INITIAL	SKN	9/17/2025	9/17/2025	NON COMPLIANT	I responded to the location with Code Enforcement Supervisor Buller and Building Inspector McClennan. The property is a sober living residence, with the garage converted into living space. We were able to enter the residence by the consent of the tenants. The house has a garage that has been converted into living space without the proper permits. I observed a large hole in the ceiling of the garage that had collapsed with building material and insulation on the floor from the collapse. I also observed two AC units and a tankless water heater that had been installed without the proper permits. While walking through the bedrooms, I was informed that one of the wall outlets was shorting out when a lamp was plugged in. We then did a walkaround of the property and I noticed several places that had holes in the roof overhang. The property needs to fix the roof areas, wall outlet and obtain the proper permits for the garage, AC units and tankless water heater. The garage also needs to be repaired, and the ceiling brought back to code. View attachments, follow up scheduled.
FOLLOW UP	SKN	10/16/2025	10/16/2025	NON COMPLIANT	There have no permits applied for and nothing issued. I will follow up in a week to check on the status.
FOLLOW UP	SKN	10/29/2025	10/29/2025	NON COMPLIANT	I followed up and spoke to Kai, a resident in the house. I asked if I could take some photos and see the repairs. I was not given permission to enter and Kai stated I would have to reach out to the owner for that authority.
FOLLOW UP	SKN	11/25/2025	11/25/2025	NON COMPLIANT	I followed up and found the permits had been applied for on 10-30. Follow up scheduled.
FOLLOW UP	SKN	1/8/2026	1/8/2026	NON COMPLIANT	I followed up and found a permit had been applied on 1/7/26. I will follow up in two weeks.
