INSPECTIONS						
INSPECTION TYPE	INSPECTOR	SCHEDULED DATE	COMPLETED DATE	RESULT	REMARKS	NOTES
INITIAL	RDH	9/12/2025	9/12/2025	NON COMPLIANT		<p>On this date at approximately 1400 hours off-duty Code Enforcement staff observed work in progress at Long John Silvers restaurant, located at 1828 E Silver Springs Boulevard. The work appeared extensive including installation of new wood panels around the entire building. Additionally, the two (2) workers on site appeared to have arrived in an unmarked personal vehicle with an unmarked trailer with building materials piled inside.</p> <p>I responded immediately and made contact with both individuals, one identified as Juan Antonio Ortiz Garcia, and the other identified as Jorge Luis Molina. Upon my initial approach, both were actively engaged in work on the exterior siding at the drive-thru of the restaurant. Garcia explained that he was a "handy man" only, not a general contractor, and confirmed he had no state license of any kind related to contracting or construction trade work. He admitted he and Molina were both together and split the payment for any work they do. Garcia also explained that he has been around Ocala for 50 years and gets all of his work via word-of-mouth rather than any advertised business or similar activity. The district manager of this restaurant reached out to him and hired him to complete the work for approximately \$1500 dollars.</p> <p>Contact was made via phone with the district manager and was informed of the violations and that a licensed general contractor must be hired and permits need to be obtained for the work.</p>

						<p>The City of Ocala Building Department Project Manager Greg McClellan also responded and verified the work that has taken place did in fact require a licensed contractor and building permits, but no such permit has been applied for or issued for this location.</p> <p>Based on the admissions and evidence, I issued both Garcia and Moline a Notice of Hearing before the Contractor's Board of Examiner's and Appeals for being engaged in, and acting in the capacity of a contractor without being duly registered or certified (22-151(b)(6)) and for commencing or performing work for which a permit is required without such permit being in effect (22-151(b)(8)). The hearing was scheduled for October 9, 2025, at 5:30pm and both signed for receipt of the Notice of Hearing with understanding of the information contained within.</p>
