

FDOT maintains an active contract for traffic equipment approved for use on Florida roads. Pricing is competitive and the contract includes items the Traffic Division uses such as traffic signal cabinets, controllers, malfunction management units, video detection components, and uninterruptible power supply battery backup units. Traffic signal equipment must be replaced to minimize disruption of traffic flow and to maintain the safe and efficient operation of signalized intersections.

FISCAL IMPACT:

Funding for these purchases has been budgeted in 109-023-201-541-54-52010 for Fiscal Year 2023-24 in the amount of \$104,000, Fiscal Year 2024-25 in 109-023-201-541-54-52010 in the amount of \$250,000, and Fiscal Year 2025-26 in 109-023-201-541-54-52010 in the amount of \$250,000.

PROCUREMENT REVIEW:

These goods have been procured for direct supply purchase in compliance with the City's Procurement Policy and Rule 60A-1.001, Florida Administrative Code.

LEGAL REVIEW:

N/A. The City's standard and approved Purchase Order terms and conditions shall govern purchases. Any terms and conditions offered by the suppliers will be reviewed for form and legality by City Attorney, William E. Sexton.
