

I will just need the brand, photo example, and materials for;

1. Garage door
2. Addition door
3. Windows
4. Roof
5. Porch steps
6. Columns

1. Garage Door- CHI Doors-Steel

2. Exterior Doors. Thermatru- fiberglass

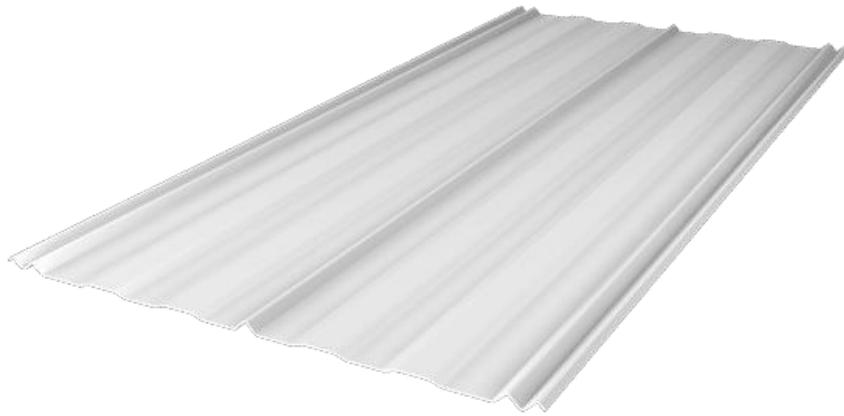

3 Windows Andersen 400 (This timeless window is a best-seller for historic renovations. It offers a traditional wood interior while featuring our innovative [Fibrex®](#) material, so you get a historic look that never looks "old.")

Photo from recent job on 5th street in Ocala. Grids will match existing windows on home

t

4 Roof – Galvalume 5V- Match existing. Tri County Metals

5. Porch Steps -. Rear steps to be brick, matching existing front porch steps

6. Posts- 10" X 8' ROUND TAPERED W/ TUSCAN CAP & BASE

Fiberglass HB&G
