STAFF RECOMMENDATION (Motion Ready):

Introduce Ordinance 2024-19 to establish the Winding Oaks Community Development District generally located south of SW 66th Street, east of SW 54th Court Road, and north of SW 80th Street, comprising 460.12 acres

OCALA'S RELEVANT STRATEGIC GOALS:

Economic Hub, Quality of Place

PROOF OF PUBLICATION:

February 20, 2024, February 27, 2024, March 5, 2024, and March 12, 2024

BACKGROUND:

- Petitioner: D.R. Horton, Inc.
- Property Owner: Cradle Holdings, Inc.
- Agent: Jere Earlywine, Kutak Rock LLP

D.R. Horton Inc. petitioned the City of Ocala to establish the Winding Oaks Community Development District

(the District). Exhibit A of the Ordinance includes the legal description of lands comprising the proposed District, comprising approximately 460.12 acres of land. Prior to a final adoption hearing the applicant per F.S. Chapter 190.005 is required to run a public notice in the newspaper for four consecutive weeks immediately prior to the meeting. The District is projected to contain approximately 1,698 residential dwelling units, which are to compose Phases 3, 4, 5, and 6, as well as the roadway infrastructure of SW 49th Avenue Road adjacent to Phase 2 of the Winding Oaks PD development.

A community development district (CDD) is an independent unit of special purpose local government authorized under F.S. Chapter 190 to plan, finance, construct, operate, and maintain community-wide infrastructure in planned community developments. CDDs are utilized to provide a solution to the State's planning, management, and financing needs for the delivery of capital infrastructure in order to service projected growth without overburdening other governments and their taxpayers.

A CDD is not intended to substitute for the local, general-purpose governmental unit (i.e., the City or County in which the CDD lies). A CDD does not have the permitting, zoning, or policing powers possessed by general-purpose governments. A CDD is an alternative means of financing, constructing, operating, and maintaining public infrastructure for developments, such as Winding Oaks.

The District is proposed to fund the following facilities:

Improvement	Cost Estimate	Ownership and Maintenance Entity
Stormwater Management	\$12,163,721	CDD
Roadways (Subdivision)	\$15,627,713	CDD
Roadways (SW 71 st Place Road)	\$7,100,00	City of Ocala
Roadways (SW 49 th Avenue Road)	\$1,000,000	Marion County
Water & Wastewater Systems	\$21,165,662	City of Ocala
Undergrounding of Conduit	\$500,000	CDD
Hardscape/Landscape/Irrigation	\$8,200,000	CDD
Conservation Areas	\$100,000	CDD
Off-site Improvements	\$975,000	City of Ocala / Marion County
Professional Services	\$6,000,000	CDD
Contingency	\$7,283,209	As Above
TOTAL	\$80,115,305.00	

If established, the District will provide its proposed budget to the City annually at least 60 days prior to adoption for informational purposes. The District will also provide a public facilities report within one year of its creation, an annual notice of any changes, and an updated report every seven years at least 12 months prior to the submission of the City's evaluation and appraisal of the comprehensive plan report to the State.

FINDINGS AND CONCLUSIONS:

The City considers the factors required pursuant to F.S. 190.005(1)(e) to make a determination to grant or deny a petition for the establishment of a CDD. The City makes the following findings:

1. The City, in determining whether to establish the District boundaries, has considered and finds that all statements contained in the *Petition to Establish Winding Oaks Community Development District* are true and correct.

2. The City has considered and finds that the establishment of the District is not inconsistent with any applicable element or portion of the City's Comprehensive Plan.
3. The City has considered and finds that the area of land within the District is a sufficient size, is sufficiently compact and is sufficiently contiguous to be developed as a functional interrelated community.
4. The City has considered and finds that the District is the best alternative available for delivering the community development services and facilities to the area that will be served by the District.
5. The City has considered and finds that the community development services and facilities of the District will not be incompatible with the capacity and uses of the existing local and regional community development services and facilities.
6. The City has considered and finds that the subject area is amenable to be served by a separate special-district government.

FISCAL IMPACT:

The establishment of the CDD is not anticipated to impact the City's revenues and will prevent the general body of taxpayers from bearing the burden for the installation of the infrastructure and the maintenance of certain facilities within the CDD.

PROCUREMENT REVIEW: N/A

LEGAL REVIEW: The ordinance will be reviewed by the City Attorney, William E. Sexton.
