CASE WORK	RSM	10/6/2025	10/6/2025	NON COMPLIANT			On 10-6-25, I posted the NOVPH to the property. I completed the associated affidavit of posting which was submitted to Admin. Photos attached and follow-up scheduled.			
FOLLOW UP	RSM	10/17/2025	10/17/2025	NON COMPLIANT			On 10-17-25, I responded to the property per a request from the property owner to check compliance. Upon arrival, I observed the fence to have been removed, abating that violation. There still remained an excessive amount of debris present even though the grass had been cut. There had been a shed in the rear yard that had been demolished (unpermitted). There had also been a new front door installed (unpermitted). The home did now appear secure, however the previous renovation efforts/work that had been conducted on the interior were done so without any issued permit and it was unsure if this was done properly and to building code standards. In speaking with the owner on the previous day, they advised that they had spoken with permitting and were waiting for the RENO permit to be issued. Based on these circumstances, the case will most likely still proceed to a hearing. I called and left a message for the owner advising of same.

FOLLOW UP	RSM	10/24/2025	10/24/2025	NON COMPLIANT	COMPLIANCE DATE ON NOVPH	On 10-24-25, I checked the property in regard to the compliance date on the issued/posted Notice of Violation & Public Hearing. On this day, I noted the property remained littered with debris. I checked the city's permit database and noted no permit activity in regard to any renovation efforts. I had left a previous message with the property rep. advising of the issues and the associated hearing that was pending. Photos attached and hearing inspection scheduled.

INITIAL	RSM	10/1/2025	10/1/2025	NON COMPLIANT	<p>On 10-1-25, I responded to the property in regard to a citizen complaint of overgrowth and homeless activity. Upon arrival, I noted the property to be unsecured. The structure was in a state of disrepair with signs of past exterior &amp; interior renovation being performed. There was no front door and the interior could be seen from the roadway. Research revealed that there was work underway in the past, however according to the complainant, she had not seen any activity in several months. There had been several related permits related to the work, however they had all expired or had never even been issued. The property was severely overgrown and there was trash and debris scattered about the area. I spoke to the complainant via phone and she advised that there had routinely been homeless individuals entering/exiting the property. There was also a fence consumed with overgrowth in the front which appeared to be in state of disrepair. I located contact information from a previous permit and spoke via phone with a representative from SV CONTRACTING AND SERVICES LLC (CBC). She advised me that to the best of her knowledge they were no longer associated with the property and had discontinued working with the owners. I attempted to contact the owners and left a detailed message as to the condition of the property and inquired as to what their intentions were. Based on the circumstances and the potentially unsafe conditions present, I submitted a request to Admin. to generate a NOVPH (Notice of Violation &amp; Public Hearing). Photos were uploaded to the case and follow-up was scheduled accordingly.</p>
