Subject: Entities that Boycott Israel

Date: July 2025

---

Effective July 1, 2025, Florida House Bill 1519, "Entities that Boycott Israel," amending Chapter 215.4725, Florida Statutes, expands state public investment and contracting prohibitions on entities that boycott Israel to include local government entities. The bill prohibits contracts of \$100,000 or more with companies or other entities engaged in a boycott of Israel. Additionally, contracts entered into or renewed on or after July 1, 2025, must contain a provision that allows for termination of the agreement if a company or other entity is found to be engaged in a boycott. We recommend the following provision:

This Agreement may be immediately terminated, at no cost to the Plan, in the event that the [COMPANY OR OTHER ENTITY] is found to have been placed on the Scrutinized Companies or Other Entities that Boycott Israel List or is engaged in the prohibited boycott of Israel.

The Bill requires the State Board of Administration (SBA) to determine which "other entities" boycott Israel, and if required, place them on the Scrutinized Companies or Other Entities that Boycott Israel List. Further, the bill requires the Department of Management Services (DMS) to collaborate with the SBA to identify companies and other entities with which the state currently contracts or has grant agreements. If any of those companies

are placed on the Boycott Israel List, DMS must notify them that they may be barred from receiving future state contracts or grant awards.

Under the Bill there is a distinction between direct and indirect investments, with there being an exception for indirect holdings. The Bill states that the public fund should submit letters to the managers of such investment funds containing companies or other entities that boycott Israel, requesting that they consider removing such companies from the fund, or create a similar fund having indirect holdings devoid of such companies. In the event the manager creates a similar fund, the public fund shall replace all applicable investments with investments in the similar fund. (Alternative investments and securities that are not publicly traded are deemed to be indirect holdings.). However, it is important to note that in terms of identification of companies or other entities that boycott Israel, the public fund shall use best efforts to identify all scrutinized companies or entities in which the public fund has direct or indirect holdings.

The company or other entity has ninety (90) days to cease the boycott to avoid qualifying for investment prohibition or divestment. If the boycott is continued, the public fund must sell, redeem, divest or withdraw within twelve (12) months after the company or other entity's most recent appearance on the Scrutinized Companies/Boycott Israel list.

We recommend that this memo be provided to your Plan's Investment Consultant so that they may distribute it to all investment managers.
