Text of Legislative File 2022-1392

Approve five-year agreements for continuing professional engineering services with various firms for citywide projects requiring engineering services

BACKGROUND:

The City of Ocala has an ongoing need for general and specialty professional engineering services for many of its projects. Consulting engineers assist with stormwater, roadway, traffic, lighting, geotechnical services, construction engineering inspection, surveying, mapping, environmental, planning, etc.

FINDINGS AND CONCLUSIONS:

On May 19, 2020, City issued its Request for Proposal (“RFP”) No.: ENG/190603 for the procurement of citywide engineering services pursuant to the Consultants’ Competitive Negotiations Act (“CCNA”). Under the CCNA, these professional services were required to be procured exclusively based upon qualifications and not pricing. Through the RFP, the City desired to procure services from general, specialty and Florida Department of Transportation (“FDOT”) pre-qualified engineering firms.

Proposals were received from twenty-six (26) consulting firms and after thorough evaluation the following seventeen (17) firms were recommended for award after being deemed to have the required staffing, expertise, qualifications, and capacity to perform the services needed by the City:

Consultant	Contract Description	Contract Number	Estimated Aggregate Expenditure
American Consulting Engineers of FL	General Engineering Services	ENG/220320	\$150,000
Black & Veatch Corporation	Wastewater Engineering Services	ENG/220321	\$300,000
Causseaux, Hewett, Walpole, Inc.	General Engineering Services	ENG/220322	\$150,000
DRMP, Inc.	General Engineering Services	ENG/220323	\$150,000
E. Sciences, Incorporated	Environmental Engineering Services	ENG/201036	\$150,000
England, Thims & Miller, Inc.	General Engineering Services	ENG/220324	\$150,000
Geo Technologies, Inc.	Geotechnical Engineering Services	ENG/200919	\$150,000
HBK Engineering, LLC	Surveying Engineering Services	ENG/220326	\$150,000
Jacobs Engineering Group, Inc.	General Engineering Services	ENG/220327	\$150,000
Kimley-Horn & Associates, Inc.*	General Engineering Services	ENG/210895	\$900,000
McKim & Creed, Inc.	Wastewater/STW Engineering Services	ENG/220328	\$150,000
Michael Baker International	General Engineering Services	ENG/220329	\$150,000
Southeastern Surveying & Mapping Co.	Surveying Engineering Services	ENG/200963	\$150,000
Terracon Consultants, Inc.	Geotechnical Engineering Services	ENG/220331	\$150,000
Tierra, Inc.	Geotechnical Engineering Services	ENG/220332	\$150,000
Tillman & Associates Engineering LLC	General Engineering Services	ENG/220333	\$150,000
Volkert, Inc.	General Engineering Services	ENG/220334	\$150,000

*This amount includes Task Work Orders (“TWOs”) approved by City Council totaling: \$276,358; a new TWO for the Southwest Ocala Water Modeling Project for \$91,004; individual TWOs in amounts less than the council threshold that were approved by the City Manager’s Office; and approximately \$150,000 for future engineering TWOs under \$50,000.

Each of the forgoing firms will receive an Agreement for Continuing Professional Engineering Services (each a “Master Services Agreement”) for a term of five years beginning October 1, 2020

and ending September 30, 2025. No work is promised under the agreements, and each executed agreement will allow the City to utilize the services of each firm for only the category of work awarded. City will award work based on need and availability, at the City's sole discretion, and based on the firm's negotiated loaded billing rates.

FISCAL IMPACT:

All work, allocated staff hours, and appropriate staff classifications will be assigned by individual Task Work Orders negotiated and approved between the City and the assigned firm subject to the terms and conditions of the Master Services Agreement. Negotiated Task Work Orders must be signed by the head of the utilizing department, the Procurement & Contracting Officer, and the appropriate executive leader (City Manager or City Council). Any Task Work Orders exceeding \$50,000 in value must be calendared for a City Council agenda for final approval. No engineering services will be approved without budgeted allocations.

PROCUREMENT REVIEW:

These services were procured in compliance with the City's Procurement Policy.

LEGAL REVIEW:

These agreements will be reviewed and approved for form and legality by City Attorney, Robert W. Batsel, Jr.
