RE: Pricing Standards

Dear Lt. Vizzini,

I am writing this letter to certify to you that all MBF pricing to ALL municipalities and government agencies is the same. Every vehicle MBF builds is custom, therefore, no two vehicles are priced exactly the same, but the same price sheet calculator is used on every job. I have included some pricing for a project very similar to the Ocala PD Swat Equipment Truck from 2017. The numbers will be a little different because it was five years ago. Let me know if you have any questions.

Douglas County Colorado  
SWAT Equipment Vehicle  
Douglas County PO Number/Date/Amount – 37442/ July 26, 2017/ \$186,637.90

Sincerely,

Andy Grose
