| INITIAL            | JLB | 1/12/2026 | 1/12/2026 | NON COMPLIANT | <p>While in the area, I observed a residence (structure) that apparently sustained damage to the front porch, allowing for the vacant residence to be unsecured. Overgrowth and a dilapidated chain link fence also observed upon the property. Photos attached. There are no permits on file for any structural or roof repairs (last permit on file from 2012). Also see photo from previous code case taken 10/31/2023 to show that state of the property at the time. Due to the life safety violation (82-182) a Notice of Violation and Public Hearing to be prepared was requested. Information was forwarded to Project Manager/Building Inspector, Greg McClellan for review. Follow up scheduled.</p> |
| HEARING INSPECTION | JLB | 2/10/2026 | 2/10/2026 | NON COMPLIANT | <p>I conducted a re-inspection prior to the scheduled hearing. I observed all violations remained non-compliant. The yard had been mostly cut. There was still areas along the fence line that need cleaned. The front porch as been closed off with screening. No permits on file for any repairs or demolition. Front porch is dilapidated. Photos attached. Proceed to hearing to obtain an order.</p>                                                                                                                                                                                                                                                                                                       |
| COMPLIANCE         | JLB | 3/20/2026 | 3/20/2026 | COMPLETED     | <p><b>MASSEY INSPECTION</b></p> <p>I conducted a compliance inspection per Final Administrative Order. I observed the fence and the yard was in compliance (82-3 and 34-95). No permits on file for any repair or demolition concerning the structure, 82-182 remains non-compliant. Photos attached. Prosecution costs unpaid. Affidavit of non-compliance completed.</p>                                                                                                                                                                                                                                                                                                                                      |
