insurance policies and coverages set forth above are required and providing proof of and maintaining insurance of the types and with such terms and limits set forth above is a material obligation of Contractor. Contractor's failure to obtain or maintain in full force and effect any insurance coverage required under this Agreement shall constitute material breach of this Agreement.

G. **Severability of Interests**. Contractor shall arrange for its liability insurance to include, or be endorsed to include a severability of interests/cross-liability provision so that the "City of Ocala" (where named as an additional insured) will be treated as if a separate policy were in existence, but without increasing the policy limits.

23. **SAFETY/ENVIRONMENTAL.** Contractor shall be responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with the work. Contractor shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury, or loss to:

A. All employees on the work and other persons that may be affected thereby;

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

B. All work, materials and equipment to be incorporated therein, whether in storage on or off the site; and

C. Other property at the site or adjacent thereto, including trees, shrubs, lawns, walks, pavements, roadways, structures, and utilities not designated for removal, relocation, or replacement in the course of construction.

All, injury, or loss to any property caused, directly or indirectly, in whole or in part, by Contractor, any Subcontractor, or anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, shall be remedied by Contractor. Contractor's duties and responsibilities for the safety and protection of the work shall continue until such time as the work is completed and accepted by City.

24. **TRAFFIC CONTROL AND BARRICADES.** The Contractor shall mitigate impact on local traffic conditions to all extents possible. The Contractor is responsible for establishing and maintaining appropriate traffic control and barricades. The Contractor shall provide sufficient signing, flagging and barricading to ensure the safety of vehicular and pedestrian traffic at all locations where work is being done under this Agreement.

    A. In addition to the requirements set forth in the Solicitation, the Contractor shall maintain at all times a good and sufficient fence, railing or barrier around all exposed portions of said work in such a manner as to warn vehicular and pedestrian traffic of hazardous conditions.

    B. Should the Contractor fail to properly barricade his work or stored material sites in the manner outlined above, the City may have the necessary barricading done, and all cost incurred for said barricading shall be charged to the Contractor.

25. **WORK SITE AND CLEANUP.** Daily, during the progress of the work, Contractor shall keep the premises free from accumulations of waste materials, rubbish, and all other debris resulting from the work. At the completion of the work, Contractor shall remove all waste materials, rubbish, and debris from and about the premises, as well as all tools, appliances, construction equipment and machinery, and surplus materials, and shall leave the site clean and ready for occupancy by City. Contractor shall provide an inventory listing of all surplus materials in an area designated by City. Contractor shall restore to their original condition those portions of the site not designated or alteration by the Contract.

26. **NON-DISCRIMINATORY EMPLOYMENT PRACTICES**. During the performance of the contract, the Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, ancestry, national origin, sex, pregnancy, age, disability, sexual orientation, gender identity, marital or domestic partner status, familial status, or veteran status and shall take affirmative action to ensure that an employee or applicant is afforded equal employment opportunities without discrimination. Such action shall be taken with reference to, but not limited to: recruitment, employment, termination, rates of pay or other forms of compensation and selection for training or retraining, including apprenticeship and on-the-job training.

27. **SUBCONTRACTORS.** Nothing in this Agreement shall be construed to create, impose, or give rise to any duty owed by City or its representatives to any subcontractor of Contractor or any other persons or organizations having a direct contract with Contractor, nor shall it create any obligation on the part of City or its representatives to pay or seek payment of any monies to any subcontractor of Contractor or any other persons or organizations having a direct contract with Contractor, except as may otherwise be required by law. City shall not be responsible for the acts or omissions of any

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

Contractor, subcontractor, or of any of their agents or employees. nor shall it create any obligation on the part of City or its representatives to pay or to seek the payment of any monies to any subcontractor or other person or organization, except as may otherwise be required by law.

28. **DELAYS AND DAMAGES.** The Contractor agrees to make no claim for extra or additional costs attributable to any delays, inefficiencies, or interference in the performance of this contract occasioned by any act or omission to act by the City except as provided in the Agreement. The Contractor also agrees that any such delay, inefficiency, or interference shall be compensated for solely by an extension of time to complete the performance of the work in accordance with the provision in the standard specification.
29. **EMERGENCIES**. In an emergency affecting the welfare and safety of life or property, Contractor, without special instruction or authorization from the City Project Manager, is hereby permitted, authorized and directed to act at its own discretion to prevent threatened loss or injury. Except in the case of an emergency requiring immediate remedial work, any work performed after regular working hours, on Saturdays, Sundays or legal holidays, shall be performed without additional expense to the City unless such work has been specifically requested and approved by the City Project Manager. Contractor shall be required to provide to the City Project Manager with the names, addresses and telephone numbers of those representatives who can be contacted at any time in case of emergency. Contractor's emergency representatives must be fully authorized and equipped to correct unsafe or excessively inconvenient conditions on short notice by City or public inspectors.
30. **INDEPENDENT CONTRACTOR STATUS.** Contractor acknowledges and agrees that under this Agreement, Contractor and any agent or employee of Contractor shall be deemed at all times to be an independent contractor and shall be wholly responsible for the manner in which it performs the services and work required under this Agreement. Neither Contractor nor its agents or employees shall represent or hold themselves out to be employees of City at any time. Neither Contractor nor its agents or employees shall have employee status with City. Nothing in this Agreement shall constitute or be construed to create any intent on the part of either party to create an agency relationship, partnership, employer-employee relationship, joint venture relationship, or any other relationship which would allow City to exercise control or discretion over the manner or methods employed by Contractor in its performance of its obligations under this Agreement.
31. **ACCESS TO FACILITIES.** City shall provide Contractor with access to all City facilities as is reasonably necessary for Contractor to perform its obligations under this Agreement.
32. **ASSIGNMENT.** Neither party may assign its rights or obligations under this Agreement to any third party without the prior express approval of the other party, which shall not be unreasonably withheld.
33. **RIGHT OF CITY TO TAKE OVER CONTRACT.** Should the work to be performed by Contractor under this Agreement be abandoned, or should Contractor become insolvent, or if Contractor shall assign or sublet the work to be performed hereunder without the written consent of City, the City Project Manager shall have the power and right to hire and acquire additional men and equipment, supply additional material, and perform such work as deemed necessary for the completion of this Agreement. Under these circumstances, all expenses and costs actually incurred by City to accomplish such completion shall be credited to City along with amounts attributable to any other elements of damage and certified by the City Project Manager. The City Project Manager's certification as to the amount of such liability shall be final and conclusive.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

34. **PUBLIC RECORDS.** Contractor shall comply with all applicable provisions of the Florida Public Records Act, Chapter 119, Florida Statutes. Specifically, Contractor shall:

    A. Keep and maintain public records required by the public agency to perform the service.

    B. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.

    C. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if Contractor does not transfer the records to the public agency.

    D. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of Contractor or keep and maintain public records required by the public agency to perform the service. If Contractor transfers all public records to the public agency upon completion of the contract, Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Contractor keeps and maintains public records upon completion of the contract, Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

IF CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: CITY OF OCALA, OFFICE OF THE CITY CLERK; 352-629-8266; E-mail: clerk@ocalafl.gov; City Hall, 110 SE Watula Avenue, Ocala, FL 34471.

35. **AUDIT.** Contractor shall comply and cooperate immediately with any inspections, reviews, investigations, or audits relating to this Agreement as deemed necessary by the Florida Office of the Inspector General, the City's Internal or External auditors or by any other Florida official with proper authority.

36. **PUBLICITY.** Contractor shall not use City's name, logo, seal or other likeness in any press release, marketing materials, or other public announcement without City's prior written approval.

37. **E-VERIFY**. Pursuant to section 448.095, Contractor shall register with and use the U.S. Department of Homeland Security's ("DHS") E-Verify System, accessible at https://e-verify.uscis.gov/emp, to verify the work authorization status of all newly hired employees. Contractor shall obtain affidavits from any and all subcontractors in accordance with paragraph 2(b) of section 448.095, Florida Statutes, and maintain copies of such affidavits for the duration of this Agreement. By entering into this Agreement, Contractor certifies and ensures that it utilizes and will continue to utilize the DHS E-Verify System for the duration of this Agreement and any subsequent renewals of same. Contractor understands that failure to comply with the requirements of this section shall result in the termination of this Agreement and Contractor may lose the ability to be awarded a public contract for a minimum of one (1) year after the date on which the Agreement was

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

terminated. Contractor shall provide a copy of its DHS Memorandum of Understanding upon City's request. Please visit www.e-verify.gov for more information regarding the E-Verify System.

38. **CONFLICT OF INTEREST.** Contractor is required to have disclosed, with the submission of their bid, the name of any officer, director, or agent who may be employed by the City. Contractor shall further disclose the name of any City employee who owns, directly or indirectly, any interest in Contractor's business or any affiliated business entity. Any additional conflicts of interest that may occur during the contract term must be disclosed to the City of Ocala Procurement Department.

39. **WAIVER.** The failure or delay of any party at any time to require performance by another party of any provision of this Agreement, even if known, shall not affect the right of such party to require performance of that provision or to exercise any right, power or remedy hereunder. Any waiver by any party of any breach of any provision of this Agreement should not be construed as a waiver of any continuing or succeeding breach of such provision, a waiver of the provision itself, or a waiver of any right, power or remedy under this Agreement. No notice to or demand on any party in any circumstance shall, of itself, entitle such party to any other or further notice or demand in similar or other circumstances.

40. **SEVERABILITY OF ILLEGAL PROVISIONS.** Wherever possible, each provision of this Agreement shall be interpreted in such a manner as to be effective and valid under the applicable law. Should any portion of this Agreement be declared invalid for any reason, such declaration shall have no effect upon the remaining portions of this Agreement.

41. **INDEMNITY.** Contractor shall indemnify City and its elected officials, employees and volunteers against, and hold City and its elected officials, employees and volunteers harmless from, all damages, claims, losses, costs, and expenses, including reasonable attorneys' fees, which City or its elected officials, employees or volunteers may sustain, or which may be asserted against City or its elected officials, employees or volunteers, arising out of the activities contemplated by this Agreement including, without limitation, harm or personal injury to third persons during the term of this Agreement to the extent attributable to the actions of Contractor, its agents, and employees.

42. **NO WAIVER OF SOVEREIGN IMMUNITY.** Nothing herein is intended to waive sovereign immunity by the City to which sovereign immunity may be applicable, or of any rights or limits of liability existing under Florida Statute § 768.28. This term shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until any proceeding brought under this Agreement is barred by any applicable statute of limitations.

43. **NOTICES.** All notices, certifications or communications required by this Agreement shall be given in writing and shall be deemed delivered when personally served, or when received if by facsimile transmission with a confirming copy mailed by registered or certified mail, postage prepaid, return receipt requested. Notices can be concurrently delivered by email. All notices shall be addressed to the respective parties as follows:

If to Contractor:

44. **ATTORNEYS' FEES.** If any civil action, arbitration or other legal proceeding is brought for the enforcement of this Agreement, or because of an alleged dispute, breach, default or misrepresentation in connection with any provision of this Agreement, the successful or prevailing party shall be entitled to recover reasonable attorneys' fees, sales and use taxes, court costs and all expenses reasonably incurred even if not taxable as court costs (including, without limitation, all such fees, taxes, costs and expenses incident to arbitration, appellate, bankruptcy and post-judgment proceedings), incurred in that civil action, arbitration or legal proceeding, in addition to any other relief to which such party or parties may be entitled. Attorneys' fees shall include, without limitation, paralegal fees, investigative fees, administrative costs, sales and use taxes and all other charges reasonably billed by the attorney to the prevailing party.
45. **JURY WAIVER.** IN ANY CIVIL ACTION, COUNTERCLAIM, OR PROCEEDING, WHETHER AT LAW OR IN EQUITY, WHICH ARISES OUT OF, CONCERNS, OR RELATES TO THIS AGREEMENT, ANY AND ALL TRANSACTIONS CONTEMPLATED HEREUNDER, THE PERFORMANCE HEREOF, OR THE RELATIONSHIP CREATED HEREBY, WHETHER SOUNDING IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE, TRIAL SHALL BE TO A COURT OF COMPETENT JURISDICTION AND NOT TO A JURY. EACH PARTY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY. NEITHER PARTY HAS MADE OR RELIED UPON ANY ORAL REPRESENTATIONS TO OR BY ANY OTHER PARTY REGARDING THE ENFORCEABILITY OF THIS PROVISION. EACH PARTY HAS READ AND UNDERSTANDS THE EFFECT OF THIS JURY WAIVER PROVISION.
46. **GOVERNING LAW.** This Agreement is and shall be deemed to be a contract entered and made pursuant to the laws of the State of Florida and shall in all respects be governed, construed, applied and enforced in accordance with the laws of the State of Florida.
47. **JURISDICTION AND VENUE.** The parties acknowledge that a majority of the negotiations, anticipated performance and execution of this Agreement occurred or shall occur in Marion County, Florida. Any civil action or legal proceeding arising out of or relating to this Agreement shall be brought only in the courts of record of the State of Florida in Marion County or the United States District Court, Middle District of Florida, Ocala Division. Each party consents to the exclusive jurisdiction of such court in any such civil action or legal proceeding and waives any objection to

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

the laying of venue of any such civil action or legal proceeding in such court and/or the right to bring an action or proceeding in any other court. Service of any court paper may be effected on such party by mail, as provided in this Agreement, or in such other manner as may be provided under applicable laws, rules of procedures or local rules.

48. **REFERENCE TO PARTIES.** Each reference herein to the parties shall be deemed to include their successors, assigns, heirs, administrators, and legal representatives, all whom shall be bound by the provisions hereof.
49. **MUTUALITY OF NEGOTIATION.** Contractor and City acknowledge that this Agreement is a result of negotiations between Contractor and City, and the Agreement shall not be construed in favor of, or against, either party because of that party having been more involved in the drafting of the Agreement.
50. **SECTION HEADINGS.** The section headings herein are included for convenience only and shall not be deemed to be a part of this Agreement.
51. **RIGHTS OF THIRD PARTIES.** Nothing in this Agreement, whether express or implied, is intended to confer any rights or remedies under or because of this Agreement on any persons other than the parties hereto and their respective legal representatives, successors and permitted assigns. Nothing in this Agreement is intended to relieve or discharge the obligation or liability of any third persons to any party to this Agreement, nor shall any provision give any third persons any right of subrogation or action over or against any party to this Agreement.
52. **AMENDMENT.** No amendment to this Agreement shall be effective except those agreed to in writing and signed by both parties to this Agreement.
53. **COUNTERPARTS.** This Agreement may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument.
54. **ELECTRONIC SIGNATURE(S).** Contractor, if and by offering an electronic signature in any form whatsoever, will accept and agree to be bound by said electronic signature to all terms and conditions of this Agreement. Further, a duplicate or copy of the Agreement that contains a duplicated or non-original signature will be treated the same as an original, signed copy of this original Agreement for all purposes.
55. **ENTIRE AGREEMENT.** This Agreement, including exhibits, (if any) constitutes the entire Agreement between the parties hereto with respect to the subject matter hereof. There are no other representations, warranties, promises, agreements or understandings, oral, written or implied, among the Parties, except to the extent reference is made thereto in this Agreement. No course of prior dealings between the parties and no usage of trade shall be relevant or admissible to supplement, explain, or vary any of the terms of this Agreement. No representations, understandings, or agreements have been made or relied upon in the making of this Agreement other than those specifically set forth herein.
56. **LEGAL AUTHORITY**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

IN WITNESS WHEREOF, the parties have executed this Agreement on 6/9/2026.

Title: Project Manager
(Title)

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

BACKGROUND

1. Contractor shall demolish and remove a structure located at **4080 SW 29th PL ST, Ocala, FL 34474 | 2380-003-013**.
    - demolish and remove improvements, remove junk, and cut and clean lot.
2. Contractor will provide all labor and equipment to complete this project.

ON-SITE REQUIREMENTS

Federal 40 CFR 61.145(c)(8) states in part, "no RACM shall be stripped, removed, or otherwise handled or disturbed at a facility regulated by this section unless at least one on-site representative, such as a foreman or management level person or other authorized person trained in the provisions of this regulation and the means of complying with them is present." DEP requires this "trained person" to be on site when non-friable ACM is present, or is discovered, so problems can be caught early and corrected without delay.

PERMIT REQUIREMENTS

1. **City of Ocala Demolition Permit:**
    A. Contractor must obtain a City of Ocala demolition permit.
    B. If Contractor isn't already "certified" with the City of Ocala, Contractor must complete the Contractor Certification Application prior to applying for a City Demolition Permit.
    C. The application for demolition permit is available at: https://www.ocalafl.org/government/city-departments-a-h/growth-management/building/construction-permits
    D. It is the responsibility of the Contractor to obtain the approval signatures of the appropriate representatives of the following agencies listed on the City of Ocala Demolition Permit Application: gas, telephone, telecommunication, water and electric utilities, Cox Cable, a licensed exterminator, planning and environmental review from the City of Ocala's Growth Management Department.
2. No work shall commence, nor will any permits be issued, until all associated contracts have been approved and signed by all applicable parties involved.
3. **Marion County Permits:** In addition to any City required permits, septic tank permits must be obtained from the Marion County Growth Management Services Department, located at 2710 East Silver Springs Boulevard, Ocala, FL 34470. Information regarding septic tank permitting can be obtained by calling the septic permitting office at (352) 438-2417.

PROJECT SUMMARY

This project consists of the following:

1. Termination of water and sewer connections at the property line (city meter/sewer laterals) prior to beginning demolition work.
2. Demolition and removal of a **structure, overgrowth, structural debris, structure contents, improvements, and any junk** on the property listed above.
3. Underbrush, overgrowth, and all debris must be removed from the property. All trees, **except for those that are dead,** shall remain.
4. Property shall be graded to final grade, using a box blade.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

5. The ground where the buildings are removed will be leveled, and if on a grade, sodded.
6. Any fuel tanks found must be pumped, disconnected, crushed, and backfilled or pumped and completely removed from the property according to Chapter 62-761 of the Florida Administrative Code.
7. Public sidewalks and driveway aprons must remain intact. Any damage to sidewalks or driveway aprons by the Contractor will be repaired at the Contractor's expense.
8. Any septic tanks will be pumped, crushed and back-filled, according to City requirements, Florida Building and Plumbing codes, and the Marion County Health Department requirements.
9. Any water wells will be capped according to City requirements and Florida Building and Plumbing codes.
10. All items will be removed from the property and properly disposed. **NO** items will be buried.

WEATHER DAYS

The Contractor shall submit a written request to the City Project Manager (email is the preferred method) for additional days for which work is suspended or delayed by weather. Weather days shall be reconciled with each monthly pay application for the time period which the application is submitted and shall be final. Contractor performance and execution of work will be considered in the determination for granting additional days.

CONTRACTOR RESPONSIBILITIES

1. Scheduling of demolition shall be coordinated through **Jennipher Buller,** (352)-629-8309, jbuller@ocalafl.gov.
2. Contractor shall promptly secure all necessary permits, inspections and approvals required and allow inspection of all work by authorized personnel.
3. No work shall commence until the Contractor has submitted proof of #62-257.900(1) - Notice of Demolition* to FDEP and provide proof of mailing to the City Project Manager.
4. Contractor must wait ten (10) business days (excluding holidays as observed by the State of Florida) after the confirmed delivery date, prior to starting demolition. Acceptable forms of proof are as follows:
    - USPS Certified Mail receipt
    - FedEx tracking receipt
    - Similar mailing methods, where delivery date can be verified.
5. *FDEP form 62-257.900(1) - Notice of Demolition is available at the following link: https://floridadep.gov/sites/default/files/dep62_257_900%281%29.pdf
6. The Contractor shall complete all work performed under this contract in accordance with policies and procedures of the City of Ocala and all applicable State and Federal laws, policies, procedures, and guidelines.
7. The Contractor shall obtain and pay for any and licenses, additional equipment, dumping and/or disposal fees, etc., required to fulfill this Agreement.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

8. The Contractor is responsible for purchasing the permits and ensuring that the hired sub-contractors purchase their required permits.
9. The contractor must have sufficient equipment to complete work. The City will not pay for rental of additional equipment, purchases of equipment, etc.
10. Contractor shall leave the property at once, without altercation, if advised to leave by law enforcement or a person claiming to be the property owner and/or property owner's representative. Immediately after leaving, contact the City Project Manager and advise them of the situation.
11. Contractor will be responsible for the inspector's overtime.
12. Provide on-site sanitary facilities as required by governing agencies.
13. Contractor is responsible for any and all damages including but not limited to buildings, curbing, pavement, landscaping, or irrigation systems caused by their activity. Should any public or private property be damaged or destroyed, the Contractor, at their expense, shall repair or make restoration as acceptable to the City of destroyed or damaged property within forty-eight (48) hours of notification from the City.

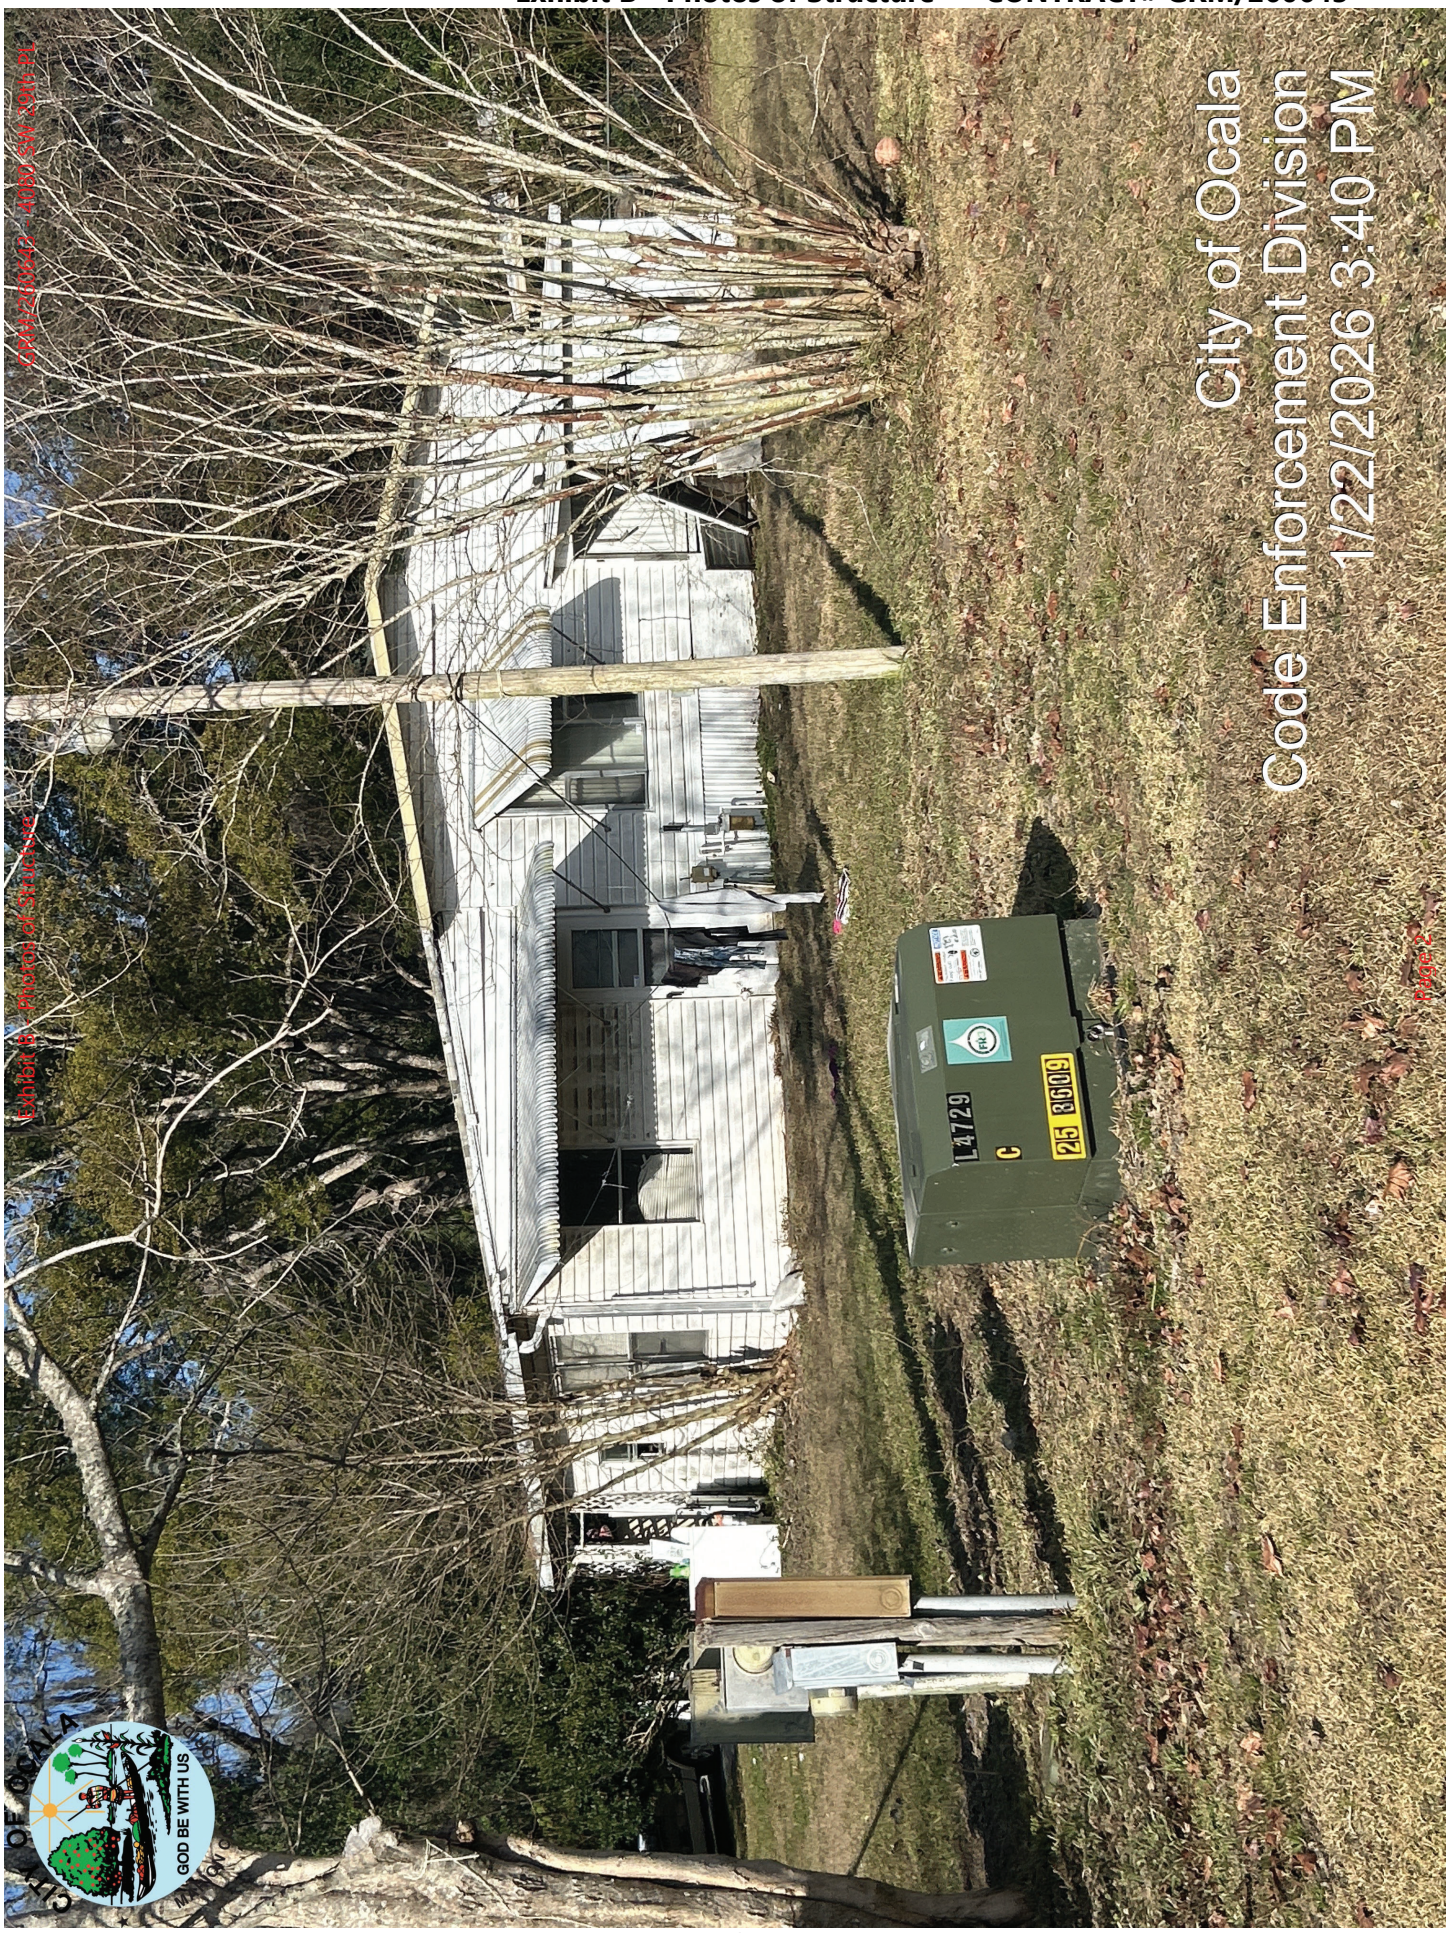
CONTRACTOR EMPLOYEES AND EQUIPMENT

1. Contractor must utilize competent employees in performing the work. Employees performing the work must be properly licensed or qualified as required by the scope.
2. Contractor must provide a valid telephone number, email, and address to the City Project Manager. The phone must be answered during normal working hours, or voicemail must be available to take a message.
3. At the request of the City, the Contractor must replace any incompetent, unfaithful, abusive, or disorderly person in their employment. The City and the Contractor must each be promptly notified by the other of any complaints received.
4. Contractor's employees must wear suitable work clothes and personal protective equipment as defined by OSHA (hard hats, bucket harnesses, etc.) and meeting Manual on Uniform Traffic Control Devices (MUTCD) and National Electrical Safety Code (NESC) requirements as indicated for all work conducted and be as clean and in as good appearance as the job conditions permit.
5. Contractor will operate as an independent contractor and not as an agent, representative, partner or employee of the City of Ocala, and shall control their operations at the work site, and be solely responsible for the acts or omissions of their employees.
6. No smoking is allowed on City property or projects.
7. Contractor shall possess and maintain sufficient equipment to complete the work described herein. Contractor's equipment shall be in good repair, and contractor shall have a qualified operator to maintain the care of the equipment. All operators must be trained in proper use and care of equipment. A list of equipment shall be provided to the City upon request.
8. All company shirts and vehicles must have a visible company name/logo.

SUB-CONTRACTORS

1. Contractor must perform a minimum of **30%** of the work with their own forces.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891



SAFETY

1. The Contractor is solely responsible for ensuring safety during demolition and for conformance to all applicable OSHA standards; and local, state, and national codes concerning safety provisions for their employees, sub-contractors, all building and site occupants, staff, public, and all persons in or around the work area.
2. Job site visits by City staff do not constitute approval, awareness, or liability for any hazardous condition.
3. Contractor shall be responsible for securing their equipment, materials, clothing, and other property.
4. In no event shall the City be responsible for any damages to any of the Contractor's equipment, materials, property, or clothing lost, damaged, destroyed or stolen.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

I. INTRODUCTION

Property Address: 4080 SW 29th Place
Ocala, FL 34474

Survey Performed For: City of Ocala, Code Enforcement
201 SE 3rd Street, 2nd Floor, Ocala, FL 34474

Survey Performed By: Chris Ritko, Asbestos Building Inspector

Company: DK Environmental & Construction Services
8786 Sonoma Coast Drive
Winter Garden, FL 34787
407-614-4572

Date of On-Site Survey: February 13, 2026

Date of Report: February 20, 2026

DK Environmental & Construction Services, Inc. (DKE) has completed a limited Asbestos Survey at the property address listed above. This report contains the results of the Survey. The purpose of this Survey was to identify the presence of asbestos-containing materials that may be disturbed during planned demolition. This limited Asbestos Survey report presents data that describes the location of asbestos-containing material (ACM) identified in the subject property. This Survey was conducted on site by an EPA-trained professional asbestos building inspector.

This report is intended for the exclusive use of our client. The findings are relevant to the conditions observed during the physical process of performing the Survey. These findings should not be treated as absolute, nor should they be relied upon to represent conditions at significantly later dates.

We appreciate the opportunity to provide environmental consulting services to your organization. If you have any questions or need additional assistance, please call (407)614-4572.

Chris Ritko
Asbestos Building Inspector
200244

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

II. SURVEY SUMMARY

On February 13, 2026, an Asbestos Survey was performed at 4080 SW 29th Place, Ocala, FL 34474. The property is a single-family detached dwelling. It is approximately 1,789 square feet and was constructed in 1980.

The purpose of this Survey was to identify the presence of asbestos-containing materials that may be disturbed during planned demolition. Limited bulk samples were collected and AHERA protocols were adhered to.

The Asbestos Survey consisted of three basic procedures: 1) conducting a visual inspection of the property; 2) identifying homogeneous areas (HAs) of suspect surfacing, thermal system insulation, and miscellaneous materials; and 3) sampling accessible, friable, and non-friable suspect materials. Some building components may have been inaccessible at the time of this screening, or were not tested because they were covered by other building materials (paneling, tile, siding, etc.). It is possible that ACBMs may be hidden by these materials.

The property was visually inspected for the presence of building materials that are suspected to contain asbestos. With regard to asbestos, bulk material samples were collected and analyzed for asbestos content. These services were performed exercising the customary skill and competence of consulting professionals in the relevant disciplines in this region.

Bulk samples of identified suspect ACM were collected and placed into individual containers for transport to a National Voluntary Lab Accreditation Program (NVLAP)/American Industrial Hygiene Association (AIHA)-accredited laboratory for analysis. The collection of bulk samples consisted of physically removing a small piece of material and placing it in a marked, airtight container. The sample container identification numbers were also recorded in the field notes.

III. ASBESTOS OVERVIEW

Asbestos is a generic name given to a fibrous variety of naturally occurring minerals that have been used for many years in commercial products, based on specific properties of the minerals. Asbestos occurs in fiber bundles, which are composed of long and thin fibers that can be easily separated from one another. These mineral products possess high tensile strength, flexibility, resistance to chemical and thermal degradation, and high electrical resistance. The minerals are easily woven into various types of textiles, fabrics, cloths, sheets, panels, or mixed into adhesives, coatings, surfacing materials and cement products. Typically, asbestos-containing building materials (ACBM) are segregated into three categories: Thermal System Insulation (TSI) usually found on pipes, boilers, and HVAC ducts; surfacing materials such as sprayed or troweled-on fireproofing and insulation, and plasters; and miscellaneous materials including vinyl composite floor tiles, floor sheeting, adhesives, roofing materials, window glazing and cement products.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

Friable asbestos-containing material (ACM), is defined as any material containing more than one percent (1%) asbestos as determined using the method specified in Appendix A, Subpart F, 40 CFR Part 763, Section 1, Polarized Light Microscopy (PLM), that, when dry, can be crumbled, pulverized or reduced to powder by hand pressure. (Sec. 61.141)

Non-friable ACM is any material containing more than one percent (1%) asbestos as determined using the method specified in Appendix A, Subpart F, 40 CFR Part 763, Section 1, Polarized Light Microscopy (PLM), that, when dry, cannot be crumbled, pulverized, or reduced to powder by hand pressure. EPA also defines two categories of non-friable ACM, Category I and Category II non-friable ACM, which are described later in this guidance.

"Regulated Asbestos-Containing Material" (RACM) is (a) friable asbestos material, (b) Category I non-friable ACM that has become friable, (c) Category I non-friable ACM that will be or has been subjected to sanding, grinding, cutting or abrading, or (d) Category II non-friable ACM that has a high probability of becoming or has become crumbled, pulverized, or reduced to powder by the forces expected to act on the material in the course of demolition or renovation operations.

The EPA's National Emission Standard for Hazardous Air Pollutants (NESHAP) regulations and the Florida Department of Environmental Protection (FDEP) Asbestos program regulate the removal and disposal of asbestos-containing building materials (any material containing more than 1% asbestos).

Potential effects on workers or occupants in buildings where asbestos-containing materials (ACM) are present may occur when exposure to asbestos fibers is caused by deterioration, damage or renovation disturbance of ACBMs. Federal regulations pertaining to asbestos include 40 Code of Federal Regulations (CFR) 763 (a subchapter of the Toxic Substance Control Act (TSCA)); Occupational Safety and Health Act (OSHA) 29 CFR 1910 Subpart Z and 29 CFR 1926 Subpart Z.

Asbestos NESHAP regulations must be followed for demolitions and/or renovations of facilities with at least 260 linear feet of regulated asbestos-containing materials (RACM) on pipes, 160 square feet of regulated asbestos-containing materials on other facility components, or at least 35 cubic feet of facility components where the amount of RACM previously removed from pipes and other facility components could not be measured before stripping. If dimensions fall below these thresholds, Asbestos NESHAP regulations need not be followed for demolition and/or renovation activities.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

IV. LIMITATIONS

This report has been prepared to assist in evaluating the potential presence of asbestos-containing material in the property. The objective of this assessment was to perform the work with care, exercising the customary skill and competence of consulting professionals in the relevant disciplines in this region. The conclusions presented in this report are professional opinions based upon visual observations of the site at the time of DKE's investigation and the results of laboratory analysis. The opinions presented herein apply to site conditions existing at the time of our investigation and those reasonably foreseeable. DKE cannot act as insurers, and no express or implied representation or warrant is included or intended in our report except that our work was performed, within the limits prescribed by our client, with the customary thoroughness and competence of our profession at the time and place the services were rendered. DKE cannot and will not warrant that this Asbestos Survey that was requested by the client will satisfy the dictates of, or provide a legal defense in connection with, any environmental laws or regulations. It is the responsibility of the client to know and abide by all applicable laws, regulations, and standards. The results reported and conclusions reached by DKE are solely for the benefit of the client. The results and opinions in this report, based solely upon the conditions found on the property as of the date of the Survey, will be valid only as of the date of the Survey.

Please note that the test results relate only to those homogeneous materials tested. If conditions or materials, other than those addressed in this report are encountered during the planned renovation/demolition activities, DKE should be contacted to assess the potential impact of these materials or conditions relative to the findings or recommendations included herein. The survey was performed by observing suspect materials throughout the structure where accessible. DKE must emphasize that it is not possible to look within every location of a building. The visual survey documents only general locations of suspect materials but does not determine exact boundaries. Concealed locations of asbestos may exist at the subject property, and the levels may vary from those stated in this report. There may be variations in the composition of materials which appear similar. Materials may be hidden from view and not accessible. No attempt was made to disassemble equipment or demolish structural elements and finishes as this is beyond the scope of our authorized services. Visual observations were made only at safe and convenient locations. Due to these limitations, wall voids, flooring under carpet, building cavities and mechanical equipment, and other areas may contain unreported asbestos-containing materials. Suspect materials not previously identified in this report may be encountered during any renovation/demolition activity. These materials should be assumed asbestos containing material until sample collection and subsequent analysis prove otherwise. Unsafe structures should be assumed to contain asbestos materials unless the suspect material is noted as sampled. All fire doors should be assumed asbestos containing material since disassembly of locks and/or other work to access the door insulation is not possible.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

V. ANALYTICAL RESULTS

Samples were analyzed by Hayes Microbial Consulting in Midlothian, VA. Hayes Microbial Consulting is an American Industrial Hygiene Association (AIHA)-accredited laboratory.

All samples were analyzed utilizing Polarized Light Microscopy (PLM) according to EPA Method 600/R-93/116. Any material that contains greater that one percent asbestos is considered an ACM and must be handled according to the Occupational Safety and Health Administration (OSHA), EPA and applicable state and local regulations.

The following table contains information regarding bulk samples found to contain asbestos by definition. The laboratory report has also been included at the end of this report.

Bulk Collection and Sample Analysis Results

Sample Number	*Description*	*Condition*	*Friable*	*Asbestos Percent and Type*	*Location/ Amount*	*NESHAP Category*
4080-1-1	Roof Coating/Beige	Intact	No	None Detected	Typical Exterior Roof	NA

VI. ASBESTOS RECOMMENDATIONS

Asbestos NESHAP regulations must be followed for demolitions and/or renovations of facilities with at least 260 linear feet of regulated asbestos-containing materials (RACM) on pipes, 160 square feet of regulated asbestos-containing materials on other facility components, or at least 35 cubic feet of facility components where the amount of RACM previously removed from pipes and other facility components could not be measured before stripping. If dimensions fall below these thresholds, Asbestos NESHAP regulations need not be followed for demolition and/or renovation activities.

The EPA and NESHAP recommend that a point-counting procedure be utilized for confirmation of asbestos percentage in friable materials that are visually estimated by PLM methodology to contain less than 10% asbestos. The 400 Point Count Procedure referenced in EPA 600/M4-82-020 (1987) and EPA 600/R-93/116 (1993) is commonly employed. Without the material being point counted or if point counting determined that material contains greater than one percent asbestos, it would be deemed an asbestos containing material and would need to be removed by a Florida licensed asbestos contractor prior to disturbance.

Disturbances to Asbestos Containing Materials:

- Should be performed by a Florida Licensed Asbestos Abatement Contractor
- U.S. Occupational Safety and Health Administration (OSHA) regulations apply to the disturbance of material containing any percentage of asbestos fibers as outlined in 29 CFR 1926.1101-OSHA's Asbestos Standard for the Construction Industry. The contractor will need to comply with the specific training, duties and responsibilities outlined in this CFR.
- OSHA 29 CFR 1910.1001. OSHA 29 CFR 1910.1001 requires the communication of information concerning asbestos hazards. Employees engaged in work activities with installed ACM may be exposed to asbestos

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

fibers. The owner or operator should take the necessary steps to reduce the potential for disturbance.

EPA National Emission Standards for Hazardous Air Pollutants (NESHAP) is applicable to amounts of asbestos that contain at least 260 linear feet on pipes or at least 160 square feet on other facility components, or (ii) At least 35 cubic feet off facility components where the length or area could not be measured previously.

The EPA's National Emission Standard for Hazardous Air Pollutants (NESHAP) regulations and the Florida Department of Environmental Protection (DEP) Asbestos program regulate the removal and disposal of asbestos-containing building materials. The Florida Department of Environmental Protection (DEP) administers an asbestos removal program under Chapter 62-257, Florida Administrative Code. The Asbestos NESHAP has been adopted by reference in section 62-204.800, Florida Administrative Code. The program's intent is to minimize the release of asbestos fibers during activities involving the processing, handling, and disposal of asbestos-containing material.

The regulations of these agencies require the removal of friable asbestos-containing materials prior to extensive renovation or demolition projects, and the removal of non-friable asbestos-containing materials that may be rendered friable in the course of renovation or demolition projects. Only a Florida licensed asbestos contractor using properly trained, certified, and licensed asbestos workers can perform asbestos removal projects in Florida. Air monitoring during and after abatement activities is also recommended to document the fiber levels inside and outside the abatement work area.

The asbestos NESHAP requires that an asbestos trained person be on site i.e. 40 CFR 61.145 (c) (8) states in part "no RACM shall be stripped, removed, or otherwise handled or disturbed at a facility regulated by this section unless at least one on-site representative, such as a foreman or management level person or other authorized person, trained in the provisions of this regulation and the means of complying with them is present."

DEP recommends that this "trained person" be on site when non-friable ACM is present so that developing problems can be caught early and corrected without delay. In addition, the regulations require the owner of the building and/or the operator to notify the applicable DEP District Office or Local Pollution Control Agency before any demolition, or before renovations of buildings that contain a certain threshold amount of asbestos or asbestos containing materials.

Florida requires the submission of a 10-Day Notification for all renovations and demolitions of facilities with at least 260 linear feet of regulated asbestos-containing materials (RACM), 160 square feet of regulated asbestos containing materials on other facility components, or at least 35 cubic feet off facility components. Asbestos waste requires disposal at an approved solid waste disposal facility.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

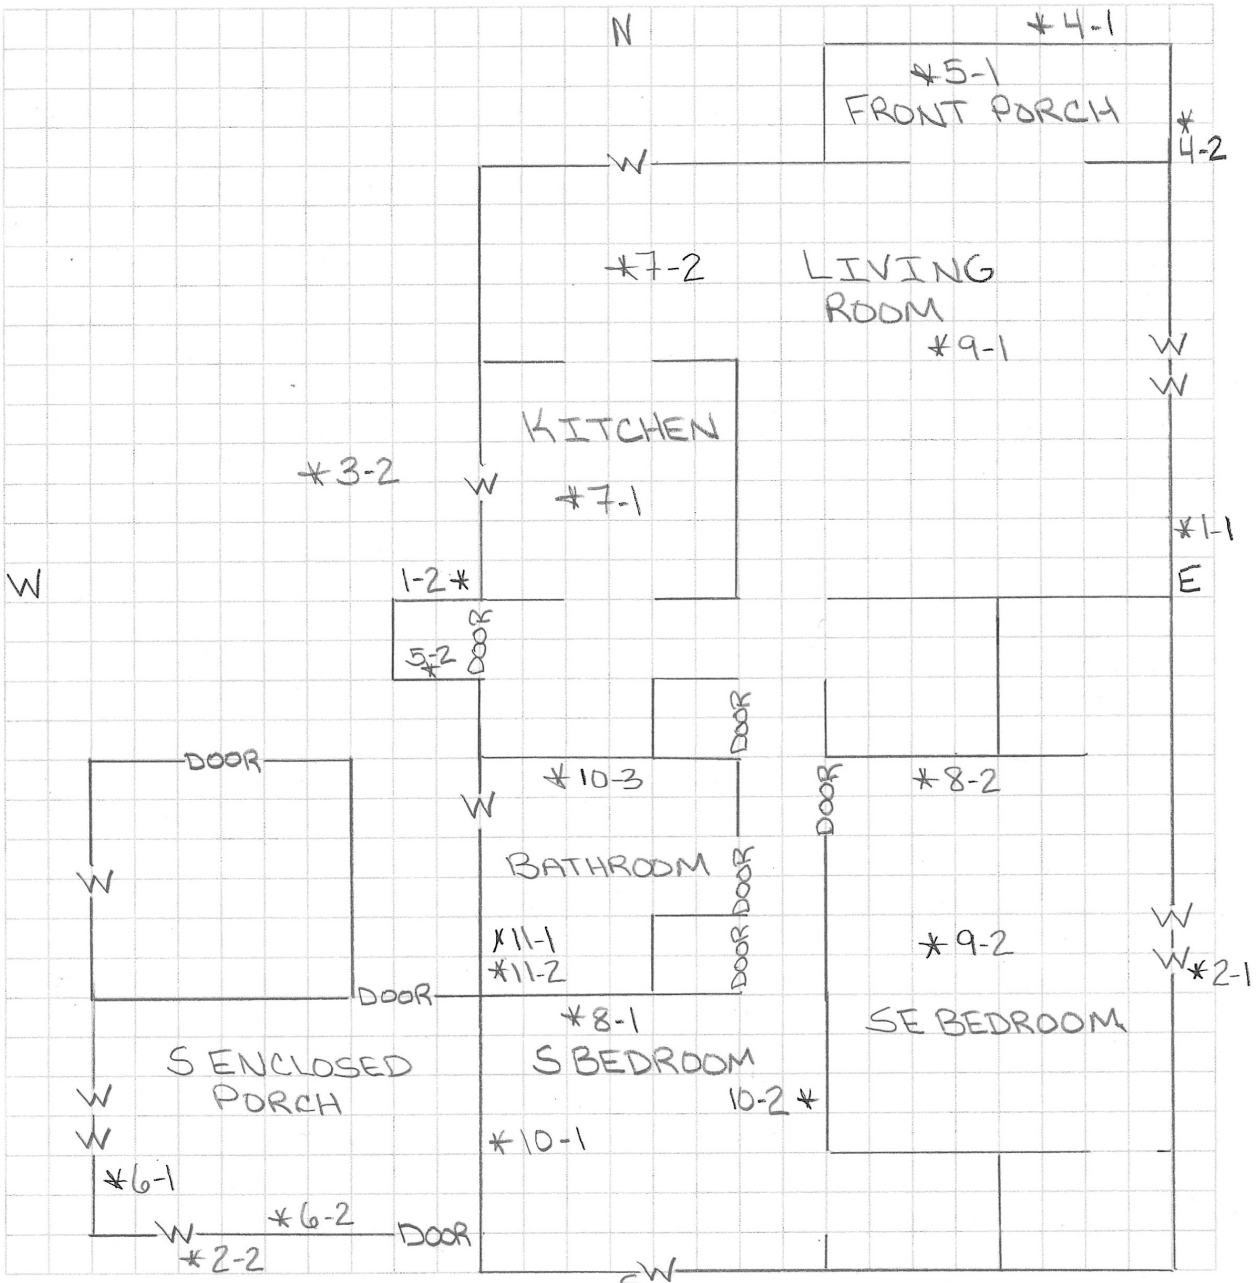
Local agencies may also have specific requirements for demolition/renovation projects involving asbestos-containing building materials.

OSHA 29 CFR 1910.1001 requires the communication of information concerning asbestos hazards. Employees engaged in work activities with installed ACM may be exposed to asbestos fibers. The owner or operator should take the necessary steps to reduce the potential for disturbance.

29 CFR 1926.1101- OSHA's Asbestos Standard for the Construction Industry does apply to the abatement, renovation and/or demolition of all buildings identified with asbestos containing material. The contractor will need to comply with the specific training, duties and responsibilities outlined in this CFR.

If asbestos containing materials identified within, or on, the property will be disturbed or otherwise caused to become friable within the scope of the renovation, they should be removed from the structures prior to the maneuvers taking place according to applicable regulations.



No other recommendations regarding asbestos containing materials are required at this time. In the event concealed building materials are discovered during future renovation or demolition activities, which are suspected to contain asbestos, the materials should be sampled and analyzed to confirm the presence of asbestos prior to the disturbing such materials.

X. GLOSSARY

Active waste disposal site: any disposal site other than an inactive site.

Adequately wet: sufficiently mix or penetrate with liquid to prevent the release of particulates. If visible emissions are observed coming from asbestos-containing material, then that material has not been adequately wetted. However, the absence of visible emissions is not sufficient evidence of being adequately wet.

Asbestos: the asbestiform varieties of serpentinite (chrysotile), riebeckite (crocidolite), cummingtonite-grunerite, anthophyllite, and actinolite-tremolite.

Asbestos-containing waste materials: mill tailings or any waste that contains commercial asbestos and is generated by a source subject to the provisions of this subpart. This term includes filters from control devices, friable asbestos waste material, and bags or other similar packaging contaminated with commercial asbestos. As applied to demolition and renovation operations, this term also includes regulated asbestos-containing material waste and materials contaminated with asbestos including disposable equipment and clothing.

Asbestos mill: any facility engaged in converting, or in any intermediate step in converting, asbestos ore into commercial asbestos. Outside storage of asbestos material is not considered a part of the asbestos mill.

Asbestos tailings: any solid waste that contains asbestos and is a product of asbestos mining or milling operations.

Asbestos waste from control devices: any waste material that contains asbestos and is collected by a pollution control device.

Category I non-friable asbestos-containing material (ACM): asbestos-containing packings, gaskets, resilient floor covering, and asphalt roofing products containing more than 1 percent asbestos as determined using the method specified in appendix E, subpart E, 40 CFR part 763, section 1, Polarized Light Microscopy.

Category II non-friable ACM: any material, excluding Category I non-friable ACM, containing more than 1 percent asbestos as determined using the methods specified in appendix E, subpart E, 40 CFR part 763, section 1, Polarized Light Microscopy that, when dry, cannot be crumbled, pulverized, or reduced to powder by hand pressure.

Commercial asbestos: any material containing asbestos that is extracted from ore and has value because of its asbestos content.

Cutting: to penetrate with a sharp-edged instrument and includes sawing, but

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

does not include shearing, slicing, or punching.

Demolition: the wrecking or taking out of any load-supporting structural member of a facility together with any related handling operations or the intentional burning of any facility.

Emergency renovation operation: a renovation operation that was not planned but results from a sudden, unexpected event that, if not immediately attended to, presents a safety or public health hazard, is necessary to protect equipment from damage, or is necessary to avoid imposing an unreasonable financial burden. This term includes operations necessitated by nonroutine failures of equipment.

Fabricating: any processing (e.g., cutting, sawing, drilling) of a manufactured product that contains commercial asbestos, with the exception of processing at temporary sites (field fabricating) for the construction or restoration of facilities. In the case of friction products, fabricating includes bonding, debonding, grinding, sawing, drilling, or other similar operations performed as part of fabricating.

Facility: any institutional, commercial, public, industrial, or residential structure, installation, or building (including any structure, installation, or building containing condominiums or individual dwelling units operated as a residential cooperative, but excluding residential buildings having four or fewer dwelling units); any ship; and any active or inactive waste disposal site. For purposes of this definition, any building, structure, or installation that contains a loft used as a dwelling is not considered a residential structure, installation, or building. Any structure, installation or building that was previously subject to this subpart is not excluded, regardless of its current use or function.

Facility component: any part of a facility including equipment.

Friable asbestos material: any material containing more than 1 percent asbestos as determined using the method specified in appendix E, subpart E, 40 CFR part 763 section 1, Polarized Light Microscopy, that, when dry, can be crumbled, pulverized, or reduced to powder by hand pressure. If the asbestos content is less than 10 percent as determined by a method other than point counting by polarized light microscopy (PLM), verify the asbestos content by point counting using PLM.

Fugitive source: any source of emissions not controlled by an air pollution control device.

Glove bag: a sealed compartment with attached inner gloves used for the handling of asbestos-containing materials. Properly installed and used, glove bags provide a small work area enclosure typically used for small-scale asbestos stripping operations. Information on glove-bag installation, equipment and supplies, and work practices is contained in the Occupational Safety and Health

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

Administration's (OSHA's) final rule on occupational exposure to asbestos (appendix G to 29 CFR 1926.58).

Grinding: to reduce to powder or small fragments and includes mechanical chipping or drilling.

In poor condition: the binding of the material is losing its integrity as indicated by peeling, cracking, or crumbling of the material.

Inactive waste disposal site: any disposal site or portion of it where additional asbestos-containing waste material has not been deposited within the past year. Installation means any building or structure or any group of buildings or structures at a single demolition or renovation site that are under the control of the same owner or operator (or owner or operator under common control).

Leak-tight: solids or liquids cannot escape or spill out. It also means dust-tight.

Malfunction: any sudden and unavoidable failure of air pollution control equipment or process equipment or of a process to operate in a normal or usual manner so that emissions of asbestos are increased. Failures of equipment shall not be considered malfunctions if they are caused in any way by poor maintenance, careless operation, or any other preventable upset conditions, equipment breakdown, or process failure.

Manufacturing: the combining of commercial asbestos-or, in the case of woven friction products, the combining of textiles containing commercial asbestos-with any other material(s), including commercial asbestos, and the processing of this combination into a product. Chlorine production is considered a part of manufacturing.

Natural barrier: a natural object that effectively precludes or deters access. Natural barriers include physical obstacles such as cliffs, lakes or other large bodies of water, deep and wide ravines, and mountains. Remoteness by itself is not a natural barrier.

Non-friable asbestos-containing material: any material containing more than 1 percent asbestos as determined using the method specified in appendix E, subpart E, 40 CFR part 763, section 1, Polarized Light Microscopy, that, when dry, cannot be crumbled, pulverized, or reduced to powder by hand pressure.

Nonscheduled renovation operation: a renovation operation necessitated by the routine failure of equipment, which is expected to occur within a given period based on past operating experience, but for which an exact date cannot be predicted.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

Outside air: the air outside buildings and structures, including, but not limited to, the air under a bridge or in an open air ferry dock.

Owner or operator of a demolition or renovation activity: any person who owns, leases, operates, controls, or supervises the facility being demolished or renovated or any person who owns, leases, operates, controls, or supervises the demolition or renovation operation, or both.

Particulate asbestos material: finely divided particles of asbestos or material containing asbestos.

Planned renovation operations: a renovation operation, or a number of such operations, in which some RACM will be removed or stripped within a given period of time and that can be predicted. Individual nonscheduled operations are included if a number of such operations can be predicted to occur during a given period of time based on operating experience.

Regulated asbestos-containing material (RACM): (a) Friable asbestos material, (b) Category I non-friable ACM that has become friable, (c) Category I non-friable ACM that will be or has been subjected to sanding, grinding, cutting, or abrading, or (d) Category II non-friable ACM that has a high probability of becoming or has become crumbled, pulverized, or reduced to powder by the forces expected to act on the material in the course of demolition or renovation operations regulated by this subpart.

Remove: to take out RACM or facility components that contain or are covered with RACM from any facility.

Renovation: altering a facility or one or more facility components in any way, including the stripping or removal of RACM from a facility component. Operations in which load-supporting structural members are wrecked or taken out are demolitions.

Resilient floor covering: asbestos-containing floor tile, including asphalt and vinyl floor tile, and sheet vinyl floor covering containing more than 1 percent asbestos as determined using polarized light microscopy according to the method specified in appendix E, subpart E, 40 CFR part 763, Section 1, Polarized Light Microscopy.

Roadways: surfaces on which vehicles travel. This term includes public and private highways, roads, streets, parking areas, and driveways.

Strip: to take off RACM from any part of a facility or facility components.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

Structural member: any load-supporting member of a facility, such as beams and load supporting walls; or any nonload-supporting member, such as ceilings and nonload-supporting walls.

Visible emissions: any emissions, which are visually detectable without the aid of instruments, coming from RACM or asbestos-containing waste material, or from any asbestos milling, manufacturing, or fabricating operation. This does not include condensed, uncombined water vapor.

Waste generator: any owner or operator of a source covered by this subpart whose act or process produces asbestos-containing waste material.

Waste shipment record: the shipping document, required to be originated and signed by the waste generator, used to track and substantiate the disposition of asbestos-containing waste material.

Working day: Monday through Friday and includes holidays that fall on any of the days Monday through Friday.

Analysis Report prepared for

DK Environmental & Construction Services, Inc.

8786 Sonoma Coast Drive
Winter Garden, FL 34787

Phone: **(814) 243-1927**

4080 SE 29th Place
Ocala, FL 34474

Collected: **February 13, 2026**
Received: **February 18, 2026**
Reported: **February 19, 2026**

We would like to thank you for trusting Hayes Microbial for your analytical needs!
We received 23 samples by UPS in good condition for this project on February 18th, 2026.

The results in this analysis pertain only to this job, collected on the stated date, and should not be used in the interpretation of any other job. Information supplied by the customer can affect the validity of results. These results apply only to the samples as received. This report may not be duplicated, except in full, without the written consent of Hayes Microbial Consulting, LLC.

All information provided to Hayes Microbial is confidential information relating to our customers and their clients. We will not disclose, copy, or distribute any information verbally or written, except to those designated by the customer(s). We take confidentiality very seriously. No changes to the distribution list will be made without the express consent of the customer.

This laboratory bears no responsibility for sample collection activities, analytical method limitations, or your use of the test results. Interpretation and use of test results are your responsibility. Any reference to health effects or interpretation of mold levels is strictly the opinion of Hayes Microbial. In no event, shall Hayes Microbial or any of its employees be liable for lost profits or any special, incidental or consequential damages arising out of the use of these test results.

Steve Hayes, BSMT(ASCP)
Laboratory Director

Asbestos Analysis Information

Analysis Details	All samples were received in acceptable condition unless otherwise noted on the report. This report must not be used by the client to claim product certification, approval, or endorsement by AIHA, NIST, NVLAP, NY ELAP, or any agency. The results relate only to the items tested. Hayes Microbial Consulting reserves the right to dispose of all samples after a period of 60 days in compliance with state and federal guidelines.
PLM Analysis	All Polarized Light Microscopy (PLM) results include an inherent uncertainty of measurement associated with estimating percentages by PLM. Materials with interfering matrix, low asbestos content, or small fiber size may require additional analysis via TEM Analysis.
TEM Analysis	Analysis by TEM is capable of providing positive identification of asbestos type(s) and semi-quantitation of asbestos content.
Definitions	'None Detected' - Below the detected reporting limit of 1% unless point counting is performed, then the detected reporting limit is .25%.
New York ELAP	Per NY ELAP198.6 (NOB), TEM is the only reliable method to declare an NOB material as Non-Asbestos Containing. Any NY ELAP samples that are subcontracted to another laboratory will display the name and ELAP Lab Identification number in the report page heading of those samples. The original report provided to Hayes Microbial Consulting is available upon request.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and

AGREEMENT FOR DEMOLITION AND REMOVAL OF STRUCTURE AT 4080 SW 29TH PLACE

THIS AGREEMENT FOR DEMOLITION AND REMOVAL OF STRUCTURE AT 4080 SW 29TH PLACE ("Agreement") is entered into by and between the **CITY OF OCALA**, a Florida municipal corporation ("City") and **C.P. DANNER CONSTRUCTION, INC.,** a limited liability company duly organized and authorized to do business in the state of Florida (EIN: 30-0362809) ("Contractor").

WHEREAS, on April 8, 2026, City issued a Request For Quote ("RFQ") for the demolition and removal of a structure located at 4080 SW 29th Place, Ocala, Florida, 34474 RFQ No.: GRM/260643 (the "Solicitation"); and

WHEREAS, five (5) firms responded to the Solicitation and, after consideration of price and other evaluation factors set forth in the Solicitation, the quote submitted by C.P. Danner Construction, Inc. was found to be the lowest; and

WHEREAS, Contractor was chosen as the intended awardee for the demolition and removal of a structure at 4080 SW 29th Place, Ocala, Florida, 34474 (the "Project"); and

WHEREAS, Contractor certifies that Contractor and its subcontractors are qualified and possess the required current and active Asbestos Supervisor licensure.

NOW THEREFORE, in consideration of the foregoing recitals, the following mutual covenants and conditions, and other good and valuable consideration, City and Contractor agree as follows:

1. **RECITALS**. City and Contractor hereby represent, warrant, and agree that the Recitals set forth above are true and correct and are incorporated herein by reference.

2. **CONTRACT DOCUMENTS**. The Contract Documents which comprise the entire understanding between City and Contractor shall only include: (a) this Agreement; (b) those documents listed in this section as Exhibits to this Agreement; and (c) the City's Solicitation for the Project and the quote submitted by Contractor in response to same (the "Solicitation Documents"). Each of these documents are incorporated herein by reference for all purposes.

   If there is a conflict between the terms of this Agreement and the other Contract Documents, then the terms of this Agreement shall control, amend, and supersede any conflicting terms contained in the remaining Contract Documents.

   A. **Exhibits to Agreement**: The Exhibits to this Agreement are as follows:

      Exhibit A: Scope of Work (A-1 through A-4)
      Exhibit B: Photos of Structure (B-1 through B-2)
      Exhibit C: Asbestos Report (C-1 through C-26)

      If there is a conflict between the individual Exhibits regarding the scope of work to be performed, then any identified inconsistency shall be resolved by giving precedence in the following order: (1) Exhibit A, then (2) Exhibit C, then (3) Exhibit B.

3. **SCOPE OF SERVICES.** Contractor shall provide all materials, labor, supervision, tools, accessories, equipment, permits, fees, testing, inspections, certifications, and all other things necessary for Contractor to perform its obligations under this Agreement as set forth in the attached **Exhibit A - Scope of Work** and the Solicitation Documents. **Upon contract execution, salvage rights belong to the Contractor. Salvage by the Contractor is not allowed prior to the issuance of the City's Notice to Proceed.** In the event of a conflict between this Agreement and the Solicitation Documents, this Agreement and all of its Exhibits shall be given precedence to resolve any identified

inconsistency. The Scope of Work and/or pricing under this Agreement may only be adjusted by written amendment executed by both parties.

4. **COMPENSATION.** City shall pay Contractor a lump sum amount of **SIX-THOUSAND, EIGHT HUNDRED FIFTY AND NO/100 DOLLARS ($6,850)** (the "Contract Sum") as full and complete compensation for the timely and satisfactory completion of the work. A permit allowance has been established for this Project in the amount of **ONE HUNDRED FOUR AND NO/100 DOLLARS ($104)** and is included in the Contract Sum.

   A. **Invoice Submission**. All invoices submitted by Contractor shall include the City Contract Number, an assigned Invoice Number, and an Invoice Date. Contractor shall submit the original invoice through the responsible City Project Manager at: **City of Ocala Growth Management Department**, Attn: Shaneka Greene**, 201 SE 3rd Street, Second Floor, Ocala, Florida 34471**, E-Mail: SGreene@ocalafl.gov Weight tickets from a certified landfill must be included with all invoices submitted by Contractor.

   B. **Progress Report and Progress Schedule**. A progress report and updated project schedule must be submitted with each monthly pay request indicating the Percent of Services Completed to date. This report will serve as support for payment to Contractor and the basis for payment in the event project is suspended or abandoned.

   C. **Payment of Invoices by City**. The City Project Manager must review and approve all invoices prior to payment. City Project Manager's approval shall not be unreasonably withheld, conditioned, or delayed. Payments by City shall be made no later than the time periods established in section 218.735, Florida Statutes.

   D. **Withholding of Payment**. City reserves the right to withhold, in whole or in part, payment for any and all work that: (i) has not been completed by Contractor; (ii) is inadequate or defective and has not been remedied or resolved in a manner satisfactory to the City Project Manager; or (iii) which fails to comply with any term, condition, or other requirement under this Agreement. Any payment withheld shall be released and remitted to Contractor within thirty (30) calendar days of the Contractor's remedy or resolution of the inadequacy or defect.

   E. **Excess Funds**. If due to mistake, or any other reason, Contractor receives payment under this Agreement in excess of what is provided for by the Agreement, Contractor shall promptly notify City upon discovery of the receipt of the overpayment. Any overpayment shall be refunded to City within thirty (30) days of Contractor's receipt of the overpayment or must also include interest calculated from the date of the overpayment at the interest rate for judgments at the highest rate as allowed by law.

   F. **Amounts Due to the City**. Contractor must be current and remain current in all obligations due to the City during the performance of services under this Agreement. Payments to Contractor may be offset by any delinquent amounts due to the City and/or charges owed to the City.

   G. **Tax Exemption**. City is exempt from all federal excise and state sales taxes (State of Florida Consumer's Certification of Exemption 85-8012621655C-9). The City's Employer Identification Number is 59-60000392. Contractor shall not be exempted from paying sales tax to its suppliers for materials to fulfill contractual obligations with the City, nor will Contractor be authorized to use City's Tax Exemption Number for securing materials listed herein.

5. **TIME FOR PERFORMANCE**. Time is of the essence with respect to the performance of all duties, obligations, and responsibilities set forth in this Agreement and the Contract Documents.

A. Contractor shall commence work no later than **FIFTEEN (15)** working days from the date of issuance of a Notice to Proceed for the Project by City.

B. No work shall commence until Contractor has submitted proof of #62-257.900(1) – Notice of Demolition to Florida Department of Environmental Protection and provided proof of mailing for same to the City Project Manager. Demolition may not begin until **TEN (10)** business days (excluding holidays as observed by the State of Florida) after the confirmed delivery date of said Notice. **Notice of Demolition must be sent to FDEP and the City of Ocala Permit applied for within TWO (2) business days after issuance of NTP.**

C. **All work shall be completed by Contractor in a manner satisfactory to the City Project Manager and ready for final payment within SIXTY (60) days of the start date indicated on the Notice to Proceed.**

D. The Time for Performance under this Agreement may only be adjusted by Change Order, in the sole and absolute discretion of City. Any request for an extension of the Time for Performance must be submitted in a writing delivered to the City Project Manager, along with all supporting data, within **SEVEN (7)** calendar days of the occurrence of the event giving rise to the need for adjustment unless the City allows an additional period of time to ascertain more accurate data. All requests for adjustments in the Contract Time shall be determined by City.

E. As to any delay, inefficiency, or interference in this performance of this Agreement caused by any act or failure to act by City, the Contractor's sole remedy shall be the entitlement of an extension of time to complete the performance of the affected work in accordance with the Contract Documents. Contractor agrees to make no claim for extra or additional costs attributable to said delays, inefficiencies or interference, except as provided in this Agreement.

F. None of the provisions of this section shall exclude City's right of recovery for damages caused by delays or inefficiencies caused by any act or failure to act by Contractor, to include costs incurred by City for the procurement of additional professional services.

6. **FORCE MAJEURE**. Neither party shall be liable for delay, damage, or failure in the performance of any obligation under this Agreement if such delay, damage, or failure is due to causes beyond its reasonable control, including without limitation: fire, flood, strikes and labor disputes, acts of war, acts of nature, terrorism, civil unrest, acts or delays in acting of the government of the United States or the several states, judicial orders, decrees or restrictions, or any other like reason which is beyond the control of the respective party ("Force Majeure"). The party affected by any event of force majeure shall use reasonable efforts to remedy, remove, or mitigate such event and the effects thereof with all reasonable dispatch.

A. The party affected by force majeure shall provide the other party with full particulars thereof including, but not limited to, the nature, details, and expected duration thereof, as soon as it becomes aware.

B. When force majeure circumstances arise, the parties shall negotiate in good faith any modifications of the terms of this Agreement that may be necessary or appropriate in order to arrive at an equitable solution. Contractor performance shall be extended for a number of days equal to the duration of the force majeure. Contractor shall be entitled to an extension of time only and, in no event, shall Contractor be entitled to any increased costs, additional compensation, or damages of any type resulting from such force majeure delays.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

7. **INSPECTION AND ACCEPTANCE OF THE WORK**. All services, work, and materials provided by Contractor under this Agreement shall be provided under the direction and to the satisfaction and approval of the City Project Manager.

   A. The City Project Manager shall decide all questions regarding the quality, acceptability, or workmanship performed, the rate of progress of the work, and the acceptable fulfillment of the Agreement, in his or her sole discretion, based upon both the requirements set forth by City and the information provided by Contractor in its quote. The authority vested in the City Project Manager pursuant to this paragraph shall be confined to the direction or specification of what is to be performed under this Agreement and shall not extend to the actual execution of the work.

   B. Neither the City Project Manager's review of Contractor's work nor recommendations made by City Project Manager pursuant to this Agreement will impose on City Project Manager any responsibility to supervise, direct, or control Contractor's work in progress or for the means, methods, techniques, sequences, or procedures of construction or safety precautions or programs incident Contractor's furnishing and performing the work.

8. **TERMINATION AND DEFAULT**. Either party, upon determination that the other party has failed or refused to perform or is otherwise in breach of any obligation or provision under this Agreement or the Contract Documents, may give written notice of default to the defaulting party in the manner specified for the giving of notices herein. Termination of this Agreement by either party for any reason shall have no effect upon the rights or duties accruing to the parties prior to termination.

   A. **Termination by City for Cause**. City shall have the right to terminate this Agreement immediately, in whole or in part, upon the failure of Contractor to carry out any obligation, term, or condition of this Agreement. City's election to terminate the Agreement for default shall be communicated by providing Contractor written notice of termination in the manner specified for the giving of notices herein. Any notice of termination given to Contractor by City shall be effective immediately, unless otherwise provided therein, upon the occurrence of any one or more of the following events:

      (1) Contractor fails to timely and properly perform any of the services set forth in the specifications of the Agreement;

      (2) Contractor provides material that does not meet the specifications of the Agreement;

      (3) Contractor fails to complete the work required within the time stipulated in the Agreement; or

      (4) Contractor fails to make progress in the performance of the Agreement and/or gives City reason to believe that Contractor cannot or will not perform to the requirements of the Agreement.

   B. **Contractor's Opportunity to Cure Default**. City may, in its sole discretion, provide Contractor with an opportunity to cure the violations set forth in City's notice of default to Contractor. Contractor shall commence to cure the violations immediately and shall diligently and continuously prosecute such cure to completion within a reasonable time as determined by City. If the violations are not corrected within the time determined to be reasonable by City or to the reasonable satisfaction of City, City may, without further notice, declare Contractor to be in breach of this Agreement and pursue all remedies available at law or equity, to include termination of this Agreement without further notice.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

C. **City's Remedies Upon Contractor Default**. In the event that Contractor fails to cure any default under this Agreement within the time period specified in this section, City may pursue any remedies available at law or equity, including, without limitation, the following:

(1) City shall be entitled to terminate this Agreement without further notice;

(2) City shall be entitled to hire another contractor to complete the required work in accordance with the needs of City;

(3) City shall be entitled to recover from Contractor all damages, costs, and attorney's fees arising from Contractor's default prior to termination; and

(4) City shall be entitled to recovery from Contractor any actual excess costs by: (i) deduction from any unpaid balances owed to Contractor; or (ii) any other remedy as provided by law.

9. **LIQUIDATED DAMAGES FOR LATE COMPLETION**. The parties agree that it would be extremely difficult and impracticable under the presently known facts and anticipated circumstances to ascertain and fix the actual damages that City and its residents would incur should Contractor fail to achieve Final Completion and readiness for final payment by the dates specified for each under the terms of this Agreement. Accordingly, the parties agree that should Contractor fail to achieve Final Completion by the date specified, then Contractor shall pay City, as liquidated damages and not as a penalty, the sum of **ONE HUNDRED AND NO/100 DOLLARS ($100)** per day for each calendar day of unexcused delay in achieving Final Completion beyond the date specified for Final Completion in the Contract Documents.

A. **No Waiver of Rights or Liabilities**. Permitting Contractor to continue and finish the work, or any part thereof, beyond the dates specified for Final Completion and readiness for final payment shall not operate as a waiver on the part of the City of any of its rights under this Agreement. Any liquidated damages assessed pursuant to this section shall not relieve Contractor from liability for any damages or costs of other contractors caused by a failure of Contractor to complete the work as agreed.

B. **Right to Withhold or Deduct Damages**. When liquidated damages are due and owing, City shall have the right to: (1) deduct the liquidated damages from any money in its hands or from any money otherwise due or to become due to Contractor; or to (2) initiate any applicable dispute resolution procedure for the recovery of liquidated damages within the times specified under this Agreement.

C. **Additional Costs.** In addition to the liquidated damages set forth under this section, Contractor agrees to pay all costs and expenses incurred by City due to Contractor's delay in performance to include inspection fees, superintendence costs, and travel expenses.

D. **Injunctive Relief.** The parties acknowledge that monetary damages may not be a sufficient remedy for Contractor's failure to achieve Final Completion in accordance with the terms of this Agreement, and that City shall be entitled, in addition to all other rights or remedies in law and equity, to seek injunctive relief.

10. **CONTRACTOR WARRANTY**. Contractor warrants to City that all materials and work shall be of good quality, free from faults and defects in workmanship, and in conformance with the Contract Documents for a period of **TWO (2)** years from the date of final payment by City. Contractor shall, at its own expense, correct any defect, loss, expense, or other damages arising from its work and shall defend any claims related to same.

11. **PERFORMANCE EVALUATION**. At the end of the contract, City may evaluate Contractor's performance. Any such evaluation will become public record.
12. **NOTICE REGARDING FAILURE TO FULFILL AGREEMENT**. Any contractor who enters into an Agreement with the City of Ocala and fails to complete the contract term, for any reason, shall be subject to future bidding suspension for a period of **ONE (1)** year and bid debarment for a period of up to **THREE (3)** years for serious contract failures.
13. **CONTRACTOR REPRESENTATIONS**. Contractor expressly represents that:
    A. Contractor has read and is fully familiar with all of the terms and conditions of this Agreement, the Contract Documents, and other related data and acknowledges that they are sufficient in scope and detail to indicate and convey understanding of all terms and conditions of the work to be performed by Contractor under this Agreement.
    B. Contractor has disclosed, in writing, all known conflicts, errors, inconsistencies, discrepancies, or omissions discovered by Contractor in the Contract Documents, and that the City's written resolution of same is acceptable to Contractor.
    C. Contractor has had an opportunity to visit, has visited, and has had an opportunity to examine and ask questions regarding the sites upon which the work is to be performed and is satisfied with the site conditions that may affect cost, progress, and performance of the work, as observable or determinable by Contractor's own investigation.
    D. Contractor has is satisfied with the site conditions that may affect cost, progress, and performance of the work, as observable or determinable by Contractor's own investigation.
    E. Contractor is familiar with all local, state, and Federal laws, regulations, and ordinances which may affect cost, progress, or its performance under this Agreement whatsoever.
    F. Contractor represents that neither Contractor, its parent corporations, subsidiaries, members, shareholders, partners, officers, directors or executives, nor any of its affiliates, contractors, suppliers, subcontractors, or consultants under this Agreement have been placed on the convicted vendor list following a conviction of a public entity crime. Contractor understands that a "public entity crime" as defined in section 287.133(1)(g), Florida Statutes, is "a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States…" Contractor further understands that any person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime (1) may not submit a bid, proposal, or reply on a contract: (a) to provide any goods or services to a public entity; (b) for the construction or repair of a public building or public work; or (c) for leases of real property to a public entity; (2) may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and (3) may not transact business with any public entity in excess of the threshold amount provided in section 287.017, Florida Statutes, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.
14. **CONTRACTOR RESPONSIBILITIES**. Except as otherwise specifically provided for in this Agreement, the following provisions are the responsibility of the Contractor:
    A. Contractor shall competently and efficiently supervise, inspect, and direct all work to be performed under this Agreement, devoting such attention thereto and applying such skills and expertise as may be necessary to perform the work in accordance with the Contract Documents.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

B. Contractor shall ensure that a Florida licensed asbestos supervisor with current asbestos supervisor training is on site during all operations of the Contractor under this Agreement and ensure all workers performing tasks within a regulated area hold Florida asbestos work licenses and have undergone appropriate asbestos training as required by law.

C. Contractor shall be solely responsible for the means, methods, techniques, sequences, or procedures of construction and safety precautions or programs incident thereto.

D. Contractor shall be responsible to see that the finished work complies accurately with the contract and the intent thereof.

E. Contractor shall comply with all local, state, and Federal laws, regulations, and ordinances which may affect cost, progress, or its performance under this Agreement, to include obtaining all permits, licenses, and other authorizations necessary for the prosecution of the work, and be responsible for all costs associated with same.

F. Contractor shall operate and cause all construction equipment and materials supplied for or intended to be utilized in the Project to be operated and stored in only those areas prescribed by City. This includes the operations of workmen.

G. Contractor shall be fully responsible for receipt, inspection, acceptance, handling, and storage of all construction equipment and materials supplied for or intended to be utilized in the Project, whether furnished by Contractor or City. Contractor shall be responsible for providing adequate safeguards to prevent loss, theft, damage, or commingling with other materials or projects.

H. Contractor shall continue its performance under this Agreement during the pendency of any dispute or disagreement arising out of or relating to this Agreement, except as Contractor and City may otherwise agree in writing.

15. **NO EXCLUSIVITY**. It is expressly understood and agreed by the parties that this is not an exclusive agreement. Nothing in this Agreement shall be construed as creating any exclusive arrangement with Contractor or as prohibit City from either acquiring similar, equal, or like goods and/or services or from executing additional contracts with other entities or sources.

16. **STORAGE OF MATERIALS/EQUIPMENT**. Contractor shall be fully responsible for receipt, inspection, acceptance, handling, and storage of equipment and materials (whether furnished by Contractor or City) to be utilized in the performance of or incorporated into the work.

17. **RESPONSIBILITIES OF CITY.** City or its Representative shall issue all communications to Contractor. City has the authority to request changes in the work in accordance with the terms of this Agreement and with the terms in **Exhibit A.** City has the authority to stop work or to suspend any work.

18. **COMMERCIAL AUTO LIABILITY INSURANCE.** Contractor shall procure, maintain, and keep in full force, effect, and good standing for the life of this Agreement a policy of commercial auto liability insurance with a minimum combined single limit of One Million Dollars ($1,000,000) per occurrence for bodily injury and property damage arising out of Contractor's operations and covering all owned, hired, scheduled, and non-owned automobiles utilized in said operations. If Contractor does not own vehicles, Contractor shall maintain coverage for hired and non-owned automobile liability, which may be satisfied by way of endorsement to Contractor's Commercial General Liability policy or separate Commercial Automobile Liability policy.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

19. **COMMERCIAL GENERAL LIABILITY INSURANCE.** Contractor shall procure, maintain, and keep in full force, effect, and good standing for the life of this Agreement a policy of commercial general liability insurance with limits not less than:

    A. One Million Dollars ($1,000,000) per occurrence and Two Million Dollars ($2,000,000) aggregate (or project aggregate, if a construction project) for bodily injury, property damage, and personal and advertising injury; and

    B. One Million Dollars ($1,000,000) per occurrence and Two Million Dollars ($2,000,000) aggregate (or project aggregate, if a construction project) for products and completed operations.

    C. Policy must include coverage for contractual liability and independent contractors.

    D. Policy must include Additional Insured coverage in favor of the City that is no less restrictive than that afforded under the CG 20 26 04 13 Additional Insured Form.

20. **POLLUTION LIABILITY INSURANCE**. Contractors providing services related to the handling, transporting, or abatement of hazardous materials shall provide, for a period of Three (3) Years after final completion of the Work, pollution liability insurance coverage for claims arising from the discharge, dispersal, release, or escape of any irritant or contaminant into or upon land, any structure, the atmosphere, watercourse, or body of water, including groundwater, in an amount not less than One Million Dollars ($1,000,000) per claim, and Two Million Dollars ($2,000,000) aggregate limit. This shall also include coverage for claims of: (a) clean up, either on-site or off site; (b) third party liability, including bodily injury, property damage, natural resource damage, third party property loss of use/revenue, and clean up; and/or (c) costs incurred for the investigation, defense, or settlement of claims, fines or penalties.

21. **WORKERS' COMPENSATION AND EMPLOYER'S LIABILITY.** Worker's Compensation insurance shall be provided by Contractor as required by Chapter 440, Florida Statutes, or any other applicable state or federal law, including the U.S. Longshoremen's and Harbor Workers Compensation Act and the Jones Act.

    A. Contractor shall similarly require any and all subcontractors to afford such coverage for all of its employees as required by applicable law.

    B. Contractor shall waive and shall ensure that Contractor's insurance carrier waives, all subrogation rights against the City of Ocala and its officers, employees, and volunteers for all losses or damages. Contractor's policy shall be endorsed with WC 00 03 13 Waiver of our Right to Recover from Others or its equivalent.

    C. Exceptions and exemptions to this Section may be allowed at the discretion of the City's Risk Manager on a case-by-case basis in accordance with Florida Statutes and shall be evidenced by a separate waiver.

22. **ADDITIONAL INSURANCE REQUIREMENTS.**

    A. Contractor's insurance coverage shall be primary insurance for all applicable policies. The limits of coverage under each policy maintained by Contractor shall not be interpreted as limiting Contractor's liability or obligations under this Agreement. City does not in any way represent that these types or amounts of insurance are sufficient or adequate enough to protect Contractor's interests or liabilities or to protect Contractor from claims that may arise out of or result from the negligent acts, errors, or omissions of Contractor, any of its agents or subcontractors, or for anyone whose negligent act(s) Contractor may be liable.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

B. No insurance shall be provided by the City for Contractor under this Agreement and Contractor shall be fully and solely responsible for any costs or expenses incurred as a result of a coverage deductible, or co-insurance penalty to include any loss not covered because of the operation of such deductible, co-insurance penalty, or coverage exclusion or limitation.

C. **Certificates of Insurance**. No work shall be commenced by Contractor under this Agreement until the required Certificate of Insurance and endorsements have been provided nor shall Contractor allow any subcontractor to commence work until all similarly required certificates and endorsements of the subcontractor have also been provided. Work shall not continue after expiration (or cancellation) of the Certificate of Insurance and work shall not resume until a new Certificate of Insurance has been provided. **Contractor shall provide evidence of insurance in the form of a valid Certificate of Insurance (binders are unacceptable) prior to the start of work contemplated under this Agreement to: City of Ocala. Attention: Procurement & Contracting Department, Address: 110 SE Watula Avenue, Third Floor, Ocala Florida 34471, E-Mail: vendors@ocalafl.gov.** Contractor's Certificate of Insurance and required endorsements shall be issued by an agency authorized to do business in the State of Florida with an A.M. Best Rating of A or better. The Certificate of Insurance shall indicate whether coverage is being provided under a claims-made or occurrence form. If any coverage is provided on a claims-made form, the Certificate of Insurance must show a retroactive date, which shall be the effective date of the initial contract or prior.

D. **City as an Additional Insured**. The City of Ocala shall be named as an Additional Insured and Certificate Holder on all liability policies identified in this Section with the exception of Workers' Compensation, Auto Liability (except when required by Risk Management) and Professional Liability policies**. Workers Compensation policy must contain a Waiver of Subrogation in favor of the City**.

E. **Notice of Cancellation of Insurance**. Contractor's Certificate of Insurance shall provide **THIRTY (30) DAY** notice of cancellation, **TEN (10) DAY** notice if cancellation is for non-payment of premium. In the event that Contractor's insurer is unable to accommodate the cancellation notice requirement, it shall be the responsibility of Contractor to provide the proper notice. Such notification shall be in writing by registered mail, return receipt requested, and addressed to the certificate holder. Additional copies may be sent to the City of Ocala at vendors@ocalafl.gov.

F. **Failure to Maintain Coverage**. The insurance policies and coverages set forth above are required and providing proof of and maintaining insurance of the types and with such terms and limits set forth above is a material obligation of Contractor. Contractor's failure to obtain or maintain in full force and effect any insurance coverage required under this Agreement shall constitute material breach of this Agreement.

G. **Severability of Interests**. Contractor shall arrange for its liability insurance to include, or be endorsed to include a severability of interests/cross-liability provision so that the "City of Ocala" (where named as an additional insured) will be treated as if a separate policy were in existence, but without increasing the policy limits.

23. **SAFETY/ENVIRONMENTAL.** Contractor shall be responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with the work. Contractor shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury, or loss to:

A. All employees on the work and other persons that may be affected thereby;

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

B. All work, materials and equipment to be incorporated therein, whether in storage on or off the site; and

C. Other property at the site or adjacent thereto, including trees, shrubs, lawns, walks, pavements, roadways, structures, and utilities not designated for removal, relocation, or replacement in the course of construction.

All, injury, or loss to any property caused, directly or indirectly, in whole or in part, by Contractor, any Subcontractor, or anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, shall be remedied by Contractor. Contractor's duties and responsibilities for the safety and protection of the work shall continue until such time as the work is completed and accepted by City.

24. **TRAFFIC CONTROL AND BARRICADES.** The Contractor shall mitigate impact on local traffic conditions to all extents possible. The Contractor is responsible for establishing and maintaining appropriate traffic control and barricades. The Contractor shall provide sufficient signing, flagging and barricading to ensure the safety of vehicular and pedestrian traffic at all locations where work is being done under this Agreement.

    A. In addition to the requirements set forth in the Solicitation, the Contractor shall maintain at all times a good and sufficient fence, railing or barrier around all exposed portions of said work in such a manner as to warn vehicular and pedestrian traffic of hazardous conditions.

    B. Should the Contractor fail to properly barricade his work or stored material sites in the manner outlined above, the City may have the necessary barricading done, and all cost incurred for said barricading shall be charged to the Contractor.

25. **WORK SITE AND CLEANUP.** Daily, during the progress of the work, Contractor shall keep the premises free from accumulations of waste materials, rubbish, and all other debris resulting from the work. At the completion of the work, Contractor shall remove all waste materials, rubbish, and debris from and about the premises, as well as all tools, appliances, construction equipment and machinery, and surplus materials, and shall leave the site clean and ready for occupancy by City. Contractor shall provide an inventory listing of all surplus materials in an area designated by City. Contractor shall restore to their original condition those portions of the site not designated or alteration by the Contract.

26. **NON-DISCRIMINATORY EMPLOYMENT PRACTICES**. During the performance of the contract, the Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, ancestry, national origin, sex, pregnancy, age, disability, sexual orientation, gender identity, marital or domestic partner status, familial status, or veteran status and shall take affirmative action to ensure that an employee or applicant is afforded equal employment opportunities without discrimination. Such action shall be taken with reference to, but not limited to: recruitment, employment, termination, rates of pay or other forms of compensation and selection for training or retraining, including apprenticeship and on-the-job training.

27. **SUBCONTRACTORS.** Nothing in this Agreement shall be construed to create, impose, or give rise to any duty owed by City or its representatives to any subcontractor of Contractor or any other persons or organizations having a direct contract with Contractor, nor shall it create any obligation on the part of City or its representatives to pay or seek payment of any monies to any subcontractor of Contractor or any other persons or organizations having a direct contract with Contractor, except as may otherwise be required by law. City shall not be responsible for the acts or omissions of any

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

Contractor, subcontractor, or of any of their agents or employees. nor shall it create any obligation on the part of City or its representatives to pay or to seek the payment of any monies to any subcontractor or other person or organization, except as may otherwise be required by law.

28. **DELAYS AND DAMAGES.** The Contractor agrees to make no claim for extra or additional costs attributable to any delays, inefficiencies, or interference in the performance of this contract occasioned by any act or omission to act by the City except as provided in the Agreement. The Contractor also agrees that any such delay, inefficiency, or interference shall be compensated for solely by an extension of time to complete the performance of the work in accordance with the provision in the standard specification.
29. **EMERGENCIES**. In an emergency affecting the welfare and safety of life or property, Contractor, without special instruction or authorization from the City Project Manager, is hereby permitted, authorized and directed to act at its own discretion to prevent threatened loss or injury. Except in the case of an emergency requiring immediate remedial work, any work performed after regular working hours, on Saturdays, Sundays or legal holidays, shall be performed without additional expense to the City unless such work has been specifically requested and approved by the City Project Manager. Contractor shall be required to provide to the City Project Manager with the names, addresses and telephone numbers of those representatives who can be contacted at any time in case of emergency. Contractor's emergency representatives must be fully authorized and equipped to correct unsafe or excessively inconvenient conditions on short notice by City or public inspectors.
30. **INDEPENDENT CONTRACTOR STATUS.** Contractor acknowledges and agrees that under this Agreement, Contractor and any agent or employee of Contractor shall be deemed at all times to be an independent contractor and shall be wholly responsible for the manner in which it performs the services and work required under this Agreement. Neither Contractor nor its agents or employees shall represent or hold themselves out to be employees of City at any time. Neither Contractor nor its agents or employees shall have employee status with City. Nothing in this Agreement shall constitute or be construed to create any intent on the part of either party to create an agency relationship, partnership, employer-employee relationship, joint venture relationship, or any other relationship which would allow City to exercise control or discretion over the manner or methods employed by Contractor in its performance of its obligations under this Agreement.
31. **ACCESS TO FACILITIES.** City shall provide Contractor with access to all City facilities as is reasonably necessary for Contractor to perform its obligations under this Agreement.
32. **ASSIGNMENT.** Neither party may assign its rights or obligations under this Agreement to any third party without the prior express approval of the other party, which shall not be unreasonably withheld.
33. **RIGHT OF CITY TO TAKE OVER CONTRACT.** Should the work to be performed by Contractor under this Agreement be abandoned, or should Contractor become insolvent, or if Contractor shall assign or sublet the work to be performed hereunder without the written consent of City, the City Project Manager shall have the power and right to hire and acquire additional men and equipment, supply additional material, and perform such work as deemed necessary for the completion of this Agreement. Under these circumstances, all expenses and costs actually incurred by City to accomplish such completion shall be credited to City along with amounts attributable to any other elements of damage and certified by the City Project Manager. The City Project Manager's certification as to the amount of such liability shall be final and conclusive.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

34. **PUBLIC RECORDS.** Contractor shall comply with all applicable provisions of the Florida Public Records Act, Chapter 119, Florida Statutes. Specifically, Contractor shall:

    A. Keep and maintain public records required by the public agency to perform the service.

    B. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.

    C. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if Contractor does not transfer the records to the public agency.

    D. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of Contractor or keep and maintain public records required by the public agency to perform the service. If Contractor transfers all public records to the public agency upon completion of the contract, Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Contractor keeps and maintains public records upon completion of the contract, Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

IF CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: CITY OF OCALA, OFFICE OF THE CITY CLERK; 352-629-8266; E-mail: clerk@ocalafl.gov; City Hall, 110 SE Watula Avenue, Ocala, FL 34471.

35. **AUDIT.** Contractor shall comply and cooperate immediately with any inspections, reviews, investigations, or audits relating to this Agreement as deemed necessary by the Florida Office of the Inspector General, the City's Internal or External auditors or by any other Florida official with proper authority.

36. **PUBLICITY.** Contractor shall not use City's name, logo, seal or other likeness in any press release, marketing materials, or other public announcement without City's prior written approval.

37. **E-VERIFY**. Pursuant to section 448.095, Contractor shall register with and use the U.S. Department of Homeland Security's ("DHS") E-Verify System, accessible at https://e-verify.uscis.gov/emp, to verify the work authorization status of all newly hired employees. Contractor shall obtain affidavits from any and all subcontractors in accordance with paragraph 2(b) of section 448.095, Florida Statutes, and maintain copies of such affidavits for the duration of this Agreement. By entering into this Agreement, Contractor certifies and ensures that it utilizes and will continue to utilize the DHS E-Verify System for the duration of this Agreement and any subsequent renewals of same. Contractor understands that failure to comply with the requirements of this section shall result in the termination of this Agreement and Contractor may lose the ability to be awarded a public contract for a minimum of one (1) year after the date on which the Agreement was

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

terminated. Contractor shall provide a copy of its DHS Memorandum of Understanding upon City's request. Please visit www.e-verify.gov for more information regarding the E-Verify System.

38. **CONFLICT OF INTEREST.** Contractor is required to have disclosed, with the submission of their bid, the name of any officer, director, or agent who may be employed by the City. Contractor shall further disclose the name of any City employee who owns, directly or indirectly, any interest in Contractor's business or any affiliated business entity. Any additional conflicts of interest that may occur during the contract term must be disclosed to the City of Ocala Procurement Department.

39. **WAIVER.** The failure or delay of any party at any time to require performance by another party of any provision of this Agreement, even if known, shall not affect the right of such party to require performance of that provision or to exercise any right, power or remedy hereunder. Any waiver by any party of any breach of any provision of this Agreement should not be construed as a waiver of any continuing or succeeding breach of such provision, a waiver of the provision itself, or a waiver of any right, power or remedy under this Agreement. No notice to or demand on any party in any circumstance shall, of itself, entitle such party to any other or further notice or demand in similar or other circumstances.

40. **SEVERABILITY OF ILLEGAL PROVISIONS.** Wherever possible, each provision of this Agreement shall be interpreted in such a manner as to be effective and valid under the applicable law. Should any portion of this Agreement be declared invalid for any reason, such declaration shall have no effect upon the remaining portions of this Agreement.

41. **INDEMNITY.** Contractor shall indemnify City and its elected officials, employees and volunteers against, and hold City and its elected officials, employees and volunteers harmless from, all damages, claims, losses, costs, and expenses, including reasonable attorneys' fees, which City or its elected officials, employees or volunteers may sustain, or which may be asserted against City or its elected officials, employees or volunteers, arising out of the activities contemplated by this Agreement including, without limitation, harm or personal injury to third persons during the term of this Agreement to the extent attributable to the actions of Contractor, its agents, and employees.

42. **NO WAIVER OF SOVEREIGN IMMUNITY.** Nothing herein is intended to waive sovereign immunity by the City to which sovereign immunity may be applicable, or of any rights or limits of liability existing under Florida Statute § 768.28. This term shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until any proceeding brought under this Agreement is barred by any applicable statute of limitations.

43. **NOTICES.** All notices, certifications or communications required by this Agreement shall be given in writing and shall be deemed delivered when personally served, or when received if by facsimile transmission with a confirming copy mailed by registered or certified mail, postage prepaid, return receipt requested. Notices can be concurrently delivered by email. All notices shall be addressed to the respective parties as follows:

If to Contractor:

44. **ATTORNEYS' FEES.** If any civil action, arbitration or other legal proceeding is brought for the enforcement of this Agreement, or because of an alleged dispute, breach, default or misrepresentation in connection with any provision of this Agreement, the successful or prevailing party shall be entitled to recover reasonable attorneys' fees, sales and use taxes, court costs and all expenses reasonably incurred even if not taxable as court costs (including, without limitation, all such fees, taxes, costs and expenses incident to arbitration, appellate, bankruptcy and post-judgment proceedings), incurred in that civil action, arbitration or legal proceeding, in addition to any other relief to which such party or parties may be entitled. Attorneys' fees shall include, without limitation, paralegal fees, investigative fees, administrative costs, sales and use taxes and all other charges reasonably billed by the attorney to the prevailing party.
45. **JURY WAIVER.** IN ANY CIVIL ACTION, COUNTERCLAIM, OR PROCEEDING, WHETHER AT LAW OR IN EQUITY, WHICH ARISES OUT OF, CONCERNS, OR RELATES TO THIS AGREEMENT, ANY AND ALL TRANSACTIONS CONTEMPLATED HEREUNDER, THE PERFORMANCE HEREOF, OR THE RELATIONSHIP CREATED HEREBY, WHETHER SOUNDING IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE, TRIAL SHALL BE TO A COURT OF COMPETENT JURISDICTION AND NOT TO A JURY. EACH PARTY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY. NEITHER PARTY HAS MADE OR RELIED UPON ANY ORAL REPRESENTATIONS TO OR BY ANY OTHER PARTY REGARDING THE ENFORCEABILITY OF THIS PROVISION. EACH PARTY HAS READ AND UNDERSTANDS THE EFFECT OF THIS JURY WAIVER PROVISION.
46. **GOVERNING LAW.** This Agreement is and shall be deemed to be a contract entered and made pursuant to the laws of the State of Florida and shall in all respects be governed, construed, applied and enforced in accordance with the laws of the State of Florida.
47. **JURISDICTION AND VENUE.** The parties acknowledge that a majority of the negotiations, anticipated performance and execution of this Agreement occurred or shall occur in Marion County, Florida. Any civil action or legal proceeding arising out of or relating to this Agreement shall be brought only in the courts of record of the State of Florida in Marion County or the United States District Court, Middle District of Florida, Ocala Division. Each party consents to the exclusive jurisdiction of such court in any such civil action or legal proceeding and waives any objection to

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

the laying of venue of any such civil action or legal proceeding in such court and/or the right to bring an action or proceeding in any other court. Service of any court paper may be effected on such party by mail, as provided in this Agreement, or in such other manner as may be provided under applicable laws, rules of procedures or local rules.

48. **REFERENCE TO PARTIES.** Each reference herein to the parties shall be deemed to include their successors, assigns, heirs, administrators, and legal representatives, all whom shall be bound by the provisions hereof.
49. **MUTUALITY OF NEGOTIATION.** Contractor and City acknowledge that this Agreement is a result of negotiations between Contractor and City, and the Agreement shall not be construed in favor of, or against, either party because of that party having been more involved in the drafting of the Agreement.
50. **SECTION HEADINGS.** The section headings herein are included for convenience only and shall not be deemed to be a part of this Agreement.
51. **RIGHTS OF THIRD PARTIES.** Nothing in this Agreement, whether express or implied, is intended to confer any rights or remedies under or because of this Agreement on any persons other than the parties hereto and their respective legal representatives, successors and permitted assigns. Nothing in this Agreement is intended to relieve or discharge the obligation or liability of any third persons to any party to this Agreement, nor shall any provision give any third persons any right of subrogation or action over or against any party to this Agreement.
52. **AMENDMENT.** No amendment to this Agreement shall be effective except those agreed to in writing and signed by both parties to this Agreement.
53. **COUNTERPARTS.** This Agreement may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument.
54. **ELECTRONIC SIGNATURE(S).** Contractor, if and by offering an electronic signature in any form whatsoever, will accept and agree to be bound by said electronic signature to all terms and conditions of this Agreement. Further, a duplicate or copy of the Agreement that contains a duplicated or non-original signature will be treated the same as an original, signed copy of this original Agreement for all purposes.
55. **ENTIRE AGREEMENT.** This Agreement, including exhibits, (if any) constitutes the entire Agreement between the parties hereto with respect to the subject matter hereof. There are no other representations, warranties, promises, agreements or understandings, oral, written or implied, among the Parties, except to the extent reference is made thereto in this Agreement. No course of prior dealings between the parties and no usage of trade shall be relevant or admissible to supplement, explain, or vary any of the terms of this Agreement. No representations, understandings, or agreements have been made or relied upon in the making of this Agreement other than those specifically set forth herein.
56. **LEGAL AUTHORITY**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

IN WITNESS WHEREOF, the parties have executed this Agreement on 6/9/2026.

Title: Project Manager
(Title)

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

BACKGROUND

1. Contractor shall demolish and remove a structure located at **4080 SW 29th PL ST, Ocala, FL 34474 | 2380-003-013**.
    - demolish and remove improvements, remove junk, and cut and clean lot.
2. Contractor will provide all labor and equipment to complete this project.

ON-SITE REQUIREMENTS

Federal 40 CFR 61.145(c)(8) states in part, "no RACM shall be stripped, removed, or otherwise handled or disturbed at a facility regulated by this section unless at least one on-site representative, such as a foreman or management level person or other authorized person trained in the provisions of this regulation and the means of complying with them is present." DEP requires this "trained person" to be on site when non-friable ACM is present, or is discovered, so problems can be caught early and corrected without delay.

PERMIT REQUIREMENTS

1. **City of Ocala Demolition Permit:**
    A. Contractor must obtain a City of Ocala demolition permit.
    B. If Contractor isn't already "certified" with the City of Ocala, Contractor must complete the Contractor Certification Application prior to applying for a City Demolition Permit.
    C. The application for demolition permit is available at: https://www.ocalafl.org/government/city-departments-a-h/growth-management/building/construction-permits
    D. It is the responsibility of the Contractor to obtain the approval signatures of the appropriate representatives of the following agencies listed on the City of Ocala Demolition Permit Application: gas, telephone, telecommunication, water and electric utilities, Cox Cable, a licensed exterminator, planning and environmental review from the City of Ocala's Growth Management Department.
2. No work shall commence, nor will any permits be issued, until all associated contracts have been approved and signed by all applicable parties involved.
3. **Marion County Permits:** In addition to any City required permits, septic tank permits must be obtained from the Marion County Growth Management Services Department, located at 2710 East Silver Springs Boulevard, Ocala, FL 34470. Information regarding septic tank permitting can be obtained by calling the septic permitting office at (352) 438-2417.

PROJECT SUMMARY

This project consists of the following:

1. Termination of water and sewer connections at the property line (city meter/sewer laterals) prior to beginning demolition work.
2. Demolition and removal of a **structure, overgrowth, structural debris, structure contents, improvements, and any junk** on the property listed above.
3. Underbrush, overgrowth, and all debris must be removed from the property. All trees, **except for those that are dead,** shall remain.
4. Property shall be graded to final grade, using a box blade.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

5. The ground where the buildings are removed will be leveled, and if on a grade, sodded.
6. Any fuel tanks found must be pumped, disconnected, crushed, and backfilled or pumped and completely removed from the property according to Chapter 62-761 of the Florida Administrative Code.
7. Public sidewalks and driveway aprons must remain intact. Any damage to sidewalks or driveway aprons by the Contractor will be repaired at the Contractor's expense.
8. Any septic tanks will be pumped, crushed and back-filled, according to City requirements, Florida Building and Plumbing codes, and the Marion County Health Department requirements.
9. Any water wells will be capped according to City requirements and Florida Building and Plumbing codes.
10. All items will be removed from the property and properly disposed. **NO** items will be buried.

WEATHER DAYS

The Contractor shall submit a written request to the City Project Manager (email is the preferred method) for additional days for which work is suspended or delayed by weather. Weather days shall be reconciled with each monthly pay application for the time period which the application is submitted and shall be final. Contractor performance and execution of work will be considered in the determination for granting additional days.

CONTRACTOR RESPONSIBILITIES

1. Scheduling of demolition shall be coordinated through **Jennipher Buller,** (352)-629-8309, jbuller@ocalafl.gov.
2. Contractor shall promptly secure all necessary permits, inspections and approvals required and allow inspection of all work by authorized personnel.
3. No work shall commence until the Contractor has submitted proof of #62-257.900(1) - Notice of Demolition* to FDEP and provide proof of mailing to the City Project Manager.
4. Contractor must wait ten (10) business days (excluding holidays as observed by the State of Florida) after the confirmed delivery date, prior to starting demolition. Acceptable forms of proof are as follows:
    - USPS Certified Mail receipt
    - FedEx tracking receipt
    - Similar mailing methods, where delivery date can be verified.
5. *FDEP form 62-257.900(1) - Notice of Demolition is available at the following link: https://floridadep.gov/sites/default/files/dep62_257_900%281%29.pdf
6. The Contractor shall complete all work performed under this contract in accordance with policies and procedures of the City of Ocala and all applicable State and Federal laws, policies, procedures, and guidelines.
7. The Contractor shall obtain and pay for any and licenses, additional equipment, dumping and/or disposal fees, etc., required to fulfill this Agreement.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

8. The Contractor is responsible for purchasing the permits and ensuring that the hired sub-contractors purchase their required permits.
9. The contractor must have sufficient equipment to complete work. The City will not pay for rental of additional equipment, purchases of equipment, etc.
10. Contractor shall leave the property at once, without altercation, if advised to leave by law enforcement or a person claiming to be the property owner and/or property owner's representative. Immediately after leaving, contact the City Project Manager and advise them of the situation.
11. Contractor will be responsible for the inspector's overtime.
12. Provide on-site sanitary facilities as required by governing agencies.
13. Contractor is responsible for any and all damages including but not limited to buildings, curbing, pavement, landscaping, or irrigation systems caused by their activity. Should any public or private property be damaged or destroyed, the Contractor, at their expense, shall repair or make restoration as acceptable to the City of destroyed or damaged property within forty-eight (48) hours of notification from the City.

CONTRACTOR EMPLOYEES AND EQUIPMENT

1. Contractor must utilize competent employees in performing the work. Employees performing the work must be properly licensed or qualified as required by the scope.
2. Contractor must provide a valid telephone number, email, and address to the City Project Manager. The phone must be answered during normal working hours, or voicemail must be available to take a message.
3. At the request of the City, the Contractor must replace any incompetent, unfaithful, abusive, or disorderly person in their employment. The City and the Contractor must each be promptly notified by the other of any complaints received.
4. Contractor's employees must wear suitable work clothes and personal protective equipment as defined by OSHA (hard hats, bucket harnesses, etc.) and meeting Manual on Uniform Traffic Control Devices (MUTCD) and National Electrical Safety Code (NESC) requirements as indicated for all work conducted and be as clean and in as good appearance as the job conditions permit.
5. Contractor will operate as an independent contractor and not as an agent, representative, partner or employee of the City of Ocala, and shall control their operations at the work site, and be solely responsible for the acts or omissions of their employees.
6. No smoking is allowed on City property or projects.
7. Contractor shall possess and maintain sufficient equipment to complete the work described herein. Contractor's equipment shall be in good repair, and contractor shall have a qualified operator to maintain the care of the equipment. All operators must be trained in proper use and care of equipment. A list of equipment shall be provided to the City upon request.
8. All company shirts and vehicles must have a visible company name/logo.

SUB-CONTRACTORS

1. Contractor must perform a minimum of **30%** of the work with their own forces.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

SAFETY

1. The Contractor is solely responsible for ensuring safety during demolition and for conformance to all applicable OSHA standards; and local, state, and national codes concerning safety provisions for their employees, sub-contractors, all building and site occupants, staff, public, and all persons in or around the work area.
2. Job site visits by City staff do not constitute approval, awareness, or liability for any hazardous condition.
3. Contractor shall be responsible for securing their equipment, materials, clothing, and other property.
4. In no event shall the City be responsible for any damages to any of the Contractor's equipment, materials, property, or clothing lost, damaged, destroyed or stolen.

I. INTRODUCTION

Property Address: 4080 SW 29th Place
Ocala, FL 34474

Survey Performed For: City of Ocala, Code Enforcement
201 SE 3rd Street, 2nd Floor, Ocala, FL 34474

Survey Performed By: Chris Ritko, Asbestos Building Inspector

Company: DK Environmental & Construction Services
8786 Sonoma Coast Drive
Winter Garden, FL 34787
407-614-4572

Date of On-Site Survey: February 13, 2026

Date of Report: February 20, 2026

DK Environmental & Construction Services, Inc. (DKE) has completed a limited Asbestos Survey at the property address listed above. This report contains the results of the Survey. The purpose of this Survey was to identify the presence of asbestos-containing materials that may be disturbed during planned demolition. This limited Asbestos Survey report presents data that describes the location of asbestos-containing material (ACM) identified in the subject property. This Survey was conducted on site by an EPA-trained professional asbestos building inspector.

This report is intended for the exclusive use of our client. The findings are relevant to the conditions observed during the physical process of performing the Survey. These findings should not be treated as absolute, nor should they be relied upon to represent conditions at significantly later dates.

We appreciate the opportunity to provide environmental consulting services to your organization. If you have any questions or need additional assistance, please call (407)614-4572.

Chris Ritko
Asbestos Building Inspector
200244

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

II. SURVEY SUMMARY

On February 13, 2026, an Asbestos Survey was performed at 4080 SW 29th Place, Ocala, FL 34474. The property is a single-family detached dwelling. It is approximately 1,789 square feet and was constructed in 1980.

The purpose of this Survey was to identify the presence of asbestos-containing materials that may be disturbed during planned demolition. Limited bulk samples were collected and AHERA protocols were adhered to.

The Asbestos Survey consisted of three basic procedures: 1) conducting a visual inspection of the property; 2) identifying homogeneous areas (HAs) of suspect surfacing, thermal system insulation, and miscellaneous materials; and 3) sampling accessible, friable, and non-friable suspect materials. Some building components may have been inaccessible at the time of this screening, or were not tested because they were covered by other building materials (paneling, tile, siding, etc.). It is possible that ACBMs may be hidden by these materials.

The property was visually inspected for the presence of building materials that are suspected to contain asbestos. With regard to asbestos, bulk material samples were collected and analyzed for asbestos content. These services were performed exercising the customary skill and competence of consulting professionals in the relevant disciplines in this region.

Bulk samples of identified suspect ACM were collected and placed into individual containers for transport to a National Voluntary Lab Accreditation Program (NVLAP)/American Industrial Hygiene Association (AIHA)-accredited laboratory for analysis. The collection of bulk samples consisted of physically removing a small piece of material and placing it in a marked, airtight container. The sample container identification numbers were also recorded in the field notes.

III. ASBESTOS OVERVIEW

Asbestos is a generic name given to a fibrous variety of naturally occurring minerals that have been used for many years in commercial products, based on specific properties of the minerals. Asbestos occurs in fiber bundles, which are composed of long and thin fibers that can be easily separated from one another. These mineral products possess high tensile strength, flexibility, resistance to chemical and thermal degradation, and high electrical resistance. The minerals are easily woven into various types of textiles, fabrics, cloths, sheets, panels, or mixed into adhesives, coatings, surfacing materials and cement products. Typically, asbestos-containing building materials (ACBM) are segregated into three categories: Thermal System Insulation (TSI) usually found on pipes, boilers, and HVAC ducts; surfacing materials such as sprayed or troweled-on fireproofing and insulation, and plasters; and miscellaneous materials including vinyl composite floor tiles, floor sheeting, adhesives, roofing materials, window glazing and cement products.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

Friable asbestos-containing material (ACM), is defined as any material containing more than one percent (1%) asbestos as determined using the method specified in Appendix A, Subpart F, 40 CFR Part 763, Section 1, Polarized Light Microscopy (PLM), that, when dry, can be crumbled, pulverized or reduced to powder by hand pressure. (Sec. 61.141)

Non-friable ACM is any material containing more than one percent (1%) asbestos as determined using the method specified in Appendix A, Subpart F, 40 CFR Part 763, Section 1, Polarized Light Microscopy (PLM), that, when dry, cannot be crumbled, pulverized, or reduced to powder by hand pressure. EPA also defines two categories of non-friable ACM, Category I and Category II non-friable ACM, which are described later in this guidance.

"Regulated Asbestos-Containing Material" (RACM) is (a) friable asbestos material, (b) Category I non-friable ACM that has become friable, (c) Category I non-friable ACM that will be or has been subjected to sanding, grinding, cutting or abrading, or (d) Category II non-friable ACM that has a high probability of becoming or has become crumbled, pulverized, or reduced to powder by the forces expected to act on the material in the course of demolition or renovation operations.

The EPA's National Emission Standard for Hazardous Air Pollutants (NESHAP) regulations and the Florida Department of Environmental Protection (FDEP) Asbestos program regulate the removal and disposal of asbestos-containing building materials (any material containing more than 1% asbestos).

Potential effects on workers or occupants in buildings where asbestos-containing materials (ACM) are present may occur when exposure to asbestos fibers is caused by deterioration, damage or renovation disturbance of ACBMs. Federal regulations pertaining to asbestos include 40 Code of Federal Regulations (CFR) 763 (a subchapter of the Toxic Substance Control Act (TSCA)); Occupational Safety and Health Act (OSHA) 29 CFR 1910 Subpart Z and 29 CFR 1926 Subpart Z.

Asbestos NESHAP regulations must be followed for demolitions and/or renovations of facilities with at least 260 linear feet of regulated asbestos-containing materials (RACM) on pipes, 160 square feet of regulated asbestos-containing materials on other facility components, or at least 35 cubic feet of facility components where the amount of RACM previously removed from pipes and other facility components could not be measured before stripping. If dimensions fall below these thresholds, Asbestos NESHAP regulations need not be followed for demolition and/or renovation activities.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

IV. LIMITATIONS

This report has been prepared to assist in evaluating the potential presence of asbestos-containing material in the property. The objective of this assessment was to perform the work with care, exercising the customary skill and competence of consulting professionals in the relevant disciplines in this region. The conclusions presented in this report are professional opinions based upon visual observations of the site at the time of DKE's investigation and the results of laboratory analysis. The opinions presented herein apply to site conditions existing at the time of our investigation and those reasonably foreseeable. DKE cannot act as insurers, and no express or implied representation or warrant is included or intended in our report except that our work was performed, within the limits prescribed by our client, with the customary thoroughness and competence of our profession at the time and place the services were rendered. DKE cannot and will not warrant that this Asbestos Survey that was requested by the client will satisfy the dictates of, or provide a legal defense in connection with, any environmental laws or regulations. It is the responsibility of the client to know and abide by all applicable laws, regulations, and standards. The results reported and conclusions reached by DKE are solely for the benefit of the client. The results and opinions in this report, based solely upon the conditions found on the property as of the date of the Survey, will be valid only as of the date of the Survey.

Please note that the test results relate only to those homogeneous materials tested. If conditions or materials, other than those addressed in this report are encountered during the planned renovation/demolition activities, DKE should be contacted to assess the potential impact of these materials or conditions relative to the findings or recommendations included herein. The survey was performed by observing suspect materials throughout the structure where accessible. DKE must emphasize that it is not possible to look within every location of a building. The visual survey documents only general locations of suspect materials but does not determine exact boundaries. Concealed locations of asbestos may exist at the subject property, and the levels may vary from those stated in this report. There may be variations in the composition of materials which appear similar. Materials may be hidden from view and not accessible. No attempt was made to disassemble equipment or demolish structural elements and finishes as this is beyond the scope of our authorized services. Visual observations were made only at safe and convenient locations. Due to these limitations, wall voids, flooring under carpet, building cavities and mechanical equipment, and other areas may contain unreported asbestos-containing materials. Suspect materials not previously identified in this report may be encountered during any renovation/demolition activity. These materials should be assumed asbestos containing material until sample collection and subsequent analysis prove otherwise. Unsafe structures should be assumed to contain asbestos materials unless the suspect material is noted as sampled. All fire doors should be assumed asbestos containing material since disassembly of locks and/or other work to access the door insulation is not possible.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

V. ANALYTICAL RESULTS

Samples were analyzed by Hayes Microbial Consulting in Midlothian, VA. Hayes Microbial Consulting is an American Industrial Hygiene Association (AIHA)-accredited laboratory.

All samples were analyzed utilizing Polarized Light Microscopy (PLM) according to EPA Method 600/R-93/116. Any material that contains greater that one percent asbestos is considered an ACM and must be handled according to the Occupational Safety and Health Administration (OSHA), EPA and applicable state and local regulations.

The following table contains information regarding bulk samples found to contain asbestos by definition. The laboratory report has also been included at the end of this report.

Bulk Collection and Sample Analysis Results

Sample Number	*Description*	*Condition*	*Friable*	*Asbestos Percent and Type*	*Location/ Amount*	*NESHAP Category*

VI. ASBESTOS RECOMMENDATIONS

Asbestos NESHAP regulations must be followed for demolitions and/or renovations of facilities with at least 260 linear feet of regulated asbestos-containing materials (RACM) on pipes, 160 square feet of regulated asbestos-containing materials on other facility components, or at least 35 cubic feet of facility components where the amount of RACM previously removed from pipes and other facility components could not be measured before stripping. If dimensions fall below these thresholds, Asbestos NESHAP regulations need not be followed for demolition and/or renovation activities.

The EPA and NESHAP recommend that a point-counting procedure be utilized for confirmation of asbestos percentage in friable materials that are visually estimated by PLM methodology to contain less than 10% asbestos. The 400 Point Count Procedure referenced in EPA 600/M4-82-020 (1987) and EPA 600/R-93/116 (1993) is commonly employed. Without the material being point counted or if point counting determined that material contains greater than one percent asbestos, it would be deemed an asbestos containing material and would need to be removed by a Florida licensed asbestos contractor prior to disturbance.

Disturbances to Asbestos Containing Materials:

- Should be performed by a Florida Licensed Asbestos Abatement Contractor
- U.S. Occupational Safety and Health Administration (OSHA) regulations apply to the disturbance of material containing any percentage of asbestos fibers as outlined in 29 CFR 1926.1101-OSHA's Asbestos Standard for the Construction Industry. The contractor will need to comply with the specific training, duties and responsibilities outlined in this CFR.
- OSHA 29 CFR 1910.1001. OSHA 29 CFR 1910.1001 requires the communication of information concerning asbestos hazards. Employees engaged in work activities with installed ACM may be exposed to asbestos

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

fibers. The owner or operator should take the necessary steps to reduce the potential for disturbance.

EPA National Emission Standards for Hazardous Air Pollutants (NESHAP) is applicable to amounts of asbestos that contain at least 260 linear feet on pipes or at least 160 square feet on other facility components, or (ii) At least 35 cubic feet off facility components where the length or area could not be measured previously.

The EPA's National Emission Standard for Hazardous Air Pollutants (NESHAP) regulations and the Florida Department of Environmental Protection (DEP) Asbestos program regulate the removal and disposal of asbestos-containing building materials. The Florida Department of Environmental Protection (DEP) administers an asbestos removal program under Chapter 62-257, Florida Administrative Code. The Asbestos NESHAP has been adopted by reference in section 62-204.800, Florida Administrative Code. The program's intent is to minimize the release of asbestos fibers during activities involving the processing, handling, and disposal of asbestos-containing material.

The regulations of these agencies require the removal of friable asbestos-containing materials prior to extensive renovation or demolition projects, and the removal of non-friable asbestos-containing materials that may be rendered friable in the course of renovation or demolition projects. Only a Florida licensed asbestos contractor using properly trained, certified, and licensed asbestos workers can perform asbestos removal projects in Florida. Air monitoring during and after abatement activities is also recommended to document the fiber levels inside and outside the abatement work area.

The asbestos NESHAP requires that an asbestos trained person be on site i.e. 40 CFR 61.145 (c) (8) states in part "no RACM shall be stripped, removed, or otherwise handled or disturbed at a facility regulated by this section unless at least one on-site representative, such as a foreman or management level person or other authorized person, trained in the provisions of this regulation and the means of complying with them is present."

DEP recommends that this "trained person" be on site when non-friable ACM is present so that developing problems can be caught early and corrected without delay. In addition, the regulations require the owner of the building and/or the operator to notify the applicable DEP District Office or Local Pollution Control Agency before any demolition, or before renovations of buildings that contain a certain threshold amount of asbestos or asbestos containing materials.

Florida requires the submission of a 10-Day Notification for all renovations and demolitions of facilities with at least 260 linear feet of regulated asbestos-containing materials (RACM), 160 square feet of regulated asbestos containing materials on other facility components, or at least 35 cubic feet off facility components. Asbestos waste requires disposal at an approved solid waste disposal facility.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

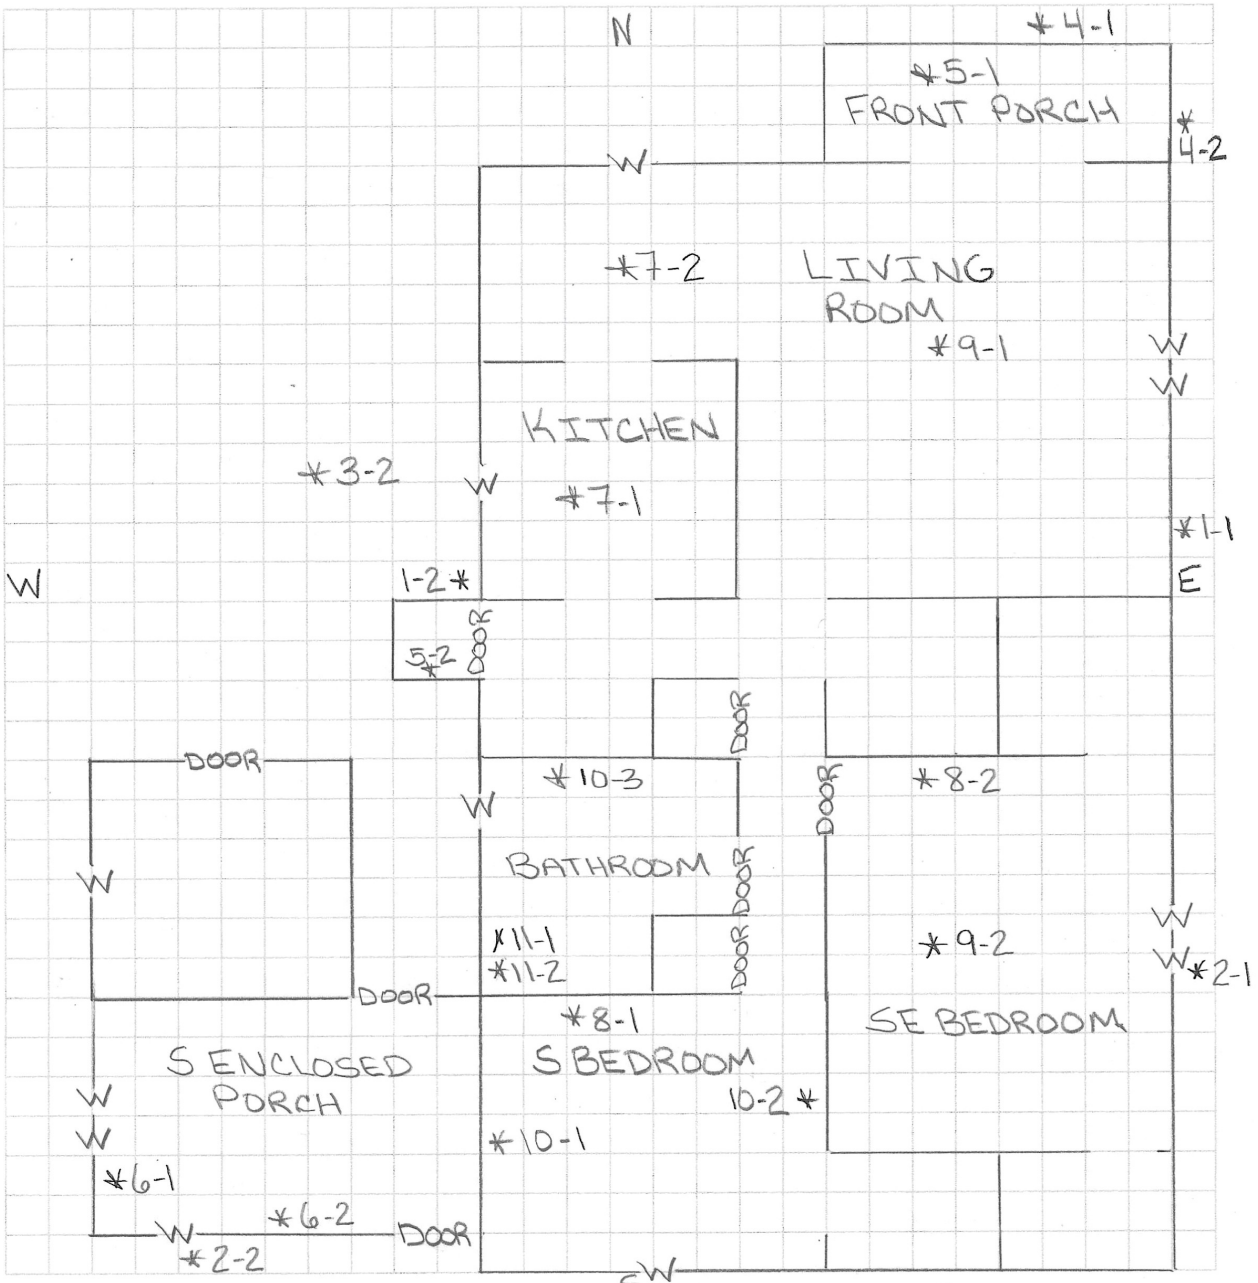
Local agencies may also have specific requirements for demolition/renovation projects involving asbestos-containing building materials.

OSHA 29 CFR 1910.1001 requires the communication of information concerning asbestos hazards. Employees engaged in work activities with installed ACM may be exposed to asbestos fibers. The owner or operator should take the necessary steps to reduce the potential for disturbance.

29 CFR 1926.1101- OSHA's Asbestos Standard for the Construction Industry does apply to the abatement, renovation and/or demolition of all buildings identified with asbestos containing material. The contractor will need to comply with the specific training, duties and responsibilities outlined in this CFR.

If asbestos containing materials identified within, or on, the property will be disturbed or otherwise caused to become friable within the scope of the renovation, they should be removed from the structures prior to the maneuvers taking place according to applicable regulations.



No other recommendations regarding asbestos containing materials are required at this time. In the event concealed building materials are discovered during future renovation or demolition activities, which are suspected to contain asbestos, the materials should be sampled and analyzed to confirm the presence of asbestos prior to the disturbing such materials.

X. GLOSSARY

Active waste disposal site: any disposal site other than an inactive site.

Adequately wet: sufficiently mix or penetrate with liquid to prevent the release of particulates. If visible emissions are observed coming from asbestos-containing material, then that material has not been adequately wetted. However, the absence of visible emissions is not sufficient evidence of being adequately wet.

Asbestos: the asbestiform varieties of serpentinite (chrysotile), riebeckite (crocidolite), cummingtonite-grunerite, anthophyllite, and actinolite-tremolite.

Asbestos-containing waste materials: mill tailings or any waste that contains commercial asbestos and is generated by a source subject to the provisions of this subpart. This term includes filters from control devices, friable asbestos waste material, and bags or other similar packaging contaminated with commercial asbestos. As applied to demolition and renovation operations, this term also includes regulated asbestos-containing material waste and materials contaminated with asbestos including disposable equipment and clothing.

Asbestos mill: any facility engaged in converting, or in any intermediate step in converting, asbestos ore into commercial asbestos. Outside storage of asbestos material is not considered a part of the asbestos mill.

Asbestos tailings: any solid waste that contains asbestos and is a product of asbestos mining or milling operations.

Asbestos waste from control devices: any waste material that contains asbestos and is collected by a pollution control device.

Category I non-friable asbestos-containing material (ACM): asbestos-containing packings, gaskets, resilient floor covering, and asphalt roofing products containing more than 1 percent asbestos as determined using the method specified in appendix E, subpart E, 40 CFR part 763, section 1, Polarized Light Microscopy.

Category II non-friable ACM: any material, excluding Category I non-friable ACM, containing more than 1 percent asbestos as determined using the methods specified in appendix E, subpart E, 40 CFR part 763, section 1, Polarized Light Microscopy that, when dry, cannot be crumbled, pulverized, or reduced to powder by hand pressure.

Commercial asbestos: any material containing asbestos that is extracted from ore and has value because of its asbestos content.

Cutting: to penetrate with a sharp-edged instrument and includes sawing, but

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

does not include shearing, slicing, or punching.

Demolition: the wrecking or taking out of any load-supporting structural member of a facility together with any related handling operations or the intentional burning of any facility.

Emergency renovation operation: a renovation operation that was not planned but results from a sudden, unexpected event that, if not immediately attended to, presents a safety or public health hazard, is necessary to protect equipment from damage, or is necessary to avoid imposing an unreasonable financial burden. This term includes operations necessitated by nonroutine failures of equipment.

Fabricating: any processing (e.g., cutting, sawing, drilling) of a manufactured product that contains commercial asbestos, with the exception of processing at temporary sites (field fabricating) for the construction or restoration of facilities. In the case of friction products, fabricating includes bonding, debonding, grinding, sawing, drilling, or other similar operations performed as part of fabricating.

Facility: any institutional, commercial, public, industrial, or residential structure, installation, or building (including any structure, installation, or building containing condominiums or individual dwelling units operated as a residential cooperative, but excluding residential buildings having four or fewer dwelling units); any ship; and any active or inactive waste disposal site. For purposes of this definition, any building, structure, or installation that contains a loft used as a dwelling is not considered a residential structure, installation, or building. Any structure, installation or building that was previously subject to this subpart is not excluded, regardless of its current use or function.

Facility component: any part of a facility including equipment.

Friable asbestos material: any material containing more than 1 percent asbestos as determined using the method specified in appendix E, subpart E, 40 CFR part 763 section 1, Polarized Light Microscopy, that, when dry, can be crumbled, pulverized, or reduced to powder by hand pressure. If the asbestos content is less than 10 percent as determined by a method other than point counting by polarized light microscopy (PLM), verify the asbestos content by point counting using PLM.

Fugitive source: any source of emissions not controlled by an air pollution control device.

Glove bag: a sealed compartment with attached inner gloves used for the handling of asbestos-containing materials. Properly installed and used, glove bags provide a small work area enclosure typically used for small-scale asbestos stripping operations. Information on glove-bag installation, equipment and supplies, and work practices is contained in the Occupational Safety and Health

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

Administration's (OSHA's) final rule on occupational exposure to asbestos (appendix G to 29 CFR 1926.58).

Grinding: to reduce to powder or small fragments and includes mechanical chipping or drilling.

In poor condition: the binding of the material is losing its integrity as indicated by peeling, cracking, or crumbling of the material.

Inactive waste disposal site: any disposal site or portion of it where additional asbestos-containing waste material has not been deposited within the past year. Installation means any building or structure or any group of buildings or structures at a single demolition or renovation site that are under the control of the same owner or operator (or owner or operator under common control).

Leak-tight: solids or liquids cannot escape or spill out. It also means dust-tight.

Malfunction: any sudden and unavoidable failure of air pollution control equipment or process equipment or of a process to operate in a normal or usual manner so that emissions of asbestos are increased. Failures of equipment shall not be considered malfunctions if they are caused in any way by poor maintenance, careless operation, or any other preventable upset conditions, equipment breakdown, or process failure.

Manufacturing: the combining of commercial asbestos-or, in the case of woven friction products, the combining of textiles containing commercial asbestos-with any other material(s), including commercial asbestos, and the processing of this combination into a product. Chlorine production is considered a part of manufacturing.

Natural barrier: a natural object that effectively precludes or deters access. Natural barriers include physical obstacles such as cliffs, lakes or other large bodies of water, deep and wide ravines, and mountains. Remoteness by itself is not a natural barrier.

Non-friable asbestos-containing material: any material containing more than 1 percent asbestos as determined using the method specified in appendix E, subpart E, 40 CFR part 763, section 1, Polarized Light Microscopy, that, when dry, cannot be crumbled, pulverized, or reduced to powder by hand pressure.

Nonscheduled renovation operation: a renovation operation necessitated by the routine failure of equipment, which is expected to occur within a given period based on past operating experience, but for which an exact date cannot be predicted.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

Outside air: the air outside buildings and structures, including, but not limited to, the air under a bridge or in an open air ferry dock.

Owner or operator of a demolition or renovation activity: any person who owns, leases, operates, controls, or supervises the facility being demolished or renovated or any person who owns, leases, operates, controls, or supervises the demolition or renovation operation, or both.

Particulate asbestos material: finely divided particles of asbestos or material containing asbestos.

Planned renovation operations: a renovation operation, or a number of such operations, in which some RACM will be removed or stripped within a given period of time and that can be predicted. Individual nonscheduled operations are included if a number of such operations can be predicted to occur during a given period of time based on operating experience.

Regulated asbestos-containing material (RACM): (a) Friable asbestos material, (b) Category I non-friable ACM that has become friable, (c) Category I non-friable ACM that will be or has been subjected to sanding, grinding, cutting, or abrading, or (d) Category II non-friable ACM that has a high probability of becoming or has become crumbled, pulverized, or reduced to powder by the forces expected to act on the material in the course of demolition or renovation operations regulated by this subpart.

Remove: to take out RACM or facility components that contain or are covered with RACM from any facility.

Renovation: altering a facility or one or more facility components in any way, including the stripping or removal of RACM from a facility component. Operations in which load-supporting structural members are wrecked or taken out are demolitions.

Resilient floor covering: asbestos-containing floor tile, including asphalt and vinyl floor tile, and sheet vinyl floor covering containing more than 1 percent asbestos as determined using polarized light microscopy according to the method specified in appendix E, subpart E, 40 CFR part 763, Section 1, Polarized Light Microscopy.

Roadways: surfaces on which vehicles travel. This term includes public and private highways, roads, streets, parking areas, and driveways.

Strip: to take off RACM from any part of a facility or facility components.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

Structural member: any load-supporting member of a facility, such as beams and load supporting walls; or any nonload-supporting member, such as ceilings and nonload-supporting walls.

Visible emissions: any emissions, which are visually detectable without the aid of instruments, coming from RACM or asbestos-containing waste material, or from any asbestos milling, manufacturing, or fabricating operation. This does not include condensed, uncombined water vapor.

Waste generator: any owner or operator of a source covered by this subpart whose act or process produces asbestos-containing waste material.

Waste shipment record: the shipping document, required to be originated and signed by the waste generator, used to track and substantiate the disposition of asbestos-containing waste material.

Working day: Monday through Friday and includes holidays that fall on any of the days Monday through Friday.

Docusign Envelope ID: 304C621D-C894-8B72-8287-A9F89C13A891

HAYES MICROBIAL CONSULTING

#26007572

Analysis Report prepared for

DK Environmental & Construction Services, Inc.

8786 Sonoma Coast Drive
Winter Garden, FL 34787

Phone: **(814) 243-1927**

4080 SE 29th Place
Ocala, FL 34474

Collected: **February 13, 2026**
Received: **February 18, 2026**
Reported: **February 19, 2026**

We would like to thank you for trusting Hayes Microbial for your analytical needs!
We received 23 samples by UPS in good condition for this project on February 18th, 2026.

The results in this analysis pertain only to this job, collected on the stated date, and should not be used in the interpretation of any other job. Information supplied by the customer can affect the validity of results. These results apply only to the samples as received. This report may not be duplicated, except in full, without the written consent of Hayes Microbial Consulting, LLC.

All information provided to Hayes Microbial is confidential information relating to our customers and their clients. We will not disclose, copy, or distribute any information verbally or written, except to those designated by the customer(s). We take confidentiality very seriously. No changes to the distribution list will be made without the express consent of the customer.

This laboratory bears no responsibility for sample collection activities, analytical method limitations, or your use of the test results. Interpretation and use of test results are your responsibility. Any reference to health effects or interpretation of mold levels is strictly the opinion of Hayes Microbial. In no event, shall Hayes Microbial or any of its employees be liable for lost profits or any special, incidental or consequential damages arising out of the use of these test results.

Steve Hayes, BSMT(ASCP)

Asbestos Analysis Information

Analysis Details	All samples were received in acceptable condition unless otherwise noted on the report. This report must not be used by the client to claim product certification, approval, or endorsement by AIHA, NIST, NVLAP, NY ELAP, or any agency. The results relate only to the items tested. Hayes Microbial Consulting reserves the right to dispose of all samples after a period of 60 days in compliance with state and federal guidelines.
PLM Analysis	All Polarized Light Microscopy (PLM) results include an inherent uncertainty of measurement associated with estimating percentages by PLM. Materials with interfering matrix, low asbestos content, or small fiber size may require additional analysis via TEM Analysis.
TEM Analysis	Analysis by TEM is capable of providing positive identification of asbestos type(s) and semi-quantitation of asbestos content.
Definitions	'None Detected' - Below the detected reporting limit of 1% unless point counting is performed, then the detected reporting limit is .25%.
New York ELAP	Per NY ELAP198.6 (NOB), TEM is the only reliable method to declare an NOB material as Non-Asbestos Containing. Any NY ELAP samples that are subcontracted to another laboratory will display the name and ELAP Lab Identification number in the report page heading of those samples. The original report provided to Hayes Microbial Consulting is available upon request.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

COMMENTS

Our records indicate that a tax-exempt certificate has been provided on your behalf to one or more Clear Channel markets associated with this contract. Based on that certificate, taxes were omitted from this contract. If the certificate is no longer valid or is not valid with respect to a specific market or for specific services, applicable taxes will be added to your invoice and you will be responsible for payment of such taxes.

SUMMARY

Description	Cost
OOH Services	$3,000.00
TOTAL	$3,000.00

Clear Channel may impose a surcharge of 3% on credit card and virtual credit card payments. This fee does not exceed our cost of acceptance. ACH, debit cards, and other accepted payment methods are not subject to a surcharge. Surcharges are not applied where prohibited by law.

DELIVERY OF PRODUCTION MATERIALS TO CLEAR CHANNEL OUTDOOR

Please deliver production materials to the following addresses (based on your campaign's locations):

Market	Inventory Description	Address	Contact Name	Phone Number
Ocala/Gainesville		731 SW 37th Ave, Ocala, FL, 34474		(352) 479-6915

Docusign Envelope ID: D290AA22-A86D-8F81-8071-C2BC265FF367

TERMS & CONDITIONS

1. DEFINED TERMS. As used in this Contract, these terms shall have the meanings set forth below:
"Advertising Materials" shall mean all Printed Advertising Materials, Digital Advertising Materials and Full Motion Digital Advertising Materials, as each is defined in Section 4.
"Campaign" shall mean the advertising services described in the Contract.
"CC Portal" shall mean the software utilized by Clear Channel to serve and deliver Dynamic Content to non-motion digital signs as more thoroughly described in Section 4.2.
"Clear Channel" shall mean Clear Channel Outdoor, LLC, a Delaware limited liability company and its successors and assigns.
"Commencement Date" shall mean the date identified as the commencement date of the Campaign in the Contract.
"Confidential Information" shall mean any non-public information relating to or disclosed by a party arising from or in connection with this Contract.
"Contract" shall mean the applicable sales contract for advertising services, these terms and conditions and all guidelines expressly referred to herein, all as the same may be modified from time to time.
"Customer" shall mean the advertiser and any agency or buying service named in the Contract.
"Delivery Date" shall mean the date(s) for the delivery of Advertising Materials as set forth in the Contract.
"Dynamic Content" shall mean data and information feeds supplied by or on behalf of the Customer, such as sports scores, weather or traffic information.
"Fixed Campaign" shall mean a Campaign where advertising services are provided based on a location of a Sign or Signs, Quantity Deliverables, or Impressions Deliverable basis, with guaranteed deliverables. Depending on the Campaign, and subject to these Terms and Conditions, guaranteed deliverables could include, without limitation, confirmed start and end dates for the Campaign, the specific location of Signs where the Advertising Materials will post, and the quantity and/or type of Signs to be used in the Campaign.
"Flexible Campaign" shall mean a Campaign where advertising services are provided based on a specific location of a Sign or Signs, Quantity Deliverables, or Impressions Deliverable basis, but the actual deliverables are not guaranteed and may be provided in full, in part, or not at all. The option to purchase a Flexible Campaign is available only to Customers with approved credit terms. Clear Channel reserves the right to not offer a Flexible Campaign option at its discretion. Clear Channel will invoice the Customer only for the portion of the Flexible Campaign that has been delivered.
"Full Motion Spec Sheet" shall mean the unique special instructions sheet associated with each full motion digital sign.
"Impressions Deliverables" means a Fixed or Flexible Campaign delivered by Clear Channel without the guarantee of specific Sign(s) nor specific quantities of Sign(s).
"Quantity Deliverables" means a Fixed or Flexible Campaign delivered by Clear Channel without the guarantee of specific Sign(s) location(s).
"Sign" or "Signs" shall mean the sign or signs identified in the Contract where the advertising services will be performed.

2. PAYMENT

a. Customer shall pay in advance for the services covered by this Contract unless otherwise expressly agreed to in writing.
b. If Clear Channel has extended credit to Customer, Clear Channel shall, from time to time at intervals following the Commencement Date, bill the "Invoice to" Customer at the e-mail address set forth in the Contract, or to the address provided by Customer if Customer chooses to receive invoices by mail.
c. Payment by Customer for services rendered hereunder is due within 30 days of the date of the invoice, unless otherwise agreed to in writing.
d. Payments made by credit card and virtual credit card may be subject to a surcharge.
e. Past due accounts shall be charged interest from the date of the invoice at a per annum rate of 12%, or the highest rate allowed by applicable law, whichever is less.
f. If Customer disputes any charges or notices any errors on an invoice, Customer shall contact Clear Channel via email sent to ccobilling@clearchannel.com within 10 days of the invoice date, stating the invoice number, amount and description of the alleged dispute or error, and provide any supporting documentation as may be reasonably required by Clear Channel. All invoice charges shall be considered valid if Customer fails to timely provide notice to Clear Channel of any dispute or error as required herein.
g. If Customer is past due in payment of any amount, Clear Channel may change the terms of payment by giving Customer written notice. If Clear Channel refers this Contract for collection, Customer shall pay all collection costs incurred by Clear Channel, including reasonable attorney's fees and court costs.

3. RIGHTS, OBLIGATIONS AND OTHER AGREEMENTS OF THE PARTIES

3.1 OF CUSTOMER

a. Customer represents and warrants to Clear Channel that:
(1) at all times hereunder, all of Customer's products and services, Advertising Materials and, to the extent applicable, all Dynamic Content, shall comply with all applicable federal, state and local laws and regulations,
(2) Customer is the rightful owner or licensee of any Advertising Materials the Customer provides for use in the provision of advertising services and the Advertising Materials (i) does not infringe, violate, or misappropriate any trademark, patent, copyright, trade secret, or any other intellectual property right of any third party, (ii) does not contain libelous material, and (iii) includes any disclaimers that may be required by applicable laws, statutes, ordinances, rules and regulations.
(3) if the Customer entering into this Contract is an agency or buying service, it has the right to grant the rights and licenses granted herein and the right, power and authority to enter into this Contract on behalf of the advertiser. All legal obligations arising under this Contract are and shall be binding on said agency or buying service and the advertiser, and
(4) if this Contract is entered into by an agency or buying service as Customer on behalf of an advertiser, such agency or buying service is liable for invoice payments only to the extent it has been paid by the advertiser. The agency or buying service hereby assigns to Clear Channel all of its rights, title and interest in any claim it may hereafter have for non-payment by advertiser or in the event of a bankruptcy by the advertiser for payment under this Contract and agrees not to file any protest to such claim of Clear Channel.

3.2 OF CLEAR CHANNEL

a. Clear Channel, at its sole discretion, may reject or remove any Advertising Material, art or copy, for any reason or no reason at any time during the term of this Contract. In such case, (i) Clear Channel and/or Customer may terminate this Contract and Clear Channel will reimburse Customer any prepaid amounts made by Customer to Clear Channel for the unexpired portion of the Contract and (ii) unless Clear Channel's termination of advertising services is due to Customer or the Advertising Material provided by Customer, Customer shall be entitled to receive from Clear Channel a sum equal to the actual non-cancelable out-of-pocket costs necessarily incurred by Customer for production of Advertising Materials which was not displayed.
b. Subject to Clear Channel's right to terminate the provision of advertising services, all approved Advertising Materials shall be used by Clear Channel to provide advertising services to Customer in accordance with the terms of the Contract.
c. Clear Channel shall furnish to Customer proof of performance as follows (1) Permanent Bulletin(s): one close-up photo or digital print for each creative execution within a bulletin campaign including a performance report (2) Rotary Bulletin(s): one close-up and one approach photo or digital print for each rotary start location and each creative execution including a performance report. Rotation cycles shall not be photographed unless the creative copy changes, (3) Poster(s): one close-up photo or digital print for each creative execution within a poster campaign including a performance report and a completion report listing all locations/designs, and (4) Digital: a performance report confirming the execution of the display(s) as contemplated in the Contract.
d. Clear Channel's obligations under this Contract are subject to and subordinate to the terms and conditions of any applicable leases and all other agreements, licenses and permits relating to any Signs and to applicable federal, state and local laws and regulations.
e. If Advertising Materials are timely delivered, Clear Channel shall complete posting or vinyl installation of the displays within 5 business days of the contracted start.
f. For non-digital Signs, illumination will only be provided if Illumination is indicated on the Contract, and will be from dusk until midnight, unless a dollar amount appears next to "Extended Illumination"; provided that in all cases illumination hours will be limited to those hours prescribed by applicable law.
g. Clear Channel reserves the right to preempt Customer's copy for special events or breaking news.
h. TO THE EXTENT PERMITTED BY LAW, CLEAR CHANNEL MAKES NO WARRANTIES OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, ABOUT THE SERVICES DESCRIBED IN THIS CONTRACT AND DISCLAIMS ALL WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE OR PURPOSE.

3.3 SANCTIONS COMPLIANCE

a. OFAC Representation. Customer is, and during the 6 years prior to the date of this Contract has been, in compliance with all laws administered by the U.S. Department of the Treasury's Office of Foreign Assets Control ("OFAC") or any other national or international governmental or inter-governmental organization with applicable jurisdiction over this Contract or the Customer imposing economic sanctions and trade embargoes ("Economic Sanctions Laws") against designated countries ("Embargoed Countries"), regimes, entities, and persons (collectively, "Embargoed Targets"). Customer is not, and during the 6 years prior to the date of this Contract has not been, an Embargoed Target or otherwise in breach of any Economic Sanctions Law.
b. OFAC Compliance. Customer shall comply with all Economic Sanctions Laws. Without limiting the generality of the foregoing, Customer shall not (a) directly or indirectly engage Clear Channel on behalf of, or redirect the Advertising Materials, or any portion of the Advertising Materials or advertising content to or via, an Embargoed Target or (b) broker, finance, or otherwise facilitate any transaction in relation to the Advertising Materials in violation of any Economic Sanctions Law.

3.4 PREVENTION OF ECONOMIC CRIME AND ANTI-CORRUPTION COMPLIANCE

a. Customer will carry out its obligations under this Contract in compliance with all applicable laws relating to the prevention of bribery, fraud, tax evasion, conflicts of interest, insider dealing and money laundering (including without limitation applicable lobbying, anti-bribery, anti-monopoly and government contracting laws, rules and regulations and all applicable laws prohibiting fraud or falsification of business documents and records) concerning interaction with public officials and private entities and individuals that are from time to time in force including but not limited to:
- The US Foreign Corrupt Practices Act 1977; and
- Any other applicable local, state, federal, or international laws applicable to the operation of this Contract or the Customer (together, "Applicable Economic Crime Laws").

b. Customer shall ensure that all of its shareholders, officers, directors, employees, agents, and any other persons or entities acting on its behalf in connection with the operation of this Contract (collectively, the "Customer Representatives") do so only in compliance Applicable Economic Crime Laws. Customer shall be responsible for the observance and performance by the Customer Representatives of the Applicable Economic Crime Laws.

4. CONTENT, PRODUCTION AND DELIVERY

4.1 PRINTED ARTWORK AND PRODUCTION MATERIALS

a. "Printed Advertising Materials" is defined as materials of quality and in quantity as specified in the Production Contract if applicable, or as otherwise agreed to by the parties to meet the needs hereunder, at places designated by Clear Channel, shipping charges prepaid, and in weight tensile strength, opacity, size and sort. Customer shall be responsible for any and all costs in connection with the creation, production and delivery to Clear Channel of the Printed Advertising Materials as contemplated under this Contract (but not less than a minimum quantity of one complete set of materials and instructions for every display to be posted or vinyl installed)."

Docusign Envelope ID: D290AA22-A86D-8F81-8071-C2BC265FF367

b. Customer shall deliver Printed Advertising Materials to Clear Channel not less than 5 business days prior to such Commencement Date. If Clear Channel is printing the Advertising Materials, Customer shall deliver the creative file and any other required materials to Clear Channel not less than 15 business days prior to the Commencement Date. Clear Channel may require additional time for the delivery of Printed Advertising Materials as required under the circumstances, including, without limitation, if third party approval for the Printed Advertising Materials is required.

c. If Customer requests within 60 days after the last date of the display of the Customer's Printed Advertising Materials, Clear Channel shall return any of the Customer's Printed Advertising Materials in its possession to Customer at Customer's sole cost and expense and in "as is" condition. If Customer does not so request, Clear Channel is hereby granted the right, at its sole option, to dispose of all such Printed Advertising Materials at any time after such 60-day period.

4.2 NON-MOTION DIGITAL CONTENT, PRODUCTION AND RELATED MATTERS

a. If Customer's suggested digital content is used by Clear Channel, Customer shall be obligated to produce and deliver to Clear Channel any and all advertising copy or artwork, images, displays, illustrations, reproductions, and similar advertising materials in digital format, along with any instructions or similar directions, in uncompressed .jpg format, RGB color mode and in 400x1400 pixels for Digital Bulletins, 400x840 pixels for Digital Premiere Panels, 1920x1080 pixels for shelters, or as otherwise agreed to by the parties (collectively, the "Digital Advertising Materials"). All Digital Advertising Materials in form for proper execution of the purpose of this Contract shall be delivered by Customer for receipt by Clear Channel no later than two (2) business days prior to the Commencement Date and through such method of delivery as shall be designated by Clear Channel, unless the Commencement Date is less than 2 business days from execution of this Contract, in which case Clear Channel shall inform Customer of the deadline to deliver the Digital Advertising Materials to Clear Channel prior to the Commencement Date. Customer shall be responsible for any and all costs in connection with the creation, production and delivery to Clear Channel of the Digital Advertising Materials as contemplated under this Contract.

b. Upon the written request of Customer, Clear Channel, in its sole discretion, may permit the Customer to provide Dynamic Content for the CC Portal. In no event shall the unavailability, inactivity or inoperability of the CC Portal constitute a breach of this Contract or provide Customer any right, claim, remedy or otherwise under this Contract or at law.

c. Customer acknowledges and agrees that (1) Clear Channel shall include such filtering technology in the CC Portal as it shall deem appropriate, in its sole discretion, to filter inappropriate content from being served or delivered to Signs, and (2) upon the occurrence of a breach of this Contract by Customer, Clear Channel may, in addition to all other remedies available to it, and in its sole and absolute discretion cease providing advertising services via the CC Portal.

4.3 FULL MOTION DIGITAL CONTENT, PRODUCTION AND RELATED MATTERS

a. If Customer's suggested digital content is used by Clear Channel, Customer shall be obligated to produce and deliver to Clear Channel any and all advertising copy or artwork, images, displays, illustrations, reproductions, and similar advertising materials in digital format, along with any instructions or similar directions in compliance with the production specifications and in the manner provided by Clear Channel on the Full Motion Spec Sheet(s) (collectively, the "Full Motion Digital Advertising Materials").

b. All Full Motion Digital Advertising Materials in form for proper execution of the purpose of this Contract shall be delivered by Customer for receipt by Clear Channel no later than five (5) business days prior to the Commencement Date. Clear Channel shall make commercially reasonable efforts to review, load and schedule properly formatted Full Motion Digital Advertising Materials not delivered by the deadline, however Clear Channel reserves the right to delay advertising services related to the posting date of Customer's Full Motion Digital Advertising Material by one (1) business day for each day of delay in the receipt of such materials without any rate proration or extension of the term.

c. Any special feature requests such as, but not limited to, (i) synchronized audio, (ii) timed broadcast, (iii) where available, use of a crowd camera, and (iv) streaming services, are subject to permits where applicable and additional charges above the standard media rate. Clear Channel does not guarantee the availability of any special features. In addition, no adjustment to the media rate will be made should any special feature fail to operate at Customer's desired performance level during the Customer's advertising campaign.

4.4 QUANTITY DELIVERABLES

Unless stated otherwise in the Contract, for Campaigns sold on a Quantity Deliverables basis, Clear Channel shall have sole discretion to select the mix of Sign(s) location(s) and modify that mix during the Campaign to deliver the deliverables. Any Contract that specifies a quantity, including without limitation a Target Rating Points (TRP) amount or the number of Sign(s) location(s), is sold on a Quantity Deliverables basis unless clearly indicated otherwise in the Contract.

4.5 IMPRESSIONS DELIVERABLES

Unless stated otherwise in the Contract, for Campaigns sold on an Impressions Deliverables basis, Clear Channel shall have sole discretion to select the mix of Sign(s) location(s) and modify that mix during the Campaign to deliver the Impressions Deliverables. Impressions delivered shall be calculated at the end of each performance period as defined by Clear Channel, and on the basis of then available Geopath Impressions for the Sign(s) location(s) selected. Unless stated otherwise in the Contract, if Clear Channel overdelivers on the number of Impressions, Customer's payment obligation shall be capped at the amount shown in the Maximum Cost column of the Contract. Any Contract that specifies Impressions is sold on an Impressions Deliverables basis unless clearly indicated otherwise in the Contract.

4.6 ARCHIVAL MATERIAL AND RIGHT TO USE.

Clear Channel may keep Advertising Materials as it deems fit for Clear Channel's own archival purposes. Customer authorizes Clear Channel to use a picture or photograph of Clear Channel's Sign or Signs displaying the Campaign for Clear Channel's promotional, advertising or prospective sales purposes with clients, prospective clients or for internal use.

4.7 RIGHTS AND OBLIGATIONS

THE PROVISION OF ADVERTISING SERVICES BY CLEAR CHANNEL DOES NOT TRANSFER OWNERSHIP RIGHTS OF ANY ADVERTISING STRUCTURE OR SIGN TO CUSTOMER. CUSTOMER ACKNOWLEDGES AND AGREES THAT NO LEASE OR LICENSE SHALL ARISE FROM THE PROVISION OF ADVERTISING SERVICES.

5. DISRUPTION OF PERFORMANCE; LOSS OF USE

a. Except as otherwise provided herein, if Clear Channel is unable to perform any of its obligations hereunder as a result of a force majeure, labor dispute, law, government action or order, or similar causes beyond Clear Channel's reasonable control, Clear Channel shall promptly notify the Customer. Customer's sole and exclusive remedy for a delay or failure to perform under this subsection 5(a) shall be receipt of services of substantially equivalent value to what was lost as a consequence of such delay or failure to perform. In no event shall such a delay or failure to perform constitute a breach of this Contract or provide Customer with any other right, claim or remedy under this Contract or at law.

b. Clear Channel shall promptly notify Customer if the lights illuminating a printed Sign are not operating during permitted hours of operations for which lights are required to view the content of the advertising posted on that Sign. Customer's sole and exclusive remedy for such a lighting outage shall be a credit against the charges due hereunder in an amount equivalent to 25% of the charges set forth in the Contract for the period during which the lights did not operate. In no event shall such a lighting outage constitute a breach of this Contract or provide Customer any other right, claim or remedy under this Contract or at law.

c. If any Sign selected for inclusion in the Campaign shall not be operational as of the Commencement Date or becomes unavailable for use for any reason whatsoever, or is converted to a different technology during the Campaign, Clear Channel shall promptly notify the Customer and the parties will discuss replacing such Sign with an alternate Sign. In no event shall Clear Channel's failure to make a Sign available hereunder in the circumstances described herein constitute a breach of this Contract or provide Customer any other right, claim or remedy under this Contract or at law but Customer shall be entitled to a refund of any prepaid amounts made by Customer to Clear Channel for any impacted Sign that becomes inoperable, unavailable or is converted to different technology.

6. TERMINATION

a. Clear Channel may by providing 14 days advance written notice to Customer, and if Customer fails to cure such breach prior to expiration of the 14 days, terminate this Contract (1) upon material breach by Customer (except for breach of Customer's obligation to deliver Advertising Materials to Clear Channel) or (2) if any monies to be paid by Customer to Clear Channel are past due. Clear Channel's notice shall set forth a summary of the alleged breach and Clear Channel agrees to provide any supporting documentation as may be reasonably requested by Customer. In addition, Clear Channel may upon written notice to Customer terminate this Contract if Advertising Materials have not been received by Clear Channel on or before the date required herein. Upon any termination under this section (a), all unpaid, accrued charges hereunder shall immediately become due and payable and, in addition, Customer shall pay Clear Channel, as liquidated damages and not as a penalty, (i) 100% of the amount payable hereunder for the portion of the Campaign to run in the 60 day period after such termination and (ii) 50% of the amount payable hereunder for the portion of the Campaign to run thereafter.

b. Customer may by providing 14 days advance written notice to Clear Channel, and if Clear Channel fails to cure such breach prior to expiration of the 14 days, terminate this Contract upon material breach by Clear Channel. Customer's notice shall set forth a summary of the alleged breach and Customer agrees to provide any supporting documentation as may be reasonably requested by Clear Channel. Upon such termination, Clear Channel shall reimburse Customer any prepaid amounts made by Customer to Clear Channel for the unexpired portion of the Contract and pay to Customer, as liquidated damages and not as a penalty, and as Customer's sole and exclusive remedy, a sum equal to the actual non-cancelable out-of-pocket costs necessarily incurred by Customer prior to the date of termination for production and delivery to Clear Channel of the Advertising Materials hereunder which were not displayed.

c. Except as otherwise specified herein, this Contract is non-cancellable and neither party shall be liable to the other party for incidental, indirect, consequential or punitive damages or lost profits.

7. INDEMNIFICATION AND HOLD HARMLESS

~~Customer shall defend, hold harmless and indemnify Clear Channel, its parents, subsidiaries and affiliates, and their respective officers, directors, employees, agents and designees from any and all claims, actions, causes of action, losses, liabilities, demands, damages, penalties, fines, costs and expenses including, without limitation, any incidental, indirect, consequential, punitive or statutory damages or lost profits to a third party, arising from, connected with or related to (i) Customer's Advertising Materials and Dynamic Content, including, infringement in any manner of any copyright, patent, trademark, trade secret or other right of any third party, presentation of any material or information that violates any law or regulation, or failure to include any disclaimer that may be required by applicable laws, statutes, ordinances, rules and regulations or (ii) Customer's products and services.~~

8. GENERAL

a. It is agreed that the laws of the State of New York shall govern the construction and interpretation of this Contract and the rights and obligations set forth herein. The parties hereto irrevocably waive any and all rights to trial by jury in any proceeding arising out of or relating to this Contract.

b. Customer may not assign or transfer this Contract without first obtaining the written consent of Clear Channel; nor is Clear Channel required to post, install or maintain any material under this Contract for the benefit of any person or entity other than the Customer named in the Contract.

c. ~~Each party agrees that it shall always take reasonable steps, at least substantially equivalent to the steps it takes to protect its own proprietary information, to prevent duplication or disclosure of Confidential Information of the other party other than by or to its employees or agents who must have access to such Confidential Information to perform such party's obligations hereunder~~.

d. This Contract contains the entire understanding between the parties and, except as expressly provided herein, cannot be changed or terminated unless expressly agreed to in writing and signed by Customer and Clear Channel.

e. The failure of Clear Channel or Customer to enforce any of the provisions of this Contract shall not be construed as a general relinquishment or waiver of that or any other provision.

f. All notices hereunder shall be in writing, deemed given on the date of dispatch, and addressed to Customer and Clear Channel at the addresses listed in the Contract.

Docusign Envelope ID: D290AA22-A86D-8F81-8071-C2BC265FF367

g. The invalidity or unenforceability of any portion of this Contract shall not affect the remaining provisions hereof.
h. This version of the contract supersedes any previous contract associated with this Order number. Any previous contracts are null and void.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

CONSTRUCTION SERVICES AGREEMENT FOR GRINDER PUMP INSTALLATION AND FORCE MAIN CONNECTION

THIS CONSTRUCTION SERVICES AGREEMENT FOR GRINDER PUMP INSTALLATION AND FORCE MAIN CONNECTION (Agreement") is entered into by and between the **CITY OF OCALA**, a Florida municipal corporation ("City"), and **BALANCED MECHANICAL SERVICES, LLC,** a limited liability company duly organized and authorized to do business in the state of Florida (EIN: 47-4242931) ("Contractor").

R E C I T A L S :

WHEREAS, on April 13, 2026, City issued a Request for Quote ("RFQ") for the provision of construction services related to pump station installation and connection, RFQ No.: ELE/260651 (the "Solicitation"); and

WHEREAS, one (1) firm responded to the Solicitation and, after consideration of price and other evaluation factors set forth in the Solicitation, Balanced Mechanical & Plumbing Services, LLC was found to be a responsive and responsible bidder; and

WHEREAS, Contractor was chosen as the intended awardee to provide construction services related to the grinder pump station installation and force main connection (the "Project"); and

WHEREAS, Contractor certifies that Contractor and its subcontractors are qualified and possess the required licensure and skill to perform the work required for the Project; and

NOW THEREFORE, in consideration of the foregoing recitals, the following mutual covenants and conditions, and other good and valuable consideration, City and Contractor agree as follows:

T E R M S O F A G R E E M E N T :

1. **RECITALS**. City and Contractor hereby represent, warrant, and agree that the Recitals set forth above are true and correct and are incorporated herein by reference.
2. **CONTRACT DOCUMENTS**. The Contract Documents which comprise the entire understanding between City and Contractor shall only include: (a) this Agreement; (b) those documents listed in this section as Exhibits to this Agreement; (c) the City's Solicitation for the Project and the quote submitted by Contractor in response to same (the "Solicitation Documents"); and (d) those documents identified in the Project Specifications section of this Agreement. Each of these documents are incorporated herein by reference for all purposes.
   If there is a conflict between the terms of this Agreement and the Contract Documents, then the terms of this Agreement shall control, amend, and supersede any conflicting terms contained in the remaining Contract Documents.
   A. **Exhibits to Agreement**: The Exhibits to this Agreement are as follows:

      Exhibit A: Scope of Work (A-1 through A-4)
      Exhibit B: Price Proposal (B-1)

      If there is a conflict between the individual Exhibits regarding the scope of work to be performed, then any identified inconsistency shall be resolved by giving precedence in the following order: (1) Exhibit A, then (2) Exhibit B.

   B. **Project Specifications**: In addition to the Contract Documents and up-to-date copies of shop drawings, this project will require the Contractor to have the following specifications and documents, which are incorporated by reference:

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

City of Ocala "Standard Specifications for Construction of Streets, Stormwater, Traffic, Water and Sewer Infrastructure" available at:
http://www.ocalafl.gov/home/showpublisheddocument/26969

If there is a conflict between the individual Project Specifications regarding the scope of work to be performed, then any identified inconsistency shall be resolved by giving precedents to the most restrictive specification.

3. **SCOPE OF SERVICES.** Contractor shall provide all materials, labor, supervision, tools, accessories, equipment, permits, fees, testing, inspections, certifications, and all other things necessary for Contractor to perform its obligations under this Agreement as set forth in the attached **Exhibit A - Scope of Work** and the Solicitation Documents. Prime contractor must perform a minimum of thirty percent (30%) of the work with its own forces. The Scope of Work under this Agreement may only be adjusted by written amendment executed by both parties.

4. **COMPENSATION.** City shall pay Contractor a maximum limiting amount of **FOURTEEN THOUSAND, EIGHT HUNDRED FIFTY-FIVE AND NO/100 DOLLARS ($14,855)** (the "Contract Sum") as full and complete compensation for the timely and satisfactory completion of the work in compliance with the unit pricing schedule in **Exhibit B – Price Proposal** and other requirements set forth in the Contract Documents. The pricing under this Agreement may only be adjusted by written amendment executed by both parties.

   A. **Monthly Progress Payments**: The compensation amount under this section shall be paid by City, monthly, based upon a percentage of completion of the work as invoiced by Contractor and approved by City. The compensation sought under this Agreement is subject to the express terms of this Agreement and any applicable federal and/or state laws.

   B. **Project Schedule and Progress Reports**. A progress report and updated project schedule must be submitted with each monthly pay request indicating the percent of services completed to date. This report will serve as support for payment to Contractor and the basis for payment in the event project is suspended or abandoned.

   C. **Invoice Submission**. All invoices submitted by Contractor shall include the City Contract Number, an assigned Invoice Number, and an Invoice Date. Contractor shall submit a Certificate of Disbursement of Payment with each invoice after the first payment. Contractor shall also submit an updated schedule with each invoice. Contractor shall be provided with a cover sheet for invoicing. This cover sheet must be filled out correctly and submitted with each invoice. Contractor shall submit the original invoice through the responsible City Project Manager at: **City of Ocala Electric Department,** Attn: Brittany Craven, **1805 NE 30th Ave. Bldg. 400, Ocala, FL 34470** E-Mail: Elecadmingrp@ocalafl.gov and bcraven@ocalafl.gov.

   D. **Payment of Invoices by City**. The City Project Manager must review and approve all invoices prior to payment. City Project Manager's approval shall not be unreasonably withheld, conditioned, or delayed. Payments by City shall be made no later than the time periods established in section 218.735, Florida Statutes.

   E. **Withholding of Payment**. City reserves the right to withhold, in whole or in part, payment for any and all work that: (i) has not been completed by Contractor; (ii) is inadequate or defective and has not been remedied or resolved in a manner satisfactory to the City Project

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

Manager; or (iii) which fails to comply with any term, condition, or other requirement under this Agreement. Any payment withheld shall be released and remitted to Contractor within **THIRTY (30)** calendar days of the Contractor's remedy or resolution of the inadequacy or defect.

F. **Excess Funds**. If due to mistake or any other reason Contractor receives payment under this Agreement in excess of what is provided for by the Agreement, Contractor shall promptly notify City upon discovery of the receipt of the overpayment. Any overpayment shall be refunded to City within **THIRTY (30)** days of Contractor's receipt of the overpayment or must also include interest calculated from the date of the overpayment at the interest rate for judgments at the highest rate as allowed by law.

G. **Amounts Due to the City**. Contractor must be current and remain current in all obligations due to the City during the performance of services under this Agreement. Payments to Contractor may be offset by any delinquent amounts due to the City or fees and/or charges owed to the City.

H. **Tax Exemption**. City is exempt from all federal excise and state sales taxes (State of Florida Consumer's Certification of Exemption 85-8012621655C-9). The City's Employer Identification Number is 59-60000392. Contractor shall not be exempted from paying sales tax to its suppliers for materials to fulfill contractual obligations with the City, nor will Contractor be authorized to use City's Tax Exemption Number for securing materials listed herein.

5. **TIME FOR PERFORMANCE**. Time is of the essence with respect to the performance of all duties, obligations, and responsibilities set forth in this Agreement and the Contract Documents.

A. Contractor shall mobilize and commence work no later than **FIVE (5)** working days from the date of issuance of a Notice to Proceed for the project by City. At no time will the Contractor be allowed to lag behind.

B. **All work shall be substantially completed by Contractor in a manner satisfactory to the City Project Manager within NINETY (90) days of the start date indicated on the Notice to Proceed and ready for final payment within NINETY (90) DAYS of substantial completion.**

C. The Time for Performance under this Agreement may only be adjusted by Change Order, in the sole and absolute discretion of City. Any request for an extension of the Time for Performance must be submitted in a writing delivered to the City Project Manager, along with all supporting data, within **SEVEN (7)** calendar days of the occurrence of the event giving rise to the need for adjustment unless the City allows an additional period of time to ascertain more accurate data. All requests for adjustments in the Contract Time shall be determined by City.

D. **Weather Days:** Contractor shall submit a written request to the City Project (e-mail is the preferred method) for additional days for which work is suspended or delayed by weather. Weather days shall be reconciled with each monthly pay application for the time period which the application is submitted and shall be final. Contractor performance and execution of work shall be considered in the determination for granting additional days.

E. As to any delay, inefficiency, or interference in this performance of this Agreement caused by any act or failure to act by City, the Contractor's sole remedy shall be the entitlement of an

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

extension of time to complete the performance of the affected work in accordance with the Contract Documents. Contractor agrees to make no claim for extra or additional costs attributable to said delays, inefficiencies or interference, except as provided in this Agreement.

F. None of the provisions of this section shall exclude City's right of recovery for damages caused by delays or inefficiencies caused by any act or failure to act by Contractor, to include costs incurred by City for the procurement of additional professional services.

6. **LIQUIDATED DAMAGES FOR LATE COMPLETION**. The parties agree that it would be extremely difficult and impracticable under the presently known facts and anticipated circumstances to ascertain and fix the actual damages that City and its residents would incur should Contractor fail to achieve Substantial Completion and/or Final Completion and readiness for final payment by the dates specified for each under the terms of this Agreement. Accordingly, the parties agree that should Contractor fail to achieve Substantial Completion by the date specified, then Contractor shall pay City, as liquidated damages and not as a penalty, the sum of **ONE HUNDRED AND NO/100 DOLLARS ($100)** per day for each calendar day of unexcused delay in achieving Substantial Completion beyond the date specified for Substantial Completion in the Contract Documents. After Substantial Completion, if Contractor shall neglect, refuse, or fail to complete the remaining work within the time specified in the Contract Documents for Final Completion and readiness for final payment or any proper extension thereof granted by City, Contractor shall pay City, as liquidated damages and not as a penalty, additional sum of **ONE HUNDRED AND NO/100 DOLLARS ($100)** per day for each calendar day of unexcused delay in achieving completion and readiness for final payment.

A. **No Waiver of Rights or Liabilities**. Permitting Contractor to continue and finish the work, or any part thereof, beyond the dates specified for Substantial Completion and/or Final Completion and readiness for final payment shall not operate as a waiver on the part of the City of any of its rights under this Agreement. Any liquidated damages assessed pursuant to this section shall not relieve Contractor from liability for any damages or costs of other contractors caused by a failure of Contractor to complete the work as agreed.

B. **Right to Withhold or Deduct Damages**. When liquidated damages are due and owing, City shall have the right to: (1) deduct the liquidated damages from any money in its hands or from any money otherwise due or to become due to Contractor; or to (2) initiate any applicable dispute resolution procedure for the recovery of liquidated damages within the times specified under this Agreement.

C. **Non-Cumulative**. The parties agree and understand that the amounts set forth under this section for liquidated damages are not cumulative with one another. The amount set forth as liquidated damages for Contractor's failure to achieve Substantial Completion shall be assessed upon default and continue until Substantial Completion is attained. The amount set forth as liquidated damages for Contractor's failure to achieve Final Completion and readiness for payment shall be assessed after Substantial Completion is attained and apply until Final Completion is attained.

D. **Additional Costs.** In addition to the liquidated damages set forth under this section, Contractor agrees to pay all costs and expenses incurred by City due to Contractor's delay in performance to include inspection fees, superintendence costs, and travel expenses.

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

E. **Injunctive Relief.** The parties acknowledge that monetary damages may not be a sufficient remedy for Contractor's failure to achieve Substantial Completion or Final Completion in accordance with the terms of this Agreement, and that City shall be entitled, in addition to all other rights or remedies in law and equity, to seek injunctive relief.

7. **DELAYS AND DAMAGES.** The Contractor agrees to make no claim for extra or additional costs attributable to any delays, inefficiencies, or interference in the performance of this contract occasioned by any act or omission to act by the City except as provided in the Agreement. The Contractor also agrees that any such delay, inefficiency, or interference shall be compensated for solely by an extension of time to complete the performance of the work in accordance with the provision in the standard specification.

8. **FORCE MAJEURE**. Neither party shall be liable for delay, damage, or failure in the performance of any obligation under this Agreement if such delay, damage, or failure is due to causes beyond its reasonable control, including without limitation: fire, flood, strikes and labor disputes, acts of war, acts of nature, terrorism, civil unrest, acts or delays in acting of the government of the United States or the several states, judicial orders, decrees or restrictions, or any other like reason which is beyond the control of the respective party ("Force Majeure"). The party affected by any event of force majeure shall use reasonable efforts to remedy, remove, or mitigate such event and the effects thereof with all reasonable dispatch.

   A. The party affected by force majeure shall provide the other party with full particulars thereof including, but not limited to, the nature, details, and expected duration thereof, as soon as it becomes aware.

   B. When force majeure circumstances arise, the parties shall negotiate in good faith any modifications of the terms of this Agreement that may be necessary or appropriate in order to arrive at an equitable solution. Contractor performance shall be extended for a number of days equal to the duration of the force majeure. Contractor shall be entitled to an extension of time only and, in no event, shall Contractor be entitled to any increased costs, additional compensation, or damages of any type resulting from such force majeure delays.

9. **INSPECTION AND ACCEPTANCE OF THE WORK**. Contractor shall report its progress to the City Project Manager as set forth herein. All services, work, and materials provided by Contractor under this Agreement shall be provided to the satisfaction and approval of the City Project Manager.

   A. The City Project Manager shall decide all questions regarding the quality, acceptability, and/or fitness of materials furnished, or workmanship performed, the rate of progress of the work, the interpretation of the plans and specifications, and the acceptable fulfillment of the Agreement, in his or her sole discretion, based upon both the requirements set forth by City and the information provided by Contractor in its Bid. The authority vested in the City Project Manager pursuant to this paragraph shall be confined to the direction or specification of what is to be performed under this Agreement and shall not extend to the actual execution of the work.

   B. Neither the City Project Manager's review of Contractor's work nor recommendations made by City Project Manager pursuant to this Agreement will impose on City Project Manager any responsibility to supervise, direct, or control Contractor's work in progress or for the means,

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

methods, techniques, sequences, or procedures of construction or safety precautions or programs incident Contractor's furnishing and performing the work.

10. **TERMINATION AND DEFAULT**. Either party, upon determination that the other party has failed or refused to perform or is otherwise in breach of any obligation or provision under this Agreement or the Contract Document, may give written notice of default to the defaulting party in the manner specified for the giving of notices herein. Termination of this Agreement by either party for any reason shall have no effect upon the rights or duties accruing to the parties prior to termination.

    A. **Termination by City for Cause**. City shall have the right to terminate this Agreement immediately, in whole or in part, upon the failure of Contractor to carry out any obligation, term, or condition of this Agreement. City's election to terminate the Agreement for default shall be communicated by providing Contractor written notice of termination in the manner specified for the giving of notices herein. Any notice of termination given to Contractor by City shall be effective immediately, unless otherwise provided therein, upon the occurrence of any one or more of the following events:

        (1) Contractor fails to timely and properly perform any of the services set forth in the specifications of the Agreement;

        (2) Contractor provides material that does not meet the specifications of the Agreement;

        (3) Contractor fails to complete the work required within the time stipulated in the Agreement; or

        (4) Contractor fails to make progress in the performance of the Agreement and/or gives City reason to believe that Contractor cannot or will not perform to the requirements of the Agreement.

    B. **Contractor's Opportunity to Cure Default**. City may, in its sole discretion, provide Contractor with an opportunity to cure the violations set forth in City's notice of default to Contractor. Contractor shall commence to cure the violations immediately and shall diligently and continuously prosecute such cure to completion within a reasonable time as determined by City. If the violations are not corrected within the time determined to be reasonable by City or to the reasonable satisfaction of City, City may, without further notice, declare Contractor to be in breach of this Agreement and pursue all remedies available at law or equity, to include termination of this Agreement without further notice.

    C. **City's Remedies Upon Contractor Default**. In the event that Contractor fails to cure any default under this Agreement within the time period specified in this section, City may pursue any remedies available at law or equity, including, without limitation, the following:

        (1) City shall be entitled to terminate this Agreement without further notice;

        (2) City shall be entitled to hire another contractor to complete the required work in accordance with the needs of City;

        (3) City shall be entitled to recover from Contractor all damages, costs, and attorney's fees arising from Contractor's default prior to termination; and

        (4) City shall be entitled to recovery from Contractor any actual excess costs by: (i) deduction from any unpaid balances owed to Contractor; (ii) any other remedy as provided by law.

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

D. **Termination for Convenience**. City reserves the right to terminate this Agreement in whole or in part at any time for the convenience of City without penalty or recourse. The City Project Manager shall provide written notice of the termination. Upon receipt of the notice, Contractor shall immediately discontinue all work as directed in the notice, notify all subcontractors of the effective date of the termination, and minimize all further costs to City including, but not limited to, the placing of any and all orders for materials, facilities, or supplies, in connection with its performance under this Agreement. Contractor shall be entitled to receive compensation solely for: (1) the actual cost of the work completed in conformity with this Agreement; and/or (2) such other costs incurred by Contractor as permitted under this Agreement and approved by City.

11. **WARRANTY.** Contractor warrants that all labor, materials, and equipment furnished under the agreement are new, of the type and quality required for the Project, and installed in a good and workmanlike manner in accordance with the Contract Documents. Contractor shall guarantee that the work shall be free from any defects in workmanship for a period of not less than **ONE (1)** year from the date of Final Completion. Contractor shall guarantee that the materials provided shall be free from any defects for the longer of: (1) **ONE (1)** year from the date of Final Completion; or (2) the period of warranty provided by any supplier or manufacturer. All written manufacturers' warranties for materials supplied must be provided to the City Project Manager before final payment will be authorized.

12. **PERFORMANCE EVALUATION**. At the end of the contract, City may evaluate Contractor's performance. Any such evaluation will become public record.

13. **NOTICE REGARDING FAILURE TO FULFILL AGREEMENT**. Any contractor who enters into an Agreement with the City of Ocala and fails to complete the contract term, for any reason, shall be subject to future bidding suspension for a period of **ONE (1)** year and bid debarment for a period of up to **THREE (3)** years for serious contract failures.

14. **CONTRACTOR REPRESENTATIONS**. Contractor expressly represents that:

    A. Contractor has read and is fully familiar with all the terms and conditions of this Agreement, the Contract Documents, and other related data and acknowledges that they are sufficient in scope and detail to indicate and convey understanding of all terms and conditions of the work to be performed by Contractor under this Agreement.

    B. Contractor has disclosed, in writing, all known conflicts, errors, inconsistencies, discrepancies, or omissions discovered by Contractor in the Contract Documents, and that the City's written resolution of same is acceptable to Contractor.

    C. Contractor has had an opportunity to visit, has visited, or has had an opportunity to examine and ask questions regarding the sites upon which the work is to be performed and is satisfied with the site conditions that may affect cost, progress, and performance of the work, as observable or determinable by Contractor's own investigation.

    D. Contractor is satisfied with the site conditions that may affect cost, progress, and performance of the work, as observable or determinable by Contractor's own investigation.

    E. Contractor is familiar with all local, state, and Federal laws, regulations, and ordinances which may affect cost, progress, or its performance under this Agreement whatsoever.

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

F. **Public Entity Crimes.** Neither Contractor, its parent corporations, subsidiaries, members, shareholders, partners, officers, directors or executives, nor any of its affiliates, contractors, suppliers, subcontractors, or consultants under this Agreement have been placed on the convicted vendor list following a conviction of a public entity crime. Contractor understands that a "public entity crime" as defined in section 287.133(1)(g), Florida Statutes, is "a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States…" Contractor further understands that any person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime: (1) may not submit a bid, proposal, or reply on a contract: (a) to provide any goods or services to a public entity; (b) for the construction or repair of a public building or public work; or (c) for leases of real property to a public entity; (2) may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and (3) may not transact business with any public entity in excess of the threshold amount provided in section 287.017, Florida Statutes, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

15. **CONTRACTOR RESPONSIBILITIES**. Except as otherwise specifically provided for in this Agreement, the following provisions are the responsibility of the Contractor:

A. Contractor shall competently and efficiently supervise, inspect, and direct all work to be performed under this Agreement, devoting such attention thereto and applying such skills and expertise as may be necessary to perform the work in accordance with the Contract Documents.

B. Contractor shall be solely responsible for the means, methods, techniques, sequences, or procedures of construction and safety precautions or programs incident thereto.

C. Contractor shall be responsible to see that the finished work complies accurately with this Agreement and the intent thereof.

D. Contractor shall comply with all local, state, and Federal laws, regulations, and ordinances which may affect cost, progress, or its performance under this Agreement, including, but not limited to obtaining all permits, licenses, and other authorizations necessary for the prosecution of the work and be responsible for all costs associated with same.

E. Contractor shall operate and cause all construction equipment and materials supplied for or intended to be utilized in the Project to be operated and stored in only those areas prescribed by City. This includes the operations of workmen.

F. Contractor shall be fully responsible for receipt, inspection, acceptance, handling, and storage of all construction equipment and materials supplied for or intended to be utilized in the Project, whether furnished by Contractor or City. Contractor shall be responsible for providing adequate safeguards to prevent loss, theft, damage, or commingling with other materials or projects.

G. Contractor shall continue its performance under this Agreement during the pendency of any dispute or disagreement arising out of or relating to this Agreement, except as Contractor and City may otherwise agree in writing.

16. **NO EXCLUSIVITY**. It is expressly understood and agreed by the parties that this is not an exclusive agreement. Nothing in this Agreement shall be construed as creating any exclusive

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

arrangement with Contractor or as prohibit City from either acquiring similar, equal, or like goods and/or services or from executing additional contracts with other entities or sources.

17. **RIGHT OF ACCESS AND OTHER WORK PERFORMED BY THIRD PARTIES**. City may perform additional work related to the Project itself, or have additional work performed by utility service companies, or let other direct contracts therefore which shall contain General Conditions similar to these. Contractor shall afford the utility service companies and the other contractors who are parties to such direct contracts (or City, if City is performing the additional work with City's employees) reasonable opportunity for the introduction and storage of materials and equipment and the execution of work and shall properly connect and coordinate his work with theirs.

    A. If any part of Contractor's work depends for proper execution or results upon the work of any such other contractor or utility service company (or City), Contractor shall inspect and promptly report to City in writing any latent or apparent defects or deficiencies in such work that render it unsuitable for such proper execution and results. Contractor's failure to so report shall constitute an acceptance of the other work as fit and proper for integration with Contractor's work except for latent or non-apparent defects and deficiencies in the other work.

    B. Contractor shall do all cutting, fitting, and patching of work that may be required to make the parts come together properly and integrate with such other work. Contractor shall not endanger any work of others by cutting, excavating, or otherwise altering their work, and will only cut or alter their work with the written consent of City.

18. **STORAGE OF MATERIALS/EQUIPMENT**. Contractor shall be fully responsible for receipt, inspection, acceptance, handling, and storage of equipment and materials (whether furnished by Contractor or City) to be utilized in the performance of or incorporated into the work.

19. **RESPONSIBILITIES OF CITY.** City or its representative shall issue all communications to Contractor. City has the authority to request changes in the work in accordance with the terms of this Agreement and with the terms in **Exhibit A – Scope of Work.** City has the authority to stop work or to suspend any work.

20. **COMMERCIAL AUTO LIABILITY INSURANCE.** Contractor shall procure, maintain, and keep in full force, effect, and good standing for the life of this Agreement a policy of commercial auto liability insurance with a minimum combined single limit of One Million Dollars ($1,000,000) per occurrence for bodily injury and property damage arising out of Contractor's operations and covering all owned, hired, scheduled, and non-owned automobiles utilized in said operations. If Contractor does not own vehicles, Contractor shall maintain coverage for hired and non-owned automobile liability, which may be satisfied by way of endorsement to Contractor's Commercial General Liability policy or separate Commercial Automobile Liability policy.

21. **COMMERCIAL GENERAL LIABILITY INSURANCE.** Contractor shall procure, maintain, and keep in full force, effect, and good standing for the life of this Agreement a policy of Commercial General Liability insurance with limits not less than:

    A. One Million Dollars ($1,000,000) per occurrence and Two Million Dollars ($2,000,000) aggregate (or project aggregate, if a construction project) for bodily injury, property damage, and personal and advertising injury; and

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

B. One Million Dollars ($1,000,000) per occurrence and Two Million Dollars ($2,000,000) aggregate (or project aggregate, if a construction project) for products and completed operations.

C. Policy must include coverage for contractual liability and independent contractors.

D. Policy must include Additional Insured coverage in favor of the City that is no less restrictive than that afforded under the CG 20 26 04 13 Additional Insured Form.

22. **WORKERS' COMPENSATION AND EMPLOYER'S LIABILITY.** Worker's Compensation insurance shall be provided by Contractor as required by Chapter 440, Florida Statutes, or any other applicable state or federal law, including the U.S. Longshoremen's and Harbor Workers Compensation Act and the Jones Act.

A. Contractor shall similarly require any and all subcontractors to afford such coverage for all of its employees as required by applicable law.

B. Contractor shall waive and shall ensure that Contractor's insurance carrier waives, all subrogation rights against the City of Ocala and its officers, employees, and volunteers for all losses or damages. Contractor's policy shall be endorsed with WC 00 03 13 Waiver of our Right to Recover from Others or its equivalent.

C. Exceptions and exemptions to this Section may be allowed at the discretion of the City's Risk Manager on a case-by-case basis in accordance with Florida Statutes and shall be evidenced by a separate waiver.

23. **ADDITIONAL INSURANCE REQUIREMENTS.**

A. Contractor's insurance coverage shall be primary insurance for all applicable policies. The limits of coverage under each policy maintained by Contractor shall not be interpreted as limiting Contractor's liability or obligations under this Agreement. City does not in any way represent that these types or amounts of insurance are sufficient or adequate enough to protect Contractor's interests or liabilities or to protect Contractor from claims that may arise out of or result from the negligent acts, errors, or omissions of Contractor, any of its agents or subcontractors, or for anyone whose negligent act(s) Contractor may be liable.

B. No insurance shall be provided by the City for Contractor under this Agreement and Contractor shall be fully and solely responsible for any costs or expenses incurred as a result of a coverage deductible, co-insurance penalty to include any loss not covered because of the operation of such deductible, co-insurance penalty, or coverage exclusion or limitation.

C. **Certificates of Insurance**. No work shall be commenced by Contractor under this Agreement until the required Certificate of Insurance and endorsements have been provided nor shall Contractor allow any subcontractor to commence work until all similarly required certificates and endorsements of the subcontractor have also been provided. Work shall not continue after expiration (or cancellation) of the Certificate of Insurance and work shall not resume until a new Certificate of Insurance has been provided. **Contractor shall provide evidence of insurance in the form of a valid Certificate of Insurance (binders are unacceptable) prior to the start of work contemplated under this Agreement to: City of Ocala. Attention: Procurement & Contracting Department, Address: 110 SE Watula Avenue, Third Floor, Ocala Florida 34471, E-Mail: vendors@ocalafl.gov.** Contractor's Certificate of Insurance and required endorsements shall be issued by an agency authorized to do business

in the State of Florida with an A.M. Best Rating of A or better. The Certificate of Insurance shall indicate whether coverage is being provided under a claims-made or occurrence form. If any coverage is provided on a claims-made form, the Certificate of Insurance must show a retroactive date, which shall be the effective date of the initial contract or prior.

D. **City as an Additional Insured**. The City of Ocala shall be named as an Additional Insured and Certificate Holder on all liability on all liability policies identified in this Section with the exception of Workers' Compensation, Auto Liability (except when required by Risk Management) and Professional Liability policies**. Workers Compensation policy must contain a Waiver of Subrogation in favor of the City**.

E. **Notice of Cancellation of Insurance**. Contractor's Certificate of Insurance shall provide **THIRTY (30) DAY** notice of cancellation, **TEN (10) DAY** notice if cancellation is for non-payment of premium. In the vent that Contractor's insurer is unable to accommodate the cancellation notice requirement, it shall be the responsibility of Contractor to provide the proper notice. Such notification shall be in writing by registered mail, return receipt requested, and addressed to the certificate holder. Additional copies may be sent to the City of Ocala at vendors@ocalafl.gov.

F. **Failure to Maintain Coverage**. The insurance policies and coverages set forth above are required and providing proof of and maintaining insurance of the types and with such terms and limits set forth above is a material obligation of Contractor. Contractor's failure to obtain or maintain in full force and effect any insurance coverage required under this Agreement shall constitute material breach of this Agreement.

G. **Severability of Interests**. Contractor shall arrange for its liability insurance to include, or be endorsed to include a severability of interests/cross-liability provision so that the "City of Ocala" (where named as an additional insured) will be treated as if a separate policy were in existence, but without increasing the policy limits.

27. **SAFETY/ENVIRONMENTAL.** Contractor shall be responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with the Work. Contractor shall make an effort to detect hazardous conditions and shall take prompt action where necessary to avoid accident, injury or property damage. EPA, DEP, OSHA and all other applicable safety laws and ordinances shall be followed as well as American National Standards Institute Safety Standards. Contractor shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury, or loss to:

A. All employees on the work and other persons that may be affected thereby;

B. All work, materials and equipment to be incorporated therein, whether in storage on or off the site; and

C. Other property at the site or adjacent thereto, including trees, shrubs, lawns, walks, pavements, roadways, structures, and utilities not designated for removal, relocation, or replacement in the course of construction.

All, injury, or loss to any property caused, directly or indirectly, in whole or in part, by Contractor, any subcontractor, or anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, shall be remedied by Contractor. Contractor's duties and responsibilities for the safety and protection of the work shall continue until such time as the work is completed and accepted by City.

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

28. **TRAFFIC CONTROL AND BARRICADES.** The Contractor shall mitigate impact on local traffic conditions to all extents possible. The Contractor is responsible for establishing and maintaining appropriate traffic control and barricades. The Contractor shall provide sufficient signing, flagging and barricading to ensure the safety of vehicular and pedestrian traffic at all locations where work is being done under this Agreement.

    a. In addition to the requirements set forth in its bid, the Contractor shall maintain at all times a good and sufficient fence, railing or barrier around all exposed portions of said work in such a manner as to warn vehicular and pedestrian traffic of hazardous conditions.

    b. Should Contractor fail to properly barricade his work or stored material sites in the manner outlined above, the City may have the necessary barricading done, and all cost incurred for said barricading shall be charged to the Contractor.

29. **WORK SITE AND CLEANUP.** Daily, during the progress of the work, Contractor shall keep the premises free from accumulations of waste materials, rubbish, and all other debris resulting from the work. At the completion of the work, Contractor shall remove all waste materials, rubbish, and debris from and about the premises, as well as all tools, appliances, construction equipment and machinery, and surplus materials, and shall leave the site clean and ready for occupancy by City. Contractor shall provide an inventory listing of all surplus materials in an area designated by City. Contractor shall restore to their original condition those portions of the site not designated or alteration by this Agreement.

30. **CONSTRUCTION SURVEY LAYOUT.** The work to be performed pursuant to survey work provided by City shall be completed as necessary to establish all proper alignments, right of way, easements, benchmarks, elevations and grade stakes to complete all phases of this Contract.

    A. Contractor shall immediately bring to City's attention any survey issues that would impede the Contractor's completion of the work. The work performed pursuant to survey work at the Contractor's expense pursuant to this Agreement shall be prepared by a licensed surveyor and provided to the City. Any survey issues with these surveys that would impede the Contractor's completion of the work shall immediately be brought to the City's attention. If additional or corrective survey work is required, it shall be at Contractor's expense.

    B. The City Engineer/City Project Manager shall establish a number of benchmarks on the project which in their opinion will enable the Contractor to perform the work. If Contractor shall remove or destroy any stake, marker or benchmark on the work without first having secured the approval of the City Engineer/City Project Manager, such stake, or benchmark shall be re-established by and at Contractor's expense.

    C. It shall be the responsibility of Contractor to preserve all adjacent property corner markers which might be affected by their operations and replace same if undermined. Corner locations known by City will be made available to Contractor. All original field notes, calculations, and other documents developed by the surveyor in conjunction with this work shall be given to City and become City property. All surveying work must be in accordance with Chapters 177 and 472 of Florida Statutes and Chapter 6IG17 of the Florida Administrative Code.

31. **NON-DISCRIMINATORY EMPLOYMENT PRACTICES**. During the performance of the contract, the Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, ancestry, national origin, sex, pregnancy, age, disability, sexual orientation, gender identity, marital or domestic partner status, familial status, or veteran status and shall take

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

affirmative action to ensure that an employee or applicant is afforded equal employment opportunities without discrimination. Such action shall be taken with reference to, but not limited to: recruitment, employment, termination, rates of pay or other forms of compensation and selection for training or retraining, including apprenticeship and on-the-job training.

32. **SUBCONTRACTORS.** Nothing in this Agreement shall be construed to create, impose, or give rise to any duty owed by City or its representatives to any subcontractor of Contractor or any other persons or organizations having a direct contract with Contractor, nor shall it create any obligation on the part of City or its representatives to pay or seek payment of any monies to any subcontractor of Contractor or any other persons or organizations having a direct contract with Contractor, except as may otherwise be required by law. City shall not be responsible for the acts or omissions of any Contractor, subcontractor, or of any of their agents or employees, nor shall it create any obligation on the part of City or its representatives to pay or to seek the payment of any monies to any subcontractor or other person or organization, except as may otherwise be required by law.

33. **EMERGENCIES**. In an emergency affecting the welfare and safety of life or property, Contractor, without special instruction or authorization from the City Project Manager, is hereby permitted, authorized and directed to act at its own discretion to prevent threatened loss or injury. Except in the case of an emergency requiring immediate remedial work, any work performed after regular working hours, on Saturdays, Sundays or legal holidays, shall be performed without additional expense to the City unless such work has been specifically requested and approved by the City Project Manager. Contractor shall be required to provide to the City Project Manager with the names, addresses and telephone numbers of those representatives who can be contacted at any time in case of emergency. Contractor's emergency representatives must be fully authorized and equipped to correct unsafe or excessively inconvenient conditions on short notice by City or public inspectors.

34. **INDEPENDENT CONTRACTOR STATUS.** Contractor acknowledges and agrees that under this Agreement, Contractor and any agent or employee of Contractor shall be deemed at all times to be an independent contractor and shall be wholly responsible for the manner in which it performs the services and work required under this Agreement. Neither Contractor nor its agents or employees shall represent or hold themselves out to be employees of City at any time. Neither Contractor nor its agents or employees shall have employee status with City. Nothing in this Agreement shall constitute or be construed to create any intent on the part of either party to create an agency relationship, partnership, employer-employee relationship, joint venture relationship, or any other relationship which would allow City to exercise control or discretion over the manner or methods employed by Contractor in its performance of its obligations under this Agreement.

35. **ACCESS TO FACILITIES.** City shall provide Contractor with access to all City facilities as is reasonably necessary for Contractor to perform its obligations under this Agreement.

36. **ASSIGNMENT.** Neither party may assign its rights or obligations under this Agreement to any third party without the prior express approval of the other party, which shall not be unreasonably withheld.

37. **RIGHT OF CITY TO TAKE OVER CONTRACT.** Should the work to be performed by Contractor under this Agreement be abandoned, or should Contractor become insolvent, or if Contractor shall assign or sublet the work to be performed hereunder without the written consent of City,

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

the City Project Manager shall have the power and right to hire and acquire additional men and equipment, supply additional material, and perform such work as deemed necessary for the completion of this Agreement. Under these circumstances, all expenses and costs actually incurred by City to accomplish such completion shall be credited to City along with amounts attributable to any other elements of damage and certified by the City Project Manager. The City Project Manager's certification as to the amount of such liability shall be final and conclusive.

38. **PUBLIC RECORDS.** The Contractor shall comply with all applicable provisions of the Florida Public Records Act, Chapter 119, Florida Statutes. Specifically, the Contractor shall:

    A. Keep and maintain public records required by the public agency to perform the service.

    B. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.

    C. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the Contractor does not transfer the records to the public agency.

    D. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the Contractor or keep and maintain public records required by the public agency to perform the service. If the Contractor transfers all public records to the public agency upon completion of the contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: CITY OF OCALA, OFFICE OF THE CITY CLERK; 352-629-8266; E-mail: clerk@ocalafl.gov; City Hall, 110 SE Watula Avenue, Ocala, FL 34471.

39. **AUDIT.** Contractor shall comply and cooperate immediately with any inspections, reviews, investigations, or audits relating to this Agreement as deemed necessary by the Florida Office of the Inspector General, the City's Internal or External auditors or by any other Florida official with proper authority.

40. **PUBLICITY.** Contractor shall not use City's name, logo, seal or other likeness in any press release, marketing materials, or other public announcement without City's prior written approval.

41. **E-VERIFY.** Pursuant to section 448.095, Contractor shall register with and use the U.S. Department of Homeland Security's ("DHS") E-Verify System, accessible at https://e-

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

verify.uscis.gov/emp, to verify the work authorization status of all newly hired employees. Contractor shall obtain affidavits from any and all subcontractors in accordance with paragraph 2(b) of section 448.095, Florida Statutes, and maintain copies of such affidavits for the duration of this Agreement. By entering into this Agreement, Contractor certifies and ensures that it utilizes and will continue to utilize the DHS E-Verify System for the duration of this Agreement and any subsequent renewals of same. Contractor understands that failure to comply with the requirements of this section shall result in the termination of this Agreement and Contractor may lose the ability to be awarded a public contract for a minimum of one (1) year after the date on which the Agreement was terminated. Contractor shall provide a copy of its DHS Memorandum of Understanding upon City's request. Please visit www.e-verify.gov for more information regarding the E-Verify System.

42. **CONFLICT OF INTEREST.** Contractor is required to have disclosed, with the submission of their bid, the name of any officer, director, or agent who may be employed by the City. Contractor shall further disclose the name of any City employee who owns, directly or indirectly, any interest in Contractor's business or any affiliated business entity. Any additional conflicts of interest that may occur during the contract term must be disclosed to the City of Ocala Procurement Department.

43. **WAIVER.** The failure or delay of any party at any time to require performance by another party of any provision of this Agreement, even if known, shall not affect the right of such party to require performance of that provision or to exercise any right, power or remedy hereunder. Any waiver by any party of any breach of any provision of this Agreement should not be construed as a waiver of any continuing or succeeding breach of such provision, a waiver of the provision itself, or a waiver of any right, power or remedy under this Agreement. No notice to or demand on any party in any circumstance shall, of itself, entitle such party to any other or further notice or demand in similar or other circumstances.

44. **SEVERABILITY OF ILLEGAL PROVISIONS.** Wherever possible, each provision of this Agreement shall be interpreted in such a manner as to be effective and valid under the applicable law. Should any portion of this Agreement be declared invalid for any reason, such declaration shall have no effect upon the remaining portions of this Agreement.

45. **INDEMNITY.** Contractor shall indemnify, defend, and hold harmless City and its elected officials, employees and volunteers against any actions, claims, or damages arising out of, relating to, or resulting from negligent or wrongful acts of Contractor, or any of its officers, agents, or employees, acting within the scope of their office or employment, in connection with the rights granted to or exercised by Contractor.

46. **NO WAIVER OF SOVEREIGN IMMUNITY.** Nothing herein is intended to waive sovereign immunity by the City to which sovereign immunity may be applicable, or of any rights or limits of liability existing under Florida Statute § 768.28. This term shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until any proceeding brought under this Agreement is barred by any applicable statute of limitations.

47. **NOTICES.** All notices, certifications or communications required by this Agreement shall be given in writing and shall be deemed delivered when personally served, or when received if by facsimile transmission with a confirming copy mailed by registered or certified mail, postage prepaid, return receipt requested. Notices can be concurrently delivered by e-mail. All notices shall be addressed to the respective parties as follows:

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

48. **ATTORNEYS' FEES.** If any civil action, arbitration or other legal proceeding is brought for the enforcement of this Agreement, or because of an alleged dispute, breach, default or misrepresentation in connection with any provision of this Agreement, the successful or prevailing party shall be entitled to recover reasonable attorneys' fees, sales and use taxes, court costs and all expenses reasonably incurred even if not taxable as court costs (including, without limitation, all such fees, taxes, costs and expenses incident to arbitration, appellate, bankruptcy and post-judgment proceedings), incurred in that civil action, arbitration or legal proceeding, in addition to any other relief to which such party or parties may be entitled. Attorneys' fees shall include, without limitation, paralegal fees, investigative fees, administrative costs, sales and use taxes and all other charges reasonably billed by the attorney to the prevailing party.

49. **JURY WAIVER.** IN ANY CIVIL ACTION, COUNTERCLAIM, OR PROCEEDING, WHETHER AT LAW OR IN EQUITY, WHICH ARISES OUT OF, CONCERNS, OR RELATES TO THIS AGREEMENT, ANY AND ALL TRANSACTIONS CONTEMPLATED HEREUNDER, THE PERFORMANCE HEREOF, OR THE RELATIONSHIP CREATED HEREBY, WHETHER SOUNDING IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE, TRIAL SHALL BE TO A COURT OF COMPETENT JURISDICTION AND NOT TO A JURY. EACH PARTY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY. NEITHER PARTY HAS MADE OR RELIED UPON ANY ORAL REPRESENTATIONS TO OR BY ANY OTHER PARTY REGARDING THE ENFORCEABILITY OF THIS PROVISION. EACH PARTY HAS READ AND UNDERSTANDS THE EFFECT OF THIS JURY WAIVER PROVISION.

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

50. **GOVERNING LAW.** This Agreement is and shall be deemed to be a contract entered and made pursuant to the laws of the state of Florida and shall in all respects be governed, construed, applied and enforced in accordance with the laws of the state of Florida.

51. **JURISDICTION AND VENUE.** The parties acknowledge that a majority of the negotiations, anticipated performance and execution of this Agreement occurred or shall occur in Marion County, Florida. Any civil action or legal proceeding arising out of or relating to this Agreement shall be brought only in the courts of record of the State of Florida in Marion County or the United States District Court, Middle District of Florida, Ocala Division. Each party consents to the exclusive jurisdiction of such court in any such civil action or legal proceeding and waives any objection to the laying of venue of any such civil action or legal proceeding in such court and/or the right to bring an action or proceeding in any other court. Service of any court paper may be effected on such party by mail, as provided in this Agreement, or in such other manner as may be provided under applicable laws, rules of procedures or local rules.

52. **REFERENCE TO PARTIES.** Each reference herein to the parties shall be deemed to include their successors, assigns, heirs, administrators, and legal representatives, all whom shall be bound by the provisions hereof.

53. **MUTUALITY OF NEGOTIATION.** Contractor and City acknowledge that this Agreement is a result of negotiations between Contractor and City, and the Agreement shall not be construed in favor of, or against, either party because of that party having been more involved in the drafting of the Agreement.

54. **SECTION HEADINGS.** The section headings herein are included for convenience only and shall not be deemed to be a part of this Agreement.

55. **RIGHTS OF THIRD PARTIES.** Nothing in this Agreement, whether express or implied, is intended to confer any rights or remedies under or because of this Agreement on any persons other than the parties hereto and their respective legal representatives, successors and permitted assigns. Nothing in this Agreement is intended to relieve or discharge the obligation or liability of any third persons to any party to this Agreement, nor shall any provision give any third persons any right of subrogation or action over or against any party to this Agreement.

56. **AMENDMENT.** No amendment to this Agreement shall be effective except those agreed to in writing and signed by both parties to this Agreement.

57. **COUNTERPARTS.** This Agreement may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument.

58. **ELECTRONIC SIGNATURE(S).** Contractor, if and by offering an electronic signature in any form whatsoever, will accept and agree to be bound by said electronic signature to all terms and conditions of this Agreement. Further, a duplicate or copy of the Agreement that contains a duplicated or non-original signature will be treated the same as an original, signed copy of this original Agreement for all purposes.

59. **ENTIRE AGREEMENT.** This Agreement, including exhibits, (if any) constitutes the entire Agreement between the parties hereto with respect to the subject matter hereof. There are no other representations, warranties, promises, agreements or understandings, oral, written or implied, among the Parties, except to the extent reference is made thereto in this Agreement. No course of prior dealings between the parties and no usage of trade shall be relevant or admissible to supplement, explain, or vary any of the terms of this Agreement. No representations,

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

understandings, or agreements have been made or relied upon in the making of this Agreement other than those specifically set forth herein.

60. **LEGAL AUTHORITY**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

IN WITNESS WHEREOF, the parties have executed this Agreement on 6/10/2026.

BACKGROUND

1. Contractor shall perform plumbing services to connect the Shaw Substation control house, located at 3650 SW 42nd Street, Ocala 34474 to the City's newly installed sewer force main system. Work includes installation of a complete grinder pump station and associated piping, power connections, and all materials, labor, and permitting necessary delivering a functional wastewater connection. This work supports the conversion from the control house's existing drain field to the new sewer system.
2. The distance from the substation's existing sewer lateral to the City's new sewer line location is approximately 80 feet. The City is arranging the force main extension. Contractor will be responsible for connecting the control house to that force main and installing the grinder pump system.
3. Contractor will perform the abandonment and full removal of the existing septic tank. This shall include extraction and disposal of the existing tank, hauling away all associated debris, backfilling the excavation, and final grading of the disturbed area.

DELIVERY

1. Supplies will be delivered or shipped to Shaw Substation - 3650 SW 42 ST, Ocala, FL 34474
2. Scheduling of all deliveries shall be coordinated with the City Project Manager.

PROJECT SUMMARY, DELIVERABLES AND HOURS

1. **Project Summary:** Contractor will be required to perform the following services for the City of Ocala:

   a) Furnish and install a 1 HP, 115 Volt, 1 Phase grinder pump station with shutoff head (acceptable systems: E/One grinder stations or Liberty Pumps PRG Series).

   b) Provide and install the pump, wet well station, and control panel/box.

   c) Excavate, and place and set the station per manufacturer requirements.

   d) Work in coordination with OEU to connect the station to the provided power source required for full operation at factory recommended performance levels.

2. Piping and System Configuration:

   a) Install 2-inch force-main service piping from the grinder pump station to the City lateral tie in point, consistent with the distance of approximately 80 ft.

   b) Complete the physical connection of the grinder pump discharge line to the City's new force main. Depth of the force main is approximately 3' deep.

   c) Provide all materials, valves, fittings, bedding, backfill, and compaction required for complete installation.

   d) Ensure compliance with City standards, manufacturer specifications, and all applicable plumbing codes.

3. Testing and Commissioning:

   a) Conduct pressure testing of the force main piping. Force main was tested at 150psi.

   b) Function test the grinder pump system, controls, and alarms.

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

c) Verify electrical performance with the coordinating electrician.

d) Restore all disturbed surfaces to pre-construction condition.

4. **Deliverables:**

a) Fully installed and operational grinder pump system.

b) Completed 2-inch service connection to City sewer lateral.

c) Test reports (pressure test, functional testing).

d) Maintenance manual and equipment documentation.

5. **Working Hours:** Working hours for this project are 7:00 AM – 5:00 PM Monday through Friday, excluding City observed holidays. Contractor shall provide 48-hour advance notice to City Project Manager for work outside normal shift hours. The city may decline the request.

CONTRACTOR EMPLOYEES AND EQUIPMENT

1. Contractor must utilize competent employees in performing the work. Employees performing the work must be properly licensed or qualified as required by the scope/project.
2. Contractor shall provide an assigned project manager, who will be the primary point of contact. Contractor must provide a valid telephone number and address at all times to the City Project Manager. The telephone must be answered during normal working hours or voicemail must be available to take a message.
3. At the request of the City, Contractor must replace any incompetent, unfaithful, abusive, or disorderly person in their employment. The City and Contractor must each be promptly notified by the other of any complaints received.
4. Contractor's employees must wear suitable work clothes and personal protective equipment as defined by OSHA. Employees should be clean and in as good appearance as the job conditions permit.
5. Contractor will operate as an independent contractor and not as an agent, representative, partner or employee of the City of Ocala, and shall control their operations at the work site, and be solely responsible for the acts or omissions of their employees.
6. No smoking is allowed on City property or projects.
7. Contractor must possess/obtain all required equipment to perform the work. A list of equipment shall be provided to the City upon request.
8. All company trucks must have a visible company name/logo on the outside of the vehicle.

CITY OF OCALA RESPONSIBILITIES

1. The City of Ocala will furnish the following services to Contractor for the performance of services:

a) Access to City buildings and facilities to perform the work.

b) Provide access to drawings, specifications, schedules, reports, and other information prepared by/for the City of Ocala pertinent to Contractor's responsibilities.

c) Provide office facilities for Contractor, if needed.

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

d) Power source required for full operation at factory recommended performance levels.

2. The City reserves the right to purchase any materials for Contractor to use. Contractor shall not charge a mark-up fee for material furnished by the City.

CONTRACTOR RESPONSIBILITIES

1. Contractor shall complete all work performed under this solicitation in accordance with policies and procedures of the City of Ocala and all applicable State and Federal laws, policies, procedures, and guidelines.
2. Contractor shall obtain and pay for any and licenses, additional equipment, dumping and/or disposal fees, etc., required to fulfill this contract.
3. Installation shall be in compliance with all requirements and instructions of applicable manufacturers.
4. Contractor is responsible for any and all damages including but not limited to buildings, curbing, pavement, landscaping, or irrigation systems caused by their activity. Should any public or private property be damaged or destroyed, Contractor at their expense, shall repair or make restoration as acceptable to the City of destroyed or damaged property no later than one (1) month from the date damage occurred.
5. If Contractor is advised to leave a property by the property owner or their representative, Contractor shall leave at once without altercation. Contractor shall then contact the City Project Manager within 24 hours and advise of the reason for not completing the assigned project.
6. Data collected by Contractor shall be in a format compatible with or easily converted to City's databases. A sequential naming convention should be applied to the files and documentation provided to the City.
7. Contractor shall ensure that all documents prepared under this contract have been prepared on a Windows-based operating system computer using the most current version of Microsoft Office, which includes Word, Excel, Power Point, Access or any other software as specified and approved by City staff.

SUB-CONTRACTORS

1. Contractor must perform a minimum of 30% of the work with their own forces.
2. Services assigned to sub-contractors must be approved in advance by the City Project Manager.

SITE HOUSEKEEPING AND CLEANUP

1. **Cleanup:** Contractor shall keep the premises free at all times from accumulation of waste materials and rubbish caused by operations and employees. Such responsibilities shall include but not limited to:

   a) Periodic cleanup to avoid hazards or interference with operations at the site, and to leave the site in a reasonable neat condition.

   b) Work site will be completely cleaned after each day of work.

   c) Contractor shall dispose of debris in a legal manner.

2. **Final Cleaning:** Upon completion of work, clean entire work area as applicable.

   a) All furnishings and equipment shall be placed back in the original locations.

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

b) All work areas must be returned to original condition.

c) Contractor shall clean and remove from the premises all surplus and discarded materials, rubbish, and temporary structures, and shall restore in an acceptable manner all property, both public and private, which has been damaged during the prosecution of the work and shall have the work in a neat and presentable condition. *Note: Any and all debris shall be removed from the premises. New construction debris, trash, etc., shall not be left or buried on site.*

SAFETY

1. Contractor shall be fully responsible for the provision of adequate and proper safety precautions meeting all OSHA, local, state, and national codes concerning safety provisions for their employees, sub-contractors, all building and site occupants, staff, public, and all persons in or around the work area.
2. In no event shall the City be responsible for any damages to any of Contractor's equipment, materials, property, or clothing lost, damaged, destroyed or stolen.
3. Prior to completion, storage and adequate protection of all material and equipment will be Contractor's responsibility.

WARRANTY

1. Contractor will provide a one-year material and labor warranty from the date of completion, against operational failure caused by defective material or workmanship which occurs during normal use.
2. All manufacturer warranty documentation and owner/operator manuals must be provided before final payment request.

Docusign Envelope ID: 20441760-6016-80C2-8373-046D3B91782E

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

FIRST AMENDMENT TO AGREEMENT FOR ANNUAL SIDEWALK MAINTENANCE AND REPAIR SERVICES

THIS FIRST AMENDMENT TO AGREEMENT FOR ANNUAL SIDEWALK MAINTENANCE AND REPAIR SERVICES ("First Amendment") is entered into by and between the **CITY OF OCALA**, a Florida municipal corporation ("City") and **MARION ROCK, LLC,** a limited liability company duly organized and authorized to do business in the state of Florida (EIN: 59-3402323) ("Contractor").

WHEREAS, on August 20, 2025, City and Contractor entered into an Agreement for Sidewalk Maintenance and Repair Services (the "Original Agreement"), City of Ocala Contract No.: CIP/250657, for a term beginning August 6, 2025, and ending August 5, 2027; and

WHEREAS, City and Contractor now wish to add two-line items to the original Price Proposal.

NOW THEREFORE, in consideration of the foregoing recitals, the following mutual covenants and conditions, and other good and valuable consideration, City and Contractor agree as follows:

1. **RECITALS**. City and Contractor hereby represent, warrant, and agree that the Recitals set forth above are true and correct and are incorporated herein by reference.
2. **INCORPORATION OF ORIGINAL AGREEMENT.** The Original Agreement between City and Contractor is hereby incorporated by reference as if set forth herein in its entirety and remains in full force and effect, except for those terms and conditions expressly amended by this First Amendment.
3. **AMENDMENT TO EXHIBIT B.** The document attached to the Original Agreement as **Exhibit B – Price Proposal** is hereby deleted in its entirety and replaced with **Amended Exhibit B – Price Proposal.**
4. **NOTICES.** All notices, certifications or communications required by this First Amendment shall be given in writing and shall be deemed delivered when personally served, or when received if by facsimile transmission with a confirming copy mailed by registered or certified mail, postage prepaid, return receipt requested. Notices can be concurrently delivered by e-mail. All notices shall be addressed to the respective parties as follows:

If to Contractor:	Marion Rock, LLC Attention: Nicole Almanza 5979 SE Maricamp Road Ocala, Florida 34472 Phone: 352-687-2023 E-mail: Nicole.marionrock@gmail.com
If to City of Ocala:	Daphne M. Robinson, Esq., Contracting Officer City of Ocala 110 SE Watula Avenue, 3rd Floor Ocala, Florida 34471 Phone: 352-629-8343 E-mail: notices@ocalafl.gov

Docusign Envelope ID: 27E96723-B809-895C-8384-78CF0580440C

Copy to:

William E. Sexton, Esq., City Attorney
City of Ocala
110 SE Watula Avenue, 3rd Floor
Ocala, Florida 34471
Phone: 352-401-3972
E-mail: cityattorney@ocalafl.gov

5. **COUNTERPARTS.** This First Amendment may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument.
6. **ELECTRONIC SIGNATURE(S).** Contractor, if and by offering an electronic signature in any form whatsoever, will accept and agree to be bound by said electronic signature to all terms and conditions of this First Amendment. Further, a duplicate or copy of the First Amendment that contains a duplicated or non-original signature will be treated the same as an original, signed copy of this original First Amendment for all purposes.
7. **LEGAL AUTHORITY**. Each person signing this First Amendment on behalf of either party individually warrants that he or she has full legal power to execute this First Amendment on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this First Amendment.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK. SIGNATURE PAGE TO FOLLOW.]

Docusign Envelope ID: 27E96723-B809-895C-8384-78CF0580440C

IN WITNESS WHEREOF, the parties have executed this First Amendment on 6/7/2026.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

Renewal of the Remix Services Agreement for SunTran

Remix Technologies LLC ("*Remix*") and City of Ocala, by and through SunTran ("Customer" and together with Remix, the "*Parties*") have entered into an agreement titled Remix Services Agreement for SunTran(the "*Agreement*") dated as of August 1, 2020 and extended by the Contract Assignment & Renewal #1. Upon execution of this Renewal (the "*Renewal*"), the Parties agree to the following:

1. Renewal. With effect from August 1, 2026 (the "*Effective Date*") the Parties hereby agree to extend the duration of the Agreement beyond its original duration from the Effective date for a period of 2 months until September 30, 2026.

2. Price. The Parties hereby agree to the following price structure:

Remix Transit Planning Platform License	Total Contract Value: $2,500 USD Pricing valid if signed by July 31, 2026. Includes: ● Remix licenses for an unlimited number of users within organization. ● Software as a Service (SaaS): fully hosted, cloud-based web platform. ● Platform functionality as described in the Agreement with continuous improvements released throughout the course of the contract ● Dedicated Customer Success staff ● Premium Enterprise Support: response to requests in 3 business days
Marketing Terms	Willingness to work with Remix to develop a case study, mutually agreeable press release, ability to use Customer as a reference.
Additional Services	Customer acknowledges that additional services, such as access to Company's (including its affiliates) proprietary technology platform used to establish, monitor, operate and/or manage fixed-route and demand responsive transit networks, may be added to this Agreement at an additional cost during the Term.
Payment Terms	Fees invoiced annually in advance of access, payable in 30 days from the date of invoice.

3. Conflicts, Use of Terms, Governing Law. Capitalized terms used but not defined herein have the meanings set forth in the Agreement. Except as expressly provided herein, the terms and conditions of the Agreement remain unchanged. This Renewal will be governed by the same law as the Agreement.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Docusign Envelope ID: B5E00E6A-741B-8724-80A6-AE70D7858334

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

Docusign Envelope ID: B5E00E6A-741B-8724-80A6-AE70D7858334

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

THIRD AMENDMENT TO AGREEMENT FOR STORMWATER FENCING INSTALLATION AND REPAIRS

THIS THIRD AMENDMENT TO AGREEMENT FOR STORMWATER FENCING INSTALLATION AND REPAIRS ("Third Amendment") is entered into by and between the **CITY OF OCALA**, a Florida municipal corporation ("City") and **CHARLES WHITE FENCE, INC.,** a for-profit corporation duly organized and authorized to do business in the state of Florida (EIN: 20-8367837) ("Contractor").

WHEREAS, on January 5, 2022, City and Charles White Fence, Inc., entered into an Agreement for Stormwater Fencing Installation and Repairs (the "Original Agreement"), City of Ocala Contract No.: PWD/210562, for a term of three years from December 22, 2021 through December 21, 2024; and

WHEREAS, on October 17, 2024, City and Contractor entered into a First Amendment to Agreement for Stormwater Fencing Installation and Repairs (the "First Amendment") to extend the Original Agreement for the first of two (2) one-year renewal periods, from December 22, 2024 to December 21, 2025; and

WHEREAS, on December 18, 2025, City and Contractor entered into a Second Amendment to Agreement for Stormwater Fencing Installation and Repairs (the "Second Amendment") to extend the Original Agreement for the second of two (2) one-year renewal periods, from December 22, 2025 to December 21, 2026, and to revise the line items described in **Exhibit B – Price Proposal**; and

WHEREAS, City and Contractor now desire to further revise the line items described in **Exhibit B – Amended Price Proposal.**

NOW THEREFORE, in consideration of the foregoing recitals, the following mutual covenants and conditions, and other good and valuable consideration, City and Contractor agree as follows:

1. **RECITALS**. City and Contractor hereby represent, warrant, and agree that the Recitals set forth above are true and correct and are incorporated herein by reference.

2. **INCORPORATION OF ORIGINAL AGREEMENT.** The Original Agreement between City and Contractor is hereby incorporated by reference as if set forth herein in its entirety and remains in full force and effect, except for those terms and conditions expressly amended by this Third Amendment.

3. **AMENDMENT TO EXHIBIT B – PRICE PROPOSAL.** The document attached to the Second Amendment as **Exhibit B – Amended Price Proposal** is hereby deleted and replaced in its entirety with **Amended Exhibit B – Price Proposal**.

4. **NOTICES.** All notices, certifications or communications required by this Third Amendment shall be given in writing and shall be deemed delivered when personally served, or when received if by facsimile transmission with a confirming copy mailed by registered or certified mail, postage prepaid, return receipt requested. Notices can be concurrently delivered by e-mail. All notices shall be addressed to the respective parties as follows:

If to Contractor:

Charles White Fence, Inc.
Attention: Charles White
6828 NE Jacksonville Road
Ocala, Florida 34479
Phone: 352-369-9592
E-mail: cwhitefence@hotmail.com

Docusign Envelope ID: 0AF0C561-94D9-8F5B-80DB-F82DB444E10A

If to City of Ocala:	Patricia Lewis, Interim Director City of Ocala 110 SE Watula Avenue, 3rd Floor Ocala, Florida 34471 Phone: 352-629-8248 E-mail: notices@ocalafl.gov
Copy to:	William E. Sexton, Esq., City Attorney City of Ocala 110 SE Watula Avenue, 3rd Floor Ocala, Florida 34471 Phone: 352-401-3972 E-mail: cityattorney@ocalafl.gov

5. **COUNTERPARTS.** This Third Amendment may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument.

6. **ELECTRONIC SIGNATURE(S).** Contractor, if and by offering an electronic signature in any form whatsoever, will accept and agree to be bound by said electronic signature to all terms and conditions of this Third Amendment. Further, a duplicate or copy of the Third Amendment that contains a duplicated or non-original signature will be treated the same as an original, signed copy of this original Third Amendment for all purposes.

7. **LEGAL AUTHORITY**. Each person signing this Third Amendment on behalf of either party individually warrants that he or she has full legal power to execute this Third Amendment on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Third Amendment.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

STANDARD TERMS AND CONDITIONS OF SALE

These standard terms and conditions of sale are the only terms and conditions, oral or written, applying to the sale of equipment, Software, other products or services ("Product") to Purchaser from FARO Technologies, Inc. ("FARO"), its affiliates, subsidiaries and related companies except for additional terms consistent with these standard terms and conditions on prices, quantities, delivery schedules, and the description of the Products as set forth in an order or quotation issued by FARO or approved by FARO (each, an "Order"). FARO's failure to object to any provision contained in a document or communication from Purchaser shall not be a waiver of these standard terms and conditions. If any conflict exists between local law and any section of these terms and conditions, the local law shall apply and replace only that section. Only Federal Acquisition Regulation ("FAR") supplement clauses expressly accepted in writing by FARO shall be included or incorporated by reference herein. FARO shall not be bound by and makes no representation of compliance with any FAR or FAR supplement clauses that FARO shall not have expressly accepted in writing.

ACCEPTANCE OF THESE STANDARD TERMS AND CONDITIONS AND ANY ORDER, BOTH OF EITHER OF WHICH MAY BE DELIVERED TO PURCHASER IN ELECTRONIC FORM BY FARO, SHALL BE DEEMED TO HAVE OCCURRED UPON THE EARLIER OF EXECUTING OR ACCEPTING THESE STANDARD TERMS AND CONDITIONS OR TAKING DELIVERY OF ANY PRODUCTS. ANY DEVIATION FROM, OR EXCEPTIONS TO, THESE TERMS AND CONDITIONS MUST BE IN WRITING AND SIGNED BY A DULY AUTHORIZED REPRESENTATIVE OF FARO.

All capitalized terms used but not defined in the body of this document are defined in Section 10.00 (Definitions).

- **1.0 Payment of Purchase Price**

1.01 Subject to credit approval by FARO and except as otherwise expressly set forth in an Order, the Purchase Price for Product shall be paid to FARO within thirty (30) days from the date of FARO's invoice.If FARO determines not to extend credit to Purchaser, FARO reserves the right to require Purchaser to pay for Product by wire transfer prior to shipment.FARO shall be entitled to issue an invoice upon shipment of Product.FARO has the right to charge interest on late Purchase Price payments at a rate of 1.5% per month (18% per annum).

1.02 Purchaser shall also pay FARO for any and all governmental taxes, charges or duties of every kind (excluding any tax based upon FARO's income) that FARO may be required to pay with respect to the production, transportation, export, import, storage, delivery, purchase, sale, or use of Product.Purchaser shall provide FARO, on request, with properly completed exemption certificates for any tax or duty from which Purchaser claims an exemption.

1.03 Purchaser grants to FARO a security interest in all Product sold pursuant to the Order, which FARO may perfect by filing a UCC Financing Statement or by other filings, registrations, or notices as may be required. Any such security interest will remain in effect until FARO has received payment in full of the Purchase Price together with interest on any late Purchase Price payments.

Docusign Envelope ID: 34949EA2-B7D0-8B40-80BE-D978D972A75F

1.04 If Purchaser fails to make full payment of the Purchase Price in accordance with the terms set forth in the Order, FARO shall, at its sole option, have the right to the following remedies, which shall be cumulative and not alternative and which are not exclusive:

a. the right to cancel the Order and enter Purchaser's premises to re-take possession of Product, in which event Purchaser agrees that any down payment or deposit for Product shall be forfeited to FARO as liquidated damages and not as a penalty, and all costs incurred by FARO in connection with the removal and subsequent transportation of Product shall be payable by Purchaser upon written demand;

b. the right to enter Purchaser's premises and remove any Software, components of Product or other items necessary to render Product inoperative;

c. the right to withhold all services which would otherwise be required to be provided by FARO pursuant to the Warranties set out in Section 4.00 (Warranties and Exclusions; Exclusive Remedies and Disclaimers) hereof;

d. the right to terminate any existing Software license agreement with Purchaser; and

e. the right to pursue any other available remedy, including without limitation suing to collect any remaining balance of the Purchase Price (i.e., accelerate the payment of the Purchase Price, causing the entire balance to immediately become due and payable in full).

1.05 Except as expressly set forth in Section 4.06 (Factory Repairs), FARO does not permit returns on any Products shipped. In addition, FARO does not permit returns of Software delivered digitally, including Software downloaded by Purchaser or Software activated by a product key received by Purchaser via electronic mail, flash drive, memory card, or similar type of electronic delivery system.

1.06 No waiver by FARO of its rights under these terms and conditions shall be deemed to constitute a waiver of subsequent breaches or defaults by Purchaser. In the event more than one Product is being purchased pursuant to the Order, unless otherwise set forth herein, each payment received by FARO from Purchaser shall be applied pro rata against the cost of each Product rather than being applied to the Purchase Price of any Product.

1.07 Purchaser shall pay FARO all costs and expenses of collection, suit, or other legal action to enforce the Order, including, but not limited to, all actual attorneys' and paralegal fees and collection costs. FARO may assign any cause of action that it has against Purchaser without Purchaser's consent.

1.08 Given the increased risk of invoice fraud, Purchaser should treat any notification to change details of Seller's bank account with suspicion. FARO will not inform or instruct Purchaser to make remittance or money transfers to any other beneficiary, address or bank account via email. Always verify a request to update records or change bank account information BEFORE implementing a change or completing the payment. Verify any requested changes by speaking to a known FARO representative

- **2.0 Delivery and Transportation**

Docusign Envelope ID: 34949EA2-B7D0-8B40-80BE-D978D972A75F

2.01 Delivery dates set forth in the Order are estimates and not guarantees and are based upon conditions at the time such estimate is given.

2.02 FARO shall not be liable for any loss or damage, whether direct, indirect or consequential, resulting from delivery of Product past the estimated delivery date. If Product is not delivered within 90 days of the estimated delivery date, Purchaser's sole remedy shall be to cancel the Order and to recover from FARO, without interest or penalty, the amount of the down payment or deposit and any other part of the Purchase Price which has been paid by Purchaser. Notwithstanding the foregoing, such right of cancellation shall not extend to situations where delayed delivery is due to a Force Majeure Event (as defined in Section 9.01 (Force Majeure/ Entire Agreement / Governing Law / Miscellaneous)). Any delays resulting from a Force Majeure Event shall extend estimated delivery dates by the length of such delay.

2.03 If there is a shortage of Product, excessive demand for Product, or any other reason for which FARO is unable to supply the full amount of Product specified in Purchaser's Order, FARO reserves the right to allocate its available supply of Product among its customers and distributors. The allocation of Product shall be in such a manner and in such amounts as FARO determines in its sole discretion.

2.04 Responsibility for all costs and risks in any way connected with the storage, transportation, and installation of Product shall be borne entirely by Purchaser. If any disagreement arises as to whether or not damage to Product was in fact caused in storage, in transit, or on installation, the opinion of FARO's technical advisors, acting reasonably, shall be conclusive.

2.05 Unless otherwise agreed to by FARO in an Order, Product shall be delivered by FARO at FARO's premises EXW (Ex Works) as defined in Incoterms 2010.

2.06 FARO does not assume any risk for (i) late deliveries of goods, (i) customers' inability or impracticability to receive or use our devices or software, and for (iii) delivery disruptions, that are due to the COVID-19 pandemic and ensuing government measures (shut downs, lock-downs, quarantines)

- **3.0 Installation, Operator Training and Maintenance**

3.01 Purchaser shall be responsible for installation of Product, including, without limitation, the preparation of its premises, the uncrating of Product, and setting up of Product for operation.

3.02 Subject to Section 4.00 (Warranties and Exclusions; Exclusive Remedies and Disclaimers), Purchaser shall be responsible for all maintenance of Product.

3.03 FARO shall invoice training with other Products set forth in the Order, if applicable. Purchaser shall have six (6) months from the date of invoice ("Training Period") to complete training. If training is not completed within the Training Period, FARO may refuse to conduct training at its discretion. Any training not completed within the Training Period is forfeited by the Purchaser.

3.04 Understanding that training is invoiced upon ordering the training and paid in advance, there may be additional penalties for changing training dates in some circumstances. Purchaser may freely cancel or reschedule a confirmed training class with more than ten (10) working days' notice prior to the date of the scheduled training class at no additional cost. If the Purchaser cancels or reschedules a confirmed training class with less than ten working days' notice prior to the date of

Docusign Envelope ID: 34949EA2-B7D0-8B40-80BE-D978D972A75F

the scheduled training class, but prior to the date of training, Purchaser may be charged up to an additional fifty percent (50%) of the cost of training to reschedule. Rescheduling training on the date of training is not allowed. Any training that is not attended by Purchaser on the confirmed date of the training must be repurchased by Purchaser to be rescheduled.

- **4.0 Warranties and Exclusions; Exclusive Remedies and Disclaimers**

4.01 Subject to Section 4.05, FARO warrants that any Product (but excluding Software and services) shall be free from material defects in workmanship or material under normal conditions of use, service and maintenance. FARO makes no warranty that any Product will be secure from cyber-threats or operate in an uninterrupted or error free manner.

4.02 Subject to Section 4.05, FARO warrants that any Software shall operate substantially according to written user documentation provided by FARO. FARO makes no warranty that any Software will operate in an uninterrupted or error free manner.

4.03 Purchaser understands and agrees that Products sold hereunder are not intended for application in, and shall not be used by Purchaser in the construction or operation of a nuclear installation, a nuclear facility or a nuclear reactor or in connection with use or handling of nuclear material or for any hazardous activity or critical application, where failure of a single component could cause substantial harm to persons or property, unless Products have been specifically approved by FARO for such activity or application. FARO disclaims all liability for loss or damage resulting from such unauthorized use and Purchaser shall defend, hold harmless and indemnify FARO against any such liability, whether arising under breach of contract, warranty, tort (regardless of the degree of fault or negligence), strict liability or otherwise. Where FARO approves the application of the Products in a nuclear facility, the Purchaser shall, before the use or provision of such Products, execute a Nuclear Defense and Indemnification Agreement in a form acceptable to FARO.

4.04 The warranties set out in paragraphs 4.01 and 4.02 above (together, the "Warranties") shall expire one (1) year after the day that the Product is shipped from FARO (the "Warranty Period"), at the end of the month during which the Product is shipped.

4.05 To properly make a claim under the Warranties, Purchaser must deliver written notice of the claim to FARO during the Warranty Period, at FARO's contact information set forth on the Order, together with a description of such claim in reasonable detail. Within a reasonable time following receipt of such proper notice, FARO shall have Product diagnosed by its service personnel. Nothing herein contained shall be construed as obligating FARO to make service, parts, or repairs available for any claim reported after the expiration of the Warranty Period. If Product is determined by FARO, in its reasonable opinion, to be covered by and in breach of the Warranties, FARO will, as Purchaser's sole and exclusive remedy, repair or adjust Product to the extent determined by FARO to be necessary or, at the option of FARO, will replace Product with replacement Product, of equal or greater performance, or parts therefor at no cost to Purchaser, other than the cost of shipping Product to FARO pursuant to Section 4.06. If Product is determined by FARO, in its reasonable opinion, not to be covered by or not to be in breach of the Warranties, Purchaser shall pay the amount that FARO would otherwise charge for an evaluation under a non-warranty service evaluation. As for such additional needed repairs, FARO shall quote Purchaser for

Docusign Envelope ID: 34949EA2-B7D0-8B40-80BE-D978D972A75F

such, which Purchaser can choose or reject such service at its discretion, and return shipping to Purchaser will be at Purchaser's cost and expense.

4.06 The Warranties shall not apply to or cover:

a. Any defects in any component of a Product if, in the reasonable opinion of FARO, (i) Product has been improperly stored, installed, operated, or maintained; (ii) the defect was caused by or relates to misuse or extraordinary use of Product, or to use of Product outside the abilities for which Product was designed and manufactured; (iii) Purchaser has permitted unauthorized modifications, additions, deletions, adjustments and/or repair to any Software, hard drive structure, or content, or any other part of Product, or which might otherwise affect Product; or (iv) the defect was caused by, or repairs are required as a result of, causes external to FARO workmanship or the materials used by FARO. As used herein, "unauthorized" means that which has not been approved and authorized by FARO in writing.

b. Minor preventive and corrective maintenance, including, but not limited to, replacement of fuses, fan filter cleaning and system clock battery replacement.

c. Any Product or component which was sold or transferred to any party other than the original Purchaser unless transferred in accordance with Section 4.11 or FARO's prior express written consent is obtained.

d. Any defect in or related to Product which FARO cannot duplicate with reasonable effort.

e. Any defect in or related to Product caused by materials, including hardware, software, or data not supplied by FARO.

f. Any defect caused or resulting from accident; physical, electrical or magnetic stress; failure of electric power, air condition or environmental controls; or use in or with defective or non-compatible equipment, hardware, software or data.

g. Any defect or problem caused by changes in the operating characteristics of computer systems, hardware, or software developed after Product is delivered.

h. Any Product exported by Purchaser outside of the country of purchase.

i. Any demonstration or used Product.

j. Any services of FARO. **ALL SERVICES OF FARO ARE PROVIDED TO PURCHASER "AS IS" WITHOUT WARRANTY OF ANY KIND.**

k. Any Third-Party Product sold or included with the Products. Such Third-Party Products are provided with the manufacturer's warranties, if any, which FARO is permitted to pass on to Purchaser. **OTHERWISE, SUCH THIRD-PARTY PRODUCTS ARE PROVIDED TO PURCHASER "AS IS" WITHOUT WARRANTY OF ANY KIND.**

Docusign Envelope ID: 34949EA2-B7D0-8B40-80BE-D978D972A75F

4.07 Factory Repairs

l. Purchaser agrees to ship Product to FARO in the original packing container.

m. Shipping charges due by Purchaser exclude brokerage fees, duties, taxes and VAT.

n. IF PRODUCT IS UNDER STANDARD WARRANTY: Purchaser agrees to ship Product to FARO at Purchaser's sole cost and expense. FARO will return the repaired or replacement Product to Purchaser at FARO's sole cost and expense.

o. IF PRODUCT IS UNDER A SEPARATE PREMIUM SERVICE PLAN: When practical, as determined by FARO in its sole discretion, and subject to availability, FARO will make available to Purchaser substitute component parts or substitute Product, of equal or better performance ("Temporary Replacements"), as appropriate, while Purchaser's Product is undergoing repair. Shipping charges for these Temporary Replacements will be the responsibility of FARO.

p. IF PRODUCT IS NOT UNDER ANY WARRANTY: Purchaser shall be responsible for the cost of any repair or replacement of any part, Software or Product, together with all shipping charges related to such repair or replacement. All charges shall be estimated and prepaid by Purchaser to FARO prior to commencement of repairs.

4.08 FARO may utilize new or refurbished components of Product to perform any Warranty service.

4.09 Purchaser's sole and exclusive remedy, and FARO's sole and exclusive liability hereunder, with respect to breach of warranty relating to any Product, consists of the obligation to repair, adjust, or replace Product, with a similar or newer product, as provided in Section 4.04.

4.10 DISCLAIMER OF WARRANTIES. THE WARRANTIES SPECIFIED IN THIS SECTION 4.00 ARE THE COMPLETE WARRANTIES BETWEEN FARO AND PURCHASER. THEY SUPERSEDE ALL PROPOSALS, PROMOTIONS, ADVERTISEMENTS, REPRESENTATIONS, OR PRIOR WARRANTIES, VERBAL OR WRITTEN, AND ANY COMMUNICATIONS BETWEEN THE PARTIES RELATING TO THE SUBJECT MATTER OF THESE WARRANTIES. EXCEPT FOR THE EXPRESS WARRANTIES SPECIFIED IN THIS SECTION 4.00, FARO EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, ARISING FROM COURSE OF DEALING OR USAGE OF TRADE, STATUTORY OR OTHERWISE, INCLUDING BUT NOT LIMITED TO IMPLIED CONDITIONS AND WARRANTIES OF MERCHANTABILITY, QUALITY, FITNESS FOR A PATICULAR PURPOSE, CORRESPONDENCE WITH DESCRIPTION OR QUALITY, AND NON-INFRINGEMENT.

4.11 FARO does not authorize any person (whether natural or corporate) to assume for FARO any liability in connection with or with respect to Product. No agent or employee of FARO has any authority to make any representation or promise on behalf of FARO, except as expressly set forth herein or in the Order, or to modify the terms or limitations of the Warranties. No verbal statements shall be binding upon FARO.

Docusign Envelope ID: 34949EA2-B7D0-8B40-80BE-D978D972A75F

4.12 The Warranties extend only to Purchaser and are transferable by Purchaser only under the following conditions:

q. Product is currently within the Warranty Period;

r. The new owner is, or becomes, a Certified User; and

s. FARO Customer Service is informed of and approves of the transfer.

4.13 All claims under the Warranties must originate with Purchaser, or any subsequent owner that becomes a Certified User approved by FARO Customer Service, and Purchaser will indemnify, defend and hold FARO harmless from any and all claims, liabilities, damages, costs and expenses for breach of warranty asserted against FARO by any third-party.

4.14 PURCHASER ACKNOWLEDGES THAT IT HAS PURCHASED PRODUCT BASED UPON ITS OWN KNOWLEDGE OF THE USES TO WHICH PRODUCT WILL BE PUT. FARO SPECIFICALLY DISCLAIMS ANY WARRANTY OR LIABILITY RELATED TO THE FITNESS OF PRODUCT FOR ANY PARTICULAR PURPOSE OR ARISING FROM THE INABILITY OF PURCHASER TO USE PRODUCT FOR ANY PARTICULAR PURPOSE.

4.15 FARO is an equal opportunity employer. All candidates for employment will be considered without regard to race, color, religion, sex, national origin, physical or mental disability, veteran status, or any other basis protected by applicable federal, state or local law.

- **5.0 Limitations of Liability**

5.01 In no case shall FARO be liable for any indirect, special, incidental, punitive or consequential damages arising from any cause whatsoever, whether based in contract, tort (including without limitation negligence), strict product liability or any other theory of law (including without limitation theories of equitable relief), including, but not limited to, injury to or death of any operator or other person, damage or loss resulting from the Product or inability to use Product, increased operating costs, loss of production, loss of profits or revenues, loss of software or data, losses arising from virus, ransomware, or cyber-attacks, any cost or expense of providing substitute product or software during periods of, or resulting from, malfunction, non-use or maintenance or repair (except as when Temporary Replacements are provided per Section 4.06(d)), or damage to property. The disclaimer of liability for indirect, special, incidental, punitive, and consequential damages extends to any damages which may be suffered by third parties, including without limitation, caused directly or indirectly resulting from the Product, or test results or data produced by Product or any component thereof, and Purchaser agrees to indemnify and save FARO harmless from any such claims made by third parties.

5.02 FARO's maximum aggregate liability arising out of or relating to any Product from any cause whatsoever, whether based in contract, tort (including without limitation negligence), strict product liability or any other theory of law shall not exceed the Purchase Price received by FARO for the Product to which such liability relates. In all cases, FARO's maximum aggregate liability arising out of or relating to an Order shall not exceed the aggregate amounts paid by Purchaser to FARO under such Order.

Docusign Envelope ID: 34949EA2-B7D0-8B40-80BE-D978D972A75F

5.03 The limitations of liability in this Section apply even if FARO had notice of the possibility of damages and even if any exclusive remedies fail of their essential purpose. Purchaser acknowledges that FARO has set its pricing in reliance upon the limitations of liability and the disclaimers of warranties and damages set forth in these terms and conditions and that the same form an essential basis of the bargain between the parties.

- **6.0 Design Changes**

6.01 Product is subject to changes in design, manufacture and programming between the date of the Order and the actual delivery date. FARO reserves the right to substitute similar products of the same value without prior notification to the Customer.

6.02 FARO reserves the right to implement such changes without Purchaser's consent. Notwithstanding the foregoing, nothing contained herein shall be construed as obligating FARO to include such changes in Product provided to Purchaser.

- **7.0 Intellectual Property**

7.01 As between FARO and Purchaser, FARO owns all ownership in all FARO Intellectual Property, and Purchaser shall not own or acquire any right, title or interest in any FARO Intellectual Property. FARO grants Purchaser only a limited, non-exclusive, non-transferable license to use any Software in object code form only and, unless otherwise set forth in an Order or approved in writing by FARO, only with Product in which such Software is installed or embedded.

7.02 Purchaser acknowledges and agrees that the Products (including Software) contains trade secrets, confidential, and proprietary information of FARO and shall maintain all Products (including Software) as confidential and proprietary information of FARO. Purchaser shall use no less than the same degree of care to avoid misuse or improper disclosure of the trade secrets, confidential, and proprietary information of FARO than Purchaser uses with respect to its own similar information, which shall be no less than a reasonable degree of care. Purchaser shall not, in whole or in part, reproduce or duplicate (other than that which is necessary and incidental to the ordinary use of the Software in compliance with these terms and conditions or for purpose of making one (1) archival or back-up copy of the Software) alter, modify, disassemble, reverse assemble, decompile, reverse compile, reverse engineer, sell, transfer, assign, sublicense, lease, rent or use in connection with a service bureau or to provide services to others, in any manner the Products (and Software), in whole or in part, or permit access to or use thereof by any third-party.

7.03 Purchaser acknowledges that any unauthorized use of the Products (and Software), or any right therein, will result in irreparable harm to FARO, and that FARO shall be entitled to damages, lost profits, attorneys' fees, costs, expenses, and injunctive relief, including without limitation temporary restraining orders, preliminary injunctions, and permanent injunctions from any such unauthorized use.

7.04 Purchaser shall forthwith execute any further assurances in the form of non-disclosure or licensing agreements which may reasonably be required by FARO in connection with the Software.

- **8.0 Indemnification**

8.01 Purchaser will defend, indemnify, and hold harmless FARO against all claims, losses, liabilities, damages, costs, and expenses either (a) on account of any damage to property or injury or death

Docusign Envelope ID: 34949EA2-B7D0-8B40-80BE-D978D972A75F

of persons caused by or arising out of Purchaser's (and/or any of Purchaser's employee's, agent's, affiliate's and customer's) distribution, storage, handling, use, or disposal of Product or caused by or (b) arising out of: (i) any breach of contract by Purchaser; (ii) any acts or omissions of Purchaser (and/or any of Purchaser's employees, agents, affiliates and customers); or (iii) any willful misconduct or any violation by Purchaser (and/or by any of Purchaser's employees, agents, affiliates and customers) of any applicable law, rule, or regulation

The Purchaser's liability is limited, however to the limits set forth in Florida Statute § 768.28 in force at the time this agreement was entered into by the parties. Nothing in this agreement is intended to waive the sovereign immunity protections provided to the City of Ocala pursuant to Florida law.

- **9.0 Force Majeure/ Entire Agreement / Governing Law / Miscellaneous**

9.01 FARO shall not be liable for any loss, damage, detention, or delay due directly or indirectly to any cause beyond FARO's control (a "Force Majeure Event"), including, without limitation, compliance with any rules, regulations, orders or instructions of any federal, state, county, municipal or other government or any department or agency thereof, acts of god, acts or omissions of Purchaser, acts of civil or military authorities, fires, floods, embargoes, war or insurrection, labor interruption through strike or walkout, transportation delays, or inability or difficulties in obtaining necessary labor, manufacturing facilities, materials or transportation from its usual sources.

9.02 These terms and conditions and the Order into which they are incorporated by reference constitute the entire agreement between FARO and Purchaser in respect to Product subject to such Order. There are no representations or warranties by FARO, express or implied, except for those contained herein, and these terms and conditions supersede and replace any proposals, quotations, or agreements, whether oral or written, between FARO and Purchaser with respect to such Order.

9.03 No representative of FARO has any authority to modify, alter, delete, or add to any of the terms or conditions hereof. Any such modifications shall be void and of no force and effect.

9.04 For Orders in the United States, the terms and conditions hereof shall be governed by and construed in accordance with the laws of the State of Florida, United States of America, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws thereof. Purchaser and FARO agree that the sole and exclusive jurisdiction and venue for purposes of any and all lawsuits, disputes, causes of action, arbitrations or mediations in the United States of America shall be in the United States District Court for the Middle District of Florida, Orlando Division.

9.05 For Orders in the Europe Union, these terms shall be subject to the laws of the Federal Republic of Germany to the exclusion of the UN Convention on Contracts for the International Sale of Goods, and the exclusive place of jurisdiction for all disputes between FARO and Purchaser shall be the city of FARO's registered office within the country.

9.06 For Orders outside of the United States of America and the European Union, these terms shall be governed by local law, and the exclusive place of jurisdiction for all disputes between

Docusign Envelope ID: 34949EA2-B7D0-8B40-80BE-D978D972A75F

FARO and Purchaser shall be the city of FARO's registered office in country or, if no registered office exists, the city of the agent of FARO within the country.

9.07 These conditions shall not be construed more strictly against one party than another as a result of one party having drafted said instrument.

9.08 If any provision of these terms and conditions or the Order is held invalid or unenforceable by any court of competent jurisdiction, the other provisions of these terms and conditions and the Order shall remain in full force and effect. Any provision of these terms and conditions or the Order held invalid or unenforceable only in part or degree will remain in full force and effect to the extent not held invalid or unenforceable.

9.09 FARO AND PURCHASER HEREBY IRREVOCABLY WAIVE THE RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED IN CONTRACT, TORT, OR OTHERWISE) ARISING OUT OF, UNDER, OR IN CONNECTION WITH THE ORDER OR THESE TERMS AND CONDITIONS OR ANY COURSE OF CONDUCT, COURSE OF DEALINGS, STATEMENT, OR ACTION RELATED THERETO OR HERETO.

9.10 Any claim, action, suit or other proceeding initiated by Purchaser in connection with any Product must be brought within one year after delivery to Purchaser of the applicable Product to which such claim, action, suit, or other proceeding relates.

9.11 Purchaser agrees to comply with all applicable law. Purchaser shall not export or re-export any Product in violation of applicable export control law, rules or regulations. Deliveries of these goods, products, Software, technologies or know-how-transfer to countries outside the country of sale or to third parties are subject to authorization by FARO or may be prohibited. U.S.-origin goods, products, software, technologies or know-how-transfer which are of at least ten percent (10%) U.S.-origin are liable to U.S. Export Administration Regulations and export outside the country of sale may be prohibited. All export control obligations associated with a resale shall be borne by the exporter.

9.12 Public Records. FARO shall comply with all applicable provisions of the Florida Public Records Act, Chapter 119, Florida Statutes. Specifically, FARO shall: A. Keep and maintain public records required by the public agency to perform the service; B. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law; C. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if FARO does not transfer the records to the public agency; and D. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of FARO or keep and maintain public records required by the public agency to perform the service. If FARO transfers all public records to the public agency upon completion of the contract, FARO shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If FARO keeps and maintains public records upon completion of the contract, FARO shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to

Docusign Envelope ID: 34949EA2-B7D0-8B40-80BE-D978D972A75F

the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency. **IF FARO HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO FARO'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: CITY OF OCALA, OFFICE OF THE CITY CLERK; 352-629-8266; E-mail: clerk@ocalafl.gov; City Hall, 110 SE Watula Avenue, Ocala, FL 34471.**

- **10.0 Definitions**

10.01 "Certified User" means any person who has completed at least one full session of product-specific training for Product.

10.02 "FARO" and "FARO Customer Service" means FARO Technologies, Inc.

10.03 "FARO Intellectual Property" means all intellectual property rights relating to any Product, including without limitation, patents, copyrights, trademarks, trade secrets, and know-how, and any derivative works, improvements, modifications, repairs, maintenance, enhancements, and updates of any Product.

10.04 "Purchaser" means the party buying Product and who is legally obligated under the Order.

10.05 "Software" means all computer programs, disk drive directory organization and content, including without limitation the devices containing such computer programs, disk drive directory organization, and content, sold pursuant to the Order.

10.06 "Purchase Price" means the agreed-upon price of Product set forth in the Order.

10.07 "Third-Party Product" shall mean any equipment, products, Software, or services of a third-party that FARO sells or makes available to Purchaser under an Order.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

AMENDMENT TO AGREEMENT

THIS AMENDMENT ("**Amendment**") dated as of the last signature date below ("**Amendment Effective Date**") is entered into by and between Fiserv Solutions, LLC, a Wisconsin limited liability company (as converted from Fiserv Solutions, Inc.), with offices located at 600 N. Vel R. Phillips Avenue, Milwaukee, WI 53203 ("**Fiserv**"), and City of Ocala, a Florida municipal corporation, with offices located at 110 SE Watula Ave., Ocala, FL34471 ("**Client**"), and amends the Direct Electronic Payment Delivery Agreement dated August 29, 2023, between Fiserv and Client (as amended through the date hereof, the "**Agreement**").

WHEREAS, Fiserv and Client entered into the Agreement for Fiserv's provision of Services to Client; and

WHEREAS, Fiserv and Client wish to amend the Agreement to update terms as further set forth herein;

NOW, THEREFORE, Fiserv and Client hereby agree as follows:

1. Defined Terms. Unless otherwise defined herein, capitalized terms used herein shall have the same meanings assigned them in the Agreement.

2. Term. The term of the Agreement is extended through August 28, 2031. All other renewal and termination provisions remain unchanged.

3. Service Fees. The "Per Payment Fee" listed in Section 3 of Exhibit A is increased to $0.08.

4. Amendment. This Amendment is intended to be a modification of the Agreement. Except as expressly modified herein, the Agreement shall remain in full force and effect. In the event of a conflict between the terms of this Amendment and the Agreement, this Amendment shall control.

IN WITNESS WHEREOF, the parties have caused this Amendment to be executed by their duly authorized representatives as of the Amendment Effective Date.

FIRST AMENDMENT TO AGREEMENT FOR TRANSFORMER SUPPLY AND DELIVERY SERVICES

THIS FIRST AMENDMENT TO TRANSFORMER SUPPLY AND DELIVERY SERVICES ("First Amendment") is entered into by and between the **CITY OF OCALA**, a Florida municipal corporation ("City") and **STUART C. IRBY COMPANY, LLC, D/B/A IRBY,** a for-profit corporation duly organized and authorized to do business in the state of Florida (EIN: 64-0179050) ("Irby" or "Vendor").

WHEREAS, on March 10, 2026, City and Irby entered into an Agreement for Transformer Supply and Delivery Services (the "Original Agreement"), City of Ocala Contract No.: ELE/260259; and

WHEREAS, the parties have determined that the Original Agreement's existing quarterly price adjustment limit of one and one-half percent (1.5%) per quarter does not reflect the parties' mutually intended pricing mechanism; and

WHEREAS, City and Irby wish to amend the Original Agreement to establish a maximum quarterly increase or decrease of three percent (3%).

NOW THEREFORE, in consideration of the foregoing recitals, the following mutual covenants and conditions, and other good and valuable consideration, City and Irby agree as follows:

1. **RECITALS**. City and Irby hereby represent, warrant, and agree that the Recitals set forth above are true and correct and are incorporated herein by reference.
2. **INCORPORATION OF ORIGINAL AGREEMENT.** The Original Agreement between City and Irby is hereby incorporated by reference as if set forth herein in its entirety and remains in full force and effect, except for those terms and conditions expressly amended by this First Amendment.
3. **AMENDMENT TO COMPENSATION - PARAGRAPH 5.A (2).** The language contained in Paragraph 5 A. (2) is hereby deleted and replaced in its entirety with the following:

   Any and all price adjustments shall be subject to a maximum negotiated price increase or decrease of no more than **THREE PERCENT (3%) PER QUARTER** based upon the Producer Price Index by Industry – Electric Power and Specialty Transformer Manufacturing – Power and Distribution Transformers, Except Parts (PPI Index Number PCU3353113353111) and the Price Adjustment Methodology set forth in **Exhibit D – Vendor's Proposa**l. All requests for price adjustments must include proper justification and documentation supporting the adjustment.
4. **NOTICES.** All notices, certifications or communications required by this First Amendment shall be given in writing and shall be deemed delivered when personally served, or when received if by facsimile transmission with a confirming copy mailed by registered or certified mail, postage prepaid, return receipt requested. Notices can be concurrently delivered by e-mail. All notices shall be addressed to the respective parties as follows:

If to Irby:

Stuart C. Irby Company, LLC

5. **COUNTERPARTS.** This First Amendment may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument.
6. **ELECTRONIC SIGNATURE(S).** Contractor, if and by offering an electronic signature in any form whatsoever, will accept and agree to be bound by said electronic signature to all terms and conditions of this First Amendment. Further, a duplicate or copy of the First Amendment that contains a duplicated or non-original signature will be treated the same as an original, signed copy of this original First Amendment for all purposes.
7. **LEGAL AUTHORITY**. Each person signing this First Amendment on behalf of either party individually warrants that he or she has full legal power to execute this First Amendment on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this First Amendment.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

FIRST AMENDMENT TO CONSTRUCTION SERVICES AGREEMENT FOR PARKING LOT IMPROVEMENT PROGRAM PROJECTS

THIS FIRST AMENDMENT TO CONSTRUCTION SERVICES AGREEMENT FOR PARKING LOT IMPROVEMENT PROGRAM PROJECTS ("First Amendment") is entered into by and between the **CITY OF OCALA**, a Florida municipal corporation ("City") and **MARION ROCK, LLC,** a limited liability company duly organized in and authorized to do business in the state of Florida (EIN: 59-3402323) ("Contractor").

WHEREAS, on May 12, 2026, City and Contractor entered into a Construction Services Agreement for Parking Lot Improvement Program Projects (the "Original Agreement"), City of Ocala Contract No.: CIP/250996; and

WHEREAS, the Contract Term start and end dates were incorrect in the Original Agreement; and

WHEREAS, City and Contractor wish to amend the Original Agreement to reflect the correct start and end dates for the initial Contract Term.

NOW THEREFORE, in consideration of the foregoing recitals, the following mutual covenants and conditions, and other good and valuable consideration, City and Contractor agree as follows:

1. **RECITALS**. City and Contractor hereby represent, warrant, and agree that the Recitals set forth above are true and correct and are incorporated herein by reference.
2. **INCORPORATION OF ORIGINAL AGREEMENT.** The Original Agreement between City and Contractor is hereby incorporated by reference as if set forth herein in its entirety and remains in full force and effect, except for those terms and conditions expressly amended by this First Amendment.
3. **TERM OF AGREEMENT**. This Agreement shall become effective and commence on **APRIL 22, 2026** and continue in effect for a term of **TWO (2) YEARS**, through and including **APRIL 21, 2028** (the "Term"). This Agreement may be renewed for up to **TWO (2)** additional **ONE (1) YEAR** periods by written consent between City and Contractor.
4. **NOTICES.** All notices, certifications or communications required by this First Amendment shall be given in writing and shall be deemed delivered when personally served, or when received if by facsimile transmission with a confirming copy mailed by registered or certified mail, postage prepaid, return receipt requested. Notices can be concurrently delivered by e-mail. All notices shall be addressed to the respective parties as follows:

If to Contractor:

5. **COUNTERPARTS.** This First Amendment may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument.
6. **ELECTRONIC SIGNATURE(S).** Contractor, if and by offering an electronic signature in any form whatsoever, will accept and agree to be bound by said electronic signature to all terms and conditions of this First Amendment. Further, a duplicate or copy of the First Amendment that contains a duplicated or non-original signature will be treated the same as an original, signed copy of this original First Amendment for all purposes.
7. **LEGAL AUTHORITY**. Each person signing this First Amendment on behalf of either party individually warrants that he or she has full legal power to execute this First Amendment on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this First Amendment.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

AGREEMENT TO PROVIDE FIRE ASSESSMENT ROLL UPDATE SERVICES

THIS AGREEMENT TO PROVIDE FIRE ASSESSMENT ROLL UPDATE SERVICES ("Agreement") is entered into by and between the **CITY OF OCALA**, a Florida municipal corporation ("City") and **ALFRED BENESCH & COMPANY,** a foreign-profit corporation duly organized in the state of Illinois and authorized to do business in the state of Florida (EIN: 36-2407363) ("Consultant").

WHEREAS, on May 8, 2026, City issued a Request for Quote for the provision of preparing the annual fire assessment roll update, RFQ No.: BUD/260739 (the "Solicitation"); and

WHEREAS, one (1) firm responded to the Solicitation and, after consideration of the price and other evaluation factors set forth therein, Alfred Benesch & Company was determined to be a responsive and responsible respondent; and

WHEREAS, Consultant was chosen as the intended awardee to prepare the annual fire assessment roll update (the "Services"); and

WHEREAS, Consultant certifies that Consultant is qualified and possesses the required experience and licensure.

NOW THEREFORE, in consideration of the foregoing recitals, the following mutual covenants and conditions, and other good and valuable consideration, City and Consultant agree as follows:

1. **RECITALS**. City and Consultant hereby represent, warrant, and agree that the Recitals set forth above are true and correct and are incorporated herein by reference.

2. **CONTRACT DOCUMENTS**. The Contract Documents which comprise the entire understanding between City and Consultant shall only include this Agreement and those documents listed in this section as Exhibits to this Agreement. Each of these documents are incorporated herein by reference for all purposes. If there is a conflict between the terms of this Agreement and the Contract Documents, then the terms of this Agreement shall control, amend, and supersede any conflicting terms contained in the remaining Contract Documents.

   A. **Exhibits to Agreement**: The Exhibits to this Agreement are as follows:

      Exhibit A: Scope of Work (A-1 through A-2)

      Exhibit B: Fire Assessment Study (B-1 through B-37)

      Exhibit C: Final Roll 2026 Assessment (C-1)

      If there is a conflict between the individual Exhibits regarding the scope of work to be performed, then any identified inconsistency shall be resolved by giving precedence in the following order: (1) Exhibit A, then (2) Exhibit B, then (3) Exhibit C.

3. **SCOPE OF SERVICES.** Consultant shall perform its services consistent with the professional skill and care ordinarily provided by firms practicing in the same or similar locality under the same or similar circumstances (hereinafter the "Standard of Care"). Consultant shall provide all materials, labor, supervision, tools, accessories, equipment necessary for Consultant to perform its obligations under this Agreement as set forth in the attached **Exhibit A - Scope of Work**. The Scope of Work and/or pricing under this Agreement may only be adjusted by written amendment executed by both parties.

4. **COMPENSATION.** City shall pay Consultant an amount no greater than **TWENTY-ONE THOUSAND, NINE HUNDRED FIFTY-FIVE AND NO/100 DOLLARS ($21,955)** (the "Contract

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

Sum") over the contract term as full and complete compensation for the timely and satisfactory performance of services in accordance with frequency detailed in **Exhibit A – Scope of Work**.

A. **PRICE ADJUSTMENTS.** Prices offered shall remain Consultant for the initial contract term. Requests for price adjustments may be submitted, in writing, **no later than NINETY (90) DAYS** prior to the expiration of the prior term and must include proper CPI justification or other documentation supporting the adjustment. The City will review the submitted request for price adjustment and render a decision, in its sole discretion, as to whether it is in the best interest of the City to adjust the pricing on the awarded goods or services or reject the adjusted pricing and issue a competitive solicitation. In any event, price increases for renewal terms shall be subject to a maximum negotiated increase of **no more than THREE PERCENT (3%)** annually unless there are mitigating market conditions. The City is under no obligation to renew the contract for an additional term or to accept Vendor's proposed price increases. Vendor must receive written notification from the City confirming that the City has accepted the new prices prior to processing any orders at the new cost. Any orders issued by the City prior to formal approval of a price increase shall not be modified. Any payment of the adjusted price by City does not constitute acceptance of new pricing. Vendors are expected to pass along to the City any and all decreases in pricing on products and services or to keep pricing constant when market conditions warrant no such increases.

B. **Invoice Submission**. All invoices submitted by Consultant shall include the City Contract Number, an assigned Invoice Number, and an Invoice Date. Consultant will be given a coversheet for their invoice. This cover sheet must be filled out correctly and submitted with each invoice. Consultant shall invoice at least once a month. Consultant shall submit the original invoice through the responsible City Project Manager at: **City of Ocala Department of Budget**, Attn: **Tammi Haslam,** Address: **110 SE Watula Avenue, 3rd Floor, Ocala, Florida 34471**: E-Mail: thaslam@ocalafl.gov.

C. **Payment of Invoices by City**. The City Project Manager must review and approve all invoices prior to payment. City Project Manager's approval shall not be unreasonably withheld, conditioned, or delayed. Payments by City shall be made no later than the time periods established in section 218.735, Florida Statutes.

D. **Withholding of Payment**. City reserves the right to withhold, in whole or in part, payment for any and all work that: (i) has not been completed by Consultant; (ii) fails to meet the Standard of Care and has not been remedied or resolved in a manner satisfactory to the City Project Manager; or (iii) which fails to comply with any term, condition, or other requirement under this Agreement. Any payment withheld shall be released and remitted to Consultant within **THIRTY (30)** calendar days of the Consultant's remedy or resolution of the inadequacy or defect.

E. **Excess Funds**. If due to mistake or any other reason Consultant receives payment under this Agreement in excess of what is provided for by the Agreement, Consultant shall promptly notify City upon discovery of the receipt of the overpayment. Any overpayment shall be refunded to City within **THIRTY (30)** days of Consultant's receipt of the overpayment or must also include interest calculated from the date of the overpayment at the interest rate for judgments at the highest rate as allowed by law.

F. **Amounts Due to the City**. Consultant must be current and remain current in all obligations due to the City during the performance of services under this Agreement. Payments to Consultant may be offset by any delinquent amounts due to the City or fees and/or charges

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

owed to the City.

G. **Tax Exemption**. City is exempt from all federal excise and state sales taxes (State of Florida Consumer's Certification of Exemption 85-8012621655C-9). The City's Employer Identification Number is 59-60000392. Consultant shall not be exempted from paying sales tax to its suppliers for materials to fulfill contractual obligations with the City, nor will Consultant be authorized to use City's Tax Exemption Number for securing materials listed herein.

5. **TERM OF AGREEMENT**. This Agreement shall become effective and commence on **JUNE 1, 2026** and continue in effect for a term of **ONE (1) YEAR**, through and including **MAY 31, 2027** (the "Term"). This Agreement may be renewed for up to **ONE (1)** optional **ONE (1) YEAR** period by written consent between City and Consultant.

6. **FORCE MAJEURE**. Neither party shall be liable for delay, damage, or failure in the performance of any obligation under this Agreement if such delay, damage, or failure is due to causes beyond its reasonable control, including without limitation: fire, flood, strikes and labor disputes, acts of war, acts of nature, terrorism, civil unrest, pandemics, acts or delays in acting of the government of the United States or the several states, judicial orders, decrees or restrictions, or any other like reason which is beyond the control of the respective party ("Force Majeure"). The party affected by any event of force majeure shall use reasonable efforts to remedy, remove, or mitigate such event and the effects thereof with all reasonable dispatch.

   A. The party affected by force majeure shall provide the other party with full particulars thereof including, but not limited to, the nature, details, and expected duration thereof, as soon as it becomes aware.

   B. When force majeure circumstances arise, the parties shall negotiate in good faith any modifications of the terms of this Agreement that may be necessary or appropriate in order to arrive at an equitable solution. Consultant performance shall be extended for a number of days equal to the duration of the force majeure. Consultant shall be entitled to an extension of time only and, in no event, shall Consultant be entitled to any increased costs, additional compensation, or damages of any type resulting from such force majeure delays.

7. **INSPECTION AND ACCEPTANCE OF THE WORK**. Consultant shall report its progress to the City Project Manager as set forth herein. All services, work, and materials provided by Consultant under this Agreement shall be provided to the satisfaction and approval of the Project Manager.

   A. The Project Manager shall decide all questions regarding the quality, acceptability, and/or fitness of materials furnished, or workmanship performed, the rate of progress of the work, the interpretation of the plans and specifications, and the acceptable fulfillment of the Agreement, in his or her sole discretion, based upon both the requirements set forth by City and the information provided by Consultant in its Bid. The authority vested in the Project Manager pursuant to this paragraph shall be confined to the direction or specification of what is to be performed under this Agreement and shall not extend to the actual execution of the work.

   B. Neither the Project Manager's review of Consultant's work nor recommendations made by Project Manager pursuant to this Agreement will impose on Project Manager any responsibility to supervise, direct, or control Consultant's work in progress or for the means, methods, techniques, sequences, procedures or safety precautions or programs incident Consultant's furnishing and performing the work.

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

8. **TERMINATION AND DEFAULT**. Either party, upon determination that the other party has failed or refused to perform or is otherwise in breach of any obligation or provision under this Agreement or the Contract Document, may give written notice of default to the defaulting party in the manner specified for the giving of notices herein. Termination of this Agreement by either party for any reason shall have no effect upon the rights or duties accruing to the parties prior to termination.

   A. **Termination by City for Cause**. City shall have the right to terminate this Agreement immediately, in whole or in part, upon the failure of Consultant to carry out any obligation, term, or condition of this Agreement. City's election to terminate the Agreement for default shall be communicated by providing Consultant written notice of termination in the manner specified for the giving of notices herein. Any notice of termination given to Consultant by City shall be effective immediately, unless otherwise provided therein, upon the occurrence of any one or more of the following events:

      (1) Consultant fails to timely perform any of the services set forth in the specifications of the Agreement or Consultant's Services fail to meet the Standard of Care;

      (2) Consultant provides material that does not meet the specifications of the Agreement;

      (3) Consultant fails to complete the work required within the time stipulated in the Agreement; or

      (4) Consultant fails to make progress in the performance of the Agreement and/or gives City reason to believe that Consultant cannot or will not perform to the requirements of the Agreement.

   B. **Consultant's Opportunity to Cure Default**. City may, in its sole discretion, provide Consultant with an opportunity to cure the violations set forth in City's notice of default to Consultant. Consultant shall commence to cure the violations immediately and shall diligently and continuously prosecute such cure to completion within a reasonable time as determined by City. If the violations are not corrected within the time determined to be reasonable by City or to the reasonable satisfaction of City, City may, without further notice, declare Consultant to be in breach of this Agreement and pursue all remedies available at law or equity, to include termination of this Agreement without further notice.

   C. **City's Remedies Upon Consultant Default**. In the event that Consultant fails to cure any default under this Agreement within the time period specified in this section, City may pursue any remedies available at law or equity, including, without limitation, the following:

      (1) City shall be entitled to terminate this Agreement without further notice;

      (2) City shall be entitled to hire another Consultant to complete the required work in accordance with the needs of City;

      (3) City shall be entitled to recover from Consultant all actual damages, costs, and reasonable attorney's fees arising from Consultant's default prior to termination; and

      (4) City shall be entitled to recovery from Consultant any actual excess costs by: (i) deduction from any unpaid balances owed to Consultant; or (ii) any other remedy as provided by law.

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

D. **Termination for Non-Funding**. In the event that budgeted funds to finance this Agreement are reduced, terminated, or otherwise become unavailable, City may terminate this Agreement upon written notice to Consultant without penalty or expense to City. City shall be the final authority as to the availability of budgeted funds.

E. **Termination for Convenience**. City reserves the right to terminate this Agreement in whole or in part at any time for the convenience of City without penalty or recourse. The Project Manager shall provide written notice of the termination. Upon receipt of the notice, Consultant shall immediately discontinue all work as directed in the notice, notify all subcontractors of the effective date of the termination, and minimize all further costs to City including, but not limited to, the placing of any and all orders for materials, facilities, or supplies, in connection with its performance under this Agreement. Consultant shall be entitled to receive compensation solely for: (1) the actual cost of the work completed in conformity with this Agreement; and/or (2) such other costs incurred by Consultant as permitted under this Agreement and approved by City.

9. **DELAYS AND DAMAGES.** The Consultant agrees to make no claim for extra or additional costs attributable to any delays, inefficiencies, or interference in the performance of this contract occasioned by any act or omission to act by the City except as provided in the Agreement. The Consultant also agrees that any such delay, inefficiency, or interference shall be compensated for solely by an extension of time to complete the performance of the work in accordance with the provision in the standard specification.

10. **PERFORMANCE EVALUATION**. At the end of the contract, City may evaluate Consultant's performance. Any such evaluation will become public record.

11. **NOTICE REGARDING FAILURE TO FULFILL AGREEMENT**. Any Consultant who enters into an Agreement with the City of Ocala and fails to complete the contract term, for any reason, shall be subject to future bidding suspension for a period of **ONE (1)** year and bid debarment for a period of up to **THREE (3)** years for serious contract failures.

12. **CONSULTANT REPRESENTATIONS**. Consultant expressly represents that:

A. Consultant has read and is fully familiar with all of the terms and conditions of this Agreement, the Contract Documents, and other related data and acknowledges that they are sufficient in scope and detail to indicate and convey understanding of all terms and conditions of the work to be performed by Consultant under this Agreement.

B. Consultant has disclosed, in writing, all known conflicts, errors, inconsistencies, discrepancies, or omissions discovered by Consultant in the Contract Documents, and that the City's written resolution of same is acceptable to Consultant.

C. Consultant is familiar with all local, state, and Federal laws, regulations, and ordinances which may affect cost, progress, or its performance under this Agreement whatsoever.

D. **Public Entity Crimes.** Neither Consultant, its parent corporations, subsidiaries, members, shareholders, partners, officers, directors, or executives, nor any of its affiliates, Consultants, suppliers, subcontractors, or consultants under this Agreement have been placed on the convicted vendor list following a conviction of a public entity crime. Consultant understands that a "public entity crime" as defined in section 287.133(1)(g), Florida Statutes, is "a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

or with the United States…" Consultant further understands that any person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime: (1) may not submit a bid, proposal, or reply on a contract: (a) to provide any goods or services to a public entity; (b) for the construction or repair of a public building or public work; or (c) for leases of real property to a public entity; (2) may not be awarded or perform work as a Consultant, supplier, subcontractor, or consultant under a contract with any public entity; and (3) may not transact business with any public entity in excess of the threshold amount provided in section 287.017, Florida Statutes, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

13. **CONSULTANT RESPONSIBILITIES**. Except as otherwise specifically provided for in this Agreement, the following provisions are the responsibility of the Consultant:

    A. Consultant shall competently and efficiently supervise, inspect, and direct all work to be performed under this Agreement, devoting such attention thereto and applying such skills and expertise as may be necessary to perform the work in accordance with the Contract Documents.

    B. Consultant shall be solely responsible for the means, methods, techniques, sequences, or procedures and safety precautions or programs incident thereto.

    C. Consultant shall be responsible to see that the finished work complies accurately with the contract and the intent thereof.

    D. Consultant shall comply with all applicable and non-conflicting local, state, and Federal laws, regulations, and ordinances, in effect on the effective date of this Agreement, which may affect cost, progress, or its performance under this Agreement, and be responsible for all costs associated with same. If any discrepancy or inconsistency should be discovered between the specifications established for the Services and any law, regulation, ordinance, order or decree applicable to the Services, Consultant will immediately report such discrepancy or inconsistency to the City and will conform its work to any orders or instructions issued by the City.

    E. Consultant shall continue its performance under this Agreement during the pendency of any dispute or disagreement arising out of or relating to this Agreement, provided the City continues to pay Consultant for Services not in dispute, except as Consultant and City may otherwise agree in writing.

14. **NO EXCLUSIVITY**. It is expressly understood and agreed by the parties that this is not an exclusive agreement. Nothing in this Agreement shall be construed as creating any exclusive arrangement with Consultant or as prohibit City from either acquiring similar, equal, or like goods and/or services or from executing additional contracts with other entities or sources.

15. **RESPONSIBILITIES OF CITY.** City or its Representative shall issue all communications to Consultant. City has the authority to request changes in the work in accordance with the terms of this Agreement and with the terms in **Exhibit A.** City has the authority to stop work or to suspend any work.

16. **COMMERCIAL AUTO LIABILITY INSURANCE.** Consultant shall procure, maintain, and keep in full force, effect, and good standing for the life of this Agreement a policy of commercial auto liability insurance with a minimum combined single limit of One Million Dollars ($1,000,000) per occurrence for bodily injury and property damage arising out of Consultant's operations and

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

covering all owned, hired, scheduled, and non-owned automobiles utilized in said operations. If Consultant does not own vehicles, Consultant shall maintain coverage for hired and non-owned automobile liability, which may be satisfied by way of endorsement to Consultant's Commercial General Liability policy or separate Commercial Automobile Liability policy.

17. **GENERAL LIABILITY INSURANCE.** Consultant shall procure and maintain, for the life of this Agreement, commercial general liability insurance with minimum coverage limits not less than:

    A. One Million Dollars ($1,000,000) per occurrence and Two Million Dollars ($2,000,000) aggregate limit for bodily injury, property damage, and personal and advertising injury; and

    B. One Million Dollars ($1,000,000) per occurrence and Two Million Dollars ($2,000,000) aggregate limit for products and completed operations.

    C. Policy must include coverage for contractual liability and independent Consultants.

    D. The City, a Florida municipal corporation, and its officials, employees, and volunteers are to be covered as additional insureds with a CG 20 26 04 13 Additional Insured – Designated Person or Organization Endorsement or similar endorsement providing equal or broader Additional Insured Coverage with respect to liabilities arising out of activities performed by or on behalf of Consultant. This coverage shall contain no special limitation on the scope of protection to be afforded to the City, its officials, employees, and volunteers.

18. **PROFESSIONAL LIABILITY AND OMISSIONS.** Consultant shall procure and maintain, for a period of not less than **FIVE (5) YEARS** from the date of acceptance of the work by the City, a policy of professional liability/error and omissions insurance in an amount not less than One Million Dollars ($1,000,000) per claim and aggregate.

19. **WORKERS' COMPENSATION AND EMPLOYER'S LIABILITY.** Consultant shall procure, maintain, and keep in full force, effect, and good standing for the life of this Agreement adequate workers' compensation and employer's liability insurance covering all of its employees in at least such amounts as required by Chapter 440, Florida Statutes, and all other state and federal workers' compensation laws, including the U.S. Longshore Harbor Workers' Act and the Jones Act, if applicable. Consultant shall similarly require any and all of its subcontractors to afford such coverage for all of its employees as required by applicable law. Consultant shall waive and shall ensure that Consultant's insurance carrier waives, all subrogation rights against the City of Ocala and its officers, employees, and volunteers for all losses or damages. Consultant's policy shall be endorsed with WC 00 03 13 Waiver of our Right to Recover from Others or its equivalent. **Exceptions and exemptions to this Section may be allowed at the discretion of the City's Risk Manager on a case-by-case basis in accordance with Florida Statutes and shall be evidenced by a separate waiver**.

20. **MISCELLANEOUS INSURANCE PROVISIONS.**

    A. Consultant's insurance coverage shall be primary insurance for all applicable policies. The limits of coverage under each policy maintained by Consultant shall not be interpreted as limiting Consultant's liability or obligations under this Agreement. City does not in any way represent that these types or amounts of insurance are sufficient or adequate enough to protect Consultant's interests or liabilities or to protect Consultant from claims that may arise out of or result from the negligent acts, errors, or omissions of Consultant, any of its agents or subcontractors, or for anyone whose negligent act(s) Consultant may be legally liable.

    B. No insurance shall be provided by the City for Consultant under this Agreement and

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

Consultant shall be fully and solely responsible for any costs or expenses incurred as a result of a coverage deductible, co-insurance penalty, or self-insured retention to include any loss not covered because of the operation of such deductible, co-insurance penalty, self-insured retention, or coverage exclusion or limitation.

C. Certificates of Insurance. No work shall be commenced by Consultant under this Agreement until the required Certificate of Insurance and endorsements have been provided nor shall Consultant allow any subcontractor to commence work until all similarly required certificates and endorsements of the subcontractor have also been provided. Work shall not continue after expiration (or cancellation) of the Certificate of Insurance and work shall not resume until a new Certificate of Insurance has been provided. **Consultant shall provide evidence of insurance in the form of a valid Certificate of Insurance (binders are unacceptable) prior to the start of work contemplated under this Agreement to: City of Ocala. Attention: Procurement & Contracting Department, Address: 110 SE Watula Avenue, Third Floor, Ocala Florida 34471, E-Mail: vendors@ocalafl.gov.** Consultant's Certificate of Insurance and required endorsements shall be issued by an agency authorized to do business in the State of Florida with an A.M. Best Rating of A or better. The Certificate of Insurance shall indicate whether coverage is being provided under a claims-made or occurrence form. If any coverage is provided on a claims-made form, the Certificate of Insurance must show a retroactive date, which shall be the effective date of the initial contract or prior. Insurance written on a "Claims Made" form is not acceptable without consultation with City of Ocala Risk Management, except for the Professional Liability policy.

D. City as Additional Insured. The City of Ocala shall be included as an Additional Insured and Certificate Holder on all liability policies identified in this Section with the exception of Workers' Compensation and Professional Liability policies.

E. Notice of Cancellation of Insurance. Consultant's Certificate of Insurance shall provide **THIRTY (30) DAY** notice of cancellation, **TEN (10) DAY** notice if cancellation is for non-payment of premium. In the event that Consultant's insurer is unable to accommodate the cancellation notice requirement, it shall be the responsibility of Consultant to provide the proper notice. Such notification shall be in writing by registered mail, return receipt requested, and addressed to the certificate holder. Additional copies may be sent to the City of Ocala at vendors@ocalafl.gov.

A. Failure to Maintain Required Coverage. The insurance policies and coverages set forth above are required and providing proof of and maintaining insurance of the types and with such terms and limits set forth above is a material obligation of Consultant. Consultant's failure to obtain or maintain in full force and effect any insurance coverage required under this Agreement shall constitute material breach of this Agreement.

F. Severability of Interests. Consultant shall arrange for its liability insurance to include or be endorsed to include a severability of interests/cross-liability provision so that the "City of Ocala" (where included as an additional insured) will be treated as if a separate policy were in existence, but without increasing the policy limits.

21. **NON-DISCRIMINATORY EMPLOYMENT PRACTICES**. During the performance of the contract, the Consultant shall not discriminate against any employee or applicant for employment because of race, color, religion, ancestry, national origin, sex, pregnancy, age, disability, sexual orientation, gender identity, marital or domestic partner status, familial status, or veteran status and shall take affirmative action to ensure that an employee or applicant is afforded equal employment

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

opportunities without discrimination. Such action shall be taken with reference to, but not limited to: recruitment, employment, termination, rates of pay or other forms of compensation and selection for training or retraining, including apprenticeship and on-the-job training.

22. **SUBCONTRACTORS.** Nothing in this Agreement shall be construed to create, impose, or give rise to any duty owed by City or its representatives to any subcontractor of Consultant or any other persons or organizations having a direct contract with Consultant, nor shall it create any obligation on the part of City or its representatives to pay or seek payment of any monies to any subcontractor of Consultant or any other persons or organizations having a direct contract with Consultant, except as may otherwise be required by law. City shall not be responsible for the acts or omissions of any Consultant, subcontractor, or of any of their agents or employees. nor shall it create any obligation on the part of City or its representatives to pay or to seek the payment of any monies to any subcontractor or other person or organization, except as may otherwise be required by law.

23. **INDEPENDENT CONSULTANT STATUS.** Consultant acknowledges and agrees that under this Agreement, Consultant and any agent or employee of Consultant shall be deemed at all times to be an independent Consultant and shall be wholly responsible for the manner in which it performs the services and work required under this Agreement. Neither Consultant nor its agents or employees shall represent or hold themselves out to be employees of City at any time. Neither Consultant nor its agents or employees shall have employee status with City. Nothing in this Agreement shall constitute or be construed to create any intent on the part of either party to create an agency relationship, partnership, employer-employee relationship, joint venture relationship, or any other relationship which would allow City to exercise control or discretion over the manner or methods employed by Consultant in its performance of its obligations under this Agreement.

24. **ASSIGNMENT.** Neither party may assign its rights or obligations under this Agreement to any third party without the prior express approval of the other party, which shall not be unreasonably withheld.

25. **PUBLIC RECORDS.** Consultant shall comply with all applicable provisions of the Florida Public Records Act, Chapter 119, Florida Statutes. Specifically, Consultant shall:

    A. Keep and maintain public records required by the public agency to perform the service.

    B. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.

    C. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if Consultant does not transfer the records to the public agency.

    D. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of Consultant or keep and maintain public records required by the public agency to perform the service. If Consultant transfers all public records to the public agency upon completion of the contract, Consultant shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Consultant keeps and maintains public records upon completion of the contract, Consultant

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

IF CONSULTANT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO CONSULTANT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: CITY OF OCALA, OFFICE OF THE CITY CLERK; 352-629-8266; E-mail: clerk@ocalafl.gov; City Hall, 110 SE Watula Avenue, Ocala, FL 34471.

26. **AUDIT.** Consultant shall comply and cooperate immediately with any inspections, reviews, investigations, or audits relating to this Agreement as deemed necessary by the Florida Office of the Inspector General, the City's Internal or External auditors or by any other Florida official with proper authority.

27. **PUBLICITY.** Consultant shall not use City's name, logo, seal or other likeness in any press release, marketing materials, or other public announcement without City's prior written approval. Notwithstanding the foregoing, upon completion of the project Consultant shall have the right to accurately represent their role, contractual relationship, and work performed under this Agreement in client proposals for the purposes of establishing work experience.

28. **E-VERIFY.** Pursuant to section 448.095, Vendor shall register with and use the U.S. Department of Homeland Security's ("DHS") E-Verify System, accessible at https://e-verify.uscis.gov/emp, to verify the work authorization status of all newly hired employees. Vendor shall obtain affidavits from any and all subcontractors in accordance with paragraph 2(b) of section 448.095, Florida Statutes, and maintain copies of such affidavits for the duration of this Agreement. By entering into this Agreement, Vendor certifies and ensures that it utilizes and will continue to utilize the DHS E-Verify System for the duration of this Agreement and any subsequent renewals of same. Vendor understands that failure to comply with the requirements of this section shall result in the termination of this Agreement and Vendor may lose the ability to be awarded a public contract for a minimum of one (1) year after the date on which the Agreement was terminated. Vendor shall provide a copy of its DHS Memorandum of Understanding upon City's request. Please visit www.e-verify.gov for more information regarding the E-Verify System.

29. **CONFLICT OF INTEREST.** Consultant is required to have disclosed, with the submission of their bid, the name of any officer, director, or agent who may be employed by the City. Consultant shall further disclose the name of any City employee who owns, directly or indirectly, any interest in Consultant's business or any affiliated business entity. Any additional conflicts of interest that may occur during the contract term must be disclosed to the City of Ocala Procurement Department.

30. **WAIVER.** The failure or delay of any party at any time to require performance by another party of any provision of this Agreement, even if known, shall not affect the right of such party to require performance of that provision or to exercise any right, power, or remedy hereunder. Any waiver by any party of any breach of any provision of this Agreement should not be construed as a waiver of any continuing or succeeding breach of such provision, a waiver of the provision itself, or a waiver of any right, power, or remedy under this Agreement. No notice to or demand

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

on any party in any circumstance shall, of itself, entitle such party to any other or further notice or demand in similar or other circumstances.

31. **SEVERABILITY OF ILLEGAL PROVISIONS.** Wherever possible, each provision of this Agreement shall be interpreted in such a manner as to be effective and valid under the applicable law. Should any portion of this Agreement be declared invalid for any reason, such declaration shall have no effect upon the remaining portions of this Agreement.

32. **INDEMNITY.** Consultant shall indemnify and hold harmless City and its elected officials, employees and volunteers against and from all damages, claims, losses, costs, and expenses, including reasonable attorneys' fees, which City or its elected officials, employees or volunteers may sustain, or which may be asserted against City or its elected officials, employees or volunteers, to the extent caused by the negligence, recklessness or intentional wrongful misconduct of Consultant or its employees in performance of its Services under this Agreement.

33. **NO WAIVER OF SOVEREIGN IMMUNITY.** Nothing herein is intended to waive sovereign immunity by the City to which sovereign immunity may be applicable, or of any rights or limits of liability existing under Florida Statute § 768.28. This term shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until any proceeding brought under this Agreement is barred by any applicable statute of limitations.

34. **NOTICES.** All notices, certifications or communications required by this Agreement shall be given in writing and shall be deemed delivered when personally served, or when received if by facsimile transmission with a confirming copy mailed by registered or certified mail, postage prepaid, return receipt requested. Notices can be concurrently delivered by e-mail. All notices shall be addressed to the respective parties as follows:

If to Consultant:	Alfred Benesch & Company Attention: Faith Lake 1000 North Ashley Drive Tampa, Florida 33602 Phone: 703-598-3250 E-mail: flake@benesch.com
If to City of Ocala:	Patricia Lewis, Interim Director City of Ocala 110 SE Watula Avenue, 3rd Floor Ocala, Florida 34471 Phone: 352-629-8343 E-mail: notices@ocalafl.gov
Copy to:	William E. Sexton, Esq., City Attorney City of Ocala 110 SE Watula Avenue, 3rd Floor Ocala, Florida 34471 Phone: 352-401-3972 E-mail: cityattorney@ocalafl.gov

35. **ATTORNEYS' FEES.** If any civil action, arbitration or other legal proceeding is brought for the enforcement of this Agreement, or because of an alleged dispute, breach, default or misrepresentation in connection with any provision of this Agreement, the successful or

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

prevailing party shall be entitled to recover reasonable attorneys' fees, sales and use taxes, court costs and all expenses reasonably incurred even if not taxable as court costs (including, without limitation, all such fees, taxes, costs and expenses incident to arbitration, appellate, bankruptcy and post-judgment proceedings), incurred in that civil action, arbitration or legal proceeding, in addition to any other relief to which such party or parties may be entitled. Attorneys' fees shall include, without limitation, paralegal fees, investigative fees, administrative costs, sales and use taxes and all other charges reasonably billed by the attorney to the prevailing party. For purposes of this Agreement, the Prevailing party is the party who recovers at least 75% of its total claims in the action or who is required to pay no more than 25% of the other party's total claims in the action when considered in the totality of claims and counterclaims, if any. In claims for money damages, the total amount of recoverable attorney's fees and costs shall not exceed the net monetary award of the prevailing party.

36. **JURY WAIVER.** IN ANY CIVIL ACTION, COUNTERCLAIM, OR PROCEEDING, WHETHER AT LAW OR IN EQUITY, WHICH ARISES OUT OF, CONCERNS, OR RELATES TO THIS AGREEMENT, ANY AND ALL TRANSACTIONS CONTEMPLATED HEREUNDER, THE PERFORMANCE HEREOF, OR THE RELATIONSHIP CREATED HEREBY, WHETHER SOUNDING IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE, TRIAL SHALL BE TO A COURT OF COMPETENT JURISDICTION AND NOT TO A JURY. EACH PARTY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY. NEITHER PARTY HAS MADE OR RELIED UPON ANY ORAL REPRESENTATIONS TO OR BY ANY OTHER PARTY REGARDING THE ENFORCEABILITY OF THIS PROVISION. EACH PARTY HAS READ AND UNDERSTANDS THE EFFECT OF THIS JURY WAIVER PROVISION.

37. **GOVERNING LAW.** This Agreement is and shall be deemed to be a contract entered and made pursuant to the laws of the State of Florida and shall in all respects be governed, construed, applied and enforced in accordance with the laws of the State of Florida.

38. **JURISDICTION AND VENUE.** The parties acknowledge that a majority of the negotiations, anticipated performance and execution of this Agreement occurred or shall occur in Marion County, Florida. Any civil action or legal proceeding arising out of or relating to this Agreement shall be brought only in the courts of record of the State of Florida in Marion County or the United States District Court, Middle District of Florida, Ocala Division. Each party consents to the exclusive jurisdiction of such court in any such civil action or legal proceeding and waives any objection to the laying of venue of any such civil action or legal proceeding in such court and/or the right to bring an action or proceeding in any other court. Service of any court paper may be effected on such party by mail, as provided in this Agreement, or in such other manner as may be provided under applicable laws, rules of procedures or local rules.

39. **REFERENCE TO PARTIES.** Each reference herein to the parties shall be deemed to include their successors, assigns, heirs, administrators, and legal representatives, all whom shall be bound by the provisions hereof.

40. **MUTUALITY OF NEGOTIATION.** Consultant and City acknowledge that this Agreement is a result of negotiations between Consultant and City, and the Agreement shall not be construed in favor of, or against, either party because of that party having been more involved in the drafting of the Agreement.

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

41. **SECTION HEADINGS.** The section headings herein are included for convenience only and shall not be deemed to be a part of this Agreement.

42. **RIGHTS OF THIRD PARTIES.** Nothing in this Agreement, whether express or implied, is intended to confer any rights or remedies under or because of this Agreement on any persons other than the parties hereto and their respective legal representatives, successors and permitted assigns. Nothing in this Agreement is intended to relieve or discharge the obligation or liability of any third persons to any party to this Agreement, nor shall any provision give any third persons any right of subrogation or action over or against any party to this Agreement.

43. **AMENDMENT.** No amendment to this Agreement shall be effective except those agreed to in writing and signed by both parties to this Agreement.

44. **COUNTERPARTS.** This Agreement may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument.

45. **ELECTRONIC SIGNATURE(S).** Consultant, if and by offering an electronic signature in any form whatsoever, will accept and agree to be bound by said electronic signature to all terms and conditions of this Agreement. Further, a duplicate or copy of the Agreement that contains a duplicated or non-original signature will be treated the same as an original, signed copy of this original Agreement for all purposes.

46. **ENTIRE AGREEMENT.** This Agreement, including exhibits, (if any) constitutes the entire Agreement between the parties hereto with respect to the subject matter hereof. There are no other representations, warranties, promises, agreements, or understandings, oral, written or implied, among the Parties, except to the extent reference is made thereto in this Agreement. No course of prior dealings between the parties and no usage of trade shall be relevant or admissible to supplement, explain, or vary any of the terms of this Agreement. No representations, understandings, or agreements have been made or relied upon in the making of this Agreement other than those specifically set forth herein.

47. **LEGAL AUTHORITY**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK. SIGNATURE PAGE TO FOLLOW.]

IN WITNESS WHEREOF, the parties have executed this Agreement on 6/9/2026.

BACKGROUND

1. Consultant shall prepare the annual fire assessment roll update for Fiscal Year 2026–27. These services will also be required for Fiscal Year 2027–28. Consultant shall provide all labor, services, and related resources necessary to perform the work in full compliance with the Scope of Work and specifications set forth herein.
2. The City of Ocala, located in Marion County, Florida, has an estimated population of 65,000 residents and covers approximately 47.2 square miles. The City offers a small-town environment within a growing metropolitan area and is conveniently accessible via Highway 40 and Interstate 75.
3. In January 2021, the City adopted a non-ad valorem fire assessment. The first year of the assessment was billed directly by the City of Ocala, with subsequent years included in tax bills issued by the Marion County Tax Collector. The City anticipates reimposing the non-ad valorem fire assessment for the fiscal year beginning October 1, 2026. Annual coordination with the Marion County Property Appraiser and the Marion County Tax Collector is required pursuant to the Uniform Collection Act (Florida Statutes 197.3632).

PROJECT SUMMARY AND DELIVERABLES

1. **Project Summary:** The Consultant shall be required to perform the following services for the City of Ocala:
   - Update property data portions of the fire assessment roll based on the updated Marion County Property Appraiser (MCPA) database released in June/July of 2026.
   - Coordinate with MCPA regarding any questions on the revisions and/or new classifications.
   - Identify parcels that have experienced a change in their classifications.
   - Update the fire assessment roll and submit the updated roll to the Marion County Tax Collector on or before September 15, 2026.
   - Incorporate any additional changes sent by MCPA in October of 2026.
   - Coordinate with the City Project Manager to discuss results or respond to questions on the roll data via virtual meetings, e-mails, or phone calls.
2. **Important Dates:**

   TRIM Data
   - Friday, July 31, 2026, 5:00 P.M: TRIM Notice Non-Ad Valorem Data Cut-off.
   - Saturday, August 1, 2026, by Noon: MCPA provides TRIM data to the City of Ocala or its designee.
   - Tuesday, August 4, 2026, by Noon: City of Ocala returns TRIM data to MCPA.

   TRIM Notices
   - Thursday, August 20, 2026: Tentative mailing date.

   Final Roll (Tax Notices)
   - Friday, October 2, 2026, 5:00 P.M.: Final Roll Cut-off.
   - Saturday, October 3, 2026, by Noon: MCPA provides final roll data to the City of Ocala or its

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

designee.

- Tuesday, October 6, 2026, by Noon: City of Ocala returns final roll data to MCPA

3. **Deliverables:** The Consultant shall provide monthly reports of all work in progress. Deliverables must be provided to the City of Ocala Project Manager before payment for such work.

CONSULTANT EMPLOYEES AND EQUIPMENT

1. Consultant shall utilize competent employees in performing the work. Employees performing the work must be properly licensed or qualified as required by the scope/project.
2. The Consultant shall provide an assigned Project Manager, who will be the primary point of contact. Consultant shall provide a valid telephone number and address at all times to the City Project Manager. The telephone must be answered during normal working hours or voicemail must be available to take a message.
3. At the request of the City, the Consultant shall replace any incompetent, unfaithful, abusive, or disorderly person in their employment. City and Consultant shall each be promptly notified by the other of any complaints received.
4. Consultant will operate as an independent consultant and not as an agent, representative, partner or employee of the City of Ocala, and shall control their operations at the work site, and be solely responsible for the acts or omissions of their employees.

CITY OF OCALA RESPONSIBILITIES

City shall furnish the following services/data to Consultant for the performance of services:

A. Access to City buildings and facilities to perform the work.

B. Provide access to drawings, specifications, schedules, reports, and other information prepared by/for the City pertinent to the Consultant's responsibilities.

C. Provide office facilities for the Consultant, if needed.

CONSULTANT RESPONSIBILITIES

1. Consultant shall complete all work required under this Scope of Work in accordance with policies and procedures of the City and all applicable State and Federal laws, policies, procedures, and guidelines.
2. Consultant shall obtain and pay for any licenses, additional equipment, etc., required to fulfill this contract.
3. Data collected by Consultant shall be in a format compatible with or easily converted to City's databases. A sequential naming convention should be applied to the files and documentation provided to the City.
4. Consultant shall ensure that all documents prepared under this contract have been prepared on a Windows-based operating system computer using the most current version of Microsoft Office, which includes: Word, Excel, Power Point, Access or any other software as specified and approved by City staff.

SUB-CONTRACTORS

1. Consultant must perform 100% of the work with their own forces.

I. Introduction

The City of Ocala implemented a fire assessment program in early 2021, which was further refined in late 2021 to incorporate additional residential and non-residential land use categories. The study was updated in 2022. To reflect the most recent budget, incident data, and property unit data, the City retained Benesch in association with Susan Schoettle-Gumm, PLLC to prepare a fire assessment update study. A fire assessment is an annual charge applied to each property in the City that typically is collected through the property owners' tax bill under Florida's Uniform Assessment Collection Act. This document provides an explanation of the methodology used to calculate the fire assessment rates and the findings of the fire assessment study.

Fire Departments' primary function/goal is to respond to fire and medical incidents within a criticial time frame to save lives and structures. Availability of this service on a 24-hour basis for seven (7) days a week along with the appropriate use of these resources is critical for the entire community during incidents by saving lives and protecting property, and through reductions in insurance premiums and increased property values.

Fire rescue services in Ocala are provided by the City of Ocala Fire Rescue Department. This study includes the Fire Department's budget associated with providing fire rescue and medical service with the exception of advanced life support (ALS) services. As discussed further in the Legal Requirements section of this report, fire assessments may not include costs related to non-traditional fire department services such as ALS. The portion of the Fire Rescue Department's budget associated with ALS services is excluded from the calculation of the Fire Assessment rates developed in this report.

Consistent with the current adopted methodology, this study uses a methodology that combines benefits received from the availability of the Fire Department with use of its resources, including equipment and personnel, for non-ALS incidents to determine the relative special benefit received by and allocate costs to each assessable property.

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

II. Service Delivery, Methodology and Legal Requirements

The City of Ocala Fire Rescue Department (OFR) provides fire rescue services throughout the city from seven fire stations, including:

- Fire Station No. 1 – 505 NW MLK Jr. Avenue;
- Fire Station No. 2 – 2701 SE 36th Avenue;
- Fire Station No. 3 – 320 NE 8th Avenue;
- Fire Station No. 4 – 3300 SW 20th Street;
- Fire Station No. 5 – 2340 NE 25th Avenue;
- Fire Station No. 6 – 5220 SW 50th Court; and
- Fire Station No. 7 – 885 SE 31st Street.

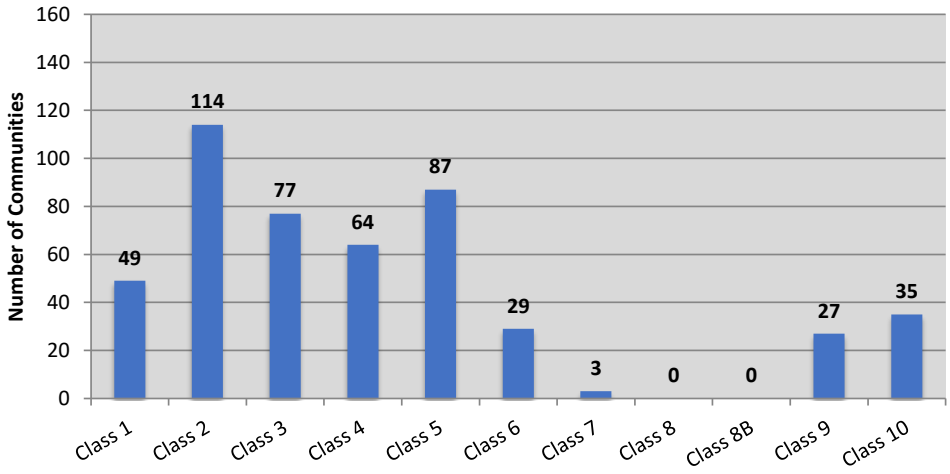
As mentioned previously, the study methodology has two components:

- Benefit received from the availability of the Fire Department on a 24-hour, 7 days a week basis, and
- Benefit received from the actual response to events.

Benefit from the Availability of the Fire Department

The availability of the Fire Department's services benefits properties in terms of insurance premium reductions as well as an increase in property values even if services of the Fire Department are never directly utilized by an individual property.

Measurement of a community's fire protection services is provided through the Insurance Services Office (ISO), which collects information on municipal fire protection efforts throughout the United States. Ratings by the ISO are accepted by the insurance industry and by fire departments nationwide as the industry standard for measuring a fire department's capacity and ability to suppress fire incidents. For each community, ISO analyzes relevant data using its Fire Suppression Rating Schedule (FSRS). The three primary areas of data analyzed include 1) fire department fire alarm and communications system, 2) fire department staff and equipment, and 3) water supply system available to the fire department. In turn, the FSRS is used to assign a Public Protection Classification (PPC) from 1 to 10 (commonly referred to as a fire department's "ISO Rating"). An ISO Rating of Class 1 represents excellent public protection, while an ISO Rating of Class 10 indicates that the community's fire-suppression program does not meet ISO's minimum criteria. Participation in the ISO program aims primarily to provide a community with



Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

an objective and standard rating system used nationwide that assists fire departments in planning and budgeting for facilities, equipment, and training. In addition, ISO ratings are used by many insurance companies to establish appropriate fire insurance premiums for residential and commercial properties within that community, thus providing a financial incentive for communities that choose to improve their fire protection services. This reduction in insurance premiums for structures and property is a special benefit to property supporting the fire assessments presented in this study.

Studies conducted on the impact of ISO ratings on insurance premiums documented that an improvement from Class 10 to Class 7 reduced insurance premiums 30 percent to 40 percent for residential properties. An improvement from Class 10 to Class 6 or better resulted in insurance premium reductions of 15 percent to 20 percent for office buildings.

The current ISO rating in Ocala is Class 2/2X. Class 1 and 2 ratings are achieved by approximately 35 percent of the communities in Florida. **Figure 1** presents the distribution of ISO Ratings for Florida communities.

Figure 1
Distribution of ISO Ratings for Florida Communities

Benefit from the Active Use of The Fire Department's Services

Approximately 76 percent of the incidents responded by OFR are medical in nature and 24 percent are fire related. As mentioned previously, this study examines the use of total available resources in responding to these incidents to allocate a portion of the costs to assessed properties. The Department has the capabilities to respond to fire incidents at any of the buildings in the city regardless of size.

Legal Requirements

There is a substantial body of case law in Florida upholding the authority of local governments to impose special assessments for fire rescue services. See, for example, Fire Dist. No. 1 of Polk County v. Jenkins, 221 So.2d 740 (Fla. 1969); Lake County v. Water Oak Management Corp., 695 So. 2d 667 (Fla. 1997), City of North Lauderdale v. SMM Properties, Inc., 825 So.2d 343 (Fla. 2002), Desiderio Corp. v. City of Boynton Beach, 39 So.3d 487 (4th DCA 2010). The authority of local governments to adopt and impose special assessments for fire rescue services and to develop fair and reasonable assessment apportionment methodologies was recently reaffirmed and unanimously upheld by the Florida Supreme Court in Morris vs. City of Cape Coral, 163 So.3d 1174 (Fla. 2015). This case upheld the City of Cape Coral's fire assessment program that recognized insurance savings, reduction in financial liability, and enhanced property values were among the special benefits to property received from the Fire Department's services. This case also approved the availability-based benefit approach that is being incorporated into this study.

Under Florida case law, the services or improvements funded by the assessment must have a logical relationship with and provide "special benefit" to property, and the assessment methodology must apportion the costs in a fair and reasonable manner. A local government's legislative determination of special benefit and fair apportionment should be upheld by a court unless the determination is arbitrary and not supported by competent, substantial evidence. Sarasota County v. Sarasota Church of Christ, Inc., 667 So.2d 180, 183 (Fla. 1995) (citing City of Boca Raton v. State, 595 So.2d 25, 30 (Fla. 1992). In City of North Lauderdale v. SMM Properties, Inc., 825 So.2d 343 (Fla. 2002), the Florida Supreme Court reaffirmed that traditional fire protection services such as fire suppression, fire prevention, fire/building inspections and first response medical services (BLS) provide special benefit to property but held that advance life support (ALS) and medical transport do not have a logical relationship to property. The City of North Lauderdale decision limits a fire assessment to that portion of the fire department budget that relates to traditional fire services, including first responder services. The use of historical demand for fire protection services, by reviewing calls for service, was upheld as a reasonable

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

and fair basis for apportioning fire protection costs to assessed properties in the City of North Lauderdale case. In Desiderio Corporation, et al. v City of Boynton Beach, et al., 39 So.3d 487 (Fla. 4th DCA 2010), a method of allocating budget costs between fire rescue costs and ALS costs was approved as a fair and reasonable way to identify and remove ALS costs from the calculation of a fire rescue assessment.

The fire assessment methodology contained in this report is consistent with Florida case law and uses a combination of availability-based and resource utilization-based approaches. The calculations exclude the portion of OFR's fire budget and incidents associated with non-traditional emergency medical services, such as ALS, through a budget analysis, and allocates costs to assessed properties based on historical calls for service to quantify relative demand for and benefit from fire services by different land uses and properties.

Special Benefit and Fair Allocation Analysis

Fire services, facilities and programs provided by the City provide special benefit to assessed properties and have a logical relationship to the use, value, and enjoyment of such improved property. There are availability, or standing watch, benefits that come from the 24-hour, 7 days a week availability of fire service and first responder services as well as the more direct benefits from the responses to incidents by the Fire Department. Benefits include protecting the value and integrity of improvements and structures, protecting the life and safety of intended occupants in the use and enjoyment of property, lowering the cost of fire insurance by the presence of professional and comprehensive fire services within the city, and containing fire incidents with the potential to spread and endanger other property.

As detailed later in this report, the Fire Rescue Department budget has been analyzed by cost categories to exclude costs related to providing ALS and to include in the assessable costs only costs reasonably related to the provision of traditional fire services, including for example, fire suppression, fire prevention, fire/building inspections and first response medical services (BLS). The assessable costs were then allocated to land uses based on a combination of availability of the service and historical usage of fire services by the land use types. The analysis includes multi-year records of calls for service and the total department resources used in responding to the incidents to obtain a larger sample size and more stable resource distribution.

The costs allocated to the Residential Land Use, which includes single family, multi-family, and mobile home categories, are distributed on a per dwelling unit basis for several square footage tiers for development in the city. The number and size of dwelling units on an assessed property

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

is obtained from the property database maintained by the Property Appraiser in the normal course of performing his or her constitutional responsibilities. The fire assessment for any residential parcel is determined by the number of dwelling units multiplied by the applicable residential dwelling unit rate for each residential category as determined based on the type of residential development and the size of the dwelling unit(s).

The costs allocated to the Non-Residential Land Uses are distributed based on square footage tiers for four different categories (commercial, industrial, institutional and government). Square footage data for non-residential structures on assessed property is obtained primarily from the property database maintained by the Property Appraiser in the normal course of performing his or her constitutional responsibilities with some additional data provided by the City from on-site inspections of structures. The use of square footage tiers for Non-Residential property is fair and reasonable because the demand for fire services is not precisely determined by the actual square footage of a structure and the application of square footage tiers to Non-Residential structures is a fair and reasonable method to apportion costs among benefitted buildings that create similar demand for fire services.

Finally, a separate rate is calculated for vacant developable property based on resource utilization, adjusted to reflect lesser benefit received by vacant properties compared to the property with structures and people. The resulting share of the budget is divided by the number of vacant parcels to calculate the assessment rate.

III. Calculation of Fire Assessment Rates

There are several components in determining the fire assessment rate schedule:

- Assessment factor
- Fire assessment funding requirement
- Incident data distribution by land use
- Fire assessment cost allocation
- Land use data
- Calculated assessment schedule

These components are discussed in further detail below, resulting in the calculated fire assessment rate schedule for the City of Ocala.

Assessment Factor

≈81% of the Fire Department's resources are used for non-ALS incidents.

The first component in calculating the City's fire assessment rates is to determine the assessment factor, which includes analysis of total department resources used in responding to incidents as well as the number of incidents. This assessment factor is used to identify assessable costs in the Fire Department budget by excluding costs related to ALS when a cost category represents a mix of assessable and non-assessable costs. The distribution of incidents was analyzed in terms of advanced life support (ALS) versus fire and basic life support (BLS). This analysis includes incident data from March 2016 through December 2022, for a total of almost seven years of incident data. **Table 1** provides a summary of the seven-year average that incorporates the recent incident activity. Throughout this study, a seven-year average is used to minimize temporary fluctuations in any individual year. The portion of non-ALS incidents, measured through the allocation of total resources to these incidents, is approximately 81 percent and is used as part of the budget allocation process.

Fire Assessment Funding Requirement

Table 2 provides a detailed breakdown of the FY 2023 assessable budget for the City of Ocala Fire Department. If a given expenditure is associated with non-ALS services, the entire amount is included in the assessable budget. When an expenditure is determined to be related to both ALS and non-ALS services, 81 percent of the amount is included in the assessable budget. All ALS-only expenditures are excluded. In addition, all dedicated revenues are subtracted in a similar manner. Finally, miscellaneous expenditures related to the assessment program are added to determine the full assessable fire budget.

Total Assessable Budget (FY 2022)			**$16,486,107**
Total Funding Requirement_Addendum (FY 2022 Adopted)[5]			**$9,765,000**

1) Source: City of Ocala. Detailed expenditure data is provided in Appendix B, Table B-1
2) Total expenditures less total revenue
3) Statutory discount can reflect up to 5% reimbursement, which includes 4% to offset statutory discounts received for early payment pursuant to the Uniform Assessment Collection Act and 1% reserve for delinquencies and under-collection. Used a 2.5% reimbursement of the total net expenditures based on the City's historical average property tax revenue loss due to early payment discounts over the last three years.
4) Sum of net expenditures (Item 2) and total miscellaneous assessment expenditures
5) Reduced FY 2022 budget figure that is the basis for the current adopted fire assessment rates

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

Incident Data Distribution by Land Use

The third component in calculating the fire assessment rates is the demand for fire rescue services by land use, which will be used for the "resource-based" benefit component. The approach used in this report is a widely used and accepted method of identifying the historical relative benefit from and demand for fire services by various land uses. This benefit allocation is used to fairly and reasonably distribute the fire rescue assessed costs to land uses.

To determine the historical demand for fire rescue services by each type of land use, a review was completed to quantify the number of incidents and resources related to each incident by land use. As discussed previously, this approach provides an understanding of the utilization of fire rescue services by each land use. To complete this analysis, based on available data, incidents for the past seven years (2016 through 2022) were obtained from the OFR and analyzed. OFR also identified incidents that had an ALS component. These ALS incidents, as well as others that cannot be attached to a land use (such as traffic accidents or other outside incidents), were excluded from the analysis.

Distributing the cost based solely on the number of incidents does not reflect the full level of resources used by each land use. Therefore, the total resources were reviewed, which take into consideration incident duration, number of vehicles and staff used in addition to the frequency. As shown in **Table 3**, residential incidents account for most of the fire rescue resources in the City of Ocala, with the commercial land use also accounting for a large portion of resources.

Table 3

Distribution of Total Resources by Land Use

Land Use	Resource Distribution 2016-2021	Resource Distribution 2016-2022	% Change
Single Family/Mobile Home/Duplex	37.3%	**36.7%**	-1.6%
Multi-Family	13.5%	**13.6%**	0.7%
Commercial	38.1%	**38.5%**	1.0%
Industrial/Warehouse	3.4%	**3.5%**	2.9%
Institutional	3.1%	**3.0%**	-3.2%
Government	2.0%	**2.0%**	0.0%
Vacant	2.4%	**2.6%**	8.3%
Agricultural	0.2%	**0.1%**	-50.0%
Total	**100.0%**	**100.0%**	-

Source: Appendix A, Table A-8

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

Although approximately 2.6 percent of the resources are used by vacant properties, because vacant properties do not have buildings and people present, the benefit received by these properties is more limited compared to improved properties. The suppression of fire on vacant property benefits vacant property, but also benefits the adjacent improved properties and their occupants by the containment of the spread of fire. Therefore, it is reasonable to allocate half of the vacant land resource utilization to vacant land in the assessment calculations. The rest of the resource utilization is redistributed among other land uses, as shown in **Table 4**.

Table 4
Distribution of Total Resources
by Land Use with Vacant Land Adjustment

Land Use	Resource Distribution 2016-2021	Resource Distribution 2016-2022	% Change
Single Family/Mobile Home/Duplex	37.80%	**37.19%**	-1.6%
Multi-Family	13.70%	**13.78%**	0.6%
Commercial	38.60%	**39.01%**	1.1%
Industrial/Warehouse	3.40%	**3.55%**	4.4%
Institutional	3.10%	**3.04%**	-1.9%
Government	2.00%	**2.03%**	1.5%
Vacant	1.20%	**1.30%**	8.3%
Agricultural	0.20%	**0.10%**	-50.0%
Total	**100.0%**	**100.0%**	-

Source: Table 3, vacant land use is reduced by 50%, which is distributed among other land uses

Fire Assessment Cost Allocation

The fourth component in determining the City's fire assessment rates is the allocation of the assessed costs to land use categories, based on the total fire assessment funding requirement and distribution of total resources. **Table 5** presents the fire assessed cost allocation by land use/rate category. As shown, single family and commercial land uses account for approximately 76 percent of the budget.

Per State legislation, agricultural land uses are exempt from fire rescue assessments. Florida Statutes Section 170.01 (4) provides that, with limited exceptions, a City may not levy a special assessment for fire protection services on lands classified as agricultural lands under Florida Statutes Section 193.461 unless those lands contain a qualified building. Therefore, the portion of the budget associated with agricultural fire rescue incidents cannot be recovered through the City's fire rescue assessment and will be excluded in the remainder of this report. Similarly, the

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

City does not assess government properties and will need to supplement the revenue loss through the General Fund.

Table 6
Fire Protection Cost Allocation

Land Use	FY 2023 Portion of Total Resources[1]	Share of FY 2023 Maximum Assessable Budget[2]
Funding Requirement	-	**$17,953,487**
Single Family/Mobile Home/Duplex	37.19%	$6,676,902
Multi-Family	13.78%	$2,473,991
Commercial	39.01%	$7,003,655

1) Source: Table 5; total resource distribution from 2016 to 2022
2) Reduced assessment funding requirement from Table 2 multiplied by portion of the resources (Item 1)

Property Units

The fifth component in determining the fire assessment rates to allocate the assessed costs to property units (e.g., dwelling units or square footage on parcels) within each land use. This was accomplished by developing an assessment roll database utilizing the most recent data from the Marion County Property Appraiser. The database includes both properties that are tax exempt (i.e., governmental uses) and non-tax exempt, and all units were used in the assessment calculations.

For residential land uses, the total number of dwelling units within the city was determined. In addition, the square footage of each unit was also noted. In the case of apartments, because the square footage of individual units in an apartment building was not available in the Property Appraiser database, an average unit size was calculated based on total square footage and total number of units. For the non-residential (i.e., commercial, industrial/warehouse, and institutional structures) land uses, the total living floor square footage was distributed into square footage tiers.

Table 6 presents a summary of the total property units calculated for each land use category.

Calculated Fire Assessment Rate Schedule

Residential and Non-Residential Land Uses

As discussed previously, this study uses a methodology that combines benefit to the property from the availability of the Fire Department as well as that received from active use of its resources. More specifically, the following steps are completed in the calculation of assessment levels:

- Seventy percent of the budget allocated to residential land uses is distributed among all dwelling units equally. Similarly, 70 percent of the non-residential budget is distributed equally among the total non-residential square footage. This distribution accounts for the benefit received by each property from the availability of the Fire Department's services.
- The remaining 30 percent is distributed to each land use based on use of resources.

The use of 30 percent for resource allocation and 70 percent for availability is due to the industry standards[1] that indicate that a station that is active more than 30 percent of the time tends to experience inefficiencies in terms of addressing concurrent incidents, personnel fatigue, lack of training, among other issues.

[1] Center for Public Safety Excellence and Commission on Fire Accreditation International, *CFAI Standards of Cover, 5th Edition*

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

Tables 7 and 8 provide these calculations for residential land use categories. As presented in **Table 7**, the portion of the budget allocated to residential land use categories is $9.2 million. Seventy percent of this budget is allocated among all dwelling units in the city (29,519) equally, resulting in the availability portion of the assessment rate ($217 per home).

The remaining 30 percent of the budget is distributed between the two residential categories based on their use of resources. Single family/mobile home/duplex units utilize approximately 73 percent of the residential resources while multi-family homes (apartments and condos) use the remaining 27 percent. Distribution of resource-based budget portion in this manner results in a resource-utilization rate of $110 per dwelling unit for single family residential land use and $66 per dwelling unit for multi-family residential land use.

Sum of these two components result in an overall non-tiered base assessment rate of approximately $327 per dwelling unit for single family/mobile home/duplex residential land use and approximately $283 per dwelling unit for multi-family residential land use.

4) Budget allocation divided by dwelling units
5) Total residential budget of $9.2 million multiplied by 70% to calculate availability portion
6) Total residential budget of $9.2 million multiplied by 30% to calculate resource utilization portion
7) Resource utilization portion of the budget (30%) allocated to single family/mobile home/duplex
8) Resource utilization portion of the budge (30%) allocated to multi-family (apartments and condos).
9) Sum of availability-based rate of $217 and resource-utilization based rate of $110
10) Sum of availability-based rate of $217 per unit and resource-utilization based rate of $66

Once the base fee for each residential category is calculated, a tiered schedule is provided in **Table 8**. The resource-based portion varies by size of home given that larger homes tend to be more valuable. A review of average home values by size of home in Ocala obtained from Marion County Property Appraiser database supported this relation.

This tiered approach is supported by the fact that a large portion of the benefit to the property is derived from the availability of the Fire Department in the form of reduced insurance premiums and increased property values, which in turn suggests lower savings from insurance premiums and lower property values for smaller homes. As mentioned previously, the review of the data from the Property Appraiser database suggested that smaller houses have a lower value compared to larger homes.

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

The tiered rates are calculated by developing an Equivalent Residential Unit (ERU) factor for each tier based on the ratio of the average size of each tier to the average size of the entire residential category. These ERU factors are then used to distribute resource-based portion of the fee in a tiered-manner as opposed to using the group average shown in Table 8. The resulting rate is added to the availability-based portion of the rate to determine the final tiered rate for each residential category.

Table 8
Calculated Tiered Residential Assessment Rates

Square Footage Tier	Average Size (Sq Ft)[1]	Equivalent Residential Unit[2]	Resource-Based Portion[3]	Availabilty-Based Portion[4]	Fire Assessment Rate per Unit[5]	Fire Assessment Rate per Unit ADJUSTED[6]

1) Source: Marion County Property Appraiser
2) Average size of each tier is divided by the average size of the entire category
3) Resource utilization-based portion from Table 7 multiplied by ERU (Item 2)
4) Source: Table 7
5) Sum of resource-based portion (Item 3) and availability-based portion (Item 4)
6) Fire assessment rate (Item 5) adjusted down slightly to neutralize revenue generation

Table 9 provides similar calculations for non-residential land uses and calculates assessment rates on a per square foot basis. Consistent with the methodology described previously, 70 percent of the non-residential budget is allocated among all non-residential square footage equally and 30 percent of the non-residential budget is allocated based on resource utilization of each non-residential land use.

Resulting rates are then applied to the mid-point of square footage tiers to develop the tiered non-residential rate schedule on a per parcel basis. These calculations are shown in **Table 10.**

3) Mid-point (Item 1) multiplied by the total parcels (Item 2) for each tier

Vacant Land

As discussed previously, 50 percent of the resources allocated to vacant land is used in the assessment calculation for the vacant parcel assessment rate. This adjustment was made to recognize the fact that vacant property derives less benefit from the Fire Department's availability and services compared to developed properties with buildings and more people. As shown in **Table 11**, this adjusted budget was divided by the number of parcels to determine the assessment rate of $55.69 per parcel.

Appendix A
Ocala Fire Rescue Incident Data

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

Appendix A

This appendix documents the incident data analysis conducted as part of the technical study. Incidents over the past seven years were analyzed to estimate demand from each land use for fire rescue services. **Tables A-1 through A-8** present this analysis.

Appendix C
Property Code Classifications

Docusign Envelope ID: E74B1A19-2485-8A52-83C2-B1513BE244DF

Appendix C

This appendix documents land use classifications used for incidents and for residential units and non-residential square footage.

Table C-1 details the property code classifications from the National Fire Incidents Reporting System. These codes are applied to each fire rescue incident report. The "fire assessment incident category" illustrates how these codes were categorized for the land use categories used in the fire assessment update.

Table C-2 details the property class code classifications from the Marion County Property Appraiser's Office. Property class codes used by the Marion County Property Appraiser correspond to the Department of Revenue (DOR) codes. These codes are applied to each parcel in the City of Ocala. The "fire assessment land use category" illustrates how these codes were categorized for the land use categories used in the fire assessment update. Additional building detail was reviewed, including the improvement type and interior finish type; however, based on information provided by the Fire Department on the classification of incidents, the property class code was used for the fire assessment update.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

FSCJ Florida State College at Jacksonville

Training Agreement

This Training Agreement is entered into this _____ day of 6/9/2026____, 2026 by and between **Florida State College at Jacksonville** ("FSCJ") and **Ocala Fire Rescue Department** ("Customer"). This Agreement will expire on December 31, 2026.

Terms

The terms of the Agreement are hereby incorporated by reference and shall govern the provision course and training services under this proposal.

Description of Courses and/or Training Services

FSCJ agrees to provide instruction for five-hour ARFF Refresher (PSR 0082) Program to Customer's employees as defined in this training agreement.

Training will be delivered on mutually agreed upon dates to be conducted at the Fire Academy of the South, 2700 Firefighter Memorial Drive, Jacksonville, FL**.** Delivery of instruction shall be scheduled and delivered in accordance with the terms and conditions herein.

FSCJ agrees to provide the following:

- Highly qualified instructor
- Course materials
- Classroom and Laboratory Facilities
- PPE Gear (if needed)
- Participant evaluations
- Attendance records

Customer shall commit to the following:

- Identify training participants
- Provide student enrollment information via hard copy enrollment forms or the FSCJ Continuing Education website
- Maintain open lines of communication with Florida State College at Jacksonville's instructor(s) and representatives throughout the training process.

Fees, Costs and Payment Terms

Course	Contact Hours	Proposed Number of Participants	Tuition Cost per Person
ARFF Refresher	5	TBD	$465.00

Tuition for the course is four hundred sixty-five dollars ($465.00) per student. The College will bill for the exact number of Fire Fighters trained at each session.

Docusign Envelope ID: D18CB748-B40C-4B43-A83D-43C177961345

Tuition and fees for all students must be paid by the following schedule:

FSCJ will invoice customer within thirty (30) days from training. Customer shall pay invoice within thirty (30) days of the invoice date. Payments should be directed to:

Florida State College at Jacksonville
Finance Department
Attention: Accounts Receivable
501 West State Street, Jacksonville, FL 32202
AccountsReceivable@fscj.edu
(904) 632-3003

The secured payment link is:
https://quikpayasp.com/fccj/commerce_manager/payer.do?orderType=Sponsor%20Third%20Party

Cancellation Policy

Cancellations must be made one (1) week prior to the proposed start date. Cancellation requests may be made via email to **ARFF@fscj.edu**, or via phone **(904) 997-4953**. If your organization fails to submit a cancellation request within the specified time frame, FSCJ will invoice for minimum fee listed above.

Student Enrollment and Registration

Customer agrees to provide enrollment information for all students. A student may complete a paper enrollment form or submit enrollment information via the FSCJ online application portal. No student may participate in training without being registered.

Confidentiality. Customer agrees not to disclose to others, copy or use for any purpose unrelated to FSCJ's business, directly or indirectly, any trade secret or confidential or proprietary information or data of or relating to FSCJ or its business or operations that Customer obtains as a result of, or in connection with, the performance of the Services ("Confidential Information"), provided that the foregoing shall not apply to information that Customer possessed prior to the commencement of this Agreement or that is generally known to the public other than as a result of Customer's breach of this Agreement.*

By my signature below, I accept this proposal and all associated terms and conditions.

***PUBLIC RECORDS.** FSCJ shall comply with all applicable provisions of the Florida Public Records Act, Chapter 119, Florida Statutes. Specifically, FSCJ shall:

A. Keep and maintain public records required by the public agency to perform the service.
B. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.
C. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if FSCJ does not transfer the records to the public agency.
D. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of FSCJ or keep and maintain public records required by the public agency to perform the service. If FSCJ transfers all public records to the public agency upon completion of the contract, FSCJ shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If FSCJ keeps and maintains public records upon completion of the contract, FSCJ shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

IF FSCJ HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO FSCJ'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: CITY OF OCALA, OFFICE OF THE CITY CLERK; 352-629-8266; E-mail: clerk@ocalafl.gov; City Hall, 110 SE Watula Avenue, Ocala, FL 34471.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

Contract Number: AM688
FEID No.: VF-596000392-002
FY Work Order: Fiscal Year 2026/2027

City of Ocala:

You are hereby authorized to perform maintenance of the State Highway Lighting Systems within your jurisdiction in accordance with the terms and conditions of the State Highway Lighting, Maintenance, and Compensation Agreement.

The total compensation for Fiscal Year 2026/2027 paid under this Work Order is **$462,138.20**. The compensation period for this work order will begin on July 1, 2026, and will expire June 30, 2027. Invoices for this period can be submitted to this office after May 19, 2027, and will be processed in accordance with the Compensation and Payment terms and conditions of the State Highway Lighting, Maintenance, and Compensation Agreement.

Please execute and return using the contact information below. To guarantee availability of funds, these documents must be returned to this office no later than June 1, 2026.

- **Sign this work order confirming receipt and agreement of the compensation terms listed above and return.**
- **Sign Exhibit A for FY 26/27 and return.**

If you have any questions, please contact:

EXHIBIT A (Modified for Renewals)
STATE HIGHWAY LIGHTING, MAINTENANCE, AND COMPENSATION AGREEMENT
For Fiscal Year 26/27

1.0 PURPOSE

This exhibit defines the method and limits of compensation to be made to the **MAINTAINING AGENCY** for the services described in this Agreement and method by which payments will be made.

2.0 FACILITIES

The lighting or lighting systems listed below, or in an attached spreadsheet, or other electronic form are included with this Agreement and represent the Facilities to be maintained by the **MAINTAINING AGENCY**:

1. *See attached verification document*
2.
3.

3.0 COMPENSATION

For the satisfactory completion of all services detailed in this Agreement, **FDOT** will pay the **MAINTAINING AGENCY** the Total Sum as provided in Section 2 of the Agreement. The **MAINTAINING AGENCY** will receive one single payment at the end of each fiscal year for satisfactory completion of service.

The per-light unit rate shall increase by 3% each fiscal year. E.g., the per-light unit rate of $347.89 in fiscal year 25/26 shall increase to $358.33 in fiscal year 26/27.

Total Payment Amount for each fiscal year is calculated by inputting the actual number of qualifying types of lights into the table below and multiplying by the unit rate and 90%. Example: 100 (lights) x $358.33 (unit rate) x 0.90 (90% requirement) = $32,249.70

Type of Light	# of lights	LED or HPS	Unit rate	90%	Total
EXAMPLE	***100***	***LED***	***$358.33***	***.90***	***$32,249.70***
High Mast		HPS		0.00	0.00
Standard		HPS		0.00	0.00
Underdeck		HPS		0.00	0.00
Sign		HPS		0.00	0.00
High Mast		LED		0.00	0.00
Standard	1433	LED	358.33	0.90	$462,138.20
Underdeck		LED		0.00	0.00
Sign		LED		0.00	0.00

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Docusign Envelope ID: 65DED69B-678A-8AD4-81B2-7F48EEEC505D

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

Docusign Envelope ID: 65DED69B-678A-8AD4-81B2-7F48EEEC505D

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

CONTRACT # ELE/260804

APPLICATION FOR INTERCONNECTION OF CUSTOMER-OWNED RENEWABLE GENERATION SYSTEMS

TIER 1 - Ten (10) kW or Less
TIER 2 - Greater than 10 kW and Less Than or Equal to 100 kW
TIER 3 - Greater than 100 kW and Less Than or Equal to Two (2) MW

Note: These customer-owned renewable generation system size limits may be subject to a cumulative enrollment limit on net-metering customers located in the area served by the City of Ocala Electric Utility. Please refer to the Ocala Electric Utility Net-Metering Rate Schedule.

Ocala Electric Utility customers who install customer-owned renewable generation systems (RGS) and desire to interconnect those facilities with the Ocala Electric Utility system are required to complete this application. When the completed application and fees are returned to Ocala Electric Utility, the process of completing the appropriate Tier 1, Tier 2 or Tier 3 Interconnection Agreement can begin. This application and copies of the Interconnection Agreements may be obtained at Ocala Electric Utility, located at 201 SE 3rd Street, Ocala, Florida 34471, or may be requested by email from OEU@ocalafl.org.

1. Customer Information

Name: Katherine S. Pooser

Mailing Address: 5587 NW 40th Place

City: Ocala State: FL Zip Code: 34482

Phone Number: 706-897-7489 Alternate Phone Number: 678-614-0453

Email Address: prestonpooser@yahoo.com Fax Number: _____

Ocala Electric Utility Customer Account Number: 563418-228241

2. RGS Facility Information

Facility Location: 5587 NW 40th Place Ocala, Fl. 34482

Ocala Electric Utility Customer Account Number: 563418-228241

RGS Manufacturer: Hanwha Q-Cells America, Inc.

Manufacturer's Address: 400 Spectrum Center Drive Suite 1400
Irvine, CA. 92618

Reference or Model Number: Q.PEAK DUO-BLK-G6+ (12 Modules- 340W)

Serial Number: Enphase IQ7-60-2-US (12-Micro-inverters)

(Continued on Sheet No.19.1)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

3. Facility Rating Information

Gross Power Rating: 3.468kWac ("Gross power rating" means the total manufacturer's AC nameplate generating capacity of an on-site customer-owned renewable generation system that will be interconnected to and operate in parallel with Ocala Electric Utility's distribution facilities. For inverter-based systems, the AC nameplate generating capacity shall be calculated by multiplying the total installed DC nameplate generating capacity by 0.85 in order to account for losses during the conversion from DC to AC.)

Fuel or Energy Source: Solar PV

Anticipated In- Service Date: 5/17/2021

4. Application Fee

The application fee is based on the Gross Power Rating and must be submitted with this application. The non-refundable application fee is $375 for Tier 2 and $750 for Tier 3 installations. There is no application fee for Tier 1 installations.

5. Interconnection Study Fee

For Tier 3 installations, a deposit in the amount of the estimated costs of the study (to be determined at time of application) must be paid along with this application in addition to the application fee referenced in Article 4 above. This deposit will be applied toward the cost of an interconnection study. The customer will be responsible for the actual costs of the study. Should the actual cost of the study be less than the deposit, the difference will be refunded to the customer. Customer agrees to comply with all interconnection requirements identified in the interconnection study report.

6. Required Documentation

Prior to completion of the Interconnection Agreement, the following information must be provided to the Ocala Electric Utility by the customer.

A. Documentation demonstrating that the installation complies with (or most current version at time of inspection approval):

1. IEEE 1547 (2018) Standard for Interconnecting Distributed Resources with Electric Power Systems.
2. IEEE 1547.1 (2005) Standard Conformance Test Procedures for Equipment Interconnecting Distributed Resources with Electric Power Systems.
3. UL 1741 (2010) Inverters, Converters, Controllers and Interconnection System Equipment for Use with Distributed Energy Resources.

(Continued on Sheet No. 19.2)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

B. Documentation that the customer-owned renewable generation has been inspected and approved by local code officials prior to its operation in parallel with the Ocala Electric Utility system to ensure compliance with applicable local codes. OEU will also require proof of commission testing by a qualified 3rd party testing company (not affiliated in any way with the manufacturer, vendor or installation contractor), for compliance with all required and applicable codes, standards, and interconnection study requirements, prior to setting of OEU metering equipment.

C. Proof of insurance in the amount of:
Tier 1 - $100,000.00
Tier 2 - $1,000,000.00
Tier 3 - $2,000,000.00

Tri-Party Net-Metering Power Purchase Agreement

This Tri-Party Net-Metering Power Purchase Agreement (this "Agreement") is entered into this 23rd day of April, 20 26, by and between the Florida Municipal Power Agency, a governmental joint action agency created and existing under the laws of the State of Florida (hereinafter "FMPA"), the City of Ocala doing business as Ocala Electric Utility, a body politic (hereinafter "OEU"), and Katherine S. Pooser, a retail electric customer of OEU (hereinafter "Customer").

Section 1. Recitals

1.01. OEU and Customer have executed OEU's Standard Interconnection Agreement for a Customer-Owned Renewable Generation System (RGS) pursuant to which OEU has agreed to permit interconnection of Customer's renewable generation to OEU's electric system at Customer's presently-metered location, and Customer has agreed to deliver excess electric energy generated by Customer's Renewable Generation System to OEU's electric distribution system;

1.02. The City of Ocala and FMPA have entered into the All-Requirements Power Supply Contract, dated as of May 1, 1986, (hereinafter the "ARP Contract") pursuant to which the City of Ocala has agreed to purchase and receive, and FMPA has agreed to sell and supply OEU with all energy and capacity necessary to operate the OEU electric system, which limits OEU's ability to directly purchase excess energy from customer-owned renewable generation.

1.03. In order to promote the development of small customer-owned renewable generation by permitting OEU to allow its customers to interconnect with OEU's electric system and to allow OEU's electric customers to offset their electric consumption with customer-owned renewable generation, FMPA, in accordance with the terms and conditions of this agreement, has agreed to purchase excess customer-owned generation from OEU's electric customers interconnected to OEU's electric system.

NOW THEREFORE, for and in consideration of the mutual covenants and agreements set forth herein, the Parties covenant and agree as follows:

Section 2. Interconnection

2.01. Customer shall not begin parallel operations with the OEU electric distribution system until Customer has executed OEU's electric Standard Interconnection Agreement for Small Customer-Owned Renewable Generation and is in compliance with all terms and conditions

OEU requires that the customer install and operate the RGS in accordance with all applicable safety codes and standards. OEU shall establish and enforce terms and conditions of operation and disconnection of all interconnected customer-owned renewable generation as it relates to the effect of the RGS on OEU's electric distribution system.

(Continued on Sheet No. 20.1)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

Section 3. Metering

3.01 In accordance with the OEU's Standard Interconnection Agreement for Customer-Owned Renewable Generation, OEU shall install metering equipment at the point of delivery capable of recording two separate kWh meter readings: (1) the flow of electricity from OEU to the Customer (Delivered), and (2) the flow of excess electricity from the Customer to OEU. OEU shall take meter readings on the same cycle as the otherwise applicable rate schedule.

Section 4. Purchase of Excess Customer-Owned Renewable Generation

4.01. Customer-owned renewable generation shall be first used for Customer's own load and shall offset Customer's demand for OEU's electricity. All electric power and energy delivered by OEU to Customer shall be received and paid for by Customer to OEU (Received) pursuant to the terms, conditions and rates of the OEU otherwise applicable rate schedule.

4.02. Excess customer-owned renewable generation shall be delivered to the OEU Electric distribution system. For purposes of this Agreement, the term "excess customer-owned renewable generation" means any kWh of electrical energy produced by the customer-owned renewable generation system that is not consumed by Customer and is delivered to the OEU electric distribution system. FMPA agrees to purchase and receive, and Customer agrees to sell and deliver, all excess customer-owned renewable generation at the energy rate established by FMPA, which shall be calculated in accordance with Schedule A. Excess customer-owned renewable generation shall be purchased in the form of a credit on Customer's monthly energy consumption bill from OEU.

4.03. In the event that a given monthly credit for excess customer-owned renewable generation exceeds the total billed amount for Customer's consumption in any corresponding month, then the excess credit shall be applied to the subsequent month's bill. Excess energy credits produced pursuant to the preceding sentence shall accumulate and be used to offset Customer's energy consumption bill for a period of not more than twelve (12) months. At the end of each calendar year, any unused excess energy credits shall be paid by OEU to the Customer in accordance with the OEU Electric Net-Metering Service Rate Schedule.

(Continued on Sheet No. 20.2)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

4.04. FMPA and OEU shall not be required to purchase or receive excess customer-owned renewable generation, and may require Customer to interrupt or reduce production of customer-owned renewable generation, (a) when necessary in order to construct, install, maintain, repair, replace, remove, investigate, or inspect any OEU equipment or part of OEU's system; or (b) if either FMPA or OEU determine, in their sole judgment, that curtailment, interruption, or reduction is necessary because of emergencies, forced outages, force majeure, or compliance with any applicable electric code or standard.

4.05. Customer acknowledges that its provision of electricity to OEU hereunder is on a first-offered, first-accepted basis and subject to diminution and/or rejection in the event the total amount of electricity delivered to OEU pursuant to the Net-Metering Service Rate Schedule (as filed with the Florida Public Service Commission), from all participating OEU customers, exceeds two and one-half percent (2.5%) of the aggregate customer peak demand on the OEU electric system.

Section 5. Renewable Energy Credits

5.01. Customer shall offer FMPA a first right of refusal before selling or granting to any third party the right to the Green Attributes associated with its customer-owned renewable generation that is interconnected to OEU electric distribution system. The term "Green Attributes" shall include any and all credits, certificates, benefits, environmental attributes, emissions reductions, offsets, and allowances, however entitled, attributable to the generation of electricity from the customer-owned-renewable generation and its displacement of conventional energy generation.

5.02. Any additional meter(s) installed to measure total renewable electricity generated by the Customer for the purposes of measuring Green Attributes, including and renewable energy certificates (or similarly titled credits for renewable energy generated), shall be installed at the expense of the Customer, unless determined otherwise during negotiations for the sale of the Customer's credits to FMPA.

Section 6. Term and Termination

6.01. This Agreement shall become effective upon execution by all Parties, and shall remain in effect thereafter on a month-to-month basis until terminated by any Party upon thirty (30) days written notice to all other Parties.

6.02. This Agreement shall terminate immediately and without notice upon: (a) termination of the electric distribution service by OEU or (b) failure by Customer to comply with any of the terms and conditions of this Agreement or OEU's Standard Interconnection Agreement for Customer-Owned Renewable Generation.

(Continued on Sheet No. 20.3)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

Section 7. Miscellaneous Provisions

7.01. Assignment. It is understood and agreed that no party may transfer, sell, mortgage, pledge, hypothecate, convey, designate, or otherwise assign this Agreement, or any interest herein or any rights or obligations hereunder, in whole or in part, either voluntarily or by operation of law, (including, without limitation, by merger, consolidation, or otherwise), without the express written consent of the other parties (and any such attempt shall be void), which consent shall not be unreasonably withheld. Subject to the foregoing, this Agreement shall inure to the benefit of and be binding upon the parties and their respective successors and permitted assigns.

7.02 Amendment. It is understood and agreed that FMPA and OEU reserve the right, on no less than an annual basis, to change any of the terms and conditions, including pricing, in this Agreement on sixty (60) days advance written notice. FMPA and OEU may make such changes on an immediate basis in the event any applicable law, rule, regulation or court order requires them. In such event, FMPA and OEU will give Customer as much notice as reasonably possible under the circumstances.

7.03. Indemnification. To the fullest extent permitted by laws and regulations, and in return for adequate, separate consideration, Customer shall defend, indemnify, and hold harmless FMPA and OEU, their officers, directors, agents, guests, invitees, and employees from and against all claims, damages, losses to persons or property, whether direct, indirect, or consequential (including but not limited to fees and charges of attorneys, and other professionals and court and arbitration costs) arising out of, resulting from, occasioned by, or otherwise caused by the operation or misoperation of the customer-owned renewable generation, or the acts or omissions of any other person or organization directly or indirectly employed by the Customer to install, furnish, repair, replace or maintain the customer-owned renewable generation system, or anyone for whose acts any of them may be liable.

7.04. Governing Law. The validity and interpretation of this Agreement and the rights and obligations of the parties shall be governed and construed in accordance with the laws of the State of Florida without regard for any conflicts of law provisions that might cause the law of other jurisdictions to apply. All controversies, claims, or disputes arising out of or related to this Agreement or any agreement, instrument, or document contemplated hereby, shall be brought exclusively in the County or Circuit Court for Marion County, Florida, or the United States District Court sitting in Marion County, Florida, as appropriate.

(Continued on Sheet No. 20.4)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

7.05. Enforcement of Agreement. In the event that either party is required to enforce this Agreement by court proceedings or otherwise, the prevailing party shall be entitled to recover all fees and costs incurred, including reasonable attorney's fees and costs for trial, alternative dispute resolution, and/or appellate proceedings.

7.06. Severability. To the extent any provision of this Agreement is prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

7.07. Third Party Beneficiaries and Sovereign Immunity. This Agreement is solely for the benefit of FMPA, OEU, and Customer and no right nor shall any cause of action accrue upon or by reason, to or for the benefit of any third party not a formal party to this Agreement. Nothing in this Agreement, expressed or implied, is intended or shall be construed to confer upon any person or corporation other than FMPA, OEU, or Customer, any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and, all provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and be binding upon FMPA, OEU, and Customer and their respective representatives, successors, and assigns. Further, no term or condition contained in this Agreement shall be construed in any way as a waiver by either FMPA or OEU of the sovereign immunity applicable to either or both of them as established by Florida Statutes, 768.28.

(Continued on Sheet No. 20.5)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

IN WITNESS WHEREOF, Customer and OEU have executed this Agreement the day and year first above written.

Tri-Party Net-Metering Power Purchase Agreement
Schedule A

I. All-Requirements Project Calculation of Excess Customer-Owned Renewable Generation Credit

a) FMPA shall pay OEU for the excess kWh energy delivered by customer-owned renewable generation to OEU's electric system. Every month, OEU shall determine the total kWh of customer-owned renewable generation that is delivered to OEU's electric system, and shall send the information to FMPA as soon as it becomes available, but no later than the second working day of every month. FMPA will then provide a monthly payment to OEU in the form of a credit on the ARP power bill for the excess energy delivered to the distribution grid. The ARP Renewable Generation Credit will be calculated as follows:

ARP Renewable Generation Credit = Quarterly Energy Rate * Monthly kWh of excess customer-owned renewable generation

Quarterly Energy Rate = 3 month average of ARP energy rate. FMPA will update the Quarterly Energy Rate every April 1, July 1, October 1 and January 1.

b) As part of the monthly bill adjustment, FMPA will also increase OEU's kWh billing amount by the same kWh amount as the customer-owned renewable generation purchased by FMPA. This adjustment is necessary because excess customer generation that flows onto OEU's electric system has been purchased by FMPA, but will remain on OEU's electric system and be used by OEU to meet its other customers' electric needs. As a result, OEU's monthly ARP bill will be adjusted accordingly to reflect FMPA's subsequent sale of this energy to OEU.

II. Payment for Unused Excess Energy Credits

a) Monthly excess energy credits shall accumulate and be used to offset the Customer's following month energy consumption bill for a period of not more than twelve (12) months.

b) At the end of each calendar year, OEU shall pay the Customer for any unused excess energy credits in accordance with the OEU Electric Net-Metering Service Rate Schedule.

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

Tier 1 – Standard Interconnection Agreement
Customer-Owned Renewable Generation System

This **Agreement** is made and entered into this 23rd day of April, 20 26, by and between Katherine S. Pooser, (hereinafter called "**Customer**"), located at 5587 NW 40th Place in Ocala, Florida, and the City of Ocala doing business as Ocala Electric Utility (hereinafter called OEU), a body politic. Customer and OEU shall collectively be called the "**Parties**". The physical location/premise where the interconnection is taking place: 5587 NW 40th Place Ocala, Fl. 34482.

WITNESSETH

Whereas, a Tier 1 Renewable Generation System (RGS) is an electric generating system that uses one or more of the following fuels or energy sources: hydrogen, biomass, solar energy, geothermal energy, wind energy, ocean energy, waste heat, or hydroelectric power as defined in Section 377.803, Florida Statutes, rated at no more than ten (10) kilowatts (10 kW) alternating current (AC) power output and is primarily intended to offset part or all of the Customer's current electric requirements; and

Whereas, OEU operates an electric system serving the City of Ocala; and

Whereas, Customer has made a written Application to OEU, a copy being attached hereto, to interconnect its RGS with OEU' electrical supply grid at the location identified above; and

Whereas, the City of Ocala and the Florida Municipal Power Agency (hereinafter called "FMPA") have entered into the All-Requirements Power Supply Contract pursuant to which the City of Ocala has agreed to purchase and receive, and FMPA has agreed to sell and supply OEU with all energy and capacity necessary to operate the OEU electric system, which limits OEU' ability to directly purchase excess energy from customer-owned renewable generation; and

Whereas, in order to promote the development of small customer-owned renewable generation by permitting OEU to allow its customers to interconnect with OEU's electric system and to allow OEU customers to offset their electric consumption with customer-owned renewable generation, FMPA, in accordance with the terms and conditions of this agreement, has agreed to purchase excess customer-owned generation from OEU customers interconnected to OEU's electric system; and

Whereas, the OEU desires to provide interconnection of a RGS under conditions which will insure the safety of OEU customers and employees, reliability and integrity of its distribution system;

NOW, THEREFORE, for and in consideration of the mutual covenants and agreements herein set forth, the parties hereto covenant and agree as follows:

(Continued on Sheet No. 21.1)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

(Continued from Sheet No. 21.0)

1. The Customer shall be required to enter into a Tri-Party Net-Metering Purchase Power Agreement with FMPA and the City of Ocala Electric Utility (OEU).

2. "Gross power rating" (GPR) means the total manufacturer's AC nameplate generating capacity of an on-site customer-owned renewable generation system that will be interconnected to and operate in parallel with OEU's distribution facilities. For inverter-based systems, the GPR shall be calculated by multiplying the total installed DC nameplate generating capacity by 0.85 in order to account for losses during the conversion from DC to AC.

3. This agreement is strictly limited to cover a Tier 1 RGS as defined above. It is the Customer's responsibility to notify OEU of any change to the GPR of the RGS by submitting a new application for interconnection specifying the modifications at least 30 days prior to making the modifications. Increase in GPR above the ten kilowatt (10 kW) limit would necessitate entering into a new agreement at either Tier 2 or Tier 3 which may impose additional requirements on the Customer. In no case does the Tier 1, Tier 2 or Tier 3 agreement cover increases in GPR above two megawatts (2MW).

4. The RGS GPR must not exceed 90 percent (90%) of the Customer's OEU calculated distribution service rating at the Customer's location (including shared electric facilities). If the GPR does exceed the 90 percent (90%) limit, the Customer shall be responsible to pay the cost of upgrades to the distribution facilities required to accommodate the GPR capacity and ensure the 90 percent (90%) threshold is not breached. OEU will not allow a RGS GPR greater than required to offset the customer's annual kWh energy consumption (based on customer's historical consumption data or by means of estimated usage of similar type of service as determined by OEU).

5. The Customer shall not be required to pay any special fees due solely to the installation of the RGS.

6. The Customer shall fully comply with OEU's Design Standards following NEC standards as those documents may be amended or revised by OUS from time to time.

7. The Customer certifies that its installation, its operation and its maintenance shall be in compliance with the following standards (or most current version at time of inspection approval):

a. IEEE-1547 (2018) Standard for Interconnecting Distributed Resources with Electric Power System;
b. IEEE-1547.1 (2005) Standard Conformance Test Procedures for Equipment Interconnection Distributed Resources with Electric Power Systems;
c. UL-1741 (2010) Inverters, Converters, Controllers and Interconnection System Equipment for Use with Distributed *Energy Resources.*
d. The National Electric Code, state and/or local building codes, mechanical codes and/or electrical codes;
e. The manufacturer's installation, operation and maintenance instructions.

(Continued to Sheet No. 21.2)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

(Continued from Sheet No. 21.1)

8. The Customer is not precluded from contracting for the lease, operation or maintenance of the RGS with a third party. Such lease may not provide terms or conditions that provide for any payments under the agreement to any way indicate or reflect the purchase of energy produced by the RGS. Customer shall not enter into any lease agreement that results in the retail purchase of electricity; or the retail sale of electricity from the customer-owned renewable generation. Notwithstanding this restriction, in the event that Customer is determined to have engaged in the retail purchase of electricity from a party other than OEU, then Customer shall be in breach of this Agreement and may be subject to the jurisdiction of the Florida Public Service Commission and to fines/penalties.

9. The Customer shall provide a copy of the manufacturer's installation, operation and maintenance instructions to OEU. If the RGS is leased to the Customer by a third party, or if the operation or maintenance of the RGS is to be performed by a third party, the lease and/or maintenance agreements and any pertinent documents related to these agreements shall be provided to OEU.

10. Prior to commencing parallel operation with OEU's electric system, Customer shall have the RGS inspected and approved by the appropriate code authorities having jurisdiction. Customer shall provide a copy of this inspection and approval to OEU.

11. The Customer agrees to permit OEU, if it should so choose, to inspect the RGS and its component equipment and the documents necessary to ensure compliance with this Agreement both before and after the RGS goes into service and to witness the initial testing of the RGS equipment and protective apparatus. OEU will provide Customer with as much notice as reasonably possible, either in writing, email, facsimile or by phone as to when OEU may conduct inspections and or document review. Upon reasonable notice, or at any time without notice in the event of an emergency or hazardous condition, Customer agrees to provide OEU access to the Customer's premises for any purpose in connection with the performance of the obligations required by this Agreement or, if necessary, to meet OEU's legal obligation to provide service to its customers. At least ten (10) business days prior to initially placing the customer-owned renewable generation system in service, Customer shall provide written notification to OEU advising of the date and time at which Customer intends to place the system in service, and OEU shall have the right to have personnel present on the in-service date in order to ensure compliance with the requirements of this Agreement.

(Continued on Sheet No. 21.3)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

12. The Customer's RGS must have an appropriately sized grid-tie inverter system that includes applicable protective systems. Customer certifies that the RGS equipment includes an OEU interactive inverter or interconnection system equipment that ceases to interconnect with the OEU system upon a loss of OEU's electric power. The inverter shall be considered certified for interconnected operation if it has been submitted by a manufacturer to a nationally recognized testing laboratory (NRTL) to comply with UL 1741. The NRTL shall be approved by the Occupational Safety & Health Administration (OSHA).

13. If Customer adds another RGS that (i) utilizes the same OEU interactive inverter for both systems, or (ii) utilizes a separate OEU interactive inverter for each system, Customer shall provide OEU with sixty (60) days advance written notice of the addition.

14. The Customer shall not energize the OEU system when OEU's system is deenergized. The Customer shall cease to energize the OEU system during a faulted condition on the OEU system and/or upon any notice from OEU that the deenergizing of Customer's RGS equipment is necessary. The Customer shall cease to energize the OEU system prior to automatic or non-automatic reclosing of OEU's protective devices. There shall be no intentional islanding, as described in IEEE 1547, between the Customer's and OEU' systems.

15. The Customer is responsible for the protection of its generation equipment, inverters, protection devices, and other system components from damage from the normal and abnormal operations that occur on OEU system in delivering and restoring system power. Customer agrees that any damage to any of its property, including, without limitation, all components and related accessories of its RGS system, due to the normal or abnormal operation of OEU system, is at Customer's sole risk and expense. Customer is also responsible for ensuring that the customer-owned renewable generation equipment is inspected, maintained, and tested regularly in accordance with the manufacturer's instructions to ensure that it is operating correctly and safely.

16. The Customer must install, at their expense, a manual disconnect switch of the visible load break type to provide a separation point between the AC power output of the customer-owned renewable generation system and any Customer wiring connected to OEU's system, such that back feed from the customer-owned renewable generation system to OEU's system cannot occur when the switch is in the open position. The manual disconnect switch shall be mounted separate from the meter socket on an exterior surface adjacent to the meter. The switch shall be readily accessible to OEU and capable of being locked in the open position with an OEU padlock. When locked and tagged in the open position by OEU, this switch will be under the control of OEU.

(Continued on Sheet No. 21.4)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

(Continued from Sheet No. 21.3)

17. Subject to an approved inspection, including installation of acceptable disconnect switch, this Agreement shall be executed by OEU within thirty (30) calendar days of receipt of a completed application. Customer must execute this Agreement and return it to OEU at least thirty (30) calendar days prior to beginning parallel operations with OEU's electric system, subject to the requirements of Section 18, below, and within one (1) year after OEU executes this Agreement.

18. Once OEU has received Customer's written documentation that the requirements of this Agreement have been met, all agreements and documentation have been received and the correct operation of the manual switch has been demonstrated to an OEU representative, OEU will, within fifteen (15) business days, send written notice that parallel operation of the RGS may commence.

19. OEU requires the Customer to maintain general liability insurance for personal injury and property damage in the amount of not less than one hundred thousand dollars ($100,000.00).

20. OEU will furnish, install, own and maintain metering equipment capable of measuring the flow of kilowatt-hours (kWh) of energy. The Customer's service associated with the RGS will be metered to measure the energy delivered by OEU to Customer, and measure the energy delivered by Customer to OEU. Customer agrees to provide safe and reasonable access to the premises for installation, maintenance and reading of the metering and related equipment. The Customer shall not be responsible for the cost of the installation and maintenance of the metering equipment necessary to measure the energy delivered by the Customer to OEU.

21. The Customer shall be solely responsible for all legal and financial obligations arising from the design, construction, installation, operation, maintenance and ownership of the RGS.

22. The Customer must obtain all permits, inspections and approvals required by applicable jurisdictions with respect to the generating system and must use a licensed, bonded and insured contractor to design and install the generating system. The Customer agrees to provide OEU with a copy of the local building code official inspection and certification of installation. The certification shall reflect that the local code official has inspected and certified that the installation was permitted, has been approved, and has met all electrical and mechanical qualifications.

(Continued on Sheet No. 21.5)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

23. In no event shall any statement, representation, or lack thereof, either express or implied, by OEU, relieve the Customer of exclusive responsibility for the Customer's system. Specifically, any OEU inspection of the RGS shall not be construed as confirming or endorsing the system design or its operating or maintenance procedures or as a warranty or guarantee as to the safety, reliability, or durability of the RGS. OEU's inspection, acceptance, or its failure to inspect shall not be deemed an endorsement of any RGS equipment or procedure. Further, as set forth in Sections 15 and 26 of this Agreement, Customer shall remain solely responsible for any and all losses, claims, damages and/or expenses related in any way to the operation or misoperation of its RGS equipment.

24. Notwithstanding any other provision of this Interconnection Agreement, OEU, at its sole and absolute discretion, may isolate the Customer's system from the distribution grid by whatever means necessary, without prior notice to the Customer. To the extent practical, however, prior notice shall be given. The system will be reconnected as soon as practical once the conditions causing the disconnection cease to exist. OEU shall have no obligation to compensate the Customer for any loss of energy during any and all periods when Customer's RGS is operating at reduced capacity or is disconnected from OEU' electrical distribution system pursuant to this Interconnection Agreement. Typical conditions which may require the disconnection of the Customer's system include, but are not limited to, the following:

a. OEU system emergencies, forced outages, uncontrollable forces or compliance with prudent electric OEU practice.
b. When necessary to investigate, inspect, construct, install, maintain, repair, replace or remove any OEU equipment, any part of OEU's electrical distribution system or Customer's generating system.
c. Hazardous conditions existing on OEU's system due to the operation of the Customer's generation or protective equipment as determined by OEU.
d. Adverse electrical affects (such as power quality problems) on the electrical equipment of OEU's other electric consumers caused by the Customer's generation as determined by OEU.
e. When Customer is in breach of any of its obligations under this Interconnection Agreement or any other applicable policies and procedures of OEU.
f. When the Customer fails to make any payments due to OEU by the due date thereof.

25. Upon termination of services pursuant to this Agreement, OEU shall open and padlock the manual disconnect switch and remove any additional metering equipment related to this Agreement. At the Customer's expense, within thirty (30) working days following the termination, the Customer shall permanently isolate the RGS and any associated equipment from OEU's electric supply system, notify OEU that the isolation is complete, and coordinate with OEU for return of OEU's lock.

(Continued to Sheet No. 21.6)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

26. To the fullest extent permitted by law, and in return for adequate, separate consideration, Customer shall indemnify, defend and hold harmless OEU, any and all of their members of its governing bodies, and its officers, agents, and employees for, from and against any and all claims, demands, suits, costs of defense, attorneys fees, witness fees of any type, losses, damages, expenses, and liabilities, whether direct, indirect or consequential, related to, arising from, or in any way connected with:

a. Customer's design, construction, installation, inspection, maintenance, testing or operation of Customer's generating system or equipment used in connection with this Interconnection Agreement, irrespective of any fault on the part of OEU.
b. The interconnection of Customer's generating system with, and delivery of energy from the generating system to, OEU's electrical distribution system, irrespective of any fault on the part of OEU.
c. The performance or nonperformance of Customer's obligations under this Interconnection Agreement or the obligations of any and all of the members of Customer's governing bodies and its officers, agents, contractors (and any subcontractor or material supplier thereof) and employees.

Customer's obligations under this Section shall survive the termination of this Interconnection Agreement.

27. Customer shall not have the right to assign its benefits or obligations under this Agreement without OEU's prior written consent and such consent shall not be unreasonably withheld. If there is a change in ownership of the RGS, Customer shall provide written notice to OEU at least thirty (30) days prior to the change in ownership. The new owner will be required to assume, in writing, the Customer's rights and duties under this Agreement, or execute a new Standard Interconnection Agreement. The new owner shall not be permitted to net meter or begin parallel operations until the new owner assumes this Agreement or executes a new Agreement.

28. This Agreement supersedes all previous agreements and representations either written or verbal heretofore made between OEU and Customer with respect to matters herein contained. This Agreement, when duly executed, constitutes the only Agreement between parties hereto relative to the matters herein described. This Agreement shall continue in effect from year to year until either party gives sixty (60) days' notice of its intent to terminate this Agreement.

(Continued on Sheet No. 21.7)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

29. This Agreement shall be governed by and construed and enforced in accordance with the laws, rules and regulations of the State of Florida and OEU's tariff as it may be modified, changed, or amended from time to time, including any amendments modification or changes to OEU's Net-Metering Service Rate Schedule, the schedule applicable to this Agreement. The Customer and OEU agree that any action, suit, or proceeding arising out of or relating to this Interconnection Agreement shall be initiated and prosecuted in the state court of competent jurisdiction located in Marion County, Florida, and OEU and the Customer irrevocably submit to the jurisdiction and venue of such court. To the fullest extent permitted by law, each Party hereby irrevocably waives any and all rights to a trial by jury and covenants and agrees that it will not request a trial by jury with respect to any legal proceeding arising out of or relating to this Interconnection Agreement.

None of the provisions of this Interconnection Agreement shall be considered waived by either Party except when such waiver is given in writing. No waiver by either Party of any one or more defaults in the performance of the provisions of this Interconnection Agreement shall operate or be construed as a waiver of any other existing or future default or defaults. If any one or more of the provisions of this Interconnection Agreement or the applicability of any provision to a specific situation is held invalid or unenforceable, the provision shall be modified to the minimum extent necessary to make it or its application valid and enforceable, and the validity and enforceability of all other provisions of this Interconnection Agreement and all other applications of such provisions shall not be affected by any such invalidity or unenforceability. This Interconnection Agreement does not govern the terms and conditions for the delivery of power and energy to non-generating retail customers of OEU's electrical distribution system.

30. This Agreement incorporates by reference the terms of the tariff filed with the Florida Public Service Commission by OEU, including OEU's Net-Metering Service Rate Schedule, and associated technical terms and abbreviations, general rules and regulations and standard electric service requirements (as may be applicable) are incorporated by reference, as amended from time to time. To the extent of any conflict between this Agreement and such tariff, the tariff shall control.

31. OEU and Customer recognize that the Florida Statutes and/or the Florida Public Service Commission Rules, including those directly addressing the subject of this Agreement, may be amended from time to time. In the event that such statutes and/or rules are amended that affect the terms and conditions of this Agreement, OEU and Customer agree to supersede and replace this Agreement with a new Interconnection Agreement, which complies with the amended statutes/rules.

(Continued on Sheet No. 21.8)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

32. Customer acknowledges that its provision of electricity to OEU hereunder is on a first-offered, first-accepted basis and subject to diminution and/or rejection in the event the total amount of electricity delivered to OEU pursuant to the OEU's Net-Metering Service Rate Schedule, (as filed with the Florida Public Service Commission), from all participating OEU customers, exceeds two and one-half percent (2.5%) of the aggregate customer peak demand on the OEU system.

33. This Agreement is solely for the benefit of OEU and Customer and no right nor any cause of action shall accrue upon or by reason, to or for the benefit of any third party not a formal party to this Agreement. Nothing in this Agreement, expressed or implied, is intended or shall be construed to confer upon any person or corporation other than OEU or Customer, any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and, all provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and be binding upon OEU and Customer and their respective representatives, successors, and assigns. Further, no term or condition contained in this Agreement shall be construed in any way as a waiver by OEU of the sovereign immunity applicable to OEU as established by Florida Statutes, 768.28.

(Continued on Sheet No. 21.9)

Docusign Envelope ID: 7B6C3636-5FE3-8302-810D-CA22F69E0973

IN WITNESS WHEREOF, Customer and OEU have executed this Agreement the day and year first above written.

GENERAL NOTES:

THIS PV SYSTEM HAS BEEN DESIGNED TO MEET THE MINIMUM DESIGN STANDARDS FOR BUILDING AND OTHER STRUCTURES OF THE ASCE 7-16, 7TH EDITION 2020 FLORIDA RESIDENTIAL CODE, 7TH EDITION 2020 FLORIDA BUILDING CODE, 7TH EDITION 2020 FLORIDA FIRE PREVENTION CODE, NEC 2017 AND ALL LOCAL CODES & ORDINANCES.

ROOF SHALL HAVE NO MORE THAN TWO LAYERS OF COVERING IN ADDITION TO THE SOLAR EQUIPMENT.

INSTALLATION OF SOLAR EQUIPMENT SHALL BE FLUSH MOUNTED, PARALLEL TO AND NO MORE THAN 6-INCHES ABOVE THE SURFACE OF THE ROOF.

ANY PLUMBING VENTS ARE NOT TO BE CUT OR COVERED FOR SOLAR EQUIPMENT INSTALLATION. ANY RELOCATION OR MODIFICATION OF THE VENT REQUIRES A PLUMBING PERMIT AND INSPECTION.

ALL DESIGN, CALCULATIONS ARE PERFORMED BY DANIEL DUNZIK REGISTERED ARCHITECT. FLORIDA STATE STATUTE 471.003(3) PROVIDES THAT LICENSED ARCHITECTS ARE EXEMPTED FROM THE PROVISIONS OF CHAPTER 471 ENGINEERING AND NOT PRECLUDED FROM PERFORMING ENGINEERING SERVICES FOR INTEGRATED SYSTEMS AND SERVICES THAT ARE INCIDENTAL TO BUILDINGS AND STRUCTURES.

INVERTER PLACEMENT:

SYSTEM UTILIZES "ENPHASE" MICRO-INVERTERS WITH RAPID SHUTDOWN CONTROL LOCATED ON THE BACK SIDE OF EACH MODULE.

STRUCTURAL STATEMENT:

THE EXISTING STRUCTURE IS ADEQUATE TO SUPPORT THE NEW LOADS IMPOSED BY THE PHOTOVOLTAIC MODULE SYSTEM INCLUDING UPLIFT & SHEAR.EXISTING RAFTER SIZES & DIMENSIONS CONFORM TO 7TH EDITION 2020 FLORIDA RESIDENTIAL CODE

MOUNTING BRACKETS AND HARDWARE MEET OR EXCEED FLORIDA CODE REQUIREMENTS FOR THE DESIGN CRITERIA OF THE TOWN.

FSEC CERTIFICATION STATEMENT:

ELECTRICAL NOTES:

1. ALL CALCULATIONS FOR VOC, VMAX, IMP AND ISC HAVE BEEN CALCULATED USING THE MANUFACTURED STRING CALCULATOR BASED ON ASHRAE 2% HIGH AND EXTREME MINIMUM TEMPERATURE COEFFICIENTS.
2. THE ENTIRE ARRAY IS BONDED ACCORDING TO (NEC 690.46 - 250.120 PARAGRAPH C). THE GROUND IS CARRIED AWAY FROM THE GROUNDING LUG USING #6 BARE COPPER WIRE OR #6 THWN-2 COPPER WIRE.
3. THIS SYSTEM COMPLIES WITH NEC 2017
4. BRANCH CIRCUIT CALCULATION FOR WIRE TAG 1 DISPLAYS THE LARGEST BRANCH CIRCUIT IN SYSTEM. OTHER BRANCH CIRCUITS SHALL HAVE LOWER DESIGN CURRENT THAN THE ONE SHOWN. IN ADDITION, VOLTAGE DROP CALCULATIONS FROM PANELS TO THE COMBINER BOX SHALL BE SHOWN IN A SIMILAR FASHION
5. ALL CONDUCTORS ARE SIZED BASED ON NEC 2017 ARTICLE 310
6. ALL EQUIPMENT INSTALLED IS RATED AT 75°C
7. INVERTER NOC (NOMINAL OPEN CURRENT) OBTAINED FROM EQUIPMENT DATASHEET
8. CONTRACTOR SHALL BE RESPONSIBLE FOR COMPLYING WITH ALL LOCAL AND NATIONAL CODE REQUIREMENTS
9. EACH MODULE MUST BE GROUNDED ACCORDING TO USER INSTRUCTIONS
10. ALL EQUIPMENT SHALL BE LISTED PER NEC 690.4(B)
11. PER NEC 690.13, 690.15, PROVIDE A WARNING SIGN AT ALL LOCATIONS WHERE TERMINALS OF THE DISCONNECTING MEANS MAY BE ENERGIZED IN THE OPEN POSITION> SIGN SHALL READ "WARNING - ELECTRIC SHOCK HAZARD - DO NOT TOUCH TERMINALS - OR EQUIVALENT
12. PER NEC 705.10, PROVIDE A PERMANENT PLAQUE OR DIRECTORY SHOWING ALL ELECTRIC POWER SOURCES ON THE PREMISES AT SERVICE ENTRANCE
13. INTERCONNECTION METHOD SHALL COMPLY WITH NEC 705.12
14. AND OPTION FOR A SINGLE CIRCUIT BRANCH TO BE SPLIT INTO TWO SUB-CIRCUIT BRANCHES IS ACCEPTABLE,
15. ALL CONDUCTORS MUST BE COPPER.
16. NEUTRAL AND EQUIPMENT GROUNDING CONDUCTOR BONDED AS PER NEC 250.24(C)
17. EQUIPMENT GROUNDING CONDUCTOR IS CONNECTED TO A GROUNDING ELECTRODE SYSTEM PER 250.54(D)
18. FUSES FOR PV DISCONNECT HAVE AIC RATINGS OF 200KA AC AND 20KA DC.
19. SUPPLY SIDE CONNECTION SHALL BE MADE USING ILSCO INSULATION PIERCING CONNECTORS (IPC). MAKE, MODEL, AND RATING OF INTERCONNECTION CAN BE SEEN ON TABLE 1 BELOW.
20. METHOD OF INTERCONNECTION CAN BE SEEN IN FIGURE 1
21. UTILITY HAS 24-HR UNRESTRICTED ACCESS TO ALL PHOTOVOLTAIC SYSTEM COMPONENTS LOCATED AT THE SERVICE ENTRANCE
22. WORKING CLEARANCES AROUND THE EXISTING AND NEW ELECTRICAL EQUIPMENT WILL BE MAINTAINED IN ACCORDANCE WITH NEC ARTICLE 110.26
23. CONDUCTORS EXPOSED TO SUNLIGHT SHALL BE LISTED AS SUNLIGHT RESISTANT PER NEC ARTICLE 300.6 (C)(1) AND ARTICLE 310.8 (D)
24. CONDUCTORS EXPOSED TO WET LOCATIONS SHALL BE SUITABLE FOR USE IN WET LOCATIONS PER NEC ARTICLE 310.10 (C)
25. TOTAL AREA OF ALL CONDUCTORS, SPLICES, AND TAPS INSTALLED AT ANY CROSS SECTION OF THE WIRING DOES NOT EXCEED 75% OF THE CROSS SECTIONAL AREA OF THE SPACE. NEC 312.8(A)(2)
26. SYSTEM IS CONSIDERED AN AC MODULE SYSTEM. NO DC CONDUCTORS ARE PRESENT IN CONDUIT, COMBINER, JUNCTION BOX, DISCONNECT. AND COMPLIES WITH 690.6 - NO DC DISCONNECT AND ASSOCIATED DC LABELING ARE REQUIRED.
27. SYSTEM COMPLIES WITH 690.12 RAPID SHUTDOWN ANO ASSOCIATED LABELING AS PER 690.56(C). AC VOLTAGE AND SYSTEM OPERATING CURRENT SHALL BE PROVIDED 690.52.
28. CONDUCTORS IN CONDUIT ARE AC CONDUCTORS BRANCH CIRCUITS AND NOT PV SOURCE CIRCUITS. 690.6
29. ALL GROUNDING SHALL COMPLY WITH 690.47(A) IN THAT THE AC MODULES WILL COMPLY WITH 250.64.
30. NO TERMINALS SHALL BE ENERGIZED IN THE OPEN POSITION IN THIS AC MODULE SYSTEM 690.13, 690.15, 690.6.
31. WHERE APPLICABLE: INTERCONNECTION SHALL COMPLY WITH 705.12(A) OR 705.12(B)
32. ALL WARNING SIGN(S) OR LABEL(S) SHALL COMPLY WITH 2017 NEC ARTICLE 110.21(B). LABEL WARNINGS SHALL ADEQUATELY WARN OF THE HAZARD. LABELS SHALL BE PERMANENTLY AFFIXED TO THE EQUIPMENT, AND LABELS REQUIRED SHALL BE SUITABLE FOR THE ENVIRONMENT.
33. PV POWER CIRCUIT LABELS SHALL APPEAR ON EVERY SECTION OF THE WIRING SYSTEM THAT IS SEPARATED BY ENCLOSURES, WALLS, PARTITIONS, CEILINGS, OR FLOORS.

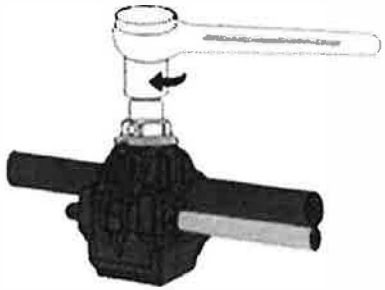

TABLE 1:

MAKE	MODEL	VOLTAGE RATING	CONDUCTOR RANGE MAIN	CONDUCTOR RANGE TAP
ILSCO	IPC 4006	600 V	4/0-4 AWG	6-14 AWG
ILSCO	IPC 4020	600 V	4/0-2 AWG	2/0-6 AWG

INSTRUCTIONS FOR LINE TAPS

FIGURE 1:

1. ADJUST THE CONNECTOR NUT TO SUITABLE LOCATION
2. PUT THE BRANCH WIRE INTO THE CAP SHEATH FULLY
3. INSERT THE MAIN WIRE, IF THERE ARE TWO LAYS OF INSULATED LAY IN THE MAIN CABLE, SHOULD STRIP A CERTAIN LENGTH OF THE FIRST INSULATED LAY FROM INSERTED END
4. TURN THE NUT BY HAND, AND FIX THE CONNECTOR IN SUITABLE LOCATION
5. SCREW THE NUT WITH THE SLEEVE SPANNER.
6. SCREW THE NUT CONTINUALLY UNTIL THE TOP PART IS CRACKED AND DROPPED DOWN

Enphase IQ 7 and IQ 7+ Microinverters

The high-powered smart grid-ready **Enphase IQ 7 Micro™ and Enphase IQ 7+ Micro™** dramatically simplify the installation process while achieving the highest system efficiency.

Part of the Enphase IQ System, the IQ 7 and IQ 7+ Microinverters integrate with the Enphase IQ Envoy™, Enphase IQ Battery™, and the Enphase Enlighten™ monitoring and analysis software.

IQ Series Microinverters extend the reliability standards set forth by previous generations and undergo over a million hours of power-on testing, enabling Enphase to provide an industry-leading warranty of up to 25 years.

Easy to Install

- Lightweight and simple
- Faster installation with improved, lighter two-wire cabling
- Built-in rapid shutdown compliant (NEC 2014 & 2017)

Productive and Reliable

- Optimized for high powered 60-cell and 72-cell* modules
- More than a million hours of testing
- Class II double-insulated enclosure
- UL listed

Smart Grid Ready

- Complies with advanced grid support, voltage and frequency ride-through requirements
- Remotely updates to respond to changing grid requirements
- Configurable for varying grid profiles
- Meets CA Rule 21 (UL 1741-SA)

* The IQ 7+ Micro is required to support 72-cell modules

UL CERTIFIED

Enphase IQ 7 and IQ 7+ Microinverters

INPUT DATA (DC)	IQ7-60-2-US / IQ7-60-B-US	IQ7PLUS-72-2-US / IQ7PLUS-72-B-US
Commonly used module pairings[1]	235 W - 350 W +	235 W - 440 W +
Module compatibility	60-cell PV modules only	60-cell and 72-cell PV modules
Maximum input DC voltage	48 V	60 V
Peak power tracking voltage	27 V - 37 V	27 V - 45 V
Operating range	16 V - 48 V	16 V - 60 V
Min/Max start voltage	22 V / 48 V	22 V / 60 V
Max DC short circuit current (module Isc)	15 A	15 A
Overvoltage class DC port	II	II
DC port backfeed current	0 A	0 A
PV array configuration	1 x 1 ungrounded array; No additional DC side protection required; AC side protection requires max 20A per branch circuit	

OUTPUT DATA (AC)	IQ 7 Microinverter		IQ 7+ Microinverter	
Peak output power	250 VA		295 VA	
Maximum continuous output power	240 VA		290 VA	
Nominal (L-L) voltage/range[2]	240 V / 211-264 V	208 V / 183-229 V	240 V / 211-264 V	208 V / 183-229 V
Maximum continuous output current	1.0 A (240 V)	1.15 A (208 V)	1.21 A (240 V)	1.39 A (208 V)
Nominal frequency	60 Hz		60 Hz	
Extended frequency range	47 - 68 Hz		47 - 68 Hz	
AC short circuit fault current over 3 cycles	5.8 Arms		5.8 Arms	
Maximum units per 20 A (L-L) branch circuit[3]	16 (240 VAC)	13 (208 VAC)	13 (240 VAC)	11 (208 VAC)
Overvoltage class AC port	III		III	
AC port backfeed current	0 A		0 A	
Power factor setting	1.0		1.0	
Power factor (adjustable)	0.7 leading ... 0.7 lagging		0.7 leading ... 0.7 lagging	

EFFICIENCY	@240 V	@208 V	@240 V	@208 V
Peak CEC efficiency	97.6 %	97.6 %	97.5 %	97.3 %
CEC weighted efficiency	97.0 %	97.0 %	97.0 %	97.0 %

MECHANICAL DATA	
Ambient temperature range	-40°C to +65°C
Relative humidity range	4% to 100% (condensing)
Connector type (IQ7-60-2-US & IQ7PLUS-72-2-US)	MC4 (or Amphenol H4 UTX with additional Q-DCC-5 adapter)
Connector type (IQ7-60-B-US & IQ7PLUS-72-B-US)	Friends PV2 (MC4 intermateable). Adaptors for modules with MC4 or UTX connectors: - PV2 to MC4: order ECA-S20-S22 - PV2 to UTX: order ECA-S20-S25
Dimensions (WxHxD)	212 mm x 175 mm x 30.2 mm (without bracket)
Weight	1.08 kg (2.38 lbs)
Cooling	Natural convection - No fans
Approved for wet locations	Yes
Pollution degree	PD3
Enclosure	Class II double-insulated, corrosion resistant polymeric enclosure
Environmental category / UV exposure rating	NEMA Type 6 / outdoor

FEATURES	
Communication	Power Line Communication (PLC)
Monitoring	Enlighten Manager and MyEnlighten monitoring options. Both options require installation of an Enphase IQ Envoy.
Disconnecting means	The AC and DC connectors have been evaluated and approved by UL for use as the load-break disconnect required by NEC 690.
Compliance	CA Rule 21 (UL 1741-SA) UL 62109-1, UL1741/IEEE1547, FCC Part 15 Class B, ICES-0003 Class B, CAN/CSA-C22.2 NO. 107.1-01 This product is UL Listed as PV Rapid Shut Down Equipment and conforms with NEC-2014 and NEC-2017 section 690.12 and C22.1-2015 Rule 64-218 Rapid Shutdown of PV Systems, for AC and DC conductors, when installed according manufacturer's instructions.

1. No enforced DC/AC ratio. See the compatibility calculator at https://enphase.com/en-us/support/module-compatibility
2. Nominal voltage range can be extended beyond nominal if required by the utility.
3. Limits may vary. Refer to local requirements to define the number of microinverters per branch in your area.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

CONTRACT EXTENSION

Contract Number: 110421-ALT

Sourcewell
202 12th Street Northeast
P.O. Box 219
Staples, MN 56479
(Sourcewell)

and

Altec Industries
210 Inverness Center Dr

Birmingham, Alabama
(Vendor)
35242-4834

have entered into Contract Number: 110421-ALT
for the procurement of: Public Utility Equipment with Related Accessories and Supplies

The Contract has an expiration date of 2025-12-27 , but the parties may extend the Contract by mutual consent.

Sourcewell and Vendor acknowledge that extending the Contract benefits the Vendor, Sourcewell and Sourcewell's Members. Vendor and Sourcewell agree to extend the Contract listed above for an additional period, with a new Contract expiration date of 2026-12-27 . All other terms and conditions of the Contract remain in full force and effect.

Customer and Order Information

City of Ocala/Ocala Fiber Network

Customer Description	Netcentric / Wholesale
Order Date	16-Dec-2022
Customer Requested Service Date*	30-Jun-2023

* This date is the earliest Service Date requested by Customer. Billing starts on the Service Date. Installation of the Service is subject to the SLA and Product Rider. While COGENT may install the Service on the Requested Service Date, COGENT does not guarantee that the Service will be installed on that date.

Resell Customer (Name)	No
Agent Deal (Name)	No
Legacy Orders Termination*	No

* For all Legacy Orders listed in the SERVICE INFORMATION section below, CUSTOMER elects 1 of 3 options:
1) Immediate Termination,
2) Delayed Termination (up to 30 days),
3) No Termination – Month-to-Month (more than 30-day overlap), i.e., legacy orders will renew for successive Renewal Terms of one (1) month until terminated by Customer.

Service Information

Quoted Currency	USD	US Dollar

Service Parameters

Order ID	Order Type	Legacy Order(s)	Node ID	Service Interface	CDR (Mbps)	Initial Term (in months)	On/Off-Net	Billing Model	Burst Fee (per Mbps)	Installation Fee	Monthly Fee
3-001333490	New		2361056-214	10GE	10000	36	Off-Net	Flat	0.00000	2250.00	3210.00

Service Options

Note: IP Addresses Allocation, BGP, VLAN and LAG option orders always have an Initial Term of one (1) month.

IP Addresses Allocation Note: IPQ (and IARM Rider for Provider Independent resources) needs to be submitted w/ Order Form	Yes	Order ID	Order Type	Legacy Order(s)	Block Size - Total IPs		IP Version	Installation Fee	Monthly Fee
		3-001334191	New		/19		IPv4		2129.92
BGP Routing Note: LOA(s) issued by owners of Secondary ASN(s) need(s) to be submitted with Order Form.	Yes	Order ID	Order Type	Legacy Order(s)	ASN Owner	ASN	IP Version		
		3-001334195	New		City of Ocala/Ocala Fiber Network	30444	IPv4		50.00
VLAN(s) w/ static routing Note: LOA(s) issued by owners of Secondary IP(s) need(s) to be submitted with Order Form.	No	Order ID	Order Type	Legacy Order(s)	Comments		Port Order		
									0.00
Link Aggregation (LAG) (As described in Product Rider)	No	Order ID	Order Type	Legacy Order(s)	Services involved in LAG-bundle

Contract Documents

The entire Customer Subscriber Agreement (CSA), entered into between Customer and COGENT, is made up of the documents listed here. Capitalized terms are defined in the text of the Terms or Definition section of the Terms. All prior agreements, proposals, representations, statements, or understandings, whether written or oral, concerning such Services, are superseded. Customer certifies that the documents constituting the CSA are the documents and forms that have been supplied to Customer by Cogent and that Customer has made no changes to them.

(1) Order Form
(2) Terms, as attached (initialed by Customer) (For current customers, if Terms are not attached, the current Terms remain in force)
(3) SLA (http://www.cogentco.com/files/ps_internet/SLA_on_internet.pdf)
(4) Product Rider(s), as attached (signed by Customer)
(5) Any other Rider or Addendum, as attached (signed by Customer)

Notes

Notwithstanding Section 1.2 of the Terms, at the end of the Initial Term, the Service ordered hereunder will renew on the same price, terms and conditions for successive month-to-month Renewal Terms unless and until terminated or amended as provided in the CSA.

Customer acknowledges that COGENT has informed it that the installation of the Service ordered hereunder will be longer than the timeframe specified in the SLA, and Customer accepts such longer time frame and waives the installation guarantee set forth in the SLA with respect to the Service ordered hereunder.

Approved as to form and legality:

NETWORK SERVICES TERMS & CONDITIONS NORTH AMERICA

1. SERVICES AND TERM.

1.1. Pursuant to the CSA, Cogent will provide the Services to Customer for the Service charges. Customer's signature on the Order Form constitutes its acknowledgement and agreement to be bound by the CSA. Capitalized terms are defined at the end of these Terms.

1.2. Each Service's Initial Term is indicated on the applicable Order Form and the Initial Term will begin as of the Service Date. Customer will be deemed to have accepted the Service as of the Service Date. At the end of the Initial Term, each Service ordered hereunder will renew for successive Renewal Terms equal in length to the Initial Term ~~unless and until terminated as provided herein~~. upon written consent of the parties.

1.3. Each Service will be provided to the Service Location specified on the Order Form only. Any relocation of a Service shall be an amendment of such Service requiring the consent of both Parties. Customer may order additional Services or locations in North America through additional Order Forms, which will be governed by this CSA. Customer's account must be current in order to make changes to Services or order additional Services.

2. SERVICE CHARGES AND BILLING.

2.1. Service charges are on the Order Form and do not include applicable Taxes unless so indicated. New services, upgrades of existing Services or relocations of an existing Service will result in additional fees and/or charges. If a prior Service location remains installed after a new Service location is installed, Customer will be responsible for Service charges for both Service locations until terminated as provided for each Service.

2.2. Invoices are sent monthly in advance. Customer agrees to pay all charges and applicable Taxes for the Service within thirty (30) days of the invoice date without counterclaim, set-off or deduction. A late charge shall be added to Customer's past due balance of the lesser of 1.5% per month or the maximum legal rate. COGENT may change the specifications, Terms or charges for the Service for any upcoming Renewal Term by providing Customer at least sixty (60) days advance written notice. Customer agrees that its obligation to pay service charges and Taxes under this CSA shall survive the termination of the CSA.

2.3. Customers claiming tax exemption must provide COGENT with a properly executed exemption form.

3. SERVICE USE AND INTERRUPTION.

3.1. Customer's use of COGENT's Services or Network may only be for lawful purposes and must comply with COGENT's AUP. Transmission of any material in violation of any law, regulation or the AUP is strictly prohibited. Access to other networks connected to COGENT's Network must comply with such other networks' rules. Customers whose service location (as set forth on the Order Form) is a COGENT-owned or carrier neutral data center may resell COGENT's Dedicated Internet Access Service ordered in that location but not any other Service offered in such location. Customers located in any other service location may not resell their Service, in whole or in part.

3.2. COGENT's obligations and Customer's exclusive remedies for a delayed or failed installation of a Service or the failure of COGENT's Network or any Service are stated in the COGENT SLA.

4. TERMINATION, RESTRICTION OR SUSPENSION.

4.1. Prior to the Service Date, COGENT may terminate the CSA if not approved by COGENT corporate management (including credit check). COGENT also may restrict, suspend or terminate the CSA, Customer's use of or access to any Service, or both, at any time if (a) Customer is in material breach of the CSA (including but not limited to the AUP) and, in COGENT's sole judgment, an immediate restriction or suspension is necessary to protect the COGENT Network or COGENT's ability to provide services to other customers; or (b) Customer's account is unpaid sixty (60) days after date of invoice; or (c) COGENT facilities at Customer's location are unavailable, (*i.e.*, no connectivity and building access).

4.2. Either Party may terminate the CSA: (a) at the end of an Initial Term or at the end of a Renewal Term by providing the other Party with at least thirty (30) days prior written notice (notices provided during a monthly Renewal Term will not be effective until the end of the next month (*i.e.*, notice received April 20th is effective June 1st); or (b) except as otherwise stated herein, during an Initial Term or Renewal Term if the other Party breaches any material term or condition of this CSA and fails to cure such breach within thirty (30) days after receipt of written notice of the same. All termination notices by Customer must be sent separately for each Service (including terminating one Service location after a Service is switched to a new Service location) and must be sent to terms@cogentco.com.

4.3. If a Service is terminated prior to the Service Date, Customer shall pay COGENT for all Initial Costs for such Service. If the Service is terminated after the Service Date, Customer shall pay COGENT (a) for the Service up through the date of termination; and (b) except in the case of termination by Customer as provided in Section 4.2 above, or by COGENT due to loss of connectivity or building access at Customer's building(s) under Section 4.1(c) above, the Initial Costs (unless already paid) and the Termination Charge. Customer acknowledges that because actual damages to COGENT caused by early termination of a Service order are uncertain and would be difficult to determine, the Termination Charge is a reasonable liquidated damage and is not a penalty. Any reconnections of the Service shall result in additional reconnection charges to Customer at COGENT's then-prevailing rates.

4.4. If Customer defaults in any of its payment obligations under the CSA, Customer agrees to pay COGENT's reasonable expenses, including but not limited to legal and collection agency fees, incurred by COGENT in enforcing its rights.

5. DISCLAIMER OF WARRANTY AND LIMITATION OF LIABILITY.

5.1. EXCEPT AS OTHERWISE EXPRESSLY SET FORTH HEREIN OR IN THE SLA, THE SERVICES ARE PROVIDED "AS IS," AND NEITHER COGENT NOR ANY OF ITS PROVIDERS, LICENSORS, OFFICERS, EMPLOYEES, OR AGENTS MAKES ANY WARRANTY, CONDITION OR GUARANTEE WITH RESPECT TO THE SERVICES OR AS TO THE RESULTS TO BE OBTAINED FROM THE USE OF THE SERVICES, UNDER THIS CSA OR OTHERWISE. THE SERVICES ARE PURCHASED WITH KNOWLEDGE OF THIS WARRANTY LIMITATION. COGENT EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, CONDITIONS OR GUARANTEES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO ANY WARRANTIES OR CONDITIONS OF MERCHANTABILITY, NON-INFRINGEMENT, SATISFACTORY QUALITY, AND/OR FITNESS FOR A PARTICULAR PURPOSE. COGENT DOES NOT MONITOR, AND DISCLAIMS ALL LIABILITY AND RESPONSIBILITY FOR, THE CONTENT OF ANY COMMUNICATION TRANSMITTED BY CUSTOMER OR OTHERS, AND DISCLAIMS ALL LIABILITY AND RESPONSIBILITY FOR UNAUTHORIZED USE OR MISUSE OF THE SERVICES.

5.2. WITHOUT PREJUDICE TO OR LIMITING OF COGENT'S RIGHT TO RECEIVE PAYMENT FOR SERVICES, COGENT'S ENTIRE LIABILITY FOR ALL CLAIMS OF WHATEVER NATURE (INCLUDING CLAIMS BASED ON NEGLIGENCE) ARISING OUT OF THIS AGREEMENT AND ALL OTHERS BETWEEN CUSTOMER AND COGENT, AND THE PROVISION BY COGENT OF FACILITIES, TRANSMISSION, DATA, SERVICES OR EQUIPMENT INCLUDING, BUT NOT LIMITED TO, DAMAGE TO REAL/PERSONAL PROPERTY, SHALL NOT EXCEED THE LESSER OF (A) THE AMOUNT PAID BY CUSTOMER FOR THE SERVICE AT ISSUE IN THE PRIOR SIX (6) MONTHS TO THE ACTION GIVING RISE TO THE CLAIM, OR (B) ONE HUNDRED THOUSAND DOLLARS ($100,000.00) IN TOTAL; PROVIDED, HOWEVER, THAT THE FOREGOING LIMITATIONS SHALL NOT APPLY FOR DEATH OR PERSONAL

Customer: DS JPHS

© Cogent Communications, Inc. 2016

INJURY CAUSED BY COGENT, OR FOR ANY OTHER LIABILITY WHICH MAY NOT BE EXCLUDED OR LIMITED UNDER APPLICABLE LAW.

5.3. CUSTOMER RECOGNIZES THAT THE INTERNET CONSISTS OF MULTIPLE PARTICIPATING NETWORKS THAT ARE SEPARATELY OWNED AND NOT SUBJECT TO COGENT'S CONTROL. CUSTOMER AGREES THAT COGENT SHALL NOT BE LIABLE FOR DAMAGES INCURRED OR SUMS PAID WHEN THE SERVICES ARE TEMPORARILY OR PERMANENTLY UNAVAILABLE DUE TO MALFUNCTION OF, OR CESSATION OF, INTERNET SERVICES BY NETWORK(S) OR INTERNET SERVICE PROVIDERS NOT SUBJECT TO COGENT'S CONTROL, OR FOR TRANSMISSION ERRORS IN, CORRUPTION OF, OR THE SECURITY OF CUSTOMER INFORMATION CARRIED ON SUCH NETWORKS OR INTERNET SERVICE PROVIDERS. COGENT SHALL HAVE NO LIABILITY HEREUNDER FOR DAMAGES INCURRED OR SUMS PAID DUE TO ANY FAULT OF CUSTOMER OR ANY THIRD PARTY, OR BY ANY HARMFUL COMPONENTS (SUCH AS COMPUTER VIRUSES, WORMS, COMPUTER SABOTAGE, AND 'DENIAL OF SERVICE' ATTACKS). COGENT IS NOT LIABLE FOR ANY BREACH OF SECURITY ON THE CUSTOMER'S NETWORK, REGARDLESS OF WHETHER ANY REMEDY PROVIDED IN THIS CSA FAILS OF ITS ESSENTIAL PURPOSE. WITHOUT LIMITING THE FOREGOING, CUSTOMER AGREES THAT IT WILL NOT HOLD COGENT RESPONSIBLE FOR (A) THIRD PARTY CLAIMS AGAINST CUSTOMER FOR DAMAGES, (B) LOSS OF OR DAMAGE TO CUSTOMER'S RECORDS OR DATA OR THOSE OF ANY THIRD PARTY, OR (C) LOSS OR DAMAGE TO CUSTOMER ASSOCIATED WITH THE INOPERABILITY OF CUSTOMER'S EQUIPMENT OR APPLICATIONS WITH ANY COMPONENT OF THE SERVICES OR THE COGENT NETWORK. CUSTOMER AGREES TO MAKE ALL CLAIMS RELATED TO THE SERVICES DIRECTLY AGAINST COGENT, AND WAIVES ANY RIGHT TO RECOVER DAMAGES (DIRECTLY OR BY INDEMNITY) RELATED TO THE SERVICES BY CLAIMING AGAINST OR THROUGH A THIRD PARTY TO THIS CSA.

5.4. NEITHER COGENT NOR ANYONE ELSE INVOLVED IN CREATING, PRODUCING, DELIVERING (INCLUDING SUSPENDING OR DISCONTINUING SERVICES) OR SUPPORTING THE SERVICES SHALL BE LIABLE TO CUSTOMER, ANY REPRESENTATIVE, OR ANY THIRD PARTY FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE SERVICES OR INABILITY TO USE THE SERVICES, INCLUDING, WITHOUT LIMITATION, LOST REVENUE, LOST PROFITS, LOSS OF TECHNOLOGY, RIGHTS OR SERVICES, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, WHETHER UNDER THEORY OF CONTRACT OR TORT (INCLUDING NEGLIGENCE, STRICT LIABILITY OR OTHERWISE).

5.5. NO ACTION OR PROCEEDING AGAINST COGENT MAY BE COMMENCED BY THE CUSTOMER MORE THAN ONE (1) YEAR AFTER THE LAST DAY ON WHICH THE SERVICE WHICH IS THE BASIS FOR THE ACTION IS RENDERED, AND CUSTOMER ACKNOWLEDGES THAT THIS LIMITATION CONSTITUTES AN EXPRESS WAIVER OF ANY RIGHTS UNDER ANY APPLICABLE STATUTE OF LIMITATIONS WHICH WOULD OTHERWISE AFFORD ADDITIONAL TIME FOR SUCH A CLAIM.

6. INDEMNITY.*

6.1. Customer will indemnify, defend and hold harmless COGENT and its directors, officers, employees, affiliates, and its agents and subcontractors from and against any claims, suits, actions, and proceedings from any and all third parties, and for payment of any Losses, to the extent such Losses arise (a) as a result of violation of the AUP or any applicable law or regulation; (b) from any and all claims by any of Customer's customers or other third party end users in connection with a Service (including, without limitation, any claims regarding content transmitted using a Service or violation of data protection legislation), regardless of the form of action, whether in contract, tort, warranty, or strict liability; provided, however, that Customer will have no obligation to indemnify and defend COGENT against claims for damages for bodily injury or death caused by COGENT's gross negligence or willful misconduct; or (c) from claims of copyright infringement and all manner of intellectual property claims, defamation claims, claims of publication of obscene, indecent, offensive, racist, unreasonably violent, threatening, intimidating or harassing material, and claims of infringement of data protection legislation, to the extent such Losses are based upon (i) the content of any information transmitted by Customer or by any of Customer's customers or authorized end users, (ii) the use and/or publication of any and all communications or information transmitted by Customer or by any of Customer's customers or authorized end users, or (iii) the use of Service(s) by Customer in any manner inconsistent with the terms of this CSA, including without limitation the AUP.

7. ADDITIONAL PROVISIONS.

7.1. Except as to payment obligations of Customer, neither Party shall have any claim or right against the other Party for any failure of performance due to Force Majeure.

7.2. Neither Party is the agent or legal representative of the other Party, and this CSA does not create a partnership, joint venture or fiduciary relationship between COGENT and Customer. Neither Party shall have any authority to agree for or bind the other Party in any manner whatsoever. This CSA confers no rights, remedies, or claims of any kind upon any third party, including, without limitation, Customer's subscribers or end-users.

7.3. This CSA for Service is made pursuant to and shall be construed and enforced in accordance with the laws of the state of Florida without regard to its choice of law principles. Any action arising out of or related to this CSA shall be brought in the District or Federal courts located in the Marion County, Florida, and Customer consents to the jurisdiction and venue of such courts.

7.4. Notices, if required, must be sent in writing by e-mail, courier or first class mail (postage prepaid) to the appropriate contact point listed on the Order Form, and are considered made when received at that address; provided, that termination notices to COGENT must be sent in accordance with Section 4.2 above. In the event of an emergency, COGENT may only be able to provide verbal notice first; such verbal notice will be followed by written notice. Customer is responsible for accuracy of its information on the Order Form, including points of contact.

7.5. Customer may not assign this CSA without COGENT's prior written consent, which consent shall not unreasonably be withheld. Any such assignment without COGENT's prior written consent shall be void.

7.6. Without limiting any other obligation which expressly survives the expiration or prior termination of the term of the CSA, the expiration or prior termination of the term of the CSA shall relieve both Parties of any further obligations hereunder, except with respect to the Sections 2, 3, 4.3, 4.4 and 5 through 7, which shall survive any expiration or termination of these Terms.

7.7. If (but only if) required by COGENT's or Customer's agreement with Customer's Landlord: (a) any cessation or interruption in COGENT's Service does not constitute a default or constructive eviction by Customer's Landlord, and (b) Customer agrees to waive and release Landlord and its related parties from any liability in connection with any damages whatsoever incurred by Customer, including lost revenues, which arise, or are alleged to arise, out of any interruption of or defect in the COGENT Service, **REGARDLESS OF WHETHER SUCH INTERRUPTION OR DEFECT IS CAUSED BY THE ORDINARY NEGLIGENCE (BUT NOT THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT) OF A RELEASED PARTY.**

7.8. The COGENT Network is owned by COGENT, or its licensors, and is protected by copyright and other intellectual property laws. Customer agrees that title to and ownership of the Services, in any form, shall at all times and in any event be held exclusively by COGENT. Customer shall be entitled to only such rights with respect to the Services as are specifically granted herein.

7.9. This CSA and such other written agreements, documents and instruments as may be executed in connection herewith are the final, entire and complete agreement between Customer and COGENT and supersede all prior and contemporaneous negotiations and oral representations and agreements, all of which are merged and integrated into this CSA. No purchase order or similar document provided by Customer to COGENT shall be of any force and effect. Amendments to the CSA or any Service shall be in writing and signed by both Parties.

7.10. This CSA and any Addendum thereto may be executed in one or more counterparts all of which taken together shall constitute one and the same instrument.

*Notwithstanding the foregoing, Customer's liability resulting from its obligation to indemnify shall not exceed the greater of $200,000 per person or $300,000 per incident or occurrence, as set forth in section 768.28, Florida Statutes.

DEFINITIONS

AUP	COGENT's Acceptable Use Policy as posted by COGENT at www.cogentco.com. COGENT reserves the right to amend its AUP at any time, effective upon posting on the COGENT website.
COGENT	Cogent Communications, Inc. or its subsidiaries or affiliates.
COGENT Network	The telecommunications network and network components owned, operated or controlled by COGENT, including COGENT's fiber backbone, metropolitan fiber networks, any equipment connected to such fiber, and the software, data and know-how used by COGENT to provide the Services. Where COGENT services a building through its own facilities, the COGENT Network includes those facilities. The COGENT Network does not include customer premises equipment, customer-ordered telephony circuits, and any networks or network equipment not operated and controlled by COGENT.
Customer	Customer identified in the attached Order Form.
CSA	The entire Customer Subscriber Agreement between COGENT and Customer for provision of the Service, consisting of, in order of priority, the Order Form, any addendum between the Parties, the Terms, the applicable product rider and the SLA.
Equipment	Customer's equipment, if any.
Force Majeure	Causes beyond a Party's control, including but not limited to: acts of God; fire; explosion; vandalism; cable cut; storm; flood or other similar occurrences; any law, order, regulation, direction, action or request of any government, including federal, state, provincial, municipal and local governments claiming jurisdiction over a Party or the Service, or of any department, agency, commission, bureau, corporation, or other instrumentality of any such government, or of any civil or military authority; national emergencies; unavailability of materials or rights-of-way; insurrections; riots, terrorist acts or wars (declared/undeclared); or strikes, lock-outs, work stoppages, or other labor difficulties, supplier failures, shortages, breaches or delays.
Initial Costs	Greater of (a) installation fees (if not paid); or (b) all third-party costs and charges incurred by or charged to COGENT on behalf of Customer for the Service, including but not limited to local loop fees, cross-connect charges, and wiring fees.
Initial Term	Initial length of term for the Services as indicated on the Order Form.
Landlord	Customer's landlord, building owner or property/telecom manager.
Losses	Costs, fees, liabilities, losses, damages or penalties, including reasonable legal fees.
Order Form	Cover form to which these Terms are attached, identifying the specific Service(s) to be delivered.
Party or **Parties**	COGENT and/or Customer.
Renewal Term	Subsequent length of term for the Services after completion of the Initial Term.
Service(s)	Bandwidth services provided by COGENT under the Customer Subscriber Agreement.
Service Date	Earlier of date on which (a) COGENT notifies Customer that the Service is available for Customer's use at either the COGENT-defined demarcation point or last-available test point; or (b) Customer first uses the Service or the COGENT Network. The Requested Service Date on the Order Form is the earliest date on which Customer is willing to accept COGENT Service. COGENT does not guarantee that the Service will be installed on the Requested Service Date.
SLA	The Service Level Agreement as posted by COGENT at www.cogentco.com for Customer's Service(s). COGENT reserves the right to amend the SLA at any time, effective upon posting on the COGENT website.
Space	Rented rack space from COGENT, if any.
Tax or **Taxes**	All taxes arising in any jurisdiction, including without limitation all: sales, use, excise, gross receipts, value added, access, bypass, franchise, telecommunications, property (for co-location customers), consumption, or other taxes, fees, duties, charges or surcharges (however designated) which are imposed on or based on the provision, sale or use of the Service(s), including such taxes imposed directly on COGENT or for which COGENT is permitted to invoice Customer in connection with COGENT's performance under the CSA. Taxes do not include COGENT's income taxes.
Termination Charge	Single payment equal to the total remaining dollar value of the applicable Service order through the Initial Term or Renewal Term, as applicable.
Terms	Terms and conditions that apply to the Services COGENT provides to Customer.

Customer: DS JPHS

PRODUCT RIDER – DEDICATED INTERNET ACCESS GLOBAL

This product rider (Rider) amends the CSA entered into between Customer and COGENT for the Services specified therein. Unless otherwise defined herein, capitalized or defined terms in the CSA have the same meaning in this Rider. In the event of a conflict between forms, the following will be the order of priority: First, the Order Form; Second, any Addendum entered into by the Parties; Third, the Terms; Fourth, this Rider; and Fifth, the SLA.

1. Service and Options

Within the scope of the Dedicated Internet Access Service, COGENT transmits IP-packets between the COGENT Network and associated networks of its Customers as well as to and from the global Internet using COGENT's settlement-free peering agreements with other networks.

Subject to their availability, Customer may select one or more options associated with the Service such as listed in the Order Form, in which case Customer agrees to pay the related fees such as indicated in the Order Form:

IP Address Allocation: COGENT will allocate an IPv4/29 and IPv6/112 free of charge to Dedicated Internet Access customers as part of each port order. If Customer desires a larger IP address space allocation, Customer shall submit an application to COGENT for the larger allocation, using COGENT's "IP Questionnaire" form. If COGENT approves the application, Customer will be required to place an order for the larger IP allocation. Each larger allocation for IPv4 address space will be subject to an additional Monthly Fee. Larger allocations for IPv6 address space will be free of charge. COGENT makes no guarantees that any subsequent allocations will be contiguous to any of Customer's existing allocations. IP address space allocations are subject to the AUP and will be terminated and reclaimed when Customer's Dedicated Internet Access Services with COGENT are terminated.

BGP routing: Customer may connect to COGENT's network using the BGP protocol (Border Gateway Protocol). Customer will be required to place an order and a BGP session will be established with Customer's own assigned ASN (the Primary ASN). If Customer wishes to connect with multiple BGP sessions over a single port (or LAG bundle) with the Primary ASN and ASNs from third parties represented by Customer (the Secondary ASNs), then Customer will be required to provide COGENT with a Letter of Authorization ("LOA") issued by the third parties having registered the Secondary ASNs in order to activate such Service, and all interactions, being during provisioning or operations, related to BGP-sessions set up between COGENT's network and Secondary ASNs will be handled exclusively between COGENT and Customer. The fact that a BGP session is being set up between COGENT and other parties represented by Customer does not constitute a contractual relationship between COGENT and the other parties, this interaction is ruled by the contractual relationship established between COGENT and the Customer. COGENT will charge an additional Monthly Fee for each ASN connected, including the Primary ASN.

Static routing / VLAN: Customers connecting to COGENT's network with static routing (i.e., non-BGP) may require a VLAN (Virtual Local Area Network) structured port. Customer must place an order to have a VLAN configured on Customer's port, in order to support static routing of Customer's own assigned IP address space (the Primary IPs). If Customer wishes to connect with Primary IPs and IP addresses from third parties represented by Customer (the Secondary IPs), over one or more VLANs on a single port, then Customer will be required to provide COGENT with a Letter of Authorization ("LOA") issued by the third parties having registered the Secondary IPs in order to activate such Service, and all interactions, being during provisioning or operations, related to static routing (and, as the case may be, VLANs) set up between COGENT's network and Secondary IPs will be handled exclusively between COGENT and Customer. The fact that static routing is (and, as the case may be, VLANs are) being set up between COGENT and other parties represented by Customer does not constitute a contractual relationship between COGENT and the other parties, this interaction is ruled by the contractual relationship established between COGENT and the Customer. Each VLAN will receive the same IP address space allocation as a port order at the same location. COGENT will charge an additional Monthly Fee for each VLAN connected.

Link Aggregation (LAG): In certain Service Locations, Customer may elect to aggregate multiple 10 Gigabit Ethernet Services in such Service Location into a Link Aggregation bundle (a "LAG-bundle"). Under such option, COGENT will configure the LAG-bundle in such a way that, in case of an outage of some (but not all) Services involved in the LAG-bundle, unaffected Services in such LAG-bundle will continue to pass traffic. Link Aggregation is the technical combination of ports and is independent from billing options: COGENT will bill burstable Services involved in a LAG-bundle independently from each other, unless Customer elects to combine them using the "Summed Burst Billing" or "Aggregate Burst Billing" options described in section 2 below.

Equipment: COGENT may, at its sole discretion and if available, provide equipment for certain Services. The fees for such equipment as agreed in the Order Form will be added to Customer's invoice. COGENT does not guarantee and is not responsible for any specific type of equipment, or any equipment at all, to be made available to Customer, and such equipment will belong to Customer upon receipt. Customer will provide its own technical support to install, maintain, and integrate equipment. COGENT will not provide on-site technical support. Customer will be responsible for applicable replacement costs if the equipment is subject to any damage, unauthorized alteration/modification/repair, abnormal use, misuse, neglect, abuse, accident, improper installation, or other acts caused by Customer, its employees, contractors, or any other person. Such action or inaction may void any manufacturer warranties. Customer further agrees to indemnify and hold harmless COGENT for any third party claim based on Customer's unauthorized alteration or modification of the equipment. COGENT is not responsible for Service disruptions caused by any request by Customer to relocate equipment.

Expedite Delivery: COGENT's installation guarantee is strictly limited to the installation guarantee stated in the SLA. However, Customer may request in the Order Form an expedited delivery for his Service. COGENT will use commercially reasonable efforts to accommodate Customer's request; provided, however, that COGENT does not guarantee that any such request will be fulfilled (and any such guarantees given either orally or in writing are hereby disclaimed) nor does COGENT guarantee that the Service will be delivered on a specific date, such as the Requested Service Date indicated on the Order Form.

DocuSign Envelope ID: 85E927BF-FF08-4408-9592-4EDA57A8C85C

© Cogent Communications. 2016

2. Burstable Service

If Customer is purchasing COGENT's burstable Service, Customer will have a minimum bandwidth commitment assigned for a given port (the Bandwidth Commitment or Committed Data Rate, "CDR"). The Bandwidth Commitment is agreed upon in the Order Form and is the minimum amount of bandwidth that will be charged to Customer each month at the base Service price, even if not fully used by Customer during a given month. Customer may burst up to the maximum bandwidth that can be carried on a given port, e.g. 1,000 Mbps for a Gig-Ethernet port, subject to availability of bandwidth within the COGENT network.

If Customer exceeds the Bandwidth Commitment on any burstable port in any given calendar month, Customer agrees to pay the additional per Mbps charge for excess bandwidth usage over the Bandwidth Commitment as indicated in the Order Form. Such excess bandwidth usage is calculated by COGENT as the difference between total bandwidth usage and Bandwidth Commitment, where total bandwidth usage is determined by collecting bandwidth usage samples every 5 minutes throughout the month for each port (a sample is based upon the average usage across the 5-minute segment) and determining the appropriate percentile (90th or 95th) of usage as indicated in the Order Form. Only one sample is captured for each 5-minute period, even though two samples are collected - one for inbound utilization and one for outbound utilization. The higher of the two samples is retained. For partial months, the total number of samples for the calendar month is used; for samples where there is no usage, 0 is the recognized value. For example, in a 30-day billing period, 8,640 samples are collected (12 samples/hour x 24 hours/day x 30 days) and listed from highest to lowest. In case of 95th percentile billing, the highest 5%or 432 samples are discarded (representing the top 5% of usage levels). The highest remaining sample (sample 433 in this example) is used to determine total bandwidth usage. For 90th percentile billing, the highest 10%or 864 samples are discarded (representing the top 10% of usage levels). The highest remaining sample (sample 865 in this example) is used to determine total bandwidth usage.

Under the "Summed Burst Billing" option available in conjunction with 90th percentile burst billing, COGENT calculates excess usage as the difference between the sum of total bandwidth usage and the sum of Bandwidth Commitment across all summed ports. For example, if Summed Burst Billing is applied over three ports with a Bandwidth Commitment of 200 Mbps on each (i.e., a total Bandwidth Commitment of 600 Mbps) and the individual 90th percentile total bandwidth usage amounts were 70 Mbps, 150 Mbps and 500 Mbps, the excess bandwidth usage would be 120 Mbps (70 + 150 + 500 - 600).

Under the "Aggregate Burst Billing" option available in conjunction with 95th percentile burst billing, excess bandwidth usage is calculated by COGENT as the difference between total aggregated bandwidth usage and the summed Bandwidth Commitment across all aggregated ports, where total aggregated bandwidth usage is determined by adding usage samples every 5 minutes across all aggregated ports. In the event the aggregated ports are located in more than one time zone, usage samples taken at the same local time will be added together, e.g., usage samples taken at 9 p.m. local time in London will be added to usage samples taken at 9 p.m. local time in New York City. For example, if there are three aggregated ports, every 5 minutes three inbound samples and three outbound samples are collected, added up to one bandwidth usage value per direction, and the higher of the two values is retained. In a 30-day billing period, the final 8,640 retained bandwidth usage values reflect the aggregated usage across all ports. These values are listed from highest to lowest. The highest 5% or 432 values are discarded (representing the top 5% of usage levels). The highest remaining value (value 433 in this example) is used to determine total aggregated bandwidth usage.

Under both "Summed Burst Billing" and "Aggregate Burst Billing" options, a Master Service is defined in the Order Form, and all other Services involved in a Summed or Aggregate calculation are listed. Excess bandwidth usage (burst usage) calculated across the listed ports will be billed on the Master Service account. The relevant data (additional per Mbps charge for excess bandwidth usage and Billing Currency) pertaining to the Master Service will be used for calculating excess bandwidth usage fees across Master Service and all other involved Services. For example, if a customer orders ports in the UK, US, and Canada and defines the US port as the Master, all excess bandwidth usage will be billed on the US invoice in US dollars, at the burst fee indicated on the US port order form.

These billing options are independent from the Link Aggregation (LAG) option: COGENT will not combine Services involved in "Summed Burst Billing" or "Aggregate Burst Billing" into a LAG-bundle, unless Customer elects to combine them using the Link Aggregation (LAG) option described in section 1 above. Furthermore, if Customer wishes that COGENT bills Services part of a LAG-bundle according to the "Summed Burst Billing" or "Aggregate Burst Billing" option, then Customer must elect these options for such Services, in addition to the election of the LAG Option.

3. Customer's Duties to Cooperate

Customer or its representative must cooperate with COGENT in the installation process, which includes accurate completion of an Order Form containing detailed demarcation information and other onsite contact listings, and of the necessary technical questionnaires (IP Questionnaire, BGP Questionnaire, etc.) as provided by COGENT. Customer or its representative must be physically present at the time of installation. During installation and at all other times, the Customer will allow access and if necessary provide escort, for COGENT's or its representatives' necessary personnel to perform the installation and maintenance of the Service, to the designated building's phone closet(s) or telecommunications room or to the Customer's premises for the purposes of survey, installation, operations and maintenance of the Service, after prior arrangement between the parties. Customer's failure to cooperate shall release COGENT from its obligations pertaining to the Installation Guarantee included in the SLA but shall not suspend the Service Date or billing start date.

In the event of technical problems relating to the Service, the Customer will ensure that COGENT's or its representatives' service engineers have unrestricted access to the designated building's phone closet(s) or telecommunications room or to the customer premises equipment. Customer's failure to provide access shall release COGENT from its obligations pertaining to the Network Availability part of the SLA.

4. Demarcation Point

Within a COGENT data center: If Service delivery takes place within a COGENT data center, COGENT will deliver the Service at a demarcation point situated on the COGENT equipment. COGENT will provide, maintain and operate the necessary wiring ("Cross-Connect") for Customer to connect to COGENT's service at the indicated demarcation point. COGENT will provide such Cross-Connect for the Cabling fee set forth on the Order Form.

Within a third-party data center: If Service delivery takes place within a third party data center (i.e. that is not owned and/or operated by COGENT), COGENT will deliver the Service at a demarcation point situated on the COGENT equipment. Unless otherwise agreed, Customer will at its own cost provide, maintain and operate the necessary wiring ("Cross-Connect") to connect to COGENT's service at the indicated demarcation point. If Customer and COGENT agree that COGENT shall provide such Cross-Connect, then COGENT will provide such Cross-Connect against Cabling fees such as indicated on the Order Form and the

DocuSign Envelope ID: 85E927BF-FF08-4408-9592-4EDA57A8C85C

© Cogent Communications. 2016

Service demarcation point will remain on the COGENT equipment. COGENT may increase Cross-Connect fees at any time to the extent COGENT's third party costs directly associated with providing the service (including, but not limited to, third party data center rates) are increased by the third party.

Within an On-Net corporate building: If Service delivery takes place within an On-Net corporate building, COGENT will deliver the Service at a demarcation point situated on the COGENT equipment within the Customer's suite. COGENT will provide, maintain and operate the necessary wiring ("Riser") between the building entry and the indicated demarcation point.

At an Off-Net Customer Location: Off-Net Services are being delivered to the Customer Location indicated in the Order Form through a third-party local loop to be provisioned by COGENT on behalf of Customer. As such, the Customer and COGENT agree that the charges set forth in the Order Form for such Service assumes that such Service will be terminated at a pre-established demarcation point or minimum point of entry (MPOE) in the building housing the Customer Location, as determined by the local access provider. COGENT may charge Customer additional nonrecurring charges not otherwise set forth herein for such Service where the Customer or local access provider determines that it is necessary to extend the demarcation point or MPOE through the provision of additional infrastructure, cabling, electronics or other materials necessary to reach the Customer Location. It shall be the Customer's responsibility to allow access to the facility for the local access provider, as well as to facilitate or coordinate with the property owner at the Customer Location, all additional space and electricity determined by the local access provider to be necessary to provide the Service. COGENT will notify Customer of any additional non-recurring charges, if any, as soon as practicable after COGENT is notified by the local access provider of the amount of such charges. From time to time, COGENT may provide, and Customer may accept, budgetary estimates for the extension of the demarcation point to the Customer Location along with the initial Order Form. These estimated costs may be based on certain known costs or typical installations that do not require extraordinary efforts by the provider to extend the service. In the event actual costs exceed the budgetary estimate, Cogent will notify the Customer as outlined above.

In addition, the charges and the Term set forth in the Order Form for the Service assumes that such Service can be provisioned by COGENT through the local access provider selected by COGENT (and/or Customer) for the stated Term. In the event COGENT is unable to provision such Service through the selected local access provider or the selected local access provider requires a higher cost or longer Service Term than that set forth in the Order Form, COGENT reserves the right, regardless of whether COGENT has accepted the Order Form, to suspend provisioning of the Service hereunder and notify Customer in writing of any additional non-recurring charges, monthly recurring charges and/or Term that may apply, or to cancel the Service set forth on the Order Form. Upon receipt of such notice, Customer will have five (5) business days to accept or reject such changes. If Customer does not respond to COGENT within the five (5) business day period, such changes will be deemed rejected by Customer. In the event Customer rejects the changes (whether affirmatively or through the expiration of the five (5) business day period) or if COGENT elects to cancel the Service ordered herein, the affected Service will be cancelled without cancellation or termination liability of either party.

COGENT may also increase Off-Net Service fees at any time to the extent COGENT's third party costs directly associated with providing such Off-Net Services (including, but not limited to, loop provider or third party data center rates) are increased by the third party.

Contract Documents

The entire Customer Subscriber Agreement (CSA), entered into between Customer and COGENT, is made up of the documents listed here. Capitalized terms are defined in the text of the Terms or Definition section of the Terms. All prior agreements, proposals, representations, statements, or understandings, whether written or oral, concerning such Services, are superseded. Customer certifies that the documents constituting the CSA are the documents and forms that have been supplied to Customer by Cogent and that Customer has made no changes to them.

(1) Order Form
(2) Terms, as attached (initialed by Customer) (For current customers, if Terms are not attached, the current Terms remain in force)
(3) SLA (http://www.cogentco.com/files/ps_internet/SLA_on_internet.pdf)
(4) Product Rider(s), as attached (signed by Customer)
(5) Any other Rider or Addendum, as attached (signed by Customer)

Notes

Notwithstanding Section 1.2 of the Terms, at the end of the Initial Term, the Service ordered hereunder will renew on the same price, terms and conditions for successive month-to-month Renewal Terms upon written consent of the parties unless and until terminated or amended as provided in the CSA.

Customer acknowledges that COGENT has informed it that the installation of the Service ordered hereunder will be longer than the timeframe specified in the SLA, and Customer accepts such longer time frame and waives the installation guarantee set forth in the SLA with respect to the Service ordered hereunder.

NETWORK SERVICES ADDENDUM NORTH AMERICA

This addendum (Addendum) amends the CSA entered into between Customer and COGENT for the Services specified therein. Unless otherwise defined herein, capitalized, or defined terms in the CSA have the same meaning in this Addendum. In the event of a conflict between forms, the following will be the order of priority: First, the Order Form; Second, this Addendum; Third, the Terms; Fourth, the applicable Product Rider; and Fifth, the SLA.

Terms Sec. 6.1 Section 6.1 of the Terms is amended by adding the following at the end of the Section:

"Notwithstanding the foregoing, Customer's liability resulting from its obligation to indemnify COOGENT pursuant to Section 6.1 shall not exceed the greater of $200,000 per person or $300,000 per incident or occurrence, as set forth in section 768.28, Florida Statutes."

Terms Sec. 7.3 Section 7.3 of the Terms, first sentence, is amended by striking "District of Columbia" and replacing with "State of Florida".

Section 7.3 of the Terms, second sentence, is amended to read:

"Any action arising out of or related to this CSA shall be brought in the State or Federal courts located in Marion County, Florida, and each party consents to the jurisdiction and venue of such courts for such actions."

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.

The Office of the County Attorney is requested to provide legal assistance as detailed in this legal request and supporting documents (attached).

Request for:
- ☐ Draft Document
- ☐ Approve as to Form
- ☐ RESUBMIT LRM No. _____
- ☐ Legal Opinion
- ☑ Other

Description of Request

I see the note on the LRM it states to enter new fee amount in section 3. Do we need to add the below language because this fee changes year to year?

The annual fee for the current fiscal year was $28,264.46, which the City has already paid. For the next fiscal year, the fee will be $28,264.46 plus the CPI increase for the period 10/2025–09/2026. In each subsequent year, the adjusted fee will continue to increase based on the applicable CPI for that fiscal year, with each increase compounding annually.

For more information or discussion, contact: ☑ Same as above

FOURTH AMENDMENT AND RENEWAL OF INTERLOCAL AGREEMENT

THIS FOURTH AMENDMENT AND RENEWAL OF THE INTERLOCAL AGREEMENT (this "Fourth Amendment") is entered into this _____ day of _____, 2026, by and between Marion County, a political subdivision of the State of Florida, located at 601 S.E. 25th Ave., Ocala, Florida, 34471, (the "County") and City of Ocala, a Florida municipal corporation, located at 110 SE Watula Ave., 3rd Floor, Ocala, FL, 34471, (the "City").

WITNESSETH;

WHEREAS , the parties entered into an Interlocal Agreement dated December 5, 2006, for County to dispose of City's household hazardous and electronic waste items and the parties entered into an Amendment and Renewal of the Interlocal Agreement dated June 21, 2011, a Second Amendment and Renewal on September 20, 2016, and a Third Amendment and Renewal on September 14th, 2021 (all agreements collectively the "Interlocal Agreement");

WHEREAS, during the renewed term of the Third Amendment and Renewal of the Interlocal Agreement dated September 14th, 2021, County has continued to incur increased costs in the processing and transport of the City's household hazardous waste and household electronic waste;

WHEREAS, the parties have agreed that moving forward during the fourth renewal term of the Agreement the fee paid to the County will be evaluated on an annual basis and adjusted utilizing CPI for All Urban Consumers (CPI-U) Series Id: CUUR0OOOSEHG- Series Title: *Water and sewer and trash collection services in U.S. city average, all urban consumers, not seasonally adjusted* as provided by the U.S. Bureau of Labor Statistics, and the applicable period for the CPI analysis will be the prior fiscal year, i.e. October 1 through September 30. The County will invoice the City each November during the renewal term;

WHEREAS the Interlocal Agreement as amended is up for renewal;

WHEREAS, the Interlocal Agreement requires mandatory public records provisions pursuant to Chapter 119.0701, Florida Statutes; and,

WHEREAS the parties wish to amend the Interlocal Agreement to reflect the increased costs, and review and revise the fee paid on an annual basis, to renew the term, and comply with the statutorily imposed language, and, in consideration of the mutual covenants and conditions contained herein, it is hereby

AGREED that:

1. This Fourth Amendment shall amend and become a part of the Interlocal Agreement.

Docusign Envelope ID: 1DF37038-095A-827D-82B0-04E7AC4FAC8F

2. Article III CHARGES AND PAYMENT. Section 3.1 of the Interlocal Agreement is hereby amended to read as follows:

3. Payment of Fees by City. Commencing on the date of this Fourth Amendment and for the term of the Interlocal Agreement as renewed pursuant to paragraph "4" below, City shall pay **$28,264.46** annually for City's participation in the household electronic waste and household hazardous waste delivered into the system by City residents or City's Residential Sanitation Supervisor. Fees shall be reviewed on an annual basis no later than 90 days prior to the renewal date utilizing CPI for All Urban Consumers (CPI-U) Series Id: CUUR0000SEHG-Series Title: *Water and sewer and trash collection services in U.S. city average, all urban consumers, not seasonally adjusted* as provided by the U.S. Bureau of Labor Statistics. The annual payment invoice shall be due and payable by City no later than the 25th day of the month in which the invoice is submitted to City. County hereby acknowledges receipt of $28,264.46 for the current fiscal year. For illustrative purposes, for the next fiscal year, the fee will be $28,264.46 plus the CPI increase for the period 10/2025-9/2026. In each subsequent year, the adjusted fee will continue to increase based upon the applicable CPI increase for that fiscal year, with each increase compounding annually.

4. Article VII TERM OF AGREEMENT at Section 7.1 of the Interlocal Agreement is hereby deleted in its entirety and replaced as follows: 7.1. **Term.** The Interlocal Agreement shall continue to be in full force and effect from the date of execution set forth above until September 20, 2031, with one (1) additional five (5) year renewal option upon consent of both parties.

5. All other provisions and conditions of the Interlocal Agreement as amended shall remain in full and effect.

Remainder of page intentionally left blank. Signature page follows.

Docusign Envelope ID: 1DF37038-095A-827D-82B0-04E7AC4FAC8F

THEREFORE, the parties here to have caused these presents to be executed, the day and year first above written.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: contracts@ocalafl.org

To advise City of Ocala - Procurement & Contracting of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at contracts@ocalafl.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Ocala - Procurement & Contracting

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to contracts@ocalafl.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Ocala - Procurement & Contracting

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to contracts@ocalafl.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Ocala - Procurement & Contracting as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Ocala - Procurement & Contracting during the course of your relationship with City of Ocala - Procurement & Contracting.
