CASE WORK	SMS	7/9/2025	7/9/2025	COMPLETED		On 07/09/2025, I have re-inspected the property in reference to a NOVPH compliance inspection. I have observed that it appears that one wheelchair remains on the property, and all other junk/debris has been removed. All that remains is the overgrowth and deteriorated section of the fencing. While taking pictures, the property owner from across the street informed me that he knew the land-owner. He is waiting to get his mower repaired, but he will try to assist the land-owner on his behalf. View attachments.
CASE WORK	SMS	6/24/2025	6/24/2025	COMPLETED		On 06/24/2025, I have posted the NOVPH directly onto the property. Affidavit of Posting has been provided to Admin. View attachments.
FOLLOW UP	SMS	6/18/2025	6/18/2025	COMPLETED		On 06/18/2025, I have re-inspected the property in reference to junk and debris in addition to some overgrowth to the rear of the vacant property. I have observed that both the junk and debris in addition to the overgrowth remains to the rear of the property. In addition to this, the fencing is still in a deteriorated state (and in a leaning position versus being able to stand on its own). The derelict vehicle appears to have been removed at the time of inspection (was moved moreso onto the other neighboring property). View attachments. NOVPH generation assigned to Admin, and inspections has been scheduled.

INITIAL	SMS	6/3/2025	6/3/2025	NON COMPLIANT		<p>On 06/03/2025, I had a meeting with Charlita Whitehead and Ramona Williams of Economic Development in reference to three properties (with two being in relation to a property owner that has applied for the grant and the other **this one** having violations on the property). For this vacant lot, I have observed overgrowth, junk and debris (such as miscallenous items stored here such as a fridge, washer machine, etc), a derelict vehicle on the property, and a deteriorated fence. This property is considered a "Repeat Violator" as per 2022_8978 (recorded date of 06/12/2023) with violations such as derelict vehicles, permitted uses of an R-2 zone, and overgrowth/junk. View attachments. CLTO sent to Admin, and a Follow-Up has been scheduled.</p>
