WITNESSETH:

WHEREAS, the County issued RFP No. BCSO2019-01 (such document and all addenda thereto, if any, being hereafter referred to as "RFP") seeking proposals for furnishing of certain light systems and components; aftermarket vehicle accessories, and public safety / emergency vehicle equipment ("Vehicle Accessories") and other equipment not related to vehicles ("non-Vehicle Accessories"); and,

WHEREAS, the Contractor submitted a certain proposal dated June 17, 2019 ("Proposal") in response to that RFP; and,

WHEREAS, the County and the Contractor desire to enter into a contract for the purchase and installation of Vehicle Accessories, as more particularly set forth in this Contract;

NOW, THEREFORE, in consideration of the mutual promises and covenants, obligations, and terms hereinafter set forth, and other good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, County and Contractor hereby agree as follows:

SECTION 1. 0 PURCHASE AND INSTALLATION OF VEHICLE ACCESSORIES

- 1.1 Contractor shall provide and install Vehicle Accessories as may be ordered from time to time by the County. All Vehicle Accessories shall be priced, designed, constructed, equipped, and installed in accordance with the specifications set forth in the Proposal and applicable Change Orders executed by the parties unless otherwise stated in the Contract. All Vehicle Accessories and installations shall conform and comply with all applicable federal, state, and local laws, statues, ordinances, and regulations.
 - 1.1.1 The Contractor and the County shall schedule the following two meetings with respect to each order received from the County:
 - (i) A pre-production meeting to completely review the specifications of the Vehicle Accessories and installation prior to commencing assembly or production of each order. The Contractor shall be represented by qualified sales representative(s) and / or technician(s) to properly facilitate the design and construction requirements. This meeting can be held at the County's location, by phone, or at the installation facilities of the Contractor as directed by the County.

- (ii) A final review and inspection shall be at the County's facility when the County vehicle with installed Vehicle Accessories ("Completed Vehicle") arrives and is considered by the Contractor to be complete. In addition to a complete inspection, County representatives will conduct a full performance test of each Completed Vehicle and of all integral systems. The Contractor shall provide all technical information and inspections and shall make available to the County all reasonably required third-party certifications. A technician shall be available to complete any needed repairs or to replace items not meeting specifications. At the option of the County, these repairs shall be facilitated at either the County's facility or at the facility of the Contractor.
- 1.1.2. The County or the Contractor, at any time, may request changes in the specifications or requirements related to a particular Vehicle Accessory or installation. No changes shall become effective until reduced to writing and signed by duly authorized representatives of each party ("Change Order"). All such Change Orders shall include, as a minimum, the following information:
- (i) The specific changes to be made (i.e. equipment installation, equipment, equipment components, etc.);
- (ii) Changes, if any, in the time for delivery of the Completed Vehicle; and,
- (iii) Changes in the price of the Vehicle Accessories or installation services.

1.2 Installation.

Should the County require Vehicle Accessories that cannot be provided by or purchased from the Contractor, the Contractor, at the request of the County, shall install such Vehicle Accessories provided by the County.

SECTION 2.0 PURCHASE OF PARTS

2.1 The Contractor shall provide such parts for all Vehicle Accessories installed under this Contract or non-Vehicle Accessories purchased under this Contract as the County may order from time to time. The Contractor shall provide original manufacturer part numbers. All parts ordered by the County shall be delivered to the County's designated location for delivery for each order. Significant delays in shipment beyond the reasonable control of the Contractor shall be subject to Section 10.10; provided, however, the Contractor, in such event, shall promptly notify the County regarding the details of any such delay so the County can make a final determination regarding responsibility.

SECTION 3.0 TERM

The Term of this Contract shall be a period of five (5) years, commencing on July 15, 2019, unless earlier terminated in accordance with the terms of this Contract. Such term may be extended for an additional five (5) year period, subject to mutual agreement of the parties.

SECTION 4.0 CONTRACT PRICING AND PAYMENT

4.1 Pricing.

- 4.1.1 During the Term, the County shall pay the Contractor for Vehicle Accessories ordered by the County based upon the Contractor's current pricing at the time a particular order is placed, less the stated discount (or mark-up) as set forth in the Proposal. The County shall pay the Contractor for installation of Vehicle Accessories, whether purchased from the Contractor or provided by the County, at the package prices or labor rates, as applicable, set forth in the Proposal, which rates may be modified from this time to time by mutual agreement as set forth in an amendment to this Contract.
- 4.1.2 A standard warranty package, as described and set forth in the Proposal, is included in the price of all Vehicle Accessories and non-Vehicle Accessories.
- 4.1.3 The listing and corresponding pricing of all Vehicle Accessories and non-Vehicle Accessories is listed in Exhibit A.

4.2 Payment.

- 4.2.1 All proper invoices shall be paid by the County in accordance with Florida Prompt Payment Act, Section 218.70, Florida Statutes.
- 4.2.2 In addition to other remedies available under this Contract, the County shall have the right to deduct, offset against, or withhold from sums or payments otherwise due the Contractor any sums or amounts which the Contractor may owe to the County pursuant to provisions of this Contract, as a result of breach or termination of this Contract, or otherwise.

SECTION 5.0 DELIVERY AND ACCEPTANCE

- 5.1 The Contractor shall fully assemble, service, and adjust each Vehicle Accessory prior to installation and delivery, and the Contractor shall demonstrate, to the satisfaction of the County, that each delivered Vehicle Accessory is in perfect mechanical condition.
- 5.2 Delivery of a Completed Vehicle to the County does not constitute acceptance for the purpose of payment or warranty start time. The County shall inspect and test each delivered Completed Vehicle to determine whether it meets all specifications and requirements set forth in this Contract and within ten (10) days following delivery, the

County shall notify the Contractor, in writing, of either its final acceptance of the Completed Vehicle and Accessory or the failure of the Completed Vehicle or Accessory to meet certain specifications and requirements. In the latter case, the Contractor, within ten (10) days following its receipt of written notice from the County, shall deliver to the County a detailed proposal and schedule for corrective action. If the proposed corrective action or schedule is not acceptable, or if approved corrective action is not timely completed, the County may refuse the Completed Vehicle. Each vehicle delivered or picked up by the Contractor for installation of Vehicle Accessories shall remain the responsibility of the Contractor, and the Contractor shall bear all risk of loss with respect thereto, until final acceptance of the Completed Vehicle by the County.

5.3 All non-Vehicle Accessory items that are delivered to the County should be inspected within three (3) business days for verification of all items being received that are listed on the packing slip that is included with the shipment. In the event that a packing slip is not included with the shipment, the Contractor should be notified with one (1) business day so that a packing slip can be provided. In addition, all items will need to be inspected for damage.

SECTION 6.0 INDEMNIFICATION.

- 6.1 The Contractor shall indemnify and save harmless the County, its officials and employees, from all losses, damages, costs, expenses, liability, claims, actions, and judgements of any kind whatsoever, including reasonable attorney's fees and costs of litigation, to the extent arising out of or caused by any act or omission of the Contractor, its subcontractors, or their respective employees, officers, directors, or agents, in the performance under this Contract.
