Re: Election of Police Officer to the Ocala Police Officers'
Retirement System Board of Trustees

Dear President Dreyer:

The Board of Trustees of the Ocala Police Officers' Retirement System is comprised of five members: two police officers elected by a majority of the officers, two residents of the city who are appointed by City Council, and a fifth member selected by the other four members. Each serves a two-year and may succeed their self in office. One officer and one Council appointee are selected each year for a two-year term.

Officer Holden Powell was recently elected to a two-year term by his fellow officers. He was elected by a majority of the officer's voting in an election held in July 2025.

Please feel free to contact me if you have any questions or desire any additional information.

Sincerely,

Alicia Gaither
