CASE WORK	SMS	7/7/2025	7/7/2025	COMPLETED	On 07/07/2025, I have received a phone call from Mrs. Williford at (850)-405-4335 who is the resident of 428 NW 8th AVE (where the case card has been left behind). She has informed me that she has no relation to the property itself, and the son of the property owner was using her address to receive the mail. They have not gone through the probate process with this particular property, because the family cannot come into an agreement and was deemed as too much of a hassle. She has informed the current property owner that she wanted nothing to do with the property, and to have the MCPA address changed (to which I have confirmed they have done). Due to a new mailing address, I have decided to re-notice the property owner based off the new address of the MCPA page. View related PDF attachment. A follow-up inspection has been scheduled.

FOLLOW UP	SMS	7/3/2025	7/3/2025	COMPLETED	On 07/03/2025, I have responded out to the property in reference to a follow-up inspection for junk and debris, overgrowth, and dilapidated fencing. I have observed that the property remains in the same condition (with the same dilapidated fencing, scattered junk and debris, overgrowth, etc). View attachments. As a last attempt to make contact with the property owner, I have left a case card behind at the front door of the residence that reflects off the Marion County Property Appraiser page (428 NW 8th Ave) with details such as case number, property location, and what needs to be done at said compliance. If no progress is made and/or I receive no contact, this case will escalate to a NOVPH.

INITIAL	SMS	6/3/2025	6/3/2025	NON COMPLIANT	On 06/03/2025, I have responded out to the listed location in reference to a complaint (from another Code Enforcement Officer) received about someone residing within a tent on a vacant parcel along with overgrowth, unsightly matter, and dilapidated fencing. I have observed that portions of the fencing is in a dilapidated state (such as the wooden fencing being in a leaning position and not standing straight and pieces of the metal fencing either completely missing in patches or askew). Along with this, I have observed overgrowth, tree debris, and a dead tree on the property. Finally, I have observed other sources of unsightly and unsanitary matter such as scattered junk/debris, a tent with a tarp draped over it, etc. View attachments. No contact made in-person due to it being a vacant parcel with no residence upon it. CLTO generation assigned to Admin, and a Follow-Up has been scheduled.
