Good afternoon Mr. Whitehead,

I have great news. The FDEP shared with me the limited scope required to finalize the LCAR data (attached), however they stated that this work can be done as supplemental assessment work under the PCPP Agreement. Therefore, the City will not need to submit an LCAR, only an executed PCPP Agreement at this time.

Attached is a PCPP Agreement request. Please read the letter and instructions and complete the attached Agreement within 60 days (4/7/2025).

Thank you so much for your patience and responsiveness. The Department looks forward to getting this work underway!
