INITIAL	JLB	2/25/2026	2/25/2026	NON COMPLIANT	On February 20, 2026, I conducted a compliance inspection of the property following abatement by the City's assigned vendor in accordance with the Final Administrative Order. During the inspection, I observed exposed floor joists at the front of the residence. The floor joists appeared rotted and/or deteriorated, and interior carpeting was visible from the exterior due to separation and damage to the siding. I contacted Project Manager/Building Inspector Greg McClellan regarding these findings, and he responded to the property. Upon further inspection, the following additional violations were observed: Portions of the roof, including fascia and soffit, were decayed and/or in disrepair. Siding was pulled away from the structure. The covered deck on the side of the residence was dilapidated. One or more windows were broken. A dilapidated accessory structure was located in the rear yard. A derelict Spartan RV trailer was present in the rear yard, missing tires and multiple windows. Photos attached. Due to the observed life-safety violations, a Notice of Violation and Public Hearing is requested. A follow-up inspection has been scheduled.
