INITIAL	OSF	11/5/2025	11/5/2025	NON COMPLIANT	<p>On 11/5/2025 I received this complaint for boats, RVs at the property. I did an initial inspection and observed at least two RVs and one boat at this property. Also observed a business sign out-front and equipment that belongs to the business. I went to the office and spoke with my supervisor Jennipher and the zoning department Breah and Michelle. In our conversation it was brought up the zoning of the property and what are they allowed to do in it (B-4) . First we spoke about the BTR, they need one for that location and the business and they don't have one. They also cant store RVs or boats in this property due to the zoning being B-4. They will need to remove the RVs and boat and obtain a BTR for the business of landscaping "Aztec land destroyers". Also after more communication with zoning it was determined that a fence permit will also be necessary since they don't have one in file. I will send a CLTO to the property owner and will be trying to communicate with the business owner as well.</p>

COMPLIANCE	OSF	12/10/2025	12/10/2025	NON COMPLIANT	<p>On 12/10/2025 I did a follow up and ended up speaking with the property owner Dallas. At this time nothing has been done and the property owner had no idea of what was going on. I briefly explain the issues, the unlawful storage of the RVs, boats, commercial vehicles, the unpermitted fence and the lack of the BTR for their business. At this time he was pretty concern and heated since they have been operating here for some years now and in the pass he had asked code enforcement for many things and he was allowed to have everting like this. I explained that this was a complaint that had come in and I was only doing my job. He said that many people around have boats and RVs on their properties and was asking why he had to remove his stuff. I explained that the zoning for his property does not allowed the storage of these vessels. He then said he was going to talk to his neighbors and calling the city to place complains against some of them. He wants to go to the city to talk to some of the officials he knows personally to get more information. I gave him more time and also emailed him a copy of the letter send to his property that he claimed he never received, it came back to us unclaimed receipt on file.</p>

FOLLOW UP	OSF	1/16/2026	1/16/2026	NON COMPLIANT	On 1/16/2026 I did a follow up and observed that nothing has been done. At the time of my inspection Ray was at the property and he was very upset about the case open on his property. At this time we had a conversation on other peoples property's and that he had remove the boats from the property and he had all the paperwork in order. At this time I explained that he still needs to get the BTR and removed the RVs that are parked on the property, also get the permit for the fence and stop parking the commercial equipment on the right of way. He was very upset at the time so I ended the conversation at that point and gave him my card. The case will be refer to the hearing at this point.
HEARING INSPECTION	OSF	2/23/2026	2/23/2026	NON COMPLIANT	On 2/23/2026 I did a follow up and observed that they obtained the BTR26-0077 for the business and removed the boat but failed to remove the RVs from the property and the site permit for the fence. The case will move into the hearing.
COMPLIANCE	OSF	3/27/2026	3/27/2026	COMPLETED	MASSEY INSPECTION On 3/27/2026 I did a follow up and observed that they have not come into compliance. No new permits have been submitted, and the RV is still on the property.
