## **CONTRACT #TRIPS-19-MV-FTS**

### **ORDER PACKET FOR Braun Minivan Vehicles Florida Transportation Systems, Inc.**

#### **General Information**

The Transit Research Inspection Procurement Services Program (TRIPS) issued Proposal #TRIPS-19-MV-FTS to establish a series of state contracts for the purchase of Lowered floor MinivanType Vehicles. Through this process two contracts were awarded to two different vendors, each representing a vehicle manufacturer.

This Order Packet is for Contract #TRIPS-19-MV-FTS, which was awarded to Florida Transportation Systems Inc. June 2, 2020 to provide Braun Minivan Type Vehicles in various lengths and on various chassis' and chassis sizes.

This Order Packet contains the necessary instructions and forms for agencies to place an order with Florida Transportation Systems Inc. to purchase these vehicles. This Order Packet also provides guidance and clarity on the relationships between the seller, the buyer, and Florida DOT's TRIPS program.

The complete Contract #TRIPS-19-MV-FTS is accessible from the TRIPS website at <http://tripsflorida.org> and contains the following sections:

- **Part 1:** General Requirements and Conditions, and Contractual Provisions (Including all U.S. DOT Federal Transit Administration certifications)
- **Part 2:** Technical Specifications
- **Part 3:** Options
- **Part 4:** Quality Assurance Provisions
- **Part 5:** Warranty Provisions
- **Part 6:** Paint Schemes

For further information on the TRIPS program and Contract #TRIPS-19-MV-FTS, please contact either Carlton Allen (850-921-7345) or Lazara Stinnette (813-974- 0695) at the University of South Florida, Center for Urban Transportation Research (CUTR).

#### **Vendor Information**

To place an order for a vehicle under Contract #TRIPS-19-MV-FTS, contact Robert Frick at Florida Transportation Systems Inc.:

**Address:** Florida Transportation Systems Inc.  
6041 Orient Road  
Tampa, FL 33610  
**Telephone:** (800) 282-8617 ext. 330  
**Fax:** (813) 347-9822  
**Email:** [rfrick@fts4buses.com](mailto:rfrick@fts4buses.com)  
**Contact Person:** Robert Frick, Commercial Sales

#### **Procedures for Ordering**

The following sections provide guidance to be used by the vendor and the agencies in the ordering, delivery, acceptance and payment for vehicles procured under this contract. All parties are advised to fully review the full contract document available on the TRIPS website. Contract #TRIPS-19-MV-FTS will be the governing document.

Agencies should understand that each order placed with and acknowledged by Florida Transportation Systems Inc. constitutes a contract between the purchaser and Florida Transportation Systems Inc. only. The contract implies no duties or responsibilities by the University of South Florida, Center for Urban Transportation Research, or the Florida Department of Transportation. The terms and conditions of this contract are to be administered and enforced by and between the ordering agency and the vendor.

### **ORDERING INSTRUCTIONS**

Agencies must utilize the order forms in this Order Packet to place their orders. Agencies are encouraged to contact and work closely with Florida Transportation Systems Inc. in finalizing their orders, to fully understand the options available, to select the floor plans and seating selections, the paint schemes, and any special options or conditions that may impact the final order and purchase price. Please submit a separate order form for each type vehicle ordered.

Contract #TRIPS-19-MV-FTS is to provide Braun Minivan Type. Among the standard components of this vehicle(s) are:

- Chrysler chassis'
- Wheelchair ramp
- Standard electrical system
- Many other options

Most agencies already have an idea on the type and number of seats and wheelchair positions needed to meet their floor plan requirements. Agencies should work closely with Florida Transportation Systems Inc. to develop and finalize their floor layout plans. Based upon this consultation, Florida Transportation Systems Inc. will develop a proposed floor plan based on the Agency's needs and transmit a copy of the plan to the Agency for verification and approval.

The Order Packet also includes illustrations of the basic vehicle paint schemes and a description of the available options to assist the Agency in completing their orders.

Included in this Order Packet are the following forms and information:

- Order Form that provides:
  - Base vehicle prices
  - Unit seating and wheelchair station prices
  - Paint scheme options and prices
  - Individual option and prices
- Anticipated Usage form
- Description of Options
- Available Paint Schemes

Please submit a separate order form for each type vehicle ordered. After determining the length of bus, floor plan, paint scheme and desired individual options, complete the order form by placing the number of items in the corresponding quantity column. Multiply the dollar figure in the cost column by the number of items in the quantity column to calculate a total cost for that item. Enter that amount in the total cost column. Add the total cost column amounts together to arrive at the grand total for the vehicle. The grand total will be the figure used on the Agency's purchase order.

***Unless your vehicle is funded in part by the FTA Section 5310 grant program, the Agency deals directly with Florida Transportation Systems Inc.***

Once the details of the order are finalized, an Agency purchase order must accompany all orders placed with Florida Transportation Systems Inc. for those vehicles not funded by the FTA Section 5310 grant program.

***For all vehicles funded through the FTA Section 5310 grant program***, a copy of the completed order form and either an Agency purchase order or a check for the Agency's portion payable to Florida Transportation Systems Inc. must be emailed, faxed, or mailed to the CUTR 5310 Administrative Specialist:

Ms. Lazara Stinnette  
TRIPS 5310 Administrative Specialist USF-CUTR  
4202 E. Fowler Avenue – ENG 030 Tampa, Florida 33620  
Telephone: 813.974.0695  
[Email: lstinnette@usf.edu](mailto:lstinnette@usf.edu)

The TRIPS 5310 Administrative Specialist will verify the order accuracy, complete the request for the FDOT share, and forward the request to Tallahassee for the FDOT purchase order. When the FDOT purchase order number is assigned, the TRIPS 5310 Administrative Specialist will place the order with Florida Transportation Systems Inc. and notify the Agency of its status.

Florida Transportation Systems Inc. will provide written confirmation to the Agency and/or CUTR of the receipt of the order within seventy-two (72) hours of receiving the order with purchase order. At a minimum, the acknowledgement of the order will contain:

1. The Agency's purchase order number
2. The date the order was received
3. The date the order was placed with the manufacturer
4. The production and VIN number when available
5. The estimated delivery date (when available)

#### **DELIVERY**

Completed units must be delivered to Agency within ninety (90) days from receipt of chassis or purchase order, whichever occurs last.

In the event of delay in completion of the delivery of vehicles beyond the date specified in the contract, in addition to any granted extensions agreed to in writing by the Agency, the Agency may assess as liquidated damages, twenty-five dollars (\$25.00) per calendar day per vehicle.

Each vehicle purchased through the TRIPS shall be routed to the FDOT's Springhill Inspection Facility, located in Tallahassee, Florida, for an inspection prior to delivery to Florida Transportation Systems Inc.

Florida Transportation Systems Inc. should see that all noted write-ups are corrected prior to final delivery to the procuring agency. This inspection by the TRIPS is not represented as being "all inclusive" and in no way relieves the dealer from the required Pre-Delivery Inspection (PDI)

Prior to the vehicle(s) being delivered, Florida Transportation Systems Inc. must perform a PDI. Upon completion of a PDI, Florida Transportation Systems Inc. will be required to deliver the vehicles to the Purchaser. The dealer shall notify both the purchasing Agency and the FDOT District Office a minimum of 48 hours in advance to arrange a delivery time.

The vehicle shall be delivered with all Contractor/manufacturer's quality control checklists including road test and final inspection (properly completed and signed by an authorized plant representative). Other documents/items required at delivery include:

- Copy of Manufacturer's Certificate of Origin
- Application for Certificate of Title
- Bill of Sale
- Warranty Papers (forms, policy, procedures)
- Maintenance Schedule
- Operators' manual
- Invoice (To include contract number, P.O. number, VIN#, and agency name)

#### **FINAL ACCEPTANCE**

Delivery of the vehicle(s) by Florida Transportation Systems Inc. does not constitute acceptance by the Agency. The vehicle will be considered "accepted" upon passing the inspection and once the Agency accepts the vehicle in the vehicle DATACenter. Once accepted, the DATACenter will automatically issue a letter of acceptance to the Dealer and the CUTR staff.

The terms of the contract state that an Agency has ten (10) calendar days after receiving the vehicle(s) to perform a Post Delivery Inspection and issue either a "Letter of Acceptance" or a "Letter of Rejection" to Florida Transportation Systems Inc. and the Florida DOT District Office contact. The "Letter of Rejection" will state and describe the areas to be found in noncompliance with the bid specifications, incompleteness, or any defective or damaged parts. Both of the letters are issued as a function of the DATACenter.

A vehicle should be rejected if any items are missing, defective, altered, incorrect, or incomplete. In the event a vehicle(s) is delivered incomplete or contains any defective or damaged parts, the said parts will be removed and replaced by Florida Transportation Systems Inc. New parts will be furnished and installed by Florida Transportation Systems Inc. at no cost to the Agency. If there is work involved, warranty or otherwise, to repair or place the vehicle(s) in proper complete condition, such repairs will be made by an approved firm in accordance to the warranty provisions of the contract. Placing the vehicle(s) in revenue service will automatically constitute "acceptance". In such circumstances, a "Letter of Acceptance" should still be issue to Florida Transportation Systems Inc. via the DATACenter. Acceptance of the vehicles shall not release the Contractor from liability for faulty workmanship or materials.

#### **PAYMENT**

***For vehicle purchased without funding from the FTA Section 5310 grant program,*** the Agency should complete all necessary paperwork and submit its request to process the Agency purchase order payment within five (5) days after the delivery and/or acceptance of the vehicle.

***For all vehicles funded through the FTA Section 5310 grant program*** , the Agency should approve and process its purchase order to allow a check for the Agency amount to be sent to Florida Transportation Systems Inc. for its share of the vehicle. If, instead of a purchase order, a check was provided at the order request time, forward all invoices to the CUTR 5310 Administrative Specialist along with a copy of the acceptance letter.

Upon receipt of the Agency's portion of the vehicle, Florida Transportation Systems Inc. will contact the CUTR 5310 Administrative Specialist with a request to process the FDOT purchase order payment approval.

***The total purchase price should be paid in full within sixty (60) days after acceptance of each vehicle*** . Agencies should note that failure to meet the net 60-day payment terms could result in the assessment of interest and other penalties. Terms are those shown in Price Proposal Form E of the contract document. A 2% monthly service charge will be added to all past due accounts.
