INITIAL	SMS	3/9/2026	3/9/2026	COMPLETED	On 03/09/2026, I have responded out to the property in reference to a citizen's complaint received about junk and debris. I have observed sources of unsightly and unsanitary matter such as a tarped structures, piles of car tires, an engine block, etc on the property. While taking pictures, I have observed an individual walking on the property. I have spoken to him, and informed him of the complaint received at this address, and to ensure that the items are cleaned up. View attachments. CLTO generation assigned to Admin, and a Follow-Up has been scheduled.
FOLLOW UP	SMS	4/8/2026	4/8/2026	COMPLETED	On 04/08/2026, I have re-inspected the property in reference to junk and debris. I have observed no changes in condition in regards to the property. I have observed items such as piles of car tires, an engine strung up onto a tree branch, gray buckets collecting water on the top, a television, truck topper, a vehicle tray with PVC pipes, etc throughout the property. In addition to this, the dumpster/portable container continues to remain on the premises along with two confirmed derelict vehicles with no displayed tags on either one of them. The neighbor has approached, and has informed that they believe that the home is abandoned (they have not seen them in a while), and the container has been there for over six months and made it difficult for drivers stopping at the stop sign to look to the left for any oncoming traffic. Due to no progress, I have decided to proceed with a NOVPH. View attachments. Inspections scheduled.

CASE WORK	SMS	4/30/2026	4/30/2026	COMPLETED	On 04/30/2026, I have re-inspected the property in reference to a NOVPH compliance inspection. I have observed that while the dumpster container was removed from off the property, all other violations such as sources of unsightly and unsanitary matter such as the engine block tied on a tree branch, pile of car tires, etc still remain on the property. In addition to this, derelict vehicles also still remain on the property. View attachments. (**CE25-0633 in non-compliant status for improperly parked trailers**))
HEARING INSPECTION	SMS	5/11/2026	5/11/2026	COMPLETED	On 05/11/2026, I have re-inspected the property in reference to both junk and debris and derelict vehicles. The derelict vehicles have been removed from off the property at the time of inspection. However, the junk and debris continues to exist on the property (such as the pile of car tires, engine block, etc). View attachments.
