INSPECTIONS						
INSPECTION TYPE	INSPECTOR	SCHEDULED DATE	COMPLETED DATE	RESULT	REMARKS	NOTES
CASE WORK	SMS	12/5/2025	12/5/2025	NON COMPLIANT		<p>On 12/05/2025, I have re-inspected the property in reference to the NOVPH compliance inspection. I have observed that at the time of inspection, there was an individual that was clearing up the lot. He has stopped his work to speak to me, and he introduced me as a family friend. He is working on clearing up the lot for them. He was separating the organic/wood pile from the other junk and debris that was on the property. From there, they were going to haul these items to the dump. He has requested a business card to which I have supplied. I have informed him to give me a call once the work was completed. View attachments.</p>
CASE WORK	SMS	5/8/2025	5/8/2025	COMPLETED		<p>On 05/08/2025, I have returned a phone call to the property representative (Darnell Cox; son of the property owner) at (321)-320-4891. They have informed me that they are taking care of the property, and they have been removing the junk vehicles from off the property (since the father/owner of the property is older, so the son is taking care of it). He has the information with the Permitting Department, so he will be also taking care of the shed situation. I have also informed him via phone call that no vehicles could be stored on a vacant lot as a reminder (whether or not they have a tag, junk car, etc). He had inquired about more time to fix these issues, to which I have granted (since now I have contact with a family member to represent the property). The case has been removed off the May 2025 hearing. Phone number and phone call has been logged in Chronology tab.</p>

CASE WORK	SMS	8/18/2025	8/18/2025	NON COMPLIANT		On 08/18/2025, I have re-inspected the property in reference to a shed installed on the property without a permit, junk and debris, and unpermitted use of an R-2 lot. I have observed that the shed still remains on the property (and verified no permit for it via CS Permitting module). Along with this, there is also some scattered junk and debris in addition to the continued and unpermitted use of storage in an R-2 zone such as the vehicles. I have called the property representative at (321)-320-4891 at 04:15 P.M., and I have left behind a detailed voice-mail message pertaining to the case (how it started back in March of this year, progress being made of removal of items and permit or removal of the shed, etc). View attachments. Set inspection to monitor progress. If no further progress is being made by next inspection date, send to a hearing.
CASE WORK	SMS	4/28/2025	4/28/2025	COMPLETED		On 04/28/2025, I have responded out to the property in reference to a NOVPH compliance inspection. I have observed that all violations remain at the property such as multiple derelict vehicles, sources of unsightly and/or unsanitary matter (junk/debris), unpermitted shed installed on the property, and the storage of these items on a vacant parcel. View attachments. I have verified via the CS Permitting module that there are no applied and/or issued permit for the shed installation.
CASE WORK	SMS	4/9/2025	4/9/2025	COMPLETED		On 04/09/2025, I have posted the NOVPH (Notice of Violation and Public Hearing) onto the front gate of the property. Affidavit of Posting provided to Admin. View attachments.

FOLLOW UP	JLB	10/14/2025	10/14/2025	NON COMPLIANT	I conducted a follow up inspection. I observed the fence and unsightly matter remain upon the property. Photos attached. I made contact with Ciera 352-812-9281 via phone call. I stressed to her that since the case had been opened back in March time was running out on time for compliance. She asked for 30 days. I explained to her that if the property was not in complete compliance by that time a Notice of Violation and Public Hearing would be the next step, scheduled for a hearing. Follow up scheduled.
FOLLOW UP	SMS	7/24/2025	7/24/2025	NON COMPLIANT	Last inspection, 5/8/2025. No permits on file Please move forward with NOVPH if violation(s) still exist. On 07/24/2025, I have re-inspected the property in reference to the permitted uses of the R-2 zone. While there are vehicles, some junk and debris, and trailers still remaining, there also has been other items that has been hauled off from the property. The shed also remains on the property, and would be unpermitted due to this being a vacant parcel. If there is no noticeable improvement by next inspection, a NOVPH will be generated. View attachments.
FOLLOW UP	SMS	11/14/2025	11/14/2025	NON COMPLIANT	Schedule request for NOVPH to be prepared. On 11/14/2025, I have re-inspected the property in reference to various violations. I have observed that the shed has been completely removed from off the property. A majority of the derelict vehicles and trailers have been removed from off the property. However, the junk and debris, the storage of various items, and a derelict vehicle still remain at the property. Due to the lapse of time and ongoing issues (with this case being dated back in March of this year), I have decided to move forward with a NOVPH. View attachments. Inspections scheduled.

RE: 2865-004-001 | 646 NW 6TH ST OCALA, FLORIDA

Dear Property Owner:

Many times, homeowners and business owners are unaware of violations of the City of Ocala's Code of Ordinances existing on their property. A complaint has been reported to, or a violation was personally observed by a City of Ocala Code Enforcement Officer on the referenced property listed above.
