BACKGROUND:

- Petitioner: Second Nine Partners LLC
- Property Owner: Second Nine Partners LLC
- Agent: Tillman & Associates Engineering, LLC

The subject property is currently in unincorporated Marion County and the petitioner is requesting to change the land use from Commercial (County) to Low Intensity (City). The current use of the subject property depicted on the Foxwood III plat is indicated to be a drainage retention area. Therefore, it will likely not be developed in the future with any alternative use. There are two other concurrent applications, consisting of an annexation (ANX24-45696) and a zoning change (ZON24-45698).

FINDINGS AND CONCLUSIONS: The proposed land use change for the subject property is compatible with the surrounding properties and with the contemporaneous zoning change request to B-2. The proposed land use change will not adversely affect the community’s health, safety, convenience, prosperity, or general welfare. Staff recommends approval.
