BLS to Discontinue Selected PPIs

With the release of Producer Price index (PPI) data for July 2025 on August 14, 2025, BLS will end calculation and publication of approximately 350 indexes. The elimination of these indexes includes data from the PPI Final Demand-Intermediate Demand (FD-ID), special index, industry, and commodity classifications. Please note that while these indexes are being eliminated with the release of PPI data for July 2025, BLS will only move them to their respective PPI discontinued databases as resources allow.

The indexes to be eliminated are listed below.

BLS is eliminating the following FD-ID indexes. These indexes are scheduled to be transitioned to their PPI discontinued database with the release of July 2025 PPI data on August 14, 2025.
